VOTE

ELECTION

SPECIAL

Last spring the Student Government elections marked an all-time low in student voting percentages. Less than 13 per cent of the students voted. Granted, the probable cause for the poor showing was because only two of the six offices were contested. However, even if there had been only one office being contested, the students should have shown their support to the candidates and voted.

This week and the next week there will be three class elections and one very important Student Government election. A total of thirty-three people will be running for these offices. Hopefully, this year there will not be more people running for office than there are voters.

Students go to the polls September 28, 29, and 30. The polls will be open from approximately nine in the morning until 8:30 in the evening. Every student is eligible to vote whether he is part time or full time.

There is no excuse for a student not voting. Voting booths are set up in the West Building and every student is in the Student Lounge some time during the day. If there happens to be a student who does not go to the Student Lounge, it only takes five seconds to walk over, and another thirty seconds to vote. Surely, students are not so busy that they cannot spare thirty-five seconds of their precious time. It is a pretty disgusting and pathetic student who does not take the time to vote. There is no one who is that apathetic, not even at Northern.

Students who do not vote have no right to complain about the way things are being run. If you disagree with the present Student Government policies, cast your vote for a different SG representative. The SG representative is the major link between you and Student Government.

You owe your vote to yourself, the nominees and the school--your school. So VOTE!

JUNIORS

Candidate for President
Jim Noplis Erlanger

Candidate for President
Debbie Rose Ludlow

Candidate for Vice President
Jim Kiger Fort Mitchell

unopposed

As we made the change from UK Northern Community College to NKSC we found ourselves in a new academic surrounding, one which can be widened or narrowed. What transpires within this next year is dependent upon what we as students strive to do to better what we have.

I feel that it is my responsibility and duty, as a future graduate of this, our new school, is: 1. to instill a unified loyalty and a strong sense of pride in Northern Kentucky State College; 2. create an atmosphere of understanding and communication, not only among the students themselves, but also between the students and the faculty; 3. promote an ideal situation through a sincere and honest effort and scholastic individuality.

JUNIORS

SOPHOMORES

Candidate for Student
Government Representative and
Secretary
Carol Thompson Park Hills

I am concerned with bringing the students, the Student Government and the faculty together with a unified purpose in mind. This purpose being to help establish the guidelines and regulations that will serve to make N.K.S.C. a truly "College of One", meaning all ages, all interests and all talents working together in harmony for the good of the students and all the future students to come.

Candidate for President
Su White Kenton Co.

The demands placed on the college student today reflect the problems of the present and the solutions of the future. In order to meet these demands we must be informed and fully aware of the massive goals we can attain. To reach these goals we must learn to stand and let our opinions be heard. My goal is to be informed, inform you and together we should STAND.

Candidate for President
Rai Hopkins Erlanger

I'm interested in the school this year and for future years to become a school of student unity. I plan to be in the first graduating class in 1973. I have time to give and will denote it to the strength and construction of our class and school.

Candidate for Treasurer
Lee Walker Erlanger

unopposed

Candidate for Vice President
Betty Furnish Covington

Candidate for Vice President
Paul Leffler Covington

Only through a strong class organization and the development of class spirit can we form the spirit and unity of purpose that will make NKSC a great institution. With your help, we can build that spirit.

VOTE

REPRESENTATIVES

Candidate for Student Government Representative
Myron Gleberman Ludlow

Candidate for Student Government Representative
Mike Harp Ludlow

Candidate for Student Government Representative
Rick Houp Lakeside Park

One member of Student Government represents nearly 100 students. One silent representative silences 100 students. Being a freshman, I do not feel I can fairly state a solid platform on the issues but I would like to say what I expect from Student Government this year. Therefore, I want a place for the students to air their ideas and complaints. I feel all Student Government meetings should be open to the entire student body. Secondly, I want a very active extra-curriculum activity program this year. I think the Student Government at Northern Kentucky State has the duty to make the phrase "Student Activist" a positive rather than a negative one.

The key factor in the future will be involvement. We have a new school and a new generation of students. It is the duty of Student Government to provide the opportunity for the student body to become involved not only in campus affairs, but in the vast spectrum of social movements that affect the community and the society. As a representative of the students, it will be my duty to express the views of the students in these areas to the other representatives and attempt to have Student Government take positive action. The future of it is unlimited for what the student of NKSC can do if we all can work together for our goals.

NKSC is a new college. It has a new future. But, its future depends on you. You can't just say I'm going to Northern Kentucky, you need to think that your part of it. But, in order for a college to function you need to have communication between the administration and the student body. This is the job of the student representative, and I, Rick Houp will give you my best in trying to fulfill this job.

Candidate for Student Government Representative
Ron Rex Florence

I am a sophomore majoring in psychology and minoring in sociology. I live in Florence, Kentucky. I'm a member of the Alpha Kappa Tau fraternity. I'm running for representative because I want to help get things done around our new school. Our goals will be attained by participation and not apathy. I want to take an active part in our student government.

Candidate for Student Government Representative
Jerry Helm Cold Spring

I am running for office because I feel that only through an active part in student government can a student fully appreciate the workings of his institution, and because I think that the people of the school need and want good concerned representation and I feel that I can provide that representation.

Candidate for Student Government Representative
Bill Petrie Grant Co.

He served as an active member of the Student Council at his former high school. Bill can't present a list of his accomplishments at NKSC (he just arrived), but he can promise you he'll lend you an ear and be your voice in student affairs if elected.

FRESHMEN

Candidate for President
Ann Helm Cold Springs

As president of the Freshman class of NKSC for the year of 1970, I will do everything in my power to draw the school together and, more important, to represent my class in its needs and wants to the best of my ability.

Candidate for Vice President
Debby Friedman Erlanger

NKSC will be filled with many changes and new experiences in the coming year. I would like to help in its progress by representing you as Vice President of the Freshman Class.

Candidate for Secretary
Brooke Campbell Fort Wright

As the freshman class of a new school, we are responsible for instituting new policies that will set a precedent for years to come. If elected secretary, I feel that the most efficient execution of my duties will be of great help to my class in achieving this purpose.

Candidate for Vice-President
Sioux Regan Campbell County

I'm from Campbell County. I want to be Vice-President of the Freshman class because I feel that through my influence in the Student Government, the freshman voice would be heard and respected.

Candidate for Vice-President and S. G. Representative
Gary Wagoner Bellevue

I am running for Vice-President of the Freshman class and Representative to the Student Government. The reasons are that I am planning on a career in politics, and I need more experience. If I am elected, I will serve in my office to the utmost of my ability, which I believe exceeds that of most of the other candidates. This is the reason I am running. I want to help the majority of students to a better education, which is, after all, what we're here for.

Candidate for Secretary
John Staubach Newport

Since this institution is in its first year as a State College, with responsible and dedicated leadership we can prevent any campus disorder. I consider myself, not only a dedicated worker, but also a qualified organizer. Thus I find it a reasonable conclusion to state that I am fully qualified to run for office at Northern Kentucky State College.

REPRESENTATIVES

Candidate for Treasurer and
S. G. Representative
Donnie Ray Murray Verona

The improvement of student activities, more involvement of the student body in student government, the settling of student-administrative problems, and the clarification of the code of conduct for NKSC are my main goals.

Candidate for Student
Government Representative
Frank Cornelius Taylor Mill

I feel the basic need of the student body and Student Government is mutual communication; I would like to make this my primary endeavor.

Candidate for Student
Government Representative
Dave Garnett Independence

There are two important factors affecting a role such as this. The first is experience. If the candidate has been in a position to serve on some kind of Student Government previously, then he knows a little of what's going on, and maybe he has a few ideas on how to make things a little better on campus. The second is some kind of a personal relationship with the students and this is of equal importance. If the candidate is in a position to know a little of how you think and what you want, then he is able to do a better job. This will be the most important Student Government at NKSC because it will be the first. It will set precedents and make policies that will be in effect for a long time. For the sake of yourself, the school, and future students, make it a good one.

Candidate for Treasurer
Gary Jett Cold Spring

As treasurer of the freshman class I will try to do my best in every way to benefit the class of 1970-71.

Candidate for Student
Government Representative
Greg Gabbard Ft. Thomas

The Student Government is now in an organizing stage. Student Government elections have been, and are, now, popularity contests. It is time that members of Student Government are students concerned with and aware of student rights and responsibilities. Student

VOTE

SOPHOMORES

Candidate for Secretary
Karen Free Hebron

This is a new school and policies are changing. New voices should be heard on the part of the student. Vote for me and I'll be there to take verbatim your suggestions and make sure they are brought to the Student Government's attention.

Candidate for Secretary
Bill Nienaber Ft. Wright

I'm from Fort Wright and I'm a candidate for the office of Secretary of the sophomore class. If elected, I hope to make the office more significant than it has been in the past. I feel that I am familiar enough with this school to recognize the problems which we face and to help solve them.

Candidate for Treasurer
Greg Niehaus Lookout Hts.

I'm for the betterment of the school and for the voice of the students. I will endeavor to bring prestige to my office if elected. We are becoming a 4 year college and we will need a good class organization. Now is the time to build for the future.

FRESHMEN

Candidate for Student
Government Representative and
Treasurer
Lou Sensel Kenton Co.

I reside in Kenton County. I would like to be elected because I have all my life been a frustrated power-tripper.

Candidate for President
Sherry Jolley Ft. Thomas

This year the Freshman Government will be instrumental in initiating and maintaining the interest of Freshmen students at Northern Kentucky State College. It is my aim as your Freshman president to promote new student activities that will stimulate student participation not only in our Freshmen class but in Freshmen classes to follow.

Candidate for President and
S.G. Representative
John Stovall Ft. Mitchell

His campaign is based on class unity. His campaign slogan is "You have a voice in your college, make it a loud one". With hard work or rather, dreams and determination, we find we have no limits imposed on what we are able to accomplish.

VOTE

Candidate for Student
Government Representative
Thomas Ruddick Newport

My Platform:

I promise, if possible, to:

1. Prevent Student Government from acting beyond its authority.
2. Represent NKSC in area council with U.C., X.U., etc.
3. "Move" Student Government meetings by halting pointless arguments.
4. Promote activities: more, more varied.

My record - 1969 - 3 campaign promises made, 3 kept. 100%.

Need more be said?

Candidate for Student
Government Representative
Diane Schulte Ft. Thomas

Represent the students honestly and sincere interest.

Candidate for Student
Government Representative
Tim Schweitzer Crestview

I am running for Student Representative in order to present the opinions of myself and of the people who feel the same way I do about certain things relevant to a Student Council. I am also running in order to try and make the Student Government an organization that will do something.

VOTE

Candidate for Student
Government Representative
Linda Stricker Florence

To voice the student's opinion.

Candidate for Student
Government Representative
Janet Thacker Crescent Spgs.

If elected to Student Government, I will work to make Student Government a reflection of the opinions and desires of the students. I think it is Student Government responsibility to provide activities and programs for the students.

Candidate for Student
Government Representative
Daniel Wilson Florence

I am running for office because I feel I can represent sections of the academic community that are often ignored. I feel that the school is being run for a specific minorities and that Student Government activities have a narrow appeal. I feel that in office I would help in all groups in deciding Student Government actions. I have been classed as a freak and now I'm pledging for a Greek fraternity, but I wish not to be classed as either one or another but as myself, as I shall try to represent the individual.

Noplis (continued)

We have a fine administration and faculty that will listen to our grievances and will work to alleviate them. Therefore students are called upon to negotiate, to lead and still remain part of the student body in order to listen and represent. This must be done not as a glory-seeking demagogue, but as a concerned student wishing a better college for himself and his compatriots. I am concerned, and I feel I can do the job.

VOTE!

Candidate for Student Government Representative
Rod Woltering Cold Spring

I, Rod Woltering, will do my best to represent the students of NKSC.

Gabbard (continued)

Government has, in the past, been involved in very little except throwing beer parties. It must now begin to work for the best interests of the students, I am a 4th year student with 76 credit hours from NKSC and from the University of Kentucky. In my three semesters at UK, I saw what can and does happen when communications between the students and the administration break down. We must work for the students now.
