Tidbits from Congress

- Staff Congress Orientation with the Administration went well. We were given the opportunity to ask Ms Carla Chance any unanswered questions.
- Staff Regent Ms Martha Malloy reported on her first meeting. The Regents plan a retreat for September 23 & 24.
- Visions and Values Meetings are well under way. If you have any questions, call Sonda Cummins at x5123.
- Keep your Red Book up to date. If you suspect that you may not be up to date, contact Personnel for an index. It will show the revision dates for each section.
- Concerns were expressed about the accessibility of NKU for students venturing onto campus during Spring Break week. Considerations are being discussed as to ways of providing student assistance at that time.
- STAFF CELEBRATION DAY!!! October 10. Coffee and Donuts in the morning, a luncheon at noon with music by WNKU, and desert in the afternoon. Something for everyone. This is our day to be honored. Be sure to get your reservation in to Barb Herald.
- New Hires and Departures are on hold due to a change over in computers. We are working on obtaining this information.
- Health Issues Day---October 15.
Take note: you will need to make an appointment with Sue Roth x5684 for any of the testing. Testing date is *October 8*, for Cholesterol (\$6 with a 10 to 12 hour fast), Health Risk Analysis, Vision (including glaucoma), and Hearing. ****a Real Bargain****
Night shift personnel may call Sue for special date arrangements.
