Monday noon.

My dear girls.

You left just a little bit early this morning. When I returned to my room. I found on my table a box of lovely flowers. "from the dearest Cousin in all the land."

I know that he sent them as messengers, of his love + regards And as such we will accept them.

My first impulse was to express them to you.

[page 2]

but the supreme selfish ness [selfishness] of my nature got the best of me, for my room is so empty, and my heart is so desolate. Their fragrance and beauty are a sweet reminder of the three lovely buds that have just left me. And I pray God the will continue to bloom with all the sweetness and fragrance of their ~~Youth~~, early dawn.

Trusting you had a pleasant trip and reached the Academy in safety

I remain lovingly.

Mama Aunty + freind [friend].
