### Tidbits from Congress:

- Joseph Wind, Vice President of Community & Government Relations, introduced himself and gave a presentation on why he came to NKU and what he intends to do for NKU. He is a graduate of NKU and is here to build our relationships in Washington and Frankfort, encourage additional State and Federal funding as well as toot our horn by "Promoting our Success". He is open to suggestions from the staff and can be reached through his email at [wind@nku.edu](mailto:wind@nku.edu).
- The Rewards and Recognition subcommittee of the Staff Effectiveness Task Force is drafting a recommendation that would offer the staff non-monetary benefits.
- Bill Verst will not be seeking reappointment with the Board of Regents. The next board meeting will be Wednesday July 14.
- 325 new parking spots will be generated by the new four level parking garage. The garage will be accessible to NKU Students, Faculty & Staff. The question still remains as to whether it will also be open to NKU visitors. The charge will be fifty cents for each use. To promote safety, phones will be available on each level and the stairwells will be walled in with glass. The Department of Public Safety will patrol the garage in the same manner as they do all other lots.
- Correction: Human Resources will be mailing salary letters on May 28, 1999.
- New members of Staff Congress will be invited to attend the June meeting on the 10<sup>th</sup> for our annual Scholarship luncheon honoring the recipients of the Staff Congress Scholarship and Book Awards. The decisions are not yet final.
- During our 1999-00 Staff Congress election five hundred ballots were mailed. The one hundred and ninety five ballots cast provided the following results:
