MAIN CAMPUS

IT'S A NEW YEAR FOR STAFF CONGRESS!

Please meet our new Staff Congress officers for 1986. They are:

President - Janet Krebs
Vice President - Donna Gosney
Secretary/Treasurer - Darlene Miller

Committee Chairs are:

Benefits Committee - Don Gammon
Constitution & Bylaws - Pat Coleman Mullins
Credentials & Elections - Melanie Buxton & Marjorie Scheller
Finance - Kathy Dawn
Policies - Sandi Cunningham
Liaison Committee - Nancy Utz

Staff Congress members are here to serve you, please contact us if you have any questions or suggestions.

WHAT'S NEW...

The Staff Congress Benefits Committee is currently working on a recommendation for observing the Martin Luther King, Jr. holiday. Many opposing viewpoints have been presented, and all possibilities will be considered. If you have any questions, contact Don Gammon, ext. 6543.

The Policies Committee is working with the Office of Personnel on a long-term pay policy. This policy will not determine the actual dollar amount of raises each year. What it will do is establish the most equitable distribution of available money. We'll have more information for you later.

DO YOU HAVE A QUESTION?

Attached to this month's newsletter is an "I would like an Answer..." form. You can use these forms to get answers about NKU policies, benefits, procedures, or anything else. We'll find the answers for you. If you have a lot of questions, don't worry. Staff Congress members have extra copies!

A NEW STAFF SERVICE...

Do you have something you would like to sell, rent, trade or buy? List it in our classifieds. The Staff Congress Newsletter will advertise for you. All you need to do is write down the information (please indicate the person to contact and phone number) and send it to Lori Pauly, AC 301.

LOCAL NEWS...

Charles Ashcraft, one of Greater Cincinnati's recent heart transplant recipients, is the son-in-law of NKU's Perk Rudd (Accounting). Organ transplants are now considered a major life saving technique. The only way these transplants can continue to save lives is through generosity. The generosity of those who donate blood, and the much needed organs is applauded. Have you considered the possibility of becoming a donor? If you haven't, please think about it. You may be someone's life saver.

NEW BABIES

Congratulations to the following parents and grandparents:

Stephanie Francis Blackburn
Born November 24, 1985
8lbs-14oz
Beth Blackburn, Computer Services

Andrew Stefan Eith
