OCTOBER/NOVEMBER, 1991

The regularly scheduled monthly meeting of the Staff Congress was called to order October 11, 1991 at 1:00 p.m., University Center, 108 and November 14, 1991 at Administrative Center, 722.

SYNOPSIS OF STAFF CONGRESS MEETING:

PRESIDENTS REPORT:

- 1) The Salary and Budget Committee is now a standing Staff Congress committee whose purpose is to gain a better understanding of the budget process. Tom Skinner serves as Chair and Carol Maegley, Co-Chair of that committee. While we do not expect a committee to gain complete knowledge of the total process, we expect they can impart to the congress a more easily understood explanation of how the process relates to us... certainly an improvement over the sheet of budget information we've received in the past. We feel this will forge a better basis for understanding between staff and administration. Speaking of the budget...the new Budget Director, Elzie Barker has assumed his position as of December 1. We hope he will attend a future Staff Congress meeting to meet with your elected representatives.
- 2) Recently we had printed cards for each staff member which indicated who your Staff Congress members are, their location, phone number and the area they represent. The cards are orange colored and can be folded to fit your billfold. If you have a problem or question, please contact your representative or any At-Large representative. Congress works only as well as you expect it to work so polish up your positive thinking! If you have not received your Staff Congress card, call Peg Goodrich at 6400.
- 3) With deep regret we accepted the resignation of Shirley Raleigh as Staff Congress Secretary (she will continue as a representative). Her responsibilities at NKU and some family health problems prompted her resignation. We wish her well and appreciate her efforts on our behalf. We will be electing a new secretary soon.

MAY YOUR HOLIDAYS BE JOYOUS; YOUR HEALTH, PERFECT; AND THE COMING YEAR BE FILLED WITH HAPPINESS AND PROSPERITY.

CONGRATULATIONS

THOUGHT FOR THE MONTH

I see little of more importance to the future of our country and our civilization than full recognition of the place of the artist. If art is to nourish the roots of our culture, society must set the artist free to follow his vision wherever it takes him..
