STAFF CONGRESS ELECTION UPDATE

At the time of the meeting over 200 ballots have been submitted. Several were returned for signatures. 5 were invalidated because they had no name to check off as legitimate ballots. Confidentiality is kept by comparing the envelope with the master list so no duplicates are submitted. Ballots are removed, envelopes tossed, then the ballots are tallied with no recognition as to the voter. Thank you for your participation. If you haven't voted yet **HURRY**. You only have till May 19, 4:30. Any questions call Peg Goodrich at x6400.

Peg is now excepting nominations from Staff Congress members who wish to run for Executive Council.
