May/June 1993

PRESIDENT'S NOTES by Linda Wright

A highlight of the 1992/93 fiscal year was the Staff Congress Scholarship Award Luncheon on June 10. Attendance was excellent. We were welcomed by Dr. Boothe. Dr. A. D. Albright awarded the scholarship in his name to Kurt Drake. The Staff Congress scholarship was presented to James Pross by Mr. John R. S. Brooking, President and Chair of the NKU Foundation. We congratulate the recipients, thank the presenters, and applaud the selection committee for a job well done. The selection committee included Sandy Cunningham, Donna Gosney, Glenna Herald, Penny Parsons, and Glenn Strausbaugh.

In order to ensure that the scholarships continue to reflect the values and expectations of staff, an ad-hoc committee is being formed to review the criteria and guidelines. We will notify you of the committee members next month, and ask for your opinions and ideas.

At the June meeting, the following outgoing Staff Congress representatives were thanked for their contributions: Sandy Arn, Steve Derrick, Ruth Enzweiler, Sandy Flora, Jack Geiger, Cheryl Lippert, Carol Maegly, Joyce Moore, LaVerne Mulligan, Sue Roth, and Peggy Vater. A listing of 1993-94 representatives, along with their committee assignments, will be published next month. Thanks to everyone who ran in the election - we appreciate your willingness to serve. We ask that past Staff Congress representatives please send their Staff Congress pins to Peg Goodrich. These will be redistributed at the July meeting.

Many people have contacted me regarding the media's continual reference to the proposed alumni/faculty/staff center as the alumni/faculty center. Staff Congress once again reminds everyone that staff contributions play an important part in University fund raising, and these media "oversights" are not acceptable.

The ad-hoc Smoking Policy Committee has completed its work. A final policy from Dr. Boothe's office should be in place within the next few weeks.

Due to a busy spring, the Titling Committee experienced a delay in their work. However, the second revision (based upon your input) should be distributed to staff during the last week in June.

Staff Congress has been expecting a draft of proposed changes to the parking regulations to come through the Parking & Traffic Control Committee. For reasons unknown, however, these changes were made without input, and the new 1993-94 brochures printed. This unfortunate oversight is one which we do not expect to occur again. Please read the new brochure carefully to familiarize yourself with the changes.

SCHOLARSHIPS

Congratulations to the winners of the 1993-94 Staff Congress scholarships.

The A. D. Albright Scholarship - **KURT DRAKE**, son of Dan Drake, Physical Plant Director

The Staff Congress Scholarship - **JAMES PROSS**, husband of Carolyn Pross, Research Assistant in the
Biological Sciences Department

BIRTHS

Congratulations to our proud grandparents:

Katie and Howard Hoffman, Physical Plant, a granddaughter, Taylor Kathleen, weighing 7 lb.

Shirley Montgomery, Physical Plant, a granddaughter, Giselle Claire Montgomery, born May 27, weighing 7 lb 14 oz.

Nancy Trimbur, Arts and Sciences, a grandson, Andrew Baldrige, son of Amy and Glenn Baldrige, born April 30, weighing 7 lb and 14 oz.

GET WELL

Get well wishes to Jeff Noel, Physical Plant, who underwent a kidney transplant operation at Christ Hospital on June 8th. A speedy recovery is wished for both Jeff and his twin brother, Calvin, who was the kidney donor. From our latest report Calvin has gone home and Jeff will soon follow.

FYI

Patricia Norman, Physical Plant, lost her possessions in a fire on April 26. Jerry McLafferty, X 6422, will be accepting donations from anyone wishing to help out.

SYMPATHY

Our condolences to Lola Moore, Physical Plant, on the passing of her sister, Mae Ritchie, in May.

And to James Kaufman, Physical Plant, on the passing of his father.
