

# **Danny Miller**

**by Mike Michaels**

Some say a real  
Old, worn out mule  
Long wail, broke heart  
Tuckered and talked out  
He's up there walking  
Drinking shine all night  
Grandma Hattie says that  
Boys like him they set  
Converse awhile, pleasant  
Good people to know, quotes  
Paul and the Acts and  
He sings, Lord, he sings.
