

# Appalachian Azure

by Nettie Farris

blue  
and gossamer  
winged  
inhabitant  
of mountain-

ous rich  
deciduous  
forests  
composed  
of oak

loam  
bugbane  
and black  
cohosh  
not to be

confused  
with Spring Azure  
or Dusty Azure  
for she  
is far larger

and lives  
near streams  
Celastrina  
neglectamajor  
threatened

by invasion  
of garlic  
mustard  
loss  
of habitat
