A little nonsense now and then is relished by the wisest men.

Steely Library's Emergency Evacuation Committee has just completed an Evacuation Policy and a thorough study of the library's exits and fire extinguishers. Floor plans, with emergency features noted, will be distributed to library staff, placed in policy manuals and displayed in public areas. Jack Simon, NKU Fire Safety Officer, was an invaluable resource in the entire process especially in providing guidance with the policy and providing the updated floor plans.

The Kentucky Educators Credit Union will be moving to a new location at House 421 on Johns Hill. The Florence location will be closing. This new location will have parking available and be more convenient for all credit union members.

Ninth Annual Staff Awards Day Luncheon, Thursday September 29, 1988, University Ballroom. It is not always easy to ...

apologize
begin over
take advice
be unselfish
keep on trying
be considerate
think and then act
profit by mistakes
forgive and forget
shoulder a blame
... but it usually pays.

Welcome back to the 1988/89 school year.
