Tidbits from Congress:

- Board of Regents approved the Student Athletic Fee for the new Academic school year.
- Policies Committee is reviewing the possibility of putting the Red Book on-line. Margo Ferrante, Director of Personnel, replied that going on-line was being worked on.
- Food Service Advisory Committee will inquire about the possibility of reviving the monthly menus for the cafeteria.
- Term limits were discussed for Staff Congress Members. It's not too early to consider running for Congress. New blood is always welcome and actively encouraged. If you're unable to dedicate the time, consider nominating a worthy employee whom you would want to represent you.
- Fidelity is negotiating possibilities of joining the NKU Community.
- There is a chance we will be hosting one or two GLVC first round Basketball Tournament games on Tuesday February 24.
- Volunteers are needed to serve on the Scholarship Committee. Two members will be appointed from the University staff community. If interested contact Peg Goodrich x6400.

STAFF CONGRESS SCHOLARSHIP

Applications available now

The applicants for the A. D. Albright Staff Congress Scholarship must be the son or daughter of a permanent staff employee. Staff Congress Award applicants can be son, daughter, or **spouse** of a permanent staff employee. The administration is making available two \$250 awards to fund books and supplies for the two runners-up of the Staff Congress applicants.

All applicants must be full-time undergraduate students in a degree program during the 1998-99 academic year. Each applicant will be evaluated in these areas:

- Essay for grammar, mechanics, and content;
- Community services and organizations;
- Course load, work load, etc.;
- Cumulative Grade Point Average;
- Composite American College Test Scores.

Full eligibility requirements and application forms are available at the Staff Congress Office, room AC 105 or contact Peg at x6400 to have them mailed or use e-mail: goodrich@nku.edu.

AN INVITATION!!

Paul Cooper, Faculty in the Technology Department, is involved in Construction and Manufacturing Programs and has designed and built various crafts including furniture, brassware and pewter, figurines, clocks, leather accessories, plastic internal carvings, desk sets, etc.

He would like to extend an invitation to the staff of NKU to stop by and view his "masterpieces". These items will be on display through the month of February in the first floor lobby of the Applied Science and Technology Center directly across from the BEP building.
