**GREETINGS FROM YOUR STAFF CONGRESS PRESIDENT, CHUCK PETTIT:**

**STAFF AWARDS LUNCHEON**

The Staff Awards Luncheon will be October 6, 1995. This event is to honor those employees with five, ten, fifteen, and twenty years services. Also attendance awards will be presented to those non-exempt employees who have not used sick leave for fiscal year 1994-1995. We also have one staff with 25 years of service who recently retired.

The luncheon will begin at 12:00 noon in **Regent's Hall** (moved to larger facility so more people can attend). Following President Boothe's remarks, service awards will be presented by major department heads.

The Regents' Distinguished Service Awards will also be presented at the luncheon to the non-faculty employees selected for this award.

All faculty and staff are invited to attend the Luncheon and join in the appreciation extended to the staff members that have devoted many years to NKU. The cost for the luncheon is \$6.00. Please contact Personnel (X5662) to make a reservation. The last day for Reservations is TODAY, Monday Oct 2, 1995 (no later than 3:00 p.m.) Reservations must be paid for in advance to be considered valid. Make checks payable to "Staff Awards Luncheon" and deliver to Personnel or mail your check, no later than TODAY. Please share this information with faculty in your department.

**COMMITTEES**

All of your staff congress committees are hard at work, some with new projects others with on-going projects. In next months Newsletter we will give you an agenda of the major projects we are working on for this fiscal year. All comments, questions, or criticism welcome. Staff congress cannot be effective without everyone's input.

**STAFF CONGRESS ORIENTATION**

September 13, 1995 Staff Congress had their yearly orientation with the Vice-Presidents, to hear about their respective areas and answer questions from Congress. From this orientation we formulate goals to work on for the year. Staff Congress would like to thank all the Vice-Presidents for taking time to address us.

## **HEALTH ISSUES DAY**

Health Issues Day is October 11, 1995 in the Albright Health Center. The times are 11:00 am to 2:00 pm. The health carriers will be present to answer any questions concerning their participation in the Healthcare Alliance. Other activities will also take place. For additional information, contact Sue Roth, Wellness Coordinator.

## **HEALTHCARE ALLIANCE**

The Healthcare Utilization Committee has been hard at work with making the transition into the new alliance as smooth and painless as possible. We soon will be discussing different scenarios and how it relates to the University's contribution level to the different categories (Single, Couple, Single plus one, and Family). Let us try to remember that we are all in this together. Support of each other can be a wonderful act. We need to take in consideration the impact this new alliance has on each staff and faculty member.

## **LEGISLATIVE ACTION TASK FORCE**

Our University has been part of a group, along with the Kentucky Advocate for Higher Education (KAHE), which has been planning strategy and activities aimed at gaining more positive outcomes from the 1996 Legislative Session.

The University has a task force made up of the following people:

Barry Anderson,	Faculty Senate Representative
Elzie Barker,	Director of the Budget
Carla Chance,	Vice President for Administration
Brian Ellerman,	Student Government Representative
Peter Hollister,	Vice President , University Relations
Nancy Perry,	Director of Alumni Affairs
Chuck Pettit,	Staff Congress Representative
Norleen Pomerantz,	Vice President for Student Affairs
Alice Sparks,	Chair of the Board of Regents

The Kentucky Advocate for Higher Education (KAHE) has submitted a position paper that was voted on by Staff Congress to support in the effort to see that our post-secondary schools are adequately supported in general and our Natural Science Center in specific. Anyone wishing to see this document, as well as, Dr. Boothe's comments to the Capital Planning Advisory Board, can locate them in the Staff Congress office.

## **REMINDER**

If at anytime a staff or faculty member has a comment or concern they would like to share, contact your Staff Congress Representative or call me (Chuck Pettit) directly at X6502. We are here to serve one another.

## **NKU BENEVOLENT ASSOCIATION**

The **NKU Benevolent Association** has recently been formed. From time to time there is a need to support a fellow employee who for some unforeseeable reason is experiencing extreme financial hardship. The **NKU Benevolent Association** has been formed to address this problem and provide them with financial resources. The Association's mission is to provide sustenance to faculty and staff who are experiencing changing life circumstances, those employees in need of "a helping hand." The **NKU Benevolent Association** consists of seven active faculty and staff members. These members are appointed by the President. In addition, there are two ex-officio members. Requests for assistance are to be submitted in writing to the **NKU Benevolent Association**, in care of the NKU Foundation office. Forms may be obtained from the Personnel office (Personnel Services, LA 708). The source of funds to be distributed by the **NKU Benevolent Association** will be private contributions made by our faculty and staff. Needless to say donations are welcome. All contributions are tax deductible and may be made in honor of an individual through the NKU Foundation.
