A Yale University President once said to Dr. Boothe: "Always be kind to your A and B students. Someday one of them will return to your campus as a good professor. And also be kind to your C students. Someday one of them will return and build you a 20 million dollar science laboratory."

Americans have more food to eat than any other people in the world, and more diets to keep us from eating it.

* * * * *

This is to wish everyone Merry Christmas and Happy New Year. Have a safe and enjoyable holiday season.
