NEWSLETTER DECEMBER, 1991

Editor: Shirley Scharf

The regularly scheduled monthly meeting of the Staff Congress was called to order December 12, 1991 at 1:00 p.m., University Center Ballroom.

PRESIDENTS REPORT:

As we begin this new year, a number of issues face us not the least of which are the budget cuts. Those who have been with state government very long should remember this is not the first time.

While I do not intend to diminish the importance of this issue, it is vital that we do not panic. Change is difficult but we've been through it before.

As Dr. Booth said in his recent President's letter, 'layoffs will be a last resort.'

Administration and staff have been developing creative ways to cut costs. Your suggestions are being closely reviewed - and more are welcomed as you discover other efficient and effective ideas. Send them to your Staff Congress president, LA 106. Signature are optional.

Just remember, we'll come out of this stronger and better for it.
