FEBRUARY, 1992

The regularly scheduled monthly meeting of the Staff Congress was called to order February 13, 1991 at 1:00 p.m., University Center, 108.

SYNOPSIS OF STAFF CONGRESS MEETING:

PRESIDENTS REPORT:

The meeting was attended by several guests in addition to members of congress. Interest was spurred by the address by President Boothe. This is a good time to advise staff members that they are welcome at every meeting of NKU Staff Congress. Those who wish to address the body must submit a written request by the first of the month so they can be added to the agenda.

The remarks of Dr. Boothe reiterated that layoffs will be a last resort. The president also stated that final decisions on the budget cuts are planned to be made before spring break. (The week of March 16.)

Both Elzie Barker and Dennis Taulbee spoke of the process of planning where and how these cuts will be implemented.

Although there wasn't much new to share with us, at least we now know when the announcements will be made and knowing that is much easier than sitting here on the edge.

We appreciated Dr. Boothe's attendance - especially during this difficult time in the lives of he and Mrs. Boothe. There is no easy time for a crisis to occur but having two such major ones coincide is especially trying. They are in our daily thoughts and prayers.
