## SC ELECTION CALL

"I Can call spirits from the vasy deep."

"Why so can I, or so can any man; but will they come when you do call for them?"  
Shakespeare, King Henry IV, Part 1

We call not for spirits, but for spirited staff interested in improving our lot here at NKU. The annual Staff Congress election process is now being developed for 1985, and many SC representative catagories need to be filled. Nomination forms will be sent to all staff during the first week of October, and the election will be held Monday, November 25.

We need dedicated, hard-working individuals to get involved. Think about it, contact any of the current representatives for further information, and consider running! Nominations will be closed Friday October 25. Make your voice heard!
