## ADMINISTRATIVE/BIOGRAPHICAL HISTORY

In 1968, the University of Kentucky Northern Community College in Covington, Kentucky, officially transitioned to an independent college, Northern Kentucky State College (NKSC). In 1976, it gained university status and became Northern Kentucky University (NKU).

The Highland Heights campus opened in the fall of 1972 with two buildings, Nunn and Regents Halls. Regents Hall contained a multipurpose gymnasium and housed the Athletic department. As the university and the Athletic department grew, the Athletics' offices also occupied the Albright Health Center (open 1984), the Bank of Kentucky Center/BB&T Arena (open 2008) and the Soccer Complex (open 2010).

The Intercollegiate Athletics division began as the Northern Kentucky State College Athletics department under the Student Affairs division in 1971. It continued to report to Student Affairs, with a few brief exceptions of direct reports to the President, until the University obtained NCAA Division I status in 2012. It then became a separate division containing Intercollegiate

Athletics (Director of Athletics' office), Administration, and Sport Programs. The division reports directly to the President.

In 1973, NKSC received full accreditation from the Southern Association of Colleges and Schools (SACS) and became eligible for membership in national athletic associations. The university has held memberships in National Association of Intercollegiate Athletes (NAIA), Association for Intercollegiate Athletics for Women (AIAW) and National Collegiate Athletic Association (NCAA) Divisions I, II and III.

During the early 1980's, the university experienced major budget cuts of over \$3.4 million or 15 percent in fifteen months.<sup>1</sup> These cuts resulted in major reductions in the Athletics Department budget, causing the university to eliminate individual sports – Men's and Women's Tennis, Men's Cross Country and Men's Golf teams for the 1981-1982 and 1982-1983 seasons. These team eliminations also caused the university to fall below the NCAA requirement of six men's teams, forcing NKU to drop their men's NCAA membership and compete in the NAIA. NKU resumed its membership in the NCAA after the reinstatement of all teams in 1983-1984.

Major changes in the AIAW caused the women's teams to change their national association to the NCAA. "The Association for Intercollegiate Athletics for Women was founded in 1971 to govern collegiate women's athletics and to administer national championships. After the 1981-1982 academic year, the AIAW discontinued sponsorship of national championships. NKU left the AIAW following the 1979-1980 academic year to become a member of the NCAA, but slow-pitch softball would still compete in the AIAW until after the 1982 season."<sup>2</sup>

### **Mascot/Nicknames**

The process of choosing a mascot/nickname began before there were sport programs at NKSC/NKU. A brief article in The Northerner announced a contest to pick a school mascot.<sup>4</sup> In January 1971, the results were announced. A total of 397 out of 1700 students voted and the name Norsemen won with 181 votes.<sup>5</sup>

The addition of women's sports in 1974 led to the additional nickname of Norsewomen. During the 1980's, both Norsewomen and Lady Norse were used. The usage slowly evolved until in 1989 only Lady Norse remained in use. By 2000, a final evolution occurred and one nickname referred to all NKU athletes and fans - Norse. (additional mascot history available in RG-026 Athletics Administration and Boosters)

### **Sport Programs**

Sport Programs formed as a separate unit when Intercollegiate Athletics moved from a unit reporting to Student Affairs to its own separate division in September 2012. The Athletic Directors provide oversight of the Sport Programs. There are seven active Men's sport programs: Baseball, Basketball, Cross Country, Golf, Soccer, Tennis, and Track and Field. Wrestling is no longer active. There are eight active Women's teams: Basketball, Cross Country, Golf, Soccer, Softball, Tennis, Track and Field, and Volleyball.

### **Facilities**

Regents Hall opened in 1972 and holds just over 1,600 seats. Regents Hall served as the original home venue for Men's and Women's Basketball, Women's Volleyball and Men's Wrestling. Women's Volleyball continues to use Regents Hall as their home venue.

Frank Ignatius Grein Softball Field, opened in 2000. It has bleacher and ground level seating for approximately 500 fans.

Bill Aker Baseball Complex, named for NKU Baseball's founder and 28-year coach, originally dedicated in 2001, received a major renovation in 2017. It has a seating capacity of 500.

In 2008, NKU saw the completion of a new 9400 seat arena. It opened as the Bank of Kentucky Center and was renamed the BB&T Arena in 2015. The BB&T Arena serves as the home venue for Men's and Women's Basketball.

The Soccer Stadium opened in 2010, bringing the soccer teams competitions back on campus. It contains bleacher seating of 1000 with additional standing room space.

## **Conference Highlights**

### **GLVC**

From 2002-2003 to 2011-2012, NKU dominated in the GLVC. NKU won the GLVC Commissioner's Cup 8 out of 10 years, including 5 straight years. The athletics department's finish in the GLVC's post season tournaments in Men's Soccer; Women's Soccer; Women's Volleyball; Men's Basketball; Women's Basketball and Men's Baseball determined the winner.

From 1999-2000 to 2009-2010, NKU won the GLVC's All Sports Trophy 7 out of 11 years. Winners of this trophy demonstrated the best all-around performance in the league's 22 sponsored sports.

**SCOPE AND CONTENT**

Sport Programs RG-027 contain sport specific records accumulated from the very beginning of Northern Kentucky University's intercollegiate athletics.

These records document NKU participation in collegiate sport competition.  
This is an open record group and new additions to the collection are expected to occur.

The collection has four series: Multiple Sports, Mixed Sports, Men's Sports and Women's Sports.

**Series I, Multiple Sports (1972-2015)** includes records that contain information on more than one sport. For example, the GLVC trophy awarded on the combined record of multiple men's and women's sports. For example, Men's Tennis and Women's Volleyball. The materials include schedules, media guides, statistics, award records, posters and memorabilia. Memorabilia contains objects of historical interest due to their association with specific sport programs, events, athletes and coaches.

**Series II, Mixed Sports (1974-2015)** includes records that list Men's and Women's teams together for the same sport, for example, Men's and Women's Basketball. The materials include yearbooks, schedules, rosters, media guides, game programs, statistics, award records, video, posters, printed materials and memorabilia.

**Series III, Men's Sports (1971-2020)** contains records of Men's Baseball, Basketball, Cross Country, Golf, Soccer, Tennis, Track and Field and Wrestling. The materials include schedules, rosters, media guides, game programs, statistics, video, awards, posters, print materials, news clippings and memorabilia.

**Series IV, Women's Sports (1974-2020)** contains records of Women's Basketball, Cross Country, Golf, Soccer, Softball, Tennis, Track and Field and Volleyball. The materials include
