### NKU offers FREE Health Risk Assessment and Health Screening to Employees

All benefit eligible employees are encouraged to sign up for their personal and confidential Health Risk Assessment (HRA) and Health Screening offered in February and March!

Sign up today by visiting <http://wellness.nku.edu/employee/risk.php>, or call 513-751-1288. Health screening appointments are available from 7 to 10:45 a.m. on Feb. 24, 25, 26 and March 3 and 4 in the UC Ballroom.

**The deadline to book your appointment is January 30th.**

Don't miss out on this exciting and unique opportunity!

If you don't see a healthcare provider regularly, the personal wellness profile is critical – and it provides a good starting point for you to establish a close relationship with your provider. It also helps you to understand what areas of your health you may need to be thinking about.

**Staff Congress was organized to create a stronger bond within the staff and to solicit and express the opinions, suggestions, and recommendations of the staff on all matters of interest to the University community. Your opinion matters!! Call or e-mail us with any questions or comments! Link to Subscribe to Staff Congress Listserv:**

## FAQ

In order to assist all NKU staff members, the liaison committee would like to enhance the current NKU Staff Congress website with a new link to "frequently asked questions" and answers about things unique to NKU. For example, "Where can I find food menus online?" or "What benefits come with using my AllCard?" or "Who do I need to talk to about my insurance?"

The purpose of this note is to solicit your ideas for questions and answers to include on the website. The answers could simply be links to websites, or a short paragraph with more information, but our committee would appreciate any help that you can give! We want to organize this list in line with the organization of our staff congress committees, so we are asking each of our SC committees to send a list of Q&A's relevant to their committee by the end of January to Jeff Varrone at: [varronej@nku.edu](mailto:varronej@nku.edu) – thanks for helping us better represent our campus!

## **Office Move**

The Educational Talent Search program is happy to announce the movement of their office from the Covington Campus to 10 Clearview Drive off the old leg of Johns Hill Road. Phone# 572-0290 (dial 9+full seven digits)

The following is the most current list as approved by the Board of Regents at their last meeting which was held 12/10/08. Additional staff changes will be included in the next newsletter after the next Board of Regents meeting.

# Welcome to NKU
