Martin Luther King, Jr. Honorary Service Award

Student Government and The Northerner are seeking nominations for this award that will be presented at the Martin Luther King, Jr. Program on Thursday, January 12, 1995. The award will go to an employee and student. For more information, contact Student Government or The Northerner.

Parking, Parking, and MORE Parking!!!!!

I have come to the conclusion that until everyone can park next to their office doors, the spirited conversations concerning parking will never cease. But seriously folks, there is some conversation concerning raising the parking fees for students, faculty, and staff. Please stay tuned to the Campus Digest, The Northerner and your Newsletter for details as they happen.
Reminder

If at anytime a staff member has a comment or concern they would like to share, contact your Staff Congress representative or call me directly at X6502. We are here to serve one another.

Chuck
