Tidbits from Congress:

- We welcomed Mike Baker to his first Staff Congress meeting as Interim Vice President of Administrative Affairs. He expressed his willingness to help Staff Congress become an even stronger organization. Mike helped Dr. Albright in the founding of Staff Congress and is excited to be working with us once again. You can contact him by e-mail at WMLBAKER@NKU.EDU.
- Wellness Days!!! Take note that the Health Fair is more than one day. Cholesterol Blood Testing must be scheduled ahead of time, for Wednesday, November 4, between 7 a.m. and 11 a.m. (Fasting is required) Vision, Glaucoma and Hearing testing will be available Thursday, November 12, at the Health Fair.
- Market Based wage increases will take effect in November. The first check with an increase will show your new salary; the retroactive pay will be included on the following check. This is a direct response to the sharing of our concerns with the administration. The Staff deserve to be commended for their patience and understanding during this process to finalize market adjustments.
- New Staff Representative Appointments: Audrey Riffe—Committee on Staff Effectiveness, and Dan Snow—Campus Environment and Facilities Task Force.
- The new Health Provider should be announced by November 1. They will be available for questions at the Health Fair. Open enrollment is planned for November 2 through 20, 1998.
- **Thanks** to all who participated in any way with the Juvenile Diabetes Walk. Over 700 Walkers united to raise \$86,000 at the NKU walk.
- "Making Strides Against Breast Cancer". On October 25, Greater Cincinnati and Northern Kentucky will walk five miles to raise money for the American Cancer Society. If you are in support of their efforts to find a cure for cancer, please call your pledge into Judy Brueggen at x5683 or Sue Roth at x5684.
- Please check the number of Newsletters you are receiving. If your department needs to add or delete from that number, please contact Peg Goodrich at x6400.

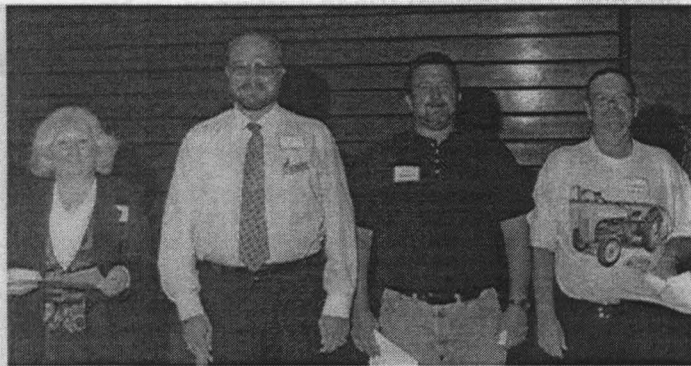

First the Governor, now the President, what next...
