

STAFF CONGRESS NEWSLETTER

STAFF CONGRESS ELECTIONS

October 22, 1982, 8:30 a.m. to 5:00 p.m. Vote at the University Center lobby booth. Staff identification is required. Absentee ballots are available from Gail Cato of Personnel Services on Friday, October 15, 1982. Absentee ballots must be received by Pamm Taylor in University Center 372, no later than 4:30 p.m. on October 21, 1982.

LITURGY SERVICE

November 1, 1982 at 12:05 p.m. Father Schmidt invites all staff members to attend the Catholic Liturgy Service. This will be held in the University Center Ballroom.

BOARD OF REGENTS

Special meeting of October 7, 1982:

- An Administrative reorganization was announced.
- An Executive Committee was named to accept bids for a new bond issue to fund the Health, Physical Education building and other campus projects.
- Ken Ramey, President of Northern Kentucky University Alumni Association, was introduced as their representative to the Board of Regents.
- New academic programs were approved for Information Systems and Food Marketing Management.
- A continued enrollment increase was reported by Dr. Albright.
- Dr. Albright announced his retirement effective February 28, 1983. A Presidential Search Committee is now being formed. The Executive Committee of Staff Congress has been contacted to select a staff member to serve on the Search Committee.

PERSONNEL DEVELOPMENT

Dr. George Manning's seminar, held September 29, 1982 on "Managing Stress and Burnout" was well received. Thanks to Personnel Services and to Dr. George Manning for an excellent presentation. Watch for notices of additional programs.

PERSONAL NEWS

- Naomi Miller (Central Stores) is recuperating at home after illness.
- Connie Hurst (Computer Services) is in the hospital for testing.

FUTURE STUDENTS?

- Jerry Groeschen (Computer Services) and his wife have a new daughter.
- Bill McCullough (Public Safety) and wife Georgianna (formally of Physical Plant) have a new son.
- Betty Waddell (Accounting) has a new granddaughter (we didn't know Betty was that old).
- Bob Barnes (Physical Plant) has a new grandson.
