

GRADUATE PROGRAMS

COLLEGE OF ARTS AND SCIENCES

- Master of Public Administration (MPA)
Dr. Shamima Ahmed, Program Director (859) 572-5326
e-mail: mpa@nku.edu website: mpa.nku.edu
- Master of Arts in Liberal Studies (MALS)
Dr. Prince Brown, Interim Program Director (859) 572-5528
e-mail: mals@nku.edu website: mals.nku.edu
- Master of Science in Industrial-Organizational Psychology (MSIO)
Dr. Jeffrey Smith, Program Director (859) 572-6477
e-mail: msio@nku.edu website: msio.nku.edu

COLLEGE OF BUSINESS

- Master of Accountancy
Mr. Bob Salyer, Program Director (MAcc) (859) 572-6381
e-mail: accountancy@nku.edu website: macc.nku.edu
- Master of Business Administration (MBA)
Dr. Greg Farfing, Program Director (859) 572-6657
e-mail: mbusiness@nku.edu website: mba.nku.edu
- Master of Science in Executive Leadership and
Organizational Change (ELOC)
Dr. Kenneth Rhee, Program Director (859) 572-6310
e-mail: eloc@nku.edu website: cob.nku.edu/ELOC/

COLLEGE OF INFORMATICS

- Master of Arts in Communication (COMM)
Dr. Cady Short-Thompson, Program Director (859) 572-6614
e-mail: shortthomp@nku.edu
- Master of Science in Computer Science (MSCS)
Dr. Richard Fox, Program Director (859) 572-5334
e-mail: csc@nku.edu website: mscs.nku.edu
- Master of Science in Information Systems (MSIS)
Dr. William Martz, Program Director (859) 572-6657
e-mail: mbusiness@nku.edu website: msis.nku.edu

COLLEGE OF EDUCATION AND HUMAN SERVICES

- Master of Arts in Education (MED); Fifth Year and Rank I Programs Dr. Paul Wirtz,
Program Director (859) 572-5239
e-mail: gradedu@nku.edu website: www.nku.edu/~education/graduate/2002/
- Master of Arts in Instructional Leadership (MAIL)
Dr. Rosa Weaver, Program Coordinator (859) 572-5536
e-mail: gradedu@nku.edu website: www.nku.edu/~education/graduate/2002/inlead.htm
- Master of Arts in School Counseling (MASC)
Dr. Rochelle Dunn, Program Coordinator (859) 572-1920
e-mail: gradedu@nku.edu website: www.nku.edu/~education/graduate/
2002/school_counseling.htm
- Master of Arts in Teaching (MAT)
Mr. George Frakes, Program Coordinator (859) 572-6330
e-mail: gradedu@nku.edu website: www.nku.edu/~education/graduate/2002/mat.htm
- Alternative Certification in Special Education (SPED)
Dr. Paul Wirtz, Program Director (859) 572-6068
e-mail: gradedu@nku.edu website: www.nku.edu/~education/graduate/2002/sped.htm
- Master of Science in Community Counseling (MSCC)
Dr. Jacqueline Smith, Program Coordinator (859) 572-6149
e-mail: smithjac@nku.edu website: www.nku.edu/~mscounseling

SCHOOL OF NURSING AND HEALTH PROFESSIONS

- Master of Nursing (MSN)
Dr. Denise Robinson, Program Director (859) 572-5178
e-mail: nursing@nku.edu website: www.nku.edu/~nursing/Nursing/nursing-grad.htm

WELCOME TO NKU!

Whether you are currently enrolled in graduate classes, are a new graduate student about to begin your studies, or are still a prospective student thinking about applying for graduate study, I am delighted by your interest in NKU's graduate programs.

Graduate education at NKU is on the move! In the last five years, graduate enrollments have increased by 53 percent. In part, this is due to expansion of long-standing programs such as the MBA and Master of Arts in Education. But, it is also being driven by exciting, new programs developed to meet the changing needs of our local job market. Last year, for instance, we added new master's degree programs in school counseling and community counseling, and this year we have a new Master of Arts program in communication as well as a Master of Science in Executive Leadership and Organizational Change. As of fall 2006, NKU will be offering 15 graduate degree programs and an additional 13 graduate certificate programs.

This growth at the master's level is phenomenal, but not unique. Nationwide, the annual number of post-secondary degrees awarded has been increasing for the last 40 years, and the greatest growth has been in master's degrees. They increased almost fivefold. And, the National Center for Education Statistics projects that this growth "will be sustained through at least 2013 whereas, doctoral degree production will be static and the growth of bachelor's degrees will slow because of demographic factors."

NKU is striving to keep up with this growing demand and, at the same time, is trying to make its graduate programs more convenient for working adults. By offering more classes in the evening, online, and in non-traditional formats that compress a semester of study into fewer weeks, we are making access to graduate classes easier than ever.

Don't think, however, that easier access means the classes themselves are easier. They are not. Graduate classes are not supposed to be easy. They are more focused, more in depth, and more demanding of higher level thinking skills than undergraduate classes. They will challenge your thinking and force you to expand your knowledge base. Each step in your graduate program will require you to study hard, to think deeply about what you are learning, to integrate it into what you already know, to reconsider ideas you have previously accepted, and to hone your communication skills to be better able to engage in analysis, synthesis, and evaluation of whatever you encounter. It's hard work, but it is also tremendously satisfying and enriching.

Along the way, take advantage of every opportunity presented by your graduate education and get to know the faculty and your program director. If you need help or have questions, ask them. If they can't help, come to the graduate office. We are here to support you and ensure the quality and integrity of your graduate education.

Best wishes for an exciting and fulfilling journey through graduate school.

Sincerely,

A handwritten signature in cursive script that reads "Carole Beere".

Carole A. Beere, Ph.D.

UNIVERSITY CALENDAR

FALL 2006 (Full Term August 21 - December 8)

March 30	Priority Registration begins for current students
April 18	Early Registration begins for Fall 2006
August 15	TUITION AND FEES DUE
August 21	Classes begin, \$25.00 late registration fee assessed
August 28	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
September 4	Labor Day - University Closed/No Classes
September 11	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
October 9	Deadline for filing application for degree candidacy for Spring 2007 graduation with the Office of the Registrar, AC 301
October 13	Last day to remove incomplete grades from Spring & Summer
October 14	Midterm
October 16-17	Fall Break - University Open/No Classes
October 23	Noon: Faculty deadline for submitting mid-term grades
October 30	Last day to drop a course with a grade of W
	Last day for the submission of appeals to Bursar concerning refund policy
November 22	University Open/No Classes
November 23-25	Thanksgiving Holiday – University Closed/No Classes
December 8	Last day of classes
December 9-15	Final examinations
December 16	Commencement
December 19	9:00 A.M.: Faculty deadline for grade submission

December 25, 2006 – January 1, 2007 Winter Break
 (Select offices open on specific dates with limited services available.
 Please call in advance for availability.)

FALL 2006 (First Session August 21 - October 14)

August 15	TUITION AND FEES DUE
August 21	Classes begin; \$25.00 late fee assessed
August 23	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
August 30	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
September 4	Labor Day – University Closed
September 22	Last day to drop a course with a grade of W
October 14	Last day of classes
	Final examinations (during last regularly scheduled class meeting)
October 17	9:00 A.M.: Faculty deadline for grade submission

FALL 2006 (Second Session October 18 - December 16)

August 15	TUITION AND FEES DUE
October 18	Classes begin; \$25.00 late fee assessed
October 20	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
October 27	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
November 20	Last day to drop a course with a grade of W
November 22	University Open/No Classes
November 23 – 25	Thanksgiving Holiday – University Closed/No Classes
December 16	Last day of classes
	Final examinations (during last regularly scheduled class meeting)
December 19	9:00 A.M.: Faculty deadline for grade submission

NORTHERN KENTUCKY UNIVERSITY

SPRING 2007 (Full Term January 8 - April 27)

November 1	Priority Registration begins for current students
November 21	Early Registration begins for Spring 2007
January 3	TUITION AND FEES DUE
January 8	Classes begin, \$25.00 late fee assessed, TUITION AND FEES DUE
January 15	Martin Luther King Day – University Closed/No Classes
January 16	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
January 29	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
February 19	President's Day – University Open/Classes Held
March 2	Last day to remove incomplete grades from Fall 2006
March 3	Midterm
March 5 – 10	Spring Break - University Open/No Classes
March 12	Noon: Faculty deadline for submitting mid-term grades
March 26	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy Last day for freshmen to access mid-term grades
April 9	Deadline for filing application for degree candidacy for Summer and Fall 2007 graduation with the Office of the Registrar, AC 301
April 27	Last day of classes
April 28 – May 4	Final examinations
May 5	Commencement
May 8	9:00 A.M.: Faculty deadline for grade submission

SPRING 2007 (First Session January 8 - March 3)

January 3	TUITION AND FEES DUE
January 8	Classes begin; \$25.00 late fee assessed
January 10	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
January 15	Martin Luther King Day – University Closed/No Classes
January 17	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
February 9	Last day to drop a Spring 1st Session course with a grade of W
February 19	President's Day – University Open/Classes Held
March 3	Last day of classes Final examinations (during last regularly scheduled class meeting)
March 13	9:00 A.M.: Faculty deadline for grade submission

SPRING 2007 (Second Session March 10 – April 28)

January 3	TUITION AND FEES DUE
March 10	Classes begin (Saturday classes must meet)
March 14	Last day to register for or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
March 21	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
April 12	Last day to drop a course with a grade of W
April 28	Last day of Saturday classes Final Examinations (during last regularly scheduled class meeting)
April 30 - May 4	Last day of class for second session classes meeting M - F Final Examinations (during last regularly scheduled class meeting)
May 8	9:00 A.M.: Faculty deadline for grade submission

SUMMER 2007 (Full Session May 7 - August 4)

May 7	Classes Begin
May 14	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
May 23	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
May 28	Memorial Day – University Closed/No Classes
June 28	Last day to drop a course with a grade of W
	Last day for the submission of appeals to Bursar concerning refund policy
July 4	Independence Day – University Closed/No Classes
August 4	Last day of classes
	Final Examinations (during last regularly scheduled class meeting)
August 6	9:00 A.M.: Faculty deadline for grade submission

SUMMER INTERSESSION 2007 (May 7 - May 26)

May 7	Classes Begin
May 8	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
May 9	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
May 17	Last day to drop a course with a grade of W
	Last day for the submission of appeals to Bursar concerning refund policy
May 26	Last day of classes
	Final Examinations (during last regularly scheduled class meeting)
May 28	Memorial Day – University Closed/No Classes
May 29	9:00 A.M.: Faculty deadline for grade submission

SUMMER FIVE WEEK SESSION 2007 (May 7 - June 9)

May 7	Classes Begin
May 9	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
May 14	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
May 25	Last day to drop a course with a grade of W
	Last day for the submission of appeals to Bursar concerning refund policy
May 28	Memorial Day – University Closed/No Classes
June 9	Last day of classes
	Final Examinations (during last regularly scheduled class meeting)
June 11	9:00 A.M.: Faculty deadline for grade submission

SUMMER SEVEN WEEK SESSION 2007 (May 7 - June 23)

May 7	Classes Begin
May 10	Last day to register or enter a course
	Last day to drop with a 100% tuition adjustment
	Last day to change grading option (letter grade, audit, pass-fail)
May 15	Last day to drop a course without a grade appearing on a student's transcript.
	Last day to drop a course with a 50% tuition
May 28	Memorial Day – University Closed/No Classes
June 4	Last day to drop a course with a grade of W
	Last day for the submission of appeals to Bursar concerning refund policy
June 23	Last day of classes
	Final Examinations (during last regularly scheduled class meeting)
June 25	9:00 A.M.: Faculty deadline for grade submission

SUMMER EIGHT WEEK SESSION 2007 (May 29 - July 21)

May 29	Classes Begin
June 1	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
June 7 (Thurs.)	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
June 29	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
July 4	University Closed/No Classes
July 21	Last day of classes Final Examinations (during last regularly scheduled class meeting)
July 23	9:00 A.M.: Faculty deadline for grade submission

SUMMER FIVE WEEK SESSION 2007 (July 2 - August 4)

July 2	Classes Begin
July 4	University Closed/No Classes
July 5	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
July 9	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
July 23	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
August 4	Last day of classes Final Examinations (during last regularly scheduled class meeting)
August 6	9:00 A.M.: Faculty deadline for grade submission

SUMMER FIVE WEEK SESSION 2007 (June 11 - July 14)

June 11	Classes Begin
June 13	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
June 18	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
June 29	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
July 4	University Closed/No Classes
July 14	Last day of classes Final Examinations (during last regularly scheduled class meeting)
July 16	9:00 A.M.: Faculty deadline for grade submission

SUMMER FIVE WEEK SESSION 2007 (May 29 – June 30)

May 29	Classes Begin
May 31	Last day to register or enter a course Last day to drop with a 100% tuition adjustment Last day to change grading option (letter grade, audit, pass-fail)
June 4	Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
June 18	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
June 30	Last day of classes Final Examinations (during last regularly scheduled class meeting)
July 2	9:00 A.M.: Faculty deadline for grade submission

SUMMER SEVEN WEEK SESSION 2007 (June 25 - August 11)

June 25	Classes Begin
June 28	Last day to register or enter a course Last day to drop with a 100% tuition adjustment
July 3	Last day to change grading option (letter grade, audit, pass-fail) Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
July 4	University Closed/No Classes
July 23	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
August 11	Last day of classes
August 13	Final Examinations (during last regularly scheduled class meeting) 9:00 A.M.: Faculty deadline for grade submission

SUMMER SIX WEEK SESSION 2007 (June 4 - July 14)

June 4	Classes Begin
June 6	Last day to register or enter a course Last day to drop with a 100% tuition adjustment
June 11	Last day to change grading option (letter grade, audit, pass-fail) Last day to drop a course without a grade appearing on a student's transcript. Last day to drop a course with a 50% tuition
June 27	Last day to drop a course with a grade of W Last day for the submission of appeals to Bursar concerning refund policy
July 4	University Closed/No Classes
July 14	Last day of classes
July 16	Final Examinations (during last regularly scheduled class meeting) 9:00 A.M.: Faculty deadline for grade submission

General Information

HISTORY

Northern Kentucky University (NKU), the newest of Kentucky's eight state universities, was founded in 1968. The roots of NKU, however, can be traced back another 20 years when a two-year extension center of the University of Kentucky was located in the First District Elementary School in Covington. Then, in 1962, as Northern Community College, the center moved to the Park Hills area of Covington. Six years later the General Assembly of Kentucky authorized the creation of a four-year college, Northern Kentucky State College (NKSC). A board of regents and a consultant were appointed by the governor to assist in planning the new school.

In September 1970, NKSC began offering courses for students pursuing a bachelor's degree. Also, technical and semi-professional two-year programs leading to the degree of Associate of Applied Science were offered in accounting, technology, nursing, and professional secretaryship. In 1971, third-year courses were added to the curriculum with the degrees of Bachelor of Arts and Bachelor of Science being initiated in business, education, and most of the basic arts and sciences. Also in 1971, the Salmon P. Chase College of Law, formerly an independent law school in Cincinnati, merged with Northern Kentucky State College.

Louie B. Nunn Hall, the first building on the new campus in Highland Heights, was completed in time for fall semester 1972. In addition, the University added fourth-year courses to the curriculum in 1972. The first bachelor's degrees were awarded in May 1973, and course offerings have been continually expanded to meet the needs of a growing student body. On February 25, 1976, Governor Julian Carroll signed House Bill 180, making Northern Kentucky State College a university. Full status was recognized on June 19 of that year.

Graduate programs in education were initiated in 1975; in business administration in 1979; in public administration in 1989; in nursing in 1992; in technology in 1997; in accountancy in 1998; in computer science in 1999; in information systems and in teaching in 2001; in industrial/organizational psychology, liberal studies in fall 2004, school counseling and community counseling in fall 2005; communication and executive leadership and organizational change in fall 2006. We also offer numerous certificate programs. The Graduate Center was established on the NKU campus in 1977 to administer graduate programs offered on the NKU campus by other universities. Currently, programs in social work and library science are available through the center. New graduate programs are planned to meet the demands of our growing population.

NKU continues to thrive as evidenced by the new state-of-the-art science building that opened in fall 2003 along with 100 "smart" classrooms. Our total enrollment is more than 14,000 and growing. Currently, we have about 1,400 graduate students. Our location seven miles south of downtown Cincinnati allows the serenity of a suburban setting with the activities of a metropolitan area. It also helps attract a number of alliances with major corporations such as Fifth Third Bank, Ashland Oil, the Bank of Kentucky, and Procter & Gamble.

MISSION STATEMENT

Northern Kentucky University has a singular mission within the Commonwealth as a metropolitan and regional institution. It offers associate, bachelor, graduate, and professional programs addressing the educational needs of a large and diverse population. Through such programs, the University educates students to be productive citizens, to prepare them for success in careers and occupations, and to pursue a commitment to life-long learning. As an educational, cultural, and social center, the University stimulates economic development and fosters the academic, artistic, and personal freedoms vital to a free society.

VISION

Northern Kentucky University will become a preeminent, learner-centered, metropolitan university recognized for its contributions to the intellectual, social, economic, cultural, and civic vitality of its region and of the Commonwealth.

CORE VALUES

As we work to achieve our vision, we will be guided by a set of core values that inform our actions and bind us together as an academic community.

Learner-centered Education

We are committed to placing the learner at the center of all that we do. We will serve the learner through our core mission to discover, interpret, apply, and transmit knowledge. As a university, we are a community of learners capable of adaptation and improvement based on new knowledge and insights.

Excellence

We are committed to the highest standards of excellence in everything that we do – as judged not only by ourselves but also by those we serve – and to a process of continuous quality improvement based on a culture of evidence.

Access with Opportunity to Succeed

We are committed to the lifelong public access to education and expert knowledge and to ensuring that learners enrolled in the University have the preparation required to succeed. We measure our success by the accomplishments, the commitments, and the satisfaction of our graduates.

Public Engagement

We are committed to treating the metropolitan region as an extension of our campus. We will build partnerships throughout the region that both serve the learning needs of the public and enhance the learning opportunities available to our faculty, staff, and students.

Intellectual and Creative Freedom

We are committed to intellectual and creative freedom and to the open expression of ideas in a way that supports scholarship and the advanced learning process.

Multiculturalism

We are committed to advancing multicultural understanding within both the University and the community as an educational and civic priority.

Innovation and Creativity

We are committed to innovative approaches for achieving our vision and will create a campus environment that encourages and rewards creativity and innovation.

Collegiality and Collaboration

We are committed to building a university community characterized by open communication and shared responsibility for decisions. We will build a culture of collegiality and collaboration within and between the University and the public we serve.

OUR STRATEGIC AGENDA

The following strategic priorities describe the steps that we will take to achieve our vision to become a preeminent, learner-centered metropolitan university.

- Broaden access
- Enhance academic quality
- Strengthen public engagement
- Enrich student experience
- Advance the full mission of a metropolitan university
- Improve campus facilities and environment
- Ensure institutional effectiveness

ACADEMIC STRATEGIC DIRECTION

In November 2001, NKU adopted its Academic Strategic Plan, a portion of which is related to the future of graduate education. Relevant excerpts of the plan are reproduced below.

Programming

The University will create or strengthen programming in areas where there are identified community, regional, or national needs. Current evidence demonstrates significant regional needs in the fields of education, healthcare, and information technology.

Graduate offerings in master's and professional programs will expand to meet identified regional needs and without having an adverse effect on our undergraduate programming. Graduate initiatives will be supported to ensure high quality and a positive effect on the image of NKU.

The University affirms that all proposals for expansion of current programs or creation of new programs must include a needs assessment based on a culture of evidence.

Periodic reviews will be conducted of all programs. These program reviews may use assessments by accrediting agencies, but in all cases they should involve outside reviewers. Program reviews will include determination of quality, accountability measures that assess continuing need or demand, evaluation of funding and other support, and comparison with appropriate benchmark programs.

Interdisciplinary programming within the University and collaborative programming with other universities will be pursued and supported to advance the best interests of our students and/or community.

The University will expand cooperative work experiences and internship opportunities for current and new programs. These opportunities must be embedded in the curriculum as high-quality, integral components of the academic programs they serve.

We will expand, encourage, and support participation in globalizing opportunities for students and faculty to internationalize the campus. This will include investments in recruiting and supporting international students and in opportunities for students to study abroad.

The University will continue to emphasize student access to technology, both inside and outside the classroom.

Learner-centered Delivery

The University will encourage, support, and broaden the delivery of programs and courses through distance learning technologies in those disciplines where it is appropriate to do so. Based upon needs assessment, the University will offer classes and/or programs of study at "non-traditional times," create compressed course schedules, and provide long-term scheduling. The University will offer or expand offerings of programs at off-campus sites when needs assessments demonstrate that the community affected will benefit from the availability of that program.

Outreach to Our Community

We will engage in service activities to the community when significant need exists and is consistent with our unique expertise and our educational programs, and where doing so creates service-learning opportunities for our students. We will facilitate access to University expertise in research, consulting, and training. We will work with University Advancement to develop a plan for promoting our community service roles and outreach opportunities. We will invest in community partnerships that involve students, faculty, and staff in addressing significant community issues.

Improving Quality

We will work to encourage the expansion of complementary student services, e.g., technology assistance, food service, library hours, and department office hours, especially to create a more favorable experience for students who come to campus during evening or weekend hours.

We will emphasize faculty excellence in teaching and scholarly activity by rewarding and facilitating participation in faculty development programs. We will provide individual and unit incentives to increase faculty participation in technology-based course delivery and off-campus programs and courses.

ACCREDITATION

NKU is regionally accredited by the Southern Association of Colleges and Schools. The following organizations have accredited specific NKU programs:

- Accreditation Board for Engineering and Technology
- AACSB - The International Association for Management Education
- American Association of Law Schools
- American Bar Association
- American Chemical Society
- American Council for Construction Education
- Commission on Accreditation of Allied Health Education Programs
- Council for Standards in Human Service Education
- Council on Social Work Education
- Education Professional Standards Board
- Joint Review Committee on Education in Radiologic Technology
- National Association of Schools of Music
- National Association of Schools of Public Affairs and Administration
- National League of Nursing Accrediting Commission
- National Council for Accreditation of Teacher Education.

DEGREES CONFERRED

The University is authorized by the Commonwealth of Kentucky to confer the following graduate degrees:

- Master of Accountancy
- Master of Arts in Communication
- Master of Arts in Education
- Master of Arts in Instructional Leadership
- Master of Arts in Liberal Studies
- Master of Arts in School Counseling
- Master of Arts in Teaching
- Master of Business Administration
- Master of Public Administration
- Master of Science in Community Counseling
- Master of Science in Computer Science
- Master of Science in Executive Leadership and Organizational Change
- Master of Science in Industrial-Organizational Psychology
- Master of Science in Information Systems
- Master of Science in Nursing
- Juris Doctor/Master of Business Administration.

ONLINE LEARNING

NKU offers several graduate programs and courses via the Internet. Online programs and courses are designed for working professionals who cannot commute to campus and for the growing number of individuals who prefer the convenience of online learning. Online students enjoy all the rights and privileges of campus-based students and are able to access all necessary services via the convenience of the web, including extensive online library resources. Current online graduate programs include:

- Master of Arts in Education (MAEd)
- Master of Science in Nursing (MSN)
- Post Master's Certification in Nursing
- Nurse Practitioner Advancement

For more information visit <http://DL.nku.edu> or contact the Office of Educational Outreach at (859) 572-1500 or DL@nku.edu.

Graduate Programs

MISSION STATEMENT

The mission of the Office of Graduate Programs is to advance and support high-quality graduate education. This is accomplished by encouraging and supporting the development and delivery of outstanding graduate programs, as well as contributing to the recruitment, admission, and retention of well-prepared and successful graduate students. The Office of Graduate Programs also contributes to the development and fair enforcement of policies related to graduate students and graduate programs.

ADMINISTRATION

GRADUATE COUNCIL

The Graduate Council is the official university body that oversees and interprets all policies, procedures, curricula, and regulations associated with NKU graduate programs. It approves all policies with regard to graduate courses and programs and establishes all rules, regulations, and procedures governing admission, academic policies, curriculum, and evaluation of programs in which graduate degrees or certificates are awarded. The Council also rules on appeals for waivers of any graduate regulations. The Council's recommendations and decisions are advisory to the provost.

Voting members of the Graduate Council include representatives of each of the graduate programs, two at-large members elected by the graduate faculty, one graduate student, and the chief academic officer for graduate programs. The director of graduate programs is an *ex officio* member of the council.

OFFICE OF GRADUATE PROGRAMS

The Associate Provost for Outreach and Dean of Graduate Studies has the primary responsibility for overseeing graduate programs. The Office of Graduate Programs serves as the coordinating office for the University's graduate programs. It is responsible for marketing, recruiting, and admitting graduate students. The director is responsible for implementing the Graduate Council's policies and procedures and for coordinating negotiations for cooperative graduate arrangements with other universities. The director facilitates the development of new programs; works with graduate program directors to ensure the quality of graduate programs; acts as an advocate for graduate-student concerns; and oversees the placement of graduate assistants. He/she serves on the Graduate Council and hears procedural appeals from program directors.

The Office of Graduate Programs is located in Lucas Administrative Center 302. To contact us please call (859) 572-1555 or visit our website at gradschool.nku.edu.

ADMISSION AND ACADEMIC REQUIREMENTS

The purpose of administrative rules and regulations is to ensure that academic standards for admission are maintained and that procedures are in place to allow you to know what is expected of you throughout your graduate career. These rules and regulations also help you to know what you can expect from the University. The policies and procedures presented in this catalog apply to all graduate students of NKU.

ADMISSION REQUIREMENTS

Presented in this section are the minimum standards required for admission to NKU's graduate programs. These standards enable us to admit applicants who have a reasonable chance of successfully completing their graduate work. Individual programs may have more stringent admission standards.

6 NORTHERN KENTUCKY UNIVERSITY

Recognizing that some applicants may be successful graduate students even though they do not meet the minimum standards, we have created admission categories (provisional admission and conditional admission) that may be used to give you a chance to prove yourself. These admission categories are used sparingly and only with the approval of the program director. Furthermore, although NKU would like to be able to admit all qualified applicants, our strong commitment to quality requires that programs limit enrollment to retain small class sizes. As a result, we recognize that meeting these minimums does not guarantee admission into the University in general or into a specific degree program.

Guidelines for Admission

GPA To be accepted as an NKU graduate student, you must hold a bachelor's degree from a regionally accredited institution. Your undergraduate GPA, based on all undergraduate coursework, must be at least a 2.50 on a 4.0 scale. The minimum GPA requirement for previous graduate work in the same or related discipline is 3.00 on a 4.0 scale. Individual programs may have higher GPA requirements for admission.

Transcripts You must submit official transcripts for all work taken (undergraduate and graduate) before being awarded full admission into the University. An unofficial transcript showing that a bachelor's degree has been awarded may be used for admission for one semester only. Once your official transcripts have been received, and presuming they have been evaluated favorably in relation to the University's standards, you will be allowed to enroll for additional semesters. If you are not able to produce an official transcript, you will need to apply to the program director for a waiver by the Office of Graduate Programs.

Standardized Tests Although standardized tests such as the GRE and GMAT are not a university requirement, they are required by most NKU graduate programs. You may be exempted from taking the tests with the approval of the program director if you have earned a graduate degree from a regionally accredited institution.

Admission Categories

Full or Regular Admission You are eligible for this category if you meet all admission requirements prior to beginning graduate study.

Provisional Admission If you are unable to provide one of the required admissions documents prior to the start of classes, you can request that the director of your graduate program grant you provisional admission. The missing document may include, but is not limited to, an official transcript, an official standardized test result, or a letter of recommendation. If this is your situation, you may make a written request to your program director to admit you provisionally. When only one document is missing, the graduate program director may use his/her discretion to extend provisional admission to you based on the program director's judgment that you would be regularly admitted if all application materials had been received. When more than one document cannot be submitted, the Office of Graduate Programs must approve provisional admission based on a request directly from the program director. Provisional admission is valid for one semester during which time the missing documents must be submitted. You can be dismissed from the program if the newly submitted documents do not meet the appropriate admission requirements. Provisional admission is not available in all graduate programs. Please consult the information in your program of interest.

Conditional Admission This status is reserved for those applicants who have submitted all admission documents but fail to meet one or more of the requirements for regular admission and who in the judgment of the graduate program director hold promise of successfully completing the graduate degree. If you have not met the published admissions standards, the program director may recommend that the Office of Graduate Programs grant you conditional admission. In return for our offer of conditional admission, you will be required to satisfy particular criteria specified at the time of admission before being granted regular admission. At the time of admission, you will be told the length of time you have to fulfill the conditions for regular admission. In all cases, students must have regular admission status prior to graduating. Unfortunately, you will be dismissed from the program if the criteria for regular admission are not satisfied within the specified time limit. Conditional admission is not available in all graduate programs. See your specific graduate program section for more information.

Unclassified/Non-degree Seeking Not everyone applies to a university with a degree goal in mind. Unclassified status is appropriate if you want to take courses without obtaining a degree or if you want to demonstrate your academic abilities before applying to a degree program. In order to be admitted as a non-degree or unclassified student, you must hold a bachelor's degree from a regionally accredited institution with an overall minimum undergraduate GPA of 2.5 and at least 3.00 on all graduate work previously taken that will apply to your degree. You may take as many courses as you like as an unclassified student. If you decide later to pursue a degree, however, be aware that a maximum of nine hours of coursework taken as an unclassified student may be counted toward the degree.

Visiting Student If you are a student enrolled in a graduate program at another regionally accredited institution and want to take a course to transfer into that program, you may do so as a visiting student. There are no transcript or GPA requirements (except for the College of Business); however, you must have permission from your home institution. To apply for visiting student status, complete the Visiting Student Application and the general graduate application, and pay the NKU application fee.

Undergraduates Taking Graduate Credit If you are an undergraduate student who has no more than six credits remaining to complete a bachelor's degree, you may be dually enrolled as a graduate student, provided you have the approval of your undergraduate academic advisor and the relevant graduate program director. As a dually enrolled student, you may take a maximum of 12 credits, graduate and undergraduate combined, in a single semester. Graduate credit for these courses will not be granted unless all work for the undergraduate degree is completed in the semester in which you are enrolled for graduate credit. Credits earned in a graduate course cannot apply toward both a bachelor's and a graduate program.

Application for Readmission

Once admitted as a graduate student, you have one year to enroll in your first class; otherwise, a new application will be required to ensure that all of your information is up to date. We will keep the documents submitted with your application for one year if you do not enroll. If you need to delay enrolling for an additional period of time, we will keep the documents on file for you. All you need to do is make a written request to the Office of Graduate Programs asking that we keep the documents.

If you have enrolled at NKU but interrupted your enrollment for four or more years, you will need to apply for readmission. We also require that you submit official transcripts for additional coursework taken elsewhere since your last attendance at NKU. The standard application fee will be assessed. Your catalog of record will be the one in effect when you are readmitted.

Students Over Age 65

Kentucky residents 65 years of age or older who meet admission requirements may, without payment of application fees or tuition, pursue credit coursework at NKU for a degree or for personal enrichment. We do require proof of age at the time the application is submitted. Non-credit courses are excluded in this benefit.

Residency for Tuition Purposes

You will be notified of your residency status when you are admitted to the University. Residency status is determined in accordance with the Council on Postsecondary Education's Classification of Residency for Admission and Tuition Assessment Purposes. Pertinent excerpts from the Kentucky residency policy can be found in Appendix A of this catalog. The entire policy can be found at www.cpe.state.ky.us/policies/policies_residency_intro.asp. You may appeal the initial determination of residency for tuition purposes by requesting a residency affidavit from the Office of the Registrar to initiate this process.

Metropolitan Rate Eligibility The University has a separate residency status for Ohio and Indiana students who live in the Greater Cincinnati/northern Kentucky area. The metropolitan rate, significantly lower than out-of-state tuition, will apply to residents of the following Ohio counties: Adams, Brown, Butler, Clermont, Clinton, Fayette, Hamilton, Highland, and Warren; and to residents of the following Indiana counties: Dearborn, Franklin, Jefferson, Ohio, Ripley, and Switzerland.

K-12 Teachers Non-resident graduate students will be granted resident tuition rate provided that

8 NORTHERN KENTUCKY UNIVERSITY

they satisfy the following conditions:

- a) Teach at the K-12 level in Kentucky during each semester in which they are enrolled at NKU; for summer term, the individual must have a contract that commits them to teach at the K-12 level in Kentucky for the following fall semester;
- b) Enroll in graduate education classes or enroll in classes that will contribute to a graduate-level certificate in education or a master's degree in education.

Students will pay non-resident tuition for all other courses.

INTERNATIONAL GRADUATE STUDENTS

When to Apply The deadline for application to the fall semester is June 1 and the deadline for application to the spring semester is October 1. We suggest, however, that applications be sent nine months in advance of the start of a semester in order to make certain the University will have time to receive all required documentation, make an admission decision, and issue an I-20 (F1 students only). The Office of International Student Affairs will not issue an I-20 until it has received documentation that you have: acceptable academic credentials; competency in English; and access to funds sufficient to meet the costs of completing your studies (see specific financial documentation requirements below). If a tuition deposit is required, you will be so advised by the University.

International Transcripts If you have international transcripts, an evaluation by a foreign education evaluation service is required before sending them to the University. Many programs require a course-by-course analysis, so be certain to check the requirements of your program. A list of the acceptable agencies where you can send your transcripts may be obtained from the Office of International Student Affairs (University Center 366 or www.nku.edu/~isa or (859) 572-6517).

Applicants with international transcripts will need documentation of completion of undergraduate studies culminating in a degree equivalent to a four-year U.S. bachelor degree. This means you will need to submit official or certified copies of transcripts of **all** undergraduate and graduate coursework. These must be translated into English. Your undergraduate grade point average (GPA), based on all undergraduate course work, must be at least a 2.50 on a 4.0 scale. Individual programs may have higher GPA requirements. See the specific program listed in Academic Programs for special requirements for each program.

English Proficiency It is important to us that our students have the English skills to read at the graduate level and to understand the oral communication that takes place in classes. Therefore, to be accepted as an international student, you must have a minimum score of 550 on the paper version of the TOEFL or 213 on the computer-based version, or 79 on the Internet based (iBT) version. Particular graduate programs may require minimum scores on the individual sections of the test. Please check requirements for your program of interest. Official test results should be sent to the Office of International Student Affairs at the time of application. (Exception: International students whose native language is English or who have graduated from an American university in which the language of instruction is English are not required to demonstrate language proficiency.) International students may substitute the Michigan Test only if it is taken at NKU. You must score at least an 80. Contact the Office of International Student Affairs for complete information. We also accept IELTS 6.0.

A program director may require you to take additional English remediation such as a course in English as a Second Language if in his/her judgment you need to improve your English language skills. This decision will be based upon admission materials and an interview with the program director. You will be notified by the program director if the course will be necessary.

College of Education and Human Services Specifics International students are subject to all requirements for admission to NKU's graduate programs. The only exception is that international students applying to a graduate program in education may be admitted without a teaching certificate. If you are a graduate of an institution outside the United States and, therefore, are not a certified teacher, you may be admitted to the Master of Education program, but you should be aware you will not earn teacher certification upon completion. As a rule, admission into the Master of Arts in Teaching is not open to applicants holding foreign transcripts. Applicants seeking an exception to this policy may appeal to the College of Education and Human Services graduate program director.

Financial Documentation (F1 students only) All international applicants must submit a declaration and certification of finances from their sponsors. This includes the Financial Statement From Sponsor, which must be accompanied by the sponsor's current bank statement or a letter from the bank on official stationery certifying the sponsor's financial state. The forms you need will be sent to you by the Office of International Student Affairs as part of your application packet.

MASTER'S DEGREE AND CERTIFICATE PROGRAMS REQUIREMENTS

Credit hours

All master's degree programs require a minimum of 30 semester hours. Only courses taken for graduate credit and placed on a graduate transcript as graduate credit may be counted toward a master's degree.

Independent Study/Readings Courses

Number of Hours Allowed for Independent Courses NKU offers graduate students the opportunity to engage in independent scholarship guided by individual graduate faculty. These courses take the form of readings and independent study. We encourage students to undertake research into topics that are not part of the regular curriculum, provided that:

- Consent of a graduate faculty member is obtained prior to the student's registration for the course.
- The content of the course is not the same as that covered in a regular course; exceptions to this requirement must be approved by the program director before the course may be offered.
- There is a sufficient number of contact hours, albeit scheduled on an arranged basis, between the student and the instructor throughout the duration of the course to ensure consistency with the amount of graduate credit earned in regular course offerings; this number is specified by the program/department contract or program requirements.
- No more than 20% of coursework applied to a graduate program of study is taken through courses listed as readings and independent study with the exception of studio work, labs, research, practica, and internships.

Numbering for Independent Study/Readings Courses All graduate courses in which only one student is enrolled or a faculty member works with a student one-on-one are considered independent study or readings courses. The course numbering assigned for independent work is 599 or 699 and should be used instead of the regular or seminar course number. This applies even if the content of the coursework is identical to that of a regular, existing course.

Where an independent study course is used in lieu of a required course, the change must be noted on the student's program plan when submitted to the Office of the Registrar as certification for graduation.

Certificate Guidelines

The policies presented below are the minimum university guidelines for students in certificate programs. You should always check the requirements of your particular program which may be stricter.

1. A graduate certificate consists of 12 to 18 credits of coursework at the 500-level and above. A post-master's certificate consists of 12 to 30 credits; at least 50% must be at the 600-level.
2. No more than one-third of the credits required on a graduate certificate may be transfer credits. All such work must be from a regionally accredited institution; taken for graduate credit and posted to a graduate transcript; and, completed with a *B* or better. The program director approves all courses to be allowed as transfer credit. The limit on transfer credit does not include any hours taken through the Greater Cincinnati Consortium of Colleges and Universities which will be considered NKU courses.

First Professional (e.g., law school and medical school) courses may be transferred into a graduate program only if: they fit into the program of study; a grade of *B* or better was earned; they were earned at a regionally accredited institution; and, your adviser or program director approves the courses for transfer credit.

10 NORTHERN KENTUCKY UNIVERSITY

3. One may earn both a certificate and a degree, but it is not necessary to earn one in order to get the other.
4. Credits used in fulfillment of certificate requirements may be used in partial fulfillment of degree requirements as well.
5. One must be admitted to the certificate program prior to completion of all certificate requirements.
6. All credits for a certificate program must be earned within the six years prior to the award of the certificate.
7. Students enrolled in a certificate program must meet the same course prerequisites as any other student.
8. Up to one-third of credits earned in one certificate program can be counted toward a different certificate, providing that both certificates are issued by NKU.
9. Up to one-third or nine credits (whichever is less) of the credits for a certificate program may have been completed as part of a previously earned master's degree issued by another university, providing that the credits are not out-of-date (see #6 above).

Culminating Experiences and Capstone Courses

All graduate degree programs require a culminating experience described in each program section. Examples of these are thesis, project, portfolio, comprehensive exam, and capstone course.

A student must complete the culminating experience at least three weeks prior to the officially scheduled commencement except when the experience is a course for which a grade cannot be entered until the end of a semester. If this deadline is not met, the Office of Graduate Programs will notify the Office of the Registrar that the student will not be allowed to graduate in the current semester.

Before enrolling in the culminating experience, students must have completed at least two thirds of all coursework required for the degree program. Unless otherwise approved by the program director, all core courses also must be completed, with the possible exception of one core course that may be taken concurrently with the culminating experience. [*Note: Students enrolled in the College of Education and Human Services are exempt from this requirement.*]

Failure of Culminating Experience Program directors notify the Office of Graduate Programs in writing when one of their students does not “pass” the culminating experience. The program director will recommend one of two options for the student: allow a second opportunity to “pass” a culminating experience or be withdrawn from the program. If the student is allowed to remain in the program, and if the student’s catalog of record provides more than one option for a culminating experience, the student may select a second option rather than repeat the previous option. The student must have the written permission of the program director before selecting the second option.

Two failures of the culminating experience, whether two failures of the same experience or a combination of two different experiences, will result in dismissal from the program.

THESIS/FINAL PROJECT REQUIREMENTS

Theses and projects provide you with the opportunity to investigate an area of interest to you through your own original research. You will select one faculty member (called the committee chair) who will help you select a topic to research and who then will guide you throughout the research and writing stages. You and the chair jointly select the committee comprised of faculty or professionals in your field with whom you will consult and ultimately to whom you will defend your thesis/project.

Membership of Committee

Number of Members A thesis/project committee must be composed of a minimum of three people including one person from outside your academic department. Individual programs may require additional members. Final projects for the Master of Science in Nursing degree, in contrast to the thesis, may have only two members; the thesis option will require three members.

Outside Member Your thesis/project committee must include one member from outside your academic department. The outside member may be from the University community or may be someone

who holds a professional position that pertains to the your work. Jointly, you and your faculty advisor will decide whom the outside member will be.

Committee Chair The chair of your committee will be a member of the department in which your graduate program is housed and must be a full member of the graduate faculty. The outside member (University or otherwise) needs to apply for graduate faculty status if the person is not already a member of the graduate faculty.

Defense of Thesis/Project When you have completed your thesis/project, you will present it formally to your committee through an oral examination and in some cases a presentation to the University community. This process gives you the opportunity to answer questions posed by your committee about your research. There is no oral examination required for the project option on the Master of Science in Nursing; however, there is for the thesis option. All oral examinations and presentations are to be announced by the program director and open to the University community.

Time Limit for Completion One of the hallmarks of graduate education is that you will have exposure to the most recent research in your field. To make certain that you have maintained that currency at the time you complete your degree requirements, the University has set an age limit of six years on the courses applicable to your degree. This time limit in turn sets the maximum number of years you will have to complete a degree. From the time you register for the thesis/project credits, you are allowed one year to complete the thesis/project. If it is not completed, you are allowed to register for the thesis/project continuing course during the next succeeding semester. You must complete the thesis/project during this semester. Failure to do so may result in dismissal from the program.

If you are a graduate student enrolled in the nursing program, you may have additional time at the discretion of the program director. During this extension, you need to register for thesis credit.

Completion of Thesis/Project After you successfully complete the oral examination and the committee has indicated that you passed, you should make all required changes to your document. After your chair approves your final document, you or your chair will submit the document in PDF format to your program director. Complete instructions for the final submission of your thesis or project are published in the *Electronic Thesis Guidelines* found on the Office of Graduate Programs web site. Here is the direct link: <http://gradschool.nku.edu/thesis.html>

Once the final project has been accepted by the Office of Graduate Programs, the director of Graduate Programs will notify the Office of the Registrar that you have been cleared for graduation as long as all other graduation requirements have been met.

Thesis/Project Standards

Directions for formatting the thesis/project are available at gradschool.nku.edu. Adhering to these standards will assure that your thesis/project will be accepted by the Office of Graduate Programs. Failure to adhere to them is likely to result in changes being required before the document is accepted by the graduate office.

Proprietary Information

The tradition and culture of graduate education requires that theses/projects be treated as public documents, and as a result, they will be placed in the library for public access. If you are using proprietary information supplied by your employer or sponsor for your thesis/project, please be certain to reconcile proprietary issues with your employer or sponsor before you do the work on the thesis/project.

In rare instances a waiver from public access for a **limited time** (no longer than one year) may be granted. To protect your own investment of time and energy, you should be sure to have the waiver request, signed by the appropriate program director, approved by the Office of Graduate Programs, and on file in the graduate office prior to the start of work on the thesis/project. Without this waiver the University will be unable to accept your project/thesis.

Deadlines for Turning in Thesis/Project

The following dates are the deadlines for turning in the completed and fully approved thesis/project to the Office of Graduate Programs so that you will be ready to graduate at the end of the semester. All fees required for processing the thesis/project must be paid by these dates as well.

Fall	No later than December 1
Spring	No later than May 1
Summer	No later than August 1

GRADING POLICY

Types of Grading and Academic Probation

Grades Grades that can be assigned for graduate courses are: *A, B, C, F, P, I,* and *I+*. An *F* is considered an unacceptable grade for graduate students.

Incompletes There may be an occasion when you cannot complete your course requirements by the end of the semester. You may be assigned an Incomplete (*I* and *I+*) at your request and where your instructor judges there is a reasonable possibility that a passing grade will result from completion of the work. In return for being given this extra time, you will need to submit to the instructor all work necessary for completion of an Incomplete (*I*) grade no later than the sixth week of the semester immediately following the semester in which the Incomplete was earned. (Incompletes earned in the spring semester must be cleared by the sixth week of the fall term.) All Incompletes (*I*) will convert to *F*'s if a grade change has not been submitted to the Office of the Registrar prior to the eighth week of the semester. Grades of *I+* are reserved for continuing work on theses/projects. They remain unchanged on your transcript until the thesis/project has been completed.

Pass/Fail Courses may not be taken as pass/fail unless so designated by the individual programs.

Good Standing Unfortunately, some students do not succeed in their graduate work. We do not think it is fair to allow you to continue in a program that is unsuited to your strengths. Standards have been set for what we consider to be the minimum requirements for you to be in good standing. You must maintain a minimum 3.00 grade point average and earn no more than 2 *C*s to remain in good standing. Should you fall below these standards, you will be placed on academic probation. (See below for specifics of probationary status.)

Academic Probation Students are placed on academic probation when their graduate GPA falls below a 3.00 on the 4.0 scale. You may remain on probation only for nine semester hours in which you are enrolled. The nine semester hours must be taken at NKU. If after nine semester hours on probation, your graduate GPA has not increased to at least a 3.00, you may be dismissed from the program. Individual programs may have more stringent requirements. You should check your program guidelines for complete information. Exceptions to this policy will be granted only if requested by the program director and approved by the Dean of Graduate Studies.

You may be considered for readmission after one semester has elapsed if you were dismissed from a program for academic reasons. When you apply for readmission, you will need to document your preparedness for re-entry into the program.

Course Repeat Option

Only courses in which a *C* or *F* was received may be repeated. The original course in which the *C* or *F* was earned remains on your graduate transcript even though the grade is not part of the cumulative GPA. The original *C* or *F* will not count against the total number of *C* and below grades you are allowed to earn as long as you repeat the course and earn a grade of *B* or better.

The grade earned for the repeated course will be the one used to count the number of *C* and below grades as well as being the grade factored into your GPA. A specific course may be repeated only once. Only two separate courses may be repeated. All courses taken for the repeat option must be taken from NKU. They cannot be taken from another university and transferred to NKU without the permission of your program director. The only courses taken outside NKU where grades may be factored with your GPA are those taken through the Greater Cincinnati Consortium of Colleges and Universities (GCCCU).

Academic Bankruptcy

If you have not been successful in previous graduate work from NKU but want to start over in the same or a different graduate program, you may wish to apply for academic bankruptcy. You cannot

have been enrolled in the University for at least six years if you want to start over in the same graduate program; you may apply at any time if you are pursuing an academic field that is unrelated to the one for which you request bankruptcy. You will need to make your request for bankruptcy to the Office of Graduate Programs at the time of admission into a program or no later than the first semester you are enrolled in the program. All courses taken prior to the time of academic bankruptcy will be omitted from your graduate GPA but not from the transcript. No coursework earned prior to bankruptcy may be applied toward a graduate degree at NKU.

CHANGES IN RULES

The University reserves the right to make changes in the rules and regulations published in this catalog.

WAIVER OF GRADUATE POLICIES

You may request a waiver or exception to a University policy if you believe your case is exceptional. A written request detailing the reason(s) the waiver should be given is submitted first to the appropriate program director. If the program director agrees that your case warrants an exception, the director will forward the request to the Office of Graduate Programs. You will receive written notification on the final decision made in that office. If the program director does not agree that your case warrants exception, you can ask the program director to forward your appeal to the Graduate Council. You will be notified by the Office of Graduate Programs when your appeal is scheduled to be heard. (See **Appeal of a Regulation Governing Graduate Study** below.)

There are two regulations where no exception will be made: 1) no one will receive a master's degree with fewer than 30 hours of coursework; 2) no one will be awarded a graduate degree or certificate with a cumulative graduate GPA below 3.00.

CATALOG APPLICABILITY FOR GRADUATE STUDENTS

Your catalog of record is the one in effect during the semester for which you are admitted into a graduate program. The policies and procedures published in that catalog are the ones you will follow during your graduate career. If your progress toward a degree is interrupted for four or more academic years from the last time you were regularly enrolled, all curricular requirements (the rules and regulations), both institutional and programmatic, of the catalog in effect upon re-entry to the University must be followed. Your catalog of record follows any changes you make in area of concentration. If you want to change your area of concentration or the catalog under which you are governed, you may complete a form to do so. The Change of Area of Concentration/Catalog Applicability is available in the Office of Graduate Programs, your program office, the Office of the Registrar, and on the graduate programs website in a downloadable pdf file.

Appeals to these regulations can be made to the Office of Graduate Programs.

Change of Degree/Change of Area of Concentration

If you wish to change from one track/specialization/concentration to another within your degree program, you may do so without changing your catalog of record provided the new track/specialization/concentration was available in your current catalog of record. Core degree requirements will not change; however, you must meet all requirements of the new track/specialization/concentration including but not limited to additional pre-requisites and course work related to the new track/specialization/concentration. You will need to submit a Change of Concentration/Track/Specialization form. The approval of your program director is required. Your catalog of record will be changed if the new track/specialization/concentration is not in your current catalog of record.

A new application is necessary if you plan to change from one degree program to another. An additional application fee may be assessed.

STUDENT APPEALS

Appeal of an Academic Grade

Graduate students will follow the appeals process outlined in the Code of Student Rights and Responsibilities when appealing a decision made in the classroom by an instructor. These may be found at www.nku.edu/~deanstudents/student_rights/index.htm.

Appeal of a Regulation Governing Graduate Study

You may appeal a regulation pertaining to your course of study in writing to the director of your graduate program. The director, in conjunction with the appropriate chair or the chair's designee, will decide on appeals pertaining to the course of study (e.g., substitution of courses). Other academic appeals are transmitted by the program director to the Graduate Council for a decision a) at its next regularly scheduled meeting [which is at least fourteen (14) days in the future and for which the agenda has not yet been set] or b) at a time that is mutually agreeable to the student filing the appeal and those hearing the appeal. All portions of the graduate admissions requirements must be met before an appeal is made; the appeal will not be considered if the pertinent documents have not been received by the Office of Graduate Programs. You have the right to present your appeal in person before the Graduate Council. Decisions of the Graduate Council are advisory to the provost or his/her designee.

Appeal of Non-Academic Matters

The appeals process for non-academic matters is given in the Code of Student Rights and Responsibilities on the web at www.nku.edu/~deanstudents/student_rights/index.htm.

COURSE PREREQUISITES AND COREQUISITES

Prerequisites

A prerequisite is a requirement that must be satisfied before enrolling for a specific course. You may not enroll in courses for which you lack the stated prerequisites. Without the appropriate prerequisite(s), you are likely to be withdrawn from the course at the request of either the instructor or the program director.

Corequisites

A corequisite is a course that must be taken in conjunction with another course. You must enroll in corequisites during the same semester or summer session. If you are enrolled in one course but not its corequisite, you will be withdrawn from that course upon request of the instructor and/or program director.

COURSE SUBSTITUTION, ADVANCE STANDING, AND AUDITS

Substitution for Course Requirement

Only program directors may approve substitute courses for program requirements. With the approval of the program director, material covered in the following professional certifications may be used as substitutes for course requirements: Certified Public Accountant (CPA); Certified Financial Planner (CFP); and Certified Financial Analyst (CFA). No more than 40% of the program may be comprised of course substitutes.

Credit by Examination (Master of Science in Nursing students only)

If you are enrolled in the Master of Science in Nursing program and believe you should be exempt from taking a required course because of prior experience or knowledge, you may request permission from the program director to attempt credit for the course by means of a special exam. You must register for the test by completing a form in the Office of the Registrar and then paying 25% of the in-state tuition. A grade of AASE will be entered for the course on the student's transcript upon successful completion of the test. Course substitution through this method may be used for no more than nine hours of coursework.

Audits

If you want to audit a graduate course, you will need to get prior approval from the director of the program in which the course is located. Audited courses may be repeated for credit that in turn can be counted towards the degree.

CREDIT APPLIED TO DEGREE

Most of the credit you apply towards your degree will be earned after you have been admitted into the program; however, you may have taken courses outside of the degree program that you would like applied to the degree.

Coursework Taken as an NKU Undergraduate

A 500-level course cannot count toward a graduate degree if the student took that course, or any course cross-listed with it, as an undergraduate at NKU.

Work Completed at NKU as Unclassified (Non-degree Seeking) Graduate Student

There is no limit on the number of hours you may take as an unclassified graduate student; however, only nine hours of NKU coursework taken in the graduate unclassified status may be applied to a graduate degree program at NKU. Some graduate programs may allow fewer; please check the guidelines of your specific program.

You will be allowed to apply additional courses taken in unclassified status if those courses were taken in fulfillment of an NKU graduate certificate program and they are not older than six years when you complete the graduate degree.

Transfer Work

A maximum of 40% of your program may consist of transfer work. All such work must be from a regionally accredited institution, taken for graduate credit and posted to a graduate transcript, and completed with a *B* or better. The program director approves all courses to be allowed as transfer credit. The limit on transfer credit does not include any hours taken through the Greater Cincinnati Consortium of Colleges and Universities which will be considered NKU courses.

First Professional (e.g., law school and medical school) courses may be transferred into a graduate program only if: they fit into the program of study; a grade of *B* or better was earned; they were earned at a regionally accredited institution; and your advisor or program director approves the courses for transfer credit.

Submission and Processing Transfer Request

1. You must request transfer credit for work taken prior to matriculation into NKU during the first semester of enrollment in a program. Program directors will determine the approval status generally within four weeks. If the request is denied, the student will be so notified in writing at that time.
2. After initial approval by the program director, transfer course requests will be sent to the Office of Graduate Programs where the director will determine if the requested credit meets with University standards for transfer of graduate courses (see above for guidelines). The graduate dean will be the final arbiter where differences exist between the program director and the director of Graduate Programs.
3. You will be notified by the Office of Graduate Programs of the final decision. The student also will be told when the courses expire as credit toward the degree.

From a Previously Earned Masters Degree

With the approval of your program director you may transfer up to nine hours of coursework taken as part of a previously earned graduate degree.

DEGREE TIME LIMITS

Any course over the age of six years must be reinstated before it can apply toward a degree. The following guidelines apply.

- The student and the course instructor must prepare a reinstatement plan that is reviewed and approved by the graduate dean. This plan must include a special examination, portfolio presentation or other measurable demonstration of knowledge consistent with current course content. Once the student successfully complies with all of the elements in the reinstatement plan, the course is considered valid for an additional six years.
- No courses over eight years will be reinstated.
- No more than 25% of the courses required for a degree may be reinstated.
- Only courses in which a grade of *A* or *B* was earned can be reinstated.

If you are in the JD/MBA program, you may have additional time at the request of the MBA program director.

MAXIMUM HOURS ALLOWED PER SEMESTER

Fall and Spring

You may take up to 12 graduate hours of coursework during each of the fall and spring semesters. To enroll in more than 12 credits, you should seek the approval of your program director.

Summer

You may take up to nine graduate hours of coursework during the summer semester.

ADD/DROP WITHDRAWALS

The University *Schedule of Classes* lists the dates when you may add or withdraw from a course after completing registration. Drop/add forms are available at the Office of the Registrar; drop/add transactions are not official unless processed by that office. The regulations below apply to regular courses in fall and spring semesters. They also apply to all short courses, especially summer offerings, in a time sequence proportional to the length of the session. When adding courses, see the course-load policy for allowable limits.

Student Initiated

Unless specified by an academic department, you do not need approval to add a course prior to the published last day to add. After the published deadline for adding a course, you will be permitted to enter a course only with approval from the instructor of the course, the program director and an assistant dean of the college offering the course.

Unless specified by an academic department, you do not need approval to drop a course if you initiate the drop prior to the published deadline to drop.

Course Withdrawal Grade Policy

Dates for dropping a course or adding a course are available to students on the Academic Calendar posted on the NKU website wee.nku.edu/~registrar/calendars.htm. The dates are given for all terms for each semester. Please check this site for the correct information.

Withdrawing from School

If, after midterm, you withdraw completely from school, you need only submit a late withdrawal form signed by the dean of your college. Instructors will be notified of the withdrawal on revised class lists or final grade rosters by the Office of the Registrar. The instructor may not issue a *W* as the final grade for you if you did not file or have processed a drop/add form with the Office of the Registrar prior to the ninth week of classes or if you are not covered by exceptions listed above.

We understand that students will experience a variety of circumstances that will force them to withdraw from all courses for one semester. However, when this occurs in two consecutive semesters,

we will want to ensure that you have satisfactorily dealt with these circumstances before allowing you to enroll for a third semester. You will need to petition the Office of Graduate Programs explaining in writing why you should be allowed to enroll.

The above regulations apply to fall and spring 16 week semesters. The dates for summer, shorter than 16 week fall, spring terms, and winter term, adds/drops depend upon the session in which the course is taken. The specific dates are given in the Summer *Schedule of Classes*. The last dates to add or withdraw from a course will be printed in the *Schedule of Classes* for each semester.

Military Service

If you are in the military reserves and called into active status on an emergency basis and cannot complete coursework for a given semester, you a) will receive an automatic late withdrawal in each course with full refund if call-up is within the first 12 weeks of the semester; b) may elect to receive the grade earned to date in each course or receive a *W* in each course with a full refund if call-up is during the 13th or 14th week of the semester; or, c) will receive the grade earned to date in each course if call-up is in the 15th or 16th week of the semester.

You should present your orders at the Registrar Service Center to be given the Late Withdrawal Form to complete. If you do not yet have written orders, you will have 60 days in which to present the orders. A family member or friend may bring a copy of the orders in your absence. If this deadline is not met, your grades will revert to *F* and you will not be eligible to receive a refund.

In the circumstances where you may select either to receive a grade or to withdraw, the selection made will apply to all courses (all grades or all are withdrawn).

Initiated by Program Director

Drops may be initiated by program directors in two circumstances. First, the drop may be initiated if the director is notified by the instructor that you have not attended class during the first two class meetings of the semester. A drop also can be initiated by the program director if you do not have the proper prerequisite, corequisite, or consent of the instructor.

GRADUATION REQUIREMENTS

General Guidelines

GPA No student may earn a graduate degree or graduate certificate with a GPA below 3.00 (no rounding allowed) for all graduate work taken for completion of a specific graduate program as well as a cumulative 3.00 (no rounding allowed) for all graduate work taken at the institution. If you have declared academic bankruptcy, your graduate GPA will be based on all coursework taken subsequent to the bankruptcy.

Degree Application Deadline All graduate degree and certificate students should file and Application for Graduation with the Office of the Registrar by the following dates:

Fall semester graduation	April 15
Spring semester graduation	October 15
Summer semester graduation	April 15

You may obtain the form from the Office of Graduate Programs, your program office, the Office of the Registrar, or you may download a form from the graduate programs website. There is a \$30 fee that must accompany the Application for Graduation.

All graduate degree and certificate students submitting an Application for Graduation after the appropriate dates will be assessed and additional fee as follows:

Fall semester graduation	Application Fee	Late Fee	Total Fee
April 16-August 15	\$30	\$30	\$60
August 16-Novemeber 30	\$30	\$50	\$80
After November 30	\$35	\$75	\$105

There is no guarantee that the Application for Graduation can be processed in time for graduation if received later than November 30.

18 NORTHERN KENTUCKY UNIVERSITY

Spring semester graduation	Application Fee	Late Fee	Total Fee
October 16-January 15	\$30	\$30	\$60
January 16-March 30	\$30	\$50	\$80
After March 30	\$30	\$75	\$105

There is no guarantee that the Application for Graduation can be processed in time for graduation if received later than March 30.

Summer semester graduation	Application Fee	Late Fee	Total Fee
April 16-May 31	\$30	\$30	\$60
June 1- June 15	\$30	\$50	\$80
After June 16	\$30	\$75	\$105

There is no guarantee that the Application for Graduation can be processed in time for graduation if received later than June 16.

Thesis/Project Checklist Forms Your thesis/project must have final approval by your chair, program director and the Office of Graduate Programs before you can be cleared for graduation. Failure to submit your thesis/project in a timely manner may result in the delay of your graduation for a semester.

CLASS ATTENDANCE

Classroom participation is essential to the educational process in many disciplines. If a portion of the final grade is dependent upon classroom participation, the instructor will make a statement to that effect in the course syllabus. The syllabus will be provided to you no later than the fifth day of the semester. Regardless of attendance policy, you are responsible for familiarity with material disseminated in the class and are not released from this responsibility because you cease to attend. It is assumed that you will be aware of the calendar deadlines for officially withdrawing from a course that are published in the *Schedule of Classes*. If you do not officially withdraw prior to this deadline, and fail to successfully complete the required coursework, a failing grade will be recorded.

ACADEMIC HONESTY

NKU is dedicated to creating an environment conducive to the development of educated and intellectually curious people. Cheating and plagiarism are in opposition to this environment. Therefore, we require that all work submitted by a student be a product of that student's own ideas and words.

We want you to know how plagiarism is defined. In general it means using someone else's thoughts and/or words and allowing other people to believe they are your own. It does not matter whether this is done intentionally or unintentionally. One is plagiarizing if one uses specific words, phrasing, or ideas without using quotation marks and citations. Even when paraphrasing an idea or sentence, the original source of that material must be cited.

Cheating is defined as copying from someone else's exam, purchasing a paper to be submitted as your own, or using books and notes during exams (in class or take-home) when expressly forbidden to do so.

These examples of cheating and plagiarism are not meant to be exhaustive. Rather they are to be used as guidelines for appropriate academic behavior.

NKU takes academic dishonesty very seriously. A student guilty of cheating or plagiarism may be given a failing grade for the assignment or course by the instructor, who can recommend suspension or expulsion from the University. The University's goal is to foster an intellectual atmosphere that produces educated people. Because cheating and plagiarism are at odds with that goal, they shall not be tolerated in any form. Therefore, all work submitted by a student must represent that student's own ideas and effort; when the work does not, the student has engaged in academic dishonesty.

REQUEST FOR ACADEMIC TRANSCRIPTS

You may request a transcript from the Office of the Registrar in any of the following ways: in person in Lucas Administrative Center 301, fax to (859) 572-6094, or by mail. In each case your signature on the request is required. For specific information on requests for transcripts, please phone the transcript information line at (859) 572-6429.

COURSE NUMBERING

Courses numbered 499 and below are considered undergraduate-level courses and should not be taken by students who want to take a course for graduate credit. Courses numbered 500 to 599 may be taken by juniors and seniors for undergraduate credit and by graduate students for graduate credit. Students who take a 500-level course with the intention of earning graduate credit must have submitted a graduate application and been admitted by the Office of Graduate Programs.

Only graduate students are allowed to take courses numbered 600 and above.

No more than one-half of a student's graduate coursework may be taken at the 500 level. With the approval of the Graduate Council new programs may be given a waiver of this regulation at the time they are approved.

DISTANCE LEARNING

NKU offers courses as well as degree and certificate programs using various technologies, including the Internet, television, and interactive television. Please see type of delivery below for section prefix code information and search for course availability using the online schedule of classes: express.nku.edu/. To learn more about distance learning, visit dl.nku.edu.

Online Programs and Courses

Technology Requirement Students must have Microsoft Office and a web browser (Internet Explorer 4.0 or higher) or Netscape Navigator (4.5 or higher) and have the ability to navigate the web and handle multiple open windows. In addition, students must have knowledge of how to send and receive e-mail and the ability to open, close, and save files and attachments. Please note: some courses require PowerPoint. Please read section comments.

Online Degree and Certificate Programs The credits required for the following degree and certificate programs can be earned entirely online. For more information, visit dl.nku.edu:

Master of Science in Nursing (MSN)

Post-Master's Certification in Nursing

Nurse Practitioner Advancement

Master of Arts in Education (Gifted and Talented endorsement area)

Web-based Sections with a "W" prefix may require some face-to-face sessions on campus (less than 20%). Please read the comments for each web-based course for required meeting instructions.

Sections with an "I" prefix are designed for online degree or certificate programs and are limited to students who have been admitted into a specific online program.

"J" sections are designed for online degree and certificate programs; however, they are open to non-online-program students if space permits. Students will be assessed an additional fee per hour for enrollment in these online program sections.

Web-enhanced Courses having an "N" prefix require that students have access to the Internet. Web-enhanced courses will meet more than 20% of the time face-to-face with the instructor at the regularly scheduled class time.

Telecourses

Telecourses have a "T" prefix and consist of weekly programs that are broadcast over the local KET channel (WCVN, Ch. 54) and on the University's cable channel (Ch. 18) on Insight Communications in northern Kentucky. Students who do not have TV access may also view a reserved copy in

20 NORTHERN KENTUCKY UNIVERSITY

NKU's Steely Library, rent a copy, or purchase a CD-ROM if available. Students view lectures and then complete assignments using a text and study guide. Several group meetings are required (usually three to five) on campus to review course objectives and take quizzes or exams. Contact the instructor or distance learning coordinator (dl@nku.edu) for rental or purchase information.

Interactive Television (ITV)/KTLN Courses

KTLN courses are designated with a "K" prefix. The Kentucky Tele-Linking Network is a statewide system where students from more than one ITV site can interact with one another and the instructor through interactive video, similar to videoconferencing.

Kentucky Virtual University (KYVU)

KYVU is the state's official virtual campus and provides access to online college credit courses and professional development programs from universities across the state of Kentucky. To learn more about KYVU, visit www.kyvu.org/.

GENERAL UNIVERSITY POLICIES

ADA STATEMENT

NKU abides by the Americans with Disabilities Act of 1990 (ADA), which prohibits discrimination in employment on the basis of disability and requires nondiscrimination in benefits of services, programs, or activities of the University. The NKU Office of Disability Services is located in University Center 320. For additional information call the disabilities intake counselor at (859) 572-5180 or visit www.nku.edu/~disability/.

COMMITMENT TO EQUAL OPPORTUNITY

It is the policy of NKU not to discriminate in employment, educational programs, admissions policies, financial aid, or other school-administered programs on the basis of race, sex, color, age, religion, national origin, sexual orientation, physical, and/or mental disability, or status as a disabled veteran or veteran of the Vietnam era.

The University takes affirmative action to fulfill its policy against illegal discrimination. Sexual harassment is a form of sex discrimination and is, therefore, a violation of NKU's Affirmative Action Policy, Title VII of the Civil Rights Act of 1964, and Title IX of the Educational Amendments of 1972. Sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, and other verbal, non-verbal, physical, or non-physical conduct of a sexual nature that unreasonably interferes with an individual's academic or employment performance.

The University's policy is in compliance with state and federal guidelines and is consistent with the University's interest in seeking a diverse faculty, staff, and student body. Student inquires may be directed to the NKU Dean of Students or the Director of Affirmative Action and Multicultural Affairs, Nunn Drive, Highland Heights, KY 41099.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)

NKU abides by the Family Educational Rights and Privacy Act of 1974. The purpose of the act was to ensure that each student has the right to keep certain academic information from being made public. Please read the following paragraphs so that you will know what your rights are under this federal law.

Public Information The following information may be made public unless you request otherwise: name; local and permanent addresses and telephone numbers; photograph; date and place of birth; nationality; religious preference; marital status; parents' or spouses' names and addresses; participa-

tion in officially recognized activities and sports; weight and height (if athletic team member); student classification; hours enrolled in and completed; major field of study; dates of attendance; degrees, scholarships, awards, and honors received; matriculation and withdrawal dates; and most recent previous educational institution attended.

Right to Privacy If you are a currently enrolled student, you may request that all or part of your directory information not be made public by personally meeting with someone in the Office of the Registrar so that the ramifications of this action can be explained.

Right of Review In accordance with the Family Educational Rights and Privacy Act of 1974 you have the right to inspect and review any and all official University records, files, and data incorporated in your cumulative record. You have the opportunity for a hearing to challenge the contents of these records to ensure that they are accurate and not in violation of any of your rights. You also have the opportunity to correct, amend, or supplement any such records.

FINANCIAL ASSISTANCE

We recognize that graduate school represents a major monetary commitment by our students. The information provided here is a list of the specific types of aid offered through NKU. We urge you to check outside the University for additional funding sources.

GRADUATE ASSISTANTSHIPS

Eligibility

To serve as a graduate assistant (GA), one must be enrolled (regularly, provisionally, or conditionally) in a graduate-certificate or graduate-degree program. Students with non-degree status may be appointed as graduate assistants with the approval of the graduate dean or designee. Students with concurrent admission (graduate and undergraduate) may not be appointed as graduate assistants.

Requirement for Continuance of Assistantship A graduate assistant must have a graduate grade point average of 3.00 or above to receive or retain an assistantship. To retain an assistantship, a GA must perform at a satisfactory level in his/her academic program and his/her assistantship responsibilities.

Credit-hour Requirement A graduate assistant must be enrolled at NKU in a minimum of six semester hours of graduate credit during each semester he/she is serving as a GA. Exceptions will be considered on a case-by-case basis by the graduate dean or designee.

Definition of Full-time Graduate Assistant A full-time graduate assistant is expected to work the equivalent of 20 hours per week for 16 weeks in each of the fall and spring semesters of one academic year. A graduate assistant appointed for fewer is considered a part-time graduate assistant.

TUITION POLICY

Graduate students who are taking undergraduate courses will be charged tuition as follows:

1. All courses will be assessed at the per credit hour rate. There will be no maximum cap on tuition charged.
2. All courses at the 500 level or above will be charged at the graduate tuition rate regardless of method of delivery (face-to-face or web based).
3. Courses at the 400 level or below will be charged at the undergraduate tuition rate regardless of method of delivery (face-to-face or web based).
4. Students who are assessed at the metropolitan rate for graduate courses are advised that they will be charged at the undergraduate *out-of-state* tuition rate for all undergraduate courses.
5. For graduate students admitted into a web-based program the following tuition policy will apply in addition to those listed above:
6. All face-to-face classes will be assessed the on-campus tuition rate based on their residency status of in-state, metro, or non-resident.

OTHER UNIVERSITY FINANCIAL ASSISTANCE PROGRAMS

NKU participates in a variety of programs designed to assist students in need of financial aid to meet tuition and living expenses. The Office of Student Financial Assistance is responsible for administering and coordinating these assistance programs. For additional information, phone (859) 572-5143; toll free (800) 225-4499; e-mail ofa@nku.edu; and website home page www.nku.edu/~ofa/home.html.

Student Worker Program The Office of Financial Assistance (Lucas Administrative Center 416) has listings of on-campus jobs available to all students.

Student Loans The Office of Financial Assistance has complete information and applications for government loans available to graduate students.

GREATER CINCINNATI CONSORTIUM OF COLLEGES AND UNIVERSITIES (GCCCU)

General Information

Through an agreement with the Greater Cincinnati Consortium of Colleges and Universities, students at NKU may register for courses offered by other consortium institutions. Course credit and/or grades will be posted on the NKU transcript and treated as though earned at NKU. Quarter hours are converted into semester hours on a two-thirds basis. Complete information may be obtained at www.gcccu.org.

Cautionary Note

Be certain that you have the approval of your program director before assuming that a GCCCU course will be accepted as part of your degree program.

Guidelines

To participate in the consortium during the fall and spring, you must be enrolled in at least one NKU course during the semester in which a consortium course is taken. During the summer, graduate students may enroll in a consortium class without being enrolled in an NKU course. You must be degree seeking and may enroll for no more than two courses at the host institution in one semester. The course(s) requested must not be offered at NKU for one academic year, unless you have officially applied for graduation with the Office of the Registrar. You cannot have registration holds on your record. You are asked to observe all regulations of the host institution. You must obtain written permission in advance from your program director before registering for courses through the consortium at other colleges or universities.

Forms

Cross registration forms are available in the Office of the Registrar.

Tuition and Fees

In addition to regular tuition charges at NKU, students will be required to pay course-related fees at the host institution. Catalogs and schedules of classes are available in the Office of the Registrar.

Member Institutions Offering Graduate Credit

Art Academy of Cincinnati
Athenaeum of Ohio
Cincinnati Bible College and Seminary
College of Mt. St. Joseph
Hebrew Union College/Jewish Institute of Religion
Miami University
Northern Kentucky University
Thomas More College
University of Cincinnati
Xavier University

Southwestern Ohio Council for Higher Education

Through an agreement between the Greater Cincinnati Consortium of Colleges and Universities and Southwestern Ohio Council for Higher Education, NKU students may register for courses offered by the latter in fall and spring semesters if the courses needed are not available at the GCCCU schools. The same regulations apply as for the Greater Cincinnati Consortium.

Member Institutions

Air Force Institute of Technology
Antioch College
Cedarville University
Central State University
United Theological Seminary
University of Dayton
Urbana College
Wright State University

University Services

OFFICE OF THE REGISTRAR

In support of Northern Kentucky University's academic mission, the Office of the Registrar is responsible for achieving three specific objectives: 1) registering students for classes; 2) maintaining students' academic records; and 3) certifying degree requirements for graduation. To satisfy these objectives, the office is organized into service functions and processing activities, supported by Norse Express for Students and Norse Express for Faculty & Advisors, and web and voice response systems. The Office of the Registrar is located in Lucas Administrative Center 301.

Registrar's Service Center

The Registrar's Service Center in the Office of the Registrar assists students registering for and dropping/adding courses using Norse Express for Students; cross registration through the Greater Cincinnati Consortium of Colleges and Universities; and processing requests to audit, pass/fail, or repeat courses, declaration/certification of major, minor, and area of concentration, applications for degree, transcripts, student information changes, and enrollment verification.

Registrar's Processing Center

The Registrar's Processing Center in the Office of the Registrar assists students by providing Veterans Enrollment Certification (see www.nku.edu/~registrar/veteranservices.html); processing transcript requests; mailing and faxing enrollment verifications; processing grade changes and course repeats; processing non-traditional credit in CLEP, AP, PRL, and ASE; and interpreting University Catalog policy for students, faculty, and staff.

The processing center also deals with students concerning academic bankruptcy, grade problems and course repeats, and probation/suspension issues. Detailed information about the Office of the Registrar's policies and procedures is located at www.nku.edu/~registrar.

Norse Express

Norse Express for Students is available via the Internet by clicking the icon located at www.nku.edu or by phoning (859) 572-0830. Norse Express offers students a variety of services and information, including transcripts (unofficial), degree audits, information change forms, repeat option forms, course availability, online *Schedule of Classes*, account summary/credit card tuition and fee payment, grades, personal financial aid information, and registering/dropping/adding courses.

All currently enrolled students will have a user name and password generated automatically upon registration. Directions for logging in the first time are given on the Norse Express website.

Schedule of Classes

The Office of the Registrar publishes a *Schedule of Classes* each semester. Additional information about the *Schedule of Classes* and registration is maintained by the Office of the Registrar at webapps.nku.edu/class_sched. The priority registration schedule is also available online at www.nku.edu/~registrar/.

Residency Status

The Office of the Registrar is also responsible for reviewing residency status. Changing an address to Kentucky is not sufficient to change residency for tuition purposes. See the residency information in Appendix A of this catalog. The residency review affidavit is submitted to and reviewed in the Office of Registrar.

Voter Registration

The Office of the Registrar also encourages the NKU community to register to vote. Voter registration information is available at www.kysos.com/index/main/elecdiv.asp. For further information call (859) 572-5556 or e-mail registrar@nku.edu.

STUDENT SERVICES

Student services are provided by two major divisions of the University: Student Affairs and Enrollment Management and Financial Services. What follows are descriptions of many of the services that benefit NKU's graduate students.

NKU All Card

Imprinted with your photograph and assigned student ID number, the NKU ALL CARD is your official University identification. It also enables you to gain access to services and activities; NKU e-mail account (assigned after card is issued) and web courses; library card; computer lab printing; health center and residence hall access; Bursar office check cashing; campus elections; special events; NKU Bookstore purchases; and discounts for dining, vending drinks, copies, parking garages and laundry. You may obtain the ALL CARD in University Center 115. For more information, visit access.nku.edu/allcard/, call (859) 572-6016, or e-mail allcard@nku.edu.

African-American Student Affairs and Ethnic Services

This office is responsible for services and cultural programming that promote a diverse campus and support the success of African-American students as well as students from other ethnic minority groups. To meet the needs of these students, the office works with individual students, student organizations, faculty, and staff. The Office of African-American Student Affairs and Ethnic Services is located in University Center 352. For additional information call (859) 572-6684, e-mail aasa@nku.edu or visit www.nku.edu/~aasa/.

Campus Recreation

The Department of Campus Recreation welcomes all students to utilize the Campus Recreation Center (CRC). The center includes a main activity area that contains three full-sized basketball courts that also can be utilized for volleyball and badminton; a 1/9 mile, four-lane, indoor track; racquetball/volleyball courts; a pool; a sauna; and a conditioning room containing a full circuit of weights and cardiovascular equipment. Locker rooms are available for changing and showering. Campus Recreation also offers a variety of intramural sport, fitness, and instructional programs. Campus Recreation is located in Albright Health Center 104. The NKU ALL CARD is required for access to all Campus Recreation facilities. For additional information call (859) 572-5197 or visit www.nku.edu/~camprec/.

Career Development Center

The Career Development Center (CDC) offers an integrated program of career services, including career planning, cooperative education, career employment, and résumé assistance. These services are available without charge to students and alumni of NKU. This department serves as the University liaison to many local corporations and organizations, including the on-site Fidelity Investments Customer Call Center. The Career Development Center is located in University Center 230. For additional information call (859) 572-5680, visit access.nku.edu/cdc/, or e-mail cdc@nku.edu.

Disability Services

Disability Services provides a wide variety of support programs to students with special needs: consultation for disability issues for faculty, staff, and students; disability verification; certification of the need for reasonable academic/physical accommodation by the University; individual counseling and advising; disability education; interpreter service; liaison and referral with outside agencies; adaptive technology; and test proctoring. Disability Services is located in University Center 320. Students must register with this office to receive reasonable academic accommodation for their dis-

ability. For additional information call the disabilities services counselor at (859) 572-6373 or visit www.nku.edu/~disability/.

E-mail Accounts

All NKU students automatically receive campus e-mail accounts that become activated when you obtain your NKU ALL CARD. You can find yours by going to www.nku.edu/findit.php. If you prefer to have all e-mail sent to a different address, you can have your campus e-mail forwarded to the e-mail account of your choice. Directions for forwarding e-mail can be found by visiting webmail.nku.edu/.

Health, Counseling and Prevention Services

Health, Counseling and Prevention Services provides a variety of preventive and acute-care services to promote the physical and mental health of students. Registered nurses and nurse practitioners provide treatment for acute illnesses or injuries during regular office hours. Non-prescription medications are available, as well as free testing for hearing, vision, diabetes, blood pressure, and pregnancy. Reproductive health clinics, staffed through the Northern Kentucky District Health Department, are regularly scheduled. Mental health professionals provide assessment, diagnosis, and short-term treatment for a variety of crisis, adjustment, relationship, and general mental health issues. Health, Counseling and Prevention Services staff are also available for educational programming addressing mental and physical health needs of students. Faculty and staff are encouraged to consult with the Health, Counseling and Prevention Services office regarding specific student needs. For additional information stop by University Center 300 or call (859) 572-5650 or visit www.nku.edu/~hcp.

University Housing

University Housing provides single students with an affordable, safe and supportive environment and promotes success. Currently, the University does not have family housing. Living options for single students include apartments, traditional residence halls and suite-style units. Amenities include computer labs, recreation and laundry facilities, study space, and 24 hours staffing. One fee covers all housing costs including high-speed Internet, expanded cable and local phone. Flexible meal plans and dining options are available to meet everyone's needs. Financial aid and scholarships can be applied toward your housing and dining fees. For more information or a tour, visit the University Housing Office located at 101 Norse Commons, call 1-866-572-5676, or visit <http://access.nku.edu/housing/>.

International Student Affairs

The Office of International Student Affairs (ISA) serves all non-immigrant and permanent-resident students attending the University. In addition to recruitment and admissions for non-immigrant foreign applicants, the office staff assists international students with their general welfare and social adjustment and guides them in their relations within and outside the University community so that they can successfully achieve their academic goals. The ISA office is also the responsible office for F-1 related immigration advice and procedures. The office is located in University Center 366. For additional information call (859) 572-6517 or visit www.nku.edu/~isa.

Parking

Every motor vehicle operated or parked on the Highland Heights or Covington campuses of Northern Kentucky University must be registered via Norse Express at www.nku.edu. Vehicle registration at either location is valid for both campuses. Questions pertaining to vehicle registration should be addressed to the Parking Office at (859) 572-5505.

Public Safety

The Department of Public Safety is a full-service, state-certified law enforcement agency. In addition to law enforcement activities, the University Police maintains a motorist assist program that will help you with a dead battery or with keys locked in your vehicle. Students, faculty, staff and visitors are strongly encouraged to report criminal activity or potential criminal action and any other emergency by dialing 911 from any campus telephone or the University Police emergency telephone number,

(859) 572-7777. Non-emergency calls can be made to (859) 572-5500 at any time. Also, there are 17 emergency call boxes located throughout the campus that provide direct access to the University Police. Further information can be found by visiting [http:// access.nku.edu/dps/](http://access.nku.edu/dps/).

Testing Services

Testing Services provides academic and admission testing for students throughout their college experience. Admissions tests include the PRAXIS (Professional Assessments for Beginning Teachers), PPST (Pre-Professional Skills Test), and the LSAT (Law School Admissions Test). CLEP (College Level Examination Program) is administered through this office. The testing services office is located in University Center 320. For additional information call (859) 572-6373 or visit www.nku.edu/~testing/.

LIBRARY SERVICES

Steely Library is your place for finding information, studying quietly, getting a bite to eat, working on group projects, making an appointment for research consultation, checking your e-mail, and much more. The library contains books, periodicals, and government documents in addition to providing access to e-books, electronic journals, and numerous full-text resources both on and off campus. Services include research assistance (by phone, in person, by e-mail, or by live chat during selected hours), interlibrary loan, access to the Internet and e-mail, and electronic reserve materials.

Facilities include a computer lab on the fourth floor, workstations and Cafe Ritazza in the outer lobby, two computer-equipped group-study rooms, and wireless laptops for use in the building. With a current ID, students may also borrow materials from area libraries in the Greater Cincinnati Library Consortium. See the homepage (library.nku.edu) for a complete listing.

Fall and spring hours:	Monday-Thursday	8:00 a.m. – midnight
	Friday	8:00 a.m. – 4:30 p.m.
	Saturday	11:00 a.m. – 5:00 p.m.
	Sunday	12:30 p.m. – midnight

Hours will vary during University holiday periods, in summer sessions, and between semesters. For additional information about the library and its services, log on to the home page at library.nku.edu or call the information desk at (859) 572-5456. Questions may be e-mailed to refdept@nku.edu.

Kentucky Virtual University Library

All NKU students are automatically members in the Kentucky Virtual University Library, which allows access to databases and holdings of university libraries across the state. There are other special services available as well. To learn more about these resources consult the KYVU website at www.kyv.u.org and click on the link “For KYVU Students.”

COMMUNITY CONNECTIONS

The Community Connections office advances and supports the University’s commitment to public engagement. The office provides non-credit educational opportunities, including GRE, GMAT and LSAT test preparation courses, and provides access to information about NKU’s activities, events, and services available to individuals, businesses, and agencies. Community Connections also plans and facilitates programs for P-12 schools in the region, specifically Art Reach, Spirit Day and campus visits. For information about Northern Kentucky University programs and services for the community, contact NKU Connect (859) 572-5600 or connect@nku.edu, or check the Community Connections website at communityconnections.nku.edu.

Expenses

Tuition Policy

See page 21 for complete University tuition policy.

Fees 2005-2006

Application Fee A \$30 non-refundable fee must accompany an application for admission to NKU. The fee is waived for alumni of NKU.

Audit Fee Individuals auditing a course are charged the same tuition and fee assessment as though they were taking the course for credit.

Auto Registration Fee An auto registration fee is charged to students who park on campus.

Course Fees Certain courses as noted in the *Schedule of Classes* have fees depending on the course. The amount of fees charged is minimal.

Late Registration A \$25 late registration fee will be assessed for all students who register during late registration.

College of Business In addition to the appropriate tuition charge, a fee of \$34 per credit hour is assessed for all College of Business courses.

Music In addition to the appropriate tuition charge, a fee of \$90 per half hour lesson each week for a semester is assessed for private instruction in applied music.

Graduation Fee At the time you apply for graduation, a \$30 fee will be assessed.

TUITION AND FEES PAYMENTS

Before a student will be permitted to register, any prior financial obligations to the University must be paid in full.

Registration and Payment Due Dates

Full payment of tuition and fees is due during the first week of classes of each term. Please see Bursar's web page access.nku.edu/bursar/ for complete information on payment of tuition. Deferments of tuition payments are granted to students receiving certain types of financial assistance such as grants, loans, and scholarships. All amounts owed the University will be deducted at the time financial aid checks are distributed. If an account remains unpaid and is referred for collection, you are liable for all attorney's fees and related costs and charges incurred by NKU for collection of the obligation.

Financial Audit

From time to time the Bursar's Office runs an "audit" of all student tuition accounts. This means they check to see that all tuition and fees were assessed at the correct rate and have been paid. You will be given a refund for any amount you have overpaid. If they find that an underpayment error occurred in your account (such as you were originally assessed at in-state rates but you should have been assessed at the Metropolitan Rate), an additional bill will be issued. If you do not pay the additional sum assessed after you have been notified of these additional charges, you will not be able to obtain transcripts or other services until your account is paid. If your account remains unpaid and is referred for collection, you will be liable for all attorney's fees and related costs and charges incurred by the University for collection of the obligation.

Financial Aid Recipients

Students receiving financial aid may obtain a temporary deferment of tuition and fees if the financial aid process is complete. At the time financial aid checks are distributed, the Bursar will deduct any balance due the University.

Refunds Policies (University Policy)

- A. Students who officially withdraw from all classes or drop a class(es) on or before the last day to register, as published in the academic calendar, are eligible for a 100% adjustment of the total tuition and fees assessed.

- B. Students who officially withdraw from all classes or drop a class(es) after the last day to register but before the last day to drop a course without a grade appearing on the student's record, as published in the academic calendar, are eligible for a 50% adjustment of the total tuition and fees assessed.
- C. Refund appeals, based on extraordinary circumstances, must be made in writing to the director of Bursar operations no later than midpoint of the session.

UK/NKU GRADUATE CENTER

UK/NKU Graduate Center students are subject to the tuition structure of the sponsoring university.

Appendix A

RESIDENCY POLICY (excerpts)

The following information is for general information only and is not meant to be anything other than an example of the governing documents pertaining to the establishment of Kentucky residency. This does not supplant the legal document that details the exact nature of residency which can be found at www.cpe.state.ky.us/policies/policies_student_residency.asp.

The Commonwealth of Kentucky will assume you are NOT a resident if:

1. You had an out-of-state address on your application for admission.
2. You moved into Kentucky primarily to enroll in the University.
3. You moved into Kentucky and within 12 months of that move you have enrolled at a Kentucky institution for more than the number of hours considered half-time.
4. You have been in continuous absence from the state for one year.

You can challenge your status designation by presenting proof among other documents that you have:

1. accepted a full-time job or transfer to an employer in Kentucky, Greater Cincinnati, or nearby Indiana while moving your domicile into the state of Kentucky.
2. lived in Kentucky continuously as a non-student for 12 months before the semester in which you plan to enroll.
3. an income tax form that shows a change of address or the payment of Kentucky withholding taxes for the calendar year.
4. been employed full-time for one year while living in Kentucky.
5. obtained a professional license or certification in Kentucky.
6. paid real property taxes in Kentucky.
7. owned real property that was used by you as a residence before the date of application for a determination of residency status.
8. a long term lease of at least 12 consecutive months of non-collegiate housing.
9. married a Kentucky resident.
10. continued presence in Kentucky during academic breaks.
11. a certain level of dependency on student financial aid in order to provide basic sustenance.

MASTER OF SCIENCE IN INDUSTRIAL-ORGANIZATIONAL PSYCHOLOGY

Perilou Goddard, Ph.D., Chair
Jeffrey Smith, Ph.D., Program Director

I. INTRODUCTION

Program Description

Industrial and organizational (I-O) psychology is a behavioral science that focuses on human behavior in the workplace. This is a 45-semester-credit-hour program. It provides a balanced presentation of both industrial and organizational issues. The curriculum is oriented toward practitioner development, emphasizing content issues and applied research over basic research skills. It will prepare professional practitioners with a solid foundation in theories, methods, and research findings.

This program is intended to meet the core knowledge requirements of the discipline while providing students the flexibility of customizing their individual programs to suit their needs and interests and exploit available learning opportunities in the community.

Special attention has been placed on accommodating the needs of part-time students. Classes are scheduled during evening hours and weekends.

Office of the MSIO Program

The MSIO program is administered by the Department of Psychology, located in BEP 337. For additional information visit msio.nku.edu or call Dr. Jeffrey Smith, MSIO director, at (859) 572-5317. E-mail inquiries may be sent to msio@nku.edu.

II. ADMISSION

Regular Admission

Applicants are eligible for regular admission if they have completed

1. a bachelor's degree at a regionally accredited institution with a grade-point average (GPA) of at least 3.00 or higher on a 4.0 scale for the last 60 semester hours.
2. the general test of the Graduate Record Exam (GRE). Although test scores make up only one factor considered in the admission process, it is anticipated that successful applicants will have scores of at least 450 verbal, 450 quantitative, and 3.5 writing.
3. at least nine semester hours of undergraduate coursework in psychology.
4. a minimum of one course in statistics.

Conditional Admission

Applicants with a bachelor's degree who are missing some of the prerequisite qualifications may be admitted in conditional status as space availability in the psychology program permits.

Application Process

Submit your application and direct all transcripts and GRE score reports to the Office of Graduate Programs, Nunn Drive, Highland Heights, KY 41099.

Deadlines for receipt of materials are:

Fall Semester

Priority Deadline 1 June

Spring Semester

Priority Deadline 1 November

Summer Semester

Priority Deadline 1 March

All applicants with transcripts from outside the U.S. must have those transcripts evaluated course by course by an approved foreign education evaluation service. These must be submitted along with original or certified copies of the transcripts.

III. ACADEMIC REQUIREMENTS

Overview

To earn the Master of Science in Industrial-Organizational Psychology, students are required to complete a core curriculum of 36 semester hours of classes and nine semester hours of elective work for a total of 45 semester hours.

Core Courses

PSY 550	Organizational Psychology	3
PSY 570	Work Environments	3
PSY 580	Cognition in the Workplace	3
PSY 601	I-O Discussion Forum	2
PSY 615	Research Design, Methods and Statistics	3
PSY 616	Research Design, Methods and Statistics II.....	3
PSY 620	Job Analysis and Staffing.....	3
PSY 625	Psychological Tests and Measurement	3
PSY 635	Selection and Performance Appraisal	3
PSY 640	Training and Development	3
PSY 660	Organizational Change and Development	3
PSY 685	Applied Research Study - Capstone	4
	Core Total	36

Elective Options:

PSY 630	Occupational Health Psychology	3
PSY 652	Epidemiology	3
PSY 670	Organizational Leadership	3
PSY 675	Motivation.....	3
PSY 691	Thesis	6
PSY 696	Practicum	3 or 6
TBD	Future Elective Courses	TBD
	<u>Elective Total</u>	<u>9</u>
	Program Total	45

Certifications Programs

Certificates in Industrial and/or Organizational Psychology are available to students seeking a shorter and more specialized course of study. Students pursuing certifications must be admitted into the MSIO program, as the certification programs are embedded in the MSIO program.

Industrial Psychology Certification

PSY 620	Job Analysis and Staffing.....	3
PSY 625	Psychological Testing and Measures	3
PSY 635	Selection and Performance Appraisal	3
PSY 640	Training and Development	3
	Total Semester Hours	12

Organizational Psychology Certification

PSY 550	Organizational Psychology	3
PSY 660	Organizational Change and Development	3
PSY 670	Organizational Leadership	3

PSY 675	Motivation.....	3
		Total Semester Hours <u>12</u>

Occupational Health Psychology Certification

PSY 550	Organizational Psychology	3
PSY 570	Work Environments	3
PSY 630	Occupational Health Psychology	3
PSY 652	Epidemiology.....	3
		Total Semester Hours <u>12</u>

Transfer Credit

Students may transfer up to nine semester hours of appropriate, acceptable graduate coursework from other regionally accredited institutions. A student must have earned a minimum grade of *B* in such courses. These courses must be deemed appropriate to the student’s program of study at the time of admission into the program by the department chair on the advice of the director. Transfer of graduate credit must be accomplished before students earn 12 semester hours at NKU.

Academic Standing

A GPA of at least 3.00 must be maintained for all courses taken in the program. At most two *C* grades can be counted toward the degree. A course may be repeated only once, and only two courses may be repeated. Only courses with a grade of *C* or below can be repeated; only the repeat grade is used in GPA determination. Students whose GPA falls below 3.00 will be placed on probation; those remaining on probation for more than nine semester hours of coursework will be dropped from the program.

Course Load

Because the program is designed as a part-time program, enrollment for more than 6 credit hours is recommended for full-time students only.

MASTER OF ARTS IN LIBERAL STUDIES
Prince Brown, Ph.D., Director

I. INTRODUCTION

Purpose

The Master of Arts in Liberal Studies is a flexible, interdisciplinary program for students seeking personal intellectual growth or professional advancement. Design your own course of study with the help of a faculty advisor. You will identify a particular problem, issue, or question to study; develop an individualized research project; and select the coursework that best suits your area of specialization. The MALS program encourages the acquisition of knowledge and skills that run broadly across the full range of disciplines, and supports the in-depth study of certain topics or issues that require investigations between disciplines or integration among disciplines. The program’s objectives are to:

- strengthen your ability to engage successfully in interdisciplinary research in areas of personal interest;
- refine your ability to communicate the result of that research effectively;
- provide you with opportunities for intellectual growth and personal satisfaction; and
- broaden, develop and deepen your understanding of the rich traditions in literature, history, philosophy, the social sciences, the natural sciences, and the visual and performing arts.

MALS serves best those students who are interested in addressing problems or questions that fall outside of traditional disciplinary or departmental boundaries. It is especially designed for part-time students attending classes in the late afternoon, evening, and on weekends.

Office of the MALS Program

The MALS program is administered through the College of Arts and Sciences located in Steely Library 401. For complete and current information visit <http://mals.nku.edu> or call the program director at (859) 572-5831.

II. ADMISSION

An application may be downloaded from the Graduate programs website or you may apply online. Please submit all materials to the Office of Graduate Programs, AC 302, Nunn Drive, Highland Heights, KY 41099. The deadlines for receipt of materials are July 1 (priority admission) for the fall semester, and November 1 (priority admission) for the spring semester. We may continue to review applications until classes begin if space is available.

Regular Admission

In order to be considered for regular admission to the MALS program, you will need:

1. an application for admission to Northern Kentucky University;
2. a bachelor's degree from a regionally accredited institution with a minimum undergraduate GPA of at least 3.0 on a 4.0 scale;
3. official transcripts for all undergraduate and graduate work;
4. a personal résumé that reflects both work and academic experience;
5. two letters of reference; and
6. a letter of intent between 500 to 1000 words stating your academic goals and the proposed area of interest in the MALS program.

Admission to the MALS program is selective. An admissions committee reviews each completed application for (1) solid credentials that predict academic success at the graduate level and (2) an appropriate fit between the applicant's stated academic goals and area of interest and the program's objectives and resources.

The letter of intent will help us judge whether our program is appropriately suited to your interests. The letter should include a general outline of your areas of interest, but be as specific as you can about the kinds of questions, problems or issues you would like to pursue as a MALS student. Include suggestions on the kinds of classes that might contribute toward your ideas you wish to explore. The courses will range across several disciplines and should contribute to the development of the culminating thesis or project.

III. DEGREE REQUIREMENTS

The MALS degree requires 33 hours of coursework.

MALS 601 Introduction to Graduate Research and Writing	3
Approved Program of Study	24 minimum
MALS 697 Master's Thesis or Thesis Project.....	6

The following restrictions apply:

- 15 semester hours must be at the 600-level
- No more than 15 hours may be taken in a single discipline (teaching at a community college requires an additional three hours)
- A maximum of 9 semester hours of transfer credit will be allowed
- Overall GPA must be a minimum of 3.0
- No more than 6 hours of "C" grade are allowed.

Teachers' Rank Increase

For students who currently hold a teaching certificate, the MALS may serve as a functionally relevant master's degree. Check with the relevant state education board to verify requirements.

Teachers who are considering using the MALS degree for rank change in Kentucky will be asked to produce a portfolio to document that they meet the Kentucky Experienced Teacher Standards required by the Education Professional Standards Board. A member of the Education Graduate Faculty must serve on the student's Faculty Advisory Committee.

The MALS does not lead to initial teacher certification. At Northern Kentucky University, the Master of Arts in Teaching is the approved master's level program for obtaining an initial teaching certificate.

Teaching at the College Level

A master's degree may be adequate to find placement at many community colleges. Those teaching a specific field of study should have earned a minimum of 18 hours of graduate work in that given discipline. Since the MALS degree limits work in any one discipline to 15 hours, the extra three hours are considered in addition to the required 33 total hours. Although most universities and colleges require a terminal degree (Ph.D., for example) for a full-time tenure position, those with a master's degree may be employed as part-time faculty members.

IV. A PROGRAM OF STUDY

New students are required to take MALS 601 Introduction to Graduate Research and Writing. The program ends with MALS 697 Master's Thesis or Thesis Project. In addition students must take 24 hours of coursework, six hours of which must be at the 600-level. No more than 15 of the total 33 hours can be in a single discipline. With some restrictions, the program may accept hours transferred in from other institutions, hours earned as an unclassified graduate student at NKU, hours earned in independent study, and coursework taken from the Greater Cincinnati Consortium of Colleges and Universities.

Before the end of your first semester you are asked to fill out a program of study. Working with the program director, you briefly describe a specific area of interest, including the kinds of questions, problems or topics to be addressed when selecting coursework and developing the thesis. In addition, you are asked to list some course titles or topics in which you might find coursework that will contribute to your research agenda.

The agreement is treated as a contract with the MALS program, though with the consent of the program director, you can revise this program of study as the work progresses and you develop a clearer sense of the direction of the thesis or project.

Transfer Courses

With the approval of the program director you can transfer in up to 40% of the program (12 hours). The work must be from a regionally accredited institution, taken for graduate credit and posted to a graduate transcript, and completed with at least a *B*. You must request transfer credit during the first semester in the program.

Only nine hours of coursework taken at NKU as an unclassified graduate student may count toward the program.

Independent Study

You may take independent study or readings courses. The NKU Graduate Program currently limits such courses to no more than 20% of the course work (6 hours for MALS students). Studio work, labs, research, practica, and internships are exceptions. Before signing up for an independent study, you must have the approval of the program director, the instructor, and the chairperson of the faculty member's department. The instructor must be a member of the graduate faculty. A syllabus containing the course topic, reading list, assignments, and learning objectives must be placed on file with the program director.

V. THE THESIS/CREATIVE PROJECT

A Master's Thesis or creative project is the culmination of one's work in the MALS program, demonstrating an ability to perform interdisciplinary research at the graduate level. You are expected to advance original ideas, articulate those ideas clearly, and rigorously defend them. The thesis or theme of the work should be clear and focused and the argument rigorous, relevant, and informed with the appropriate background knowledge.

The final thesis or project topic must align with and reflect the coursework you have taken, as agreed upon in your program of study. Completing the final thesis or project is not synonymous with completing MALS 697, though the work performed in MALS 697 contributes perhaps most directly to the final thesis or project. The thesis and project options require an oral defense of the work before graduation.

A traditional written master's level thesis generally consists of a scholarly manuscript of 50 to 100 pages, perhaps with four or five chapters. The format requirements for a thesis are available from the Graduate Office and must be followed precisely. A creative project should reflect the effort commensurate with 6 hours of graduate coursework and include a substantial statement of 25-30 pages that explains the background, significance, and relevance of the project along with a bibliography and literature review. Projects might include musical performances, an exhibit of artwork, a CD-ROM, or a video project.

Project Proposal

With the program director you will use a pre-proposal document to identify the appropriate chair and committee members for the Faculty Advisory Committee (FAC). Faculty serving on your FAC must have graduate faculty status at NKU. The chairperson of that committee must have full graduate faculty status. No more than two members of the committee can be from the same discipline and at most one member can come from another institution. A list of faculty with graduate faculty status can be found at <http://gradschool.nku.edu>. The program director will work with the student to identify the appropriate faculty for the FAC and must approve the final selection.

Once the FAC has been appointed, you will meet with the committee to revise and fine-tune the proposal. A majority of the FAC must approve the proposal before you can begin the final eighteen hours of coursework. The final project proposal should describe the research project you anticipate undertaking as a final thesis or creative product. The proposal should also state, as clearly and completely as possible, the questions, problems, or issues that you plan to address in the work. Included also should be a concentrated bibliography, and a plan for how the skills and knowledge acquired in the different courses could be integrated into the final product. A project proposal should be about two to three pages in length.

The Defense

The thesis or project is due to the program director by May 1 for spring graduation and December 1 for fall graduation. The defense is usually scheduled sometime during the two weeks prior to the due date, but only upon the recommendation of the Faculty Advisory Committee (FAC) chairperson and the MALS program director. Copies of the thesis will be distributed to FAC members no later than two weeks prior to the scheduled defense.

The defense will be a public presentation, open to guests, the MALS Advisory Committee, and the FAC. The director of the thesis/project will chair the defense. You are expected to defend your thesis/project against questions and challenges from the FAC members. The FAC can then approve, with a majority vote, the thesis as is, approve the thesis with required changes, or not approve the thesis.

MASTER OF PUBLIC ADMINISTRATION

Shamina Ahmed, Ph.D., Program Director

I. INTRODUCTION

Program Description

The Master of Public Administration (MPA) is an applied 36-semester-hour degree designed to prepare students for careers in public management. The MPA program has six core courses, five elective courses, and a capstone class. Classes are small, permitting faculty to personalize instruction and allow students to develop interpersonal, technical, and quantitative skills necessary for competitive employment in the public and related sectors.

The program normally takes two years with students enrolling in six class hours per semester in the fall, spring and summer semesters. You can accelerate this pace by attending full-time (nine hours per semester), or you can slow that pace to three years by not enrolling in summer sessions. Note that all courses counting towards the MPA degree must be taken within six years of beginning the program.

Offered at night and on Saturdays, the program is suited for mature, career-oriented persons working in the public or non-profit sectors. The courses typically are taught in three-hour blocks and include a mix of lecture, seminar, small group, laboratory, and/or field work. Selected courses are offered in more non-traditional formats including independent research, Internet, and travel to local, national, or international sites. For more current information about the MPA program consult our website at mpa.nku.edu.

In addition to the MPA degree, the department offers a non-profit management (NPM) certificate program. The program is 12 semester hours consisting of three core classes and a selection of three one-credit workshops. For more current information about the NPM certificate consult our website at npm.nku.edu.

Office of the MPA Program

The MPA Program is located in FH 535. For more information call (859) 572-5326, e-mail mpa@nku.edu or visit our website at mpa.nku.edu/.

Program Mission

The MPA degree program provides managerial, communication, and human-relations skills in preparation for or advancement in a variety of public or related careers. The NKU MPA program includes both in-career students who work in the Cincinnati/Northern Kentucky metropolitan area and pre-career students from a variety of backgrounds and disciplines. We specialize in professional preparation for local government, criminal justice, and non-profit management careers. The NKU MPA features a balanced approach to theory and application as expressed in our program and course objectives and is the sole program in the Cincinnati metropolitan area.

Program Objectives

The MPA program's core objectives flow from the MPA mission and concern basic management, communications, and human-relations knowledge and skills. The MPA program objectives are:

1. **Basic management practical, applied skills including but not limited to**
 - a. Creating, managing, and developing human resource systems.
 - b. Designing organizational structures and practices suited to internal and external forces.
 - c. Developing and evaluating policy.
 - d. Understanding administrative law.
 - e. Creating and maintaining public information systems.
 - f. Nurturing an ethical work environment.
2. **Communication**
 - a. Writing in a variety of formats including but not limited to memoranda, executive summaries, policy/research reports, legal memoranda/briefs, and lengthy research papers.

- b. Presenting ideas in both formal and informal settings.
- c. Integrating graphical representation of data with appropriate statistical tests into both oral and written communications.
- d. Developing and maintaining computer skills relevant to public sector communications.

3. Human Relations

- a. Working in teams.
- b. Working with diverse personalities and cultures.
- c. Understanding interpersonal psychology and behavior at work.

The MPA program-wide objectives are accomplished primarily through the six core classes. Each MPA core course has additional learning objectives distributed in course syllabi and also found on the MPA website. The MPA capstone class provides a synthesis of MPA core objectives through projects, portfolio, and presentations.

The MPA elective experiences focus on more narrow learning objectives such as the management of specific entities (non-profit, local government, criminal justice) or the development of specialized skills (information systems, GIS, planning). Electives may also provide more in-depth treatment of broader themes (executive management, ethics, historical foundations) or offer classes in non-traditional formats (travel, Internet, independent study). MPA elective learning objectives are distributed in course syllabi.

Program Administration

While the MPA degree follows the academic rules established by the NKU Graduate Council (detailed previously in this catalog), there are also program-specific guidelines. To facilitate program-specific activities, the MPA is administered by the public administration program director. The MPA director, with the input and consultation of the MPA program faculty, makes program-specific requirement, curriculum, admission, enrollment, and graduation decisions. The MPA and NPM are housed in the Department of Political Science and Criminal Justice located in the College of Arts and Sciences at NKU.

II. ADMISSION

Program Admission Process

Students applying for admission into the MPA program are divided into two applicant categories: in-career and pre-career. In-career applicants are those who, in an evaluation by the MPA director have demonstrated five years of experience in the public or related sector. Some of that experience must be managerial in nature. Pre-career students are all other applicants. All students applying to the MPA program must provide the following six items:

1. A completed application-for-admission form.
2. Official transcripts showing all college/university coursework completed at both the undergraduate and graduate levels.
3. At least two supportive letters from persons qualified to evaluate potential for successful performance in the MPA program.
4. A narrative essay of 300 to 400 words stating academic and career goals, how the MPA program will enable attainment of those goals, and any additional information detailing relevant work experience.

AND

In-career students applying for admission to the MPA program must submit the following items:

5. A current résumé documenting five years of work experience in the public or related sector.
6. A portfolio of two to three work products (singular or team efforts) that demonstrate professional activities.

OR

Pre-career students applying for admission to the MPA program must submit the following items:

5. Official scores of the Graduate Record Examination general test. The GMAT or Miller Analogy can substitute for the GRE exams. The LSAT is not a suitable substitute.
6. A writing sample of 10 to 12 pages (either a work product or an academic paper) or official scores on the GRE writing test.

The MPA program conforms to the general rules of all graduate programs at NKU. Specifically, all successful admission candidates to the MPA program must

1. Possess a bachelor's degree from a regionally accredited college or university.
2. Hold a cumulative undergraduate GPA of 2.75 or higher (on a scale of 4.0) for all college work.
3. Demonstrate good potential for success in graduate professional study and public service.

An MPA alumni profile of admission materials demonstrated that the average student possessed a strong, well-written essay with clearly defined career goals, two quality letters of reference, undergraduate GPA and GRE scores that demonstrated the capability of strong graduate work. Applicants with strong potential who lack one admission item may be admitted provisionally for one semester only. Applicants demonstrating good potential but falling short of the MPA alumni profile may be admitted conditionally but typically must earn a GPA of 3.5 over the first 12 hours of coursework in the MPA program.

Transfer Credit

Successful applicants to the MPA program may transfer up to nine semester hours of appropriate, acceptable graduate coursework from other programs and/or institutions in which they must have earned a minimum grade of *B*. These courses must be deemed appropriate to the program of study at the time of admission into the program by the MPA program director.

Dual MPA Degree and NPM Certificate

Students completing the MPA program may also receive the Certificate in Nonprofit Management. To do so, students must complete a minimum of 39 hours of coursework. Students seeking both the MPA and NPM shall take three NPM core classes and use them as electives in the MPA program. However, to receive both the degree and the certificate, students must complete an additional three hours of NPM electives that will not count towards the MPA degree, raising the total for both to 39 hours. A separate application for the certificate program must be submitted to the Office of Graduate Programs.

Academic Standing

A GPA of at least 3.00 must be maintained for all 600-level coursework. A student with a GPA below 3.00 will not be permitted to advance beyond 18 semester hours in the program until the GPA is raised to at least 3.00 by repeating courses. A course may be repeated only once, and only two courses may be repeated. Only courses with a grade of *C* or below can be repeated; the repeat grade is used in the GPA determination. Students falling below 3.00 will be placed on probation; those failing to remove the probation by nine additional semester hours of coursework will be dropped from the program.

III. PROGRAM CURRICULUM

Prerequisites

Applicants for the MPA program are not required to have completed an undergraduate major in public administration; however, certain undergraduate courses and corresponding skills are needed for success in the program. Students are expected to have completed undergraduate courses in statistical analysis, probability, research methods, introduction to microcomputers, and public sector management. Minimum expectations of the knowledge and skills derived from the above courses include writing skills, computer skills, basic knowledge of public sector management, research concepts/techniques, statistical concepts, and statistical analysis of data. Equivalent work experience may be substituted for undergraduate coursework at the discretion of the MPA director. Work equivalencies for the above coursework or areas of knowledge and skills include experience in writing research or evaluation reports, working with

a PC office suite, employment in the public sector, experience with survey research, experience with research design or grant writing, and experience with univariate/bivariate statistics.

The MPA director will assess if students possess the prerequisite knowledge and skills through examination of application materials and, if deemed necessary, through interviews and/or examinations. If you meet the general program requirements but are deemed deficient in one or more knowledge/skill areas you will be placed in appropriate undergraduate courses or in PAD 594, Seminar in Public Affairs, which is taught in three 1-semester-hour modules. PAD 594 is a 1-3 semester-hour graduate course that does not count toward the required 36 semester hours for the master's degree. Modules of PAD 594 may be offered as a seminar or on a reading basis, depending on enrollment. Students will be assigned specific modules according to the type of deficiency: a) background in public administration/writing skills, b) research/statistics, and c) computer skills.

Core Courses (18 semester hours)

Core courses are designed to provide the substantive background of the basic management, communication and human relations skills stated in the MPA program objectives. All core courses are three semester hours and typically taught by MPA core faculty.

- PAD 601 Human Resource Management
- PAD 602 Organizational Behavior and Theory
- PAD 603 Public Policy Analysis
- PAD 611 Budgeting Techniques and Applications
- PAD 612 Administrative Law I
- PAD 615 Research Methods in Public Administration

Electives (15 semester hours)

Students choose any combination of electives in the MPA program to total 15 semester hours. These courses are taught by a mix of full-time faculty and experienced practitioners. Some of these courses are offered in non-traditional formats including laboratory, fieldwork, and practical project settings. Students may also use courses in other programs or disciplines, which have relevance in the public or nonprofit sector as electives, with prior approval from the director. For pre-career students, an Internship is strongly recommended. Students may repeat a topical or varying format elective as topics and formats vary, and PAD 699 is available for specified self-directed assignments; all require prior approval of the MPA director. All courses are three semester hours unless otherwise noted.

- PAD 620 Managing the Non-Profit Organizations
- PAD 621 Resource Acquisition & Management
- PAD 622 Volunteer Management
- PAD 623 Grants Writing (1 credit hour)
- PAD 624 Nonprofit Strategic Planning (1 credit hour)
- PAD 626 Nonprofit Program Evaluation (1 credit hour)
- PAD 627 Nonprofit Information Management (1 credit hour)
- PAD 628 Nonprofit Laws (1 credit hour)
- PAD 630 Administrative Ethics
- PAD 632 Executive Management
- PAD 635 Criminal Justice Administration
- PAD 640 Management of Public Information Systems
- PAD 650 Geographic Information System Skills
- PAD 651 Geographic Information System Applications (requires PAD 650)
- PAD 660 Planning and Community Development
- PAD 675 Local Government Management (taught as seminar or travel course)
- PAD 680 Comparative Government Administration
- PAD 681 Homeland Security
- PAD 685 Planning and Regulatory Management
- PAD 688 Historical Foundations of Public Administration (taught as full Internet as well as traditional format)

PAD 694	Topics: Public Administration (topics vary, 3 credits)
PAD 696	Internship: Public Administration (hours vary; strongly recommended for pre-career students)
PAD 699	Readings and Practica in Public Administration (requires director approval and hours may vary)

MPA Graduation Requirements (3 semester hours)

In addition to the required core and elective hours, all students must take the capstone course PAD 697. In this experience, students typically create an original analytical paper that demonstrates an understanding of the dimensions of the public administration profession. In addition, the student will demonstrate oral, written and presentation skills as well as develop employment strategies by participating in the case study experience.

NONPROFIT MANAGEMENT CERTIFICATE

Shamima Ahmed, Ph.D., NPM Program Director

I. INTRODUCTION

Program Description

The Master of Public Administration (MPA) program provides management preparation for the nonprofit sector. To better facilitate the specialized coursework needed in this area, a certificate in nonprofit management (NPM) is available for students already employed or interested in managing nonprofit organizations.

The NPM certificate is 12 semester hours and normally takes one year with students enrolling in a three-hour core class and a one-credit elective in each of the fall, spring, and summer semesters. Usually offered at night and on Saturdays, the program is suited for mature, career-oriented persons. The core courses are typically taught in three-hour blocks and include a mix of lecture, seminar, small group, laboratory, or field work. The one-credit electives are usually taught in intensive weekend formats over two Saturdays. For more current information about the NPM certificate consult our website at npm.nku.edu.

Office of the NPM

Offices of the NPM Program are located in FH 535. For more information please call (859) 572-5326, e-mail npm@nku.edu or visit our website at npm.nku.edu/.

Program Mission

NKU's Graduate Certificate in Nonprofit Management (NPM) provides students and practitioners with the knowledge, skills, and competencies to manage and lead nonprofit organizations. A 12-credit program, this graduate certificate includes three required courses (three credits each) plus three one-credit workshops to be selected by the student from a variety of offerings. The NPM certificate includes both in-career students who work in the Cincinnati metropolitan area and pre-career students and is the sole program in the Cincinnati metropolitan area.

Program Objectives

Current staff and leaders of nonprofit organizations, as well as students wishing to explore a future in this field can benefit from this program. Students who complete this certificate will

1. Understand the role of philanthropy and volunteerism within nonprofit organizations.
2. Understand the social and economic impact of philanthropy and volunteerism.
3. Be able to apply different managerial approaches within the nonprofit sector.
4. Understand the legal issues that impact the nonprofit sector and recognize when legal counsel is required.
5. Be able to acquire and manage resources for the nonprofit world.
6. Understand the relationships among government, business, and nonprofit agencies.

College of Business

I. INTRODUCTION

The College of Business offers three graduate degrees – the Master of Accountancy (MAcc), the Master of Business Administration (MBA), and the Master of Executive Leadership and Organizational Change.

Accreditation

The College of Business is accredited by AACSB International – the Association to Advance Collegiate Schools of Business, the official accrediting agency for business colleges, for its bachelor and graduate programs. Northern Kentucky University is accredited by the Southern Association of Colleges and Schools.

Office of the MBA Program

The MBA office is located in the College of Business, Business-Education-Psychology Center (BEP) 401. Program inquiries should be directed to MBA Program, College of Business, BEP 401, Northern Kentucky University, Nunn Drive, Highland Heights, KY 41099, or via electronic mail at mbusiness@nku.edu. Telephone: (859) 572-5165; fax: (859) 572-6177; website: mba.nku.edu.

II. ADMISSION

Admission Process

Students applying to a graduate program in the College of Business must submit

1. an application for graduate admission and the application fee.
2. an official copy of the Graduate Management Admission Test (GMAT) score report and, if applicable, an official copy of the Test of English as a Foreign Language (TOEFL) score report. Occasionally, upon recommendation of the MBA director, alternative credentials may be submitted for the GMAT score. Alternative credentials include but are not limited to a corresponding percentile score on the GRE completed within the last five years and presented on an official score report by the testing agency or a terminal degree successfully demonstrating both verbal and quantitative aptitude for graduate work (e.g., M.D. or Ph.D.).
3. official copies of transcripts of all undergraduate and graduate work. Submit completed applications to the Office of Graduate Programs, Northern Kentucky University, Nunn Drive, Highland Heights, KY 41099 by the following deadlines.

For domestic students:

Fall semester entry	1 August
Spring semester entry	1 December
Summer semester entry	
Full term and first seven weeks	1 May
Second seven weeks	1 June

For international students:

Fall semester entry	1 June
Spring semester entry	1 October
Summer semester entry	
Full term and first seven week	1 April
Second seven week	2 June

Applicants are eligible for admission if they have

1. a bachelor's degree from a regionally accredited institution and an undergraduate GPA of at least 2.5 on a 4.0 scale.
2. a score of at least 450 on the GMAT (taken within the last five years) and a score of at least 550 on the TOEFL (if applicable).

3. a total of at least 1,000 points based on the formula $200 \times$ the undergraduate GPA (4.0 scale) + GMAT score or a total of at least 1050 points based on the formula $200 \times$ the undergraduate GPA (4.0 scale) for the last 60 semester hours + GMAT score.
4. in addition, two years of work experience are strongly recommended. Requests for consideration of exceptions to these minimum standards must be made in writing to the graduate programs director

Graduate Unclassified Status (students not working toward a degree)

Enrollment in 600-level College of Business courses is normally restricted to students admitted to graduate business-degree programs. However, students in the graduate unclassified status may enroll in MBA Level 1 or Core courses providing 1) the Office of Graduate Programs has on file official copies of all their undergraduate and graduate transcripts; 2) they meet all stated prerequisites for the course(s) for which they wish to enroll; and 3) they have received written permission from the appropriate graduate director (MBA or MAcc). Students in the graduate unclassified status may take no more than eight hours of graduate business courses. Students enrolled through the graduate unclassified status are not eligible for student financial assistance or veteran's benefits. Unclassified status is not an option in The Master of Executive Leadership and Organizational Change.

Visiting Students

If you want to take a course from the College of Business for transfer to another university, you must submit a transcript from your home institution in addition to the other university requirements. Permission to enroll must be approved by the graduate programs director. All prerequisites must be met and an undergraduate transcript may be required.

III. ACADEMIC REQUIREMENTS

Transfer Credit

Transfer credit may be granted for up to nine semester hours. The credit must have been earned at a regionally accredited institution within the last five years with a grade of at least a *B*. The courses may be no older than six years at the time of graduation. The director of graduate programs in the College of Business must evaluate the courses as equivalent to NKU courses. Courses rejected by the director of graduate programs in the College of Business will not be transferred into the program. Credit earned by correspondence will not apply toward 600-level requirements in the program. No credit can be earned through work experience. Applications for transfer must be submitted to the director of graduate programs in the College of Business and must include title and edition of the texts used and detailed course descriptions or course syllabi.

Students or graduates wishing to transfer coursework from the Master of Accountancy degree program at NKU may be granted credit for up to 15 semester hours at the discretion of the assistant MBA director.

A student who wishes to take graduate courses elsewhere after being admitted to the MBA program must receive written approval from the MBA director before registering for the courses. The grades for these courses will be calculated into the GPA and are treated in the same manner as grades earned in NKU graduate courses.

Refer to academic requirements in the graduate studies section of this catalog for NKU transfer policies.

Academic Standing

A GPA of at least 3.00 must be maintained for all 600-level coursework. A student with a GPA below 3.00 will not be permitted to advance beyond 18 semester hours in the program until the GPA is raised to 3.00 by repeating courses. A course may be repeated only once, and only two courses may be repeated. Only courses in which a less-than-satisfactory grade was earned (i.e., *C* or *F*) may be repeated; the repeat grade will be used to compute the GPA. Students must file an Option to Repeat form in the Registration Service Center for any repeated courses. If a student's graduate GPA falls

below 3.00, he/she will be placed on probation. Any student whose graduate GPA has remained below 3.00 for three consecutive semesters will be dropped from the program.

MASTER OF ACCOUNTANCY (MAcc)

Leslie Turner, D.B.A., Chair

Bob Salyer, M.S., C.P.A., Program Director

I. PURPOSE

The Master of Accountancy (MAcc) degree program supports the mission of Northern Kentucky University to educate “students to be productive citizens, to prepare them for success in careers and occupations....” There are three tracks within the MAcc degree program. The Professional track is intended to allow those with an undergraduate accounting degree to meet the requirement that candidates for the certified public accountant examination have 150 semester hours including a bachelor’s degree. Students with an undergraduate accounting degree enter this track. The second track is the Tax track. This track is intended to allow those with an undergraduate accounting degree to choose a specialty in tax by completing tax elective courses and to meet the requirement that candidates for the certified public accountant examination have 150 semester hours including a bachelor’s degree. In addition, students who do not have an undergraduate degree in accounting but who have completed two introductory accounting courses, six semester hours of intermediate accounting, and three semester hours of tax may enter either the professional track or the tax track. The third track is the Accounting Practice and Reporting track. This track meets the needs of students who do not have an undergraduate degree in accounting but who wish to pursue a career in accounting. Students who enter this track must have completed an introductory financial accounting course and an introductory managerial accounting course at a regionally accredited institution. The Department of Accountancy also offers a post baccalaureate certificate in Advanced Taxation. Students who pursue this certificate must have an undergraduate degree in accounting, or have completed the equivalent of six semester hours of Intermediate Accounting and three semester hours of tax.

II. PROGRAM REQUIREMENTS

Additional Admission Requirements

To be considered for admission to the MAcc program, applicants must meet all requirements for admission to a College of Business program (detailed above). All academic requirements of the College of Business program related to transfer credit and academic standing (see above under College of Business main section in the graduate section of this catalog) are enforced for the MAcc program. Students who are enrolled in or have completed the MBA at NKU and choose to pursue a MAcc may transfer up to 12 semester hours completed under the MBA to degree requirements of the MAcc. The following MBA courses may be transferred toward the MAcc

MGT 612 Managing People and Organizations

MBA core courses (see Business Administration section)

Professional Track Program Requirements

The Professional Track program is a 30-semester-hour program composed of 21 semester hours of required courses and 9 semester hours of electives. To enter this track, students must have completed two introductory accounting courses, a tax course, and the equivalent of six semester hours of Intermediate Accounting. The required courses are:

ACC 602 Advanced Financial Accounting

ACC 603 Consolidations and Partnerships

ACC 620 Tax Research and Practice

ACC 640 Advanced Auditing

BUS 632 CPA Law

- MSIS 682 Information Security and Control or MGT 612 Managing People and Organizations
 ACC 697 Advanced Accounting Theory (This capstone course must be taken in the last semester, or within nine credit hours of graduation)

Three electives may be selected from graduate courses for which the admitted MAcc student meets the prerequisites.

Tax Track Program Requirements

The Tax Track program is a 30-semester-hour program composed of 21 semester hours of required courses and 9 semester hours of graduate tax electives. To enter this track, students must have completed two introductory accounting courses, a tax course, and the equivalent of six semester hours of Intermediate Accounting. The required courses are:

- ACC 602 Advanced Financial Accounting
 ACC 603 Consolidations and Partnerships
 ACC 620 Tax Research and Practice
 ACC 640 Advanced Auditing
 BUS 632 CPA Law
 MSIS 682 Information Security and Control or MGT 612 Managing People and Organizations
 ACC 697 Advanced Accounting Theory (This capstone course must be taken in the last semester, or within nine credit hours of graduation)

Three electives may be selected from the following graduate tax courses.

- ACC 630 Federal Taxation of Corporations
 ACC 632 Tax Accounting Methods
 ACC 634 Taxation of Partnerships and Pass Through Entities
 ACC 636 State Taxation
 ACC 638 Advanced Individual Taxation

Accounting Practice and Reporting Track Program Requirements

The Accounting Practice and Reporting Track program is a 30-semester-hour program composed of 21 semester hours of required courses and 9 semester hours of electives. To enter this track, students must have completed two introductory accounting courses. The required courses are:

- ACC 520 Income Tax Planning
 ACC 600 Financial Accounting and Reporting
 ACC 602 Advanced Financial Accounting
 ACC 625 Accounting for Management
 BUS 610 Law and Public Policy
 ACC 530 Accounting for Nonprofit Institutions
 ACC 697 Advanced Accounting Theory (This capstone course must be taken in the last semester, or within nine credit hours of graduation)

Three electives may be selected from graduate courses for which the admitted MAcc student meets the prerequisites.

Graduate certificate in Advanced Taxation

Core Course

- ACC 620 Tax Research and Practice

Three electives may be selected from the following graduate tax courses.

- ACC 630 Federal Taxation of Corporations
 ACC 632 Tax Accounting Methods
 ACC 634 Taxation of Partnerships and Pass Through Entities
 ACC 636 State Taxation
 ACC 638 Advanced Individual Taxation

MASTER OF BUSINESS ADMINISTRATION (MBA)

Greg Farfsing, Ph.D., Program Director

I. PURPOSE

The Master of Business Administration (MBA) is a general degree designed to equip its graduates for managerial success in all types of organizations. Class sizes are small, so the program is able to emphasize communication and interpersonal skills as well as conceptual and technical skills critical to managerial careers. The MBA is intended primarily to meet the needs of people living and working in the northern Kentucky/greater Cincinnati region wishing to pursue the degree on a part-time basis. Approximately 20 percent of MBA students pursue full-time study. The program's courses are offered at night and occasionally on Saturdays.

II. PROGRAM REQUIREMENTS

Skills Courses Many students entering the MBA program do not have the necessary undergraduate background for advanced coursework in business. Courses that prepare students for graduate-level coursework are referred to as "Skills" courses. Considering undergraduate transcripts and consulting with the student, the MBA director will determine the Skills courses that need to be taken. To facilitate speedy evaluation of Skills equivalencies, students may be asked to submit undergraduate catalog course descriptions and/or course syllabi in addition to their undergraduate transcripts. Requirements that are not satisfied may be fulfilled by taking Skills courses. Skills courses are specifically designed graduate courses that are two hours each and are offered in eight-week sessions. The MBA director may require completion of Skills courses if the undergraduate equivalents are older than eight years or if grades of less than *C* were earned.

Skills Courses (2 semester hours each)

ACC 605	Introduction to Financial Accounting
FIN 605	Fundamentals of Finance
IFS 605	Managerial Decision Analysis
BUS 605	Legal Environment

MBA Program Overview

The MBA (exclusive of Skills courses) is a 42-semester-hour degree, as follows:

1. Integrative

ECO 610	Business and the Changing Global Environment
MGT 620	Leadership and Ethics
MGT 685	Business Strategy, Implementation, and Control

2. Core Courses

MGT 612	Managing People & Organizations
ACC 625	Accounting for Management
ECO 625	Managerial Economics
FIN 625	Financial Management
IFS 625	Information Systems in Organizations
MGT 625	Operations Management and Decision Analysis
MKT 625	Marketing Management
SPE 603	Business Communications

Note: those with an undergraduate degree in business may omit the core course in their business major subject with the approval of the MBA director.

3. Areas of Specialization (9 semester hours)

The following areas of specialization are available:

a. Business Administration

Completion of any three graduate business electives

b. *Entrepreneurship*

Completion of three courses selected from the following:

ENTP 640	Entrepreneurship and Innovations - Required.....	3
and		
ENTP 670	Managing Growth and Entrepreneurship in Organizations.....	3
ENTP 680	Corporate Entrepreneurship	3
ENTP 696	Field Experience: Entrepreneurial Studies.....	3

c. *Finance*

Completion of three courses selected from the following:

FIN 630	Investments and Security Analysis	3
FIN 640	Derivative Securities	3
FIN 650	Financial Marketings and Institutions	3
FIN 660	International Finance.....	3

d. *Industrial Psychology/Human Resources Management*

Completion of three courses selected from the following:

PSY 620	Job Analysis and Staffing – Required	3
PSY 635	Selection and Performance Appraisal	3
PSY 640	Training and Development.....	3
PSY 645	Organizational Consulting.....	3
PSY 694	Special Topics.....	1-3

e. *Information Systems*

This specialization may be completed by taking any three of the MSIS core or elective courses

f. *International Business*

Completion of three courses selected from the following:

FIN 660	International Finance.....	3
MGT 660	International Management.....	3
MKT 660	International Marketing.....	3
LAW 934	International Law (Chase College of Law).....	3
LAW 971	International Business Transactions (Chase College of Law)	3

g. *Marketing*

Completion of three courses selected from the following:

MKT 630	Customer Behavior and Marketing Communication.....	3
MKT 640	Services Marketing.....	3
MKT 650	Marketing Strategy and Planning.....	3
MKT 660	International Marketing.....	3
MKT 694	Topics: Marketing	3

h. *Project Management*

Completion of the following three courses:

MGT 630	Essentials of Project Management	3
MGT 640	Total Quality Management.....	3
MGT 650	Project Management Implementation	3

JURIS DOCTOR/MASTER OF BUSINESS ADMINISTRATION

I. INTRODUCTION

The JD/MBA is an attractive alternative for individuals wishing to practice law and/or business in an increasingly dynamic and complex environment. It is designed to augment the knowledge of students who seek to expand their expertise in the business arena. Courses in Chase College of Law will serve as electives for the MBA degree, and MBA courses will serve as electives for the J.D. degree. Accordingly, the number of semester hours required to obtain the joint degree is fewer than the number required if each degree is pursued independently.

II. ADMISSION

A. Admission Process and Requirements

1. New Students

Applicants for the JD/MBA degree program must apply to and meet the separate admission requirements for each college.

The College of Law accepts an entering class only in fall semester. The College of Law operates a dual-division program, which accommodates both full-time and part-time students. The College of Business accepts students in summer, fall and spring terms. Applicants may apply for admission as either full-time students or part-time students in both sections of the program.

The law school application form must be obtained from and submitted to Admissions Office, Salmon P. Chase College of Law, Northern Kentucky University, Nunn Drive, Highland Heights, Kentucky 41099. The number for the Chase Admissions office is (859) 572-5490. Applications must be received by the College of Law no later than March 1 of the year in which the applicant hopes to enter. A separate application form must be submitted to the College of Business.

Applicants must apply for and take the Law School Admission Test (LSAT) administered by the Law School Admission Council, Box 2000, 661 Penn Street, Newton, PA 18940-0998. The test is normally given in October, December, February, and June at testing centers in the United States and in some foreign countries. All arrangements to take the LSAT must be made with the Law School Admission Council no later than December of the year immediately preceding that of planned entry into the College of Law.

To be considered for admission to the MBA program, an applicant must have 1) a bachelor's degree from a regionally accredited institution and an undergraduate GPA of at least 2.5 (4.0 scale); 2) a score of at least 450 on the Graduate Management Admission Test (taken within the last five years) and a score of at least 550 on the Test of English as a Foreign Language (if applicable). Applicants must also satisfy the admission formula (see MBA section of this catalog). Two years of work experience are strongly encouraged. For application deadline dates and a more complete description of the MBA admission materials and criteria, see the separate information on the MBA program at mba.nku.edu.

For a more complete description of the law school admission process, see the College of Law catalog. Additional information is available from: Chase Admissions Office, (859) 572-5490, and the Law School Admissions Council, (215) 968-1001.

2. Currently Enrolled Students

Students currently enrolled in either the MBA or J.D. program may elect to pursue the joint degree if they comply with the admission requirements of each program. Students enrolled in the joint program will be eligible for membership in student organizations and fraternities of each college as well as for law review, moot court, and clinical programs offered by each.

B. Transfer Credit

Normally no more than 30 semester hours of law courses may be transferable toward the J.D. degree; no credit will be transferred for any course where a grade of less than *C* (2.0 on a 4.0 scale) was received. Students wishing to transfer credit must have been in good standing at an American Bar Association-approved law school. All credit transferred will be with the grade of "credit." For guidelines regarding MBA transfer credit, refer to separate information on the MBA program. For University transfer policies, refer to the graduate catalog.

C. Academic Standing

The following requirements apply to students entering Chase beginning in the fall se-

mester of 2001. These program requirements do not apply to students already enrolled in the joint degree program.

A student entering the joint JD/MBA program is required to complete 108 semester-credit hours, consisting of 78 hours in the College of Law and at least 30 hours in the College of Business. If the same student were to complete each degree separately, he or she would be required to take 90 credit hours in law and at least 39 in business. Thus, at least theoretically, the joint degree program allows the student to take 12 fewer law credit hours and nine fewer business credit hours and to complete the joint degree program as much as a year earlier. Students failing in one college but meeting passing requirements in the other college and desiring to complete their degree there will be allowed to do so as long as they continue to maintain a passing average. Students who do not complete the joint program, however, will be required to meet the regular degree requirements that were in effect when they entered the joint program.

III. CURRICULUM

A. Business

Some students entering the MBA program do not have the necessary undergraduate background for advanced coursework in business. Courses that prepare students for graduate-level coursework are referred to as “Skills” courses. Based upon undergraduate transcripts and in consultation with the student, the MBA director will determine for each entering student which Skills courses must be taken. These courses are specifically designed graduate courses that in general combine the contents of two or more undergraduate business courses. The MBA director may require completion of Skills courses if the undergraduate equivalents are older than eight years or if less than C grades were earned.

1. *Skills Courses (8 hours)*

ACC 605	Introduction to Financial Accounting
FIN 605	Fundamentals of Finance
IFS 605	Managerial Decision Analysis
BUS 605	Legal Environment

2. *Integrative*

ECO 610	Business and the Changing Global Environment
MGT 620	Leadership and Ethics
MGT 685	Business Strategy, Implementation, and Control

3. *Core Courses*

MGT 612	Managing People & Organizations
ACC 625	Accounting for Management
ECO 625	Managerial Economics
FIN 625	Financial Management
IFS 625	Information Systems in Organizations
MGT 625	Operations Management and Decision Analysis
MKT 625	Marketing Management
SPE 603	Business Communications

Note: those with an undergraduate degree in business may omit the core course in their business major subject with the approval of the MBA director.

4. *Elective Courses*

The law courses fulfill the nine semester hours of business electives

B. Law

1. *Required courses for joint degree (62 hours)*

LAW 801	Basic Legal Skills Research.....	2
LAW 802	Basic Legal Skills Writing.....	3
LAW 803	Civil Procedure I.....	3

LAW 805	Civil Procedure II.....	3
LAW 809	Constitutional Law I.....	3
LAW 811	Constitutional Law II.....	3
LAW 813	Contracts I.....	3
LAW 815	Contracts II.....	3
LAW 817	Corporations.....	4
LAW 819	Criminal Law	3
LAW 823	Evidence.....	4
LAW 825	Tax-Basic Income Tax Concepts.....	3
LAW 827	Introduction to Legal Studies.....	1
LAW 829	Basic Legal Skills I.....	3
LAW 833	Professional Responsibility.....	3
LAW 835	Property I.....	3
LAW 837	Property II.....	3
LAW 838	Sales and Secured Transactions.....	3
<i>or</i>		
LAW 840	Payment Systems.....	3
LAW 841	Torts I.....	3
LAW 843	Torts II	3
LAW 905	Agency, Partnerships and LLCs	3
LAW 928	Federal Taxation II.....	3

2. *Elective courses (16 hours)*

The additional 16 hours needed to fulfill the total 78 law school hours will be taken from other courses offered by the College of Law, all as elective hours in the joint degree program – whether those courses are offered as core courses or as elective courses in the regular law curriculum.

Note: The core curriculum will not apply to students in the joint degree program.

3. *Advanced writing requirements*

Students in the joint degree program shall fulfill both parts of the Advanced Writing requirement.

Additional Information

Students enrolled in the joint degree program are advised to take these courses as they are available: anti-trust law, close corporations, securities regulation, and white collar crime. While not always offered, these courses are important courses.

To facilitate passing the bar examination, students in the joint degree program should be encouraged to take MBA courses first. Law classes should be taken thereafter to have those classes more clearly in the student’s memory when the bar examination is taken.

No more than six hours of credit from courses listed in the “12-Hour Rule” will apply to the 78 hours needed to fulfill the law hours in the joint degree program.

Students in the joint degree program shall maintain at least a 2.5 cumulative grade point average after their first 30 hours of law study and thereafter. Students who do not achieve this GPA would be dealt with in the usual academic standing procedures, modified only for the 2.5 GPA requirements. If a student ultimately fails to meet the GPA requirement but is otherwise in good standing in the College of Law, that student could continue in the regular J.D. program and be required to meet all of its GPA and other requirements, including the structured curriculum and core curriculum requirements. That student could also remain in the regular MBA program provided that the student otherwise met the MBA requirements; the decision of whether the student remained in the MBA program would be made in the College of Business.

COURSE DESCRIPTIONS

Descriptions of MBA courses may be found in this catalog; J.D. course descriptions may be found in the College of Law catalog.

MASTER OF SCIENCE IN EXECUTIVE LEADERSHIP AND ORGANIZATIONAL CHANGE

Kenneth S. Rhee, Ph.D., Program Director

I. INTRODUCTION

Purpose

The Master of Science in Executive Leadership and Organizational Change (ELOC) program focuses on leadership and organizational change as the key components of effective management. Today’s leaders face great challenges dealing with complex and changing environments, and the program helps develop leadership competencies to help leaders and managers transform their organizations to ensure current and future success.

Office of the ELOC Program

The ELOC office is located in the College of Business, Business-Education-Psychology Center (BEP) 475. Program inquiries should be directed to ELOC Program, College of Business, BEP 475, Northern Kentucky University, Nunn Drive, Highland Heights, KY 41099. Telephone: (859) 572-6310; fax (859) 572-5150; e-mail: eloc@nku.edu; website: <http://cob.nku.edu/ELOC/>.

II. PROGRAM REQUIREMENTS

The program seeks to admit qualified students who have either full-time professional or managerial job experience. There will be no GMAT or GRE requirement. Each application will be independently reviewed by three full-time faculty members before granting admission.

Admission Requirements

Students applying to the ELOC program must submit

1. an application for graduate admission and the application fee.
2. a personal statement and a professional career objective essay will be required from each applicant.
3. three letters of recommendation, one of which could be a letter of nomination or support from student’s current organization, will be required.
4. official copies of transcripts of all undergraduate and graduate work. Submit completed applications to the Office of Graduate Programs, Northern Kentucky University, Nunn Drive, Highland Heights, KY 41099 by August 1st.

Applicants are eligible for admission if they have

1. a bachelor’s degree from a regionally accredited institution and an undergraduate GPA of at least 2.5 on a 4.0 scale.
2. a minimum 3 years of professional or managerial work experience (e.g., experienced managers with decision-making authority, small or family business owners, management consultants, human resources or technical professionals).
3. international students need to demonstrate their English proficiency by scoring 600 or above in TOEFL.

III. ACADEMIC REQUIREMENTS

All students will attend a two-year cohort that begins in the Fall Semester.

First Year Curriculum

Fall

ELOC 610 Leadership Assessment and Development	3
ELOC 615 Teams and Conflict Management	3

54 NORTHERN KENTUCKY UNIVERSITY

Spring

ELOC 620 Field Research Method3
ELOC 625 Creating High Performing Organizations3

Summer

ELOC 660 First-Year Public Engagement Practicum3

Second Year Curriculum

Fall

ELOC 630 Organization Strategy Development and Systems Thinking3
ELOC 635 Managing Organizational Change.....3

Spring

ELOC 640 Organizational Consultation.....3
ELOC 645 Integrating Organizational Change and Leadership.....3

Summer

ELOC 665 Graduation Field Research Project.....3

IV. GRADUATION REQUIREMENTS

Students must complete all program requirements to be eligible for graduation. The Graduation Field Research Project offers students the opportunity to integrate theory and coursework with practice. Students must complete the project, and submit a written report. All projects must be approved by Dr. Kenneth S. Rhee, ELOC Program Director.

College of Informatics

MASTER OF ARTS IN COMMUNICATION

Cady Short-Thompson Ph. D., Program Director

I. INTRODUCTION

The program's focus is applied, professional, organizational or corporate communication, designed for and especially appropriate for students seeking a terminal degree for various professions (some students may decide to pursue doctoral education in communication after completing the MA in Communication). The Master of Arts in Communication offers graduate students the opportunity to apply theory and research in various ways, which may include analyzing and evaluating the impact of communication on society, engaging in basic and applied research, developing and conducting persuasive campaigns, preparing for teaching at the college level, preparing for additional graduate research/education, creating media and communication programming, planning and carrying out communication audits, evaluating various forms of discourse, and developing the ability to manage the communication function in organizations.

The program is designed for students who want to develop an advanced understanding of communication theories and applications and want to do so through an intensive educational experience in small and highly participative classes and in one-to-one work with faculty members. The Master's program in Communication is accessible and conveniently scheduled for full-time professionals in the metropolitan region as well as full-time graduate students.

Graduates of the program may choose to further their graduate education, apply their research, enhance their professional development in organizations, or teach basic communication in post-secondary institutions.

II. OFFICE OF THE MASTER OF ARTS IN COMMUNICATION PROGRAM

The MA in Communication Program is administered by the Department of Communication, located in Landrum Academic Center 134. For additional information, visit www.nku.edu/~communicate/ma/ or call Dr. Cady Short-Thompson, MA in Communication director, at 859-572-6614. E-mail inquiries may be sent to shortthomp@nku.edu. Once admitted to the program, graduate students must be advised by the Graduate Program Director and register for classes.

III. ADMISSION REQUIREMENTS

In order to be considered for regular admission to the M.A. in Communication program, you will need:

1. An application for admission to Northern Kentucky University.
2. A bachelor's degree at a regionally accredited institution with a grade-point average (GPA) of at least 3.00 or higher on a 4.0 scale.
3. Previous graduate work with a grade-point average (GPA) of at least 3.00 or higher on a 4.0 scale.
4. Official transcripts for all undergraduate and graduate work.
5. Submission of scores from the general test of the Graduate Record Exam (GRE).
6. A 500-word statement of interest explaining why you seek to earn a Master's in Communication at Northern Kentucky University.
7. Three letters of recommendation (specifically explaining your academic preparation and potential for success in graduate study). The letters should be addressed to Dr. Cady Short-Thompson and should be sent by the person recommending you directly to Northern Kentucky University, Office of Graduate Programs, AC 302, Nunn Drive, Highland Heights, KY 41099.

IV. APPLICATION PROCESS

Once all parts are submitted to the Office of Graduate Programs, your file will be forwarded to the Communication Graduate Program Director and reviewed. The Priority deadline for receipt of materials is February 1; however, applications will be reviewed on a rolling basis until the annual class of 30 students is complete. Students interested in attending graduate school full-time (3-4 courses per term) may apply for a graduate assistantship which includes tuition remission and a stipend for 20 hours of work per week. Applications are available at <http://gradschool.nku.edu>. Graduate assistants will be selected on a competitive basis.

IV. CURRICULUM

A. Theory/Method (both courses required)

- COM 601 Theories of Communication
- COM 602 Methods of Communication Research

B. Electives (6-8 courses)*

- JOU 510 Advising High School Publications
- SPE 603 Business Communication
- COM 604 Organizational Communication
- COM 610 Digital Media
- COM 620 Interpersonal Communication
- COM 621 Communication Pedagogy
- COM 622 Family Communication
- COM 630 Communication Ethics
- COM 631 Communication Law
- COM 640 Persuasion
- COM 650 Rhetorical Criticism
- COM 670 International Media Systems
- COM 671 Media Literacy and Criticism
- COM 675 Public Relations
- COM 692 Directed Research in Communication (3 hours, may be repeated once)
- COM 694 Special Topics in Communication (may be repeated once)
- COM 695 Experimental Courses in Communication
- COM 696 Graduate Internship in Communication (may not be combined with 691 or 697, limit of 6 hours)

*Students will elect 8 courses from B. above if electing the non-thesis, non-project option; Students will elect 6 courses from B. above if electing the thesis or project option.

**NOTE: This list of electives will expand as faculty members create new courses, new faculty members arrive, and student interests develop. Look for varying content and topics in the COM 694 and COM 695 courses.

C. Capstone Experience

- COM 691 Thesis (6 hours)
- or
- COM 697 Non-Thesis Project (6 hours)
- or
- Comprehensive Examinations (non-thesis, non-project students)

TOTAL NUMBER OF HOURS..... 30 minimum

V. PROGRAM REQUIREMENTS

1. Satisfy degree requirements—required courses, a successfully completed capstone experience, and a minimum of 30 semester hours with a GPA of at least 3.00.
2. No more than six hours of *C* grades.

MASTER OF SCIENCE IN COMPUTER SCIENCE

Gary Newell, Ph.D., Chair
Richard Fox, Ph.D., Program Director

I. INTRODUCTION

Purpose

The purpose of the Master of Science in Computer Science (MSCS) program is to educate professionals to bring a high level of creativity, skill, knowledge, and judgment to bear on the increasingly demanding problems of software design. The curriculum is a combination of:

- studies of the enduring principles of computer science.
- critical examination of the ideas behind new trends in software technology.
- workshops addressing issues of programming practice.

The MSCS program is aimed at those who wish to update and deepen their expertise in the craft and science of software development or who wish to study the current state of computer science at an advanced level. The program is designed for part-time students attending classes in the evening and on weekends.

Office of the MSCS Program

The MSCS program is administered by the College of Informatics, located in AST 206. For additional information visit mscs.nku.edu or call Dr. Richard Fox, MSCS director, at (859) 572-5334.

II. ADMISSION

Regular Admission

Applicants are eligible for regular admission if they have completed

1. a bachelor's degree at a regionally accredited institution.
2. an undergraduate grade-point average (GPA) of at least 3.0 on a 4.0 scale in all computer science and mathematics courses.
3. the general portion of the Graduate Record Examination (GRE) general test.
4. at least four semesters of undergraduate coursework in computer science, including intermediate computer programming and data structures.
5. one year of calculus and a course in discrete mathematics.

These requirements are specific to the MSCS program. Potential applicants should also consult the General Section of this catalog for University-wide requirements for graduate admission.

Conditional Admission

Applicants with a bachelor's degree who have a GPA below 3.00 but above 2.6 or whose previous coursework in computer science requires updating may be admitted in conditional status. These students will be required to complete the Intermediate Programming Workshop (CSC 501) in their first semester.

Applicants who do not have an adequate background in Computer Science (including one year of calculus and a course in discrete mathematics) may also be admitted conditionally and will be required to complete a set of prescribed courses including CSC 501.

Application Process

Submit your application and direct all transcripts and GRE score reports to Northern Kentucky

University, Office of Graduate Programs, Nunn Drive, Highland Heights, KY 41099. Deadlines for receipt of materials are: August 1 for fall semester, December 1 for spring semester, and May 1 for summer session. All applicants with transcripts from outside the U.S. must have those transcripts evaluated course by course by an approved foreign education evaluation service. These must be submitted along with original or certified copies of the transcripts.

III. ACADEMIC REQUIREMENTS

Overview

To earn the Master of Science in Computer Science, students are required to complete

1. an intermediate core consisting of five courses (with the possibility of placement out of certain courses).
2. an advanced core consisting of four courses.
3. five elective courses, at least three of which are at the advanced (600) level.

These courses will include some that typically involve semester-long team projects and at least one that is offered in a workshop format. Graduate courses are graded *A*, *B*, *C* and *F*.

Intermediate Core Courses

The following five courses are required. Intermediate core courses *may* be waived for students who have taken equivalent courses recently at either the undergraduate or graduate level.

CSC 502	Advanced Programming Methods	3
CSC 540	Software Engineering	4
CSC 560	Operating Systems	3
CSC 564	Design and Analysis of Algorithms.....	3
CSC 585	Theory of Computation.....	3

Advanced Core Courses

The following four courses are all required.

CSC 601	Advanced Programming Workshop	3
CSC 640	Advanced Software Engineering	3
CSC 660	Advanced Operating Systems	3
CSC 685	Logic and Computation	3

Elective Courses

A student must take at least 15 credit hours of CSC electives from the following list, including at least nine credit hours at the 600 level. Students who have had all five intermediate core courses waived must complete a minimum of 18 hours of electives

CSC 507	Concepts of Programming Languages	3
CSC 510	Compiler Construction	3
CSC 525	Artificial Intelligence	3
CSC 533	Computer Networks	3
CSC 550	Database Management Systems	3
CSC 562	Computer Architecture	3
CSC 580	Computer Graphics	3
CSC 582	Computer Security	3
CSC 593	Research Seminar: Computer Science.....	1-3
CSC 594	Topics: Computer Science	3
CSC 599	Intermediate Directed Study	1-3
CSC 625	Advanced Artificial Intelligence	3
CSC 633	Advanced Computer Networks	3
CSC 645	Software Interface Design and Human Factors	3
CSC 650	Advanced Database Systems	3
CSC 666	Secure Software Engineering.....	3

CSC 670	Social Implications of Computing	3
CSC 680	Advanced Computer Graphics	3
CSC 682	Cryptography and Computer Security	3
CSC 691	Thesis Direction	1-6
CSC 694	Graduate Topics: Computer Science	3
CSC 699	Directed Readings / Independent Study	1-3

Students electing the thesis option (see below) may replace two 600-level courses with their six hours of master's thesis work (CSC 691).

No more than six combined hours of CSC 599 and CSC 699 may be counted toward the degree.

Transfer Credit

Students may transfer up to nine semester hours of appropriate, acceptable graduate coursework from other regionally accredited institutions. A student must have earned a minimum grade of *B* in such courses. These courses must be deemed appropriate to the student's program of study at the time of admission into the program by the department chair on the advice of the director. Transfer of graduate credit must be completed before students earn 12 semester hours at NKU.

Academic Standing

A GPA of at least 3.00 must be maintained for all courses taken in the program. At most two *C* grades can be counted toward the degree. A course may be repeated only once, and only two courses may be repeated. Only courses with a grade of *C* or below can be repeated; only the repeat grade is used in GPA determination. Students whose GPA falls below 3.00 will be placed on probation; those remaining on probation for more than nine semester hours of coursework will be dropped from the program.

IV. THESIS OPTION

Overview

The thesis option in the Master of Science in Computer Science degree program exists for students who wish to explore an area of contemporary computer science or software engineering in depth and conduct original research in that area. A thesis is not required for an MS degree, and it is assumed that students who choose this path have especially strong aptitude and motivation. It is recommended that students who may continue their graduate education at the doctoral level pursue the thesis option.

Content

A master's thesis will generally involve a) original formulation of research hypotheses supported by computational modeling and simulation and/or mathematical arguments, or b) construction of a software product of significant originality and complexity. In all cases, MS thesis work will require a review of recent pertinent research literature and, if applicable, existing software solutions. Although joint projects may be undertaken for thesis work, the responsibility of each thesis author in the project must be clearly delineated.

Committee

Each student initiates the thesis option by making contact with one graduate faculty member in computer science who will serve as principal thesis advisor and thesis committee chair. The advisor and the student will assemble a thesis committee consisting of at least two additional faculty members. One of these two committee members must come from outside the College of Informatics.

Proposal

The student must submit a formal thesis proposal to the prospective thesis committee. This is a document approximately six pages in length describing the work proposed and providing preliminary references to the literature. This proposal must be approved by each member of the thesis committee as well as the MSCS program director. Thesis proposals will not be approved until the student has completed at least six hours of 600-level coursework in computer science with a GPA of at least 3.5. Once the proposal is approved, the student may register for CSC 691 *Thesis Direction*.

Thesis Credit

The amount of work required for an MS thesis is roughly equivalent to six hours of 600-level coursework in computer science. Accordingly, thesis students are required to register for CSC 691 (*Thesis Direction*) for a total of 6 credit hours. Typically this will be spread over two semesters. A letter grade (*A,B,C,F*) will be awarded once the thesis is successfully defended (see below). During this period it is expected the student will remain in regular contact with the thesis advisor and consult periodically with the other committee members. All additional graduate credit must be in regular coursework; no credits of CSC 699 may count toward MSCS requirements.

Format

The format for the thesis must conform to the requirements of the NKU Office of Graduate Programs.

Defense

Successful completion of an MS thesis requires a public “defense,” a presentation of the results of the thesis to the committee and an audience of faculty and students. The student and the thesis advisor must make arrangements for a place and time that are generally accessible to the University community. Notification of time and place of a public defense must be provided to the MSCS program director at least three weeks in advance of the defense.

Completion

The thesis is regarded as complete when each member of the thesis committee certifies that both the public defense and production of the thesis manuscript are concluded satisfactorily. Submission dates and procedures for the manuscript must follow the timeline given by the NKU Office of Graduate Programs. In particular, there is a time limit of one year from the time a student first registers for CSC 691 to the time the thesis must be completed.

CERTIFICATE IN SECURE SOFTWARE ENGINEERING

Richard Fox, Ph.D., Program Director

I. INTRODUCTION

Purpose

The goal of the Secure Software Engineering (SSE) program is to give software developers advanced knowledge of principles and best practices in the incorporation of security throughout the software development lifecycle. The thousands of software vulnerabilities reported each year indicate that many organizations are not well positioned to integrate security into the development process. This certificate program aims to directly tackle this problem.

II. ADMISSION

Regular Admission

Applicants are eligible for regular admission if they have completed

- 1 a bachelor’s degree at a regionally accredited institution.
- 2 a bachelor’s degree in computer science, software engineering, or related experience.
- 3 an undergraduate grade-point average (GPA) of at least a 3.0 on a 4.0 scale in all computer science courses.

Admission will be granted to students who have a bachelor’s degree in Computer Science or closely related field, or have had at least two years of industry experience as a software developer.

Students without the proper background may still be admitted conditionally and/or proscribed a series of additional computer science courses before or while taking coursework towards the graduate certificate. Additional information regarding graduate certificates can be found in this catalog under Certificate Guidelines. Admission questions should be directed to the MSCS program director, Dr. Richard Fox at (859) 572-5334 or foxr@nku.edu.

III ACADEMIC REQUIREMENTS

Completion of the SSE certificate requires satisfactory completion of the following four courses:

- CSC 582 Computer Security
- CSC 601 Advanced Programming Workshop
- CSC 640 Advanced Software Engineering
- CSC 666 Secure Software Engineering

Depending on your background, you may need to enroll in some prerequisite courses before beginning this certificate, such as CSC 502 and CSC 540. Contact Dr. Richard Fox, MSCS director regarding questions about the prerequisite courses. Dr. Fox can be reached at (859) 572-5334 or foxr@nku.edu.

Students seeking to complete or have completed the MSCS degree can obtain the secure software engineering certificate by taking the additional classes CSC 582 and CSC 666.

MASTER OF SCIENCE IN INFORMATION SYSTEMS (MSIS)

William Benjamin Martz, Ph.D, Chair and Program Director

I. INTRODUCTION

Purpose

The Master of Science in Information Systems (MSIS) offers a challenging, state-of-the-art education to prepare those who participate or intend to participate at an advanced level in the dynamic field of information technology. The program offers practical, hands-on experience and theoretical discussions of current and future trends in developing applications and managing corporate information systems. The program is built on the premise that an information systems manager must be able to:

1. understand the current information technologies.
2. evaluate and adapt new technologies in relation to business needs.
3. comprehend the organizational setting in which these technologies must be implemented.
4. manage information systems as an organizational resource by making critical IS-related decisions and by recruiting and retaining quality information systems personnel.

The innovative curriculum is based on five eight-week terms per calendar year offering full-time or part-time study. Full-time students can complete the accelerated program in one year.

Office of the MSIS Program

The MSIS Program is in the College of Informatics located in the AST 206. For more information call (859) 572-6366, e-mail msis@nku.edu or visit our website at msis.nku.edu/.

II. REQUIREMENTS

Additional Admission Requirements

1. A total score of at least 450 on the GMAT or a combined score of 1,000 on the Graduate Record Examination (GRE).
2. An admissions formula total of at least
 - 1,000 points based on the formula (200 x GPA on 4.0 scale) + GMAT or
 - 1,050 points based on the formula (200 x GPA on 4.0 scale for the last 60 semester hours)
 - +
 - GMAT or
 - 1,500 points based on the formula (200 x GPA on 4.0 scale) + GRE
3. Current résumé.

Program Requirements

Foundation Courses

Foundation courses are required for those students admitted to the program with a limited

business or programming educational background. The requirement of these courses can be met based on undergraduate/graduate (transcribed) coursework completed.

Foundation courses include:

ACC	605	Introduction to Financial Accounting	2
FIN	605	Fundamentals of Finance	2
MKT	625	Marketing Management	3
MSIS	605	Information Systems Development Software	3

MSIS Program Outline

The MSIS is a 30-semester-hour degree composed of two groups of courses, core and electives (offering four areas of specialization):

Core Courses (21 hours)

MSIS	625	Information Systems in Organizations
MSIS	630	Systems Analysis and Design
MSIS	635	Database Management Systems
MSIS	640	Data Communication
MSIS	645	Electronic Commerce
MSIS	650	Information Technology Project Management
MSIS	685	Corporate IS Management (Capstone)

III. SPECIALIZATION ELECTIVE COURSES (9 hours)

Information Technology Management Specialization (3 courses)

MSIS	665	Knowledge Management and Decision Support Systems
MSIS	675	Enterprise Workflow Design and Reengineering
MSIS	680	Global Information Technology & Systems
MSIS	682	Information Security and Controls

Information Systems Development Specialization

MSIS	655	Advanced Business Application Programming
MSIS	660	Data Warehousing & Data Mining
MSIS	670	Object-oriented Software Engineering

Information Technology Audit Specialization

MSIS	682	Information Security and Controls
ACC	625	Accounting for Management
ACC	640	Advanced Auditing

Information Technology Entrepreneurship Specialization (3 courses)

MSIS	675	Enterprise Workflow Design and Reengineering (required)
ENTP	640	Entrepreneurship and Innovation (required)
ENTP	670	Managing Growth and Entrepreneurship in Organizations
ENTP	696	Field Experience: Entrepreneurial Studies

Other Electives

MSIS	692	Information Systems Research
MSIS	694	Topics on Information Systems

(A Special Topics course may be substituted in an applicable specialization area.)

No Specialization Desired: Student may choose any three MSIS elective courses.

Master of Science in Information Systems (MSIS) COURSE OF STUDY “B” (*Bridge Program*)

The purpose of the MSIS Course of Study “B” is to provide an alternate entry path into the program for applicants who have earned a three-year bachelor degree (i.e. Bachelor of Commerce) from India or other educational system equivalent (average 90-95 U.S. semester credits). The bridge courses listed below cover course material typically not included in this type of degree. The foundation, core, and elective courses listed below are the same as the regular MSIS program course of study. All applicants must meet current MSIS program GPA and GMAT/GRE admission standards prior to beginning any coursework.

This course of study requires the completion of 24 graduate hours (through 14 bridge hours and 10 foundation hours of coursework), which is equivalent to 30 undergraduate semester hours to constitute the fourth year of undergraduate work⁽¹⁾. Bridge students will not be allowed to enroll in MSIS core and elective courses until they have satisfactorily completed the bridge and MSIS foundation courses specified by the MSIS program director.

An exception to this rule will be where a student has relevant transcript coursework beyond the three-year undergraduate degree that has been evaluated and qualifies for transfer credit (with a course GPA of 3.00 or greater). The student may then simultaneously complete the remaining bridge and foundation hours and begin MSIS core coursework if approved by the MSIS program director.

Each student admitted into the MSIS Course of Study “B” must satisfy all MSIS Foundation course requirements either by relevant transfer credit or by NKU coursework. Students transferring courses to meet bridge requirements must complete the remaining courses needed (as specified by the MSIS program director) from the bridge courses listed below to satisfy the computed 120 total-earned-semester-hours requirement.

I. BRIDGE COURSES (*14 hours*)

(Substitute through previous relevant transcript coursework as evaluated and approved by the MSIS program director)

SPE	603	Business Communications
PHI	510	Ethics in Information Technology
ECO	610	Business and the Changing Global Environment
MGT	612	Managing People and Organizations
PSY	550	Organizational Psychology
ECO	625	Managerial Economics
IFS	605	Managerial Decision Analysis (2 hrs)
BUS	605	Legal Environment (2 hrs)

II. FOUNDATION COURSES

(Substitute through previous relevant transcript coursework) (10 hours)

ACC	605	Introduction to Financial Accounting (2 hrs)
FIN	605	Fundamentals of Finance (2 hrs)
MKT	625	Marketing Management
MSIS	605	Information Systems Development Software

¹ Undergraduate + Bridge + Foundation Course total-hours-earned ratio should equal/exceed 120 hours

III. MSIS CORE COURSES (21 hours – required)

- MSIS 625 Information Systems in Organizations
- MSIS 630 Systems Analysis and Design
- MSIS 635 Database Management Systems
- MSIS 640 Data Communications
- MSIS 645 Electronic Commerce
- MSIS 650 Information Technology Project Management
- MSIS 685 Corporate IS Management (Capstone)

IV. SPECIALIZATION ELECTIVE COURSES (9 Hours – Required)

Information Technology Management Specialization (3 courses)

- MSIS 665 Knowledge Management and Decision Support Systems
- MSIS 675 Enterprise Workflow Design and Reengineering
- MSIS 680 Global Information Technology & Systems
- MSIS 682 Information Security and Controls

Information Systems Development Specialization

- MSIS 655 Advanced Business Application Programming
- MSIS 660 Data Warehousing & Data Mining
- MSIS 670 Object-oriented Software Engineering

Information Technology Audit Specialization

- MSIS 682 Information Security and Controls
- ACC 625 Accounting for Management
- ACC 640 Advanced Auditing

Information Technology Entrepreneurship Specialization (3 courses)

- MSIS 675 Enterprise Workflow Design and Reengineering (required)
- ENTP 640 Entrepreneurship and Innovation (required)
- ENTP 670 Managing Growth and Entrepreneurship in Organizations
- ENTP 696 Field Experience: Entrepreneurial Studies

Other Electives

- MSIS 692 Information Systems Research
- MSIS 694 Topics on Information Systems

(A Special Topics course may be substituted in an applicable specialization area)

No Specialization Desired: Student may choose any three MSIS elective courses.

CERTIFICATE IN CORPORATE INFORMATION SECURITY

I. INTRODUCTION

The Certificate in Corporate Information Security is an interdisciplinary program. Coverage includes inspection and protection of information assets, risk analysis, controls and management, threat detection and reaction, incident handling procedures, technical and managerial responses and an overview of the information security planning and staffing functions. The Internet has opened many opportunities for organizations; however, it has also facilitated new and growing threats to corporate information assets. Internally, employee actions either deliberate or through negligence can now cause more damage in a networked environment than ever before. In addition, corporate information handling procedures are

now under much greater scrutiny by regulatory bodies especially in the medical and financial sectors. This has been fueled by such laws as Sarbanes-Oxley, HIPAA and Gramm-Leach-Bliley. Therefore, corporate information security professionals require a wide range of knowledge and skills such as the need to know the laws and regulations governing privacy, to identify and assess information risks and vulnerabilities, to implement cost effective controls to mitigate these risks, to know how to apply policies and procedures that protect information assets, and to evaluate and deploy technologies that defend information assets from attack.

The program requires 15 hours of coursework selected from information systems, computer science, public administration, and accountancy. There are two options within the program: one is for those in the accountancy area (the Assurance Track) and the second is for those in the information technology area (the Applied Technology Track). Only applicants who have an accounting background will be allowed to enroll in the Assurance Track. Only applicants with experience in information technology will be allowed to enroll in the Applied Technology Track.

Purpose

This program helps prepare students to successfully complete various professional certification examinations, including the CISSP (Certified Information Systems Security Professional); CISA (Certified Information Security Auditor); or, the CISM (Certified Information Security Manager). The certificate program provides the in-depth and up-to-date knowledge to perform a variety of roles as an information security professional within an organization.

II. ADMISSION

Regular Admission

Applicants are eligible for regular admission if they have completed all university admission requirements and prerequisites.

III. ACADEMIC REQUIREMENTS

Completion of the CIS certificate requires satisfactory completion of the following courses:

Required courses (4 courses)

MSIS 625 Information Systems in Organizations

MSIS 682 Information Security and Controls

CSC 582 Computer Security

MSIS 640 Data Communications and Networking or CIT 570 Operating System Technology

Electives (select one)

ACC 640 Advanced Auditing (for Assurance Track)

CSC 584/MAT 584 Cryptology (for Applied Technology Track)

College of Education and Human Services

Paul Wirtz, Ph.D., Associate Dean and Director of Graduate Studies
Business, Education, and Psychology 206

I. INTRODUCTION

Purpose

The faculty of the College of Education and Human Services is committed to providing graduate programs for certified teachers and for candidates seeking initial certification that set a standard of excellence in the professional development of teachers. Programs are also available for community counseling and educational leadership. The Master of Arts in Education and the non-degree fifth-year program are designed specifically for certified teachers and seek 1) to provide learning experiences that will improve the professional performance of classroom teachers, 2) to enable teachers to extend their certification as required by the Kentucky Education Professional Standards Board, and 3) enable teachers to upgrade their certification to Rank II.

The Rank I program is designed to be a logical professional step beyond Rank II in that it continues to build the knowledge and skills of teachers in their current positions while it also attempts to give direction and assistance toward meeting the long-term professional career goals of teachers.

All graduate candidates must demonstrate progress toward meeting the Kentucky Experienced Teacher Standards for Preparation, the Interdisciplinary Early Childhood Education Standards, the Interstate School Leaders Licensure Consortium (ISLLC) Standards, and Council for Accreditation of Counseling and Related Education (CACREP). The Experienced Teacher Standards identify what effective experienced teachers know and do, while the ISLLC Standards identify additional competencies for instructional leaders. CACREP Standards contain the list of competencies school counselors must demonstrate. Teacher candidates in the graduate programs must demonstrate professional leadership knowledge of content, ability to design and plan instruction, ability to create and maintain effective learning climates, ability to implement and manage instruction, ability to assess and communicate learning results, ability to reflect and evaluation teaching/learning, collaboration with colleagues, parents, and others, engagement in professional development, and the ability to implement technology. Graduate candidates seeking initial certification must demonstrate progress toward meeting Kentucky New Teacher Standards as well as demonstrating competencies with a professional portfolio.

Accreditation and Membership

Northern Kentucky University is accredited by the National Council for the Accreditation of Teacher Education and the Southern Association of Colleges and Schools and is authorized by the Kentucky Education Professional Standards Board to offer Rank II and Rank I programs. The University holds membership in the American Association of Colleges for Teacher Education, Teacher Education Council of State Colleges and Universities, the World Council for Curriculum and Instruction.

The Teacher Education Committee

The Teacher Education Committee (TEC) is the official body to establish the policies for admission, retention, and exit of all candidates in teacher education as approved by the Kentucky Department of Education. The TEC approves or disapproves of all curriculum changes. Its deliberations, in the case of graduate education programs, proceed to the University Graduate Council.

The Office of Graduate Studies in Education

Graduate Studies in Education is established as a unit of NKU's College of Education and Human Services. The director of graduate studies in education works closely with the dean of education and human services. In consultation with the associate provost, the director is responsible for administering and ensuring compliance with regulations of the Graduate Council. The Office of Graduate Studies in Education is responsible for assigning academic advisors, for informing candidates of academic requirements, for monitoring candidates' progress throughout their course of studies to program completion,

for developing and evaluating curriculum in conjunction with the Graduate Council, and for coordinating course scheduling (including off-campus classes). This office receives candidate appeals and presents them to the Graduate Council. The office can be reached at (859) 572-5237; fax (859) 572-6623.

All candidates enrolled in graduate programs in education should check their e-mail on a regular basis to obtain updated information regarding the teacher-education program.

II. ACADEMIC REQUIREMENTS

Program Offerings

Master of Arts candidates who enter under this application intend to complete the admissions and degree requirements for the Master of Arts in Education.

Fifth-Year Program candidates who enter under this application intend to complete the admissions and program requirements for the non-degree, fifth-year program in education or are awaiting documentation to enter the master's program.

Candidates already enrolled who wish to change from the master's program to the fifth-year program or the fifth-year to the master's program must reapply in the Graduate Admissions Office.

Rank I Program candidates who enter under this application intend to complete the admissions and program requirements for the non-degree Rank I program in education.

Master of Arts in Teaching candidates who enter under this application intend to complete the admissions and program requirements for the Master of Arts in Teaching.

Master of Arts in School Counseling candidates who enter under this application intend to complete the admissions and degree requirements for the Master of Arts in School Counseling unless otherwise noted.

Master of Science in Community Counseling candidates who enter under this application intend to complete the admissions and degree requirements for the Master of Arts in Community Counseling.

Alternative Certification in Special Education candidates who enter under this application intend to complete admission and program requirements for P-12 Special Education Certification.

Visiting/Transient Students

Candidates enrolled in a graduate program at another regionally accredited institution may be admitted to NKU as transient graduate students. The graduate dean of that institution must, however, first submit a statement of approval to the NKU Office of Graduate Programs in lieu of the usual admissions documentation. This statement is to be made on a Visiting Student Application. The general graduate application should also be completed. The application forms are available from the Office of Graduate Programs or on their website, gradschool.nku.edu.

Course Numbering

Courses numbered 500-599 are open to upper-division undergraduates who have completed at least 54 undergraduate semester hours and to graduate students. Courses numbered 600-699 are open to graduate students only.

Transfer Credit (Education) – Additional to those in the general section of this catalog

(This section does not apply to MAT applicants. Please refer to the MAT section for additional information.)

The credits to be transferred into a graduate education degree or other graduate program must be in accordance with the following additional guidelines:

1. Graduate credit earned at another institution to achieve initial certification as a teacher will not apply toward a graduate program at NKU.
2. The minimum GPA requirement for graduate work in the same or related discipline is a 3.00 on a 4.0 scale.
3. Candidates who wish to take a course at another institution after applying to NKU must obtain written permission from their advisor. This is documented on a Visiting Student form available in the Office of Graduate Programs.

The decision regarding transfer credits and the applicability to specific components of a student's course of study will be made by the Director of Graduate Studies in consultation with the candidate's advisor. Courses appropriate for transfer into the professional core in the master's and fifth-year programs and the area of specialization of the Rank I program are the prerogative of the Director of Graduate Studies. Courses applicable to the content area and the elective area are the prerogative of the advisor.

Academic Advising

Once candidates are accepted to the master's, fifth-year, Rank I, MAT, or Alternative Certification in Special Education programs at the University, they are assigned academic advisors through program coordinators or the Office of Graduate Studies in Education. Because of the complexity of the programs at the graduate level, candidates are expected to maintain close consultation with their advisors. It is the responsibility of the candidates to confer with their advisors and to take the courses needed to complete their coursework.

Candidates should be advised to follow their prescribed course of study and to check with the Office of Graduate Studies in Education or their advisors before they schedule classes not listed on the appropriate course of study.

Teacher Certification

Teachers holding regular teaching certificates who have an approved four-year college degree or the equivalent are classified as Rank III by the Education Professional Standards Board. Applicants for admission to graduate education programs at NKU must be certified at the Rank III level or above or have a statement of eligibility to be admitted to the program. Teaching certificates from out of state must be equivalent to those required for admission to the graduate studies programs.

Rank II status is granted to teachers holding a teaching certification who either have a master's degree in a subject field approved by the Education Professional Standards Board or equivalent preparation. NKU offers three programs leading to Rank II status: 1) the Master of Arts in Education, 2) the planned, non-degree Fifth-Year program, 3) the Master of Arts in Teaching, and 4) Master of Arts in School Counseling.

The Education Professional Standards Board will grant Rank I classification to teachers holding regular teaching certificates who have either a master's degree in a subject field approved by the Education Professional Standards Board or equivalent preparation and who, in addition, have earned 30 semester hours of approved graduate work or its equivalent. NKU's Rank I program is approved by the Education Professional Standards Board as an appropriate planned program for achievement of a Rank I classification.

Since the Fifth-Year, Master of Arts, Rank I and Master of Arts in Teaching programs are planned programs, attainment of appropriate ranking will result only through an institutional recommendation. It is the responsibility of the candidate to notify the Kentucky Office of Teacher Certification upon completion of the program by submitting appropriate forms. Candidates planning to finish the Fifth-Year program, Master of Arts in Education, Rank I Program, or Master of Arts in Teaching must complete the necessary forms for certification according to the following time schedule:

Completion	Deadline
Spring semester	October 8
Summer	April 8
Fall semester	April 8

These forms, which may be obtained from the Office of Graduate Studies in Education, are sent as recommendations through the Office of Teacher Education and Certification after the candidate's course of study has been certified by the advisor and the Office of Graduate Studies in Education.

NKU master's programs in elementary, middle, and secondary education are approved curricula for the renewal of Kentucky teaching certificates. Therefore, in most cases, candidates completing the master's program will be recommended for the appropriate teaching certificate in addition to the Rank II classification.

Candidates completing a reading and writing, instructional leadership, gifted education, interdisciplinary early childhood education, or learning and behavior disorders program must contact the

Office of Teacher Certification early to ensure submission of appropriate forms through the Division of Teacher Education and Certification.

Because these programs have detailed admission standards and prerequisites, candidates enrolling for one of the programs should work closely with the Office of Graduate Studies in Education, and the graduate advisor throughout the program.

Additional policies related to certification

1. *Reading Endorsement*: To obtain this endorsement you must have 12 semester hours including Language and Literacy (EDG 632), Analysis of Reading Problems and Related Disorders (EDG 637), Correction of Reading Problems and Related Disorders (EDG 639), and one additional course selected from Reading in the Primary Grades (EDG 634), Reading in the Middle Grades (EDG 636), or Research and the Improvement of Classroom Reading Instruction; nine semester hours or reading coursework must have been completed at NKU within the last eight years prior to certification; master's degree or completion of an approved program at the graduate level; and three years of successful teaching experience.
2. *Administrative Certification*: The statement of eligibility for the provisional certificate for instructional leadership requires 21 hours of coursework chosen from those courses specified as Level I, successful completion of the Kentucky Specialty Test of Instructional and Administrative Practices, successful completion of the School Leaders Licensure Assessment and three years of full-time teaching experience.

Completion of a Graduate Program

1. Application for Graduation

Candidates enrolled in the Master of Arts in Teaching, the Master of Arts in Education, the Master of Arts in School Counseling and Master of Science in Community Counseling must complete an Application for Master's Degree Candidacy and file it in the Office of the Registrar. Rank 1 and Fifth Year must complete an Application for Certificate Candidacy with the Office of Graduate Programs. Filing for Master's Degree Candidacy or Certificate Candidacy must be done on or before the deadlines below:

Graduation	Deadline
Spring	October 8
Summer	April 8
Fall	April 8

Candidates who fail to meet the deadlines for applying for graduation or for applying for a change in teacher certification must submit a written letter of appeal to the director of graduate studies in education, with a copy to the registrar.

2. Application for Change in Teacher Certification

Candidates enrolled in a master's, fifth-year, Rank I or Alternative Certification in Special Education program should file the appropriate application form with the Office of Graduate Studies in Education on or before the following deadlines:

Graduation	Deadline
Spring	October 8
Summer	April 8
Fall	April 8

Candidates should also notify the Office of Graduate Studies in Education (859) 572-5237.

ACADEMIC PROGRAMS

MASTER OF ARTS IN EDUCATION

I. PURPOSE

The Master of Arts in Education is a degree-certificate-renewal-program designed to improve the professional competency of teachers in their area of initial certification or to extend the scope of professional competency to some other area. It requires 30 semester hours of graduate-level coursework earned beyond the bachelor's degree and initial teacher certification. The program is consistent with the Experienced Teacher Standards established by the Kentucky Education Professional Standards Board, the National Board for Professional Teaching Standards and/or standards adopted by the Education Professional Standards Board for a professional education specialty.

II. ADMISSION REQUIREMENTS

Regular Admission

You are eligible for regular admission if you have:

1. Completed a bachelor's degree at a regionally accredited institution and achieved an undergraduate grade point average (GPA) of at least 2.5 on a 4.0 scale or a GPA of at least 2.5 over the last 60 semester hours of undergraduate study. Official transcripts must be sent directly to the Office of Graduate Programs by the college or university attended.
2. Completed the verbal and quantitative parts of the general portion of the Graduate Record Exam (GRE). Information on the GRE may be obtained from the Health, Counseling, and Testing Center, University Center 300: (859) 572-6373 or from www.ets.org.
3. Achieved a score of at least 1,300 when the GPA (the higher of the two mentioned above) and the verbal and quantitative scores of the GRE are computed in the following formula: $(\text{GPA} \times 200) + \text{GRE} = 1,300$. (Note: The Master of Arts in Instructional Leadership requires a minimum score of 900 on the verbal and quantitative sections of the GRE—see the special section on this option for other specific requirements.)
4. Earned a Kentucky Teaching Certificate (or the out-of-state equivalent) or hold a letter of eligibility from the Kentucky Department of Education. A copy of the teaching certificate must be submitted to the Office of Graduate Programs at the time of application. If you have been issued a letter by the Kentucky Department of Education to update the status of the teaching certificate, this documentation must be included with the certificate.
5. Submitted three letters of recommendation from professionals in education attesting to your potential for success.

Transference to Master of Arts in Education Program

Under certain conditions a student enrolled in the non-degree Fifth-Year Program may apply for admission to the master's program. Two such transfers from one program to another are allowed.

III. GENERAL PROGRAM REQUIREMENTS

- a. A minimum of 30 semester hours completed with a GPA of at least 3.00.
- b. At least 15 semester hours in courses numbered 600 and above (courses open only to graduate students).
- c. EDG 600 Educational Research within the first nine semester hours of graduate study.
- d. No more than nine semester hours in independent study and special courses (e.g., KET, CCSB).
- e. Submission of a successful professional portfolio.

Elementary Education Curriculum (30 semester hours)**Professional Core (15 semester hours)**

EDG 600 Applied Research (required; must be taken in first nine semester hours of graduate study).....	3
EDG 601 Cultural and Learning Diversity.....	3
EDG 618 Advanced Curriculum Studies	3
EDG 619 Advanced Curriculum Field Experience	1
EDG 630 Language and Learning Across the Curriculum.....	3
EDG 604 Orientation to Graduate Programs in Education (required within the first 6 semester hours).....	0
EDG 694 Graduate Seminar (must be taken with the last 6 hours).....	2

Content Area (12 semester hours)

For those desiring the degree of Master of Arts in Education, the 12 semester hours for the content area are designed to strengthen those subject areas mandates in the early elementary program of studies or to enable the candidate to complete a specialization.

1. General curriculum (12 semester hours)

Candidates choosing the general curriculum content area must complete 12 hours of elementary subject area content. Candidates should verify the appropriateness of the course with the Office of Graduate Studies in Education before enrolling.

2. Gifted education (12 semester hours)

Required courses

- EDG 621 Introduction to Gifted Education
- EDG 623 Teaching Creative and Higher Level Thinking
- EDG 625 School Programs for Gifted Students
- EDG 627 Seminar and Field Experiences in Gifted Education

Other requirements for certification

- a. Master's degree or completion of an approved program of preparation at the graduate level.
- b. One year of successful teaching experience.

3. Reading and writing endorsement (12 semester hours)

EDG 630 Language and Learning Across the Curriculum

Required courses

- EDG 632 Language and Literacy
- EDG 637 Analysis of Reading and Related Disorders
- EDG 639 Correction of Reading Problems and Related Disorders

One of the following courses

- EDG 634 Reading Instruction in the Primary Grades
- EDG 636 Reading Instruction in the Middle Grades
- EDG 638 Research and the Improvement of Classroom Instruction in Reading

Other requirements for certification

- a. Nine semester hours of reading completed at NKU within eight years prior to certification.
- b. Master's degree or completion of an approved program of preparation at the graduate level.
- c. Three years of successful full-time teaching experience.

4. Special education emphasis

- a. For those not certified in LBD: 12 semester hours (additional hours would be required to complete special education certification) selected from the following:

- EDS 561 Mental and Orthopedic Disabilities
- EDS 562 Early Childhood Special Education Programs
- EDS 570 Working with Families of Students with Disabilities
- EDS 572 Secondary Special Education Programs

- EDS 588 Professional Laboratory Experiences
- EDG 660 Learning and Behavior Disorders
- EDG 662 Educational Assessment of Learning and Behavior Disorders
- EDG 663 Behavior Analysis Procedures for Students with Exceptionalities
- EDG 664 Procedures and Materials for Remediating Learning and Behavior Disorders
- EDG 667 Collaboration and Inclusive Practices

b. For those certified in LBD:

- EDG 621 Introduction to Gifted Education
 - EDG 637 Analysis of Reading Problems and Related Disorders
 - EDG 658 Assessment Techniques for P-12 Math
 - EDG 699 Selected Problems in Education (with approval)
- Courses from the above (4a) list that do not duplicate prior coursework

5. Interdisciplinary early childhood education

This is an option designed to assist teachers with an existing elementary or special education teaching certificate to achieve the IECE certificate.

- EDS 562 Early Childhood Special Education Programs, or an equivalent course or experience, is a prerequisite to EDU 564, 566, and 568.

Required courses

- EDU 564 Collaboration in Early Childhood Education
- EDU 566 Assessment in Early Childhood Education
- EDU 568 Administration and Supervision in Early Childhood Education
- EDG 652 Early Childhood Development and Education

6. Interdisciplinary early childhood education proficiency evaluation

This is an option designed to assist experienced early childhood educators to earn possible waivers based upon experience and training.

- EDU 305 Introduction to Education (2)/or EDMT 610
- EDU 550 Methods in Teaching Early Childhood Education
- EDU 564 Collaboration in Early Childhood
- EDU 566 Assessment in Early Childhood Education
- EDU 599 Proficiency Evaluation in Early Childhood B-5 Teaching
- EDS 562 Early Childhood Special Education Programs
- EDS 570 Working with Families of Students with Disabilities
- EDS 588 Professional Laboratory Experience
- EDG 652 Early Childhood Development and Education
- EDG 666 Introduction to Education of Students with Exceptionalities

7. Mathematics and science option education for middle or secondary teachers

12 semester hours selected from the following. Three semester hours as follows: three semester hour general elective area totaling three hours selected from the list of EDU/EDG courses below: also requires that the 12 semester-hour content area be courses in Mathematics, Biology, Chemistry, Physics, Astronomy, or and/or Geology with the approval of advisor and/or course instructor. The 12-semester hour content area must be completed in the certification area(s) or with prior approval of advisor.

- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 646 Teaching Environmental Education
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

8. Mathematics and science option education for elementary teachers

12 semester hours selected from the following. 12 semester hours as an optional Content/Specialization, selected from the list of EDU/EDG courses below and/or from courses in

Mathematics, Biology, Chemistry, Physics, Astronomy, or Geology with the approval of advisor and/or course instructor.

- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 646 Teaching Environmental Education
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

9. Mathematics and science option education rank I certification

12 semester hours selected from the following. 12 semester hours as an option Professional Core Area, selected from the list of EDU/EDG courses below and/or from courses in Mathematics, Biology, Chemistry, Physics, Astronomy, or Geology with the approval of advisor and/or course instructor. For middle grades and secondary certified candidates, the 12-semester hour content area must be completed in the certification area(s) or with prior approval of advisor.

- EDU 546 Teaching Environmental Education
- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

10. English as a second language endorsement P-12 (17 semester hours)

- ENG 531 English Grammar for Teachers of ESOL..... 2
- ENG 541 Linguistics for Teachers of ESOL..... 2
- ESL 602 Testing and Evaluation in Second Language Learning..... 2
- ESL 603 Methods/Materials: Writing and Grammar 3
- ESL 604 Methods/Materials: Listening, Speaking and Pronunciation 3
- ESL 605 Second Language Acquisition for Classroom Teachers..... 3
- ESL 606 Content-Based Instruction and Materials..... 2

Other requirements for certification

- a. Successful completion of MA or other graduate education program (if appropriate).
- b. Successful completion of a Professional Portfolio.
- c. A minimum of 3.0 GPA at completion of the program.
- d. Successful passing score on the PRAXIS II examination for ESL P-12 certification endorsement.

11. Environmental Education endorsement P-12 (12 semester hours)

Twelve (12) semester hours with advisor’s prior approval and in accordance with the environmental education endorsements to meet the NAAEE Guidelines for the Initial Preparation of Environmental Educators Standards. These courses will be taken as the Content/Specialization of the MA and Fifth-year programs, and the Professional Area of the Rank-I program.

The following two courses are required:

(Three semester hours each)

- EDU 546 Teaching Environmental Education
- EDG 645 Fundamentals of Environmental Education

Choose one of the following:

- EDG 644/BIO 644 Water Quality Education
- EDG 693 Selected Topics in Education (1-3 sem. hrs.)
- BIO 694 Topics: Biological Sciences (1-3 sem. hrs.)

Choose one of the following:

ENV 578 Environmental Issues for Educators

EDG 693 Selected Topics in Education (1-3 sem. hrs.)

BIO 694 Topics: Biological Sciences (1-3 sem. hrs.)

12. Instruction Computer Technology (16 semester hours)

Required entry course:

(All courses are three semester hours unless noted.)

EDG 602 Technology in Education

Teachers may elect to take one course in each of three strands in any order:

Instructional Design Strand

TTE 620 Instructional Technology

MST 640 Technical Training and Development

EDG 603 Selected Topics in Technology in Education*

Distance Learning and Web Concepts Strand

TTE 641 Distance Learning Design and Methodology

EDG 603 Selected Topics in Technology in Education*

Technical Component Strand

EDG 603 Selected Topics in Technology in Education*

CIT 520 Managing Computer Systems

Required exit course:

TTE 692 Independent Research: Technology Teaching (field component)

* *EDG 603 may be taken when the topic fits the specified strand with advisor approval.*

Middle and Secondary Education Curriculum (30 Semester Hours)

Professional Core (15 semester hours)

EDG 600 Applied Research

(required, must be taken within the first nine semester hours of graduate study)

EDG 601 Cultural and Learning Diversity

EDG 618 Advanced Curriculum Studies

EDG 619 Advanced Curriculum Field Experience

EDG 630 Language and Literacy Across the Curriculum

EDG 604 Orientation to Graduate Programs in Education

(required within the first six semester hours, 0 sem. hrs.)

EDG 694 Graduate Seminar (must be taken within the last six hours) (2 sem. hrs.)

Content Area (12 semester hours)

1. Twelve hours of coursework in the area(s) of candidate's initial area of certification. All content coursework must be approved by the office of Graduate Studies in Education.
2. Twelve semester hours of coursework chosen in an area of initial certification of specialization, such as gifted education, reading and writing.

MASTER OF ARTS IN INSTRUCTIONAL LEADERSHIP

Rosa Weaver, Ed.D., Program Coordinator

I. ADMISSION REQUIREMENTS

1. Completion of a bachelor's degree at an accredited institution and achievement of an undergraduate grade-point average (GPA) of at least 2.5 on a 4.0 scale or a GPA of at least 2.5 over the last 60 hours of undergraduate study (official transcripts required).
2. A teaching certificate (a statement of eligibility is not acceptable for entrance into this program.).

3. Graduate Record Examination (GRE) verbal and quantitative scores totaling a minimum of 900.
4. Three letters of recommendation from educational associates attesting to the candidate's potential for success as a school leader. (Note: One of these letters must be from the candidate's current building administrator.)
5. One year of teaching must be completed before candidates enroll in the program. Three years of teaching must be completed before a recommendation for Level One certification will be made to the Kentucky Department of Education (a letter of validation must be received from the superintendent of the school district(s) in which the candidate has been employed).
6. An interview and a written essay will be required for admission.

II. COURSE REQUIREMENTS

Level One Course Sequence (21 semester hours)

(All courses are three semester hours unless noted.)

- EDA 601 Introduction to School Leadership and Administration
- EDG 604 Orientation to Graduate Programs in Education
(required within the first six semester hours) (0 sem. hrs.)
- EDA 610 School Leadership Practicum
- EDG 618 Advanced Curriculum Studies
- EDA 624 Technology and Best Practices for School Improvement
- EDA 628 School Law and Ethics
- EDA 631 Leadership for School Program Collaboration
- EDA 669 Leadership for School Problem Solving

Level Two Course Sequence (12 semester hours)

- EDA 627 School Finance and Support Services
- EDA 634 Leadership for Human Resources Development in Schools
- EDA 646 Leadership for School Community Relations
- EDA 650 Leadership for School Program Improvement

III. EXIT REQUIREMENTS

1. Satisfy general degree requirements.
2. Complete all coursework listed above.
3. Submit a satisfactory professional portfolio that meets the ISLLC Standards.
4. Complete appropriate testing as required by the Kentucky Department of Education. This includes completing the School Leaders Licensure Assessment with a minimum score of 155 and the Kentucky Specialty Test with a minimum score of 85% before Level One certification for Principal is awarded.

MASTER OF ARTS IN SCHOOL COUNSELING

Rochelle Dunn, Ph.D., Program Coordinator

I. PURPOSE

The Master of Arts in Education in School Counseling is a degree certificate renewal program designed to prepare school counselors. The program provides the required coursework and experiences for initial or provisional certification. It requires 33 semester hours of graduate-level coursework earned beyond the bachelor's degree and initial teacher preparation. The program is consistent with the Experienced School Counselor Standards established by the Kentucky Education Professional Standards Board and/or with standards adopted by the CACREP for school counselors.

Standard certification is available as a post-bachelors or Rank I program.

II. ADMISSION REQUIREMENTS

Applicants are eligible for regular admission if they have:

1. Completed a bachelor's degree at a regionally accredited institution and achieved an undergraduate grade point average (GPA) of at least 2.5 on a 4.0 scale or a GPA of at least 2.5 over the last 60 semester hours of undergraduate study. Official transcripts must be sent directly to the Office of Graduate Programs by the college or university attended.
2. Completed the verbal and quantitative parts of the general portion of the Graduate Record Examination (GRE). Information on the GRE may be obtained from the Health, Counseling, and Testing Center, University Center 300: (859) 572-6373 or from www.gre.org.
3. Achieved a score of at least 1,300 when the GPA (the higher of the two mentioned in part one above) and the verbal and quantitative scores of the GRE are computed in the following formula: $(\text{GPA} \times 200) + \text{GRE (verbal and quantitative sections)} \geq 1,300$.
4. Submitted three letters of recommendation from professionals in education attesting to the candidate's potential for success.
5. Obtain a criminal background check (state and federal).
6. Completed the required essay for School Counseling.
7. Completed the program application for School Counseling.
8. Completed an application interview.

III. GENERAL PROGRAM REQUIREMENTS

- a. A minimum of 33 semester hours completed with a GPA of at least 3.00.
- b. At least 15 semester hours in courses numbered 600 and above (courses open only to graduate students).
- c. Applied Research (EDG 600) within the first nine semester hours of graduate study.
- d. Submission of a satisfactory professional portfolio.

IV. CURRICULUM

A. School Counseling Provisional Certification (33 semester hours)

(All courses are three semester hours unless noted.)

EDG 600 Applied Research (required within first nine semester hours)

COU 602 Orientation to Professional School Counseling

COU 610 Counseling Diverse Populations

COU 621 Counseling Children

or

COU 673 Counseling Adolescents

COU 640 Counseling Techniques

COU 641 Theories in Counseling and Psychotherapy

COU 647 Elementary Guidance Services

or

COU 648 Secondary Guidance Services

COU 650 Theories and Practice in Group Dynamics

COU 653 Classroom Guidance

COU 660 Assessment and Evaluation in Counseling

COU 690 Clinical Practicum

COU 693 School Counseling Practicum

B. Standard Guidance Certificate and Rank I (30 semester hours)

A Standard Guidance Certificate requires the following courses. These are available in a Rank I program for those applicants holding a master's degree in provisional school counseling certification. These applicants are required to take the following additional courses, along

with 12 semester hours from Professional Education and 6 semester hours of electives which extend or enhance knowledge and skills related to the school counselor’s role.

COU 601 Legal, and Ethical Issues in Counseling	3
COU 620 Development Across the Lifespan	3
COU 630 Career Development and Counseling Processes	3
COU 643 Consultation	3
Professional Education Courses	12
Electives to enhance and extend knowledge and skills related to the school counselor’s role	6

FIFTH-YEAR PROGRAM (Non-degree)

I. PURPOSE

The Fifth-Year Program is a non-degree certification advancement/renewal program designed to improve the professional competency of teachers in their area of initial certification or to extend the scope of professional competency to some other area. The program requires 32 semester hours of graduate-level coursework earned beyond the bachelor’s degree and initial teacher preparation. An alternative to the Master of Arts in Education, the Fifth-Year Program is planned individually with each candidate. The designed program should be consistent with the Experienced Teacher Standards established by the Kentucky Education Professional Standards Board and/or with standards approved by the EPSB for a professional education specialty.

II. ADMISSION REQUIREMENTS

A. Regular Admission

1. Official transcripts documenting a bachelor’s degree at a regionally accredited institution.
2. A copy of a provisional (initial) teaching certificate or a letter of eligibility.
3. Three letters of recommendation from professionals in education attesting to the candidate’s potential for success in the graduate program.

B. Transference to Fifth-Year Program

Under certain conditions, students enrolled in the master’s program may apply for admission to the Fifth-Year Program. Two such transfers from one program to another are allowed.

III. GENERAL PROGRAM REQUIREMENTS

1. A minimum of 32 semester hours completed with a grade-point average (GPA) of 3.00 on a 4.0 scale.
Under certain circumstances, professional development credit may be accepted in lieu of up to 12 semester hours of university graduate credit. See the Director of Graduate Studies for information.
2. No more than nine semester hours taken in independent study and special courses.
3. Submission of a satisfactory professional portfolio documenting the Kentucky Experienced Teacher Standards.

IV. CURRICULUM

A. Professional Core (12 semester hours)

EDG 604 Orientation to Graduate Programs in Education (required within the first six semester hours).....	0
EDG 618 Advanced Curriculum Studies	3
EDG 619 Advanced Curriculum Field Experience.....	3
Social/Psychological/Historical Foundations	3
EDG 620 or EDG 660 Learning and Behavior Disorders.....	3

EDG 630 or EDG 634

EDG 694 Graduate Seminar (must be taken within the last six hours)2

B. Content Area (12 semester hours)

See the options listed for the Master of Arts in Education

C. Electives (8 semester hours)

RANK I PROGRAM

I. ADMISSION REQUIREMENTS

1. Documentation of completion of a master’s or Fifth-Year Program or approved equivalent preparation at a regionally accredited institution with a minimum GPA of 3.00. Official transcripts must be sent to the Office of Graduate Programs by the college or university attended.
2. Copy of earned Rank II Kentucky Teaching Certificate or out-of-state equivalent. If Rank II is not specified on the certificate, the candidate should submit copies of any letters from the Kentucky Department of Education involving the change in rank. All certificates and letters should be submitted to the Office of Graduate Programs.
3. Submission of three letters of recommendation from professionals in education attesting to the candidate’s performance as an educator.

II. GENERAL PROGRAM REQUIREMENTS

Candidates enrolled in the Rank I Program must complete at least 30 semester hours of graduate work beyond a master’s degree or Fifth-Year Program with at GPA of at least 3.00 on a 4 point scale. At least 15 hours must be taken in courses numbered 600 or above (courses open only to graduate students). No more than nine semester hours may be taken in independent study or special courses. In addition, unless a portfolio in their Rank II Programs was submitted, candidates must submit a successful professional portfolio documenting the Kentucky Experienced Teacher Standards in order to complete the program. Students may transfer a maximum of 15 semester hours of graduate coursework if all other transfer credit conditions are met.

III. CURRICULUM

With the exception of the Instructional Leadership program, the Rank I curriculum is as follows:

A. Professional Core (12 hours)

1. Curriculum and Teaching

Required courses

EDG 604 Orientation to Graduate Programs in Education

EDG 618 Advanced Curriculum Studies (or equivalent replacement)

EDG 624 Pupil Assessment and Evaluation

Additional courses for a total of 12 semester hours chosen from the following four courses and approved by the candidate’s advisor

EDG 601 Cultural Learning and Diversity

EDG 622 Affective and Moral Education in Schools

EDG 626 Classroom Management and Discipline

EDG 660 Learning and Behavior Disorders

2. Gifted Education Endorsement

EDG 621 Introduction to Gifted Education

EDG 623 Teaching Creative and Higher-Level Thinking

EDG 625 School Programs for Gifted Students

EDG 627 Seminar and Field Experiences in Gifted Education

Other requirements for certification

- a. Master’s degree or completion of an approved program of preparation at the graduate level.

b. One year of successful teaching experience.

3. Reading and Writing Endorsement (2 semester hours)

EDG 630 Language and Literacy Across the Curriculum is prerequisite to this option.

(a) Required Courses

EDG 632 Language and Literacy

EDG 637 Analysis of Reading and Related Disorders

EDG 639 Remediation of Reading and Related Disorders

One of the following courses

EDG 634 Reading Instruction in the Primary Grades

EDG 636 Reading Instruction in the Middle Grades

EDG 638 Research and the Improvement of Classroom Instruction in Reading

(b) Other requirements for certification

1. Nine semester hours of reading completed at NKU within eight years prior to certification.

2. Master's degree or completion of an approved program of preparation at the graduate level.

3. Three years of successful full-time teaching experience.

4. Special Education

(a) For those not certified in LBD: 12 semester hours (with advisor's written approval) selected from the following:

EDS 561 Mental and Orthopedic Disabilities

EDS 562 Early Childhood Special Education Programs

EDS 570 Working with Families of Students with Disability

EDS 572 Secondary Special Education Programs

EDS 588 Professional Laboratory Experiences

EDG 660 Learning and Behavior Disorders

EDG 662 Educational Assessment of Learning and Behavior Disorders

EDG 663 Behavior Analysis Procedures for Students with Exceptionalities

EDG 664 Procedures and Materials for Remediating Learning and Behavior Disorders

EDG 667 Collaboration and Inclusive Practices

(b) For those certified in LBD:

EDG 621 Introduction to Gifted Education

EDG 637 Analysis of Reading Problems and Related Problems

EDG 658 Assessment Techniques for P-12 Math

EDG 699 Selected Problems in Education (with approval)

Courses from the above (4a) list that do not duplicate prior coursework.

5. Interdisciplinary early childhood education

This is an option designed to assist teachers with an existing elementary or special education teaching certificate to achieve the IECE certificate.

EDS 562 Early Childhood Special Education Programs, or an equivalent course or experience, is a prerequisite to EDU 564, 566, and 568.

Required courses

EDU 564 Collaboration in Early Childhood Education

EDU 566 Assessment in Early Childhood Education

EDU 568 Administration and Supervision in Early Childhood Education

EDG 652 Early Childhood Development and Education

6. Mathematics and science option education for middle or secondary teachers

12 semester hours selected from the following. Three semester hours as follows: three semester hour general elective area totaling three hours selected from the list of EDU/EDG courses below: also requires that the 12 semester-hour content area be courses in Mathematics, Biology, Chemistry, Physics, Astronomy, or and/or Geology with the approval of advisor and/or course instructor. The 12-semester hour content area must be completed in the certification area(s) or with prior approval of advisor.

- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 646 Teaching Environmental Education
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

7. Mathematics and science option education for elementary teachers

12 semester hours selected from the following. 12 semester hours as an optional Content/Specialization, selected from the list of EDU/EDG courses below and/or from courses in Mathematics, Biology, Chemistry, Physics, Astronomy, or Geology with the approval of advisor and/or course instructor.

- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 646 Teaching Environmental Education
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

8. Mathematics and science option education rank I certification

12 semester hours selected from the following. 12 semester hours as an option Professional Core Area, selected from the list of EDU/EDG courses below and/or from courses in Mathematics, Biology, Chemistry, Physics, Astronomy, or Geology with the approval of advisor and/or course instructor. For middle grades and secondary certified candidates, the 12-semester hour content area must be completed in the certification area(s) or with prior approval of advisor.

- EDU 599 Selected Problems in Education (Mathematics or Science)
- EDG 640 Teaching Elementary Science
- EDG 646 Teaching Environmental Education
- EDG/BIO 644 Aquatic Ecology for Teachers
- EDG 658 Assessment Techniques for P-12 Mathematics
- EDG 659 Selected Topics in Mathematics Education
- EDG 693/699 Selected Problems/Topics in Education (Mathematics or Science)

9. English as a second language endorsement P-12 (17 semester hours)

- ENG 531 English Grammar for Teachers of ESOL..... 2
- ENG 541 Linguistics for Teachers of ESOL..... 2
- ESL 602 Testing and Evaluation in Second Language Learning..... 2
- ESL 603 Methods/Materials: Writing and Grammar 3
- ESL 604 Methods/Materials: Listening, Speaking and Pronunciation 3
- ESL 605 Second Language Acquisition for Classroom Teachers..... 3
- ESL 606 Content-Based Instruction and Materials..... 2

Other requirements for certification

- a. Successful completion of MA or other graduate education program (if appropriate).
- b. Successful completion of Professional Portfolio.
- c. A minimum of 3.0 GPA at completion of the program.
- d. Successful passing score on the PRAXIS II examination for ESL P-12 certification endorsement.

10. Environmental Education endorsement P-12 (12 semester hours)

Twelve (12) semester hours with advisor’s prior approval and in accordance with the environmental education endorsements to meet the NAAEE Guidelines for the Initial Preparation of Environmental Educators Standards. These courses will be taken as the Content/Specialization of the MA and Fifth-year programs, and the Professional Area of the Rank-I program.

The following two courses are required:

(All course is three semester hours unless noted.)

EDG 645 Fundamentals of Environmental Education

EDU 646 Teaching Environmental Education

Choose one of the following:

EDG 644/BIO 644 Aquatic Ecology for Teachers

EDG 693 Selected Topics in Education (1-3 sem. hrs.)

BIO 694 Topics: Biological Sciences (1-3 sem. hrs.)

Choose one of the following:

ENV 578 Environmental Issues for Educators

EDG 693 Selected Topics in Education (1-3 sem. hrs.)

BIO 694 Topics: Biological Sciences (1-3 sem. hrs.)

11. Instruction Computer Technology (16 semester hours)

(All courses are three semester hours unless noted.)

Required entry course:

EDG 602 Technology in Education

CIT 520 Managing Computer Systems

Teachers may elect to take one course in each of three strands in any order:

Instructional Design Strand

TTE 620 Instructional Technology

MST 640 Technical Training and Development

EDG 603 Selected Topics in Technology in Education*

Distance Learning and Web Concepts Strand

TTE 641 Distance Learning Design and Methodology

EDG 603 Selected Topics in Technology in Education*

Technical Component Strand

EDG 603 Selected Topics in Technology in Education*

CIT 520 Managing Computer Systems

Required exit course:

TTE 692 Independent Research: Technology Teaching (field component)

* EDG 603 may be taken when the topic fits the specified strand with advisor approval.

B. Content Core (9 semester hours)

Candidates select one of the following content areas and take nine semester hours of coursework from the disciplines offered:

(1) Communications, Arts and Humanities

Art	Music	English
Philosophy	Foreign Language	Speech
Journalism	Theater Arts	Literature

(2) Natural Science, Mathematics, and Technology

Astronomy	Mathematics	Biology
Physical Sciences	Chemistry	Physics
Computer Science	Technology	Geology

(3) Social and Behavioral Sciences

Anthropology	Public Administration	Economics
Psychology	Geography	Social Work
History	Sociology	Political Science

C. Elective (9 hours)

Nine hours of appropriate coursework taken with approval of advisor.

Rank I in Instructional Leadership

1. Admission Requirements

A. Documentation of completion of a master's or fifth-year program or approved equivalent

- preparation at a regionally accredited institution with a minimum GPA of 3.00. Official transcripts must be sent to the Office of Graduate Programs by the college or university attended.
- B. Copy of earned Rank II Kentucky Teaching Certificate or out-of-state equivalent. If Rank II is not specified on the certificate, the candidate should submit copies of any letters from the Kentucky Department of Education involving the change in rank. All certificates and letters should be submitted to the Office of Graduate Programs. (Note: A statement of eligibility is NOT sufficient for this program.)
 - C. Submission of three letters of recommendation from professionals in education attesting to the candidate's potential as a school leader. One of these letters must be from the candidate's current building administrator.
 - D. One year of full-time teaching must be completed before candidates enroll in this program. Three years of teaching must be completed before a recommendation for Level One certification will be made to the Kentucky Department of Education. (A letter of validation must be received from the superintendent of the candidate's school district.)
2. **Course Requirements**

Level One Course Sequence (21 semester hours)

(All courses are three semester hours unless noted.)

- EDA 601 Introduction to School Leadership and Administration
- EDG 604 Orientation to Graduate Programs in Education
(Required within first 6 hrs., 0 sem. hrs.)
- EDA 610 School Leadership Practicum
- EDG 618 Advanced Curriculum Studies
- EDA 624 Technology and Best Practices for School Improvement
- EDA 628 School Law and Ethics
- EDA 631 Leadership for School Program Collaboration
- EDA 669 Leadership for School Problem Solving

Level Two Course Sequence (12 semester hours)

- EDA 627 School Finance and Support Services
- EDA 634 Leadership for Human Resources Development in Schools
- EDA 646 Leadership for School Community Relations
- EDA 650 Leadership for School Program Improvement

3. **Exit Requirements**

- a. Satisfy general degree requirements.
- b. Complete all coursework listed above.
- c. Submit a satisfactory professional portfolio that meets the ISLLC Standards.
- d. Complete appropriate testing as required by the Kentucky Department of Education. This includes completing the School Leaders Licensure Assessment with a minimum score of 155 and the Kentucky Specialty Test with a minimum score of 85% before Level One certification for Principal is awarded.

RANK I — SUPERVISION OF INSTRUCTION

1. **Admission Requirements**

- A. Completed a Master's degree at an accredited institution and achieved an undergraduate grade-point average (GPA) of at least 3.00 on a 4.00 scale (Official transcript required).
- B. Teaching certificate (statements or eligibility is NOT acceptable for entrance into this program).
- C. Obtained three letters of recommendation from educational associates attesting to the candidate's potential success as an instructional supervisor. **One of these must be from a practicing school administrator (school level or higher).**
- D. Met with the Director of Graduate Studies and the instructional leadership coordinator.

2. **Curriculum**

Level One Course Sequence (18 semester hours)

(All courses are three semester hours unless noted.)

- EDA 601 Introduction to School Leadership and Administration
- EDG 618 Schools and Curriculum
- EDG 624 Pupil Assessment and Evaluation
- EDA 628 School Law and Ethics
- EDA 634 Leadership for Human Resources Development in Schools
- EDA 638 The Supervisor

Level Two Course Sequence (9 semester hours)

- EDA 610 School Leadership Practicum
- EDA 640 Legal and Parent Issues in Special Education
- EDA 650 Leadership for School Program Improvement
- Either EDG 634 Reading Instruction in the Primary Grades
OR EDG 636 Reading Instruction in the Middle Grades
OR
Other Approved Elective

3. Exit Requirements

- a. Complete all coursework.
- b. Submit a satisfactory portfolio that meets the ISLLC Standards.

MASTER OF ARTS IN TEACHING (MAT)

George Frakes, Program Coordinator

I. INTRODUCTION

Purpose

This program is designed to prepare teachers at the master's level. Candidates who enter this program have completed a baccalaureate degree and the content requirements for a certification area as defined by the Kentucky Education Professional Standards Board (EPSB). The department chairperson or designee, of the respective major field will determine whether the requirements have been met after reviewing the candidate's transcript and life experience.

The curriculum for the MAT program is designed to be completed in five semesters (including summer). Candidates who enroll as a cohort in the fall semester continue through the following spring, summer, and fall terms, then culminate with student-teaching during the spring term of the second year. Candidates will be enrolled on a part-time basis for all terms, with the exception of the final semester when student-teaching will be completed. The primary purpose of this part-time design is to permit candidates who are employed on a full-time basis to continue their employment while attending MAT classes during the evening.

If a candidate has not met the content requirements for a certification area, the candidate must take the necessary undergraduate coursework as required by that certification area. All content requirements must be completed prior to admission to the program. Candidates may be admitted provisionally for one semester only if they are unable to provide one of the required admissions documents prior to the start of classes.

Upon successful completion of the program, candidates will earn a Master of Arts in Teaching degree and a recommendation for Kentucky certification in one of the following certification areas:

Grades P-12	Middle Grades 5-9	Grades 5-12	Grades 8-12
Art	English and	Business and	Biological Sciences
Music	Communication	Marketing	Chemistry
French	Social Studies		Earth/Space Science
German (minor only)	Mathematics		English
Spanish	Science		Mathematics
Physical Education			Physics
Health Education			Social Studies

Note: The MAT program does not provide for certification in elementary education except for the specialty areas listed under Grades P-12.

II. ADMISSION REQUIREMENTS

1. Completion of a bachelor's degree at a regionally accredited institution with a grade-point average (GPA) of at least 2.5 on a 4.0 scale or a GPA of at least 2.5 over the last 30 and/or 60 hours of undergraduate study. Official transcripts must be sent directly from the undergraduate institution to the graduate education office.
2. Completion of all required content coursework with a minimum GPA of at least 2.5 at the undergraduate level or 3.00 at the graduate level.
3. Completion of appropriate Praxis II content exams with the minimum score prescribed by the state.
4. Completion of the verbal and quantitative parts of the Graduate Record Exam (GRE).
5. Achievement of a score of at least 1300 when the GPA (the higher of the two mentioned above) and the verbal and quantitative scores of the GRE are computed in the following formula: (undergraduate GPA x 200) + GRE (verbal and quantitative sections) = 1,300.
6. Submission of an NKU graduate application.
7. Submission of an entry level portfolio that includes the following:
 - a. An initial application to the MAT program.
 - b. A letter to the reviewer that includes a brief autobiography, a description of life experiences related to the planned certification area, teaching, and other experiences with children outside the formal educational community.
 - c. Résumé.
 - d. Three letters of recommendation from individuals who can attest to the candidate's potential for teaching.
 - e. Criminal Records check (state and federal).
 - f. If applying for the alternative certification portion of the program under SB 77, a letter from the superintendent of the district planning to employ the applicant.
 - g. Applicants must successfully complete an initial interview with a panel of educators to ensure the candidate's qualifications and professional dispositions to become a preservice teacher.
8. Signed Code of Ethics for Kentucky teachers and signed Code of Ethics for the NKU College of Education and Human Services.

III. GENERAL PROGRAM REQUIREMENTS

1. Completion of 36-39 semester hours and field experience with a GPA of at least 3.00 on a 4.0 scale (art, music, English, foreign languages, physical education, and the middle grades require 39 hours. All other disciplines require 36 hours).
2. Completion of four semesters of coursework followed by a semester of student-teaching.
3. Submission of a satisfactory professional portfolio that demonstrates mastery of the Kentucky New Teacher Standards.
4. Completion of curriculum, by term, as outlined below using the example a cohort beginning in the fall would follow:

Fall Semester I

- EDMT 611 Studies of the Learners
- EDMT 612 Classroom Management
- EDMT 621 Students with Exceptionalities in Regular Middle/Secondary Classrooms
- EDMT 692 Middle Grades/Secondary Practicum I

Spring Semester II

- EDMT 632 Curriculum Design and Assessment
- EDMT 641 Technology in Middle/Secondary Classrooms
- EDMT ___ Art, English, Foreign Language, Music, Physical Education, and Middle Grades
- EDMT 693 Middle Grades/Secondary Practicum II

Summer Session III

- EDMT 610 Foundations of American Schooling
- EDMT 622 Cultural Identity and Schooling
- EDMT 631 Special Education Adaptation in the Regular Middle/Secondary Classroom

Fall Semester IV

- EDG 630 Language and Literacy across the Curriculum
- EDMT ____ Methodology/Pedagogy in the Disciplines
- EDMT 694 Middle/Secondary Practicum III

Spring Semester V

- EDMT 696 Student-Teaching/Internship

5. Completion of either EDU 530, Reading in the Junior and Senior High School, or EDG 630, Foundations of Literacy.
6. Completion of Praxis PLT Exam with the minimum score prescribed by the Kentucky Education Professional Standards Board.

ALTERNATIVE CERTIFICATION IN SPECIAL EDUCATION (LBD, P-12)

Paul Wirtz, Ph.D., Program Director

I. PURPOSE

This program is designed for career changers who are interested in becoming certified to teach individuals with mild disabilities. Candidates for this program must have completed a four-year bachelor's degree, although that degree may be from any discipline. The curriculum is organized to be an intensive two-year program that results in teacher certification at the Rank III level. This is not a degree program. Additional study beyond the teacher certification requirements will be needed to obtain a master's degree. Courses will be offered in a specified sequence during the summer and throughout the school year to permit participants to teach as they complete the program requirements. Candidates will enter a cohort group, and participants must follow the prescribed program of study to remain enrolled in the alternative certification program. If you are a certified teacher, please review the information on the Masters of Arts in Education or the non degree Fifth-Year Program. This program is for initial teaching certification.

II. PROGRAM DESCRIPTION

Candidates who enter the Alternative Certification Program in Special Education (LBD, P-12) must have completed a bachelor's degree. The program of studies for the Alternative Certification Program in Special Education is based on *What Every Special Educator Should Know: The International Standards for the Preparation and Certification of Special Education Teachers*. These standards outline the knowledge and skills needed by a beginning teacher in the area of special education.

III. ADMISSION REQUIREMENTS

1. NKU Graduate Application for Admission (check "Special Education" [certificate only]).
2. Official transcript from the institution where your undergraduate degree was earned. Official transcript must be in a sealed envelope. You must have a GPA equal to or greater than 2.5 on a 4.0 scale. (If necessary, the GPA may be computed on the last 30 or 60 hours of coursework.)
3. Completed a college level math course with a C or better.
4. Submit a letter that introduces you and describes the reasons for wishing to become a special education teacher.
5. Submit a résumé.
6. An interview and a written essay will be required for admission.

7. Submit evidence of employment as a special education teacher in a local Kentucky public school.
8. Submit official GRE scores. The scores must equal at least 1,300 when computed in the following formula: $\text{GPA} \times 200 + \text{GRE (verbal and quantitative scores)} = 1,300$.
9. Provide three letters of recommendation addressing your qualifications for entering the program.
10. Submit a copy of the results of your criminal records check from your state of residence.
11. Approval from the Teacher Education Committee for admission to teacher education at NKU.

IV. PROGRAM COMPLETION REQUIREMENTS

1. 36-semester-hour sequence with a GPA of at least 3.00 on a 4.0 scale.
2. The Praxis II tests required for Kentucky LBD certification with a passing score as prescribed by the Kentucky Educational Standards Board.
3. Submission of a satisfactory professional portfolio that demonstrates mastery of the Kentucky New Teacher Standards.
4. The Alternative Certification Curriculum as outlined below using a summer cohort as an example.

Summer Session I

- EDG 666 Introduction to Education of Students with Exceptionalities
- EDG 696 Topics in Special Education
- EDG 630 Language and Literacy Across the Curriculum

Fall Session I

- EDG 660 Learning and Behavior Disorders
- EDS 561 Mental and Orthopedic Disabilities

Spring Session I

- EDG 663 Behavior Analysis Procedures for Students with Exceptionalities
- EDG 658 Assessment Techniques for P-12 Math

Summer Session II

- EDG 662 Educational Assessment of Learning and Behavior Disorders
- EDG 664 Procedures and Materials for Remediating Learning and Behavior Disorders

Fall Session II

- EDS 570 Working with Families of Students with Disabilities
- EDS 572 Secondary Special Education Programs

Spring Session II

- EDS 588 Professional Laboratory Experiences

MASTER OF SCIENCE IN COMMUNITY COUNSELING

Jacqueline Smith, Ed.D., Program Coordinator

I. INTRODUCTION

Purpose

The Master's of Science in Counseling is a 60-semester-hour program designed to provide concentrated training and experience to master the knowledge and skills of direct practice with individuals, families, and small groups in community mental health centers, private practice, schools, government, business and industrial settings, and other agency settings that provide mental health and social services. The program can be completed in two years with students enrolling as full-time students (12

hours per semester) and three years for students enrolling as part-time students (6 hours per semester). All courses counting towards the MS degree must be taken within four years of beginning the program. Courses are offered during the evening, Saturday, and summer semesters to accommodate students with full-time employment.

The coursework for this program corresponds to the academic and experiential standards outlined by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). The curriculum also fulfills the National Board for Certified Counselor (NBCC) educational requirements to sit for the exam for National Counselor Certification. A graduate of this program can apply to the Kentucky Board of Licensed Professional Counselors to become a licensed professional counselor associate (LPCA) and to the Ohio Counselor and Social Worker Board to become a licensed professional counselor (LPC) with the option of pursuing additional clinical supervision for licensure as a professional clinical counselor in their respective states.

Office of the MSCC Program

The office of the MSCC Program is located in the College of Education located in BEP 203F.

II. ADMISSION

People with a bachelor's degree in fields related to counseling such as mental health/human services, social work, and psychology, and those with other bachelor's degrees and experience in human services or education may qualify for admission to the master's program.

Admission Criteria

To be eligible to apply for unconditional admission to the Master of Science in Counseling Program, applicants will meet any NKU Office of Graduate Program general requirements as well as the following program specific criteria:

- Completion of a baccalaureate degree from a regionally accredited college or university with an overall minimum 2.75 undergraduate grade point average on a 4.0 scale with coursework that includes 48 semester credits in the liberal arts that includes one course in statistics and one course in abnormal psychology.
- A recommended GRE combined score of 850.
- A recommended GRE Analytical Writing Measure of at least 3.5 as evidence of writing and analytical skills compatible with graduate level standards.
- Evidence of potential to practice counseling and a concern and ability to work effectively with people by submitting a written essay describing reasons for wanting to become a professional counselor, any relevant experiences in the human services profession, and examples of important events that have influenced career goals.
- Three letters of reference from people (former instructors, supervisors, colleagues, etc.) who are qualified to evaluate academic and professional potential in the field of counseling.
- Successful completion of an interview with the Master of Science in Counseling Program Admissions Committee to ensure the candidate's qualifications and personal disposition to uphold the ethical standards of the counseling profession.

Conditional Admission

Promising applicants who do not meet all of the requirements for unconditional admission may be conditionally admitted to the program through an individual evaluation of their qualifications by the Admissions Committee. In cases where an individual's background in behavioral and social sciences is limited, additional coursework may be required. Courses in developmental, personality, social, and quantitative psychology are particularly good foundation courses.

Application Process

Admission to the Master of Science in Counseling Program is selective and highly competitive. Admission decisions are made on evaluation of the total applicant pool. We strongly suggest you apply as

early as possible. Priority will be given to those applicants whose materials are in by **March 1**. Admission decisions will be made by June 1.

Transfer Credit

Candidates meeting the requirements for regular admission status may be permitted to transfer a maximum of nine semester hours of graduate credit upon petition to the Director of the Counseling Program. The grade earned in a course to be transferred must be a *B* or higher and be earned at a -regionally accredited institution. Candidates who wish to take a course at another institution after applying to NKU must obtain written permission from their advisor.

III. ACADEMIC REQUIREMENTS

The Counselor Education faculty subscribe to the American Counseling Association's (ACA) Code of Ethics and Standards of Practice as the ethical code governing the professional behavior of students and faculty members. Students are expected to familiarize themselves with these principles and demonstrate them throughout their academic and experiential work. **Failure to do so may result in expulsion from the program.**

Required courses

COU 600	Orientation to Community & Agency Counseling	3
COU 601	Legal and Ethical Issues in Counseling	3
COU 610	Counseling Diverse Populations	3
COU 630	Career Development and Counseling Processes	3
COU 640	Counseling Techniques	3
COU 641	Theories in Counseling and Psychotherapy	3
COU 642	Counseling Families and Couples	3
COU 643	Consultation	3
COU 650	Theories and Practice of Group Counseling	3
COU 660	Assessment and Evaluation	3
COU 670	Psychopathology/ Diagnosis of Mental & Emotional Disorders	3
COU 671	Treatment Planning in Counseling	3
COU 680	Research Methods and Program Evaluation	3
PSY 622	Development Across the Lifespan	3

Clinical Instruction

The program includes supervised clinical training experiences in a professional setting compatible with the student's career goals. Clinical training provides an opportunity for students to perform, under supervision, a variety of counseling activities that a professional counselor is expected to perform. Students will be expected to carry professional liability insurance throughout their clinical training.

COU 690	Practicum (100 work experience hours)	3
COU 691	Internship I (300 work experience hours)	3
COU 692	Internship II (300 work experience hours)	3

Electives

TBD – Future Elective Courses

Students choose any combination of electives in the Counseling Program to total 9 semester hours. These courses are taught by a mix of full-time faculty and experienced practitioners. Graduate courses in other programs can be taken as electives with prior approval of the Program Director.

To supplement their graduate study, students are strongly encouraged to hold student membership in those national, state, and local professional organizations or associations which represent their area(s) of special interest such as the American Counseling Association (ACA), the Kentucky Counseling Association (KCA), the Northern Kentucky Counseling Association (NKCA), and the Greater Cincinnati Counseling Association (GCCA).

Progression Requirements

A GPA of at least 3.00 must be maintained for all coursework taken in the program. A course may be repeated only once, and only two courses may be repeated. Only courses with a grade of C or below can be repeated; only the repeat grade is used in GPA determination. Students whose GPA falls below 3.00 will be placed on probation; those remaining on probation for two consecutive semesters will be dropped from the program. **NO STUDENT WILL BE ALLOWED TO ENROLL FOR CLINICAL INSTRUCTION WHILE ON PROBATION.** Students will be advised by faculty as to the best course of action to successfully progress in the program.

Exit Requirements

Students are not guaranteed a master's degree by attending and completing courses. Students must pass a written comprehensive examination at the conclusion of their plan of study in order to receive their degree. Upon successful completion of the program, candidates must complete the National Counseling Exam (NCE®) with a TOTAL SCORE that meets or exceeds the minimum criterion score. The purpose of NCE is to assess knowledge, skills, and abilities viewed as important for providing effective counseling services. The NCE is designed to be general in nature. It is intended to assess cognitive knowledge, which should be known by all counselors regardless of their individual professional specialties. Satisfactory performance on the NCE is one of the criteria used by the Kentucky Board of Licensed Professional Counselors for state credentialing.

College Student Development Track

This 36 semester hour track will allow students to focus on college student issues as a specialty and introduce graduate students to the professional field of Student Affairs in higher education, college student developmental issues, and Student Affairs program administration. This program is unique in the Greater Cincinnati area. This approach is believed to be attractive to both traditional and nontraditional students, especially those already working at universities who seek a master's degree for career advancement.

Required courses

All courses are 3 semester hours unless noted.

COU 600	Curriculum Course Titles Orientation to Community Counseling
COU 601	Legal and Ethical Issues in Counseling
COU 610	Counseling Diverse Populations
COU 630	Career Development and Counseling Processes
COU 640	Counseling Techniques
COU 650	Theories and Practice of Group Counseling
COU 680	Research Methods and Program Evaluation
CSD 610	Organization and Administration of Higher Education
CSD 640	Theories of College Student Development
CSD 650	Student Affairs in Higher Education
CSD 689	Capstone Seminar in College Student Development
CSD 691	Internship in College Student Personnel

MASTER OF SCIENCE IN NURSING

I. INTRODUCTION

The Master of Science in Nursing (MSN) program curriculum provides students with an opportunity to acquire the knowledge and skills that support advanced nursing practice and role development. Knowledge of the arts, sciences, humanities, and professional nursing practice are used as a base for the program. The curriculum is logically organized according to a framework that focuses on progressively more complex and advanced nursing practice. The program of study is built around core courses branching into three areas of specialization: nursing administration (with a focus on education, long-term care [LTC] administration, or acute care administration), primary care nurse practitioner (with specialty areas in family, adult, pediatric, or geriatric) and nursing education. The goal of the master's program in nursing is to equip professional nurses to assume advanced leadership and clinical positions in today's dynamic and changing healthcare delivery system. The department reserves the right to change the program of study as needed to fulfill national accreditation, National League for Nursing, Kentucky Board of Nursing, and/or University requirements.

The program is accredited by the National League for Nursing Accreditation Commission (NLNAC) and the Council of Baccalaureate and Higher Degree Programs, 61 Broadway, New York, NY 10006, phone (212) 363-5555.

Graduates are awarded the Master of Science in Nursing.

Program Outcomes

The MSN graduate will be able to:

1. Utilize effective, written, oral and electronic communication skills to facilitate the advanced practice role.
2. Analyze social, political, ethical and aesthetic factors that influence health, and synthesize these into advanced nursing practice.
3. Demonstrate a nurturing, supportive and empathetic approach in the delivery of advanced nursing practice that respects human dignity, is person centered and sensitive to the individual's developmental level.
4. Demonstrate proficiency in a leadership role in advanced practice. Critique and influence policy at the national level. Advocate for clients. Demonstrate evidence of life long learning.
5. Use professional standards and synthesize concepts/theories from nursing and related disciplines, to serve as the basis for advanced practice.
6. Manage health care needs of diverse populations in the delivery of comprehensive health care.
7. Utilize the process of scientific inquiry to validate and refine knowledge relevant to nursing. Develops research and disseminates results.

Online Program

All nursing courses for the degree will be offered as both web enhanced (regular class meeting) and web based (no class meeting). STA 614 statistics is not offered in web-based format. This course can be taken at a university near you and transferred into NKU as long as you earn a *B* or higher. If you live close to NKU, you can take these classes on campus. For more information on distance education go to dl.nku.edu.

See the nursing web page for a schedule of when courses are offered (www.nku.edu/~nursing).

Student Advising

All students contemplating admission to the MSN program are advised to contact the master's degree faculty regarding criteria for admission and guidance in course selection. You are expected to maintain close contact with your advisor throughout the program of study. Prior consent of the advisor should be obtained before registering for any course. You are cautioned not to rely on advice of other students regarding applicability of courses.

Upon acceptance, students are assigned a faculty advisor and must declare a major of Master of Science in Nursing along with the selected specialty area. The MSN program committee reserves the right to determine the applicability of graduate transfer credit. A maximum of nine semester hours can be applied toward the program of study.

Application Deadline

Admission to the Nursing Administration track is selective. Applications will be accepted until the class is full.

Admission to the Primary Care Nurse Practitioner track is selective and competitive. We strongly suggest you apply as early as possible.

II. ADMISSION

MSN Admission Requirements

Each applicant will

1. Complete graduate application for admission to Northern Kentucky University, indicating the area of desired specialization.
2. Submit the following documents to the Office of Graduate Programs
 - a. Official transcripts from all colleges/ universities attended.
 - b. GRE (Graduate Record Examination) including verbal, quantitative, and analytical scores (analytical writing if taking GRE after October 2002); GRE waived for applicants with a minimum undergraduate GPA of 3.5.
3. Meet the following criteria
 - a. Be a graduate of a National League for Nursing-accredited BSN programs and have 2,000 hours of clinical experience as a registered nurse.
 - b. Have a college course in each of the following: 1) elementary statistics, 2) basic nursing research, 3) physical assessment, and 4) nursing theory.
 - c. Achieve a cumulative value index of at least 1,800 when the GPA and GRE scores are computed in the following formula: $(\text{GPA} \times 200 + \text{GRE}) = 1,800$. Scores from all three test areas (verbal, quantitative, and analytical) of the GRE exam will be used when the GPA and GRE score are computed. The formula using GRE scores with the writing sample will be adjusted accordingly.
 - d. Submit proof of current nursing license and be eligible for licensure in Kentucky and Ohio.

Additional Requirements

1. Students who are RNs from accredited associate-degree or diploma schools of nursing who have a bachelor's degree in a subject other than nursing may be eligible for admission; please contact the director of the MSN program to discuss specific details of requirements.
2. Conditional acceptance
Students who have a GPA/GRE cumulative value index (CVI) of 1,600 to 1,799 may be admitted conditionally. The status will be reviewed after completion of nine graduate semester hours in nursing. Conditional status will be changed to regular if the student achieves a *B* or higher in nine semester hours of nursing courses. Students who do not meet this GPA will not progress in the program.
3. Applicants who have not earned college credit in elementary statistics, nursing research, physical assessment, or nursing theory may obtain provisional admission. However, these deficiencies must be made up within two semesters after admission. Students admitted to

graduate status who take undergraduate courses must pay graduate tuition for these courses. Students admitted to the program are subject to Northern Kentucky University’s requirements, including that of residency. Students must meet the program requirements in effect at the time of admission as listed in the catalog. Bachelor’s-level nursing courses cannot be applied toward the graduate program.

4. Students must submit proof of current cardiopulmonary resuscitation (CPR) certification and Kentucky and Ohio nursing licenses.

Progression Requirements

Students must achieve a grade of C or better in non-nursing courses required in the master’s degree program and must maintain a cumulative grade-point average of at least 3.00 on a 4.0 scale to progress to subsequent nursing courses.

Students must achieve a B or better in all nursing courses in the MSN program. A C is not considered a passing grade in a graduate nursing course. If a grade of C or less is earned, the student is required to retake the course at NKU, and a grade of B or better is required. If the course has a clinical co-requisite, the clinical course must be repeated along with the didactic course to ensure clinical competency. If less than a B is earned when repeating the course, the student will be dismissed from the program and will be ineligible for readmission.

Students who earn C’s in two nursing courses will be dismissed from the program and will be ineligible for readmission.

Nursing Education Track

The nursing education track prepares nurses to teach in schools of nursing, hospital education settings and patient education programs. The curriculum emphasizes the development of expertise in teaching clinical nursing, didactic, online simulation and research-based teaching. Through a variety of experiences in the classroom and in practica, students have an opportunity to apply theories of instruction and to teach content to nursing students, to practicing nurses and to patients.

POST-MASTERS OF SCIENCE IN NURSING PROGRAM

I. INTRODUCTION

Post-master’s programs are available to students who have an earned MSN and seek specialized knowledge and skills as a nurse practitioner or nurse administrator. Graduates of the programs will be qualified to take the certification examination for their specialty.

Online Program

All nursing courses for this certificate will be offered as both web enhanced (regular class meetings with web content) and web based (no class meetings). Clinical visit in student’s home area or at Northern Kentucky University is required during clinical residency. See dl.nku.edu for more information and technical requirements.

II. ADMISSION

Admission requirements

1. Completion of application for graduate admission, including transcripts indicating undergraduate and graduate coursework.
2. Minimum of one year of clinical experience as an RN.
3. A master’s degree from an accredited school of nursing.
4. Proof of current nursing license and eligibility for licensure in Kentucky and Ohio.

Students who apply to the post-master’s practitioner program are required to take the specialization courses in their track.

Progression - Post-Master’s

Students must achieve a *B* or better in all nursing courses in the MSN program. A *C* is not considered a passing grade in a graduate nursing course. If a grade of *C* or less is earned, the student is required to retake the course at NKU, and a grade of *B* or better is required. If the course has a clinical co-requisite the clinical course must be repeated along with the didactic course to ensure clinical competency. If less than a *B* is earned when repeating the course, the student will be dismissed from the program and will be ineligible for readmission.

Students who earn *C*’s in two nursing courses will be dismissed from the program and will be ineligible for readmission.

Students must achieve a cumulative GPA of 3.00 to successfully complete the post-master’s program.

Students must achieve a grade of *B* or higher in all nursing courses. Students must take a minimum of 15 semester hours at NKU to receive a certificate. Applicants who have taken equivalent coursework may have certain course requirements waived. Each request for such waiver will be considered individually.

III. PROGRAM CURRICULUM

Nurse Practitioners Without a Master’s Degree in Nursing

Individualized programs can be developed based on your prior experience and coursework. Please contact Dr. Denise Robinson for further information.

Salmon P. Chase College of Law

Dennis R. Honabach, Dean

Nancy L. Firak, Associate Dean for Academics

Ashley Gray, Director of Admissions

Salmon P. Chase offers full-time and part-time day and evening programs. The curriculum consists of required courses, core courses, and elective courses. Ninety credit hours are required to graduate. Fifty-two hours are in required courses. Full-time students may complete the program in three years, while part-time students may complete the program in four years. Chase has a number of academic-support and development programs designed to enhance the law-school experience. Chase also offers a Juris Doctor/Master of Business Administration (JD/MBA) degree program in conjunction with the College of Business.

Applicants are required to receive a baccalaureate degree from a regionally accredited college or university prior to enrollment. Applicants are required to take the Law School Admission Test (LSAT). Chase seeks to admit those applicants who have the best prospect of high-quality academic work; thus the Admission Committee relies heavily on the applicant's undergraduate grades and performance on the LSAT during the application review process. Additional factors considered include upward trend of undergraduate grades; time between college graduation and application to Chase; college grading and course selection patterns; outside work while in college; letters of recommendation; graduate study; cultural, educational, or sociological deprivation; employment background; leadership ability; speaking or linguistic ability; and demonstrated competence in another profession or vocation. Chase seeks diversity in the student body by considering, in no particular order, sex, age, cultural or geographic background, and minority status. Applications must be made before March 1 of the year in which admission is sought. First-year students enter in the fall semester. Students in good academic standing at another ABA-accredited school may apply for admission as transfer students.

Chase is accredited by the American Bar Association and a member of the Association of American Law Schools.

Please contact the Chase Office of Admissions for more information: (859) 572-6476 or (888) 465-7316.

UK/NKU Graduate Center

The Graduate Center acts as a liaison office for students taking classes from UK on the NKU campus. The following master's level programs are currently available: social work (MSW); and library science (MSLS).

Some residents of Ohio may receive a special tuition rate for degree programs offered by the University of Kentucky on the NKU campus.

For complete information contact the Office of Graduate Programs at (859) 572-1555.

Course Descriptions

NOTE: Northern Kentucky University has established abbreviations for its various disciplines. These abbreviations, which are printed below the name of each discipline in the following course descriptions, should be used in preparing course schedules and at other times when referring to specific courses. Following course titles are three figures in parentheses. The first of these indicates the number of lecture hours in the course; the second, the number of laboratory hours; and the third, the number of semester hours of credit.

Accounting ACC

ACC 520 Tax Planning (3,0,3) Impact of income tax on business entities, including corporations, S corporations, partnerships, limited liability companies and sole proprietors; gross income deductions, accounting periods, accounting methods and property transactions. PREREQ: Admission to the MACC program, ACC 200 and ACC 201, or permission of MACC Director.

ACC 521 Advanced Tax Planning (3,0,3) Federal tax consequences of corporate redemptions, liquidations, reorganizations, consolidated tax returns; partnership distributions and terminations; multijurisdictional considerations, international and multistate taxation; individual tax planning, deferred compensation, retirement planning, estate and gift taxation, succession planning. PREREQ: Admission to the MACC program, ACC 320 or ACC 520 or permission of the MACC Director.

ACC 530 Accounting for Non-Profit Institutions (3,0,3) Problems of control of funds and other assets; accounting classifications and relationships; planning, performance measurement, reporting and auditing from the viewpoint of the non-profit (including governmental) organization. PREREQ: Admission to the MACC program, ACC 301 or graduate equivalent, or permission of MACC Director.

ACC 600 Financial Accounting and Reporting (3,0,3) Financial accounting theory and practice in determination of income and valuation of assets, liabilities and equities for external reporting in general purpose financial statements. Not open to students with credit for ACC 300 and ACC 301.

ACC 601 Management Control Systems (3,0,3) Overall design of control systems and the be-

havioral and motivational impact on managers and employees of such systems; development of a management information system; design of compensation/incentive schemes, divisional control, work measurement vs. discretionary cost approach to cost control, budgetary control, internal control, and performance reporting. PREREQ: ACC 600.

ACC 602 Advanced Financial Accounting (3,0,3) Financial accounting topics for external reporting; international accounting; financial statement analysis. PREREQ: admission to graduate program; ACC 600 or equivalent.

ACC 603 Consolidations and Partnerships (3,0,3) Accounting for mergers, consolidations, acquisitions, and partnerships. PREREQ: admission to graduate program; ACC 600 or equivalent.

ACC 605 Introduction to Financial Accounting (2,0,2) Preparation and interpretation of primary financial statements.

ACC 620 Tax Research and Practice (3,0,3) Methodology and sources of tax research; tax analysis research, policy implications, behavioral aspects, and use of quantitative analysis. Open only to students admitted to graduate program. PREREQ: completion of undergraduate course(s) in individual and business taxation.

ACC 625 Accounting for Management (3,0,3) Communication, interpretation, analysis, and use of accounting information for the benefit of management; financial statement analysis, cost analysis, budgetary control, standard cost systems, and capital budgeting. Open only to students in graduate business programs. PREREQ: ACC 605 or equivalent, or consent of MBA director.

ACC 630 Federal Taxation of Corporations (3,0,3) Corporate Taxation and topics con-

cerning organization of the corporation, capital structure, debt vs. equity, dividends, stock redemption, liquidations, corporate divisions, corporate reorganizations. PREREQ: ACC 620 or permission of the Director of the Master of Accountancy program.

ACC 632 Tax Accounting Methods (3,0,3)

Methods of accounting, installment sales, inventories, LIFO, manufacturing, accounting method changes, accounting principle. PREREQ: ACC 620 or permission of the Director of the Master of Accountancy program.

ACC 634 Taxation of Partnerships and Pass Through Entities (3,0,3)

Concepts of partnership taxation including contributions of property and services. Partner basis, partnership liabilities, distributions sales or exchanges of partner's interest. Election of S corporation status, distribution to shareholders, liquidation, sales of corporation. PREREQ: ACC 620 or permission of the Director of the Master of Accountancy program.

ACC 636 State Taxation (3,0,3)

State uniformity and equality safeguards, constitutional restrictions on state taxation (nexus). Corporate franchise, income and capital stock taxes. Allocation and appointment of net income under state and federal law. Sales and use tax, taxation of securities. PREREQ: ACC 620 or permission of the Director of the Master of Accountancy program.

ACC 638 Advanced Individual Taxation (3,0,3)

Executive compensation planning, deferred compensation, fringe benefits, options, alternative minimum tax, passive activities, deductions available to individuals and grantor trusts. PREREQ: ACC 620 or permission of the Director of the Master of Accountancy program.

ACC 640 Advanced Auditing (3,0,3)

Advanced auditing topics, including information technology auditing, statistical sampling, legal responsibilities, audit and attestation reports, ethics. PREREQ: admission to graduate program; ACC 600 or equivalent.

ACC 694 Topics: Accounting (3,0,3)

Specialized topics of faculty and student interest. Topics will vary and may include taxation, financial accounting, auditing, and international accounting. Repeatable for a maximum of 6 semester hours if topic differs. Open only to MBA students. PREREQ: ACC 600.

ACC 697 Advanced Accounting Theory (3,0,3)

This capstone course is an overview of topics relevant to current accounting theory, ethics, research, standard setting, and practice. This course must be taken in the last semester, or within 9 credit hours of graduation. PREREQ: admission to graduate program; ACC 600 or equivalent.

Anthropology

ANT

ANT 594 Topics: Anthropology (3,0,3)

A special topic in any area of anthropology. For graduate students and advanced undergraduates. Repeatable up to 12 semester hours when topics vary. PREREQ: Consent of instructor.

ANT 640 Ethnographic Methods for Educational Research (3,0,3)

Basic issues and problems in the design and conduct of ethnographic and other qualitative research methods as applied to education; proposal writing, ethics, entree, gathering field data, data management and analysis, and final writing and presentation of results.

ANT 694 Topics: Anthropology (3,0,3)

A special topic in any area of anthropology. Repeatable up to 12 semester hours when topics vary.

ANT 699 Independent Study: Anthropology (1-6 semester hours)

Specialized topic in anthropology chosen by student and appropriate faculty member for study. Repeatable up to 12 semester hours when topics vary.

Art

ART

ART 610 Graduate Studio in Drawing (3,0,3)

Advanced development in drawing; development of a professional portfolio. Repeatable to 12 semester hours. PREREQ: ART 410 or consent of instructor

ART 620 Graduate Studio in Graphic Design (3,0,3)

Advanced development in graphic design; development of a professional portfolio. Repeatable to 12 semester hours. PREREQ: ART 428 or consent of instructor.

ART 623 Graduate Studio in Computer Graphics for Graphic Designers (3,0,3)

Advanced development in computer graph-

ics; development of professional portfolio. Repeatable to 12 semester hours. PREREQ: ART 428 or consent of instructor.

ART 630 Graduate Studio in Painting (3,0,3)

Advanced development in painting; development of professional body of work. Repeatable to 12 semester hours. PREREQ: ART 430 or consent of instructor.

ART 640 Ceramics: The Electric Kiln (3,3,3)

Technical aspects of cone 6 production using the electric kiln; development of glazing and firing techniques while practicing skills in hand building and/or throwing. Designed for art teachers or for students with completed course work in ceramics. PREREQ: ceramics course work or consent of instructor.

ART 641 Graduate Studio in Ceramics (3,0,3)

Advanced development in ceramics; development of a professional portfolio. Repeatable to 12 semester hours. PREREQ: ART 440 or consent of instructor.

ART 650 Graduate Study in Art History (3,0,3)

Advanced study and research in art history. Repeatable to 12 semester hours. PREREQ: consent of instructor.

ART 660 Graduate Studio in Sculpture (3,0,3)

Advanced development in sculpture; development of a professional body of work. Repeatable to 12 semester hours. PREREQ: ART 460 or ART 462 or consent of instructor.

ART 672 Graduate Studio in Printmaking (3,3,3)

Advanced development in an area of concentration in printmaking; development of professional portfolio. PREREQ: ART 474 or equivalent.

ART 680 Art in the Elementary Curriculum (3,0,3)

Curricular concerns associated with teaching art; design of an art program to use with public school students and to review and critique in a final class meeting. For both elementary classroom teachers and art teachers.

ART 681 Visual Art Content (3,0,3)

This course will familiarize students with historical and contemporary issues and throwers in art education. Students will also become familiar with National Standards, Core Content, and the CATS assessment in arts and humanities and their impact on teaching art. For MAT students only.

ART 682 Visual Art Methods (3,0,3)

This course empowers students to teach inquiry in Art History. Art Criticism, Aesthetics and Art Making through current research and practices in the field. Through curricular framing, the student will plan and present units and develop appropriate assessment tools based on age appropriate research: For MAT students only.

ART 683 Evenings for Educators (3,0,3)

This two semester course is based upon the Cincinnati Art Museum's "Evenings for Educators" program and will provide educators with the tools to design and reinforce the curriculum through arts and humanities, using the museum as a base. Class held at the Cincinnati Art Museum.

ART 684 AAAE: Arts Connections (3,0,3)

Sponsored by the Association for the Advancement of Arts Education, this arts-based program offers training in the Multiple Intelligences, integrated curriculum, assessment design/development, and experience with professional artists in dance, drama, visual art, and music. Repeatable up to 6 semester hours.

ART 690 Graduate Studio in Photography (3,0,3)

Advanced development in photography; development of professional portfolio. Repeatable for 12 semester hours. PREREQ: ART 490 or consent of instructor.

ART 693 Graduate Studio in Digital Image-making (3,0,3)

Advanced development of computer graphics for fine artists; development of professional body of work. Repeatable to 12 semester hours. PREREQ: consent of instructor.

ART 694 Graduate Special Topics in Art (0,0,1-3)

Group or individual study/research projects at the graduate level with art department faculty. Topics within areas of emphasis will vary as listed in the Schedule of Classes. Repeatable up to 12 semester hours. PREREQ: Consent of instructor.

ART 699 Independent Study (3,0,3)

Projects, directed by members of the faculty, must be selected before registration. PREREQ: consent of instructor.

Astronomy AST

AST 694 Topics: Astronomy (1-4 sem. hrs.) Various topics in astronomy. Specific topics are determined in consultation with the instructor, the student's advisor and the Chair of Physics and Geology. Repeatable for a maximum of 12 semester hours. PREREQ: consent of instructor.

Business Administration BAD

BAD 694 Topics: Business (1-3 sem. hrs.) Study of a selected contemporary area in business; topics vary and may include international business, studies of the business environment, and legal issues in business. Repeatable for a maximum of 6 semester hours if topics differ. Open only to students in the MBA program. PREREQ: consent of instructor and MBA program director.

BAD 699 Independent Study: Business (1-3 sem. hrs.) Specialized aspect or topic in business chosen by a student and an appropriate faculty member. Repeatable for a maximum of 6 semester hours. Open only to MBA students. PREREQ: consent of instructor and MBA program director.

Biological Sciences BIO

BIO 521 Mammalogy for Teachers (3,0,3) A content course. Evolution, anatomy, adaptations, ecology and diversity of world mammals. Applicable for middle and high school. Not open to students who have taken BIO 421. PREREQ: Certification to teach middle or high school science or permission of instructor.

BIO 600 Field Ecology for Elementary Teachers (3,0,3) Populations, communities, ecosystems; techniques of collection, identification, and preservation of local organisms. Field trips. Not open to students specializing in biological sciences. Offered summer, odd-numbered years, on demand. PREREQ: one year of college biology or consent of instructor.

BIO 605 Zoology for Teachers (3,0,3) A content course. Diversity, ecology and evolution of animal orders. For middle and high school

science teachers. PREREQ: Certification to teach middle or high school science or permission of instructor.

BIO 606 General Microbiology for Teachers (2,0,4) Microbiological theory and techniques as applicable to pre-college age students; applied microbiology. Offered summer. PREREQ: one year of college biology and one year of college chemistry. COREQ: BIO 606L.

BIO 606L General Microbiology for Teachers: Laboratory (0,4,0) Laboratory to accompany BIO 606. COREQ: BIO 606.

BIO 609 Geography of Life (3,0,3) Geographical distribution of plants and animals in the past and present; development of theories explaining distribution patterns. Offered spring, odd-numbered years. PREREQ: one semester of college biology.

BIO 610 Amphibians and Reptiles (2 sem. hrs.) Evolution, natural history, taxonomy, behavior, and ecology of reptiles and amphibians; herpetofauna of the tri-state area. Field trips. Offered summer. Open only to high school science/biology teachers.

BIO 611 Birds (2 sem. hrs.) General biology of birds, particularly classification, life cycles, flight, and behavior; field methods and identification; avifauna of the tri-state area. Field trips. Offered summer. Open only to high school science/biology teachers.

BIO 612 Freshwater Diatoms (2 sem. hrs.) Importance, structure, taxonomy, physiology, reproduction, and ecology of common freshwater diatoms; methods of collection; preparation of permanent slides. Field trip. Offered summer. Open only to high school science/biology teachers.

BIO 613 Woody Plants (2 sem. hrs.) Recognition of Kentucky's trees and larger shrubs; use of botanical keys; economic and environmental aspects; dendrological literature. Field trips. Offered summer. Open only to high school science/biology teachers.

BIO 614 Algae (2 sem. hrs.) Commonly occurring freshwater algae of the tri-state area; field and laboratory techniques for collecting and preserving specimens; taxonomy, evolution, life cycles, and ecological significance. Field trips. Offered summer. Open only to high school science/biology teachers.

BIO 644 Aquatic Ecology for Teachers (1,4,3) Integrated field investigations of water quality. Taught at Center for Ohio River Research and Education. Curriculum and community resources related to water resources. Required field trips.

BIO 660 Biology of Aquatic Life (3 sem. hrs.) Study of life in the ocean and fresh water environments: observation, identification, distribution, and conservation. PREREQ: one year of college biology and consent of instructor.

BIO 668 Advanced Human Physiology (4,0,4) Rigorous study of human body function primarily at the organ system level. PREREQ: BIO 208-209 and CHE 115, or consent of instructor.

BIO 694 Topics: Biological Sciences (1-3 sem. hrs.) Study of specialized subject matter. May be repeated for credit when topics vary. Open only to graduate students in education.

BIO 699 Techniques: Biological Sciences (1-4 sem. hrs.) Individual student experience with selected biological techniques in media preparation; in herbarium, museum, and field techniques; in use of laboratory equipment; and in other practical facets of biology. Topic decided upon in consultation between student and instructor. Up to 4 semester hours may be earned in this course. Offered fall, spring, summer. PREREQ: consent of instructor prior to registration.

Business BUS

BUS 605 Legal Environment (2,0,2) Survey of the legal system requirements and limitations; political process, constitution, torts, criminal law, ethics, environment, product liability, consumer protection, antitrust, employment and negotiable instruments. PREREQ: Admission to the MBA program or permission of MBA director.

BUS 610 Law and Public Policy (3,0,3) Relationship between law and public policy and its effect on business; administrative agency structure and powers; antitrust law; consumer law; securities law; labor and management law; environmental law and business ethics. Open only to graduate students.

BUS 632 CPA Law (3,0,3) Legal topics relevant to professional accounting; contracts, agency, business entities, Uniform Commercial Code, and Securities law. PREREQ: admission to graduate program.

Cooperative Education CEP

CEP 600 Graduate Cooperative Education (1-3 semester hours) Supervised work experience relating to a graduate student's degree program; employment planned, supervised, coordinated by employer, faculty coordinator, and a member of the Career Development staff. Open to all graduate students. Does not satisfy any graduation requirements. May be repeated. Graded pass/fail.

Chemistry CHE

CHE 505 The History of Chemistry (2,0,2) Survey of chemistry's significance in ancient and modern times. Investigation of key individuals and concepts in chemistry of the past and present. PREREQ: CHE 310

CHE 511 Advanced Organic Synthesis (3,0,3) Analysis and design of complex syntheses, including total synthesis of natural products; stereochemical aspects of synthesis; asymmetric synthesis; spectroscopy in structure elucidation. PREREQ: C or better in CHE 311.

CHE 512 Physical Organic Chemistry (3,0,3) Current topics in spectroscopy, reaction mechanisms, and structure function correlations. PREREQ: CHE 360 and C or better in CHE 311 or consent of instructor.

CHE 540 Electrochemistry (3,0,3) Theory and experimental applications of electro-analytical methods. PREREQ: CHE 350 and CHE 361.

CHE 560 Quantum Mechanics (3,0,3) Principles of quantum mechanics, the hydrogen atom, variational methods, and simple perturbation theory. Same as PHY 460. PREREQ: CHE 361 or PHY 361.

CHE 594 Topics in Chemistry (1-3 sem. hrs.) Discussion of topics in analytical, environmental, inorganic, nuclear, organic, and physical chemistry; chemistry related topics: laboratory experience with operation and

application of instruments and the computer. May be repeated as topics vary. PREREQ: consent of instructor.

CHE 692 Research: Chemical Education (0,1-3,1-3) Research involving procedures, software, instrumentation, and pedagogy to develop chemistry experiments, demonstrations, or activities suitable for use in a science classroom or instructional laboratory. Repeatable for a maximum of 4 semester hours. PREREQ: consent of instructor.

CHE 694 Selected Topics in Chemistry (1-4 sem. hrs.) Topics illustrating principles of chemistry and applications of analytical, inorganic, organic, and physical chemistry and biochemistry. Specific topics are determined in consultation with the student's adviser and the chair of chemistry. May be repeated as topics vary. PREREQ: consent of instructor.

CHE 696 Chemistry Lab Internship (1,0,1) Participation in planning, teaching, and testing in a designated undergraduate laboratory course. Designed especially for students in science education. May be repeated for different lab courses for a total of no more than three credit hours. PREREQ: consent of instructor and completion of the designated.

CHE 699 Independent Study: Readings in Chemistry (1-3,0,1-3) Independent survey of literature; written reports on selected topics in chemistry and chemical education. Repeatable for a maximum of 4 semester hours. PREREQ: consent of instructor.

Computer Information Technology CIT

CIT 520 Managing Computer Systems (3,2,4) The setup, configuration, and administration of networked computer systems. Current personal computer operating system technology. Hardware installation and troubleshooting. PREREQ: EDG 602 or senior standing in the Business Education, Organizational Systems Technology or Organization Leadership degree programs.

Communications COM

COM 601 Communication Theory (3,0,3) Introduces graduate students to the philo-

sophical underpinnings of communication research and develops skills in theory construction.

COM 602 Research Methods (3,0,3) Addresses qualitative approaches to investigating human experience using tools such as ethnography and criticism. Introduces graduate students to principles, and design considerations underlying social scientific methodology. Material is applied to communication research. Final research project is required.

COM 604 Organizational Communication (3,0,3) Seminar that explores the major theoretical perspectives and research findings within formal and informal organizations.

COM 610 Digital Media (3,0,3) Technical and aesthetic processes in the production of media, including new media and integrated media.

COM 620 Interpersonal Communication (3,0,3) Investigation of the communicative management of ongoing relationships; examination of how communication both creates and responds to exigencies of friendship.

COM 621 Communication Pedagogy (3,0,3) Graduate course in pedagogy that addresses philosophical, theoretical and practical issues faced by the beginning college instructor.

COM 622 Family Communication (3,0,3) Examines theories and research focused on understanding communication in family contexts.

COM 630 Communication Ethics (3,0,3) Theoretical and critical approaches to the study of ethics in communication. Examination of professional communication behavior in workplace settings.

COM 631 Communication Law (3,0,3) Examines the Constitutional, statutory, and case law affecting the communication profession.

COM 640 Persuasion (3,0,3) Theory and devices of persuasion; analysis of persuasive discourse.

COM 650 Rhetorical Criticism (3,0,3) Advanced seminar in the history, theory, methods, and practice of rhetorical criticism.

COM 670 International Media Systems (3,0,3) Communication considered in its global and international context, with special emphasis on mass media spanning of cultures and nations.

COM 671 Media Literacy and Criticism (3,0,3) Seminar in the application of rhetorical theory and criticism to television, film, and other media.

COM 675 Public Relations (3,0,3) Public Relations Principles of PR management, including development of writing skills essential to those directing the PR functions of organizations.

COM 691 Thesis (0,0,1-6) Guided thesis development for students electing the thesis option for the MA in Communication. PREREQ: Consent of the MA in Communication program director.

COM 692 Directed Research in Communication (0,0,3) Specialized aspect or topic in communication chosen by student in consultation with an appropriate communication faculty member. Faculty member will closely supervise the student's research project. PREREQ: COM 601 and COM 602.

COM 694 Special Topics: Communications (3,0,3) Special Topics.

COM 695 Experimental Courses in Communication (3,0,3) Study of varying, specialized subject matter in communication taught on an experimental basis only.

COM 696 Graduate Internship in Communication (0,0,1-6) Students work under supervision in a professional setting in a communication field approved by the graduate program director in Communication. Student will be assigned additional reading and essays. PREREQ: COM 601 and COM 602.

COM 697 Non-thesis Project (0,0,1-6) Student will create an extended communication project under the guidance and supervision of an appropriate faculty member in lieu of a traditional thesis in communication. PREREQ: COM 601 and COM 602; Consent of graduate program director.

Community Counseling COU

COU 600 Orientation to Community and Agency Counseling (3,0,3) A survey of the historical, philosophical, societal, cultural, economic and political dimensions of and current trends in the community mental health movement; a historical perspective of the counseling profession, counselor roles and functions, and professional affiliations. PREREQ: Admission to program.

COU 601 Legal and Ethical Issues in Counseling (3,0,3) Focus on the skills and competencies critical to dealing effectively with the complex ethical, legal, and social issues of counseling in a multicultural society; focus on decision-making models in response to the major ethical topics and emerging ethical and legal issues; overview of licensure/certification issues. PREREQ: Consent of director and admission to the Master of Science in Community Counseling.

COU 602 Orientation to Professional School Counseling (3,0,3) A foundations course designed to increase students' knowledge base of the profession of school counseling including the history of the profession, current issues, and future trends. Students will learn about professional organizations and ethical guidelines and will focus on the role of school counselors in becoming advocates for students and leaders in the school environment. PREREQ: Admission to the School Counseling Program or consent of instructor.

COU 610 Counseling Diverse Populations (3,0,3) Focus on the cultural context of the counseling relationship ; examination of issues and concerns related to such factors as culture, ethnicity, age, gender, sexual orientation, religious and spiritual values, socioeconomic status and various unique characteristics PREREQ: Consent of director and admission to program.

COU 620 Development Across the Lifespan (3,0,3) Theories of human development; developmental crises, tasks and transitions across one's lifespan; nature vs. nurture; theories of learning and personality development; strategies for facilitating optimal human development; developmental model of counseling.

COU 621 Counseling Children (3,0,3) Theories and techniques for developmental

counseling with children. PREREQ: admission to program.

COU 630 Career Development and Counseling Processes (3,0,3) Educational and career planning; career development theories; decision-making models; assessment inventories for career in educational counseling; resources for career and educational planning; computer-assisted career development. PREREQ: COU 600 and admission to program.

COU 640 Counseling Techniques (3,0,3) Introduction to the knowledge, techniques, skills, and processes basic to initiating and conducting an effective counseling relationship; discussion and attention to the specific nature and process of helping, as well as the unique attitudes and skills required of the effective helper. PREREQ: COU 600 and admission to program.

COU 641 Theories in Counseling and Psychotherapy (3,0,3) Examination of the major models of counseling and psychotherapy; theoretical integration; review of outcome research; common factors model; brief counseling models. PREREQ: COU 600 and admission to program.

COU 642 Counseling Families and Couples (3,0,3) A review of issues related to the family and couples and various theories of family counseling; theoretical foundations and ethical and legal concerns will also be addressed. PREREQ: COU 640 and admission to program.

COU 643 Consultation (3,0,3) Examination of consultation models; stages of consultation; managing the consultant, consultee, and client system; ethical and legal issues unique to consultation; strategies for performing effective consultation in organizations, schools, and counseling agencies. PREREQ: Consent of director and admission to program.

COU 646 Advanced Play Therapy (3,0,3) In-depth exploration of major theoretical approaches and therapeutic strategies to play therapy. Development of a therapeutic relationship with a child and application of techniques in supervised play therapy sessions are a part of the course. PREREQ: COU 695 or permission of instructor.

COU 647 Elementary Guidance Services (3,0,3) The organization, administration and delivery of guidance and career services in

the elementary school. PREREQ: admission to program.

COU 648 Secondary Guidance Services (3,0,3) The organization, administration, and delivery of guidance and career services in the secondary school. PREREQ: admission to program.

COU 650 Theories and Practice of Group Counseling (3,0,3) Theoretical and experiential introduction to the nature of group counseling, group dynamics, and group leadership; focus on principles of group dynamics include group process components, developmental stage theories, and group members' roles and behaviors PREREQ: COU 640 and admission to program.

COU 651 Group Play/Activity Therapy (3,0,3) Philosophy and rationale for group work with children and adolescents. Focuses on the goals of Group Play/Activity Therapy, the role of the play therapist, screening and selection of group members, the use of expressive arts, play, and activities at various developmental stages and planning and structuring sessions. Supervised experience in Group Play/Activity Therapy is an integral part of the course. PREREQ: COU 695; COU 650; or permission of instructor.

COU 652 Filial Therapy (3,0,3) Training parents to be therapeutic agents in their children's lives through the utilization of play therapy skills in regularly scheduled parent-child structured play sessions in their homes. How to train parents in the overall principles and methodology of child-centered play therapy is addressed. Supervised experience in filial therapy with parents is an integral part of the course. PREREQ: COU 695; COU 650; or permission of instructor.

COU 653 Classroom Guidance (3,0,3) Basic guidance concepts such as encouragement, communication, self concept, discipline, group dynamics and understanding students within the classroom setting will be presented with practical approaches in working with students. PREREQ: admission to program

COU 660 Assessment and Evaluation in Counseling (3,0,3) Basic statistical concepts and psychometric principles; examination of the most frequently used assessment procedures in counseling; outcome evaluation; multicultural issues; ethical and legal issues involved in the use of assessment procedures

by licensed counselors. PREREQ: Consent of director and admission to program.

COU 670 Psychopathology/Diagnosis of Mental and Emotional Disorders (3,0,3) Examination of the major mental disorders in the current version of the DSM; development of diagnostic and case conceptualization skills; medical model of psychopathology; major theories of etiology and treatment; diagnostic principles; differential diagnosis; diagnostic errors; ethical and legal issues involved in clinical diagnosis. PREREQ: Consent of director and admission to program.

COU 671 Treatment Planning in Counseling (3,0,3) Integration of diagnostic, case conceptualization, and treatment planning skills; review of best practice guidelines; empirically-supported treatments; outcome research; treatment manuals; treatment planning in a managed care context. PREREQ: COU 670 and admission to program.

COU 673 Counseling Adolescents (3,0,3) Theories and techniques of developmental counseling with the teenage population. PREREQ: admission to program.

COU 680 Research Methods and Program Evaluation (3,0,3) Development of skills for critically evaluating the professional literature; hypothesis generation and testing; examination of quantitative and qualitative research designs; outcome and program evaluation; basic statistical procedures for analyzing data; professional communication of research results. PREREQ: Course in statistics and admission to program.

COU 690 Practicum (3,0,3) Supervised field experiences in counseling; Students must complete a minimum total of 100 clock hours with 40 hours of direct service to clients including individual and group counseling experiences; students will be required to present audio taped sessions in individual and/or group supervision; PREREQ: COU 640; COU 641; COU 650 and admission to program.

COU 691 Internship I (0,3,3) An intensive counseling field placement in a professional, clinically-oriented setting under the direction of an approved on-site clinical supervisor as well as a member of the program faculty on campus. The experience requires a minimum of 300 hours of which 120 hours are in direct services. PREREQ: Matriculation in coun-

seling program or approval of director and admission to program.

COU 692 Internship II (0,3,3) An intensive counseling field placement in a professional, clinically-oriented setting under the direction of an approved on-site clinical supervisor as well as a member of the program faculty on campus. The experience requires a minimum of 300 hours of which 120 hours are in direct services. PREREQ: COU 691 and admission to program.

COU 693 School Counseling Practicum (3,0,3) Supervised field experience in school counseling. Students must complete a minimum of 100 clock hours in the school environment; with 50 hours spent in an elementary school and 50 hours spent in a secondary school. Time must be spent accomplishing the following activities, individual and group counseling, classroom guidance, consultation with parents and school personnel, and coordination. Students will be required to present audio taped counseling sessions to the class and will document other activities through artifacts and through activity logs. PREREQ: COU 602, COU 610, COU 640, COU 647 or COU 648, COU 621 or COU 673, COU 650, AND COU 653.

Computer Science CSC

CSC 501 Intermediate Programming Workshop (3,0,3) Intensive review of programming and data structures from an object-oriented perspective using the C++ language. Intended for students whose computer programming skills need refreshing or updating. PREREQ: graduate standing; background in computer programming and data structures.

CSC 502 Advanced Programming Methods (3,0,3) High-performance object-oriented and generic programming in C++; componentry; concurrent programming with threads; distributed programming; standard template library algorithms; multi-paradigm design patterns; Extensive practice with sophisticated programming projects. PREREQ: regular admission to MSCS program.

CSC 507 Concepts of Programming Languages (3,0,3) History of high-level languages; grammars and the compilation

process; axiomatic semantics; language design and implementation issues; procedural, object-oriented, functional, and logic programming paradigms; case studies in important contemporary languages. PREREQ: regular admission to the MSCS program.

CSC 510 Compiler Construction (3,0,3)

Lexical analysis; parsing; code generation; compiler project. PREREQ: regular admission to MSCS program.

CSC 525 Artificial Intelligence (3, 0, 3)

Concepts and techniques of artificial intelligence; heuristic search, expert systems, AI languages, natural language processing, and elementary neural networks. PREREQ: regular admission to MSCS program.

CSC 533 Computer Networks (3,0,3)

Direct link networks, packet switching networks, internet working (IP), end-to-end protocols (TCP), Windows socket programming. PREREQ: regular admission to MSCS program.

CSC 540 Software Engineering (3,1,4)

Techniques in computer software specification, design, implementation, testing, documentation, and maintenance; development of large-scale project by students working in teams. PREREQ: regular admission to MSCS program and CSC 502.

CSC 550 Database Management Systems (3,0,3)

Database design, normal forms, concurrent processing, recovery, security, relational model, Structured Query Language, hierarchical and network models. PREREQ: regular admission to the MSCS program.

CSC 560 Operating Systems (3,0,3)

Internal structures and algorithms for file systems, I/O memory management and process scheduling; examples drawn from contemporary operating systems such as Unix and Windows. PREREQ: regular admission to MSCS program.

CSC 562 Computer Architecture (3,0,3)

Intermediate and advanced topics in microprocessor and memory system design. Examination of architecture at the instruction level and hardware level from a quantitative perspective; implementation of RISC instruction sets, pipelining, parallelism, cache, and virtual memory. PREREQ: Graduate standing and consent of instructor.

CSC 564 Design and Analysis of Algorithms (3,0,3)

Sorting, searching, graph theory

algorithms, algorithm design techniques; algorithm performance; algorithm classification. PREREQ: regular admission to MSCS program.

CSC 580 Computer Graphics (3,0,3)

Basic concepts of two- and three-dimensional graphics including incremental methods, geometric transformations, windowing and clipping, hidden line and surface algorithms, and animations. PREREQ: regular admission to MSCS program, and MAT 225 or equivalent.

CSC 582 Computer Security (3,0,3)

Cryptographic algorithms and protocols, secure programming, host, network, and data security, attacks and defenses, policies and procedures. PREREQ: MSIS 640 or CIT 570 or regular admissions to MSCS program.

CSC 584 Cryptography (3, 0, 3)

Cryptology of classical ciphers, DES and AES, public key cryptosystems, authentication and cryptographic hash functions. PREREQ: Consent of instructor.

CSC 585 Theory of Computation (3,0,3)

Regular and context-free grammars; Turing machines; recursive and recursively enumerable languages; uncomputability; the Chomsky hierarchy; complexity classes such as P, NP, and NP-complete. PREREQ: regular admission to MSCS program.

CSC 593 Research Seminar in Computer Science (1-3 sem. hrs.)

Examination and presentation of contemporary research work in computer science. PREREQ: Regular admission into MSCS program.

CSC 594 Topics: Computer Science (3,0,3)

Various advanced topics. PREREQ: regular admission to MSCS program.

CSC 599: Intermediate Directed Study (1-3,0,1-3)

PREREQ: Regular Admission to MSCS Program, consent of instructor.

CSC 601 Advanced Programming Workshop (3,0,3)

Practitioners' workshop on creative approaches to challenging, realistic programming problems; advanced object-oriented and generic design patterns; use of appropriate tools and critical evaluation of solutions. PREREQ: CSC 502.

CSC 625 Advanced Artificial Intelligence (3,0,3)

In-depth study of current topics in artificial intelligence such as machine learning,

pattern recognition, intelligent agents, data mining, and natural language understanding. Specific topics may vary by semester. PREREQ: CSC 425 and CSC 464.

CSC 633 Advanced Computer Networks (3,0,3) Content distribution, routers and queue management, multicast routing, mobility and the network layer, wireless links, multimedia networking. PREREQ: CSC 502, CSC 533, and CSC 560.

CSC 640 Advanced Software Engineering (3,0,3) Effective software development methods: software design, quality management, improving the software process. PREREQ: CSC 540.

CSC 645 Software Interface Design and Human Factors (3,0,3) Graphical user interfaces for computer applications; usability engineering research and practice; software tools; design and implementation projects. PREREQ: CSC 540.

CSC 650 Advanced Database Systems (3,0,3) Continuation of CSC 550; advanced database programming and data modeling; object-based systems; parallel systems; data warehousing and other advanced topics. PREREQ: CSC 502 and CSC 550 or equivalent.

CSC 660 Advanced Operating Systems (3,0,3) Advanced operating system capabilities such as concurrency, networking, distributed file systems, clustering, and multiprocessing; case studies in design and internal organization of contemporary operating systems. PREREQ: CSC 560 and CSC 502.

CSC 666 Secure Software Engineering (3,0,3) Secure software development processes, threat modeling, security requirements and policies, secure architecture and design, secure coding principles, verification and validation of software security. PREREQ: CSC 540 and CSC 582.

CSC 670 Social Implications of Computing (3, 0, 3) Social, ethical, and legal issues arising in development and dissemination of computer software and its associated technologies; critical thinking and written expression. Assumes experience in professional software development. PREREQ: 6 hours of graduate level coursework in the MSCS or MSIS program, or consent of instructor.

CSC 680 Advanced Computer Graphics (3, 0, 3) Representing curves and surfaces; using color, illumination, shading; visible-surface determination; advanced modeling techniques; collision detection and intersection geometry; virtual physics; real-time rendering, scene graph architectures, and high-performance game engine design. PREREQ: CSC 480 and CSC 502.

CSC 682 Cryptography and Computer Security (3,0,3) Host and network security, exploits, tools, policies, security models; theory and implementation of cryptographic algorithms and methods. PREREQ: CSC 564.

CSC 685 Logic and Computation (3,0,3) Introduction to formal reasoning applied to computer science; propositional and predicate logic; algebraic specification of abstract data types; program correctness; survey of computability theory. PREREQ: CSC 485 and CSC 601.

CSC 691 Thesis Direction (1-6,0,1-6) Guided thesis direction for students electing the thesis option for the MS in Computer Science. PREREQ: Consent of MSCS program director.

CSC 694 Advanced Graduate Topics in Computer Science (3,0,3) Various topics. May be repeated for credit when topics vary. PREREQ: regular admission to MSCS program and consent of instructor.

CSC 699 Directed Readings/Independent Study (1-3 semester hours) PREREQ: consent of instructor.

College Student Development CSD

CSD 610 Organization and Administration of Higher Ed (3,0,3) Students examine theories and practices relevant to understanding the organization and administrative activities of institutions of higher education.

CSD 640 Theories of College Student Development (3,0,3) Examines and explores the major theories of student development. Discussion will be centered on the application of theories to the different types of student groups found on college campuses.

CSD 650 Student Affairs in Higher Education (3,0,3) The primary goal of this course is to provide a comprehensive introduction to the

field of student affairs and its role within the context of American higher education.

CSD 689 Capstone Seminar in College Student Development (3,0,3) Professional seminar designed to integrate the core curriculum and practical experiences, and to prepare students for the transition to professional positions. PREREQ: COU 600, COU 610, COU 640, COU 650, CSD 610, CSD 640, CSD 650

CSD 691 Internship in College Student Personnel (3,0,3) The internship in student personnel is designed to provide students with the opportunity to integrate cognitive learning with practical experiences in the area of student personnel services. PREREQ: COU 600, COU 640, COU 650, CSD 610, CSD 640, CSD 650

Dance DAN

DAN 599 Individual Studies in Dance (1-3,0,1-3) Individual creative or research projects in one or more areas: Ballet, Jazz, Tap, Modern, Choreography. Projects directed by DAN faculty must be approved prior to registration. May be repeated for a maximum of nine hours. PREREQ: Consent of Chair of Theatre and Dance.

Economics ECO

ECO 580 Economics for Teachers (1-3 sem. hrs.) A conceptual framework for the study of economics and overview relating to the basic economic problem, economic systems, resource allocation, economic growth and stability, economic institutions, and goals. Foundation course intended for classroom teachers with little or no background in economics. Open only to students majoring in education. PREREQ: consent of instructor.

ECO 594 Topics: Teaching Economics (1-3 sem. hrs.) Strategies and activities for teaching economics and selected economic topics at the elementary and secondary levels; instructional resources and their effective use in the classroom; sample curriculum guides; curriculum development activities. May be repeated for credit when topics vary. Open only to students majoring in education. PREREQ: consent of instructor.

ECO 610 Business and the Changing Global Environment (3,0,3) Nature of the business organization; broad, integrated view of contemporary issues and environments in which businesses operate; themes to be carried forward throughout the MBA program, including global nature of business, total quality management, and legal and social responsibilities of business. PREREQ: admission to the MBA program or permission of MBA director.

ECO 625 Managerial Economics (3,0,3) Examination of the three key elements of organizational architecture—decision rights, incentive systems, and control systems; application of transaction cost theory to organizational behavior and corporate governance. PREREQ: admission to the MBA program or consent of MBA director.

ECO 694 Selected Topics in Economics (3,0,3) Study of a selected contemporary area in economics; Topic listed in *Schedule of Classes*. Repeatable for a maximum of 6 semester hours if topics differ. Open only to MBA students. PREREQ: ECO 625.

ECO 699 Independent Study in Economics (3,0,3) Specialized aspect or topic in economics chosen by student and appropriate faculty member. Subject to academic regulations pertaining to independent study as given in MBA catalog. Open only to MBA students. PREREQ: ECO 625.

Education Administration EDA

EDA 601 Introduction to School Leadership and Administration (3,0,3) School leadership and administrative responsibilities; understanding schools as complex organizations; facilitating leadership to create a work climate supportive of excellence in teaching and learning. PREREQ: Admission to program.

EDA 610 School Leadership Practicum (3,0,3) Role of the school principal in practice with emphasis on changes in society and in the schools. This course requires that students spend time interacting with practicing school administrators in schools. PREREQ: EDA 601 and EDA 631.

EDA 624 Technology and Best Practices for School Improvement (3,0,3) Identifying

the best practices of school improvement documented by research; application of these practices to diverse school contextual setting; practice and application in researching worldwide school improvement activities and research through internet searches and library databases. PREREQ: Admission to program.

EDA 627 School Finance and Support Services (3,0,3) Concepts in school finance and school business management; national, state, and local issues; school support services including transportation, facility planning and maintenance, food service, and risk management. PREREQ: EDA 601, EDA 624, EDA 628, and EDA 631.

EDA 628 School Law and Ethics (3,0,3) Legal and ethical issues as related to practical problems of school administration; constitutional provisions and court decisions and their impact on education. PREREQ: admission to program.

EDA 631 Leadership for School Program Collaboration (3,0,3) Preparation of school leaders to administer integrated instructional support programs in schools and districts; leadership requirements needed to facilitate collaboration among school and community-based programs that provide and support student learning. PREREQ: Admission to program.

EDA 634 Leadership for Human Resources Development in Schools (3,0,3) Encouraging participation in an analytic process of examining problems and issues grounded in major conceptual, theoretical, and empirical literature on human resource development/human systems learning; people in school organizations and their learning. PREREQ: EDA 601 and EDA 631.

EDA 638 The Supervisor (3,0,3) Examines concept of school culture, supervision skills and approaches, observation instruments, and action models for instructional supervision. This course takes a proactive school success approach to school administration.

EDA 640 Legal and Parent Issues in Special Education (3,0,3) To participate in the delivery of a free and appropriate public education for children with disabilities and to understand the roles and responsibilities of the school administrator in maximizing educational results for children with and without disabilities.

EDA 646 Leadership for School Community Relations (3,0,3) Assisting school personnel communicate effectively with the many publics represented in a school attendance area and/or school district; internal and external communications, program development, and implementation and interpretation of the total school program; assessment and evaluation, professional communities, and diversity. PREREQ: EDA 601 and EDA 631.

EDA 650 Leadership for School Program Improvement (3,0,3) Preparing school leaders to guide, facilitate, and support curriculum, instruction, and assessment and to create a learning environment that promotes student achievement. PREREQ: EDA 601 and EDA 631.

EDA 669 Leadership for School Problem Solving (3,0,3) Principles and methods of systematic site-based problem identification, diagnosis, and solution for the improvement of practice in school settings. This course requires that students spend time interacting with practicing school administrators in schools. PREREQ: EDA 601 and EDA 631.

Graduate Education EDG

EDG 600 Applied Research (3,0,3) Major methods and techniques; comprehension and use of basic statistical procedures.

EDG 601 Cultural and Learning Diversity (3,0,3) Theory and research based principles of effective teaching, human learning, instructional assessment, and multicultural education.

EDG 602 Technology in Education (3,0,3) Uses of technology for educators; effects of technology on classroom and curriculum; evaluation of software; telecommunications; introduction to a programming language; use of word processing, databases, and spreadsheets.

EDG 603 Selected Topics in Technology in Education (1-3 sem. hrs.) Topics and issues in technology in education for teachers. May be repeated for credit when topics vary.

EDG 604 Orientation to Graduate Programs in Education (0,0,0) This mandatory course will provide an orientation to the Master of Arts in Education, to the non-degree fifth-year program or the Rank I programs.

PREREQ: Application for admittance to the Master of Arts in Education, the non-degree fifth-year program or the Rank I programs.

EDG 610 History and Philosophy of Education (3,0,3) Historical and philosophical analyses of education in the U.S.; development of contemporary educational theory and practice.

EDG 613 Comparative Education Systems (3,0,3) Introduction to selected educational systems from an international and comparative perspective. Students will identify common themes in Western and non-western education systems and will compare these systems with that of American education.

EDG 618 Advanced Curriculum Studies (3,0,3) Basic elements of educational policy development and analysis; concepts regarding curriculum theory, design, and instructional systems; influence of social forces on curriculum. COREQ: EDG 619

EDG 619 Advanced Curriculum Field Experience (3,0,3) Examines the relationship between the theory of curriculum development and its implementation in the classroom settings. COREQ: EDG 618.

EDG 620 Learning and Motivation (3,0,3) This course addresses principles of cognitive psychology and brain research for the purpose of improving P-12 student learning and motivation with applications to curricula, learning environments, and instructional strategies.

EDG 621 Introduction to Gifted Education (3,0,3) Historical, philosophical, and psychological foundations of special educational provisions for high-ability students; characteristics, identification, and typical school programs.

EDG 622 Affective and Moral Education in Schools (3,0,3) Historical attempts at moral and affective education; Efforts by school personnel to influence children in the affective and values/ moral areas; critical evaluations of theories and of typical school programs and commercial curriculum material.

EDG 623 Teaching Creative and Higher-Level Thinking (3,0,3) Theories of creativity and problem solving; identifying creative potential; classroom strategies and curriculum materials related to creativity and higher-level thinking.

EDG 624 Pupil Assessment and Evaluation (3,0,3) Various types of pupil assessment and the use and interpretation of each; mastery learning; criterion referenced tests; competency based instruction and evaluation; selection and use of standardized tests; construction of classroom tests.

EDG 625 School Programs for Gifted Students (3,0,3) Theoretical bases and model school programs for high-ability students; procedures for planning and implementing special educational provisions for gifted students; curriculum design and teaching strategies. PREREQ: EDG 621 and EDG 623, or consent of coordinator of graduate studies in education.

EDG 626 Classroom Management and Discipline (3,0,3) Practical and theoretical problems associated with classroom discipline; application of alternative strategies for preventive and remedial discipline.

EDG 627 Seminar and Field Experiences in Gifted Education (2,2,3) Research and discussion of critical problems in gifted education; application of knowledge and skills in gifted education in one or more settings with gifted students; planning, supervised teaching, and advocacy techniques. PREREQ: EDG 621, EDG 623, and EDG 625, or consent of coordinator of graduate studies in education.

EDG 629 Special Topics in Gifted Education (1-6 sem. hrs.) In-depth study of one dimension of recent research, theory, and curriculum design, or teaching strategies in gifted education.

EDG 630 Language and Learning Across the Curriculum (3,0,3) This course will enable teachers at all levels in every subject area to evaluate the language skills their students have, to determine the language skills their students need to succeed, to plan instruction which incorporates the needed language skills, and to evaluate the degree to which student learning is improved.

EDG 632 Language and Literacy (3,0,3) Theories of language acquisition; application of linguistic theories to the teaching of literacy. PREREQ: EDG 630 or equivalent.

EDG 634 Reading Instruction in the Primary Grades (3,0,3) Principles underlying the teaching of beginning reading; approaches and materials. PREREQ: EDG 630.

EDG 636 Reading Instruction in the Middle Grades (3,0,3) Principles underlying the teaching of reading in the middle grades; approaches and materials applicable to the teaching of developmental, content, recreational, and corrective reading. PREREQ: EDG 630.

EDG 637 Analysis of Reading Problems and Related Disorders (3,0,3) Principles and practices for diagnosing reading problems and other communication disorders. Required for endorsement as a reading specialist in Kentucky. PREREQ: EDG 630 (or other approved advanced foundations of reading course) and EDG 632.

EDG 638 Research and the Improvement of Classroom Instruction in Reading (3,0,3) Critical appraisal of classical and current research in the teaching of reading; development and implementation of designs for improving classroom instruction based on knowledge of current research and assessment of classroom needs. PREREQ: EDG 630.

EDG 639 Correction of Reading Problems and Related Disorders (3,0,3) Principles and practices for remediation of reading and other communication disorders. Required for endorsement as a reading specialist in Kentucky. PREREQ: EDG 630 (or other approved advanced foundations of reading course) and EDG 637.

EDG 640 Elementary School Science (3,0,3) Nature and dimensions of elementary school science; research base, traditional and current trends, and practical perspectives; discussion and direct involvement in the laboratory.

EDG 644 Aquatic Ecology for Teachers (3,0,3). The sciences of biology, geology, meteorology, chemistry, and physical sciences are integrated to teach about water quality through a field-based investigation of the Ohio River and streams. The course is taught during the summer at the Center for Ohio River Research and Education. Students apply the content and skills learned during the course to the State/School District Science Standards and a lesson plan product. Curriculum and community resources related to water resources are emphasized. Required field trips. Applicable to Masters degree, Rank 1 certification, Environmental Education Endorsement, and Mathematics/Science Education specialization.

EDG 645 Fundamentals of Environmental Education (3,0,3) A web-based course that provides an introduction to the field of environmental education, including the basic history and philosophy, methodologies, state initiatives, national standards, and current trends in the field. Required for Kentucky Environmental Education Endorsement.

EDG 648 Developing Writing Programs for Elementary and Secondary Schools I (3,0,3) Theories of writing and planning of developmental writing programs for specific grade levels and for school-wide programs across disciplines. May be taken concurrently with EDG 649. Same as ENG 648.

EDG 649 Developing Writing Programs for Elementary and Secondary Schools II (3,0,3) Includes workshop experience in peer teaching and preparation of manuscripts. May be taken concurrently with EDG 648. Same as ENG 649. PREREQ or COREQ: EDG 648.

EDG 650 Research and Theory in Early Child Development (3,0,3) Current research and theory in child development; research results appropriate to teaching in nursery, daycare, and public school settings. Students visit local innovative settings and evaluate through reflective discussion. Research project required. PREREQ: EDG 600.

EDG 652 Early Childhood Development and Education (3,0,3) Physical, social, psychological, and intellectual development of the child under eight; role of the classroom teacher.

EDG 658 Assessment Techniques for P-12 Math (3,0,3) Learning hierarchies in mathematics, cognitive processes, assessment and instructional techniques; concepts of the elementary school mathematics curriculum. PREREQ: EDU 306 or equivalent.

EDG 659 Selected Topics in Mathematics Education (1-3 sem. hrs.) Current trends, topics, and issues in mathematics education. May be repeated for credit when topics vary. PREREQ: EDU 306 or equivalent.

EDG 660 Learning and Behavior Disorders (3,0,3) Definitions, etiological factors, assessment, and remedial approaches for learning and behavior disorders.

EDG 662 Educational Assessment of Learning and Behavior Disorders (3,0,3) Principles, instruments, and procedures to place

and plan instruction for students with learning or behavior disorders. PREREQ: EDG 364 or EDG 660.

EDG 663 Behavior Analysis Procedures for Students with Exceptionalities (3,0,3) Principles of behavior analysis applied to curriculum, methodology, and management of students with disabilities; behavioral teaching methods contrasted with alternative management techniques. PREREQ: EDG 660 or EDS 561.

EDG 664 Procedures and Materials for Remediating Learning and Behavior Disorders (3,0,3) Variables, procedures, and materials for developing, conducting, and evaluating remedial education programs. PREREQ: EDG 662.

EDG 666 Introduction to Education of Students with Exceptionalities (3,0,3) Characteristics of and special programs for children with disabilities or who are gifted and talented. For regular classroom teachers.

EDG 667 Collaboration and Inclusive Practices (3,0,3) Legislation and instructional practices relating to the education of students with special needs. The course covers various methods of collaboration as well as locating, adapting, and developing materials and methods for including students with disabilities in general elementary, middle, and secondary classrooms.

EDG 674 Contemporary Problems in Education Administration (3,0,3) Major contemporary issues in education administration; evaluation of issues and attempted solutions; development of a personal position.

EDG 680 Issues in Education (3,0,3) Major contemporary issues in education; evaluation of attempted solutions; development of a personal position.

EDG 681 Supervision of Student Teachers (3,0,3) Development of appropriate student teacher supervision technique; planning prior to student teacher arrival; systematic induction into teaching through defined observation and participation experiences; conference and evaluation techniques; other policies and procedures of student teacher supervision. PREREQ: two years of teaching experience.

EDG 683 Research Seminar in Education (3,0,3) Completion of a proposal. Required

for those who elect to write a thesis or project. Must precede EDG 695.

EDG 684 Guidance Services in Education (3,0,3) Philosophy and functions of guidance programs in elementary, middle, and high schools.

EDG 685 The Principalsip (3,0,3) Application of administrative theory to school or simulated situations; role of the principal in providing an excellent learning environment in a continuously changing society. PREREQ: admission to instructional leadership program.

EDG 686 Utilizing Media Resources (K-12) (3,0,3) Instructional technology as a systematic approach to teaching and learning; operation and application of media equipment; evaluation of instructional materials and presentation of mediated lessons.

EDG 690 Administrative Field Experience (3,0,3) On-site administrative and supervisory experiences in form of a practicum; linking concepts of administrative/supervisory theory with practical aspects of the experience. PREREQ: admission to educational leadership program and consent of instructor.

EDG 693 Selected Topics in Education (1-3 sem. hrs.) Specific topics in education based on the Experienced Teacher Standards as well as current trends and issues. May be repeated for credit when topic varies.

EDG 694 Graduate Seminar (1,2,2) The purpose of this seminar is to provide a forum in which students can synthesize and share the knowledge, skills, experiences, and attitudes gained through the graduate program.

EDG 695 Master's Thesis or Project (3,0,3) Required for those who elect to write a thesis or project. PREREQ: EDG 683 and consent of instructor.

EDG 696 Topics in Special Education (1-6 sem. hrs.) In-depth study of a current topic in special education. May be repeated for credit when topics vary. PREREQ: EDG 660 or equivalent.

EDG 697 Thesis/Project Continuing Credit (1,0,1) Continuing enrollment for students needing more than one semester to complete EDG 683 Research Seminar in Education or EDG 695 Master's Thesis or Project. This

course must be repeated each semester until the project or thesis is completed. Limit of six semesters exclusive of summers. Graded pass/ fail. Credit from this course may not be used to fulfill requirements for any graduate program. PREREQ: EDU 683 or EDG 695.

EDG 698 K.E.T. Study (1-3 sem. hrs.) Selected courses offered through the Kentucky Educational Television network.

EDG 699 Selected Problems in Education (1-3 sem. hrs.) Individual or group in depth study. PREREQ: consent of education chair.

Master of Arts in Teaching EDMT

EDMT 542 Methodology/Pedagogy in Middle School/Secondary Business/Marketing (3,0,3) Theories, methods/techniques and technologies in designing, delivering and evaluating instruction in middle school and high school business/marketing.

EDMT 543 Methodology/Pedagogy in Middle School/Secondary Science (3,0,3) Theories, methods, techniques and technologies in designing, delivering and evaluating instruction in middle school and high school science.

EDMT 544 Methodology/Pedagogy in Middle School/Secondary Math (3,0,3) Theories, methods/ techniques and technologies in designing, delivering and evaluating instruction in middle school and high school mathematics. COREQ: EDMT 696.

EDMT 545 Methodology/Pedagogy in Middle School/Secondary Social Studies (3,0,3) Theories, methods/techniques and technologies in designing, delivering and evaluating instruction in middle school and high school social studies. COREQ: EDMT 696.

EDMT 594 Special Topics in Education (1-3 semester hours) Individual or group in depth study. PREREQ: consent of MAT coordinator.

EDMT 610 Foundations of American Schooling (2,0,2) Examination of teaching as a profession and of schooling as it currently functions in the U.S.; inquiry into contemporary educational theory and practice.

EDMT 611 Studies of the Learners (2,0,2) Life-span development: physical, cognitive,

social and personal development, especially as these relate to children in school and to adults who influence them; individual study focusing on student development at specific levels of instruction.

EDMT 612 Classroom Management (2,0,2) Recent research and theory related to planning, organizing and managing student learning and behavior in the classroom.

EDMT 621 Students with Exceptionalities in Regular Middle/Secondary Classrooms (2,0,2) The course will focus on characteristics of students with exceptional learning needs, and legal issues.

EDMT 622 Cultural Identity and Schooling (2,0,2) Role cultural identity plays in students' experiences in schools; how theories of prejudice assimilation, feminism and cultural reproduction explain patterns of behavior in schools; curricular changes to address the inclusion of all students in today's schools.

EDMT 631 Special Education Adaptations in Regular Middle/Secondary Classrooms (1,0,1) The course will focus on adaptations to the general curriculum adaptive teaching strategies, behavior management and collaboration skills.

EDMT 632 Curriculum Design and Assessment (3,0,3) Principles and strategies for effective middle/secondary teaching; teaming for faculty and students, curriculum planning, general teaching methods, assessment strategies, and classroom management.

EDMT 641 Technology in Middle/Secondary Classrooms (2,0,2) Introduce students to the utilization of computers in the educational process; focus on technological solutions necessary for a professional career as a teacher.

EDMT 692 Middle/Secondary Practicum I (0,2,0) Application of instructional theory to middle/ secondary grade classroom settings.

EDMT 693 Middle/Secondary Practicum II (0,2,0) Practice in planning and implementing instructional strategies with middle/secondary grade school students.

EDMT 694 Middle/Secondary Practicum III (0,2,0) Practice in planning and implementing instructional strategies with middle/secondary grade students.

EDMT 696 Middle/Secondary Student Teaching (0,9,0) Classroom experiences through observation, planning, teaching, and assessing under supervision of an experienced teacher.

Educational Specialties EDS

EDS 561 Mental and Orthopedic Disabilities (3,0,3) Characteristics and educational programs for students who have mental retardation or orthopedic and/or other health impairments. PREREQ: EDG 666 or EDS 360 or equivalent.

EDS 562 Early Childhood Special Education Programs (3,0,3) Special needs of handicapped preschool children; adapting preschool programs to accommodate handicapped children. PREREQ: EDS 360 or equivalent.

EDS 570 Working with Families of Students with Disabilities (3,0,3) Information, skills, and resources for effective interaction with parents and families of children with disabilities. PREREQ: EDS 362 and EDS 364, or equivalent.

EDS 572 Secondary Special Education Programs (3,0,3) Characteristics of adolescents with learning and behavior disorders; educational programming for secondary students with mild disabilities. PREREQ: EDS 360 or EDG 660 and EDS 561.

EDS 588 Professional Laboratory Experiences (3-6 sem. hrs.) Classroom field experience in added area of certification; individual project. PREREQ: completed coursework for certification; valid teaching certificate.

Education EDU

EDU 504 Context, Policy, and Organization of Middle/Secondary Education in Society (4,0,4) Internal and external forces shaping the direction of education in America; school finance, school law, reform in education, multicultural education, historical antecedents, and philosophical educational undergirdings in America as related to contemporary educational theory and practice.

EDU 505 Behavior, Development, and Learning (3,0,3) Understanding of human

development and behavior, the learning process, teaching models, and contemporary practices, procedures, and skills in the profession; obtaining information in these areas and applying it to the teaching process.

EDU 515 Instructional Design and Curriculum (3,0,3) Basics in formation and experiences regarding general curriculum theory and design for regular, exceptional, and multicultural students; visits to designated schools for practical application of curriculum and design.

EDU 519 Effective Teaching and Learning (3,0,3) Basic information and experiences in teaching and learning for middle/secondary teachers; teaching methods/strategies; research in teaching; classroom management, motivation, assessment, evaluation, and measurement; grading policies/ procedures, communications, and technology.

EDU 530 Reading in Junior and Senior High School (3,0,3) Principles and procedures related to reading in grades 12; basic reading skills, study skills, content fields, and reading programs. For teachers of all subjects. Required of students seeking certification to teach English.

EDU 546 Teaching Environmental Education (3,0,3) Principles and goals, curriculum models, teaching strategies, classroom and community resources, outdoor education, and research. PREREQ: admission to the teacher education program, or concurrently with the admission semester.

EDU 550 Current Trends in Early Childhood Education (2,0,2) Review of research in early childhood education; types of early childhood programs; parent education; working with disadvantaged children; significant issues in early childhood education. COREQ: EDU 551 (for graduate credit).

EDU 551 Classroom Activities in Early Childhood Education (0,2,1) Activities and instructional resources appropriate for preschool children. COREQ: EDU 550 (for graduate credit).

EDU 564 Collaboration In Early Childhood Education (3,0,3) Multidisciplinary and transdisciplinary teaming; communication skills necessary for collaboration; cultural differences, assistive technology, curriculum, and environmental designs with regard

to collaborative early childhood programs.
PREREQ: EDS 562 or equivalent.

EDU 566 Assessment In Early Childhood Education (3,0,3) Relation of best practices in traditional and dynamic assessment to child development; determination of eligibility for services; participation in a collaborative, supervised assessment of one child; writing an assessment report, IEP, and ISFP using assessment data. PREREQ: EDS 562 or equivalent.

EDU 568 Administration and Supervision In Early Childhood Education (3,0,3) Development of policies and procedures for administration and supervision in diverse early childhood programs; identification of funding sources; inquiry into ethical behavior and development of personal code of ethics and supervisory skills; program model design. PREREQ: EDS 562 or equivalent.

EDU 594 Professional Laboratory Experiences (12 sem. hrs.) Student participation in peer teaching experiences on campus and in field-based situations; materials, methods, innovative programs, and curricula; completion of a 12-week experience in the classroom; inquiry into teaching and the role of schools in American society.

EDU 595 Special Topical Seminars (3-6 sem. hrs.) Student participation in professional development seminars; trends, program dimensions, current issues in education and in the profession, and other culminating experiences.

EDU 598 Orientation (1-6 sem. hrs.) Student participation in orientation experiences in alternative teacher certification program; procedures, policies, standards, and resources; certification and program requirements; administration of CTBS and NTE batteries of tests to course participants; development of portfolios, KTIP procedures, and KERA requirements.

EDU 599 Selected Problems in Education (1-3 sem. hrs.) Individual or group in-depth study. PREREQ: consent of education chair.

Executive Leadership and Organizational Change ELOC

ELOC 610 Leadership Assessment and Development (3,0,3) The course provides a framework for students to assess and

develop their own leadership competencies and prepares them to assess and develop the competencies of others in organizations. The course addresses career development, leadership coaching, self-leadership, lifelong learning, and the development of emotional intelligence competencies.

ELOC 615 Teams and Conflict Management (3,0,3) The course prepares students to work in and to lead teams and to manage conflict in appropriate ways. The course emphasizes the development of positive interpersonal behaviors for teams, team building, effective decision-making and other team processes, and managing the sources of conflict and conflict behaviors in order to resolve organizational problems.

ELOC 620 Field Research Methods (3,0,3) The course prepares students to engage in their first field research projects between the first and second year of the program. The course focuses on collaborative and innovative research methods of data collection, data analysis, and data reporting.

ELOC 625 Creating High Performing Organizations (3,0,3) The course focuses on how managers promote a high-performing workforce of employees who are competent, committed, and who are involved in meaningful decision-making in the organization. This course will address the components of performance management, various forms of employee involvement, and innovation.

ELOC 630 Organizational Strategy Development and Systems Thinking (3,0,3) This course focuses on the process of formulating strategy and the importance of strategy implementation. The course will examine the relationship between strategy, structure, and organization design. Specific topics include: organization theory, open systems analysis, and socio-technical systems analysis as well as specific interventions such as downsizing, and re-engineering.

ELOC 635 Managing Organizational Change (3,0,3) This course examines theories of planned organizational change and their application to organizations. Students will learn how to lead, plan, and implement successful organizational change. The course focuses on issues of organizational culture, organizational learning and knowledge management, mergers and acquisitions, partnerships, and other forms of transformational change.

ELOC 640 Organizational Consultation (3,0,3) This course will address the study of the consultation process including the skills and techniques involved in action research. The course will focus on entry, contracting, organizational scanning, preliminary diagnosis, and large system interventions. Specific interventions discussed include appreciative inquiry, future search, open spaces, and large-scale change. Ethical and legal issues associated with consulting will also be examined.

ELOC 645 Integrating Organizational Change and Leadership (3,0,3) This course is designed as a capstone course that integrates the knowledge and competencies acquired in previous courses. Systems change is required to create lasting organizational change and this course will require students to develop total system change strategies. Global organizational development issues will be considered as well.

ELOC 660 First Year Public Engagement Practicum (3,0,3) Students will work in groups on a leadership and organizational change project in a non-profit organization under the close guidance of a faculty member. The public engagement practicum provides students with the opportunity to develop their field practice skills, collaborate in applying learning from the first year in the program, and engage with a community client.

ELOC 665 Graduation Field Research Project (3,0,3) Each student will work individually on designing and conducting an organizational change or leadership project that will allow them to apply their competencies in an active organization under guidance of a faculty advisor. Each student will submit a thesis-quality report at the end of their project.

English ENG

ENG 500 Poetry (3,0,3) Advanced study of poetry. May be repeated for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 501 Drama (3,0,3) Advanced study of dramatic literature. May be repeated for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 505 Medieval Literature (3,0,3) Advanced study of literature from the Medieval period. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 515 Renaissance Literature (3,0,3) Advanced study of literature from the Renaissance. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 525 Restoration and 18th-Century Literature (3,0,3) Advanced study of Restoration and 18th-century literature. May be repeated once for credit when topics vary. PREREQ: Six units of literature at the undergraduate level or graduate standing.

ENG 530 Readings in the English Language (3,0,3) Topics about the language and its use: specialized readerships, applications, and theories. May be repeated for credit when topics vary. PREREQ: 6 semester hours of literature at the undergraduate level.

ENG 531 English Grammar for Teachers of ESOL (2,0,2) Review of English grammar from pedagogical point of view. Does not count toward English major. PREREQ: 6 semester units of literature and consent of instructor.

ENG 540 Problems in English (3,0,3) Pedagogical topics such as rhetoric, literary analysis, and evaluation of student work; topics suitable for elementary and secondary teachers. May be repeated for credit when topics vary. PREREQ: 6 semester hours of literature at the undergraduate level.

ENG 541 Linguistics for Teachers of ESOL (2,0,2) Overview of linguistics for teachers of ESOL. Does not count toward English major. PREREQ: 6 semester units of literature and consent of instructor.

ENG 546 Grant Writing (3,0,3) Theory and practice of preparing and analyzing grant applications. Special focus on the grant process in academic settings. Open to graduate students and, with permission of instructor, advance undergraduate students.

ENG 556 Composition/Rhetoric Theory and Pedagogy (3,0,3) Advanced study in composition/rhetoric. May be repeated for credit

when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 560 American Literature Before 1865 (3,0,3) Advanced study of American literature written before 1865. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 565 American Literature After 1865 (3,0,3) Advanced study of American literature written after 1865. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 575 20th century British Literature (3,0,3) Advanced study of British literature written in the twentieth century. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 580 Studies in Literature (3,0,3) Special topics in literature; genres, interdisciplinary subjects, individual authors. May be repeated for credit when topics vary. PREREQ: 6 semester hours of literature at the undergraduate level.

ENG 581 Major Authors (3,0,3) Advanced study of one or more major literary authors. May be repeated for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 582 Special Topics (3,0,3) Advanced study of special topics in literary studies. May be repeated once for credit when topics vary. PREREQ: Six semesters of literature at the undergraduate level or graduate standing.

ENG 603 Business Communications (3,0,3) Principles and practices of methods of written and oral communications at the management level. Same as SPE 603.

ENG 610 The Teaching of Composition (3,0,3) Activities, materials, objectives, and curricula for secondary school writing instruction. May be repeated to a maximum of 6 semester hours as topics vary.

ENG 620 The Teaching of Literature (3,0,3) Activities, materials, objectives, and curricula for secondary literature instruction.

May be repeated to a maximum of 6 semester hours as topics vary.

ENG 648 Developing Writing Programs for Elementary and Secondary Schools I (3,0,3) Theories of writing and planning of developmental writing programs for specific grade levels and for school-wide programs across disciplines. May be taken concurrently with ENG 649. Same as EDU 648.

ENG 649 Developing Writing Programs for Elementary and Secondary Schools II (3,0,3) Includes workshop experience in peer teaching and preparation of manuscripts. May be taken concurrently with ENG 648. Same as EDU 649.

ENG 655 Studies in British Literature Before 1750 (3,0,3) Authors, genres, themes, and traditions from earlier periods of British literature (Anglo-Saxon through 18th century) May be repeated once for credit with different topic.

ENG 657 Studies in British Literature Since 1750 (3,0,3) Authors, genres, themes, and traditions related to British literature from the late 18th century to recent times. May be repeated once for credit with different topic.

ENG 665 Studies in American Literature Before 1865 (3,0,3) Authors, genres, themes, and traditions related to American literature from colonial period to end of Civil War. May be repeated once for credit with different topic.

ENG 667 Studies in American Literature Since 1865 (3,0,3) Authors, genres, themes, and traditions related to American literature since end of Civil War. May be repeated once for credit with different topic.

ENG 670 Studies in Continental European Literature (3,0,3) Authors, genres, themes, and traditions related to cultures and literatures of continental Europe. May be repeated once for credit with different topic.

ENG 680 Studies in Literary Criticism and Theory (3,0,3) Issues in the history of literary criticism and recent literary theory. May be repeated once for credit with different topic.

ENG 685 Studies in Comparative Literary Forms and Themes (3,0,3) Issues in form and meaning of literatures from various cul-

tures and languages. May be repeated once for credit with different topic.

Entrepreneurship ENTP

ENTP 640 Entrepreneurship and Innovation (3,0,3) Creating value through innovation; understanding Entrepreneurs; seeking and evaluating opportunities; gathering resources to convert these opportunities into valuable outcomes; and writing a business plan. PREREQ: ACC 605, FIN 605, and MKT 625 or consent of MBA director.

ENTP 670 Managing Growth and Entrepreneurship in Organizations (3,0,3) Managing growing firms and innovation within organizations; advanced study of factors making an organization effective at each stage of growth and the key management systems that are primary tools in managing an entrepreneurial organization: strategic planning, organizational design, organizational development, control systems, and leadership. PREREQ: ENTP 640 or consent of MBA director.

ENTP 680 Corporate Entrepreneurship (3,0,3) Concepts of change, innovation, and corporate venturing; entrepreneurial behavior and the development and implementation of programs to encourage entrepreneurship (creating value through innovation) in midsize and large firms. PREREQ: ACC 605, FIN 605, and MKT 625 or consent of MBA director.

ENTP 696 Field Experience: Entrepreneurial Studies (3,0,3) Practicum course offering insight into the entrepreneurial process of managing and growing a business where students, with a faculty member, work in large or small entrepreneurial organizations with problems related to entrepreneurial management issues. Guest speakers from regional business community. Students may seek to obtain approval to repeat this course for 3 additional hours credit. PREREQ: ENTP 640 or consent of MBA director.

ENTP 699 Independent Study: Entrepreneurship (1-3,0,1-3) Students pursue a topic or project of interest to them. Meeting times arranged with instructor. PREREQ: ENTP 640 and consent of instructor.

Environmental Science ENV

ENV 578 Environment Issues for Educators (1,4,3) Information and application of environmental issues for classroom use. Interrelationship of local issues and global issues. Required field trips. PREREQ: Permission of instructor.

English as Second Language ESL

ESL 599 Traditional Linguistics (2,0,2) To provide an overview of the field of linguistics, identifying the interests and concerns of its various branches and the work of some well-known linguists associated with them. PREREQ: Admission to the graduate program.

ESL 602 Testing and Evaluation in Second Language Teaching (2,0,2) This course will allow the ESL teacher to develop knowledge of the principles and issues involving tests and evaluation in the second language.

ESL 603 Methods/Materials: Reading, Writing and Grammar (3,0,3) This course provides you with opportunities and strategies to review and evaluate materials (textbooks and supplementary materials) used in teaching ESL. We consider practical ways of adapting texts and materials for different purposes and different kinds of learners. PREREQ: Admission to the graduate program.

ESL 604 Methods/Materials Listening Speaking Pronunciation (3,0,3) This course is designed so that each student examines content, methodology and materials in teaching listening, speaking, and pronunciation to diverse groups of English learning students. This course will expose you to a wide range of classroom practices that have been used to assist ESL/EFL students in the development of reading, writing, and grammar. PREREQ: Admission to the graduate program.

ESL 605 Second Language Acquisition for Classroom Teachers (3,0,3) This course will prepared qualified ESL teachers who must demonstrate knowledge of the language acquisition processes in first and second language learning, age differentials in language learning, and individual learning styles. ESL teachers must apply knowledge of the nature of learning in second language

simultaneously with, or subsequent to, one's first language. Teachers should recognize linguistic, cognitive, affective, cultural, and social factors influencing the acquisition of another language. PREREQ: Admission to the graduate program.

ESL 606 Content Based Materials in the ESL Classroom (2,0,2) This course provides guidelines for teachers who want to develop materials appropriate for the integration of academic content with English language skills for English language learners. PREREQ: Admission to the graduate program.

Finance FIN

FIN 605 Fundamentals of Finance (2,0,2) Analytic techniques for decision making; basic financial analysis for managing corporate finances. PREREQ: Admission to MBA program or permission of MBA director.

FIN 625 Financial Management (3,0,3) Financial management and decision making for the corporate financial manager; valuation principles, financing and investment policies, cost of capital, capital structure, and dividend issues. Open only to students in MBA program. PREREQ: ACC 605 and FIN 605, equivalent or consent of MBA director.

FIN 630 Investments and Security Analysis (3,0,3) Capital and securities market theory; structure and regulation; analysis and valuation of fixed and variable return securities including basic derivatives; portfolio selection and management; empirical studies of portfolios and individual stock price movements. Open only to MBA students. PREREQ: FIN 625.

FIN 640 Derivative Securities (3,0,3) Study, analysis, and valuation of various forms of derivatives markets; use of derivatives and strategies for hedging risk or for speculation. Open only to MBA students. PREREQ: FIN 625.

FIN 650 Financial Markets and Institutions (3,0,3) A survey of financial markets and institutions. Coverage includes financial market history, derivatives, duration, interest rate theory and current topics in the field. PREREQ: FIN 625. Open only to MBA students.

FIN 660 International Finance (3,0,3) Financial decision-making and analysis in a mul-

tinational environment; currency valuation and exchange rates; effects of expectations and economic variables such as interest rates and inflation on exchange rates; types of risks and use of derivatives to hedge international exposure. Open only to MBA students. PREREQ: FIN 625.

FIN 694 Selected Topics in Finance (3,0,3) Study of a selected contemporary area in finance; topics listed in Schedule of Classes. Repeatable for a maximum of 6 semester hours if topics differ. Open only to MBA students. PREREQ: FIN 625.

FIN 699 Independent Study in Finance (3,0,3) Specialized aspect or topic in finance chosen by student and appropriate faculty member. Subject to academic regulations pertaining to independent study as given in MBA catalog. Open only to MBA students. PREREQ: FIN 625.

French FRE

FRE 520 Readings in French (3,0,3) Various literary, linguistic, cultural, and pedagogical topics. May be repeated for credit when topics vary. PREREQ: 300-level French course.

Geography GEO

GEO 502 Geography of Kentucky (3,0,3) Cultural, physical, economic, and population characteristics of Kentucky; Kentucky's regional and national importance.

GEO 507 The Local Community: A Geographic Analysis (3,0,3) Geography of Northern Kentucky and Greater Cincinnati; social and economic characteristics of the urban community; regional planning process. PREREQ: GEO 100.

GEO 520 Environmental Resources for Teachers (3,0,3) Environmental problem areas such as energy use, population growth, tropical deforestation, toxic wastes; management of environmental problems; teaching methodologies. PREREQ: 3 semester hours of geography or consent of instructor.

GEO 594 Topics: Geography (3,0,1-3) Study of selected topics. Subfields will be chosen in keeping with interest of the instructor and

will be listed in *Schedule of Classes*. May be repeated for credit when topics vary. PREREQ: 3 semester hours of geography or consent of instructor.

GEO 594 Seminar: Geography (3,0,3) Selected topics in geography. Subfields will be chosen in keeping with the interest of the instructor in charge and will be listed in *Schedule of Classes*. May be repeated as topics change.

German GER

GER 520 Readings in German (3,0,3) Various literary, linguistic, cultural, and pedagogical topics. May be repeated for credit when topics vary. PREREQ: 300-level German course.

Geology GLY

GLY 694 Topics: Geology (1-4 sem. hrs.) May include topics illustrating the principles of geology forms, fossils, and geologic processes. Specific topics are determined in consultation with the student's adviser. May be repeated for a maximum of 12 semester hours. PREREQ: consent of instructor.

Health Education HEA

HEA 525 Methods and Materials in Health Education (3,0,3) Principles, methods, and techniques for developing, implementing, and evaluating health education in P-12 and other appropriate settings; theoretical foundations, teaching methodology and strategies, curriculum designs, and resource materials. PREREQ (undergraduates): admission to teacher education and 9 semester hours in health education or consent of instructor.

HEA 599 Special Topics in Health Education (1-3 sem. hrs.) Individual or group study of a topic of current interest in health education. Topic selected by student with approval of instructor.

HEA 620 Teaching Sexuality Education (3,0,3) Methods of teaching sexuality education; current issues; curriculum, creating an appropriate classroom atmosphere.

HEA 699 Selected Topics in Health Education (1-3 semester hrs.) Independent study of

topics selected from current issues in health education. PREREQ: consent of adviser.

History HIS

HIS 513 The French Revolution (3,0,3) Political, economic, and cultural background of the French Revolution, emphasizing the changing character of the Revolution as it moved in phases from moderate and middle class to radical and violent.

HIS 533 Expansion and Conflict (3,0,3) Conflicts that developed with the physical growth of the U.S. during the period 1828 to 1861 involving Mexico, slavery, and Indians.

HIS 535 Civil War and Reconstruction (3,0,3) Causes of the U.S. Civil War; the war itself; slavery, emancipation, reconstruction; economic, military, and social aspects.

HIS 538 Modern United States History, 1900-1939 (3,0,3) Rise of the U.S. to the status of a major world power; the "Progressive Era" and World War I; the 1920s and the 1930s.

HIS 539 Modern United States History Since 1939 (3,0,3) Social and political developments from 1939 to contemporary society including the civil rights movement.

HIS 541 History of Kentucky (3,0,3) History of Kentucky from 1750 to the present; political, economic, and social issues; how developments in the Commonwealth related to trends in U.S. history.

HIS 543 History of the American Frontier (3,0,3) The westward movement and its effect on national character; expansionism; Indian and land policies; cattle and mining frontiers.

HIS 546 History of the American Family (3,0,3) This discussion-oriented course is a history of the American family from the colonial era to the present. We will examine how and why courtship, marriage, sexuality, divorce, and parent/child relationships have changed over time while paying particular attention to racial, class, and gender differences.

HIS 547 Christian Women's Bodies: A Historical Perspective (3,0,3) This course examines the historical development of

Christian thought and representation of women, the body, and nature through a study of church doctrine and scripture, women's writing, feminist scholarship and theology, and artistic representations of women.

HIS 548 Diplomacy and Foreign Policy of the United States (3,0,3) Historical evolution of U.S. foreign policy from the Revolutionary War to the present; growth of the U.S. from a minor state to a global power.

HIS 552 History of the Old South (3,0,3) The Southern U.S. to 1865; cultural, political economic, and literary trends; African American experience in the South.

HIS 553 History of the New South (3,0,3) The Southern U.S. since 1865; cultural, political, economic, and literary trends; roles of blacks from Reconstruction to present, including the rise of Jim Crowism, legal segregation in the 20th century, desegregation, and civil rights movements in the 1950s, 60s, and 70s.

HIS 555 Local Underground Railroad Research (0,0,3) This course explores the various activities of enslaved African Americans as they attempted to abscond from human bondage by crossing the Ohio River, which legally separated slave states from free states. Special attention will be placed on the abolition movement as well as the development of various African American communities in parts of Cincinnati and northern Kentucky.

HIS 556 African Americans in U.S. Culture, Education, and Politics (3,0,3) African Americans and their interactions within and their contributions to cultural, educational, and political development of the U.S.

HIS 557 History of the Indians of the United States (3,0,3) Native cultural and historical experiences from the 15th to 20th century.

HIS 561 Modernization in the Non-Western World (3,0,3) Rise of self-assertion of Third World nations; political, economic, social, and cultural problems of national development.

HIS 565 The Vietnam War (3,0,3) Roots of Indo-Chinese war in traditional Vietnamese culture as affected by colonialism, nationalism, and Marxism; causes of U. S. military intervention, stalemate, and consequent American political crisis; impact of war on Vietnamese and American societies; debate over lessons of the war.

HIS 570 The Cold War (0,0,3) International perspective on the causes and evolution of the conflict between the United States and the Soviet Union and their allies; effects on world affairs to the fall of the Berlin Wall and demise of the Soviet Union. PREREQ: 3 hours of 100-level history course.

HIS 589 Anglo-American Legal History (3,0,3) Origin and development of the Common Law from Norman beginnings to the present; emphasis on the U.S.

HIS 592 Directed Research in History (0,0,3) Individual research in an area of history under supervision of faculty member. May be repeated once for credit. PREREQ: consent of instructor.

HIS 594 Selected Topics: History (3,0,3) Lecture class in topic not included in regular history curriculum. May be repeated for credit when topics vary.

HIS 596 Internship: History (0,0,3) Supervised work experience in a community history agency or institution or experiential learning in an aspect of public history under the direction of a faculty member. May be repeated once for credit. PREREQ: consent of instructor.

HIS 599 Independent Study: History (0,0,1-3) Individualized study of a special topic under supervision of faculty member. May be repeated for credit when topics vary. PREREQ: consent of instructor.

HIS 636 Industrial America, 1865-1900 (3,0,3) Pre-World War I America; economic, social, and political problems caused by the accelerating industrial and urban changes that marked the country in the transformation from a rural to an urban society.

HIS 644 History of Women in the United States to 1900 (3,0,3) Women's role in U.S. economic, social, political, and cultural development until 1900; participation of women in historical eras from earliest societies through industrialization as experienced in diverse ways depending on racial, ethnic, class, and regional differences. PREREQ: HIS 102.

HIS 645 History of Women in the United States since 1900 (3,0,3) Women's role in U.S. economic, social, political, and cultural development since 1900; participation of women in recent history as experienced in

diverse ways depending on racial, ethnic, class, and regional differences. PREREQ: HIS 103.

HIS 654 Early American Frontier (3,0,3)

Westward movement and its effects on national character to 1840; colonial wars, war for independence, land policy, Indian relations, exploration, fur trade, war of 1812.

HIS 655 Later American Frontier (3,0,3)

Westward movement and its effects on national character since 1840; manifest destiny, great plains, Mormons, mining boom, cattle industry, civil war, relations with Indians, conservation, end of the frontier.

HIS 656 New Viewpoints in American History (3,0,3)

Comparative and revisionist viewpoints of the individual and collective problems of the modern era.

HIS 686 The Second World War (3,0,3)

Origins and prosecution of World War II; its military and diplomatic aspects from an international perspective.

HIS 692 Independent Study: Graduate Research (0,0,3)

Individualized graduate research projects directed by members of the faculty, that must be selected before registration.

HIS 694 Seminar: US History; Ancient History; European History; Latin American History (3,0,1-3)

Detailed and comprehensive readings on an aspect or era determined by instructor. PREREQ: successful completion of at least 18 semester hours of U.S. history; European and/or Asiatic history; European history; U.S. European, and Latin American history.

HIS 699 Independent Study: Directed Readings (0,0,1-3)

Individualized study of a special topic under supervision of a faculty member. May be repeated for credit when topics vary.

Human Services/Mental Health HSR

HSR 500 Multicultural Family Work: Principles and Practices (3,0,3)

Best practices of in service delivery to families of young children at risk; importance of parent worker partnerships and shared decision making in assessment, communication/intervention,

and evaluation; participation in collaborative supervised assessment of one family; family centered services plan. PREREQ: HSR 105 or EDU 570, or equivalent.

HSR 502 Positive Guidance Strategies for Early Childhood Practitioners (3,0,3)

Positive strategies for effectively handling many behavioral concerns that arise while working with young children with and without disabilities; observation and supervised participation in child development settings. PREREQ: EDU 300 or PSY 220, or equivalent.

Information Systems IFS

IFS 605 Managerial Decision Analysis (2,0,2)

An examination of the increasing complexity confronting today's manager. It covers the role of statistics in the business decision-making process. The use of managerial productivity tools to perform quantitative analysis for resolving operational business issues is emphasized. PREREQ: Admission to MBA program or permission of MBA director.

IFS 625 Information Systems in Organizations (3,0,3)

Fundamental concepts of management information systems; managerial and organizational principles and concepts relevant to MIS, the value of information for decision making; organizational structure of MIS; information resource management; managing end-user computing. PREREQ: admission to MBA program or consent of MBA director.

IFS 630 Data Communication and Electronic Commerce (3,0,3)

Understanding key technical and managerial issues of effective development and use of telecommunications by organizations; technology in the context of applications; inter-organizational coordination and service delivery; telecommunications technology, internet and intranet technologies and internet working, and the changing structure of the telecommunications industry. Open only to MBA students. PREREQ: IFS 625.

IFS 640 System Development Methodologies and Project Management (3,0,3)

Introduction to methods, tools and techniques for information system analysis, design, and implementation; managerial issues relating to development of information systems in organizations. Open only to MBA students. PREREQ: IFA 625.

IFS 650 Corporate IS Management (3,0,3)

Overview of contemporary information technology (IT) — computer, telecommunications, and office systems — management issues and principles; setting the direction of IT resources and managing IT policy and strategy. Open only to MBA students. PREREQ: IFS 625.

IFS 670 Database Management Systems (3,0,3)

In-depth investigation of intelligent database management systems in support of business decision making; investigation of all aspects of data modeling, database design, and implementation of relational, object-oriented and semantic databases; data warehouse and data mining and issues surrounding choice, design, and use of such technologies. Open only to MBA students. PREREQ: IFS 625.

IFS 694 Selected Topics in Information Systems (3,0,3)

Topics may vary and may include MIS, database management systems, artificial intelligence, expert systems, decision support systems, office automation, simulation modeling, fourth-generation languages, application generators, and others. Repeatable for a maximum of 6 semester hours when topics vary. Open only to MBA students. PREREQ: IFS 625.

IFS 699 Independent Study in Information Systems (3,0,3)

Specialized aspect or topic in information systems chosen by student and appropriate faculty member. Subject to academic regulations pertaining to independent study as given in MBA catalog. Open only to MBA students. PREREQ: IFS 625.

Journalism JOU

JOU 510 Advising High School Publications (3,0,3)

Acquainting high school publication advisers with all facets of producing a school newspaper; teaching of newswriting, feature writing, copy editing, makeup, typography, and the art of motivating student participation; legal responsibilities of the adviser and the student journalist.

Master of Arts Liberal Studies MALS

MALS 594 Interdisciplinary Seminar (1-3,0,1-3)

This seminar provides graduate

students and advanced undergraduate students with opportunities for in-depth study of important interdisciplinary topics or issues. Topics vary. PREREQ: Undergraduates must have senior status.

MALS 599 Independent Study (1-3,0,1-3)

Individually supervised readings and study of a selected topic. May be repeated as topics vary. PREREQ: Student must have senior status.

MALS 601 Graduate Research and Writing (3,0,3)

Introduction to Graduate Research and Writing (3,0,3) Major methods of knowledge acquisition, research methodologies and intensive writing practices in the humanities, arts and sciences. Required of all MALS students.

MALS 694 Interdisciplinary Seminar (1-3,0,1-3)

This seminar provides graduate students with opportunities for in-depth study of important interdisciplinary topics or issues. Topics vary.

MALS 697 Master's Thesis or Project (1-6)

A culminating research project or creative work that integrates methods and approaches from two or more of the academic disciplines explored through the MALS program's course work. Projects may include a traditional thesis, creative exhibit, computer program, or innovative curriculum project.

MALS 699 Independent Study (1-3,0,1-3)

Individually supervised readings and study of a selected topic. May be repeated as topics vary.

Mathematics MAT

MAT 584 Cryptography (3, 0, 3)

Cryptology of classical ciphers, DES and AES, public key cryptosystems, authentication and cryptographic hash functions. PREREQ: Consent of instructor.

MAT 594 Topics: Mathematics (3, 0, 3)

Topics in mathematics and mathematics education. Topics vary. PREREQ: varies with topic (see Schedule of Classes).

MAT 694 Topics in Mathematics for Teachers (1 - 3 semester hours)

Various topics. May be repeated for credit when topics vary. PREREQ: consent of instructor.

MAT 699 Directed Readings/Independent Study (1-3 semester hours) PREREQ: consent of instructor.

Management MGT

MGT 612 Managing People and Organizations (3,0,3) Organizational, situational, and human factors defining the context of managerial work in complex organizations; interactive business cases and readings from organizational and human behavior literatures are used to facilitate student interaction and group development for future MBA coursework. PREREQ: admission to MBA program or permission of MBA director.

MGT 620 Leadership and Ethics (3,0,3) Introduction to elements of leadership, ethical decision making and social responsibility which are critical influences for organizational success. PREREQ: admission to MBA program or permission of MBA director.

MGT 625 Operations Management and Decision Analysis (3,0,3) Structure and behavior of productive systems in organizations that produce goods and services; managerial viewpoint, using quantitative analysis to enhance quality of decisions; operations planning, productivity, quality improvement, production information systems, use of computer programs, and case simulations. Open only to students in the MBA program. PREREQ: MGT 612 or consent of MBA director.

MGT 630 Essentials of Project Management (3,0,3) Qualitative and quantitative approaches to structuring projects in multi-functional organizational settings; planning, team development, software, quality improvement, completion; case analysis, internships, and/or term projects to blend theory with practice. PREREQ: MGT 612, or consent of MBA director.

MGT 640 Total Quality Management (3,0,3) Managerial focus on quality in diverse organizations, encompassing customer focus, employee involvement, measurement, continuous improvement, and performance management within a Baldrige Award framework. Case analysis and/or term projects blend theory with practice. PREREQ: MGT 612, or consent of MBA director.

MGT 650 Project Management Implementation (3,0,3) Approaches to applying project management; behavioral/organizational management, cost analysis, or project control techniques. Repeatable for a maximum of 6 semester hours if topics differ. Case analysis and/or term projects possible. PREREQ: MGT 612, or consent of MBA director.

MGT 660 International Management (3,0,3) Management concepts in international settings; strategic and operational planning, organization design, motivation, leadership, quality, management systems, and control; case analysis, projects, and/or study tours abroad to blend theory with practice. PREREQ: ECO 610, MGT 612, or consent of MBA director.

MGT 670 Negotiation and Conflict Resolution (3,0,3) The primary purpose of this course is to provide the student with a conceptual and practical understanding of the concepts, legal framework, theory and practices, of negotiation and conflict resolution. Core subjects in the course include the research and framing of issues, bargaining strategies, successful tactics, and methods of reaching a settlement. PREREQ: Open only to MBA students or consent of MBA director.

MGT 685 Business Strategy, Implementation, and Control (3,0,3) Strategic planning in the business environment; social, political, economic, and ethical forces to which managers must respond; implementation of strategy and control process; use of cases and computers to develop and analyze strategic decisions. May not be waived, transferred from another school, or substituted. PREREQ: ACC 625, ECO 610, ECO 625, FIN 625, MGT 612, MKT 625, SPE/ENG 603; students must either be within 12 graduate semester hours of completing MBA program or obtain consent of MBA director.

MGT 694 Topics: Management (3,0,3) Topics and issues in entrepreneurship, organization behavior, organization theory, operations, or international management. Repeatable for a maximum of 6 semester hours if topics differ. Open only to students in MBA program. PREREQ: MGT 612, or consent of MBA director.

MGT 699 Independent Study: Management (3,0,3) Specialized aspect or topic in management chosen by student and appropriate faculty member. Subject to academic

regulations pertaining to independent study as given in the MBA catalog. Open only to students in the MBA program. PREREQ: MGT 612, or consent of MBA director.

Marketing MKT

MKT 625 Marketing Management (3,0,3)

Problems faced by mid- and top-level marketing decision makers and the consequences of their decisions; case study and/or simulation. A variety of marketing areas will be considered in depth. Open only to MBA students or consent of MBA director.

MKT 630 Customer Behavior and Marketing Communications (3,0,3)

Household and business customers; customer decision-making processes and the cultural, socio-economic, environmental, and inter- and intra-personal factors that influence it; principles of marketing communications planning and of conventional and emerging media and their interface with diverse customer response behaviors. PREREQ: MKT 625.

MKT 640 Services Marketing (3,0,3)

Service marketing processes and service delivery systems; managing the seven P's of services — product, price, place, promotion, people, processes, and physical facilities; role of technology in service delivery; managing service quality and recovery from service failures. PREREQ: MKT 625.

MKT 650 Marketing Strategy and Planning (3,0,3)

Factors and concepts in decisions about a firm's long-term strategy to build, maintain, and grow its market position; skills and hands-on experience (through project work) in developing a long-term strategy, and a five-year annualized marketing plan implementing that strategy. PREREQ: MKT 625.

MKT 660 International Marketing (3,0,3)

Concepts, perspectives, and analytical tools to assess opportunity and prepare marketing plans for a firm's multi-country operations; researching cultures and customer behaviors in markets around the world; market analysis and planning in mature, growth, and emerging markets of the world; global marketing strategy and programs. PREREQ: MKT 625.

MKT 694 Topics: Marketing (3,0,3)

Specialized topics of faculty and student interest. Topics vary and may include entrepreneurial

marketing, services marketing, product planning and development, behavioral sciences in marketing, and marketing research. Repeatable for a maximum of 6 semester hours if topics differ. Open only to MBA students. PREREQ: MKT 625.

MKT 699 Independent Study: Marketing (3,0,3)

Specialized aspect or topic in marketing chosen by student and appropriate faculty member. Subject to academic regulations pertaining to independent study as given in the MBA catalog. Open only to MBA students. PREREQ: MKT 625.

Master of Science in Information Systems MSIS

MSIS 605 Information Systems Development Software (3,0,3)

Computer software design and programming in an applications development environment, systems design, programming techniques and languages for developing computer-based business systems; programming systems methodologies.

MSIS 625 Information Systems in Organizations (3,0,3)

Introduction to the core concepts and fundamental principles of information systems in the context of business decision making. This will include a survey of the information systems discipline and an explanation of its importance in modern organizations. The key objective of the course is to give the student a good understanding of how managers can manage and exploit the potential of information technology for their own career and for the strategic benefit of their organization.

MSIS 630 Systems Analysis and Design (3,0,3)

Develops an understanding of tools, techniques and methods for analysis, design and implementation of information systems. Uses theory and applied projects to build effective interpersonal and communication skills that are essential to interact with clients, users and other team members involved with development, operation and maintenance of information systems. Approaches to systems development such as Rapid Application Development (RAD), Joint Application Development (JAD) and other techniques to create quality systems are explored. PREREQ: MSIS 625.

MSIS 635 Database Management Systems (3,0,3) In depth investigation of intelligent database management systems in support of business decision making. Investigation of all aspects of data modeling, database design and implementation of relational, object-oriented and semantic databases. PREREQ: MSIS 625

MSIS 640 Data Communication (3,0,3) To provide students with an understanding of the key technical and managerial issues of the effective development and use of telecommunications by organizations. Discussion of technology will be set in the context of applications, particularly those emphasizing inter-organizational coordination and service delivery. PREREQ: MSIS 625

MSIS 645 Electronic Commerce (3,0,3) Commercial transactions in an electronic age, technology underpinnings, transactions marketing and exchange, business, managerial and technical implementations of electronic commerce. PREREQ: MSIS 605, MSIS 625.

MSIS 650 Information Technology Project Management ((3,0,3) An overview of software development project management practices, context and processes of software development projects, project risks and failures, managing technical personnel, and issues relating to project outsourcing. PREREQ: MSIS 625

MSIS 655 Advanced Business Application Programming (3,0,3) Modern techniques for business application design, object-orientation in business application systems, interfacing with web-enabled technologies and databases, introduction to component programming and transaction servers. PREREQ: MSIS 605, MSIS 625.

MSIS 660 Data Warehousing and Data Mining (3,0,3) Introduction to data warehousing multidimensional database; and survey of data mining methods that extract useful information from data warehousing, e.g., visualization and decision tree, business applications of data warehouses. PREREQ: MSIS 625.

MSIS 665 Computer Supported Collaborative Work (3,0,3) Course introduces students to knowledge management practices and the technologies collectively called decision support systems. To cover the most current topics affecting how individuals and organizations use computerized support in

making decisions. Business applications of data warehouses, online analytical processing, group support systems, knowledge acquisition and representation, knowledge management, knowledge-based decision support and intelligent systems will be explored. PREREQ: IFS/ MSIS 625.

MSIS 670 Object-Oriented Software Engineering (3,0,3) This course surveys current object-oriented analysis and design methodologies and focuses on developing a detailed understanding and application of standardized notational schemes such as UML. PREREQ: MSIS 630.

MSIS 675 Enterprise Workflow Design and Reengineering (3,0,3) Internet, mobile, global-positioning and other technologies and applications are transforming the manner in which business transactions and workflow processes are carried out. Much of the innovation and value-add has come not from the technologies per se but from the way in which newer business process and supply chains have been conceptualized, designed and implemented to take advantage of the newer technological functionality. PREREQ: MSIS 635.

MSIS 680 Global Information Technology and Systems (3,0,3) Issues relating to information systems that will serve global markets and facilitate expansion and entry of business into global markets; using IS resources across national boundaries as in offshore development of IS and outsourcing IS across countries. PREREQ: MSIS 625 or permission of MSIS director.

MSIS 682 Information Security and Controls (3,0,3) Course provides an overview of the field of Information Security and Assurance in various technical and administrative aspects including audit and controls. Students will be exposed to a spectrum of security activities, methods, methodologies, and procedures. PREREQ: MSIS 625.

MSIS 685 Corporate IS Management (3,0,3) An overview of contemporary information technology (IT)-computer, telecommunications, and office systems-management issues and principles with specific emphasis on setting the direction of IT resources and managing IT policy and strategy. PREREQ: MSIS 630, MSIS 635, MSIS 640, MSIS 645, MSIS 650, MSIS 655.

MSIS 692 Information Systems Research (3,0,3) The course focuses on the investigation of contemporary research in information systems. It provides exposure to a diverse set of research methodologies used in information systems research and explores both competing and complementary research paradigms. PREREQ: MSIS 625, MSIS 630, MSIS 635 and MSIS 645 or with the permission of the Director of the MSIS program.

MSIS 694 Topics on Information Systems (3,0,3) Topics may vary and may include advanced and evolving technologies in information systems and methodologies for information systems development. Repeatable for a maximum of 6 semester hours when topics vary. PREREQ: MSIS 625 or permission of MSIS director.

Master of Science in Technology MST

MST 602 Project Management in Technology (3,0,3) Complexities involving project management, time cost analysis, project scheduling, and use of computer software in supporting project management. PREREQ: senior standing.

MST 604 Quality Planning and Design (3,0,3) Procedures for organizing and implementing quality function including planning, budgeting, information analysis, and test procedures, customer complaints, and quality function deployment. PREREQ: MST 610.

MST 610 Research Methods in Technology (3,0,3) Strategies and procedures for conducting research in technical study; developing a mentor relationship with a technology faculty member or technical research associate. Must be taken in first 9 semester hours of a student's program.

MST 612 Technical Management in a Global Economy (3,0,3) Role of the manager in a technical organization; principal functions, processes, and problems involved in development of an effective organization in a global economy; extensive use of case studies.

MST 614 Computer Applications in Technology (1,2,3) Software and hardware for innovative applications within technology fields; computer-assisted process simulation; data acquisition and analysis.

MST 620 Computer-Aided Industrial and Engineering Design (1,2,3) Tools for computer-aided design (CAD) in industrial and engineering systems; strategies for product design, design through solid modeling, design alternatives through rapid prototyping, and design analysis through CAD database. PREREQ: MST 614

MST 621 Technological Innovations (3,0,3) Course focuses on the technologically-based innovation process. It examines how industries are transformed by new technologies and how organizational action shapes product class evolution. It integrates content from strategy and policy, organizational behavior, engineering operations, marketing and research and development.

MST 622 Computer Integration in Industrial and Engineering Systems (1,2,3) Implications of Computer Integrated Manufacturing (CIM) and Computer Aided Manufacturing (CAM) for industry; relationship between CIM/CAM and productivity, process planning, materials handling, inspection, quality control, and selective assembly. PREREQ: MST 620.

MST 623 Advanced Project Management (3,0,3) Course focuses on advanced project management skills needed to administer a technologically innovative project. Emphasis is placed on advanced engineering project elements such as: time cost analysis, project scheduling, the use of computer software in supporting a technologically innovative project for operations management. PREREQ: MST 602 and MST 610.

MST 624 Quality System Appraisal (3,0,3) Interpreting effectiveness of an organization's quality system through proper information handling; analysis of prevention appraisal, failure costs, and quality systems audits. PREREQ: MST 612.

MST 625 Product Design Development (3,0,3) Integration of the marketing, design, and manufacturing functions of the firm in creating a new product or process. The course is intended to provide students with: competence with a set of tools and methodologies for product design and development; confidence in own abilities to create a new product and/or process; awareness of the role of multiple functions in creating a new product; ability to coordinate multiple, interdisciplinary tasks in order to achieve a common objective; rein-

forcement of specific knowledge from other courses through practice and reflection in an action oriented setting.

MST 634 Design of Experiment (3,0,3) Design and analysis of experiments to improve product quality; models for improvement, testing changes, principles for designing analytic studies, experiments with one factor and with more than one factor, and evaluating source variation. PREREQ: MST 604 and MAT 630.

MST 640 Technical Training and Development (3,0,3) Strategies for conducting training needs assessment; learning and motivational theory and applications; selecting, designing, and evaluating training programs in technical environments; relationship of training to multinational work environment. PREREQ: MST 612 and MST 614.

MST 642 Human Resources Management in Technology (3,0,3) Analysis of principal functions, processes, and problems involved in development of human resources; evaluation of personnel systems; implications of personnel policy and practice in a technical environment; extensive use of case studies. PREREQ: MST 612.

MST 644 Technical Communication in a Global Economy (3,0,3) Skills for effective communication with technical and/or non-technical listeners when communicating complex technical concepts; managing in a diverse workforce; communicating across cultures in an international business setting. PREREQ: MST 612 and MST 614.

MST 645 Quality Engineering (3,0,3) Advanced statistical process control, sampling methods, metrology, robust design, failure mode effect analysis; special purpose control charts and procedures, analysis of runs, trends, and cycles; process and gauge capability, underlying distribution analysis, and sampling techniques. PREREQ: MST 604.

MST 650 Professional Liability in Construction (3,0,3) The underpinnings of professional liability in construction and ethical issues. Study of critical problems and controversial positions impacting the construction industry and value decision-making.

MST 651 Engineering Concepts and Techniques in Construction (3,0,3) Concepts in construction engineering design, research

and theory specific to the structural design. Focus on the use of construction materials and their design in complex projects. The construction process will be discussed as a system to provide a background for examining various types of projects including modern materials, hybrid framing, high-rise construction etc.

MST 665 Technology Management (3,0,3) Selected readings and topics in technology management. Subtopic will be chosen in keeping with interests of professor in charge and students enrolled. PREREQ: completion of MST core courses.

MST 691 Master's Thesis (1-6 sem. hrs.) Guided study in development and implementation of a research study. PREREQ: MST 610; consent of instructor and MST program director. May be repeated to a maximum of 6 semester hours.

MST 693 Special Problems (3,0,3) Individual in-depth study of a specialized problem chosen in consultation with proposed supervising professor and approved by MST director of graduate studies. PREREQ: completion of MST core courses; signed Problem in Industrial and Engineering Systems or Problems in Technology Management contract.

MST 694 Topics: MST (3,0,3) Individual in-depth study of a specialized topic chosen in consultation with proposed supervising professor and approved by MST director of graduate studies. PREREQ: completion of MST core courses; signed Topic in Industrial and Engineering Systems or Topic in Technology Management contract.

MST 697 Master's Project (3,0,3) Guided study in development and implementation of a project. PREREQ: MST 610; consent of instructor and MST program director.

Music MUS

MUS 613 Seminar in Music Technology (2,1,3) Computer applications unique to musicians and their art; basic concepts of electronic music, computer music publishing and part writing, and desktop publishing for musical programs; basics of MIDI (musical instrument digital interface); realization of music through computer playback of digitized sampled sound.

MUS 668-689 Applied Music (3 sem. hrs. each)
Private instruction in harpsichord, harp, voice, piano, organ, guitar, and band and orchestral instruments. May be repeated for credit. Applied credits are available only to students working for the Master of Education, as follows: 1 hr. contact = 3 semester hours. Fees assessed according to contact hours. PREREQ: audition.

MUS 699 Independent Study: Music (1-3 sem. hrs.) Individual creative or research projects; projects, directed by members of the faculty, must be approved before registration.

Nursing Registered Professional NRP

NRP 509 Curriculum Development in Nursing (2,0,2) Overview of the process of curriculum development and evaluation; principles of assessment, design, planning, implementation, and evaluation; program development and outcome evaluation in various nursing education settings; differences in patient, community, continuing, and professional education. Open to Registered Nurses only.

NRP 510 Educational Foundations in Nursing (3,0,3) Principles of teaching, learning, and adult education; various nursing education setting — classroom, clinical, staff development, and community — and teaching methods associated with those settings; small and large group techniques described. Open to Registered Nurses only.

NRP 511 Nursing Case Management I (2,0,2)
Historical development of nursing case management; relationship of nursing case management to health care system; differentiation of models of case management, and cost-effectiveness of nursing case management.

NRP 512 Nursing Case Management II (2,0,2)
Role of the nurse case manager and the nurse case management process; legal and ethical issues; quality assurance and evaluation for nursing case management. PREREQ: NRP 511.

NRP 513 Long-Term Care Regulations (2,0,2)
Federal and state regulation of long-term and extended care facilities; residents' rights; licensure and reimbursement; government and non-government oversight; liability for and quality in agency operations. Open to Registered Nurses only.

NRP 514 Issues in Gerontology (2,0,2) Issues of significance to nurses and health professionals responsible for care of older adults; aging theories; legal/ethical issues, administration, evaluating learning theories, care and service delivery, environment, and common health problems of older adults. Open to Registered Nurses only.

NRP 533 Integrative Health Therapies (3,0,3)
Theory, research, and risks and benefits of integrative health therapies.

NRP 600 Nursing Research Methods II (3,0,3)
Advanced knowledge in design and analysis of qualitative and quantitative research; strategies for appropriate data analysis of various research designs; development of a research proposal for a clinically based nursing research problem; strategies for appropriate data analysis of various research designs. PREREQ or COREQ: MAT 614.

NRP 601 Analysis of Health Care Environment (3,0,3) Effect of the local, national, and international economy on the health care environment; development of a beginning familiarity in using informatics in delivery of healthcare. PREREQ: admission to graduate nursing program.

NRP 602 Health Issues and Policies (3,0,3)
Health care issues and policies influenced by technological, social, economic, and political factors; availability of and access to health care; social distribution of health care; actions for dealing with health care dilemmas. PREREQ: admission to graduate nursing studies.

NRP 603 Role Development for Advanced Nursing Practice (2,0,2) History and overview of the advanced nurse practitioner as direct care provider, consultant, educator, researcher, collaborator, leader, and administrator. PREREQ: admission to graduate nursing program.

NRP 604 Theoretical Perspectives (3,0,3)
Understanding the current health care system from a change theory viewpoint; issues and principles of leading and managing change from a theoretical, cost containment, and cultural view; issues related to quality management, care management, and the decision-making process.

NRP 605 Health Care Informatics (1,0,1)
Development of a beginning understanding

of computers and the role of informatics in the health care arena. PREREQ: admission to MSN program or consent of instructor.

NRP 606 Diagnostic Reasoning and Advanced Physical Assessment (2,1,2) Development of advanced skills in assessment of physical, cognitive, nutritional, and functional domains; integration of appropriate test data and diagnostic reasoning. PREREQ: BIO 668.

NRP 607 Issues in Advanced Practice (1,0,1) Selected issues affecting advanced practice; reimbursement, political strategies, liability issues, evaluation of state nurse practice acts, and development of independent practice. Open to post MSN students only.

NRP 608 Clinical Pharmacology and Intervention (2,0,2) Review of pharmacological physiology of selected therapeutic agents; pharmacological management of clients, including drug selection, client/family education, and monitoring and evaluating pharmacological interventions. PREREQ: BIO 668.

NRP 609 Pediatric Pharmacology (1,0,1) Major categories of pharmacological agents used in primary and acute care environments for care of infants and children; physiological action of selected OTC and prescription drugs, unexpected client responses, and major untoward effects encountered in infants and pediatric diseases. Clinical judgment in management and evaluation of therapeutic strategies for individual children. PREREQ: BIO 668.

NRP 610 Geriatric Pharmacology (1,0,1) Major categories of pharmacological agents used in primary and acute care environments with the elderly; physiological action of selected OTC and prescription drugs, unexpected client responses, and major untoward effects encountered in geriatric therapeutic strategies for individual elderly. PREREQ: BIO 668.

NRP 612 Foundations of Health and Illness Care II (3,0,3) Review of client's responses to common acute and chronic illnesses approached through integration of physiological and pathophysiological concepts and theories; comprehensive primary care management of common skin, musculoskeletal, neurological, gynecological, and blood disorders; endocrine problems encountered by clients across the life span; lecture and focused seminar. PREREQ: NRP 611 and completion of 9 semester hours of core

courses. PREREQ or COREQ: NRP 633L. COREQ: NRP 634L.

NRP 612L Health/Illness Practicum II (0,9,3) Practicum for continued acute-care settings; advanced nursing assessment skills including knowledge of pathophysiological mechanisms human beings; synthesis of knowledge gained in earlier acute-care courses. COREQ: NRP 612.

NRP 613 Primary Health Care of Infants and Children (2,0,2) Conditions unique to advanced nursing practice with infants and children; pathophysiology and sociocultural considerations related to assessment, diagnosis, and therapeutic management of common health problems. PREREQ: NRP 606 and BIO 668. PREREQ or COREQ: NRP 609.

NRP 614 Primary Care of Obstetric Patient (1,0,1) Changes experienced by women during pregnancy and childbearing; assessment of the obstetric patient and fetus; interpretation of laboratory findings; development and evaluation of the plan of care for the obstetric patient. PREREQ: NRP 606 and BIO 668.

NRP 615 Primary Care of Gynecologic Patient (1,0,1) Gynecologic conditions experienced by women across the life span approached through integration of physiological and pathophysiological concepts and the humanities. PREREQ: NRP 514, NRP 606, and BIO 668.

NRP 616 Primary Care of the Aged (2,0,2) Role of nurse practitioner in management of acute and chronic illnesses commonly affecting the elderly; health promotion, disease prevention, pathophysiology, assessment, and therapeutic management of common health problems of elderly. PREREQ: NRP 618 and NRP 620.

NRP 617 Wellness Care of Infant, Child and Adolescent (1,0,1) Well-child primary care and parenting during the first 18 years of life; growth and developmental issues, nutrition, feeding, immunizations; safety, infant, child, and teen behavior; common parental concerns; normal variations as well as minor disruptions in aspects of child care.

NRP 618 Common Health Problems Across the Lifespan (3,0,3) Information necessary for the practice of primary care; pathophysiology, assessment, diagnosis, and therapeutic

management of common health problems across the life span; lecture, case study analysis, and focused seminar. PREREQ: BIO 668, NRP 606, NRP 608, and BIO 668; completion of 6 core semester hours.

NRP 619 Primary Care of Adolescents (2,0,2)

Role of the nurse practitioner in management of unique needs of adolescents; principles of health promotion, disease prevention, and management of common health problems in adolescents.

NRP 620 Primary Care of Adults (2,0,2)

Information necessary for the practice of primary care of adults; pathophysiology; principles of health promotion, disease prevention, and assessment, diagnosis, and therapeutic management of common health problems in adults; lecture, case study analysis, and focused seminar. PREREQ: NRP 606,608.

NRP 621 Management of Human Resources (2,0,2)

Theoretical and practical knowledge needed to manage human resources in the health care setting; development and implementation of personnel policies and practices that assist staff to work effectively toward individual and organizational goals; leadership skills, employee motivation, and evaluation strategies. PREREQ: NRP 602 or consent of instructor prior to registration.

NRP 622 Old-old and Frail Elders (2,0,2)

Role of the NP in the management of acute and chronic illnesses as they affect the old-old and frail elderly patient; principles of health promotion, disease prevention, pathophysiology, assessment, therapeutic management, and comfort.

NRP 623 Theories and Models for Nursing Service Administration (2,0,2)

Integration of research from nursing and management science relative to the inquiry and practice of nursing administration; analysis of nursing models and theoretical perspectives in management science; analysis of perspectives in public and business administration for their usefulness to nursing administration. PREREQ or COREQ: NRP 621 and NRP 624.

NRP 623L Nursing Administration Practicum I (0,9,3)

Integration of concepts and theories presented in NRP 621 and NRP 623; advanced nursing administration skills in the management of human resources; analysis of models for organization of nursing services. Students

will be assigned to work with a practicing nursing administrator. COREQ: NRP 623.

NRP 624 Management of Finance in Nursing Service Administration (3,0,3)

Principles of financial management in healthcare settings; components of planning, developing, and implementing budgets; elements of the total fiscal process relative to rising cost of health care; planning for financial management; analysis of budget variance, forecasting, and rate setting. PREREQ or COREQ: NRP 601 or NRP 602 or NRP 604.

NRP 626 Foundations of Strategic Management for the Nurse (2,0,2)

Mission, organizational growth, strategy development, and change processes needed to implement factors influencing strategic planning and considerations of the past, present, and future. PREREQ: NRP 601, NRP 602, NRP 604, NRP 623, and NRP 623L. COREQ: NRP 626L

NRP 626L Nursing Administration Practicum II (0,9,3)

Practicum synthesizing content from all previous courses in the nursing administration major; incorporation of nursing and organizational theories; quality assurance; development of a strategic plan for a selected clinical site. PREREQ or COREQ: NRP 624. COREQ: NRP 626.

NRP 630 Children with Chronic Illness and Special Needs (3,0,3)

Pathophysiology and advanced management of pediatric chronic health conditions; focus on appropriate age and developmental assessment, diagnosis, management and evaluation; family impact, genetic issues of relevance to chronic illness. PREREQ: NRP 606 and NRP 608.

NRP 633L Primary Care Residency I (0,2,2)

Supervised residency as a primary care practitioner; problem identification and management of common acute illnesses; integrating advanced assessment skills and pharmacological management; clinical residency in a variety of settings. PREREQ: NRP 606 and NRP 608. PREREQ or COREQ: NRP 611.

NRP 634L Primary Care Residency II (0,2,2)

A clinical residency providing concentrated clinical opportunities in primary care; management of chronic illnesses; health promotion; client and family counseling; clinical residency in a variety of settings. PREREQ or COREQ: NRP 611 and NRP 633L.

NRP 635L Primary Care Residency III (0,2,2) Culminating clinical residency as primary care practitioner; independent clinical decision making, monitoring quality care, interdisciplinary collaboration, and organizational and role competencies; clinical residency in a variety of settings. PREREQ or COREQ: NRP 612 and NRP 634L.

NRP 641 Learning Theory in Nursing Education (3,0,3) Knowledge of various principles and theories related to the practical application to the teaching/learning process; theories of learning, motivation and intelligence; theories of cognitive, social, emotional development, influences of social and cultural background on development and learning, theoretical basis for instructional models.

NRP 642L Practicum for Nurse Educators I (0,2,2) Conceptualize and operationalize elements of clinical and didactic instruction in a variety of nursing education settings. Guided preceptorship experience in areas relevant to student's practice and educational interests.

NRP 643L Practicum for Nurse Educators II (0,2,2) Capstone nursing education clinical course to synthesize and apply theories presented in didactic courses. Guided preceptorship experience in areas relevant to student's practice and educational interests. PREREQ: NRP 642L.

NRP 652 Epidemiology (3, 0, 3) Survey basic concepts and principles of epidemiology, including epidemiologic models, the epidemiology process, epidemiologic investigation, and application of these concepts and principles. PREREQ: STA 614 or PSY 615 or other graduate level statistics course.

NRP 655 Health Care Economics (1,0,1) Issues of competition and resource use in the health care system; market forces and price and non-price competition as they relate to quality in health care; economic issues in care of specific populations; insurance strategies to cover health care needs; strategic economic planning for health care organizations.

NRP 660 Psychopharmacotherapeutic Foundations (2,0,2) The neuroscientific basis and fundamentals of psychopharmacology across the lifespan; major categories of psychopharmacological agents used in the therapeutic management of psychiatric disorders. Client responses and clinical judgment in the man-

agement and evaluation of the therapeutic strategies are included.

NRP 661 Theoretical Foundations of Counseling and Psychotherapy (3,0,3) Basic philosophies, key concepts, techniques, and goals of therapy and issues related to the major counseling and psychotherapeutic theories; Clinical application of each therapeutic approach ; Use of the self, the nurse practitioner-patient relationship, phases of the nurse practitioner-patient relationship, teaching-coaching functions, group interaction, interpersonal techniques and skills essential to successful therapeutic patient outcomes will be emphasized.

NRP 662 Science of Psychiatric Mental Health Nursing I (3,0,3) Major principles of psychiatric mental health nursing encompassing the history and delineation of the discipline; role of the Advanced Practice Nurse in working with clients experiencing psychopathology across lifespan within the context of family. Assessment, diagnosis and therapeutic biological and behavioral interventions in major psychiatric disorders across the life span will be studied. PREREQ: NRP 660 COREQ: NRP 661.

NRP 663 Science of Psychiatric Mental Health Nursing II (3,0,3) Further development of assessment, diagnosis, biological and behavioral interventions utilizing standardized taxonomy systems for complex psychiatric disorders across the life span. Family theoretical concepts and methods related to mental health and illness will be integrated. PREREQ: NRP 664, NRP 665 COREQ: NRP 662.

NRP 664 Seminar in Psychiatric/Mental Health Nursing (1,0,1) Development of the role of the Psychiatric Nurse Practitioner in the provision of psychiatric and mental health care to individuals and families, through the life span. Role-play utilizing the principles of the therapeutic relationship and communication skills; application of the Nursing Process to Psychiatric and Mental Health theoretical case studies through small group and large group work. Emphasis placed on evidence-based knowledge and critical thinking skills in the utilization of standardized taxonomy systems. COREQ: NRP 663 and NRP 665L.

NRP 665L Clinical Residency in Psychiatric Mental Health Nu (0,2,2) Clinical course

promoting development of the roles of the advanced practice psychiatric nurse through direct client contact and therapeutic interaction with staff, families, and systems. Application of evidence-based knowledge and critical thinking skills within a variety of clinical settings. PREREQ: NRP 661 and NRP 662 COREQ: NRP 663 and NRP 664.

NRP 667 Advanced Seminar in Psychiatric Mental Health Nursing (2,0,2) Advanced case conceptualization of the psychiatric and mental health patient including assessment of biophysical, psychosocial, cultural, cognitive and spiritual dimensions of the clients, integration of theoretical models, and identification of interventions will be the focus of this clinical seminar with weekly patient presentations, conceptualization and discussion. PREREQ: NRP 664 and NRP 665L COREQ: NRP 663 and NRP 668L.

NRP 668L Clinical Residency In Psychiatric Mental Health Nu (0,2,2) Culminating clinical residency designed to advance the student's clinical practice with clients in a variety of psychiatric mental health settings. Independent clinical decision-making, monitoring quality care, interdisciplinary collaboration, and organizational and role competencies in a variety of settings. PREREQ: NRP 665L COREQ: NRP 667 and NRP 663.

NRP 690 Investigative Project (3,0,3) Guided study in development and implementation of a research study related to a specific clinical nursing problem. Submission of a bound thesis manuscript will be required. PREREQ: NRP 600; MAT 614 or EDU 600; and consent of instructor prior to registration.

NRP 691 Thesis Preparation (1,0,1) Continuing enrollment for students needing more than one semester to complete NRP 690 Investigative Project. Graded pass/fail. This course must be repeated each semester until the project or thesis is completed. Limit of six semesters (exclusive of summers). PREREQ: NRP 690.

NRP 694 Topics: Nursing (1-3 sem. hrs.) Group in depth study; use of theory and research to examine selected topics and issues in nursing. Written agreement describing activity to be pursued, and evaluation thereof, between supervising faculty member and student(s). PREREQ: current enrollment in MSN program; consent of instructor and program director.

NRP 697 Investigative Project (3,0,3) Research project related to a specific clinical nursing problem culminating with a publishable paper. Required for degree candidates electing the non-thesis option. PREREQ: NRP 600, MAT 614, and consent of instructor prior to registration.

NRP 699 Independent Study (1-3 sem. hrs.) Individual readings, research, and/or projects relating to professional nursing practice and developed by students in consultation with faculty prior to registration; written agreement to include purpose, objectives, instructional activities, time frame, and evaluation method. Not intended to substitute for any course offered on a regular basis. PREREQ: current enrollment in MSN program; consent of instructor and program director.

Public Administration PAD

PAD 594 Seminar: Public Affairs (1-3 sem hrs) Systematic analysis and overview of the administrative processes, public sector management, research methodology, and public information systems. For students with no undergraduate public administration background. May be repeated.

PAD 601 Human Resource Management (3,0,3) Principles and problems of recruitment, examination procedures, rating, classification, and assignment to the job; philosophies of pay, promotion, employee motivation, and discipline analyzed; formulating and administering public personnel policies, concepts, and principles utilized in selecting governmental personnel systems; focus on American national, state, and local personnel systems as well as on non-profit agencies. Open only to students in the MPA program.

PAD 602 Organizational Behavior and Theory (3,0,3) Principal conceptual and theoretical bases for understanding the structure, environment, and internal processes or organizations; human behavior, attitudes, and performance within organizational settings. Open only to students in the MPA program.

PAD 603 Public Policy Analysis (3,0,3) Approaches, methods, and techniques of public program analysis; problems in use of quantitative analysis by and for management; im-

part of political considerations on program analysis; introduction to use of computers for statistical analysis. PREREQ: PAD 615 prior to admission to course.

PAD 611 Budgeting Techniques and Applications (3,0,3) Advanced treatment of budgetary techniques and applications; program budgeting, zero-base budgeting; financial planning and revenue estimation techniques; tax and expenditure types; debt financing; financial reporting. Open only to students in the MPA program.

PAD 612 Administrative Law I (3,0,3) Nature of the powers vested in administrative procedure; methods and extent of judicial control over administrative actions. Open only to students on the MPA program.

PAD 615 Research Methods in Public Administration (3,0,3) Introduction to and overview of theories, methods, and analyses used in contemporary political science and public administration. Open only to students in the MPA program.

PAD 620 Managing the Non-Profit Organizations (3,0,3) Development and characteristics of non-profit organizations; managerial challenges; application of relevant theories to the non-profit organization; organizing, staffing, planning, programming, evaluating; board-staff relations; managing volunteers. Open only to students in the MPA program.

PAD 621 Resource Acquisition and Management (3,0,3) Concepts and practices of fundraising (direct mailing, annual, capital campaign, special events, planned giving, major gifts) and resource management (budgeting, financial reporting).

PAD 622 Volunteer Management (3,0,3) History and philosophical underpinnings of volunteerism; role of volunteers in nonprofit organizations; volunteer development program including volunteer recruitment, training, performance appraisal, motivation and reward; risk management; and trends in volunteering.

PAD 623 Grants Writing (1,0,1) Practical hands-on approach to grant writing and knowledge of the grant systems. Topics include identifying potential funding sources; applications for funding assistance; requests for proposals from government agencies, application for funding from corporate and foundation sources.

PAD 624 Nonprofit Strategic Planning (1,0,1) Practice of strategic planning in the nonprofit sector including policy direction, internal and external assessments, identifying stakeholders and key issues, development of strategies, decision making, implementation, and monitoring.

PAD 626 Nonprofit Program Evaluation (1,0,1) Introduction to the concepts and practices of program evaluation in the nonprofit sector, evaluation and planning, program evaluation design and implementation.

PAD 627 Nonprofit Information Management (1,0,1) Practical tools for adopting and implementing information technology in nonprofit organizations. Topics include: web page development and maintenance, fundraising and mailing list management, network and database integration and maintenance.

PAD 628 Nonprofit Laws (1,0,1) Advanced level of understanding of laws pertaining to the nonprofit sector. In depth overview of laws pertaining to nonprofit tax exempt status, corporate governance, conflicts of interest, staff and financial operations.

PAD 630 Administrative Ethics (3,0,3) Ethical foundation for a professional public administrator operating in the ethos of a republic; situational analysis of conflicts with elected legislative, executive, and judicial officials; professional policy and career goals. Open only to students in the MPA program.

PAD 632 Executive Management (3,0,3) The theoretical and practical development of executive and leadership skills including but not limited to visioning, planning, strategic decisional, organizational change, accountability, ethics, communications, delegation, external environments, and new concepts in management. PREREQ: admission to MPA program or consent of MPA director.

PAD 635 Criminal Justice Administration (3,0,3) Management of criminal justice organizations; development and characteristics of corrections and police agencies; problems of administration of justice; management trends and innovation. Open only to students in the MPA program.

PAD 640 Management of Public Information Systems (3,0,3) Issues and techniques of managing information in the public sector,

e.g., procurement, document processing, quantitative analysis, public data bases, connectivity, and technology planning. PREREQ: departmental consent after admission to MPA program.

PAD 650 Geographic Information System Skills (3,1,4) Fundamental GIS concepts such as creating, editing, and georeferencing spatial data; Basic GIS applications including manipulating tabular data, querying a GIS database, and presenting data using maps and graphs. PREREQ: PAD 615 or consent of MPA director.

PAD 651 Geographic Information System Applications (3,0,3) The use of GIS as an administrative or decisional tool in the public and related sector activities. GIS applications include but are not limited to planning and community development, safety, health, environment, public finance, education and not-for-profit organizations. PREREQ: PAD 650.

PAD 660 Planning and Community Development (3,0,3) Statutory and structural framework for urban planning and development; technical, social, political, and economic elements in the governmental planning process; planning theories and regulatory techniques; growth management; urban redevelopment. PREREQ: admission to MPA program or consent of MPA director.

PAD 675 Local Government Management (3,0,3) Seminar on politics and administration of local government, especially in Kentucky and Ohio. Topics include but are not limited to urban government, urban administration, executive management, public works, personnel, finance, planning, and community development. Open only to students in the MPA program.

PAD 680 Comparative Government Administration (3,0,3) Seminar in politics and administration of national governments. Topics include but are not limited to American national politics, national budgetary processes, national public policies, comparative public administration, and international organizations. Open only to students in the MPA program.

PAD 681 Homeland Security Administration (3,0,3) Graduate course to acquaint students with the best practices for local governments to meet the possible threat to our homeland security. Focus on pre-emptive measures that can be undertaken to assure domestic security.

PAD 685 Planning and Regulatory Management (3,0,3) Seminar in legal aspects of public administration. Topics include but are not limited to public sector labor relations, zoning, land use planning, personnel, and risk management. Open only to students in the MPA program.

PAD 688 Historical foundations of Public Administration (3,0,3) An historical review of salient works and their impact on the development of public administration as a discipline and practice. Current and future trends in public administration. Taught as Web or seminar as well as different foci. May be repeated as focus changes. Open only to students in the MPA program.

PAD 694 Topics: Public Administration (3,0,3) Specialized topics in public administration; intensive reading, cases, and simulation. May be repeated once as topic varies. May be used in any area of concentration. Open only to students in the MPA program.

PAD 696 Internship: Public Administration (3,0,3) Students work under supervision in an office or with an official of a public or not-for-profit agency; reading and written assignments. Open only to students in the MPA program.

PAD 697 Public Administration Capstone (3,0,3) Students develop an employment portfolio with resume and sample work products. Students execute a specific live research project(s), or update an older project in conjunction with the MPA faculty. Finally, students make a public presentation of a portfolio project.

PAD 699 Readings and Practica in Public Administration (1-3 sem. hrs.) Specialized topics in public administration covered through intensive readings and/or field projects; at the direction of a specific instructor. May be repeated once as projects vary. May be used in any area of concentration. PREREQ: department consent after admission to MPA program.

Physical Education PHE

PHE 500 Physical Activity for Special Population (3,0,3) Adaptation of physical education programs for temporarily or permanently handicapped persons.

PHE 545 Sport in Modern America (3,0,3)
Trends and problems in organized athletic competition in the context of contemporary society.

PHE 595 Scientific Foundations of Coaching (3,0,3) Scientifically based principles applied to effective athletic coaching; exercise physiology, biomechanics, kinesiology, and sport psychology.

PHE 599 Selected Problems in Physical Education (1-3 sem. hrs.) Individual or group study of a topic of current interest in physical education. Topic selected by student with approval of instructor.

PHE 600 Scientific Foundations of Physical Education (3,0,3) Scientific foundation areas of physical education; sport psychology, motor learning, motor performance, and exercise physiology; integration of conceptual and research findings as applied to classroom practice.

PHE 610 Current Trends in Elementary School Physical Education (3,0,3) Application of findings in current journals and research publications to a specific school or area situation; current literature. Open to all graduate students with limited physical education backgrounds.

PHE 630 Curriculum in Physical Education (3,0,3) Current trends in physical education curriculum; curriculum construction and revision; development of course guides and syllabi; critical evaluation of typical courses of study at various grade levels.

PHE 699 Selected Topics in Physical Education (1-3 sem. hrs.) Independent study of topics selected from current issues in physical education. PREREQ: consent of advisor.

Philosophy PHI

PHI 510 Ethics of Information Technology (3,0,3) Ethical issues faced by computing professionals including those related to computing in the workplace, security, crime, privacy, property rights, risk, liability, and the internet.

PHI 511 Philosophy of Woman (3,0,3) In-depth examination of historical and contemporary philosophical conceptions of woman's nature,

capabilities, and proper roles in the family and society. PREREQ: Graduate standing.

PHI 560 Topics in Environmental Philosophy (3,0,3) In-depth examination of a selected topic in environmental philosophy, such as environmental feminism, animal rights, technology and human nature, environmental justice, or religion and ecology. Topic will be announced in the Schedule of Classes. May be repeated as topics vary. PREREQ: Graduate standing.

PHI 594 Topics: Philosophy (3,0,3) In-depth examination of a selected topic in philosophy. May be repeated as topics vary. PREREQ: 6 semester hours in philosophy or consent of instructor.

PHI 599 Independent Study (3,0,3) Individually supervised readings and study of a selected study in philosophy. May be repeated as topics vary. PREREQ: 6 semester hours of philosophy or consent of instructor.

Physics PHY

PHY 694 Topics: Physics (1-4 sem. hrs.) May include topics illustrating the principles of physics and their applications to astronomy, mechanics, heat, sound, light, electricity, magnetism, and modern physics. Specific topics are determined in consultation with the student's adviser and the chair of physics and geology. Repeatable for a maximum of 12 semester hours. PREREQ: consent of instructor.

Psychology PSY

PSY 550 Organizational Psychology (3,0,3) Introductory graduate level study in organizational psychology; commitment, involvement, satisfaction, motivation, leadership, power, quality of work-life, and groups/teams. PREREQ: consent of I-O director.

PSY 570 Work Environments (3,0,3) Introduction to human factors psychology; ergonomics; occupational health and safety; physical and psychological factors influencing the workplace. PREREQ: Consent of I-O director.

PSY 580 Cognition in the Workplace (3,0,3) Judgment and decision-making, heuristics,

biases, persuasion, prejudice, diversity, values, and attitude measurement. PREREQ: consent of I-O director.

PSY 594 Special Topics (3,0,3) Advanced seminar course; topic listed in Schedule of Classes each semester. Intended for graduate students and advanced undergraduates. PREREQ: Consent of instructor.

PSY 601 I-O Discussion Forum (2,0,2) Introduction to I-O program, development of community and support; survey of I-O psychology; discussion of historical, ethical, legal and current newsworthy issues; clarification and elaboration of program requirements, intentions and philosophy. PREREQ: admission to I-O program.

PSY 603 Behavior Modification in Education (3,0,3) Application of behavioral principles to classroom situations; study of techniques used to improve academic performance and to eliminate inappropriate and disruptive behaviors.

PSY 615 Research Design Methods and Statistics I (3,0,3) Basic principles and techniques of scientific research design; control, and analysis; descriptive statistics, hypothesis testing, simple correlations and linear regression, emphasis on univariate and bivariate designs and analyses in applied settings. PREREQ: admission to I-O program.

PSY 616 Research Design, Methods and Statistics II (3,0,3) Advanced coverage of scientific research design, control and analysis, repeated measures, factorial designs, multiple correlation, multiple regression, interactions and covariances, emphasis on multivariate designs and analyses in applied settings. PREREQ: PSY 615.

PSY 620 Job Analysis and Staffing (3,0,3) Methods and techniques of job analysis/competency modeling on both individual and team levels; job analysis/competency modeling outcomes; compensation, selection, training, development and performance appraisal. PREREQ: consent of I-O director.

PSY 622 Development Across the Lifespan (3,0,3) Theories and research findings related to human development; developmental crises, tasks and transitions across one's lifespan; nature vs. nurture; theories of learning and personality development; strategies

for facilitating optimal human development. PREREQ: consent of director of Master of Science in Community Counseling.

PSY 625 Psychological Tests and Measures (3,0,3) Psychological test development, evaluation, and utilization in applied settings; professional guidelines for ethical use and practice; principles of validity, reliability, item development and analysis, test construction, and biases. PREREQ: consent of I-O director.

PSY 630 Occupational Health Psychology (3,0,3) Introduction to the interdisciplinary field of occupational health psychology. The course focuses on the basic theories and research findings that have emerged in the field, application of those theories and research, and a developing a problem solving orientation to diagnosing occupational safety and health problems.

PSY 635 Selection and Performance Appraisal (3,0,3) Advanced treatment of selection and performance appraisal in organizations; legal and ethical issues, recruitment, selection systems and methods, criterion theory and development; and appraisal systems and methods. PREREQ: PSY 615; 620.

PSY 640 Training and Development (3,0,3) Models of instructional design, psychological theory and principles relevant to learning; transfer of training; program evaluation; common types of training in organizations, computer and web-based training. PREREQ: PSY 620.

PSY 645 Organizational Consulting (3,0,3) Presents a comprehensive overview of organizational consulting, including its history, specializations, and contexts. Fundamental principles, effective practices, and emerging issues are studied.

PSY 650 Children's Behavior Disorders (3,0,3) Serious personality maladjustment in childhood; understanding diagnosis and treatment of infantile and childhood autism, psycho physiological reactions, speech disorders, tics and motor habits, and neurological and neurotic dysfunctions.

PSY 652 Epidemiology (3, 0, 3) Survey basic concepts and principles of epidemiology, including epidemiologic models, the epidemiology process, epidemiologic investigation, and application of these concepts and

principles. PREREQ: STA 614 or PSY 615 or other graduate level statistics course.

PSY 660 Organizational Change and Development (3,0,3) Change processes, situational assessment, planning, implementation and evaluation, intervention; organizational structure, values, culture, leadership, roles of consultants, and external environments. PREREQ: PSY 550.

PSY 670 Organizational Leadership (3,0,3) This course offers an overview of leadership in organizational settings. The first half of the course is devoted to building a foundational understanding of leadership by working through some of the major theoretical approaches using textbook and selected readings. In the second half, that foundation is used in further exploring lines of related inquiry. Working in teams, students will also design and conduct a study on leadership using various published measures. PREREQ: Permission of Master of Science in Industrial/Organizational Psychology program director.

PSY 675 – Motivation (3,0,3) This course introduces the graduate student to fundamental concepts, theories, contemporary research findings, and emerging issues in workplace motivation and behavior. Complementary and sometimes contradictory perspectives on motivation and its impact on organizational behavior will be discussed. PREREQ: Permission of Master of Science in Industrial/Organizational Psychology program director.

PSY 685 Applied Research Study: Capstone (4,0,4) Organization and completion of applied research portfolio; updating, revising and improving research projects; conducting additional research; formatting portfolio. Open only to I-O masters' students in the final semester of the program.

PSY 691 Thesis (1-6,0,1-6) Supervised development and implementation of research study. PREREQ: PSY 615; 616 and consent of instructor.

PSY 694 Special Topics: Graduate Psychology (1-3,0, 1-3) Seminar course; topics listed in Schedule of Classes each semester, in the Master of Science in Industrial-Organizational Psychology Program (MSIO). PREREQ: Permission of the program director.

PSY 696 Practicum (1-6,0,1-6) Supervised development and conduct of a project in

an employment setting; synthesis and application of knowledge acquired in prior coursework. PREREQ: PSY 615; 616 and consent of instructor.

PSY 699 Independent Study: Psychology (1-3 sem. hrs.) Supervised group study projects in selected problem areas, or individually supervised areas of study involving readings, experimental research, and/or applied problems in psychology. Up to 3 semester hours may be earned per semester. PREREQ: consent of instructor and psychology chair prior to registration.

Religious Studies REL

REL 594 Topics: Religious Studies (3,0,3) Selected topics in religious studies. May be repeated as topics vary. PREREQ: Consent of instructor.

REL 599 Independent Study (3,0,3) Individually supervised readings and study of a selected topic in religious studies. May be repeated as topics vary. PREREQ: Consent of instructor.

Science SCI

SCI 610 Integrative Science for Teachers (2,4,4) Introduction to the methods and major ideas of science through guided inquiry and effective use of the Internet. Intended for in- service teachers and graduate students in Education.

Sociology SOC

SOC 520 Sociology of Education (3,0,3) Connection of education to the external social system; education as a web of organizations and associations and as a subsystem of other institutions. PREREQ: SOC 100 or consent of instructor.

SOC 594 Topics: Sociology (3,0,3) Selected topics in sociology. May be repeated as topics vary. PREREQ: Consent of instructor.

SOC 599 Independent Study (3,0,3) Individually supervised readings and study of a selected topic in sociology. May be repeated as topics vary. PREREQ: Consent of instructor.

Speech SPE

SPE 603 Business Communications (3,0,3) Principles and practices of methods of written and oral communications at the management level. Open only to graduate students. Same as ENG 603.

Spanish SPI

SPI 520 Readings in Spanish (3,0,3) Various literary, linguistic, cultural, and pedagogical topics. May be repeated for credit as topics vary. PREREQ: 300-level Spanish course.

Social Work SWK

SWK 510 Child Abuse (3,0,3) Historical and contemporary perspectives; etiology, assessment, and intervention; differential and complementary roles of professions; approaches to prevention and treatment.

SWK 520 Services to Women (3,0,3) Impact of the feminist movement on the delivery of services and the development of assertiveness training, peer counseling, and self-help.

SWK 525 Substance Use and Abuse (3,0,3) Various categories of drugs; treatment and rehabilitation programs; ways of developing and implementing drug education programs.

SWK 594 Topics: Issues in Social Welfare (1- 3 sem. hrs.) A specific aspect of social welfare practice or social welfare concern. See *Schedule of Classes* for current offerings and prerequisites.

Statistics STA

STA 594 Topics: Statistics (3, 0, 3) Topics in statistics. Topics vary. PREREQ: varies with topic (see *Schedule of Classes*).

STA 614 Statistics for Researchers (3,0,3) Review of descriptive statistics and hypothesis testing; analysis of variance; experimental design; factorial experiments; regression and correlation; nonparametric statistics; use of programmed routines; critique of

published research. PREREQ: C or better in MAT 205.

STA 630 Applied Statistics in Technology (3,0,3) Theory, methods, and applications of statistical models in technology; probability theory, random variables, probability distribution, estimation, hypothesis tests; sampling theory. PREREQ: graduate standing.

Theatre TAR

TAR 599 Individual Studies in Theatre (1- 3,0,1-3) Individual creative or research projects in one or more areas: playwriting, acting, stagecraft, scene design, costume design, lighting design, sound design, or theory/criticism. Projects directed by TAR faculty must be approved prior to registration. May be repeated for up to nine hours credit.

TAR 610 Coaching of Acting for Teachers (3,0,3) Teaching, coaching, and directing of classroom activities in drama, public performance, and forensic competitions.

TAR 662 Technical Theatre for Teachers (3,0,3) Stagecraft and costuming (including makeup) for the teacher; elements of construction, design, and history.

TAR 670 Directing for Teachers (3,0,3) Techniques involved in the preparation of dramatic productions in schools; play selection, script sources, production problems, and rehearsal techniques.

TAR 673 Creative Dramatics for Teachers (3,0,3) Process-centered, improvisational form of theatre used by teachers to guide students to explore, develop, and express ideas, concepts, and feelings through dramatic activities and enactments. Emphasis is on integration of theatre techniques in all content areas for teachers at levels K-12. No prior theatre performance experience necessary.

TAR 699 Individual Studies in Theatre (3- 6,0,3-6) Advanced individual creative projects or research in one or more of these areas: playwriting, directing, acting, stagecraft, dance, lighting, and scene design. Criticism and theory projects may also be approved. Projects, directed by member of

the TAR faculty, must be selected before registration. A maximum of 6 semester hours permitted.

Technology Teacher Education **TTE**

TTE 620 Instructional Technology (3,0,3)

Development and application of advanced techniques and strategies for technical teachers and trainers; development of technology and materials for classroom, laboratory, and seminar settings; development of computer based and televised instructional materials and learning systems. Repeatable for a maximum of 6 semester hours.

TTE 630 Improvement of Instruction in Technology (3,0,3)

Critical appraisal of current research concerning instruction in technology; refinement of development, delivery, and assessment of designs for improving instruction in technology.

TTE 641 Distance Learning Design and Methodology (3,0,3)

Critical appraisal of current research concerning distance learning. Design, development, and methodology for delivery of distance learning courses, including web-enhanced, web-based, and other e- learning designs. Course taught in a web- based format.

TTE 650 Contemporary Training and Technical Education (3,0,3) Selected contemporary topics in training and technical education. Topics vary; see listing in *Schedule of Classes*. Repeatable for a maximum of 6 semester hours.

TTE 692 Independent Research: Technology Teaching (3,0,3) Directed readings or independent research. Written agreement between member of graduate faculty and student must be submitted to department chair prior to registration for course. PREREQ: Consent of instructor.

Women's Studies **WMS**

WMS 699 Graduate Independent Study (0,0,1-3) Graduate level independent research or creative projects directed by faculty members. Written agreement between faculty member and student must be submitted to director before registration; elements of agreement to include purpose, objectives and evaluation procedures. May be taken twice for credit. PREREQ: Graduate student status.

Graduate Faculty

- Agard, David B.**, Associate Professor of Mathematics (1990). B.A., 1982, University of Virginia; M.S., 1985, Ph.D., 1990, Virginia Polytechnic Institute and State University.
- Ahmed, Shamima**, Associate Professor of Political Science (1995). B.S.S., 1980, M.S.S., 1983, University of Dhaka; M.A., 1986, University of Akron; Ph.D., 1991, Virginia Polytechnic Institute and State University.
- Allameh, Seyed**, Associate Professor of Engineering Technology (2004). B.S., 1978, Sharif University of Technology; M.S., 1988, Wayne State University; Ph.D., 1993, The Ohio State University.
- Allen-Kattus, Kimberly**, Associate Professor of Art/Art History and Director Women, Studies Program (1993). B.A., 1976, Indiana University; M.A., 1981, University of Cincinnati; Ph.D., 1996, Union Institute.
- Altekruse, Michael**, Professor of Counseling, Human Services and Social Work (2005). B.S., 1962, M.S., 1965, Ed.D., 1967, Indiana University.
- Amburgey, Valeria**, Professor of Education, Coordinator for Technology (1990). B.S. Ed., 1972, Stephen F. Austin State University; M.Ed., 1979, Ed.D., 1984, University of Houston.
- Andersen, Barry**, Professor of Art/Photography (1975). B.A., 1973, California State University, Northridge; M.F.A., 1975, University of Florida.
- Anderson, Margaret M.**, Professor of Nursing & Health Professions, Chair (1994). B.S.N., 1967, Indiana University at Indianapolis; M.Ed., 1972, University of Cincinnati; M.S.N., 1980, Wright State University; Ed.D., 1990, University of Cincinnati.
- Anderson, Tommie**, Adjunct faculty College of Informatics (2006). M.B.A. 1997, University of Tennessee. Associate, Applied Science, Lexington Technical Institute (1984), B.A., (1982) Business Administration.
- Attenweiler, Bill**, Assistant Professor of Psychology (2002). B.A., 1975, University of Maine at Orono; M.S., 2000, Clemson University, Ph.D., 2002, Clemson University.
- Averdick, Nancy**, A.N.P., University of Cincinnati; Post-M.S.N.: Certificate, Northern Kentucky University.
- Baggett, Mary**, Assistant Professor of Mathematics (2003). B.S., 1975, University of South Carolina; M.S., 1980, University of Tennessee; M.S., 1994, Florida State University; Ph.D., 1997, Florida State University.
- Baker, Dorothy**, Associate, 1987, B.S.N. 1991, and M.S.N., 1997, F.N.P., Northern Kentucky University.
- Baranowski, Michael**, Assistant Professor of Political Science (2001). B.A., 1992, Baldwin-Wallace; M.A., 1995, Ph.D., 1997, University of Kentucky
- Barty, Glenellyn J.**, Assistant Professor of Accounting (1982). B.S., 1969, Florida State University, M.B.A., 1978, University of Cincinnati.

146 NORTHERN KENTUCKY UNIVERSITY

- Baumann, Lauren B.**, Associate Professor of Industrial and Organizational Psychology (2005). B.A., 1991, Thomas More College; Ph.D., 2000, University of Tennessee at Knoxville.
- Bledsoe, Melissa**, Assistant Professor of Technology (2002). B.S., 1987, Northern Kentucky University; M.Ed., 1989, Northern Kentucky University; Ed.D., 1999, University of Cincinnati.
- Booher, Kevin**, Professor of Art/Drawing (1975). B.F.A., 1972, University of Notre Dame; M.F.A., 1974, University of Cincinnati.
- Boothe, Leon E.**, President Emeritus and Professor Emeritus of History (1983). B.S., 1956, M.A., 1962, University of Missouri, Columbia; Ph.D., 1966, University of Illinois.
- Brashear, Nancy E.**, Assistant Professor of Nursing and Health Professions (2003). B.S.N., 1972, M.S.N., 1985, Northern Illinois University.
- Braun, Frank**, Instructor of Information Systems (2000). B.S., 1981, Miami University, Oxford; M.B.A., 1986, Xavier University.
- Braun, Thomas J.**, Associate Professor of Industrial and Organizational Psychology (2005). B.A., 1985, Miami University; M.A., 1995; and Ph.D., 1996 University of Southern Mississippi.
- Brockmeier, Frederick IV**, Lecturer (2005). B.A., 1969, J.D., 1975, University of Cincinnati; Ph.D., 2004, Union Institute and University.
- Bruno, Rachelle M.**, Professor of Education (1979). B.A., 1969, St. Mary's College; M.Ed., 1976, Ed.D., 1979, University of Cincinnati.
- Bullen, Heather, A.**, Assistant Professor of Chemistry (2004). B.A., 1998, Albion College; Ph.D., 2002, Michigan State University
- Butler, Jennifer**, Assistant Professor of Communication (2004). B.A., 1997, M.A., 1999, Ph.D., 2005, Ohio University.
- Byam, Paige B.**, Associate Professor of English (1993). B.A., 1983, University of Iowa; M.A., 1986, Ph.D., 1993, University of Wisconsin
- Callahan, Debra**, M.A., 1995, University of Aberdeen, Scotland; M.Sc., 1997, University of Sheffield, England; H.R.C.I., 2003.
- Cata, Teuta**, Assistant Professor of Information Systems (2003). B.S., 1990, M.B.A., 1998, University of Tirana; Ph.D., 2003, University of Nebraska-Lincoln.
- Cate, Thomas H.**, Professor of Economics (1975). B.A., 1971, Assumption College; M.S., 1974, Ph.D., 1979, Florida State University.
- Chadwell, Christine**, B.S.N., 1996, University of Kentucky; M.S.N., 2002, Northern Kentucky University.
- Christensen, Chris**, Professor of Mathematics (1983). B.S., 1968, Michigan Technological University; M.S., 1972, Ph.D., 1977, Purdue University.
- Clarke, Anthony J.**, B.S., West Point United States Military Academy; M.B.A., University of Chicago.

Clarke, Lane W., Ph.D. College of Education

Clay, Maria, Lecturer in the College Business (2004). B.S., 1995, University of Carabobo-Venezuela; M.B.A., 2001, Northern Kentucky University.

Cochran, Katherine, Assistant Professor of English (2003). B.A., 1992, University of Richmond; M.A., 1994, Ph.D., 2003, University of Mississippi.

Code, Kimberly P., Assistant Professor of Education (2002). B.A., 1994, Purdue University; M.A., 1995, Northern Kentucky University.

Cohen, Morton. Instructor of Information Systems (1983). B.B.A, 1972, University of Cincinnati; M.B.A., 1977, University of Connecticut.

Combs, Leslie D., Instructor of Industrial Organizational Psychology, B.S., M.S., Eastern Kentucky University.

Conway, Mary Dato-on, Assistant Professor of Marketing (2001). B.A., 1984, Bradley University; M.B.A., 1986, Denver University; Ph.D., 2001, University of Kentucky.

Cook, Christopher, Assistant Professor of Education (2004). B.S., 1995; M.S., 2001, Appalachian State University; Ph.D., 2004, University of North Carolina, Greensboro.

Cooper, Paul D., Associate Professor of Construction Management (1985). B.S., 1966, Southwest Missouri State University; M.S., 1977, Murray State University.

Cottingham, Jennifer, Lecturer in Education (1996). B.S., 1967, Eastern Kentucky University; M.S., 1975, University of Cincinnati.

Culbertson, William, B.B.A., Eastern Kentucky University; M.B.A., Xavier University, J.D., Northern Kentucky University; C.P.A.

Curtin, Daniel J., Associate Professor of Mathematics (1979). B.A., 1973, University of Notre Dame; Ph.D., 1979, University of North Carolina.

Curtis, Kent, Professor of Organizational Leadership and Chair, Department of Technology (1970). A.B., 1961, Centre College; M.Ed., 1965, Xavier University; Ed.D., 1976, University of Cincinnati.

Czaja, Rita,

Dabdoub, Majed, Assistant Professor, Construction Management (2000). B.S., 1981, Ohio University; M.S., 1989, University of Cincinnati.

Dallmer, Denise, Assistant Professor of Education (1999). B.A., 1978, Miami University; M.A., 1989, Ph.D., 1992, The Ohio State University.

Dault, Linda, B.S.N., 1980, Ball State University; M.S.N., 1985, University of Cincinnati.

Dean, Adele, Assistant Professor of Nursing (2003). B.S.W., 1976, Southern Connecticut State College; B.S.N., 1980, University of Bridgeport; C.N.M., 1997, Frontier School of Midwifery and Family Nursing; M.S.N., 2000, Case Western Reserve University.

148 NORTHERN KENTUCKY UNIVERSITY

- De Blasio, Gregory G.**, Assistant Professor of Public Relations (2004). B.A., 1976, William Patterson University; M.A., 1978, Pennsylvania State University.
- DeMarcus, Gregory.**, Adjunct Faculty History and Geography
- Desai, Tripta**, Professor of History (1968). B.A., 1957, M.A., 1959, University of Delhi; Ph.D., 1979, University of Indore.
- Detmer-Goebel, Emily**, Assistant Professor of English (2003). B.A., 1983, Wright State University; M.A., (Theatre), 1985, Miami University, M.A. (English), 1992, Ph.D., 1997, Miami University.
- Dietrich, Frank H., II**, Professor of Mathematics (1979). B.A., 1967, Wilkes College; M.A., 1970, Bucknell University; M.Stat., 1972, Ph.D., 1975, University of Florida.
- Dollins, Ann M.**, Associate Professor of Nursing and Health Professions and Assistant Dean, College of Professional Studies (1996). B.S.N. 1976, American University; M.P.H., 1980, The Johns Hopkins University; M.S.N., 1992, Ph.D., 1997, University of Cincinnati.
- Duggal, Sudesh M.**, Professor of Information Systems (1979). B.S., 1959, M.A., 1961, Punjab University; M.S., 1969, Michigan State University; M.S., 1975, University of Tennessee; Ed.D., 1986, University of Cincinnati.
- Dunn, Rochelle L.**, Assistant Professor and Coordinator of School Counseling Program. B.S., 1995; M.A., 1999; Ph.D., 2004, The Ohio State University. PCC-S, 2003,4.
- Edelen, Frank H., Sr.**, Lecturer of Political Science (1990). B.A., 1966, Centre College; M.A., 1974, University of Kentucky; Juris Doctor, 1978, University of Kentucky.
- Elliott, Teresa L.**, Assistant Professor of Business Law (2003). B.A., 1987, Northern Kentucky University; J.D., 1990, University of Kentucky.
- Elliott, Willie L.**, Associate Professor of Social Work and Interim Chair (1989). B.A., 1971, Kentucky State University; M.S.W., 1973, University of Kentucky; D.Min., 1989, Ashland College.
- England, Ana**, Professor of Art (1986). B.A., 1975, New College; M.A., 1983, M.F.A. 1984, San Jose State University.
- Engebretson, Ken**, Assistant Professor of Counseling (2005). B.S., 1991, Wright State University; M.S., 1993, University of Dayton; Ph.D., 2002, Auburn University. NBCC.
- Farfaring, Gregory**, M.B.A. Director and Lecturer (2003). B.S., 1975, M.B.A., 1981 Xavier University; Ph.D., 2003, Union Institute and University.
- Faulkner, Shawn**, Assistant Professor of Education (2004). B.S., 1988, Tennessee Temple University; M.Ed., 1991, Wright State University; Ph.D., 2003, University of Toledo.
- Feldman, Douglas A.**, Assistant Professor of Education (2005). B.A., 1992, Northern Illinois University; M.A., 1995, Rockford College; Ph.D., 1999, Indiana University.
- Fletcher, Pamela**, B.S.N. and M.S.N., St. Louis University; Post-M.S.N.: F.N.P, 1996, University of Missouri-Columbia.

- Foletta, Gina**, Associate Professor of Mathematics (1994). B.A., 1967, California State College, Stanislaus; M.S., 1986, University of Oregon; Ph.D., 1994, University of Iowa.
- Fogel, Kathy**, Assistant Professor of Finance (2004). B.S., 1997, Nankai University; Ph.D., 2004, University of Alberta, Edmonton.
- Foley, Sean P.**, Assistant Professor of Construction Management (2000). B.S., 1993, Northern Kentucky University; M.S.T., 2000, Northern Kentucky University.
- Fox, Richard K.**, Associate Professor of Computer Science (2001). B.S., 1986, University of Missouri-Rolla; M.S., 1988, Ph.D., 1992, The Ohio State University.
- Frakes, George**, Lecturer of Education (2002). B.S., 1967, Eastern Kentucky University; M.A., 1972, University of Cincinnati.
- Frank, Charles E.**, Professor of Mathematics and Computer Science (1979). B.A., 1969, Valparaiso University; M.A., 1970, Ph.D., 1975, University of Virginia; M.S., 1979, Carnegie-Mellon University.
- Gardella, J. Ronald**, Professor Emeritus of Education (1975). A.A., 1951, Monmouth College; A.B., 1958, University of Pennsylvania; M.Ed., 1969, Rutgers University; Ph.D., 1975, Southern Illinois University.
- Garns, Rudy L.**, Associate Professor of Philosophy (1989). B.A., 1979, Western Maryland College; M.A., 1983, Northern Illinois University; Ph.D., 1989, Syracuse University.
- Goddard, Perilou**, Professor of Psychology (1990). B.S., 1981, Texas A&M University; Ph.D., 1987, Indiana University.
- Gores, Steven J.**, Associate Professor of English (1991). B.S., 1985, M.A., 1986, Ph.D., 1991, University of Wisconsin.
- Gormley, Denise**, Assistant Professor, School of Nursing and Health Professions (2004). B.S.N., 1992, University of Cincinnati; M.S.N., 1995, University of Cincinnati, Ph.D., 2005, University of Cincinnati.
- Gray, Michael**, Professor of Physical Education (1977). B.S., 1974, University of North Alabama; M.S., 1975, Ed.D, 1977, University of Southern Mississippi.
- Greer, Bertie M.**, Assistant Professor of Management (2001). B.E.T., 1986, M.B.A., 1989, University of Toledo; Ph.D., 1997, Kent State University.
- Griffith, Wanda**, Lecturer and Director of Student Services for College of Education (1997). B.A., 1968, Eastern Kentucky University; M.A., 1975, Xavier University.
- Grosch, James W.**, Associate Professor of Industrial and Organizational Psychology (2005). B.A., 1978, Reed College; M.A., 1982; M.B.A., 1984; Ph.D., 1987 University of New Hampshire.
- Hagner, Carolyn Zepf**, Professor of Music (1979). B.M., 1964, Oberlin College; Diploma, 1965, The Juilliard School; M.M., 1969, Manhattan School of Music.

150 NORTHERN KENTUCKY UNIVERSITY

- Hart, Zachary P.**, Assistant Professor of Communication (2003). B.A., 1988, Western Illinois University; M.S., 1989, University of Illinois at Urbana-Champaign; Ph.D., 2000, Michigan State University.
- Hastings, Jon M.**, Professor of Biology (1987). B.A., 1971, Kent State University; M.S., 1975, Ph.D., 1985, University of New Mexico.
- Hatchett, Gregory**, Assistant Professor of Social Work and Human Services (2003). B.S., 1994, Lipscomb University; M.S., 1996, Freed-Hardeman University; Ph.D., 2001, University of Mississippi.
- Hauser, James W.**, Assistant Professor of Computer Science (2000). B.A., 1983, University of Cincinnati, M.S. 1996, University of Cincinnati, Ph.D., 2001, University of Cincinnati.
- Hecker, Jason**, Professor of Political Science and Criminal Justice.
- Heginbotham, Ronald**,
- Hewan, Clinton G.**, Associate Professor of Political Science (1990). B.A., 1969, M.A., 1971, Ph.D., 1991, University of Cincinnati.
- Hickman, Dana**, Assistant Professor of Nursing and Health Professions (2003). B.S.N., 1985, M.S.N., 1988, University of North Carolina at Chapel Hill.
- Hicks, W. Vernon, Jr.**, Professor of Chemistry (1972). B.S., 1965, Emory and Henry College; Ph.D., 1974, Vanderbilt University.
- Hogg, William B.**, Lecturer of Saxophone and Jazz Studies (2004). B.S., 1996, Austin Peay State University; M.M., 2003, University of Cincinnati-College Conservatory of Music.
- Holt, H. Randolph**, Associate Professor of Engineering Technology (1988). B.S.E.E., 1965, University of Cincinnati; M.S.E., 1967, Arizona State University.
- Hopkins, MaryCarol**, Associate Professor of Anthropology (1969). B.A., 1968, M.A., 1969, Ed.D., 1991, University of Cincinnati.
- Houghton, Barbara**, Professor of Art (1992). B.A., 1971, University of Illinois, Chicago; M.F.A., 1973, School of the Art Institute of Chicago.
- Hughes, Stephanie F.**, Assistant Professor of Management (2002). B.S., 1988, M.B.A., 1992, St. Joseph's University; Ph.D., 1999, Temple University.
- Huss, John A.**, Assistant Professor of Education (2002). B.S., 1993, Northern Kentucky University; B.A., 1995, Northern Kentucky University; M.A., 1997, Northern Kentucky University; Ed.D., 2000, University of Cincinnati.
- Jackson, Eric R.**, Assistant Professor of History (2000). B.S., 1988, Ball State University; M.S., 1992, Ed.D., 2000, University of Cincinnati.
- Jacobsen, Sally A.**, Professor of English (1980). B.A., 1961, Whitman College; M.A., 1965; Ph.D., 1978, Purdue University.
- Johnsen, Debra**, University of Cincinnati, Indiana University, A.N.P., 1995; Post-M.S.N.: F.N.P., 2000, Northern Kentucky University.

- Jameson, Lisa**, Associate Professor of Art/Art Education (1997). B.F.A., Webster College, 1977; M.F.A., 1980, M.A. Art Education, 1996, University of Cincinnati.
- Jarchow, Elaine**, Professor and Dean College of Education and Human Services (2004). B.S., 1966, Ohio University; M.Ed., 1974, Kent State University; Ph.D., 1977, Kent State University.
- Jones, Kenneth**, Professor of Theatre and Chair, Theatre Department (1987). B.F.A., 1984, University of Florida; M.F.A., 1987, University of Virginia; Certificate-Playwriting, 1991, A.R.T. Institute for Advanced Theatre at Harvard University.
- Jones, Melissa**, Assistant Professor of Education (2001). B.A., 1988, University of Cincinnati; M.A., 1991, University of Cincinnati; Ph.D., 2001, Miami University.
- Kannan, Miriam Steinitz**, Regents Professor of Biology (1981). B.A., 1973, Rider College; M.A., 1975, Ph.D., 1979, The Ohio State University.
- Keller, Ann**, Associate Professor, Nursing and Health Professions (2002). B.S.N., 1975, College of Mt. St. Joseph; M.Ed., 1977, Xavier University; M.S.N., 1991, University of Cincinnati; Ed.D., 1990, University of Cincinnati.
- Kempton, Robert J.**, Regents Professor of Chemistry (1976). B.S., 1966, St. Peter's College; M.S., 1969, Auburn University; Ph.D., 1975, Fordham University.
- Kenney, Robert B.**, Lecturer in Philosophy and Religious Studies (1999). B.A., 1969, University of Kentucky; Master of Divinity, 1973, Lexington Theological Seminary; Ph.D., 1994, Southern Baptist Theological Seminary.
- Kent-Drury, Roxanne**, Assistant Professor of English (1998). B.S., 1985, Pepperdine University; M.A., 1993, California State University; Ph.D., University of Oregon (1998).
- Kersell, Nancy**, Lecturer II in English (1998). B.A., 1971, The Ohio State University; M.A., 1972, Miami University.
- King, Michael E.**, Associate Professor of Theatre (1985). B.A., 1980, M.F.A., 1985, University of Florida
- Kinne, Lenore**, Assistant Professor of Education (2004). B.A., 1974, Hamline University; M.Ed., 1988, M.A., 1994, Ph.D., 2002, University of Minnesota.
- Kirby, Kevin G.**, Professor of Computer Science (1994). B.S., 1984, M.S., 1986, Ph.D., 1988, Wayne State University.
- Kirk, Mary F.**, Professor of Physical Education and Interim Chair, Department of Educational Specialties (1987). B.S., 1969, Ohio University; M.A., Michigan State University; Ph.D., 1989, The Ohio State University.
- Knarr, Andrea**, Lecturer in Art/Printmaking (1993). B.S., 1981, M.F.A., 1988, University of Cincinnati.
- Krouse, Tonya**, Assistant Professor of English (2003). B.A., 1996, Kent State University; M.A., 1997, University of Illinois at Chicago; Ph.D., 2003, Brandeis University.
- Krull, Douglas S.**, Associate Professor of Psychology (1996). B.A., 1985, University of California; Ph.D., 1990, University of Texas.

152 NORTHERN KENTUCKY UNIVERSITY

- Lanaster, Jayne**, Lecturer Nursing and Health Professions (2004). B.S.N., 1984, Miami University, Hamilton, Ohio; M.S.N., 1993, Wright State University.
- Lapin, Sam**, Lecturer, Communication Department and Coordinator of NKU Grant County Center (1996). B.S., 1986, Illinois State University, M.S., 1989, Illinois State University.
- Le Roy, François**, Assistant Professor of History (2004). Maitrise, 1987, University of High Brittany, France; M.S., M.A., 1989, University of Kentucky, Ph.D., 1997, University of Kentucky.
- Leigh, Stephen W.**, Adjunct Instructor of Literature and Language (2001). B.F.A., 1974, University of Cincinnati.
- Lind, Cornelia**, M.S., 1990; Ph.D., 1992, University of Mannheim, Germany.
- Lindsay, William M.**, Professor Emeritus of Management (1972). B.I.E., 1962, Georgia Institute of Technology; M.B.A., 1970, Ph.D., 1975, Georgia State University; M.S.I.E., 1986, University of Cincinnati; Registered Professional Engineer (GA).
- Lipping, Alar**, Associate Professor of Education (1989). B.A., 1975, M.A., 1976, Queens College of the City University of New York; Ph.D., 1980, The Ohio State University.
- Long, Andrew E.**, Associate Professor of Mathematics (2000). B.S., 1983, Bowling Green State University; M.S., 1991, Ph.D., 1994, University of Arizona.
- Luggen, Ann Schmidt**, Professor of Nursing and Health Professions (1990). B.S.N., 1980, M.S.N., 1982, Ph.D., 1985, University of Cincinnati.
- Lye, Dennis J.**, Associate Professor of Biology (1984). B.S., 1973, University of Wyoming; M.S., 1976, Iowa State University; Ph.D., 1980, Arizona State University.
- Mahaney, Robert C.**, Assistant Professor of Information Systems (2000). B.S., 1984, Morehead State University; M.S., 1995; Ph.D., 2000, University of Kentucky.
- Mahon, Patricia**, B.S.N., St. Xavier University; M.S., University of Colorado, Ph.D., Illinois Institute of Technology.
- Manning, George E.**, Professor of Psychology (1970). B.S., 1965, George Williams College; M.Ed., 1967, Ed.D., 1970, University of Cincinnati.
- Marsolais, Mark**, Assistant Professor of Criminal Justice (2002). B.S., 1981, University of Michigan; M.A., 1988, University of Houston-Clear Lake; Ph.D., 1997, Sam Houston State University.
- Mattson, Gary A.**, Associate Professor of Public Administration (2004). B.A., 1969, SUNY Albany; M.P.A., 1976, John Jay College; M.C.P., 1978, University of Rhode Island; Ph.D., 1983, University of Delaware.
- McBreen, Dennis, C.**, Instructor of Information Systems (2000) B.S. 1964, Xavier University, M.A. 1965, Xavier University.
- McCallen, Leo**, Instructor of Information Systems (2004). B.S. 1990, Northern Kentucky University, M.B.A., 1996 Xavier University.

- McCoy, Carrie A.**, Professor of Nursing and Health Professions (1983). B.S.N., 1972, Humboldt State University; M.S.N., 1980, University of Cincinnati; Ph.D., 2000, University of Kentucky; M.S.P.H., 2000, University of Kentucky.
- McFarland, Ausbra**, Assistant Professor of Construction Management (2005). B.S., 1976, Southern University; M.S., 1988; Ph.D., 1997, University of Cincinnati.
- McGatha, Maggie Back**, Assistant Professor of Education (2000). B.A., 1981, Morehead State University; M.A., 1987 Austin Peay State University; Ed.D., 2000, Vanderbilt University.
- McKenzie, Cheryl L.**, Associate Professor of Nursing and Health Professions (1988). B.S.N., 1979, Eastern Kentucky University; M.N., F.N.P., 1985, University of California, Los Angeles.
- McLean, Shirley**, B.S. in Accounting, 1982, Tennessee Technological University, M.S. in Accounting, 1983, University of Kentucky.
- Meichtry, Yvonne J.**, Associate Professor of Education (1999). B.A., 1976, University of Wisconsin at Whitewater; M.S.E., 1985, University of Wisconsin at Platteville; Ed.D., 1991, University of Cincinnati.
- Metz, John J.**, Associate Professor of Geography (1990). B.A., 1967, Maryknoll College; M.S., 1980, Ph.D., 1989, University of Wisconsin.
- Meyers, Debra**, Assistant Professor of History (2001). B.A., 1991, Nazareth College; Ph.D., 1997, University of Rochester.
- Miller, Carl E.**, Assistant Professor of Mathematics (2002). B.S., 1993, University of South Carolina-Spartanburg; M.S., 2000, University of South Carolina; Ph.D., 2002, University of South Carolina.
- Miller, Danny L.**, Professor of English and Chair, Literature and Language (1989). B.A., 1971, Berea College; M.A., 1975, Eastern Kentucky University; Ph.D., 1985, University of Cincinnati.
- Miller, Julie A.**, Lecturer in Nursing (1999). B.S.N., 1983, California State University, Long Beach; M.S.N., 1997, University of Kentucky.
- Minix, Dean A.**, Professor of Political Science (2000). B.A., Georgetown College, 1973; Ph.D., 1979, University of Cincinnati.
- Mitchell, Lawrence Fred**, Lecturer in Geography (1996). B.A., 1969, Southern Illinois University; M.A., 1979, University of Vermont; Ph.D., 1999, University of Cincinnati.
- Mittal, Banwari**, Professor of Marketing (1987). B.E., 1969, Birla Institute of Technology and Science; M.B.A., 1971, Indian Institute of Management; Ph.D., 1982, University of Pittsburgh.
- Moberg, Philip J.**, Professor of Industrial and Organizational Psychology (2004). M.S., 1993; and Ph.D., 1996 University of Illinois at Urbana-Champaign.
- Mohn, Sara M.**, Assistant Professor of Nursing and Health Professions (2003). B.S.N., 1985, Marian College; M.S., 1996, M.S.N., 1997, University of Cincinnati; F.N.P., Northern Kentucky University.

154 NORTHERN KENTUCKY UNIVERSITY

- Moon, Melissa**, Assistant Professor of Criminal Justice (2000). B.S., 1991, University of Cincinnati; M.S., 1992, University of Cincinnati; Ph.D., 1996, University of Cincinnati.
- Mueller, Stephen**, Assistant Professor of Entrepreneurship (2004). B.S., 1969, Purdue University; M.B.A., 1977, University of Texas at Arlington; M.S., 1989, Ph.D., 2004, University of Texas at Dallas.
- Neal, Catherine S.**, Assistant Professor of Business Ethics, (2005). B.S., 1992, Northern Kentucky University; J.D., 1998, University of Cincinnati.
- Neely, Charlotte**, Professor of Anthropology (1974). A.B., 1970, Georgia State University; M.A., 1971, Ph.D., 1976, University of North Carolina.
- Nepute, Wendy**, B.B.A, University of Kentucky; M.Ed., Xavier University.
- Newell, Gary L.**, Associate Professor of Computer Science (2001). B.S., 1986, Worcester State College; M.S., 1989, Ph.D., 1995, University of Arizona.
- Nierner, Louise**, Associate Professor of Nursing and Health Professions (1995). B.S.N., 1973, M.S.N., 1979, University of Kentucky, Ph.D., 1997, University of Cincinnati, P.N.P., University of Cincinnati.
- O'Callaghan, Tamara F.**, Assistant Professor of English and Latin (1999). B.A. (Hons.), 1986, M.A., 1988, Ph.D., 1995, University of Toronto.
- Olberding, Julie Cencula**, Assistant Professor of Public Administration (2005). B.S.J., 1989, Ohio University; M.P.A., 1992, University of Kentucky; Ph.D., 2000, University of Kentucky.
- Olds, David A.**, M.S.S.W.
- Orth, Daryl L.**, Visiting Professor and Lecturer, (2005). B.S., 1993, Northern Kentucky University; M.S., 1996, Murray State University; Ph.D., 2003, Purdue University.
- Osborne, L. MacKenzie**, Associate Professor of English (1971). B.A., 1958, M.A., 1968, University of Kentucky; Ph.D., 1972, University of North Carolina
- Ossege, Julie**, B.A., 1986, College of Mt. St. Joseph; M.S.N., 1989; Ph.D., 1993, University of South Carolina.
- Payne, Darrell**, Assistant Professor of Social Work (2003). B.S., 1980, University of Dayton; M.S.S.W., 1982, University of Louisville; J.D., 1989, Salmon P. Chase College of Law.
- Pealer, Jennifer, A.**, Assistant Professor of Criminal Justice (2004). B.A., 1997, M.A., 1999, East Tennessee State University; Ph.D., 2004, University of Cincinnati.
- Pennington, Randy K.**, Associate Professor of Music (1994). B.M.E., 1980, M.M., 1982, California State University at Long Beach; D.M.A., 1989, University of Arizona.
- Pfaltzgraff-Carlson, Rhonda**,
- Pfendt, Kristine E.**, Assistant Professor of Nursing and Health Professions (2003). B.S.N., 1972, Northern Illinois University; M.S.N., 1985, Northern Illinois University.

- Prather-Jones, Bianca**, B.A., 1996; M.A., 1998, University of South Florida; Ed.D., 2003, University of Cincinnati.
- Proctor, Russell, F., II**, Professor of Speech Communication (1991). B.A., 1977, Oakland University; M.A., 1984, Northern Illinois University; Ph.D., 1991, Bowling Green State University.
