A Publication of
NKU's Staff Congress

A message from Staff Congress President:

I wish to extend a warm welcome to our new and returning Staff Congress members. I am excited to have everyone on board for what I hope to be a very visible year. As representatives of staff members, I feel it is important to let as many people know who we are and what our role is on campus. Our decisions are only as good as the input we receive from all areas of campus. I have found being on Staff congress has helped me understand campus issues from many different perspectives. It has opened my mind to look for solutions rather than just complain. I have found staff congress has a wonderful diverse membership that brings great ideas to the table and I look forward to working with all of you in our new year. I hope you feel comfortable contacting me with any questions or concerns. I want to thank every member for your commitment to serving the university.

Annual Staff Picnic
