On behalf of the library staff I would like to take this opportunity to say good-bye to a wonderful woman -Geri Neal. We are all very happy for you, we know how much enjoyment you get out of life. You have given so much to the University and the library. You always have a positive attitude, a kind word and a friendly smile. We are all better for having shared our lives with you. You will be missed. Please don't forget us--We sure won't forget you! Robin Longworth

Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan "Press on" has solved and always will solve the problems of the human race."*

Here's a chance to voice your opinion. Please respond to the following questions, then copy or detach and return it to Rosanne at 202 Steely Library. We'll let you know next month what others are thinking.

The first phase of Northern Kentucky University's wellness program has provided an Albright Health Center Membership to all employees at no cost. This generous benefit is a real bargain. For more information concerning this benefit, call Campus Recreation at x6308. But. . .

Have you taken advantage of this benefit since it went into effect on August 16, 1988?

Have you ever had a tour of the facilities to know what recreational opportunities are available to you?

If you have never seen the facilities, would you like a tour?

If you do not plan to participate, can you give reasons why?

Can you state positive reasons why you use the Albright Health Center Recreational facilities?
