Tidbits from Congress:

- The change in the Vacation/Annual Leave Policy will be brought before the Board of Regents for a vote in January. Details on how this will affect you will be printed in the Campus Digest. For actual wording, you will need to see the replacement pages in the RED Personnel Book (one is located in every department as well as the Personnel Dept.).
 - Claire wishes everyone a Very Merry Christmas
 - The Liaison Committee appreciates everyone for sending in noteworthy news to publish. If you're proud of any accomplishment just send us a line. Help us keep everyone informed of all those major events in life.
 - Peg Adams, Student Support, thanks everyone who contributed to their Christmas Fund/Project.
 - There will not be a "Breakfast With Santa" this year. The students voted that the money spent in support of this activity could be better spent in other ways.
