BOARD OF REGENTS MEETING

NORTHERN KENTUCKY STATE COLLEGE

The first official meeting of the Board of Regents of the Northern Kentucky State College was called to order at 7:30 p.m., September 26, 1968, at the TraveLodge, Newport, Kentucky, by Hon. Wendell P. Butler, Superintendent of Public Instruction of Kentucky.

In attendance were: Mr. John P. DeMarcus, Assistant to the Governor; Mr. John R. S. Brooking; Mr. Elmer Haas, Jr.; Mr. Joseph Kohler; Mr. Charles Wiley; and Mr. Kenneth Lucas. Mr. Charles O. Landrum was absent.

The invocation was given by Mr. Lucas.

Mr. Butler read the law applicable to this organization. (KRS 164.330) He stated that by virtue of his office he is Chairman of the Board; a Vice-Chairman and Secretary are to be elected; and a Treasurer, who may not, however, be a member of the Board.

The oath of office was administered to the Board members present by Mr. Gordon O'Banion.

Thereafter, the Agenda was acted upon as follows:

Item 2 - the legal memorandum (Duties and responsibilities of Boards of Regents), which had been supplied to each member, was discussed briefly.

Item 3 - Election of Vice-Chairman, Secretary, and other Board officers was postponed, awaiting the arrival of Mr. Landrum.

Item 4 - Mr. DeMarcus reported that negotiation with the Northern Community College and the University of Kentucky, concerning the status of the Community College, still is pending. A report and recommendation will be made at a later date.

Item 5 - Consultant Study. Mr. DeMarcus said that the Council on Public Higher Education has agreed to provide funds for a study pertaining to the actual establishment of the college, and that at least 25 to 30 consulting firms throughout the country have been contacted. Mr. Haas suggested the appointment of a committee to evaluate these firms.

Mr. Brooking and Mr. Lucas volunteered for this committee.

Motion to nominate and appoint Mr. Brooking and Mr. Lucas to the Consultant Committee was made by Mr. Haas; seconded by Mr. Kohler; unanimously carried.

Motion was made by Mr. Haas that Mr. DeMarcus be a consultant on all committees, and consultant to the Board generally; seconded by Mr. Kohler; unanimously carried.

Item 6 - Accreditation Study. Mr. DeMarcus said the people locally are concerned about accreditation, and suggested appointment of one or two members of the Board to look into this problem.

Motion was made by Mr. Brooking to appoint Mr. Wiley and Mr. Landrum to the Committee on Accreditation Study; seconded by Mr. Haas; unanimously carried.

Mr. Butler offered the facilities of his office for gathering information.

Item 7 - Mr. DeMarcus reported that the Council on Public Higher Education seemed to feel that one of the first things should be some sort of student population survey. He said he has been accumulating such data and it should be available within the next few weeks, and will be sent to each member.

Item 8 - General discussion of new business. It was pointed out by Mr. DeMarcus that the Board would have to go back to Item 3 of the Agenda, and appoint a Vice-Chairman and Secretary. Mr. Landrum had not arrived, and election of officiers was held by the members who were present, who constituted a majority.

Mr. Kohler nominated Mr. Haas for Vice-Chairman.

Mr. Brooking nominated Mr. Wiley for Vice-Chairman.

By a show of hands, Mr. Haas received 2 votes; Mr. Wiley received 3 votes. As the elected Vice-Chairman, Mr. Wiley said, "I think we all agree we have to get a 4-year college and we have to move quickly. I am sure all will stand in agreement on that. I feel we should get on now with the rest of the business of the evening."

Mr. Brooking nominated Mr. DeMarcus for Secretary. Mr. DeMarcus felt there might be some conflict of interest, and suggested someone else be elected Secretary of the Board.

Mr. Lucas nominated Mr. Haas for Secretary; seconded by Mr. Brooking; Mr. Haas was elected by acclamation.

Motion was made by Mr. Brooking to defer nomination of a Treasurer until the next meeting; seconded by Mr. Haas; unanimously carried.

Mr. DeMarcus informed Mr. Butler of a public meeting of the Board of Regents and the Site Selection Committee, which is to be held tomorrow evening at 8:30 p.m., at the TraveLodge, Newport, Kentucky. He said all school superintendents in the area, legislators, members of the press, and Chambers of Commerce representatives have been invited. Mr. DeMarcus said he would make a report on the progress of the Site Selection Committee and on what the Board is doing, and then suggest that questions may be addressed to the Board and the Committee.

Mr. Wiley requested that following these first two meetings, the next meeting should be held in Boone County, at the Boone Aire Country Club.

It was unanimously moved to adjourn at 8:27 p.m.

Certification is listed as signed.

BOARD OF REGENTS MEETING

NORTHERN KENTUCKY STATE COLLEGE

The second official meeting of the Board of Regents of the Northern Kentucky State College was called to order at 7:55 p.m., November 14, 1968, at Boone-Aire Country Club, Burlington, Kentucky, by Hon. Wendell P. Butler, Superintendent of Public Instruction of Kentucky.

In attendance were: Mr. John P. DeMarcus, Assistant to the Governor; Mr. Charles Wiley, Vice-Chairman; Mr. Elmer Haas, Jr.; Mr. John R. S. Brooking; Mr. Joseph Kohler; and Mr. Kenneth Lucas. Mr. Charles O. Landrum was absent when the Chairman called the meeting to order.

The invocation was given by Mr. Lucas.

Chairman Butler announced that a quorum was present.

Guests present and recognized were: Mr. Carroll Ewing, Mayor of Florence; Mr. Roy Vaughn, Member of Florence Council and the Planning and Zoning Commission of Boone County; Mr. Rector Jones, Superintendent of Boone County Schools; Mr. LeRoy Thompson, Real Estate Salesman from Hebron; Representatives from the Kentucky Post & Times Star and the Kentucky Enquireer.

Mr. Haas moved to waive reading of the minutes of the previous meeting, since all members of the Board had copies of same, and moved adoption as transcribed. Mr. Kohler seconded the motion, unanimously carried.

Thereafter, the Agenda was acted upon as follows:

Item 3 - Report of the Committee on the Status of the Northern Community College. Mr. Haas, Chairman, read the Summaries and Conclusions of the lengthy report to the Board, copy of which was available to all members. Mr. Haas commented that the Committee determined that the two-year college would receive the advantage of using facilities of the four-year college. The report was submitted by members of the Committee: Mr. Kohler, Mr. Haas, and Mr. Wiley.

Mr. Brooking moved that the following motion be accepted: That the Board of Regents of the Northern Kentucky State College, after thorough study, recommend to the 1970 Kentucky General Assembly that the University of Kentucky Community College in Covington, be brought under the control of Northern Kentucky State College. Motion seconded by Mr. Wiley, unanimously carried.

Mr. Butler stated that he felt the Regents were moving in the right direction. Mr. Brooking moved that Mr. Butler's favorable comments in regard to the above motion be incorporated into the minutes of the meeting. Mr. Wiley seconded the motion, unanimously carried.

Mr. Brooking moved that the Report of the Regent's Committee on Status of the Northern Kentucky Community College be incorporated in the minutes of the meeting and made a part thereof in its entirety. Motion seconded by Mr. Wiley, unanimously carried.

Mr. Wiley moved that the open letter to residents of Northern Kentucky written by Mr. Kohler be adopted and be made a part of the record. Motion seconded by Mr. Haas, Unanimously carried.

Item 4 - Site Selection Committee progress report. Mr. DeMarcus reported that he had met with the Site Selection Committee and that the committee proposed that the professional firm of Management Consultants, Robert Heller Associates, Inc., of Cleveland, Ohio be employed to evaluate all sites. The proposal was adopted unanimously by the Site Selection Committee and was approved by the Council on Public Higher Education. The Site Selection Committee received applications from at least fifteen to seventeen different firms in making an evaluation of same. Included in the proposal are a number of recommendations of this firm. Mr. DeMarcus stated that the Site Selection Committee is making adequate progress -- as good as could be expected under the circumstances.

Mr. Haas moved that the proposal submitted for the examination of sites for the Northern Kentucky State College be given a vote of confidence along with the approval of the Board of Regents. Mr. Lucas seconded the motion, unanimously carried.

Item 5 - Appointment of Screening Committee for College Personnel and Staff. Mr. Haas, Mr. Lucas, and Mr. Kohler were nominated. Mr. Haas moved that the nominations be adopted. Motion seconded by Mr. Brooking, unanimously carried. Mr. Butler commented that the Committee can call on the Department of Education and the Governor's Office for information or help, if needed.

Item 6 - Mr. Haas, moved that Mr. DeMarcus be given official status to act for the Board of Regents of Northern Kentucky State College at meetings of the Council on Public Higher Education and that a letter be given to that effect. Mr. Wiley seconded the motion, unanimously carried.

Mr. DeMarcus suggested that the next meeting be held after the Committee reports on Student Population, Accreditation Study, and Screening Committee take place and can be made a part of that meeting. The next meeting date was left open to be set at a later date.

Mr. Lucas moved the Board recess at 8:15 p.m. to give Mr. Landrum an opportunity to arrive at the meeting. Motion seconded by Mr. Brooking, unanimously carried. Mr. Lucas suggested that the recess be used to hear statements of people from Boone County who had attended the meeting.

Following are the comments of visitors in attendance. Mr. Carroll Ewing: "Florence City Council is on record as supporting a four-year college in the Northern Kentucky area. We would be glad to render any service that we might be able to give. We offer the use of our City Building for meetings at no expense for meeting any night of the week." Mr. Rector Jones stated that the facilities of Boone County Schools were available for meetings and that he would be glad to help in any way he could. Mr. Thompson of Hebron stated that he felt that the Board of Regents should buy twice as much land that they figure they might need. Mr. Jones asked the amount of acreage proposed for the college. Mr. DeMarcus replied that a minimum of 350 acres had been recommended by the College Presidents in the State. Mr. Butler stated that the attitude of the people of the Northern Kentucky section of the State is a big asset.

Mr. Landrum arrived at 8:30 p.m. Mr. Butler recalled the meeting to order, and authorized Mr. Brooking, an attorney and notary public, to administer the oath of office as Regent of the Northern Kentucky State

College to Mr. Charles O. Landrum. After Mr. Brooking administered the oath, Mr. Landrum replied, "I so swear", and was congratulated.

Mr. Haas moved that the meeting adjourn, seconded by Mr. Kohler, unanimously carried at 8:55 p.m.

MINUTES OF REGULAR MEETING
OF
BOARD OF REGENTS OF NORTHERN
KENTUCKY STATE COLLEGE, HELD
MAY 20, 1969

The Board of Regents of Northern Kentucky State College met in a regular meeting on May 20, 1969, at 7:00 P.M., EDT, at the University of Kentucky Community College in Covington, Kentucky, in the Seminar Room. Mr. Wendell Butler, Superintendent of Public Instruction, called the meeting to order. The invocation was given by Mr. Kenneth Lucas. The Chairman, Mr. Butler, then recognized Mr. James McKennoy, the non-voting advisory faculty member. The non-voting advisory student, Mr. Dan Kraemer, was absent at this time. The following members of the Board of Regents were present: Mr. Wendell Butler, Chairman; Mr. Charles Wiley, Vice-Chairman; Mr. Elmer Haas, Secretary; Mr. Joseph Kohler; Mr. Kenneth Lucas; and Mr. John Brooking. Mr. John DeMarcus, Consultant to the Board, was also present. Mr. Charles Landrum was absent.

Mr. Butler recognized visitors present at this time. Mr. Art Schmidt, State Representative; Mrs. Wendell Butler; Mr. Ralph Nall, State Department of Finance; Mr. Clyde Middleton, State Senator; Mrs. Meredith Armstrong; Mr. Ben Baker, Member of the Executive Committee of the Site Selection Committee for the College, and others.

Mr. Haas moved that the minutes of the previous meeting be waived and approved since each member had a copy thereof. Mr. Wiley seconded the motion. Motion approved unanimously. Mr. Haas moved that reading of the Escrow Agreement be waived and approval thereof given. After some discussion, Mr. Haas withdrew the motion.

Thereupon, the Chairman stated that one of the purposes of the meeting was to consider and possibly act upon the execution by the Board of Regents of Northern Kentucky State College of an Escrow Agreement between the Board of Trustees of the University of Kentucky, Lexington, Kentucky, First Security National Bank & Trust Company of Lexington, Kentucky, the Board of Regents of Northern Kentucky State College and the State Property and Buildings Commission of the Commonwealth of Kentucky, a form of which Escrow Agreement was presented to the meeting and which had already been executed by one or more of such parties. After the matter of the advisability of the execution of such Escrow Agreement had been fully considered, Mr. Haas made a motion, which was seconded by Mr. Wiley, that the following resolution be adopted:

BE IT RESOLVED that the Chairman and the Secretary of the Board of Regents of Northern Kentucky State College be and are hereby authorized and directed to execute an Escrow Agreement between such Board, the Board of Trustees of the University of Kentucky, First Security National Bank & Trust Company and the State Property and Buildings Commission of the Commonwealth of Kentucky substantially in the form presented at the meeting at which this resolution was proposed, and such Escrow Agreement providing, among other things, for the execution and delivery of a deed to Northern Kentucky State College by the Board of Trustees of the University of Kentucky, conveying the real estate which is now being used for the Community College in Covington, Kentucky, with certain provisions being contained therein as set forth in such Escrow Agreement, for the payment during the fiscal year 1969-1970 by the Board of Trustees of the University of Kentucky to the College of certain rental for such facilities and for the transfer to the College by such Board of Trustees of certain amounts received by such Board of certain earnings and savings in connection with the

escrowing of certain monies to retire the outstanding Series A and Series B bonds of the University of Kentucky pertaining to its Community College System.

BE IT FURTHER RESOLVED that there be accepted such deed from the Board of Trustees of the University of Kentucky upon same being executed and delivered to a representative of the College in the form as provided by such Escrow Agreement.

BE IT FURTHER RESOLVED that the officers of the Board of Regents are hereby authorized and directed to take any and all other steps which may be necessary or desirable to carry out the intent of such Escrow Agreement and such deed.

Upon a vote being taken upon such a motion, the result was as follows: AYES: Charles Wiley, Joseph Kohler, John R. S. Brocking, Elmer Haas, Kenneth Lucas. NAYS: None.

Thereupon, it was declared that such motion had carried and that such resolution had been adopted and was in full force and effect.

Mr. Haas asked Mr. Ralph Hall, State Department of Finance, to give further explanation of the Escrow Agreement.

Mr. Hall gave some of the following comments: The primary objective proposed by the Governor's office was to establish a base upon which Northern Kentucky State College could grow quickly--a base upon which bonds could be provided for growth. A bond issue is coming up for community colleges which complicated to some degree the situation for the Department of Finance. Since revenues have been pledged to pay bonds, the decision was forced by this fact. With the approval and encouragement of Governor Nunn, the Department searched for funds to retire bonds in the amount of $2,250,000. They were able to find funds from bonds issued by the State of Kentucky for various purposes around 1965

in the amount of $37,000,000. These bonds were used not only for higher educational purposes, but for many state agencies, including parks, lakes, etc. This money could not be spent in one year, so there remained a portion of that which could be invested, committed to provisions, but unspent. Earnings from these investments are a source for funds which Governor Nunn encouraged the State Property and Buildings Commission to make available to the University of Kentucky to retire bonds of Community Colleges which would free the University of Kentucky from its commitment in regard to revenue. In turn, the University of Kentucky would pledge Northern Kentucky Community College facilities to the Northern Kentucky State College. The University of Kentucky, according to the agreement, then declared that the Northern Kentucky Community College is no longer needed in operations; therefore, it deeded its properties to the Northern Kentucky State College. $140,000, included for debt service at the University of Kentucky for the Community College, was suggested and made available as lease rental for the University of Kentucky to the Northern Kentucky State College, assuming that the State College would not be in operation before September of 1970, because of the time involved in funding such an operation. This $140,000, therefore, will be available for development costs, according to the provision in the Escrow Agreement.

Another source of funds for the Escrow Agreement's $2,250,000 is that the Series A and B bonds come due in the future and at the first call dates. Bonds cannot be paid for immediately with the escrow money. This means there will be investment earnings on the escrow money--and provisions have been made for these earnings to come to Northern Kentucky State College. This money is to be used only for capital construction purposes, trusting that the Legislature would provide operating funds.

The deed will be executed shortly so that the title is in the name of the Northern Kentucky State College, Commonwealth of Kentucky. Lease rental payment will come from the University of Kentucky.

Proviso: If for some reason, the Legislature failed to act to remove from the statutes present requirements that the University of Kentucky operate in Covington a Community College facility, there would need to be some proviso for the University of Kentucky to have use of this facility until new land could be purchased. The University of Kentucky would have the option of leasing back and repurchase of property. This gives a basis in 1971 where school fees from students in this institution can be used as a basis for debt service on bonds which can be then issued to begin construction of a new facility. The bonding potential is $3½ to $4 million, and will increase. In answer to a question posed by Mr. James McKenney, Faculty Representative, the University of Kentucky would be responsible for maintenance of the present buildings during the period of the lease agreement.

Mr. Haas, Chairman of the Committee for the Northern Kentucky Community College Faculty and Staff Considerations reported that their report in regard to retirement and tenure, Document #2, has been received by all members of the Board. Mr. Haas read the summary of said report. Mr. Haas read a communication from Mr. James McKenney in regard to the report. The Board agreed to answer Mr. McKenney's questions in regard to retirement and tenure of the faculty of the Community College after adequate research. Mr. Haas read a report from Dean Hauselman of the Northern Community College in connection with the Nursing Program. Mr. Wiley moved that the resolution be adopted and the two proposals be referred to committee. Mr. Kohler seconded the motion. Motion carried unanimously.

Chairman of the Consultant Committee, Mr. John Brooking, referred the Board to Document #3 under Committee Reports. Mr. Brooking stated that from the thirty consulting firms that sent plans, the Committee selected Taylor, Lieberfeld and Heldman, Inc., 235 Park Avenue, South, New York, N. Y. 10003. The Committee reviewed all statements, resumes, and felt that Taylor, Leiberfeld & Heldman, Inc.: 1. Had more expertise in planning new colleges than any of the other firms; 2. Had no experience with the State of Kentucky, and thus wouldn't have any preconceived ideas from university politics in Kentucky on how things should be done; 3. Felt that their presentation of how the company would go about planning was the best presented for the least expense, the sum of approximately $37,000. The firm proposed to give us a forecast of student enrollment over a fifteen-year period, study financial obligations of the College, and how all of these and other factors would be used in their program. The Consultant Committee, including Mr. Charles Landrum, selected this firm for recommendation for the above reasons.

Mr. Brooking moved that the Board of Regents of Northern Kentucky State College retain and request the Council on Higher Education to pay the firm of Taylor, Lieberfeld & Heldman, Inc., 235 Park Avenue, South, New York, N.Y. 10003, as consultant to the Board from the proposal outlined above. Mr. Lucas seconded the motion. Mr. Haas asked if arrangements on payment of the consultant had been made. Mr. Brooking answered in the affirmative. Members of the Board of Regents approved the motion unanimously.

Mr. Dan Kraemer, Student Non-Voting Representative, was recognized by the Board. Mr. Brooking proposed a resolution welcoming the Student and Faculty members and making them Advisory members of the Consultant Committee and the Committee on Northern Community College Faculty and Staff Considerations. Mr. Wiley seconded the motion. Motion carried unanimously.

Mr. Ben Baker, Chairman of the Site Selection Committee, reported that the report by Robert Heller Associates, Inc., is about ready for distribution. Mr. Baker added that members of the Site Committee wanted to wait until the soil consultant report is available before final action. The Council on Public Higher Education will receive the complete reports, review them and give their opinion in regard to the site selection, in accordance with prior agreements.

Mr. Wiley moved that a resolution be approved accepting and approving of the recommendation of the Site Selection Committee and recommended same to the Council on Public Higher Education. Motion seconded by Mr. Elmer Haas. The motion was amended to read the same as above, plus: subject to a soil report being submitted. The motion was approved unanimously as amended.

Mr. Wiley moved that the Board of Regents compliment the Site Committee for their excellent work. Motion seconded by Mr. Brooking. Motion carried unanimously.

Mr. Wiley moved that a Committee to Coordinate and Finalize Site Selection Activities with the Site Selection Committee be appointed consisting of Mr. Haas and Mr. Landrum. Mr. Kohler seconded the motion. Motion carried unanimously. The Chairman, Mr. Butler, made the appointment.

The meeting was interrupted at this point by Mrs. Vernon (Dixie) Lee to ask why the college was placed in Campbell County. Mr. Wiley answered that the educational authorities given the job to evaluate the sites agreed that this site would best serve all of the Northern community. Mr. Baker, Chairman of the Site Committee, explained that Robert Heller Associates went into each factor to be included in the final report in detail. He explained that the three sites were judged as such and were not judged according to the county in which the site was located. The terrain, access, utilities and population center, etc., were taken into consideration. Mrs. Lee felt that the college site was chosen on a political basis and so stated. Mr. Lucas stated that such was not the case. Mrs. Lee

said she would give this information in regard to the College to the voters as she goes door-to-door in her political campaign.

Mr. Haas moved that the question of how the College was selected be referred to the Site Committee. Later Mr. Haas withdrew the motion.

Mr. Brooking stated that since Mrs. Lee had put Heller Associates' integrity in question, he thought that they should be informed. Mrs. Lee then apologized and stated she wanted to do nothing to harm the college. Mr. Wiley stated that the damage had been done and asked the Chairman to proceed with the meeting.

Mr. Kohler offered a resolution that the Community College Facilities in Kenton County be continued indefinitely as an educational facility and that it be resolved to look into plans to make the Kenton County facility an extention or evening center of Northern Kentucky State College after the actual administrative transfer in 1970. Mr. Kohler moved adoption of the resolution. Mr. Haas seconded the motion.

Mr. Brooking stated that the problem with the evening college is: first, it is not known and will not for some time be known the extent of the community college or two-year college until our consultants advise us; and secondly, until a master plan is adopted on how the college will be set up, where buildings will be, etc., it should not be said if there will be an evening college.

After this discussion Mr. Kohler amended the resolution to read that the Community College facilities in Kenton County be continued indefinitely as an educational facility. The amended resolution was seconded by Mr. Haas and carried unanimously.

Mr. Brooking introduced the mayor of Highland Heights, Mr. Robert Slater, and the City Attorney for Highland Heights, Mr. William Bertelsman. Mr. Brooking stated that there is an annexation suit in Campbell Circuit Court. The City of Highland Heights seeks to annex all of the area where the College will be constructed. But the City is being opposed by the freeholders of the annexed

territory. Because of police and fire protection he recommended that all of the College be in Highland Heights. It was proposed that the Board of Regents go on record favoring annexation of the entire area of the College.

Mr. Bertelsman, attorney for the City of Highland Heights, spoke. He said one-tenth of the proposed site is in Highland Heights. Consultants would recommend unified zoning. Annexation plans have been going on for about two years before the land for the College was optioned. The suit is not set for trial for thirty to sixty days. Therefore, Mr. Haas moved that the matter be referred to committee, investigating the advantages and disadvantages of annexation. Mr. Kohler seconded the motion. The matter was assigned to Mr. Haas' committee and will report at the next meeting. Mr. Haas asked that Mr. Brooking be assigned as consultant to the Committee. Mr. Brooking was so appointed by the Chairman, Mr. Butler. Motion was unanimously carried.

Mr. Brooking moved that the Board of Regents thank Governor Louie B. Nunn, the Department of Finance, Skaggs & Hays, bonding attorneys, for their assistance in the development of the college. Mr. Haas seconded the motion. The motion carried unanimously.

Mr. John DeMarcus, consultant to the Board, thanked Chairman Wendell Butler for attending the meeting.

There being no further business to come before the meeting, a motion was made, seconded and unanimously carried that the meeting adjourn at 8:10 P.M.

BOARD OF REGENTS MEETING

NORTHERN KENTUCKY STATE COLLEGE

FRIDAY, JULY 25, 1969

7:30 P.M.

All Regents were present at the meeting. Superintendent Butler was absent, and Vice Chairman Wiley acted as Chairman of the meeting.

Reading of the prior minutes was waived, they were received and unanimously passed.

Visitors recognized were a representative of the Kentucky Post, the Cincinnati Enquirer, and the Courier-Journal.

Vice Chairman Wiley reported that the Council on Public Higher Education had approved the consultant contract of Taylor, Lieberfeld, & Heldman, Inc. Vice Chairman Wiley reported that the Board should request an additional $31,000.00 for consultant fecs from the Council on Public Higher Education to enable further proceedings in the analysis of the site and other preliminary studies, and for a comprehensive plan for the college site in Campbell County.

John DeMarcus, Consultant to the Board of Regents, reported that Mr. Lieberfeld would make his first report to the Board of Regents as to preliminary studies at the September meeting of the Board of Regents.

Report by Mr. Haas of the Site Selection Committee was then made. He reported that the college site is under option until July 1, 1970. Mr. Haas reported that the Council on Higher Education had approved the site of the college in Campbell County and Mr. Haas tendered the letter of the Council to this effect, and same was filed with the minutes of the meetings.

Mr. Haas, Chairman of the Community College Committee, asked that the Board vote on Document # 2 which was submitted to the Board at its regular May 20 meeting concerning tenure, academic leave and rank, with regard to Community College personnel. Mr. Haas made motion that this report, which dealt with the acceptance and continuation of such policies as outlined in Document # 2 be accepted. Motion seconded by Mr. Kohler. Approved unanimously. (Copy of Document # 2 is attached.)

Mr. Wiley reported that letters have been sent to various foundations throughout the country in an attempt to obtain funds for purchasing the new college site, however, no firm commitment at this time had been received.

Vice Chairman Wiley reported that he had written to the Kentucky State Attorney General to request a legal opinion on the Board of Regent's right to obtain local financing for the college site, but he reported that he had not received an answer from the Attorney General as yet.

Vice Chairman Wiley then announced he was appointing the Site Selection Committee to proceed to investigate local financing for the new college site.

Motion was made by Mr. Haas, seconded by Mr. Brooking that resolutions and other official matters to be presented to the Board of Regents by non-Board members, should be registered in advance with the Secretary of the Board of Regents before same could be presented at any regular meeting. Discussion followed. The motion was passed 3 to 2 (voting no were Mr. Kohler and Mr. Lucas.)

Mr. Kohler reported on the Committee on Personnel Selection. Mr. Kohler reported that the committee interviewed Dr. A. D. Albright for the presidency of the new college. Dr. Albright decided not to accept the offer of President of the college. Mr. Kohler reported that by the next meeting he hoped to have recommendations for Budget Director of the college and the presidency.

Mr. DeMarcus made a report that the escrow agreement funds had been deposited with the First Security National Bank in Lexington and further reported on the actions of the Council on Public Higher Education and Department of Finance with regard to the new college.

Motion made by Mr. Haas and seconded by Mr. Lucas that the bill of Skaggs and Hays, Attorneys at Law for $1,530.00 for legal services in connection with transfer of Northern Kentucky Community College property from the University of Kentucky to Northern Kentucky State College be accepted. Passed unanimously.

Mr. Brooking moved that the Board of Regents, by and through its Vice Chairman and Consultant, formally request of the Council on Public Higher Education, the sum of $31,000.00 for future consultant fees. Mr. Haas seconded the motion, same passed unanimously.

Motion was made by Mr. Haas for adjournment, seconded by Mr. Brooking and passed unanimously.

7:30 P. M.

The Board of Regents of Northern Kentucky State College met in a special meeting on Monday, September 8, 1969, at 7:40 P. M. EDT., at the University of Kentucky Community College in Covington, Kentucky, in the Seminar Room.

Vice-Chairman, Mr. Charles Wiley, declared a quorum present, and presided in the absence of the Chairman, Mr. Wendell Butler. The following members of the Board of Regents were present: Mr. Wiley, Vice-Chairman; Mr. Elmer Haas, Secretary; Mr. Joseph Kohler, Mr. Kenneth Lucas, Professor James McKenney, Faculty Representative, and Mr. John DeMarcus, Consultant to the Board. Absent were: Mr. John Brooking and Mr. Charles Landrum.

minutes approved 9 ~~8~~

The Chairman stated that the principal reason for calling the special meeting was to discuss the parking problem at the Northern Center. Mr. A. J. Hauselman, Acting ~~Dean~~ Director of the ~~Center~~ Northern Community College, and Mr. Paul Schott, Business Manager of the Center, were introduced to the Board.

(change of 2 pp)

Mr. Hauselman stated that he appreciated the Board coming and hoped that they can come up with a solution. He presented two papers to the board. The Parking Statistics stated: "There are only 357 student parking spaces for over 1500 students...There are only 43 parking spaces for faculty and staff. Of the 86 members on the faculty and staff 54 are full-time and 32 are employed on a part-

He stated that 70% of the students are full time. The second paper gave the hourly student enrollment for the Fall Semester. There is one car for every 2.2 students. Parking figures do not include students who may be in the library, seeing counselors, etc. The admisistration cannot encourage students to stay at the Center because of the pressure for space. Mr. Hauselman said he made a physical count; and, on the average, during more heavily used periods, he found between 75 and 85 cars that are improperly parked on yellow lines, etc. The Center stopped issueing citations for violations because the students have to park some place. Mr. Hauselman felt the college had been quite lenient. The college must have relief before bad weather comes. He said he had not made a survey as to how many of the students are walking or how many are coming by public transportation.

The Vice-Chairman asked if any encouragement had been made regarding car pools. Mr. Schott said they could be encouraged, but the students do pretty much what they want to. Mr. Hauselman pointed out that some students work, and that probably is the reason not many come in a car pool. Mr. Haas asked if they had any idea as to the requirements for parking. Mr. Hauselman stated that they had not had the full impact from bad weather which brings more cars, as does the rate when student employment seems to go up. There will be more students gainfully employed by the end of the semester than now and may not be sharing rides later. His recommendation is to go ahead now with the maximum number of spaces which can be provided on the present hard--top with as little earth movement as possible -- a minimum of 100 additional spaces and a minimum of 150 spaces.

UK Northern Center is increasing enrollment from seven to ten percent a year.

Mr. Hauselman introduced Messrs. Guest and Forstrum and stated they had checked the topography of the region, made a recommendation and survey of the hilltop. Mr. Guest's first thought was to reorganize what was already in use. He felt that the College was not getting the maximum number of cars in the space available. He made a sketch lining cars to take advantage of every place without going into the greenery. He said that he could gain eighty cars by just doing this. Some curbs can be removed and bring parking into some grassy areas. Mr. Guest's recommendation was to remove the big islands and make everything parking from the building over. That would leave two landscaped areas. He said he could get 260 cars parked by rearranging and taking out the islands. He estimated the cost for a paved lot would be approximately $25,000 for 100 spaces. The work could be done in sections to deep construction interference at a minimum. This would involve a minimum amount of grading, blacktop, and blacktop curbs.

UK thought the State Highway Department might be induced to help. The cost is $250 to $275 per car on most excavation done for UK. Mr. Guest felt that improved lighting was needed also, and felt that it should be included as part of the plans.

Mr. Hauselman stated he hoped the Highway Department can help because of the time element. We need to be working against the weather to have the work done and parking spaces completed.

The last parking improvement was made about four or five years ago. The present plan was disapproved by the University of Kentucky last year.

Mr. Haas recommended that a Committee be appointed to investigate the proposal, to investigate aid available from the State Highway Department, and make recommendations. Mr. Hauselman stated that the State Highway Department was asked to re-mark the parking lot, but didn't get to it, but he hopes they don't now in view of the possibility of more improvement.

Mr. Haas recommended to the Chairman that a Committee resolve the matter within a week to ten days. Mr. Kohler moved that the Committee be given emergency power to approve or disapprove expenditures and do what is necessary to add 100 to 150 parking places. Mr. Lucas seconded the motion. Mr. Haas stated that he didn't like to give the Committee a blank check. Mr. Haas amended the motion to give the Committee possible expenditures up to a maximum of $25,000. Mr. Lucas seconded the motion as amended. The motion was carried unanimously. The Chairman appointed the Committee that has been working with the Community College to handle the matter of Parking. The Chairman is Mr. Haas. Members are Mr. Kohler and Mr. Wiley. Mr. Wiley appointed Mr. Landrum to act as consultant to the Committee.

Mr. Hauselman stated that UK will provide technical services. Mr. Hauselman asked Mr. Guest to bring his plans so that the Board can study the different setups of the parking lot he has designed. He stated that he could do so in two or three days. The Chairman thanked the gentlemen for coming to present their recommendations.

Mr. Hauselman presented another problem that had arisen at the Community College. It seems the Community College librarian resigned. He tried to replace her, but had the problem of hiring a qualified person for one year. Since the Board of Regents of NKSC had expressed itself that members of the Community College faculty would be offered comparable positions and benefits in the new college, a new librarian was hired in this manner. Since the kind of person NKSC would want on its staff would cost more money than the Community College could pay, Mr. Hauselman felt that the Board might augment the salary of the newly employed librarian. The annual salary was $800 in excess of the budget for a librarian at the UK Northern Center. Mr. Hauselman asked the Board for same. He said the librarian would continue consulting services to the Board during this period of time. Mr. Haas moved that the $800 be paid to augment the salary of the librarian of the Community College for one year. Mr. Lucas seconded the motion. Motion passed unamiously.

The second item on the agenda for this special meeting was Travel Expenses for the Presidential Selection Committee. Mr. Kohler stated that the Kentucky law provides for payment of expenses. He referred the Board to a copy of the revised Standard Travel Regulations which became effective April 3, 1969. Mr. Kohler moved that the Board allow payment of the expenses of the Presidential Selection Committee and that a copy of the State Standard Travel Regulations be attached to the minutes. The motion was seconded by Mr. Haas and carried unanimously.

The third item on the agenda was in regard to the adoption of the Official College Seal. The Chairman stated that several designs for the Seal were made several months ago for the Ky. Post and Times Star to sponsor a contest for the public to choose one design for the College. Miss Donna McKeown reporter for the newspaper, was introduced. She said the public response was not good, and that the Post would return the sketches. She presented the Board with the response received by the newspaper through the mail. The Chairman referred the information to Committee and ask that a report be prepared for the next regular meeting of the Board.

The fourth item on the agenda was the appointment of a fiscal agent to act for the Board. Mr. Haas moved that Mr. Wiley be appointed to act in this capacity. Mr. Kohler seconded the motion. Motion was carried unanimously.

Mr. James McKenney, the Faculty Representative on the Board, pointed out that Mr. Dan Kraemer, the Student Representative on the Board was now attending school at UK campus. He felt that the Center should appoint another member to the Board. The Chairman will inform Mr. Hauselman to this effect and ask the Student Representative be present at the next Board meeting. The Chairman suggested that Mr. Kraemer should have a letter of appreciation from the Board. Mr. Kohler moved, resolved that Mr. Dan Kraemer be sent a letter of appreciation for his contribution and the Board's desire to wish him the best in the future.

Mr. Lucas seconded the motion. Motion unanimously passed.

Mr. Kohler moved that the meeting be adjourned at 8:45 P.M.

Mr. Haas seconded the motion.

MINUTES OF REGULAR MEETING OF THE BOARD OF REGENTS
OF NORTHERN KENTUCKY STATE COLLEGE, ROOM B-1,
NORTHERN COMMUNITY COLLEGE, THURSDAY, NOVEMBER 20, 1969,
7:30 P.M.

The Board of Regents of Northern Kentucky State College met on Thursday, November 20, 1969, at 7:30 P. M., EST, at the University of Kentucky Community College in Covington, Kentucky, in Room B-1.

Vice-Chairman, Mr. Charles Wiley, declared a quorum present, and presided in the absence of the Chairman, Mr. Wendell Butler. The following members of the Board of Regents were present: Mr. Charles Wiley, Vice-Chairman; Mr. Elmer Haas, Secretary; Mr. Joseph Kohler, Mr. John Brooking, Mr. Kenneth Lucas, Professor James McKinney, Faculty Representative, Mr. Kenneth Howard Mauser, Student Representative, and Mr. John DeMarcus, Consultant to the Board. Absent was: Mr. Charles Landrum.

The invocation was given by Mr. Lucas. The Chairman recognized the newly elected student representative, Mr. Kenneth Howard Mauser, and the Faculty Representative, Mr. James McKinney.

Mr. Elmer Haas moved that the minutes of the September 8, 1969, Board Meeting be waived and approved as written with the following exceptions: (1) the Center should be referred to as Northern Community College; (2) the addition of "the minutes of the previous meeting were waived and approved as written." Motion seconded by Mr. Joseph Kohler and unanimously approved.

Mr. Lawrence Lieberfeld of Taylor, Lieberfeld and Heldman, Inc. was introduced. He gave a summary of the work his firm has been performing in regard to student enrollment projection. He noted first in his report that the number of high school graduates from the three-county area pertains to school enrollment in each county, both public and private schools. The tables in his report show the progression of students from grade to grade for the past ten years. His statistics show that the birth rate rose up to 1961. Then it began to decline in the early 1960's, corresponding with the national trend. This will have a bearing on the enrollment of the college eighteen years later.

With the participation of high school students in college increasing rapidly, the tables show that the total of high school graduates in 1968-69 in the three-county area of 3,500 will increase to about 4,000 in 1974-75. In 1975, 54% of the high school graduates are projected to go to college, compared with 45% in 1968. This is the principal factor in the enrollment potential of the college. The study shows why many of the college freshmen are expected to attend this institution.

The firm has made a study of where high school graduates from these counties have been going to college. The firm was dependent in a large part upon data from agencies in Kentucky. Mr. Lieberfeld commended the Council on Public Higher Education for its exceptional research and records in this area and particularly praised the abilities of Dr. D. E. Elswick, Director, Division of Educational Research, Department of Education, Frankfort and Dr. William Webb, Associate Director, Council on Public Higher Education, Frankfort. Statistics reveal that in 1968-69, of students who went to Kentucky colleges, 37% attended public institutions, such as Eastern Kentucky and University of Kentucky. The same number went to private senior institutions. Obviously, when you add to this picture a new public senior institution in this area for the first time, this distribution is going to change. The firm did its best to make some judgment about the distribution from the area in 1973 to 1985. In their best judgment in 1973, 57% of the high school graduates who go to Kentucky colleges will elect this new Northern Kentucky State College. It is projected to reach 62%.

Of high school graduates in this area who attend college, 82% go to Kentucky colleges. In the future, it is projected to reach 90%. The firm looked at the picture from other Kentucky counties and estimated that they would probably report 7% of the projected enrollment. Out-of-state enrollment would rise to 15%, the stipulated enrollment which is the policy of the State of Kentucky.

If you add all components, the Freshmen Class is projected in 1973 to be about 1300 students, will rise to 1600 plus in 1975 and to almost 2,000 in 1980. There could be a slight decline after this. To convert the freshmen enrollment to total enrollment, the firm looked at the pattern in other Kentucky institutions, both senior and junior. The Freshmen Class would report about 40% of the total enrollment, the Senior Class, 18%. The total enrollment picture in 1973 is projected to be a little over 3,000 students, in 1975, 4,000 students, in 1980, 5000 students and the total enrollment is projected to level off then.

The College should plan for 5,000 under-graduate day students in 1980. The firm has not yet projected night students or graduate students. This will be done soon. In terms of what the firm is working on now, the firm is making a study estimate of physical plant requirements for day students. The day student enrollment is the determining factor. Night students can utilize the same space as day students. (If graduate programs were oriented toward school teachers, they would fall in the category of night students.)

Mr. Lieberfeld pointed out that the picture can be affected by the question of in- and out-migration. In comparing the first-grade enrollment figures over the past ten years to chart figures six years prior, it is clear that public schools are beneficiaries of in-migration--in-migration of people with young children. In-migration will continue according to local sources. Everyone expects the stepping up of in-migration. The firm's representative talked to a research scientist at Spindletop Research. The in-migration will affect Boone County much more so than the other two counties. Because Boone County is so much smaller than the other counties, the net effect on college enrollment will not have that much of an impact.

Mr. Kohler asked if draft and changing draft laws would affect the population study. Mr. Lieberfeld assumed there will be a continuing flow according to past trend from 1956 on. Mr. Kohler asked if their type of program would affect the enrollment projection. Mr. Lieberfeld answered that in regard to two-year programs and four-year programs, the firm looked at national statistics and Kentucky statistics at student preferences. There isn't a great deal of difference. There is more emphasis on education courses in Kentucky four-year colleges than in the nation as a whole. The program will have no marked effect on enrollment. Mr. Kohler asked about the comparison of enrollment figures of this consultant's firm compared with those of a previous consultant. Mr. Lieberfeld said the totals of enrollment projection of this report and previous consultant's report are not too different. Mr. McKinney asked how they arrived at the figure of 57% of students coming here. Mr. Lieberfeld answered that some people who go to private colleges will be attracted to this college and quite a few from the University of Kentucky and Eastern Kentucky will be attracted. Quite frankly, you don't have much competition for students in this area.

The firm is preparing a rough estimation of plant requirements and is trying to move forward with a kind of structuring of program operations in sufficient detail so that building can progress as soon as possible. The firm of Taylor, Lieberfeld and Heldman, Inc. has a contract which began July 16, 1969, but because of the vacation period, actual work did not begin until mid-August. The next step is an estimate at five-year intervals of plant requirements and to show what the income and expenditure pattern would be for five-year intervals, working on parallel fronts. The contract calls for six months of work, ending on January 15, 1970.

The next item of business was No. 2 on the Agenda, Budget Committee Report. The Chairman, Mr. Wiley, read the speech to be presented to the Council on Public

Higher Education at Frankfort, Kentucky, on Friday, November 21, 1969. Several comments were made in regard to the proposed budget. Mr. Haas: The Junior year will begin in 1971, but appears as 1972 in some places in the report. This should be corrected. Mr. Kohler: Why aren't we buying more than three hundred acres? Do you expect this question from the Council? Mr. Wiley replied that the answer given to the Council previously was that six hundred more acres are available if needed. Mr. Kohler: What about playing down the evening student program? Mr. Wiley: The same facilities will be used during the day and night program.

Mr. Haas moved that the proposed budget be approved by the Board. Motion seconded by Mr. Lucas.

At this point the Student Representative, Mr. Kenneth Howard Mauser, referred the Board to page 3 of the Proposed Budget in regard to Student Activities and Publications. Mr. Mauser presented a budget for this item to compare with the amount in the Budget Committee's proposed budget. He said there was a difference of $7,000, the student budget showing $18,500 and the Board's budget $11,000. Mr. Wiley explained that a provision for Educational and Cultural Programs is included in Extension and Public Service rather than Student Activities and that the College would in effect have more for this purpose than in the Students' proposed budget. Mr. Mauser stated that he was not aware of this and appreciated the Board's interest of the Students and Public Service.

Mr. Haas stated that he thought it was commendable that the students have sufficient interest to work up support for this and that Mr. Mauser can go back to the Student Government and tell them that sufficient money will be appropriated.

The Chairman stated that he realized that cultural activities are lacking in the Northern Kentucky Area, since we have always depended on those in Cincinnati, and that this College intends to provide a base for cultural activities in the Northern Kentucky area. Mr. Kohler said that there has been a big concern of the Presidential candidates interviewed in regard to cultural opportunities.

Mr. Brooking felt that $500,000 would not be enought to pick up the options on the property for the College. Mr. Haas indicated that the options on the outlying area of land can be renewed so that they can be bought later on, if there are not sufficient initial funds.

At this point the vote was taken on the proposed bi-annual budget request and it was passed unanimously.

The next order of business was No. 3 A, B, C, on the Agenda, Report of the Community College Committee. Mr. Haas, Chairman, presented the Committee's

report in three parts: A. Teachers Insurance and Annuity Association of America (TIAA) B. Nursing Program Continuation C. General Remarks - (Informational Report). Mr. Haas amended 3B, Nursing Program Continuation resolution, to read "continued in the same form." Under Part 3C, General Remarks, Mr. Haas added that the Board go on record accepting all faculty and staff attaining tenure. The Committee approved construction of the parking lot. The Committee filed forms for application for financial aid to students.

Mr. Haas moved that all reports of the Community College Committee be accepted. Motion seconded by Mr. Kohler. Motion passed unanimously.

Mr. Wiley informed the Faculty Representative and the Student Representative that the University of Kentucky was slow in transferring the funds to the Northern Kentucky State College account was the reason why the funds were not available sooner for renovation of the parking lot.

Mr. McKinney said that the Faculty would like to know the conditions under which they would be hired and the courses they would be teaching. Mr. Haas replied that until the budget is approved, please be patient. Mr. Wiley stated that the program would probably not vary much from what they have now for the next year.

The next item of business was No. 4 on the Agenda, Progress Report of Committee on Presidential Selection. Mr. Kohler, Chairman, referred the Board to page 6, item 2, a letter to the Council on Public Higher Education, dated November 18, 1969, entitled, Selection of a President. Mr. Kohler felt that within the next few weeks the Committee should have someone definitely committed. He expressed the hope that at the next meeting the Committee will be able to present a man for concurrence and approval. Mr. Wiley added that, if necessary, a special meeting can be called.

The Chairman referred the Board to Item 5 on the Agenda, Adoption of Official College Seal, Colors, etc. Mr. Wiley, Chairman of the Committee recommended one of six designs, the educational lamp of learning encircled by the inscription, Northern Kentucky State College, 1968, and the school colors of white and gold. There was some discussion in regard to the choice of school colors. Mr. Kohler moved acceptance of the recommendation. Mr. Haas seconded the motion. The vote was: Yes, Lucas, Kohler; No, Haas, Brooking. The Chairman voted aye and the motion passed.

The next item of business was No. 6 on the Agenda, Appointment of a Joint Board-Faculty Committee to develop an Academic Program for 1970-71, a College Bulletin, Enrollment & Application Procedures. Mr. Kohler was appointed

Chairman of the Committee with Mr. Lucas, Mr. McKinney and Mr. Wiley serving on the Committee. Mr. McKinney may appoint as many as necessary from the faculty and students to assist on this--about three to five suggested. The faculty will have one vote on the Committee in development of the Program through Mr. McKinney.

The last item of business was No. 7,on the Agenda, new business. Mr. Haas stated he received a letter dated October 3 from Senator Marlow Cook and one dated October 7 from Congressman of the Fourth District, Gene Snyder, indicating that there will be no construction cut-back in Interstate 275 and Interstate 471.

Mr. Brooking stated that he is concerned that the Advisory Board of the Northern Community College has not had meetings as it should have. He stated the following: to implement a relationship between this Board of Regents and the Advisory Board to do what we can to get both moving during the terms of its existence, I recommend and move that this Board have one member on a rotating basis meet with the Advisory Board of the Northern Community College at regular meetings to advise them of what we are doing and see what they are doing and report back to the Board; and, likewise, that a member of the Advisory Board of the Northern Community College be made an advisory member of this Board, so that they can advise us. Mr. Lucas seconded the motion.

In the discussion following, Mr. Brooking said that the Advisory Board recommends to the Northern Community College but has no power. It is supposed to be advised of what is going on at the College. It is supposed to give suggestions, etc. We should have a report from them. Mr. Brooking stated that he had lunch with the Chairman of the Advisory Board and that he felt this was a good idea. The Advisory Board of the Northern Community College meets with the Administration of the College to assist in any way they can in the activities of the College and in this way assist in getting students community help, assisting in community relations and up-grading the College. Mr. Haas asked how often do they meet. Mr. Brooking replied not very often. The Advisory Board wants to meet and wants to do something. He feels that the impetus can come from this Board.

The Chairman called for the question and the motion was unanimously passed. The Chairman appointed Mr. John Brooking Chairman of the Committee. Mr. Brooking stated that he will send Mr. Robert Berkshire a letter and a representative will be invited to the next Board meeting.

Mr. Kohler referred the Board to a reprint in the Kentucky Post Times-Star of an editorial from the Falmouth Outlook. In the editorial, the writer wondered why outlying counties were not being considered as part of the Board of Regents and only three counties were considered. Mr. Lucas felt that an area of potential is East in Bracken County and that Pendleton and Gallatin Counties would be on the fringe area also.

Miss Donna McKeown of the Kentucky Post Times-Star said an open letter to these counties asking them to attend meetings could be printed. Mr. Wiley stated that legislators in this area had been contacted.

The Chairman recognized Miss Donna McKeown and Mr. A. J. Hauselman, Acting Director of the Northern Community College, as visitors to the Board meeting.

Mr. McKinney, speaking for the Faculty, said that many decisions should have been made a long time ago. He asked the Board to consider establishing a date, that if they do not have a President, policies for hiring and dismissal of faculty and courses they would be teaching, be outlined.

Mr. Hauselman, Acting Director of the Northern Community College, stated that there is a state of uncertainty that exists at the College that was set by this Board. At the initiative of this Board, a proposal was brought before the Council on Higher Education recommending that this institution be terminated and that the facilities be made available to the Northern Kentucky College. This raised a great many questions. Very serious ones involved the faculty and the staff. In January of this year this Board and representatives of the University of Kentucky met with the faculty. Verbal assurances were given; official action was taken by the Board, spreading upon the minutes of the Board proposed policies; nothing has happened since then. Under the policy of the University of Kentucky, we are obligated to inform a faculty member by December 1 if it is the intention of the College not to offer him a contract the following Spring. He met with the Dean of the Community College system. He has made a proposal that this year the University of Kentucky modify that policy somewhat;and in addition to forwarding a letter to the faculty member, that we do not intend to renew his contract (and there are none), that we forward a letter to members who have not obtained tenure, stating that the University of Kentucky will offer a contract to the other community colleges if they are interested in having one offered to them.

The quality of faculty and loyalty to students is impressive. We have come to this impass that this Board, President or no President, needs to make an expression to the Faculty on an individual basis on what the intentions

of the Board are. Mr. Haas mentioned the date of March 1 after the Legislature meets. Mr. Hauselman stated that the first of March is totally out of the question. By this time, the uncertainties will become so great that no faculty will be here. It is grossly unfair to the members of this Faculty. I would urge and plead with the Board to proceed at this time by December 1 to indicate to the faculty members intentions of the Board to follow through on the statements of resolutions adopted back in the summer of intentions to offer these faculty members comparative positions and benefits, assuring them within limitations of the Budget, to offer them positions under the conditions that were stated in the Resolution.

Mr. Kohler stated that he felt everything possible had been done except an individual letter sent to members of the Faculty--that that is the only difference from what has already been done. Mr. Haas felt it may be necessary to empower the Committee to act to give assurances, if necessary, to do so.

Mr. Brooking stated whether or not the Board writes this letter, the University of Kentucky Community system is going to invite the Faculty to be a part of the University of Kentucky Community College system. Mr. McKinney stated that the Faculty wants to have individual contracts for teachers in effect. In the University of Kentucky contracts, specific curriculum and what they are teaching is given; salary is not stated.

Mr. DeMarcus added that, assuming the College will offer the same program, write the letter to each individual faculty member that they would be employed for a length of time and specify field; and to do this, obtain information from Mr. Hauselman.

Mr. Brooking moved that the Board authorize the Committee composed of both the Board and Faculty to proceed with the above recommendation. The motion was seconded by Mr. Haas. Motion unanimously accepted.

Mr. Haas moved that the Board adjourn. The motion was seconded by Mr. Brooking.

MINUTES OF A SPECIAL MEETING OF THE
BOARD OF REGENTS OF NORTHERN KENTUCKY
STATE COLLEGE ON DECEMBER 17, 1969

The special meeting of the Board of Regents of Northern Kentucky State College was called to order by the Vice-Chairman, Mr. Charles Wiley, at 5:00 on December 17, 1969, in Room B-1 of the Northern Community College of the University of Kentucky.

The invocation was given by Mr. Kenneth Lucas. Members of the Board of Regents present were: Mr. Joseph Kohler, Mr. John R. S. Brooking, Mr. Charles Landrum, Mr. Kenneth Lucas and Mr. Charles Wiley. Absent was Mr. Elmer Haas.

The Vice-Chairman recognized the presence of Mr. James McKenney, Faculty Representative, and Mr. Kenneth Howard Mauser, Student Representative. Guests recognized were Mr. Lee Becker of the Kentucky Enquirer and Mr. Randy Cochran, photographer.

The Vice-Chairman asked that the reading of the minutes of the previous meeting be waived until the next regular meeting. Mr. Kohler moved same. The motion was seconded by Mr. Landrum and passed unanimously.

The Vice-Chairman asked Mr. Kohler, Chairman of the Presidential Selection Committee, to report. Serving with Mr. Kohler on the Committee were Mr. Elmer Haas and Mr. Kenneth Lucas. Mr. Kohler stated that the Committee had been working to deal with the best people that they could contact, getting in touch with them and meeting with them to make an intelligent selection--to get a person with leadership ability, hard-working, knowledgeable of the situation, and someone who has been successful in working in higher education in a similar situation developing a two-year institution into a four-year institution. Mr. Kohler stated that he was very happy after all this work to present the Com-

mittee's recommendation for selection by the Board of Regents, Dr. W. Frank Steely, who presently is Administrative Dean at Clinch Valley College of the University of Virginia.

Each member of the Board of Regents was given a Biographical Sketch of Dr. Steely's background. Mr. Kohler moved the adoption of the Committee's recommendation that : Dr. Steely be appointed as President of Northern Kentucky State College and pass upon his Contract of Appointment, dated December 17, 1969, and that it be adopted in its entirety. The motion was seconded by Mr. Brooking and was passed unanimously.

The Vice-Chairman asked the Chairman of the Presidential Selection Committee, Mr. Kohler, to see that the Contract is properly signed.

Dr. Steely asked that the Contract be made as a dual appointment as President and Teacher of History. He also asked that he have an open hand in administrative appointments. The Board agreed to these requests.

Mr. Brooking amended the previous motion as follows: subject to the Superintendent of Public Instruction's preparation and submission to Dr. Steely of a formal contract with the whereas, etc., in order to make this a contract, it is to be approved and signed by the Superintendent of Public Instruction and the Chairman of the Screening Committee. "Have Seen and Agreed" should be added to the Contract of Appointment and signed by Dr. Steely and the contract will be binding. The amendment to the motion was seconded by Mr. Kohler and passed unanimously.

The Vice-Chairman asked Dr. Steely to give some of his remarks to the members of the Board not present at the meeting with the legislators on December 12 and 13, 1969, at Butler State Park Lodge. Dr. Steely felt that the College would be a monument to the area

it serves. He said the meeting was held outside the three-county area, signifying that the College will serve more than the three-county area.

Dr. Steely noted that everyone who spoke on the subject indicated he was in support of Northern Kentucky State College. He stated the issue did arise in regard to the Community College. He indicated to the legislators every single program at the Community College will be continued.

Dr. Steely said he was approaching the faculty with the idea that not only do we covet the faculty continuing as a part of the College, but we need them very badly.

The Vice-Chairman asked that the Master of Ceremonies for the Legislative Conference to comment. Mr. Lucas stated that he was pleased with the reception from the legislators that were there. He felt the Board had informed some people on the fringe area of what had gone on. He said informing people is very important and felt the Board had made progress in the legislative meeting.

Mr. Landrum felt that Dr. Steely expressed himself very well on the autonomy of the College. Dr. Steely said a unit such as we have now has an opportunity to be a lot stronger than a satellite, because we don't have to go through all the manipulations with the mother organization; and naturally, they are not going to be as interested in a satellite as the people on the scene.

Dr. Steely commented how grateful he was for the enormous work the Board is doing without pay. He told the Board of Regents the work must continue, but they have done a great administrative job. He said he felt that the Northern Kentucky State College Board of Regents is the most knowledgeable Board of Regents he has ever met.

Mr. Mauser, the Student Representative, asked if there would be any chance of organizing some sort of regular meeting date. Mr. Wiley stated that the Board had had more than four meetings a year as required by State Law; however, the Board will set up a regular time. He stated that Dr. Steely has assured everyone much work must be done and many extra meetings will be held.

Mr. Brooking moved that the following resolution be adopted. BE IT RESOLVED, that at any meeting, regular or special, that the Vice-Chairman, or in his absence, the Secretary, give the Regents and Advisory Members no less than twenty-four hours of notice of same, unless the Regents waive the twenty-four hour notice of the meeting. The motion was seconded by Mr. Lucas and was passed unanimously. Mr. Brooking moved adjournment at 6:40 P. M. Mr. Kohler seconded the motion and the meeting was adjourned.

Northern Kentucky State College
Board of Regents Special Meeting
January 25, 1970

The special meeting of the Board of Regents of Northern Kentucky State College was called to order by the Vice-Chairman, Mr. Charles Wiley, at 10:15 A.M. on January 25, 1970, in the Seminar Room of the Northern Community College of the University of Kentucky.

The invocation was given by Mr. Kenneth Lucas. Members present of the Board of Regents were: Mr. Joseph Kohler, Mr. John R. S. Brooking, Mr. Kenneth Lucas, Mr. Elmer Haas, and Mr. Charles Wiley. Absent was Mr. Charles Landrum. Also present was the President of the College, Dr. W. Frank Steely.

The Vice-Chairman recognized the presence of Mr. James McKenney, Faculty Representative, and Mr. Kenneth Mauser, Student Representative. Members of the Advisory Board of Northern Community College present were: Mr. Charles Palmer, Mr. Robert Berkshire--Chairman, and Mr. Art Heckerman. A member of the Faculty attending was Mr. Martin Brown. Paul Leffler, Student Reporter for the College, Miss Donna McKeown, Reporter for the Post and Times Star, Dr. James C. Claypool, proposed Director of Admissions for the College, and Mrs. Glenda Pyle, Secretary to Dr. Steely.

ORDER OF BUSINESS

The first item on the Agenda was the introduction of Dr. James Claypool by the President of the College, Dr. Steely. Dr. Steely told the Board that he felt that Admissions would need attention before he comes to the College on March 1. He stated he would like to appoint Dr. Claypool as Director of Admissions as well as Professor of History. Dr. Claypool is a native of Northern Kentucky. He is a graduate of Beechwood High School and from Centre College in under-graduate work. He also holds a Ph. D. in History at the University of Kentucky.

Dr. Steely nominated and moved the appointment of Dr. James Claypool as Director of Admissions and Professor of History of Northern Kentucky State College. The motion was seconded by Mr. Brooking and passed unanimously.

Dr. Claypool then stated that he would discuss any items in question after the meeting. He said also that it was a labor of love to come back to this school, as he had watched it grow from the beginning. He thanked everyone for having confidence in him, and he hoped he would be able to do the job that is necessary.

The second item on the Agenda was a report and discussion of the legislation affecting the College by Dr. Steely. He mentioned that he had talked with some of the legislators from the Northern Kentucky area and found that the bill separating Northern Community College from the University of Kentucky passed the Senate unanimously, 31 to 0, January 24, 1970. The bill was introduced in

the Senate and House. Dr. Steely stated it would be wise for the House to approve the Senate bill to expedite matters. He felt it is important from the standpoint of formality. Dr. Steely said the Budget, as introduced and drawn by the Board of Regents of the College and their advisors, was reduced somewhat by the Finance Department. Where the Board asked for $1,100,000 for operating expenses, the amount was cut to $850,000. The Capitol Expansion request was reduced from $600,000 to $300,000 a year.

Dr. Steely stated that the operating budget is very, very tight. On Saturday, January 31, at 1:30 P. M. the Regents have an opportunity to appear before a joint meeting of the Joint Senate and House Appropriations Committee to have a hearing on the Budget. Dr. Steely says that we must have every cent. There is no plan to cut the Budget as Dr. Steely understands it. Many people have assured him that there is none. He stated that he needs the support of the Board of Regents and a great number of other people. Mr. John P. DeMarcus, Consultant to the Board, feels that we should try to get as many people as possible to come to the hearing. The meeting will be at the Capitol Room 327, 1:30 P. M., January 31, 1970.

Dr. Steely said that the bills in both the House and Senate are identical, but a Representative must introduce the House Bill and a Senator the Senate Bill. He felt that the legislators have shown great enthusiasm and are a single entity politically in regard to the College.

Mr. Brooking suggested that Art Schmidt or someone else in the House push the bill in the House and hand carry it to the Senate, and Clyde Middleton or someone in the Senate push the bill in the Senate and hand carry it to the House. Then both can be passed and given to the Governor as a joint bill. It could be bi-partisan. Mr. Kohler moved that this be done. Mr. Brooking seconded the motion and it was passed unanimously.

Dr. Steely passed out copies of the proposed legislation regarding the College. He said that he felt the Board should arrange at this time a delegation to go to Frankfort on Saturday Afternoon, January 31, 1970. Miss McKeown of the Kentucky Post and Times Star said she would include in her newspaper article a plea from the Board of Regents to form a caravan to the Capitol. If enough people are interested, a bus could be provided. It would be well to show the people of Frankfort how the people of Northern Kentucky feel about the College. Mr. Brooking said that he will ask the Covington Trust Bank to donate their bus. Dr. Steely stated that those who wish to go can call the school. The bus will leave from the College and people can park there free.

Telegrams, letters, and petitions can be sent if people feel that they cannot attend the meeting. They should be addressed to Mr. William Curlin, Chairman, House Appropriations Committee, or Mr. Gibson Downing, Chairman, Senate Appropriations Committee, Joint Appropriations Committee Hearing Room 327, Capitol Building, Frankfort, KY. Dr. Steely felt the people should point out

the tremendous human need in this area. There are 1,500 students who desire to go on to college and get their education. We should ask, "Will these people be served?"

Mr. Brooking was contacted by Mr. Tommy Reed, State Representative from Owen, Pendleton, and Grant Counties, who asked him to place before the Board the following names as advisory members of the Board:

Mr. J. Preston Fields, Falmouth, KY.
Former Judge Lester Mullins, Williamstown, KY.

Representative Reed was most anxious that this be done and that he know about it. Mr. Brooking stated that he would officially acknowledge to Mr. Reed that these names should be submitted to the Board prior to the next meeting, and that the Regents get in touch with the proper party to ask for the letters to be submitted.

Mr. Kohler moved that the Board create an Advisory Committee made up of members from each of the counties as suggested by the General Assembly. They should be representatives from the counties of Carroll, Gallatin, Owen, Grant, Pendleton and Bracken. Mr. Brooking seconded the motion and the motion was passed unanimously.

Mr. Brooking moved the Board accept the appointment of Mr. Fields and Mr. Mullins as Advisory Members of the Board of Regents. Mr. Kohler seconded the motion.

Mr. Haas moved that Mr. Kohler's motion be amended to require that a letter be submitted to the Board of Regents at least ten days prior to the next scheduled meeting. Mr. Brooking seconded the motion. It was passed unanimously.

Mr. Brooking withdrew his previous motion. Mr. Brooking moved that the names be put before the Committee for approval at the next meeting upon receipt of a formal letter of nomination from Tommy Reed to this Board, and at that time they will be formally accepted and elected as Advisory Members. Mr. Haas seconded the motion and the motion was passed unanimously.

Mr. Brooking moved to establish a committee of no more than two people, preferably one, to study the matter, meet with the Advisory Board and set it up so that the resolution that we pass is effective after KRS Section 164.591 is amended--at which time it would be operative. The Vice-Chairman appointed a committee to meet with the Advisory Board; Mr. Brooking as Chairman, and Mr. Haas. Mr. Haas seconded the motion and the motion was passed unanimously. Dr. Steely stated that he supported this motion wholeheartedly by saying, "We do covet the counsel and help of the Advisory Board in all of our activities."

Dr. Steely has contacted Taylor, Lieberfeld & Heldman to ask them to submit suggestions of nationally-known architects. Mr. Lieberfeld will go to Virginia to see Dr. Steely tomorrow, January 26, 1970. The Council of Public Higher Education voted to give $31,000 additional money for the contract with Taylor, Lieberfeld & Heldman.

Mr. Martin Brown from the faculty of the University of Kentucky Northern Community College stated that the teachers wanted a contract stating their salary,

class load, conversion from senior instructor rank to professor rank, and what classes they would be teaching. The Regents assured him this would be done after legislation affecting the College has been passed. Mr. Brown acknowledged that most questions in the minds of the faculty had been answered by Dr. Steely at a meeting with the faculty yesterday.

Mr. Wiley reported that the Safari Restaurant was owned soley by the First Federal Bank, but they would not lease or rent. It is being handled by Brophy Real Estate and Insurance. Mr. Wiley asked Mr. Haas to get information in regard to administrative space and to work with Dr. Claypool and Dr. Steely. A 3,000 square feet minimum is needed by April 1.

Mr. Kenneth Mauser, Student Representative, said the student body would like to know what the tuition is going to cost, and what progress is being made on the bulletin. Mr. Wiley stated that the bulletin is moving ahead and that the faculty probably will have an opportunity to check it this week. The tuition at present is $120 per semester for in-state residents and $370 for out-of-state residents. There is a chance that the Council on Public Higher Education will increase that in the next two months. The Council controls tuition in all State Institutions.

Mr. Mauser asked who will be chartering clubs and organizations on campus. Mr. Wiley answered that the administrators will decided. Dr. Steely said that traditionally this is worked out with the Dean of Students.

With no other business coming before the Board, Mr. Brooking moved adjournment. Mr. Haas seconded the motion. The meeting was adjourned at 12:00 P. M.

Agenda

March 17, 1970

Enclosed herewith is a vita on Dr. Ralph Tesseneer, whom I shall recommend Thursday night for Academic Vice-President of Northern Kentucky State College. Note that the letter enclosed in the front of the vita is from President Harry Sparks from Murray, where Dr. Tesseneer is presently Dean of the Graduate School. Dr. Sparks observes that they had tapped Dr. Tesseneer for the number two spot at Murray "at a salary above that which you have considered for him". I would concur with Dr. Sparks that I know of no better recommendation than what he as an employer would have done for Dr. Tesseneer had the latter stayed at Murray.

Indeed, we are most fortunate in getting Dr. Tesseneer to be ranking Academic Officer at Northern. Since a considerable portion of my time will be spent in building the new campus and dealing with architects, contractors and such people, it is imperative that I have someone in the academic field upon who's diligence, intelligence, administrative ability, and loyalty to me personally I can rely absolutely.

In addition to the consideration of Dr. Tesseneer, I would also like for us to consider filling three of the positions at our meeting Thursday night: that of Director of the Budget, Business Manager, and Director of Public Relations. In addition also, we ought to consider approving faculty contracts which I have received signed from most of the faculty.

We need also to pass a resolution authorizing the University of Kentucky to run the Summer Session this summer. With such resolution, they will be glad to do this, and we will save a great deal of trouble and expense.

Since we will be adding a Budget Director on April 1, some additional office space is absolutely necessary. I have some suggestions that regard possibilities there.

I would also like to recommend that we plan an appreciation get-together for the area legislators who have supported Northern so faithfully during this past session of the General Assembly.

Other items to discuss are:

1. Developments regarding President's home and insurance thereon.
2. The acquisition of property for the new campus.
3. The choice of architects for the new College.

As you can see, the last two items mentioned here are the most important we shall be considering in the days and weeks immediately ahead. I hope everybody has plenty of time to give to Thursday might's meeting. There's a great deal that demands our attention.

I appreciate so much the hard work (and I might add, free professional labor) which you have contributed to Northern. Unfortunately there will be a good bit more to be done in the immediate future.

Sincerely,

Frank Steely, President

Minutes of the Regular
Meeting of the
Board of Regents
March 19, 1970

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order by the Vice-Chairman, Mr. Charles Wiley at 7:15 P. M., on March 19, 1970, in the Seminar Room of the Northern Community College of the University of Kentucky.

The invocation was given by Mr. Kenneth Lucas. Members present of the Board of Regents were: Mr. Joe Kohler, Mr. John R. S. Brooking, Mr. Kenneth Lucas, Mr. Charles Wiley, Mr. James McKenney, Faculty Representative, and Mr. Kenneth Mauser, Student Representative. Absent were Mr. Charles Landrum and Mr. Elmer Haas. Also present was the President of the College, Dr. Steely.

The Vice-Chairman recognized the presence of Mr. Art R. Heokerman and Mr. Norman Herbstreit, members of the Advisory Board of the Northern Community College. Mr. Jack Hicks, reporter for the Enquirer; Miss Donna McKeown, reporter for the Post and Times Star; Dr. James C. Claypool, Director of Admissions for NKSC; Mr. Paul Leffler, Student reporter for the Northern Community College; and Mrs. Glenda Pyle, Secretary to Dr. Steely were also present.

ORDER OF BUSINESS

The first order of business was the recommendation for the filling of four positions. A vita on Dr. Ralph Tesseneer was mailed out to the Regents but was not received by them prior to the meeting. Dr. Steely stated that the position that he considered most vital as far as he personally is concerned is the position of Ranking Academic officer of the institution. He said that it is important that we have an

individual who is capable in every way of carrying the load of academic matters while his attention is turned toward building the new College. In his opinion, Dr. Tesseneer would have been his first choice above anyone else. Dr. Tesseneer is from Murray where he is presently Dean of the Graduate School. In a letter Dr. Steely received from President Sparks of Murray, there is a paragraph in which he states that Dr. Tesseneer had been tapped for the number two spot, that of Executive Vice-President. Dr. Steely said, "Ralph is respected in every way. He has a Ph. D. from Louisiana State University. His specialization is counseling; he is listed in Who's Who in America." "He also will be right costly", Dr. Steely said. "His salary will be $28,500, and he could come on the job as of July 1, 1970. He has indicated that he is interested in doing this," said Dr. Steely. Dr. Steely recommended him for Academic Vice-President as well as Professor of Psychology.

The next position was that of Director of the Budget to be filled by Mr. John Kilkenny. He is presently a Senior Budget Analyst in Frankfort. His salary will be $15,000 per year.

The third position was that of Business Manager. Dr. Steely recommended that Mr. Paul Schott, currently Business Manager for Northern Community College, continue his position as Business Manager for Northern Kentucky State College at a salary of $15,000 per year. He would take over July 1, 1970, and this would not conflict in any way with his present position with the Community College.

He also recommended Mrs. Meredith Armstrong for the fourth position, Director of Public Relations at a salary of $10,000. Her present salary is $9,500. She could be available June 1, 1970.

In referring back to his recommendation to appoint Dr. Tesseneer, Dr. Steely said, "I think we would be well advised to go for fewer positions to get people like Dr. Tesseneer."

Mr. Brooking moved that we hire Dr. Tesseneer to begin his tenure on July 1, 1970 at a salary of $28,500 as Vice-President for Academic Affairs and Professor of Psychology. The motion was seconded by Mr. Ken Lucas.

At this point, Dr. Claypool added that Dr. Tesseneer is a very competent person. He is President of the First District Educational Association (Western KY). He is a speaker who is called upon as such up to fifty times a year, and he basically built Murray's Graduate School. The motion to hire Dr. Tesseneer was unanimcusly passed.

Joe Kohler moved that Mr. Kilkenny begin serving April 1, 1970, as Budget Director at a salary of $15,000. The motion was seconded by Ken Lucas. Mr. Kohler also stated that a committee that had gone to Frankfort, had spoken with Mr. Kilkenny, and they were greatly impressed with him. He is a man who wants to get involved with this type of institution. Dr. Steely said that he had a great deal to do with drawing up our current biennial budget. He will really be an asset as far as defending our budget in years to come.

Mr. McKenny asked how this position would fit into the College. Dr. Steely explained that Mr. Kilkenny will fill the ranking business position. Mr. McKenney also asked how involved would Mr. Kilkenny be with the budget for academic matters? Dr. Steely said that he will be ultimately working with him. The motion for appointment of Mr. Kilkenny was unanimously passed.

Mr. John Brooking moved that we retain Paul Schott as Business Manager effective July 1, 1970 at a salary of $15,000 per year. Joe Kohler seconded the motion. It was passed unanimously.

Mr. Brooking wanted to know about Mrs. Meredith Armstrong. He asked to table the passing of her appointment until the next meeting because he knows nothing about her. Joe Kohler stated that she comes highly recommended. She is a former employee of Mr. Wiley. But Mr. Brooking felt that it would be better for all concerned if they could see her resume and all of her qualifications before they appoint her as Director of Public Relations. Mr. Kohler seconded the motion to table her appointment until the next meeting. Dr. Steely said that every institution that he has ever seen needs this type of a person. Her responsibilities would entail going out to schools for student recruitment, promoting the college, writing articles for publication pertaining to the college, etc. Dr. Steely also said that she has been making contacts in connection with television and radio right now. The motion was passed unanimously to table her appointment to the next meeting.

Dr. Steely brought up the subject of the Board approving the Northern Community College running the Summer Session. We will not officially take over until July 1. It will be a great convenience for us if they could run it. He also said that if the Regents would simply indicate that they would approve their running the Summer Session, they could authorize it and NCC would be glad to do it. Mr. Brooking moved that NCC run the Summer Session. The motion was seconded by Ken Lucas and passed unanimously.

The next subject was that of our need for emergency office space. It will be mostly needed as soon as Mr. Kilkenny gets on the scene. It is possible that a few of the offices in the Community College could be used after July 1, but we will need six or seven additional offices. Dr. Steely checked a number of possibilities; even such things as the purchase of prefabs. The one building that really looks good is the office directly across the Dixie Highway from the entrance to the Community College owned by Dr. Temple. "We can rent the first floor for $500 per month. We probably can't get it for any less. It seems that we may be able to use it for more than a year," Dr. Steely noted.

Another item that Dr. Steely brought up was that of having an appreciation dinner for the area legislators and also the Governor. He wanted to have the Board's permission to work on arranging this and also to check out with our consultant, John DeMarcus, if we have means for financing such a dinner.

Next was a discussion of the President's home. The appraisors from the Highway Department indicated that the bid for the house was not out of line. John Brooking is taking care of insurance. Mr. Brooking made a motion that the Board pay for the insurance on Dr. Steely's home. Joe Kohler seconded the motion and it was passed unanimously.

Much has been said about a Master Plan for the campus. If this is done, we are going to have to go with getting specifications for building designs. We would like to get moving on the acquisition of property and the choice of architects. Mr. Brooking made a motion that the architects for the College be local Northern Kentucky residents, and that we select three architects from them to be interviewed by our architectural committee consisting of Lieberfeld, Landrum, and Steely.

Ken Lucas seconded the motion. Mr. Landrum is knowledgeable in the architectural field, and he would select the best firm that he feels is the most qualified. Secondly, Mr. Lieberfeld, an architect himself, would probably know as much as possibly could be known about qualifications of architects. The motion was passed unanimously.

Also, Charles Landrum's term is up April 1 as a Board member. All the Regents asked that we approve to have him back with us again.

If any member of the Board is or has been approached by an architect, Dr. Steely would appreciate it if he would make a list of all their names and submit it to him.

Dr. Steely would like approval of the Board to make certain adjustments of the salaries of the faculty. Some should get more than they are now.

James McKenney requested on the behalf of the faculty the Board's approval of a faculty assembly for the new College. They would like to start working on a constitution so that they can help in the development of the College. Dr. Steely recommended this as a good idea. Joe Kohler moved that we approve the forming of a faculty assembly for Northern Kentucky State College. The motion was seconded by John Brooking and passed unanimously.

John Brooking moved that the College establish a bank as a depository for the local funds of the College. He also moved that that bank be Covington Trust and Banking Company of Covington, KY. Ken Lucas seconded the motion. Joe Kohler asked Mr. Brooking why he recommended this particular bank. Mr. Brocking explained that this bank is the one which let us use their bus for our caravan to Frankfort and they have been a great help to us. The motion was passed unanimously.

Mr. Brooking made another motion that we file with the bank a Bank Depository Resolution with signatures on it as follows: Dr. Steely, Mr. Kilkenny, and Mr. Schott. Joe Kohler seconded the motion and it was passed unanimously.

Dr. Steely asked what the Board felt about the frequency of tasks that need to be done which are of a legal nature. He said that he is reluctant to continue to impose on the Regents to do what he feels is important because it entails working through the Regents and consuming so much of their personal time. He said he would like for arrangements to be made for legal counsel to put an end to all of this free work we are doing. Much must be done reacquiring land, starting the building, etc.

Mr. Brooking said that in this President's home matter, John Bankemper, Jr., an attorney in Newport, assisted him for free. It would be nice for Dr. Steely to write a letter to Mr. Bankemper thanking him for his time in preparing the title and other legal documents in regard to this.

Mr. Wiley stated that he had written letters to the legislators thanking them for the help they gave us in putting through these bills, and he also had written letters to the people in Frankfort in the Finance Department and various other departments for the help they had given us.

Mr. Brooking recommended that Dr. Steely and himself meet together on this matter of obtaining legal counsel and make recommendations to the Board on what should be done. He said that he had not minded the work, but just hoped that he had done it correctly. Joe Kohler moved that Dr. Steely and Mr. Brooking make recommendations for the selections of legal counsel. Mr. Brooking seconded the motion and it was passed unanimously.

Ken Mauser said that several of the students wanted to know what sort of associate degree program would be at Northern Kentucky State? Mr. Wiley said that we would take on the same program of the Community College with some expansion. He said that he thought that the Nursing program was the only associate program which can be completed in two years. Ken Mauser also asked about a Student Placement Service. The Community College Student Placement Service now consists of a bulletin board which has job opportunities placed upon it at their availability. Dr. Steely said that this problem would be placed with the Coordinator of Student Affairs. Dr. Claypool said that he would be working with them on this matter. Ken asked what type of medical aid would be in effect in the near future on the four-year campus. Dr. Steely stated that it would probably be an arrangement with a doctor to be on call.

Mr. Kohler brought up the subject of the Board adopting bylaws to go by. Mr. Brooking explained that this would be a function of the legal counsel. They could draft bylaws for submission, review, and revision.

Mr. Kohler asked that Dr. Steely comment on any legislation pertaining to the College. Dr. Steely said that the last part of legislation was passed yesterday afternoon, March 18. The two major bills were Senate Bill 21, turning the Community College over to Northern Kentucky State College, which also passed unanimously; and that law becomes law as of June 18. The other item was the budget, which went through. At this moment, Northern Kentucky State College stands in the same legal situation as does other institutions in the State. Mr. Kohler also asked about the provision of turning over facilities--does that include the inside materials? Dr. Steely said the law reads,"...all property of Northern Community College and all property and

educational equipment of the University of Kentucky designated for use by the Northern Community College..." He said the only question that has come up has to do with certain records, and it is really a minor item to be worked out.

Following an inspection of available offices at 1510 Dixie Highway and a discussion on the space with Wm. Deters, Mr. Lucas offered the motion that the Regents rent the first floor at 1510 Dixie Highway for one year, with the option to renew, at $500 per month, plus utilities with the landlord to renovate to such an extent as necessary to make the space usable as college offices: All subject to the approval of the State Department of Finance. The motion was seconded by Mr. John Brooking and passed unanimously.

There being no further business, the meeting was adjourned at 9:45 upon a motion by Mr. Brooking and a second by Mr. Kohler.

Minutes of the
Board of Regents Meeting
Northern Kentucky State College
May 22,1970

The meeting was called to order by Charles Wiley, Chairman, at 8:40 p.m. Present from the Board of Regents were Messrs. Elmer Haas, John Brooking, Joseph Kohler, Kenneth Lucas, and Mr. Wiley. Guests were Charles B. Palmer, representing the Advisory Board of the Community College, Jack Hicks of the Cincinnati Enquirer, Paul Matesich,and Paul Leffler. Also present were Dr. W. Frank Steely, President; Dr. James Claypool, Dean of Admissions; John Kilkenny, Budget Director; James McKenney, Faculty Representative; Ken Mauser, Student Representative; and Meredith Armstrong.

The invocation was given by Mr. Lucas.

The chairman called for a reading of the minutes. Mr. Haas moved that since each member had received a copy of the minutes previously it was not necessary to read them. Mr. Brooking seconded the motion with the exception that the minutes of the March 6 meeting be changed to read "the approval of a constitutional faculty assembly" and "a submission of a constitution." The motion was carried unanimously.

Mr. Wiley then called for a motion for the position of Public Relations Director for the college. Mr. Brooking moved to untable the motion on the floor at the last meeting to appoint Mrs. Meredith Armstrong to the position. Mr. Kohler seconded the motion. It passed unanimously.

The next order of business was the appointment of faculty and administrative staff. Dr. Steely moved for the continued appointment of the Northern Community College faculty and full-time administrative staff, five new faculty members, and the granting of leaves of absence to James McKenney and Larry Dickson. Elmer Haas seconded the motion. It carried unanimously.

Mr. Wiley called for a report from the Budget Director, John Kilkenny. Mr. Kilkenny reported that for the 1969-70 fiscal year, current operating funds available were $161,900; that total expenses for the period were $50,979; leaving a balance in the operating fund of $110,920. He also reported that income generating from the escrow deposit, accrued as of May 1, was $51,153; that expenditures to date were $6,530; leaving a balance of $44,623. It was noted that these funds were restricted to use for construction purposes.

Mr. Haas moved to accept the Budget Director's report. Mr. Kohler seconded the motion, and it was carried unanimously.

Mr. Kilkenny then reported on the estimated budget funds available for the 1970-71 year. He stated that the needs were twofold; first for an administrative organization for the planning and development of the four-year campus, second for funds to continue to operate the Community College two-year program. He said that the funds available will enable the college to employ four additional persons to take up the additional work load related to the operation of the college, and to hire seven to eight additional faculty members, and provide a 6% increment for the present faculty. The staff benefits will mean a cost to the college of $110,550 for the coming fiscal year. This figure includes benefits for the administrative staff. Mr. Wiley called for discussion.

Mr. Lucas asked if the special drama association appropriation listed in the costs was new. Mr. Kilkenny replied that it was a continuation of a figure already in the Community College budget. Mr. Haas moved for acceptance of the report, Mr. Lucas seconded, and the motion was carried.

Ken Mauser asked if the student insurance carried by the Community College will be continued. Mr. Haas recommended that an investigation be made by the administrative staff to that effect. Mr. Matesich so moved. Mr. Haas seconded the motion. Mr. Mauser stated that this insurance is carried by the Community College, but it is not carried by any of the other state colleges or universities. The motion was carried unanimously.

Dr. Steely brought up the subject of the Governor's appreciation dinner. He suggested that it be called the Northern Kentucky State College Progress Dinner. He noted that Mr. Wiley and Mrs. Armstrong have been working on plans for the dinner. It will be held June 18 at the President Motor Inn.

Dr. Steely then gave a report on the land acquisition for the college. He noted that the order has gone out from the Finance Commissioner's office to the Division of Properties to acquire the site and for it to proceed with an appraisal. The appraiser will be M. L. Garrison of Lexington. He will appraise all of the parcels of land on which the college has an option, plus other adjacent properties. Dr. Steely also noted that funds will be available to pay for this appraisal on July 1. Mr. Haas pointed out that options expire on July 1. Dr. Steely said that even if the options do expire the State has the power of eminent domain, and could force the sale of the properties, although he would rather not do it that way. It is hoped that the land will be acquired by the first week in July.

Dr. Steely then gave a report on the architects' activities. The Architects Committee considered all Northern Kentucky architects, contacted each of them, and got response from six of them. All six interviewed, and a report was sent to the Finance Department. The firm selected by the department was Fisk Reinhart & Hall McAllister. A contract has not yet been signed, but will be in the near future. Representatives of the Engineering Division of the Department of Finance in Frankfort have been out to look over the site, and are now doing detailed surveys for the first building location. Mr. Lieberfeld will be meeting June 2 with the engineering division from Frankfort. Hopes are for plans to be ready for bids in four months after the contract with the architects is signed.

Mr. Wiley asked if there were any questions. Mr. Lucas asked if an engineering contract would be necessary. Dr. Steely replied that it would. Mr. Brooking asked how the engineers were to be selected. Dr. Steely said it would be done in Frankfort. Mr. Kohler asked if Mr. Lieberfeld was doing a thorough job. Dr. Steely said that on the whole, he was.

Mr. Brooking moved that on July 1 the administrative staff put up signs at the college. Mr. Haas seconded. Mr. Wiley called for a vote, and the motion was passed.

Mr. Brooking moved that the President of the college request the District Office of Highways, in the interest of the school, to pave and shoulder the street leading into the college from Dixie Hwy., Mt. Allen Rd.; as well as the drive up the hill. Mr. Haas seconded. Mr. Wiley called for a vote, and the motion was passed, unanimously.

Mr. Haas asked about the committee report on annexation by Highland Heights of the property for the college. He said the committee report should be approved on condition that the college be given a say in what will surround it, and coordination between Highland Heights' police and fire departments. He suggested a contractual agreement on the number of police and fire department personnel on the staff. Dr. Steely said he had talked with the Highland Heights Council, and they have given verbal approval of those conditions. They are adjusting their master plan for the city and their master zoning plan to make this area residential. They also have the highest rating for their class in fire protection, and will work on police protection.

Mr. Brooking moved to adopt the resolution subject to those conditions. Mr. Kohler seconded the motion, and the vote was unanimous.

Dr. Steely noted that one individual coming into the administrative staff has a tax-sheltered annuity,and would like action to the effect that this money be taken out of his salary. He moved that this be done. Mr. Brooking seconded the motion, and it carried.

Dr. Steely reported that the Division of Public Information wants to do a series of articles on the college. They would like to have biographical sketches of each of the Regents. He asked that each member send in a brief sketch as soon as possible.

Mr. McKenney called attention to his letter of resignation as faculty representative, due to his leave of absence. He nominated Martin Brown as the new representative. Mr. Brooking took note of Mr. McKenney's efforts in his position, and contributions to the meetings.

Mr. Kohler moved adjournment at 9:30p.m. Mr. Haas seconded.

NORTHERN KENTUCKY STATE COLLEGE
BOARD OF REGENTS MEETING
August 20, 1970

The meeting was called to order at 8:05 p. m. by Vice-chairman Charles Wiley. Present for the Board of Regents were Messrs. Kenneth Lucas, Charles Landrum, Elmer Haas, Martin Brown, Joseph Kohler, John Brooking, Paul Leffler and Dr. W. Frank Steely. Guests were Miss Donna McKeown, Messrs Jack Hicks, Bob Berkshire, John De Marcus, Charles Palmer, John Kilkenny, Paul Schott, Dr. Ralph Tesseneer and Dr. James Claypool.

The invocation was given by Mr. Lucas. The Vice-chairman called for a reading of the minutes of the last meeting. Mr. Haas moved that the minutes be approved as submitted as each member had had a chance to read them before the meeting. Mr. Kohler pointed out an error in one of the motions. This was corrected to read that the motion was made by Mr. Ken Mauser and seconded by Mr. Brooking rather than by Mr. Haas. Mr. Kohler then moved that the minutes be accepted with these two corrections. Mr. Landrum seconded the motion and the motion carried unanimously.

The first order of business was for comment on the appraisals of the land for the new site of the college. Dr. Steely reported that Mr. Tom Townes of the Division of Properties would be in the area Friday with land contracts and land appraisals for all but two parcels which are still under review. Mr. Townes will probably take them to the district Highway office so they can contact the individual owners. If they are not able to do this, he hopes to begin to make the contacts on Tuesday, the 25th of August. Mr. Albert Hawes has been contracted to do title searches. A surveyor has not yet been appointed. There will be no hold-up, however, on the signing of the land contracts.

Mr. Kohler asked how much land was to be bought at this time. Dr. Steely said it would be 150+ acres. This omits certain property to the far north on which options had been acquired, but which are not vital to the development. Mr. Kohler asked about the finality of the master plan which had been published in the newspapers. Dr. Steely said that it is fairly final, except that there will not be as many academic buildings because of the increased size of the first building. The plan incorporates all buildings planned through 1985. All of these will be north of John's Hill Road.

Mr. Wiley then called for an architectural report. Dr. Steely said that on August 17 the state engineers, the college architects, and the Highway Department engineers met to give the go-ahead for building the access road from U. S. 27 to John's Hill Road, with a spur to the first construction site. The Highway Department is proceeding with this. Preliminary plans for the first building were also approved, with certain minor changes -- to the extent that Fisk, Rinehart was given the go-ahead to proceed with final drawings, which are to be ready by December 18. The building will be of masonry. After December 18, a few weeks will be required for printing copies of specifications, and six weeks or so for getting bids. The contracts should be awarded in March. Mr. Kohler asked if the contracts were to be awarded by the college or the State. Dr. Steely said the state would do it. He said the building will be named Louie B. Nunn Hall. The drive leading up to it will also be named after the Governor. Mr. Kohler asked if funding had been arranged for the drawing up of final plans. Dr. Steely said it had been taken care of. Mr. Lucas asked if the building would be one or four stories high. Dr. Steely said the plans now are for a four-story building, for greater usage of the land and for

aesthetic purposes. Mr. Kohler asked about the mortgage interest assistance proposal. Dr. Steely said the proposal has been submitted to the Department of Health, Education and Welfare, and is being strongly supported by the Governor and many others. Charles Moore, of the Health, Education and Welfare Department, has said he anticipates no more than sixty to ninety days before an answer is received. Dr. Steely noted that since the education bill has been passed by both congressional houses the funds will be available, and we should know before the end of the year. Miss McKeown asked about the cost of the building. Dr. Steely said that no specific figures were possible at this point.

Mr. Wiley then asked for a report on academic development. Dr. Steely asked Dr. Tesseneer to report. Dr. Tesseneer said that representatives from the Southern Association of Colleges and Schools - Dr. Barker from their Atlanta office, and Dr. Jones from the College of William and Mary - had been on the campus the previous week, and will be working on the college accreditation. They feel that Northern Kentucky State is in a very good position, particularly in the light of the new Ph. D. s on the faculty. The college has been put on Correspondent status, and in the next year a team will be sent in to study further. There is no reason at this time why final accreditation will not be given in the spring of 1973, prior to the first graduating class. Dr. Steely noted that he had heard from Dr. Barker, who has sent our status out to all federal agencies, which assures that the college will be eligible for any federal funds that may be available in any programs.

The next order of business was the approval of new faculty and staff. They were: Dr. Margaret Cantrell, Sociology and Psychology; Dr. Robert Collier, English; Dr. Terrence McNally, English; Mr. Kent Curtis, Registrar; Dr. George Manning, Business; Dr. Nicholas Melnick, Education; Mrs. Martha Malloy and Dr. James Niewahner, Counselors.

Dr. Tesseneer said it was his intention to give the new counselors the responsibility for placement of their students after graduation, thereby insuring the counselors concern for the students welfare. Mr. Kohler suggested that perhaps students would not be as candid with counselors if they knew the counselor was to find them jobs. Mr. Kohler moved that the new faculty and staff be approved, Mr. Haas seconded, and the vote carried unanimously.

The Vice-chairman called for approval of the new student code. Mr. Leffler so moved, and Mr. Haas seconded. Mr. Kohler asked if it was vital to adopt the code at the present meeting. Dr. Steely said that it was only fair to indicate at the outset what behavior is expected from the academic community. He did note, however, that an addition should be made -- that anyone who is punished has the right to appeal, and the students' rights are to be put into the student charter. Miss McKeown asked who wrote the code. Dr. Steely said that several people had written it after looking at the codes of other institutions. Mr. Brown asked about the meaning of "authorized officials." Mr. Brooking explained that the Board had given the President authorization to expel, plus the right to delegate that authority to individuals who were concerned with this kind of situation. Dr. Steely noted that absolutely no trouble was expected this year, and none was anticipated in the foreseeable future; that the code was fairly standard, and was simply stating rules in advance to be fair to everyone. Mr. Wiley called for a vote, and the motion passed unanimously.

The next report was on registration. Dr. Steely called upon Dr. Claypool to report. He said that the situation is very healthy, although no definite number could be given yet; that the caliber of student applying is very high, and that high school principals, supervisors and counselors had been very cooperative. Actual processed applications to date number 1600, 1000 of which are freshmen. A number of students are expected to register at the last minute. Freshmen orientation was very successful. This year every faculty member was involved in advising, which resulted in individual attention being given to the students.

The Vice-chairman called for a report on student and faculty insurance. Mr. DeMarcus reported that Governor Nunn had made available $10,000 for student insurance. He also noted that the budget cut will not affect the college program at all. Mr. Leffler noted that the student government and he personally had replied to the Governor expressing their thanks. Mr. Schott reported that the college was in the process of negotiating a life insurance and accident insurance program for the faculty, which will be in effect by September 1.

The final order of old business was the Lieberfeld Report. Dr. Steely noted that it had been received, and copies would be distributed at a later date. The report lists building and equipment needs and costs through 1985. Lieberfeld's contract is now fulfilled and no further study is expected.

Mr. Wiley then called for a resolution on a permit to purchase surplus property. Dr. Steely said such a resolution was desirable since such equipment can be purchased at very reasonable prices by non-profit organizations. Mr. Kohler moved to adopt such a resolution, Mr. Leffler seconded. Mr. Brooking said that the board should further authorize the secretary to sign for such purchases. The addition was made to the motion, a vote was called and the motion passed unanimously.

Mr. Haas suggested the appointment of an assistant secretary to facilitate the authorization of resolutions. Mr. Brooking suggested the election of such a person and so moved. He nominated Dr. Claypool. Mr. Landrum seconded the motion, and the vote carried.

Mr. Brooking put the resolution before the board that the Vice-chairman or the President together with the secretary or the assistant secretary be authorized to take such action and sign such documents as to legally change the title to the President's home, as is required by the Kentucky Department of Finance. Mr. Landrum seconded the motion, and the vote carried unanimously.

Mr. Kohler asked who was responsible for the articles in the newspapers about the millions of dollars to be kept in the area as a result of the new college. Dr. Steely recognized and applauded Paul Leffler as part of the team who made the study.

The Vice-chairman asked for discussion from the advisory board.

Mr. Brown moved that the faculty assembly charter be given high priority at the next board meeting. Mr. Haas seconded, and the vote carried.

Mr. Kohler moved to adjourn at 9:10 p.m. Mr. Brooking seconded. The meeting was thus adjourned.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Monday, November 30, 1970

The meeting was called to order by Chairman Charles Wiley at 8:05 p.m. Present for the Board were Mr. Wiley, Mr. Elmer Haas, Mr. Joe Kohler, Mr. Ken Lucas, Mr. Charles Landrum, Mr. Terence Robbins, and Mr. Paul Leffler.

Mr. Lucas gave the invocation.

The Chairman called for a reading of the minutes. The secretary asked that a motion be made to bypass the reading the minutes as each member had received a copy before the meeting. Mr. Leffler so moved, Mr. Kohler seconded the motion, and it passed unanimously.

The Chairman announced the selection of new advisors from the six southern counties of Northern Kentucky, in addition to those already on the Advisory Board from the Community College. They are Mr. E. G. Traylor from Owen County; Mr. Gene Tolson of Pendelton County; Mr. Harris Combs from Grant County; Mr. Charles Adams from Gallatin County; Mr. Fred Oney from Carroll County; and Mr. Donald Colvin of Bracken County. All the new advisors were present with the exception of Mr. Colvin. Also present were Mr. Charles Palmer, Mr. Norman Herbstreit, and Mr. Bob Berkshire from the Advisory Board.

The Chairman recognized visitors to the meeting as being: Miss Kay Brookshire, from the Kentucky Enquirer; Mr. Rai Hopkins, and Mr. Randall Allen, representing the Northerner.

The Chairman recognized Mr. Terence Robbins as the new faculty representative to the Board of Regents, replacing Mr. Martin Brown.

The first order of business was a report on physical plant development. Dr. Steely reported that development is going well, and the architects will finalize everything by December 17, on schedule, at which time plans will be turned over to the Department of Finance for printing. Several weeks have been allowed for contractors to study the plans, and ground should be broken the first of March. Target date for completion is still fall of 1972, with no delays so far. Property acquisition is going smoothly, with every plot either negotiated for or condemned if no agreement can be reached. Mr. Tolson asked about the Lindner property. Dr. Steely replied that since the land was commercially zoned, prices on it were too high for the college to buy all of it. However, it is not necessary to have all of it, as the Pompilio property allows the room needed for an access road. Therefore, only the back portion of the Lindner land will be used.

The next order of business was the temporary classrooms for fall of 1971. Dr. Steely reported that since the college will be in its present facilities next year, about eight additional classrooms will be needed. The surplus stores in Frankfort have been checked, and no such facilities are available there. The Department of Finance is

investigating lease-purchase possibilities with Design Facilities, manufacturers of prefabricated units. There are attractive units with masonry exteriors, which will make them compatible with the exterior of our new buildings on campus, without detracting from the looks of the master plan. They will be placed behind the administrative buildings on the new campus. Dr. Steely asked for authorization to purchase these buildings. Mr. Lucas so moved, Paul Leffler seconded, and the vote was unanimously passed. Mr. Haas asked approximately how many square feet were involved. Dr. Steely said each classroom was 870 square feet, 7,000 square feet in all.

Dr. Steely announced that our official growth percentage this year was 24% F.T.E.

The Chairman called for a report on new faculty. Dr. Steely asked for approval of five new department heads -- Dr. Joseph Price, Chairman of the Department of Humanities; Dr. Bill Parsons, Chairman of the Department of Fine Arts; Dr. Michael Endres from Thomas More College, Chairman of the Department of Sociology; Dr. Richard Ward, Associate Professor of Political Science; and Dr. Ray Waggoner, Chairman of the Department of Education and Psychology. Mr. Kohler asked if these were all of the department heads being considered. Dr. Steely replied that it was about all. One or 2 more except for the Business Department. Mr. Haas moved for approval of these appointments. Mr. Landrum seconded the motion, and it passed unanimously.

Next was the matter of the faculty assembly constitution. Dr. Steely reported that a faculty committee is working on this. At the March meeting of the Regents, the organization had been approved with an interim chairman until the new constitution was approved. Mr. Robbins reported that progress is good. He also reported that the faculty handbook is being worked on by a special committee of faculty members. Mr. Kohler asked what the function of the faculty assembly is. Mr. Robbins replied that it is an organized faculty voice to advise on curricula, faculty welfare, equipment for special courses, etc. Mr. Kohler asked if the Board was to approve a faculty handbook. Dr. Steely said that when one is finished it should be approved by the Board, as it contains a number of statements on tenure and promotions. Mr. Haas suggested that a committee of class officers be organized to make suggestions on the new student handbook. The suggestion was approved. Mr. Haas suggested that the assistant secretary write an appropriate letter to this effect. Mr. Lucas seconded the motion, and it passed unanimously.

The next order of business was the student constitution. Dr. Steely reported that a committee is working on this and it is much in the same stage as the faculty assembly constitution. Dr. Steely has submitted suggestions for the new constitution, and they are being considered.

On the publications board, the board has been set up at the request of student government. A copy of the policy statement was issued to each member of the board. Dr. Steely asked that the Board approve both the publications board and the policy statement developed by the committee, with any suggested changes. Mr. Haas moved

to accept the committee, with a final draft to be submitted at the next meeting. Mr. Kohler seconded the motion. Mr. Leffler suggested that the publications board limit its review to "official" college publications. Mr. Haas suggested that this be a resolution of the board itself. A vote was called for, and the motion passed unanimously.

The Chairman called for new business from the floor. Mr. Oney said that he had noted with interest the creation of the college, and he and his constituents were vitally interested in its progress. He suggested that copies of the previous minutes be sent to each member of the Advisory Board to keep them current on developments up to this point.

Mr. Tolson said that it is apparent that all of the Northern Kentucky State Regents and Advisory Board members are on trial, and that all students should be the first ones considered; and that after the initial building procedures are finished, student welfare should be the uppermost consideration. Dr. Steely said that Northern has the finest student body in the area; that over 2/3 of them work, with 1/3 working full time. He also said that the Cincinnati area has a great job market, and the area could be served well by the new college.

Mr. Combs said that Dr. Steely's remarks reflected the attitude of the entire area, and that the benefit of the student is the main purpose of the college existence.

Mr. Haas moved for adjournment, Mr. Kohler seconded, and the meeting was adjourned at 9:00 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Friday, February 26, 1971

Vice Chairman Charles Wiley called the meeting to order at 8:15 p.m., on Friday, February 26, 1971. All members of the Board of Regents were present with the exception of Mr. Landrum Mr. Wiley recognized the attendance at the meeting of the following: Advisors - Bob Berkshire, Gene Tolson, Charles Adams, Harris Combs, Donald Colvin, and E. G Traylor. Also present were Dr. Ralph Tesseneer, John Kilkenny, John DeMarcus, Kay Brookshire of the Enquirer, David Bauer of the Kentucky Post, Randall Allen of the Northerner. Students present were Jim Noplis, Rai Hopkins, and Steve Megerle.

Mr. Lucas gave the invocation.

The Chairman called for the reading of the minutes of the last meeting. The secretary asked that the minutes be approved as submitted and corrected to each of the Board members and that a reading be waived. Paul Leffler moved to accept the minutes. Mr. Kohler seconded the motion. The motion passed unanimously.

Mr. Wiley asked Mr. Brooking to administer the oath of office to Terence Robbins as faculty representative. Mr. Robbins was duly sworn in according to Kentucky statute.

The first order of business was regarding the physical plant. President Steely reported that a resolution had been written by Franklin Hayes and each of the Regents had received a copy. The resolution was for interim financing authorization and authorization for the sale of bonds. The Department of Finance has also received a copy of the fiscal arrangement. A special meeting will be called after the bids are opened on March 4th in order to vote approval of the interim financing and bond sale. Mr. Wiley asked if the Advisors had received copies. Dr. Steely replied he had only a limited number of copies, but any of the Advisors were welcome to see them, although they were in extremely technical language. Dr. Steely reported that bonds will not be sold immediately. It is traditional to set up interim financing until the mid-construction period. He recommended that the banks in Northern Kentucky have an opportunity to participate in the arrangement. Mr. Wiley asked for discussion. Mr. Haas asked if the resolution was to be reviewed. Dr. Steely said yes and the vote will be taken at the next meeting. Mr. Haas asked if the bonds were callable. Dr. Steely said they were not. Mr. Tolson asked if they had a guaranteed return. Dr. Steely said that the institution will be paying 3% of the interest and that H.E.W. will pay the balance. Mr. Haas asked what the amount of the bond issue was. Dr. Steely replied $5-6 million. Mr. Tolson asked what the total anticipated bond indebtedness would be. The estimated total cost is $40+million.

Dr. Steely reported on the new campus. The contract was let for construction of the access road at $308,000. One of Mr. Tolson's directors is the awardee. Construction will begin shortly, including the spur to the main campus. However, the Highway Department omitted a private sewer, and it will be necessary for the college to move it. This will be done on an emergency basis.

The ground-breaking ceremony will be March 31st, instead of April 12th, as listed on the agenda. The ceremony will be very significant. Governor Nunn will attend. Everyone will be invited and encouraged to attend. The Northern Kentucky Chamber of Commerce will sponsor the event.

Dr. Steely then reported on the temporary units. Mr. Kilkenny has contacted several builders and worked through the Division of Engineering. He will have final estimates on them in the next few days.

Mr. Wiley called for a report on the new faculty. Dr. Steely called on Dr. Tesseneer. The six new faculty members, Dr. Lew Wallace, Dr. Bart Braden, Dr. Robert Henry, Dr. Pran Nath Bali, Dr. Joseph Smith and Dr. Zelda Smith together with the faculty approved at the last meeting, constitute all the new faculty needed except for three unfilled positions. The college now has nine departments and one sub-department. Dr. Steely moved for the approval of the new faculty. Mr. Haas seconded. Mr. Kohler questioned the lack of a Ph.D. on the part of the new accounting instructor. Dr. Steely pointed out that Ph.D.'s in accounting are rare; no other school in Kentucky has such a person on the staff. The Chairman called for a vote, and the motioned passed unanimously.

Mr. Wiley then called for a report on the budget and on the application for federal monies. Mr. Kilkenny commented the college is in the process of receiving from various departments requests for the budget. The next move is to project a budget for next year. No firm figures could be given at this time. On the federal monies, Mr. Kilkenny said that we have compiled six proposals under six different titles of federal programs for a special purpose; total is $405,000

Mr. Wiley called for a report of faculty assembly. Mr. Robbins asked for acceptance of the faculty assembly constitution as submitted. He said that faculty hand-books are in committee for preparation. It was decided to defer voting on the constitution until the Board of Regents had had time to review it.

The Chairman called for a report on the Student Government constitution. Paul Leffler asked if every Board member had received copies. Mr. Leffler asked that the Board review the proposal and make comments at a later time. Dr. Steely announced that some members of Student Government had a minority statement concerning this constitution stating that they would like to have a 3.0 grade average for president, 2.7 for other offices and 2.5 average for representatives. Mr. Kohler asked what was meant by a silent majority in the statement. Rai Hopkins said he felt this meant the majority of students, as opposed to the minority representation of Student Government. Mr. Leffler mentioned that prior to the establishment of Northern Kentucky State College there was no academic requirement at all for Student Government, and that he felt there should be one for the best representation on Student Government. Mr. Megerle, Mr. Hopkins, and Mr. Noplis pointed out that most of the present Student Government representatives do not have a high grade-point average and, therefore, pushed through the constitution without a grade requirement for their own benefit. Mr. Kohler asked if there was a direct relationship between grades and school involvement. Mr. Megerle said that the present representatives were not interested in the student body as a whole. Mr. Haas commented that better students make better leaders and asked how urgent the acceptance of the constitution was.

After much discussion, Dr. Steely was asked for his recommendation. He said that there is no guarantee any constitution will be the popular one. Since the presidents of all three classes were on the list of names dissenting with constitution submitted, he suggested that the Board of Regents go over it in committee. Mr. Haas moved that the constitution be put into committee for the next meeting and asked that a copy of the constitution be given to the dissenting students for their comments. Mr. Kohler seconded the move. Mr. Wiley appointed Mr. Brooking and Dr. Steely to work on the committee and asked that the secretary give the Advisors copies of the constitution. Mr. Wiley requested that at the next meeting both sides be present. It was pointed out that Student Government had been invited to present the constitution, but had declined.

Next order of business was adoption of the guidelines of the publication board. Dr. Steely said that one addition had been made to the original proposal referring to an ethical standard. Dr. Steely moved for approval. Paul Leffler seconded. Motion passed unanimously.

Other new business was called for; none was forthcoming.

Mr. Brooking moved for adjournment. Mr. Haas seconded and meeting was adjourned at 9:30 p.m.

EXCERPTS FROM THE MINUTES OF A MEETING OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY STATE COLLEGE, HELD ON MARCH 15, 1971.

The Board of Regents of Northern Kentucky State College convened in a special called session in the Seminar Room, Main Building, 1401 Dixie Highway, Covington, Kentucky 41011, at 8:00 p.m. Upon call of the roll it was ascertained that the following members of the Board were present: John Brooking, Kenneth Lucas, Charles Landrum, Elmer Haas, Joseph Kohler, Charles Wiley. Paul Leffler, Student Representative and Enid Henry, Faculty Representative. President Frank Steely. There were absent: Wendell Butler. There were also present: John Kilkenny; James Noplis, Rai Hopkins, students; Delores Thelen.

It having been determined that a quorum was present, Charles Wiley called the meeting to order and presided as vice-chairman.

Mr. Wiley called for a reading of the minutes of the last meeting. The secretary moved that a reading of the minutes be waived and that they be approved as submitted, as every member had received a copy prior to the meeting. Paul Leffler seconded the motion. It carried unanimously.

Thereupon, the President explained that it was advisable at this time for a Basic Resolution to be adopted by the Board of Regents to estbalish a Consolidated Educational Buildings Project of the College in order to serve as the foundation for the issuance of Series A Bonds which would be secured by a pledge of the revenues of such Project and a statutory mortgage lein on the buildings and appurtenances constituting such Project. He further stated that instead of the College at this time issuing such Series A Bonds it has been determined to be advisable that a commitment or commitments be obtained from a person or persons to guarantee a bid for revenue bond anticipation notes which would constitue an account receivable and which would permit construction bids to be accepted with reference to the new Classroom-Administration Building project. Thereupon, Elmer Haas made a motion that a resolution be adopted the title of which being as follows:

> A RESOLUTION creating and establishing a Consolidated Educational Buildings Project for the Northern Kentucky State College; creating and establishing an issue of Consolidated Educational Buildings Revenue Bonds of the Board of Regents of the Northern Kentucky State College; providing for the issuance from time to time of said bonds; providing for the payment of the principal of and interest on said bonds and repealing all resolutions or parts of resolutions in conflict with this resolution.

Such motion was seconded by John Brooking, and upon a vote being taken upon the adoption of same, the result was as follows:

Voting "AYE": John Brooking, Elmer Haas, Joseph Kohler, Charles Landrum, Kenneth Lucas and Charles Wiley.

Voting "NAY": None

Thereupon, it was announced that such motion had carried and that such resolution had been duly adopted by the Board. Whereupon, such resolution was signed by the Chairman and the Secretary and the seal of the Board affixed thereto. Such resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

Thereupon, Elmer Haas made a motion that a resolution be adopted the title of which is as follows:

RESOLUTION CONFIRMING REQUEST FOR APPROVAL OF CLASSROOM-ADMINISTRATION BUILDING PROJECT AND AUTHORIZING THE EXECUTION OF AN AGREEMENT AS AUTHORIZED BY KRS 56.513 TO PROVIDE FOR INTERIM FINANCING OR THE ESTABLISHMENT OF A RECEIVABLE OR RECEIVABLES IN CONNECTION WITH FINANCING THE PROJECT.

Such motion was seconded by John Brooking, and upon a vote being taken upon the adoption of same, the result was as follows:

Voting "AYE": John Brooking, Elmer Haas, Joseph Kohler, Charles Landrum, Kenneth Lucas and Charles Wiley.

Voting "NAY": None

Thereupon, it was announced that such motion had carried and that such resolution had been duly adopted by the Board. Whereupon, it was signed by the Chairman and the Secretary and the seal of the Board affixed. Such resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

The second order of business was ratification of the Constitution of the Faculty Assembly of NKSC. Dr. Steely commented that the only significant change the committee of Regents had made was Section D., Article VI, which now reads that the chairman of the Faculty Assembly must be of the rank of assistant professor or higher and will serve as faculty representative on the Board of Regents. Mr. Haas asked if it was intended that the Constitution be accepted as submitted. Mr. Kohler asked if it would ever happen that the Board of Regents could waive the requirements of 10 days notice to the Board of Regents before requiring action. It was decided that this would be at the discretion of the Regents. Mr. Kohler moved for the adoption of the Constitution with the provision added in Article VI, Item D. "unless such time limit be waived by the Board". Paul Leffler seconded the motion. Mr. Haas commented that more

than a majority of such a vote should be required. Mr. Wiley called for a vote and the motion carried unanimously.

The third item of business called for ratification of the Student Constitution of NKSC. Dr. Steely said that the Constitution had been significantly modified by the Regent's committee. The most substantive modification was the inclusion of the requirement of a 3.0 standing on a 4.0 basis for all class officers and representatives. The priviso was also included that the Student Government president, after the coming year, be either a junior or a senior. Representatives, as well, shall be elected from each class rather than the student body as a whole. Two representatives from each of four classes will be named, plus one from the part-time and evening students. Mr. Leffler moved that the Student Government Constitution be approved as submitted, with the exception of three minor errors: Article IX, Section 1. should be changed to read interim instead of interior; Section V, Page 3-A1 should read on instead of or; Page 8 should read case for instead of against the student. Elmer Haas seconded the motion. The Chairman called for a vote and the motion carried unanimously.

There being no further business to come before the Board at thie time, a motion was duly made, seconded and unanimously carried that the meeting adjourn.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Thursday, May 27, 1971

The meeting was called to order at 8:10 p. m. Board members were Messrs. John Brooking, Elmer Haas, Joseph Kohler, Frank Steely, Charles Wiley, and Terence Robbins. Chairman Charles Wiley introduced guests Norman Herbstreit, Bob Berkshire, Ralph Tesseneer, Donald Colvin, E. G. Traylor, James Claypool, John Kilkenny, Paul Schott, Randall Allen, Karen Free, Paul Leffler, David Oliver, Steve Megerle, Jack Hicks, and Dave Bauer.

The first order of business was the swearing in to office of Frank Cornelius, new student regent. Mr. Brooking administered the oath of loyalty to the Commonwealth of Kentucky to Mr. Cornelius, and Mr. Cornelius was formally welcomed to the Board.

Mr. Wiley called for a report on the physical plant. Dr. Steely reported that construction is proceeding on schedule. A Phase B meeting has been held on the second building, and the contract will be let about September 20. This building is scheduled to be finished by about the same time as the first one - June 21, 1972 is the anticipated date. The contract has been let for the purchase of eight new classroom units. They will be so erected as not to occupy any parking spaces. The cost will be $58,000. The lease on the offices rented on the Dixie Highway has been allowed to expire and the administrative offices are now on campus.

The Chairman called for a report on Student Affairs. Dr. Steely announced that Mr. Frank Cornelius has been elected as president of the student body; ~~Mike Harp~~ Ricie Sparks as vice president. Representatives to Student Government will be elected next fall. Dr. Steely moved for the appreciation of the Regents to Paul Leffler. Elmer Haas seconded the motion, and it passed unanimously. Mr. Wiley instructed that a letter of appreciation be sent to Mr. Leffler from the Board of Regents. Mr. Haas suggested a note of appreciation to the students for a beautiful Spring Cotillion. The secretary was instructed to send such a letter.

A report on faculty was called for. Dr. Tessencer asked for approval by the Regents of the new faculty listed on the agenda. He reported that there is still one position to be filled. Mr. Kohler moved acceptance of the new appointments. Mr. Brooking seconded. A vote was called for, and the motion carried unanimously.

Mr. Wiley called for a report on the Title I funds. Mr. Kilkenny said that applications are being made for funds for a research proposal in the field of fine arts. The proposal calls for work with art groups in the community. Their representatives will take courses at Northern Kentucky State College and take techniques and information back to their own organizations. Dr. William Parsons will be Director of this program. The total funds applied for are $16,000.

The next item on the agenda was the Faculty Handbook. Dr. Tesseneer reported that the Handbook Committee had submitted a draft which was distributed to the Regents. Voting on the adoption of the handbook was deferred until the next meeting. Mr. Brooking moved to send the draft of the handbook with the status report to the Southern Association of Colleges and Schools. Mr. Lucas seconded the motion, and the motion passed unanimously.

Dr. Steely reported that Dr. Tesseneer and Dr. Price had visited with the Southern Association, and that a status report will be submitted on the 16th of June with a site visit early in the fall.

Dr. Steely noted that correspondence had been received in March concerning House Resolution #28 requesting the attention of the Board of Regents to that resolution. Mr. Haas moved to defer adopting the resolution to counsel for his opinion, with a report for the next meeting. Mr. Kohler seconded the motion and it passed unanimously.

The Chairman called for a report on the Interim Legislative Study Commission. Dr. Steely reported that a commission made up of the chairmen of the Finance Committees, from the House and Senate, as well as others, would visit all the colleges in the State during the summer. A date to visit Northern Kentucky State College has not yet been set.

A report on the budget for 1971-72 was called for. Mr. Kilkenny presented the operating budget for the coming year. Mr. Kohler commented that the operating expenses were down from last year. Mr. Leffler asked about student insurance. Mr. Kilkenny reported that funds carried over from last year will take care of the increase in the student body numbers this coming year. Mr. Brooking moved for the adoption of the budget. Mr. Kohler seconded the motion, and it carried unanimously. Mr. Kohler noted that the budget had been in the hands of the Regents prior to the meeting, and that action was not being taken hastily without forethought.

Mr. Wiley asked for a report on the Chase Law School merger. Dr. Steely reported that there is a proposal of merger of the Salmon P. Chase School of Law with Northern Kentucky State College. He presented a resolution signed by the Chairman of the Board of Chase College and adopted by their Board of Trustees approving the merger, and authorizing meetings between the two schools and the drafting of final documents. Dr. Steely commented that this represents a magnificent opportunity for NKSC, as some of the outstanding law men in the area are graduates of Chase. The school has no debts, a full library, and a competent staff. It is an evening law school, fully accredited by the American Bar Association. As a possibility it is envisioned that in the fall of 1972, when Northern Kentucky State College moved to its new campus, the present facility will provide the space needed by Chase. The Budget Director has prepared a projected budget, and the merger will mean no added cost to NKSC. Dr. Steely requested the approval of the resolution and the appointment of a committee to draft final details. Mr. Brooking moved for the approval of the merger with Chase School of Law subject to concluding articles of merger satisfactory to Northern Kentucky State College's appointed committee; they being Dr. Steely and Mr. Brooking, and that the suggestion be submitted to the Kentucky Council on Public Higher Education. Mr. Haas seconded the motion. A vote was called for, and the motion was passed unanimously.

Mr. Haas moved for adjournment and Mr. Kohler seconded. Meeting adjourned at 9:10 p. m.

Elmer Haas, Jr., Secretary

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Friday, July 8? 1971

Present for the Board were Messrs. Elmer Haas, Charles Landrum, Joseph Kohler, Charles Wiley, Terence Robbins, John Brooking, Frank Cornelius, and Dr. Frank Steely. Absent was Mr. Kenneth Lucas.

Chairman Charles Wiley called the meeting to order at 8:15 p.m.

He called for a reading of the minutes. The secretary asked that a reading be waived as all members had received copies prior to the meeting.

Mr. Robbins asked for a correction in the minutes, that paragraph 4 D-1 of the Faculty Constitution be changed to read "assistant professor or above". Mr. Cornelius asked that the minutes be changed to read that the student vice president for the 71-72 academic year is Rick Sparks rather than Mike Harp. Mr. Haas moved that the minutes be accepted as corrected. Mr. Landrum seconded the motion and it carried unanimously.

The meeting was then turned over to Dr. Steely for an explanation of the Chase Law School merger agreement. Dr. Steely mentioned that all members had received copies of the agreement which has been signed by Chase Law School officials. He pointed out two changes which had been made over the original draft. The agreement now reads in paragraph 3-F "the main building on the present NKSC campus shall be occupied by the Salmon P. Chase Law School". Mr. Haas moved that upon assurance of the legality of the move and advice of counsel that it was within the law and appropriate to do so, the Board of Regents of NKSC approve the merger agreement with Chase School of Law. Mr. Brooking seconded the motion. The Chairman called for a vote and the motion passed unanimously, including the vote of Mr. Lucas for whom Mr. Brooking carried a proxy.

The second order of business was the approval of Mr. John DeMarcus as Administrative Vice President of NKSC. The chief dutyof this position would be supervising the overall planning for building. Dr. Steely pointed out that Mr. DeMarcus served as Administrative Assistant to Governor Nunn. His chief responsibility being the development of NKSC. He has served long, thoroughly, and well in his capacity. Dr. Steely asked for authorization to negotiate an open-ended contract as to duty, starting date, salary, etc. Mr. Brooking moved that the Board of Regents hereby authorize, execute and enter into a contract with Mr. John DeMarcus under such terms as deemed reasonable as to all details affiliated with the duties of Administrative Vice President and Professor of History. Mr. Kohler seconded the motion and it carried unanimously.

Mr. Kohler moved for adjournment. Mr. Brooking seconded the motion. The meeting was adjourned at 9:15 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Friday, Sept. 3, 1971

Chairman Charles Wiley called the meeting to order at 8:00 p.m. Present for the Board of Regents were Elmer Haas, Joseph Kohler, Charles Landrum, Ken Lucas, Frank Steely, Charles Wiley, and Terence Robbins. A proxy for Mr. John Brooking was held by Mr. Haas. Present for the Advisory Council were E. G. Traylor, Charles Palmer, Gene Tolson, Robert Berkshire, and Harris Combs. Guests were Dr. James Claypool and Miss Ruth Ochs.

Ken Lucas gave the invocation.

The secretary called the roll. It was determined that a quorum was present.

The Chairman called for a reading of the minutes. Mr. Haas moved that the reading be waived and the minutes approved as each board member had received a copy prior to the meeting. Mr. Kohler seconded the motion. The vote was unanimously in favor.

The first order of business was a report on students and fall enrollment. Dr. Steely asked Dr. Claypool to report on enrollment. There are currently 3,004 students enrolled for the fall semester. Dr. Claypool commented that at this point one of every 100 persons in Northern Kentucky attends NKSC. He thanked the Board of Regents for their fine planning and pointed out that the consultant's report was now antedated as far as growth rate is concerned. The 3,000 figure is 1,400 over last fall's enrollment. Every class is filled to capacity.

Mr. Kohler asked about parking space. Dr. Steely reported that everything that could be done has been done. The Highway Department has graveled the parking lot on the Dixie Highway and is working on another. Security people have been hired to supervise parking.

Dr. Steely pointed out that additional faculty will be needed in the very near future.

The second order of business was approval of new faculty. New faculty recruits are Dr. Robert Mullen to replace Mr. Norris Hellwig in speech, Mr. Lowell Osborne to replace Mr. Bill Byron in english, Dr. James Sehnert to replace Mr. Martin Brown in mathematics, Mr. Gerald Smolen to replace Mr. George Temple, Mrs. Jeannette Cochran to replace Mary Ann Clark in nursing, and Miss Lyla Haggard as counselor. Dr. Steely moved for the approval of these appointments. Mr. Haas seconded. A vote was called for. Motion passed unanimously.

The next order of business was the faculty handbook. Mr. Robbins reported that the progress of the book has been retarded by fall enrollment but it is proceeding. Mr. Kohler asked that a copy of the proposed handbook be sent to him.

Dr. Steely mentioned that the Council on Public Higher Education meet Monday, August 30 for a budget planning session. He noted that NKSC and the U of L will receive special attention in the next biennium. The two gubernatorial candidates have indicated full support for NKSC.

Mr. Wiley called for a report on the physical plant and development. Dr. Steely noted that the first construction is running on schedule. It should be under roof by winter. On the 8th of September bids for the multi-purpose building will be accepted. Contracts will be awarded on the 20th. It is scheduled to be finished by fall of 1972.

Dr. Steely reported that a visitation committee from the Southern Association for the Accreditation of Colleges and Schools will be at NKSC on September 12. A dinner will be given for them that evening at the Vocational School. Dr. Steely noted that the committee is a distinguished one composed of the Chairman of the Biology Department at the University of Tennessee, the President of Georgia Southern University, the Librarian of William and Mary College and several others.

Chase Law School. Dr. Steely moved that NKSC's counsel be authorized to go ahead with a friendly suit on the Chase-Northern merger. Mr. Lucas seconded the motion and the motion passed unanimously.

There being no other business, Mr. Haas moved for adjournment, and the meeting was adjourned at 9:00 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Thursday, Nov. 11, 1971

Chairman Wendell P. Butler called the meeting to order at 8:05 p.m. Present were: Wendell P. Butler, Chairman, Charles Wiley, John Brooking, Elmer Haas, Joseph Kohler, Ken Lucas, Charles Landrum, Dr. Frank Steely, Nick Melnick, Harris Combs, Robert Berkshire, Donald Colvin, Dr. Ralph Tesseneer, Dr. James Claypool, John Kilkenny, and Gary Wagoner, for Frank Cornelius. Present from the press were: Dick Wilson, Dave Bauer, Kay Brookshire, and Ruth Ann Ochs.

For the first order of business, Joe Kohler moved and Elmer Haas seconded to accept the minutes of the meeting of Sept. 3, as each member had received copies prior to the current meeting. Motion passed unanimously.

Chairman Butler called for a report on construction. Dr. Steely reported that construction is proceeding on schedule for the first building considering a 30-day extension. Target date is now July 24, 1972. The second building is also slated for completion in July of 1972. The third building is now in phase 3 of its planning stage. It is anticipated that plans will be finished in March of 1972. Contracts should be let in early May.

Dr. Steely suggested that the assembly hall be named "Regents Hall". Mr. Brooking so moved, Mr. Haas seconded, and the motion passed unanimously.

The Chairman called for a report on faculty. Dr. Tesseneer asked for approval of two new appointments, Mr. Adalberto Pinelo as assistant professor of political science beginning January 1972 and Dr. Helen A. Thomas, assistant professor of education also to begin January 1972. Mr. Kohler moved for acceptance of both, Mr. Lucas seconded and motion passed unanimously.

Dr. Tesseneer presented a preliminary layout for diplomas. Mr. Haas recommended that Mr. Wiley have a committee to design our final diploma. Dr. Tesseneer suggested that Dr. Melnick serve on that committee. Dr. Steely suggested Mr. Cornelius as another member. Mr. Kohler moved the creation by the President of a committee to submit formats for diplomas to the Regents. Mr. Landrum seconded and the motion passed unanimously. Dr. Steely then designated Mr. Wiley, Dr. Melnick, and Mr. Cornelius to compose such a committee.

Chairman Butler called for a report on students. Dr. Claypool presented a statistical breakdown on fall 1971 enrollment. He reported that over 50% of the student body is pre-registered. Mr. Haas moved that Dr. Claypool's statistics report be put into the form of a resolution and sent to the Council on Public Higher Education and to Dr. Thompson of Ohio State University who is advising the Council. The resolution is to request that our enrollment figures be used for projections instead of the figures projected by our consultants, Taylor, Lieberfeld and Heldman. Mr. Landrum seconded the motion and it carried unanimously.

Mr. Brooking was called upon to report on the Chase suit. He reported that on October 6th, the Attorney General filed his brief. NKSC's and the Council on Public Higher Education's briefs were filed on November 5th. The Attorney General now has until Nov. 21st to file rebuttals. After that date, the court will make a decision. Mr. Brooking is extremely

optimistic, he expects a decision on or about Dec. 15th.

Chairman Butler called for a report on the Southern Association of Colleges and Schools (SACS) visitation. Dr. Steely reported that a written report has not yet been received. Our budget requests are mainly based on the oral recommendations given at the time of their visit.

Under other business, Mr. Kohler asked about the status of the faculty handbook. Dr. Melnick noted that the book will be ready in the very near future.

Mr. Kohler commented that the Board of Regents is extremely proud of NKS's students who are carrying out various charity projects.

Chairman Butler called for a report on the budget. Dr. Steely commented that the budget must be submitted to the Department of Finance and the Council on Public Higher Education by Nov. 15th. Copies were distributed. After some discussion, Mr. Brooking moved to approve the budget request. Mr. Haas seconded and the motion passed unanimously.

Chairman Butler recognized Donald Colvin who commented that the compliments extended to the faculty and students by Mr. Kohler were very much warranted. Chairman Butler extended his congratulations to the Board of Regents, the Advisory Board and staff members of NKSC on the fine work this far. Dr. Steely remarked that the Board appreciated Mr. Butler's support over the first years of NKSC.

Mr. Kohler moved for adjournment, Mr. Brooking seconded the motion. Meeting adjourned at 9:10 p.m.

MEETING OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Friday, February 11, 1972 - 8 p.m.

The Board of Regents of Northern Kentucky State College met in regular session on Friday, February 11, 1972 in the Seminar Room, Main Building of the Northern campus. Dr. Lyman Ginger called the meeting to order at 8 p.m. Present for the Board of Regents were: Dr. Ginger, Mr. Charles Wiley, Mr. John Brooking, Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Kenneth Lucas, Dr. Frank Steely, Dr. Nick Melnick, faculty representative, and Mr. Frank Cornelius, student representative. Mr. Charles Landrum was out of the country, and consequently unable to attend. Present for the Advisory Board were Mr. Robert Berkshire, Mr. Norman Herbstreit, and Mr. E. G. Traylor. (Mr. Harris Combs and Mr. Charles Palmer had reported they would be out of town and could not be present.) Guests present were Mr. David Garnett, Miss Diane Devoto, Mr Gary Wagoner, Mr. John Kilkenny, Mr. John Gallagher, Miss Kay Brookshire (Cincinnati Enquirer), Mr. James Ramage, Miss Peggy Marr, Miss Ruth Ann Ochs, Dr James Claypool, Dean Jack Grosse, Dr. Ralph Tesseneer, Dr. Joseph Price, and Mr. John DeMarcus.

Dr. Ginger called for a reading of the minutes of the previous meeting, November 11, 1971. Mr. Haas moved that the minutes be approved without reading as they had been distributed to the Regents prior to the meeting. Mr. Kohler seconded and the motion carried unanimously.

Dr. Ginger called for a report on construction. Mr. John DeMarcus distributed copies of a report on the progress of the various phases of construction. The first building is generally on schedule and the contractor reports that July 24 is the target date for moving from the Covington campus to the Highland Heights campus. The second building is approximately 2 months behind schedule due to weather conditions. It is anticipated some of this time will be made up and the building will be ready in late August or September. Mr. DeMarcus announced that the Regents' pictures will be etched in metal and placed on the building The third building is past Phase III and is now in design. Bids are scheduled to be let May 1. The master plan is in work.

Mr. Kohler asked what was being done about highway access. Mr. DeMarcus replied that, as of now, the Highway Department is predicting a date of 1975 for completion of the federal highway near the campus. Mr. Haas moved that the Board of Regents go on record as recognizing the danger of moving onto the new campus without highway access and that this record be publicized. Mr. Kohler seconded the motion and it passed unanimously.

Dr. Ginger requested that a letter stating the facts about highway access be submitted to the Highway Commissioner listing the names of highways and what needs to be done and that the letter be released to the press for the purpose of informing the public that the college Board of Regents is working on the problem.

Dr. Ginger called for an audit report. Copies of the auditor's report were distributed. Mr. DeMarcus reported that all accounts were acceptable to the auditors. Mr. Haas moved to accept the audit, Mr. Wiley seconded the motion, and the motion passed unanimously.

Dr. Ginger then called for a report on the faculty. Dr. Tesseneer submitted the names of 21 new faculty members for approval. He noted that all of the candidates either had their doctorates or would have them by the time they came to NKSC. He also stated that this will bring NKS's percentage of doctoral faculty to 60%. There are approximately 40 more faculty members to be hired before fall of 1972. Mr. Brooking moved to approve all 21 new members. Mr. Kohler seconded and the motion carried unanimously.

A report by the diploma committee was called for next. Dr. Price distributed copies of the proposed design and text for the college's first diploma. Mr. Kohler moved to accept the recommended design. Mr. Lucas seconded the motion and it carried unanimously.

The Chairman then called for a report on the faculty handbook. Dr. Melnick presented copies of the proposed handbook. He noted that it had been distributed to the faculty and will be voted on February 17. No problems are anticipated. Voting was delayed until a definite approval is given by the faculty and the Regents have had a chance to read and discuss it. Mr. Brooking moved that the matter be tabled until an executive meeting to be called by President Steely. Mr. Haas seconded the motion and it passed unanimously.

Chairman Ginger called for a report on enrollment. Dr. Claypool reported the Spring, 1972 student body totals 3,000. Nearly 400 transfer students were taken in. The freshman class consists of 1800 students. He predicted an enrollment of 4,500 this fall. Mr. Kohler moved to accept the enrollment report. Mr. Haas seconded and the motion carried unanimously.

Dr. Ginger called for a report on academic code and court. Copies of the code and the previously approved court were presented to the Board of Regents. Several changes were suggested. Mr. Brooking moved acceptance of the code, with the changes suggested. Mr. Haas seconded the motion and it carried unanimously.

The Chairman then called for a report on the status of the Chase merger. Dr. Steely reported that the merger is now virtually completed as a result of a decision received from the Circuit Court of Campbell County. The 30 days allowable for appeal of this decision have expired. He also reported that Senate Bill 99 prohibiting the funding of the Chase Law School will not be called up before the full Senate, and that Senate Bill 54 proposing re-organization of the Council on Public Higher Education had been amended and approved to provide that nothing be done to jeopardize the merger of Chase Law School and NKSC. Dr. Steely also reported that the American Bar Association has acquiesced to the merger of Chase and NKSC. Mr. Haas moved to receive Dr. Steely's report as information. Mr. Brooking seconded, and the motion carried unanimously.

Dr. Ginger called for the report received from the Southern Association of Colleges and Schools. It was reported that the Southern Association has voted candidate status for NKSC. Final accreditation will be voted after the graduation of the first class. Mr. Kohler moved for acceptance of the report. Mr. Brooking seconded, and it carried unanimously.

Dr. Ginger called for a report on the budget. Dr. Steely reported that the 17 million dollar budget approved by the Board of Regents for the 1972-74 Biennium had been cut to a recommendation by the Finance Department of 2.3 million for the coming year, plus Northern's portion of the fund set aside by the Finance Department for higher education - some $450,000 plus 3.5 million for the 1973-74 fiscal year. In addition, the college will receive one half million dollars each year for debt service and $300,000 for the purchase of additional land. Total of 7.9 million dollars is appropriated for the biennium. Mr. Haas moved approval of the budget report. Mr. Brooking seconded, and the vote was unanimous in favor of the motion.

Under other business, Dr. Steely brought to the attention of the Board of Regents the matter of Kentucky School Board Association dues. Dr. Steely asked that the Board of Regents consider whether or not Northern should join this association. Mr. Haas moved to explore joining the KSA. Mr. Brooking seconded it and the motion carried unanimously.

Mr. Kohler moved to adjourn at 10:05 p.m. Mr. Haas seconded, and the meeting was adjourned.

MINUTES OF THE SPECIAL BOARD OF REGENTS MEETING
Tuesday, March 28, 1972 - 8 p. m.

The Board of Regents of Northern Kentucky State College convened in a special session in the Seminar Room, Main Building, 1401 Dixie Highway, Covington, Kentucky 41011, on March 28, 1972, at 8:00 p. m. Mr. Kenneth Lucas gave the invocation. Upon call of the roll it was ascertained that the following members of the Board were present: Voting members: John Brooking, Joseph Kohler, Charles Landrum, Kenneth Lucas, Charles Wiley. Non-Voting Members: President Frank Steely, Faculty Representative Nicholas Melnick, and Student Representative, Frank Cornelius. There was absent: Elmer Haas. There were also present: Franklin Hays of Louisville, Ralph Nall of R. L. Deupree Company, Lexington, Meredith Armstrong, Ralph Tesseneer, Paul Schott, Thad Lindsay, John Kilkenny, James Ramage, John DeMarcus, Peppy Martin, Gary Wagner, Jack Hicks of the Cincinnati Enquirer and Board Advisors Charles Palmer and Harris Combs.

It having been determined that a quorum was present, Charles Wiley called the meeting to order and presided as chairman. It having been noted that Elmer Haas, the Secretary, was absent, a motion was made by John Brooking, seconded by Kenneth Lucas and unanimously carried that Mrs. Dolores Thelen be elected Acting Secretary of the Board.

It was pointed out by Dr. Steely that the Academic Court had not been approved as stated in previous minutes even though the Academic Community Code had been approved; therefore, all the Court needed was formal approval by the Board as it was previously discussed. John Brooking moved that the Academic Court be approved as presented at previous meeting. The motion, seconded by Joseph Kohler, was carried unanimously.

The Faculty Handbook, previously presented, was discussed along with a few additional revisions made since the previous presentation. Mr. Thad Lindsey of the faculty was present to answer questions as he chaired the faculty committee which worked on the handbook. John Brooking questioned the area of "Tenure" and the term "extreme cause" used as the basis for termination of a faculty member's service and asked if "extreme cause" included incompetence. Mr. Lindsey explained that the term was used because this is usually the term used in handbooks of other colleges in this area and around the country. Dr. Steely pointed out that "extreme cause" could include, along with incompetence, immorality and insubordination, and that the administration was satisfied with this term, as it does give some leeway. The Faculty Handbook with the revisions (copy attached) was approved on motion by John Brooking. The motion was seconded by Charles Landrum and was unanimously carried.

The list of new and present faculty was presented with the following additions: To the present faculty list - under Humanities, the addition of Dan Purcell as Instructor and under Math and Physical Sciences, the addition of Raymond Crippen as Director of Laboratories. Additions to the new faculty list were: Mr. Jerry Outlaw, Assistant Professor of Sociology from Syracuse University and Louis Noyd, Assistant Professor of Economics from the University of Oregon. Dr. Tesseneer presented a list of Institutions attended by NKSC faculty, pointing the many different areas our faculty are from, and stating that some 106 faculty members hold degrees from 112 institutions in 34 of the 50 states and six foreign countries. Of the last degree received, 61 of the faculty members have received them from colleges in the north and east, and 40 from colleges in the south and west. Joseph Kohler moved that the recommendation for appointing the present and new faculty be approved with the additions. The motion, seconded by Kenneth Lucas, was unanimously carried.

Each Regent had received a Schedule of Fees for Chase Law School. President Steely pointed out that it was necessary to get approval of the Board of Regents since these fees form an integral part of our Bond Resolution. These fees have been submitted to a sub-committee of the Council on Public Higher Education and have been tentatively approved by this committee, subject to the approval of the members of the Council on Public Higher Education. This formal approval will presumably be made by the Council before the time of the sale of bonds. John Brooking moved the adoption of the fee schedule for Salmon P. Chase College of Law. The motion was seconded by Charles Landrum and was unanimously carried.

Thereupon, the President explained that due to the passage of time it had become advisable for the Basic Resolution which was adopted by the Board of Regents on March 15, 1971, establishing a Consolidated Educational Buildings Project of the College to be amended in certain particulars and that since such Basic Resolution may be in existence for many years and will likely serve as the basis for the issuance of several Series of Bonds it was advisable that a new Basic Resolution be adopted, one provision of which would repeal the prior Basic Resolution in its entirety, with the exception of reserving any rights which any person may have obtained thereunder in connection with making commitments as to interim financing for the Project therein authorized. The President pointed out, however, that prior to the adoption of a new Basic Resolution it would be advisable to adopt a resolution requesting approval by the State Property and Buildings Commission of Kentucky of a project consisting of the construction of the Academic-Administration Building and of the Multi-Purpose Building. He stated that at the request of the College such Commission had, on March 18, 1971, approved the Academic-Administration Building Project which at that time had been referred to as the Classroom-Administration Building but had not formally approved the enlarged project which includes the Multi-Purpose Building. After the matter had been fully discussed, John Brooking made a motion that the resolution be adopted the title of which being as follows:

RESOLUTION CONFIRMING REQUEST FOR APPROVAL OF ACADEMIC-ADMINISTRATION BUILDING AND MULTI-PURPOSE BUILDING PROJECT BY STATE PROPERTY AND BUILDINGS COMMISSION OF KENTUCKY.

Such motion was seconded by Kenneth Lucas, and upon a vote being taken upon the adoption of same, the result was as follows:

Voting "Aye": John Brooking, Joseph Kohler, Charles Landrum, Kenneth Lucas, Charles Wiley.
Voting "Nay": None

Thereupon, it was announced that such motion had been carried and that such resolution had been duly adopted by the Board. Whereupon, such resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

Thereupon, John Brooking made a motion that the resolution be adopted the title of which is as follows:

A RESOLUTION creating and establishing a Consolidated Educational Buildings Project for the Northern Kentucky State College; creating and establishing an issue of Consolidated Educational Buildings Revenue Bonds of the Board of Regents of Northern Kentucky State College; providing for the issuance from time to time of said bonds; providing for the payment of the principal of and interest on said bonds and repealing all resolutions or parts of resolutions in conflict with this resolution.

Such motion was seconded by Joseph Kohler, and upon a vote being taken upon the adoption of same the result was as follows:

Voting "Aye": John Brooking, Joseph Kohler, Charles Landrum, Kenneth Lucas, Charles Wiley.
Voting "Nay": None

Thereupon, it was announced that such motion had carried and that such resolution had been duly adoptedby the Board. Such resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

The President then pointed out that it was necessary for a resolution to be adopted to authorize Series A Bonds in the face amount of $6,950,000, the proceeds of which will be used with other funds to finance the construction of such two buildings, with necessary utility and other apurtenances. After this matter was discussed fully, John Brooking made a motion that a resolution be adopted the title of which is as follows:

A RESOLUTION AUTHORIZING THE ISSUANCE OF $6,950,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES A, OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY STATE COLLEGE.

Such motion was seconded by Charles Landrum, and upon a vote being taken upon the adoption of same the result was as follows:

Voting "Aye": John Brooking, Joseph Kohler, Charles Landrum, Kenneth Lucas, Charles Wiley.
Voting "Nay": None

Thereupon, it was announced that such motion had carried and that such resolution had been duly adopted by the Board. Such resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

Thereupon, the President pointed out that no specific resolution would be proposed at this meeting for the approval of fees to be charged to students of the College which will be effective beginning with the 1972 Summer School, because such fees have not been as yet approved by the Council on Public Higher Education in Kentucky. He stated that it was contemplated that prior to the receipt of bids for the sale of the Series A Bonds the Council would authorize the fees which are set forth in the Series A Resolution as being those which will be placed into effect and that such a resolution will be presented to the Board prior to the opening of bids with reference to such Series A. Bonds.

Other Business: Frank Cornelius said that he had wanted to bring up a discussion on emergency medical facilities for the new campus, but had not had an opportunity to do research on the matter, so would bring this up at a later meeting.

Kenneth Lucas inquired if work is still being done on the foreseeable traffic problems on the roads leading to the new campus. He felt we need to keep pounding on this issue until everyone is made aware of the problem. Mr. DeMarcus had made contact with the Highway Department on several occasions, and would do so again. It was felt that Highland Heights, Newport and Southgate officials should be made aware of the situation they may have to face next fall. It was felt that everyone who could do so should get the work across wherever it could be helpful.

Dr. Tesseneer brought up the possibility of having a light installed at Dixie Highway and our access road to the present campus. Mr. DeMarcus will check into this which would probably involve having a survey made by either the State or City of Covington.

It was agreed that April 26, 1972 at 11:00 a. m. would be the date and hour set for sale of bonds. Mr. Nall pointed out the importance of having a quorum present at that time.

There being no further business to come before the Board at this time, a motion was duly made, by John Brooking, seconded by Joseph Kohler, and unanimously carried that the meeting adjourn to April 26, 1972, at 11:00 a. m., for the consideration of any business which may come before the Board at that time.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF REGENTS
OF NORTHERN KENTUCKY STATE COLLEGE
Wednesday, April 26, 1972 - 11 a. m.
Seminar Room - Main Building - Campus

The Board of Regents of Northern Kentucky State College met in a special session on April 26, 1972, at 11:00 a. m., E. S. T., in the Seminar Room, Main Building, 1401 Dixie Highway, Covington, Kentucky.

Mr. Charles Wiley, vice chairman of the Board of Regents, had not arrived to conduct the meeting. John Brooking made a motion that until Mr. Wiley arrives, President Steely serve as temporary chairman. The motion was seconded by Elmer Haas and was carried unanimously.

The minutes of the previous special meeting on March 28, 1972, had been mailed to each Board member. Mr. Haas moved that the minutes be approved as presented. Mr. Brooking seconded the motion and it was carried unanimously.

Upon call of the roll, the following answered present: John Brooking, Elmer Haas, Joseph Kohler, Charles Landrum, Charles Wiley (arrived late). Non-Voting Members: President Frank Steely, Faculty Representative Nicholas Melnick, Student Representative Frank Cornelius.

Also present were: From NKSC - Ralph Tesseneer, John Kilkenny, William Smith, James Claypool, Irene Brownfield. Mr. Ralph Nall of Dupree & Co. Mr. James Brickey, Fiscal Officer for State Finance Department. Mr. Clint Newman of State Treasurer's Office. Also representatives of various brokerage firms making bids.

It having been determined that a quorum was present for the transaction of business, President Frank Steely called the meeting to order and presided as Temporary Chairman.

Thereupon, it was pointed out that the hour of 11:00 a. m., E. S. T., had arrived, which was the hour previously advertised for the opening of bids with reference to the $6,950,000 of Consolidated Educational Buildings Revenue Bonds, Series A. Then the bids received were opened, considered and discussed. Mr. Wiley arrived and presided as chairman for the balance of the meeting. Mr. Nall asked permission to calculate and verify the correctness of the two lowest bids to see that everything was in order. He determined that both bids were correct and recommended that, since the bid of Blyth and Co. Inc. was the lowest bid, that it be considered by the Board. Thereupon, Board Member Joseph Kohler introduced, caused to be read and moved the immediate adoption of a resolution reading as follows:

"RESOLUTION ACCEPTING THE BEST BID FOR THE PURCHASE OF THE $6,950,000 OF NORTHERN KENTUCKY STATE COLLEGE, CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES A, DATED MAY 1, 1972, AND ESTABLISHING THE INTEREST RATES TO BE MADE APPLICABLE THERETO.

"The Board of Regents of Northern Kentucky State College does hereby resolve as follows:

"1. The public advertising in the Daily Bond Buyer, New York, New York, and in The Courier-Journal, Louisville, Kentucky, on April 14, 1972, of the sale of $6,950,000 Northern Kentucky State College Consolidated Educational Buildings Revenue Bonds, Series A, and the use of the Official Statement and Official Bid Form, which have been used in connection with the sale of such bonds, are hereby authorized, ratified and approved.

"2. The only bids which have been received for said Series A Bonds are as follows:

"3. That the bid of Blyth & Co. Inc. for the sale of such $6,950,000 of Series A Bonds is hereby determined to be the highest and best bid at the lowest average net interest cost, and said bid is hereby adopted, such bid being at the price of $6,811,069.50, plus accrued interest from May 1, 1972, with interest rates as listed in their bid.

"4. That it is hereby determined that such Bonds shall bear interest from May 1, 1972, at the respective rates set forth and stipulated in said successful bid as set forth above.

"5. That the certified or bank cashier's check in the sum of $69,500 submitted with the bid of the above-identified purchaser, payable to the Treasurer of the Commonwealth of Kentucky, shall be held uncashed until the bonds have been received from the printer, have been executed and tendered for delivery to the purchaser. When the purchaser accepts such bonds and makes payment therefor, together with accrued interest, in conformity with the accepted bid, the Treasurer of the Commonwealth is authorized and directed to deposit said check and credit same upon the accepted bid, unless, at the election of the purchaser, such check is returned to such purchaser upon payment in full of the purchase price with accrued interest to delivery.

"6. That the checks received with unsuccessful bids will be immediately returned to the unsuccessful bidders.

"7. That this resolution shall be in full force and effect immediately upon its adoption."

Thereupon, Board Member John Brooking seconded the motion. Upon a vote being taken upon same, the result was as follows:

AYES: Elmer Haas, John Brooking, Joseph Kohler, Charles Landrum, Charles Wiley.
NAYS: None.

Thereupon, it was declared that such motion had carried and that such resolution was in full force and effect.

The fee schedule (copy attached) was presented to the Board Members. Dr. Steely explained that this schedule had been approved by the Council on Public Higher Education. He further explained that the Board had approved the fee schedule for Chase Law School at the previous meeting, therefore the fee schedule for the undergraduate students was the only part needing approval. Mr. Brooking moved the adoption of the fee schedule (marked Exhibit I-1) for Northern Kentucky State College. The motion was seconded by Charles Landrum and was carried unanimously.

Mr. John DeMarcus explained that the 1972 Legislature passed a statute authorizing state universities and colleges to maintain a retirement fund for employees. He asked for a resolution authorizing Northern Kentucky State College to bring the non-instructional employees of this institution under the Kentucky State Employees Retirement plan. Joseph Kohler moved the adoption of the resolution. The motion, seconded by John Brooking, was carried unanimously.

Mr. Nall congratulated the Board and Administration for the excellent bids received today. He commented that these were the most numerous bids he had ever seen for a college bond issue. Dr. Steely expressed congratulations and gratitude to Dupree and Company for the very fine presentation they made to the bond buyers and the fine marketing job they have done on our behalf.

There being no further business to come before the meeting, a motion was made, seconded and unanimously carried that the meeting adjourn.

MINUTES OF AN EXECUTIVE MEETING OF THE BOARD OF REGENTS
of NORTHERN KENTUCKY STATE COLLEGE
Monday, June 12, 1972 - 8 p.m.
Seminar Room - Main Building - Covington Campus

The Board of Regents of Northern Kentucky State College convened in Executive session in the college Seminar Room, Main Building, 1401 Dixie Highway, Covington, Kentucky on June 12, 1972, at 8 p.m. The following voting members of the Board were present: Joseph Kohler, Charles Landrum, Kenneth Lucas, Warren Shonert, Edgar Wipperman, and Elmer Haas. Non-voting members present: Faculty Representative Dr. James Niewahner and Student Representative Dave Garnett. Also present: Vice President Ralph Tesseneer, Vice President John DeMarcus, and John Brooking, College Counsel.

In the absence of Elmer Haas, Board Secretary, (who arrived late) the meeting was called to order by John DeMarcus. Joe Kohler moved that Kenneth Lucas be appointed Chairman of the Board of Regents for one year to be effective as of June 12, 1972. The motion, seconded by Edgar Wipperman, was carried unanimously.

The Chairman asked for the next order of business on the Agenda being the Administrative Report by John DeMarcus. Mr. DeMarcus presented a report on Income and Expenditures and the physical status as of May 31 showing a surplus of $475,000 on operating accounts. Mr. DeMarcus further explained that all Public Relations' orders for equipment had been halted temporarily and he asked that he be given time to study these orders.

The following Administrative Personnel were presented to the Board by Mr. DeMarcus for approval:

William Smith, Business Manager
Billie Say, Assistant to Administrative Vice President
Melvin Stricker, Bookstore Manager
Joe Munson, Printing and Photography
Maxine Buck, Public Relations Secretary
Mike Gimpel, Carpenter

Mr. DeMarcus further listed the following positions yet to be filled: Budget Director, Superintendent of Buildings and Grounds, Electrician, Automotive Mechanic, Gardener, and Director of Public Relations.

A progress report on building construction on the Highland Heights campus was given to the Board in the form of letters from the architect and the board was apprised further by Mr. DeMarcus concerning deadline dates. Mr. DeMarcus further advised that in his opinion, the construction deadlines on the first two buildings would be met respectively - Louie B. Nunn Hall, late July, and Regents Hall, late September or early October.

The status of the Chase Law School transferral was discussed and Mr. DeMarcus advised that all assets will be transferred on June 20 to Northern Kentucky State College.

The Internal Budget for 1972-73 fiscal year was given by Mr. DeMarcus to each member present. Mr. DeMarcus asked that the Budget be reviewed by Board members and questions concerning the Budget be presented at the next regular meeting or before in writing.

Mr. DeMarcus announced that Fisk, Rinehart and Hall, McAllister, Stockwell had been appointed architects for the Library Building to be constructed on the Highland Heights campus. It was recommended that preliminary architectural sketches of the Library be presented to the Board for review. Mr. DeMarcus agreed to this procedure and further stated that if agreeable with the

Board, arrangements would be made for the Board to review in depth all architectural considerations. This procedure was agreed to.

Mr. DeMarcus presented samples of an Administrative Employment Form and an employment Clearance Form to be used by the Administrative Department only for employment. Mr. DeMarcus pointed out that these forms would allow for clearance of each prospective employee before the regular Board meeting.

Charles Landrum moved that the Board approve the individuals employed; the positions requested by Mr. DeMarcus for approval and the employment forms and procedure for clearance requested by Mr. DeMarcus. Edgar Wipperman seconded the motion. It carried unanimously.

Motion was made by Elmer Haas that all items to be acted upon by the Board be presented one week prior to the meeting. The motion, seconded by Joe Kohler, was carried unanimously.

Warren Shonert recommended that the Business Manager of the College be bonded and perhaps a blanket bond be considered for all monies and departments of the college. This procedure was agreed to and Mr. DeMarcus pointed out that a blanket bond was currently held by the college.

The Chairman recognized Dr. Ralph Tesseneer who presented the following faculty appointments for approval. Dr. Tesseneer presented the standard faculty contract and the appointments:

Dr. Neal Schmitt - Assistant Professor of Psychology
Mrs. Sandra Easton - Instructor in Accounting
Dr. Gerda Ritschel - Assistant Professor in Microbiology
Mr. Jack A. Hale - Assistant Professor in Accounting

A motion was made by Joe Kohler that the Board approve the appointments. The motion, seconded by Warren Shonert, was unanimously carried.

John Brooking stated there were several housekeeping resolutions to be acted upon by the Board.

Thereupon, Charles Landrum made a motion that a resolution be adopted the title of which being as follows:

> Resolved that the Board of Regents of Northern Kentucky State College shall meet regularly on the second Monday in July, October, January, and April of each year at the hour of 8 p. m., or at such other time as may be agreed upon at the Northern Kentucky State College campus.
>
> Further, special or executive meetings may be called at any time by the President, Chairman, or any two Regents after having given all Regents two days written notice of such meetings.
>
> Informal meetings of the Regents by telephone conference or without notice may be held at any time, but no action shall be approved at such meeting unless same is unanimously passed and so indicated by a signed resolution of all Regents.

Such motion was seconded by Warren Shonert, and carried unanimously. A copy of same is attached.

Thereupon, Elmer Haas made a motion that a resolution be adopted the title of which being as follows:

> Resolved that the Northern Kentucky State College Administration shall cause to be submitted to the Board of Regents at its July, October, January, and April meetings a comprehensive financial statement of the College for the prior three (3) month period and for the entire year to date of the report, and comparison of same to the budget adopted and approved by the Board of Regents and Department of Finance.
>
> Further, the President shall submit to the Regents in writing his annual report of the condition of the College, indicating a yearly financial report at the Regents' July meeting.

Such motion was seconded by Warren Shonert, and it carried unanimously and was duly adopted by the Board. A copy of same is attached.

Thereupon, Warren Shonert made a motion that a resolution be adopted the title of which is as follows:

> Resolved that the Northern Kentucky State College Administration shall receive prior approval of the Board of Regents before hiring any employee for the College (except Secretarial, maintenance and other similar type personnel).
>
> Further, the resignations or contemplated discharge of any department head of executive officer shall be immediately reported to the Board of Regents for action thereon as the Regents deem necessary.

Further, the Administration shall take no action without the Board of Regents' approval regarding any major action affecting the College including but not limited to, construction of buildings and facilities, major purchases of equipment, fixtures, retention of any professional services, etc.

Mr. DeMarcus asked if the employment clearance forms (previously approved by resolution) would suffice for clearance under the above resolution. This procedure was agreed to.

Such a motion was seconded by Joe Kohler, and upon a vote being taken on the adoption of same, the result was as follows:

Voting "AYE": Charles Landrum, Joe Kohler, Edgar Wipperman, Warren Shonert, Kenneth Lucas
Voting "NAY": Elmer Haas

Thereupon it was announced that such a motion had carried and that such resolution had been duly adopted by the Board. A copy of same is attached.

Thereupon, Charles Landrum made a motion that a resolution be adopted the title of which is as follows:

Resolved that the Northern Kentucky State College general counsel shall be given notice of and attend all meetings of Regents.

Further, counsel for the faculty and students shall be given notice of and attend official meetings of the faculty and student government when same meet for College purposes.

Such motion was seconded by Edgar Wipperman, and it carried unanimously and was duly adopted by the Board. A copy of same is attached.

Thereupon, Elmer Haas made a motion that a resolution be adopted the title of which being as follows:

Resolved that the resolution of the Board of Regents of Northern Kentucky State College of March 28, 1972, regarding the retention of general counsel and counsel for faculty and students of the College is amended as follows:

The contracts of employment for Adams, Brooking & Stepner and Philip Taliaferro approved effective June 1, 1972, and the chairman of the Board of Regents is authorized to execute same on behalf of the Regents.

Such a motion was seconded by Joe Kohler, and it carried unanimously and was duly adopted by the Board. A copy of same is attached.

Elmer Haas asked that a contract be submitted approving the Brooking firm as College Counsel, and Taliaferro for faculty and students. Such a contract was submitted to the firm of Adams, Brooking & Stepner by the Chairman and duly accepted by John Brooking effective June 1, 1972. A copy of this contract is attached.

Thereupon, Warren Shonert made a motion that a resolution be adopted the title of which being as follows:

> Resolved, that from June 10, 1972 to July 10, 1972, the Vice President in Charge of Administration and the Vice President in Charge of Academics shall serve as Joint Chief Executive Officers of the Northern Kentucky State College, each having full authority in his own field.

Such motion was seconded by Charles Landrum, and it carried unanimously and was duly adopted by the Board. A copy of same is attached.

The Chairman recommended that receipt and approval of correspondence received from the President of the College be duly noted.

Elmer Haas, Secretary of the Board of Regents, submitted the written OATH for the two gentlemen (Warren Shonert and Edgar Wipperman)newly appointed board members and copies of the OATH (signed) are attached to the minutes of this meeting.

The minutes of the special meeting on April 26, 1972 have been mailed to each Board member. Mr. Haas moved that the minutes be approved as presented. Joe Kohler seconded the motion and it was carried unanimously.

There being no further business to come before the meeting, a motion was made, seconded and unanimously carried that the meeting adjourn.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Monday, July 10, 1972

The regular meeting of the Board of Regents of Northern Kentucky State College was held on July 10, 1972, in the Seminar Room of the Main Building of the Covington Campus. Chairman Kenneth Lucas called the meeting to order at 8:15 p.m. The invocation was given by Dr. James Ramage.

Dr. James Niewahner and Mr. David Garnett (faculty and student representatives, respectively) signed the "Oath" (copies attached) and thus became the first faculty and student representatives to vote on a Board of Regents in Kentucky.

The following voting members of the Board were present: Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Kenneth Lucas, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Dr. James Niewahner. (Mr. Charles Landrum was out of town). Present from the Advisory Board were: Mr. Harris Combs, Mr. E. G. Traylor, Mr. Charles Palmer, Mr. Robert Berkshire, Mr. Donald Colvin, and Mr. Ben O. Stoner (advisory board of Chase Law School). Also present were: Dr. Frank Steely, Mr. John Brooking - counsel for the Regents, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Dr. James Ramage, Dr. Joseph Price, Mr. Martin Huelsmann - Associate Dean of the Law School, Mr. John Clark - Lexington, Miss Jerry Monson - Kentucky Post, and Mrs. Dolores Thelen.

Chairman Lucas welcomed and introduced the guests to the meeting. He officially welcomed Chase Law School representatives to this first Regents meeting since the merger has been concluded.

Since the minutes of the June 12, 1972, executive meeting had been previously mailed to the Board members, Mr. Kohler moved that the reading of these minutes be dispensed with and accepted as printed. The motion, seconded by Mr. Haas, was carried unanimously.

Chairman Lucas called on Mr. John DeMarcus, Vice President for Administrative Affairs, for reports on Business Matters.

Mr. DeMarcus reported that the projected completion date of July 24 for the academic-administration building may be somewhat off and that he expects completion in August. The architects say the building is on schedule as is Regents Hall, which is to be completed in late September or early October. It was stated that the elevator strike is over and that the contractor has assured us that once settled, the elevators can be installed in a few weeks.

One of the biggest problems facing the college is parking. The parking lots, presently constructed, have 590 spaces and over 1,000 will be needed in the fall. The administration is looking into the possibility of using shuttle buses from the old campus to the new, and/or additional temporary lots. There is also to be considered the congestion on roads leading to the campus - Johns Hill Road is virtually impassable because of heavy construction equipment, both from the college and the interstate - the intersection of U. S. 27 and Johns Hill Road is a serious problem. The highway department is aware of the problems and Mr. DeMarcus hopes that other state officials and also the Regents are aware of it also, and will give consideration to working with the college administration on the problem.

Elmer Haas proposed the following Resolution and moved its acceptance:

> BE IT RESOLVED, to appoint a Committee for the investigation of off-campus, but college oriented, activities, for the purpose of emphasizing the best interests of the college in the adjoining community; and especially relating to efforts toward seeking completion of the interstate expressway system supplying access to the college area.

The acceptance of the resolution was seconded by Dr. Wipperman and was carried unanimously. Mr. Elmer Haas was appointed a Committee of one by the Chairman to work with the college.

With regard to moving, Mr. DeMarcus reported the following plans: The faculty and administration will be responsible for moving their own personal property, and the faculty members may begin to move around August 1. A commercial mover has been contracted to move the library, the admissions office, the business office and heavy equipment (such as typewriters, calculators, duplicating machines, etc.) as well as moving Chase Law School to the Covington Campus. The state has acquired for the college several temporary houses and lots on Johns Hill Road which will be used for faculty office space, bookstore, and student services. The Keene property will become the Fine Arts Department center and three temporary buildings will be moved from the Covington Campus for Fine Arts classes. Arrangements to move the temporary buildings have been made with the company that installed them. Mr. Kohler asked about long range plans for the houses acquired and Mr. DeMarcus said that none had been made. Over 200 acres have been acquired so far for campus facilities.

Interim financing on the third classroom building has been taken care of with all papers, documents, and work orders signed last Friday, July 7. Beginning construction date is July 17. Mr. Kohler had not seen the drawings for this building and he will be supplied with same. Mr. DeMarcus pointed out that it will not be necessary for the Regents to have a resolution on the bid for the third building since, evidently, some of the red tape has been cut out from the time of our first construction. Messer and Sons received the contract for the third building at 5-1/3 million, almost 1 million less than estimated.

Mr. Garnett asked about the possibility of making changes on the third building and it was pointed out that some changes could be made if it didn't cause delay in the construction schedule. Mr. Garnett referred particularly to putting the windows at a lower level in order for students to see the beautiful rural view. He stated that the students do not like the high windows in the first building and also the fact that the windows are not operable. Mr. DeMarcus invited Mr. Garnett to discuss this with him.

Mr. Haas noted that the Board has sought the opinions of the students and he moved that the Board of Regents take under advisement this recommendation and assure the students that the administration plans to discuss this with an eye toward solutions and to determine if it is economically feasible as well as in keeping with the time element. The motion, seconded by Mr. Garnett, was passed unanimously. It was pointed out by Dr. Steely that the faculty was involved in the planning of the third building, but the administration had been delinquent in not seeking the students' input.

Mr. DeMarcus had sent the Regents detailed reports on June 23 and July 3 relative to the Library construction. The design period will be seven months, to be completed by March 15. This will allow for a projected construction completion date of July, 1974. A professional library consultant will work through the programming phase. Dr. Tesseneer reported that

Dr. Joseph Price, Associate Dean, and Mr. Bob Holloway, Librarian, (along with representatives of the architects) are visiting libraries on various campuses. They have been to Purdue and Indiana University and will go to several other campuses. Dr. Claypool suggested visiting the library at Centre College, as it is a very fine library.

Mr. DeMarcus stated that we needed a safety deposit box for important documents, etc. He recommended the following resolution:

> BE IT RESOLVED, that Covington Trust & Banking Co. be, and it is hereby, designated a depository of this Corporation.
>
> BE IT FURTHER RESOLVED, that entry to the Safety Deposit Box be signed by any TWO of the following: Dr. Frank Steely, Mr. John DeMarcus, Dr. Ralph Tesseneer, Mr. William F. Smith.
>
> SIGNATURES shall be duly certified to said Bank, and that no entry by other person or persons shall be valid unless so signed.
>
> SECRETARY OR ASSISTANT SECRETARY, accompanying a copy of this resolution when delivered to said Bank or in any similar subsequent certificate, until written notice to the contrary is duly served on said Bank.

The acceptance of the resolution was moved by Mr. Haas, was seconded by Mr. Kohler, and was passed unanimously.

Mr. Shonert stated that he felt the Regents needed to be assured of adequate coverage under the blanket bond which the college now has in effect. Mr. DeMarcus said it was a standard fidelity bond which covers all college employees. Mr. Brooking had looked it over and was satisified that we were adequately covered. Mr. DeMarcus said that he would furnish the Regents with the detailed coverage.

Inasmuch as the college will need a depository for funds in Campbell County when it moves to that area, Mr. Haas presented the following resolution and moved its acceptance:

> RESOLVED, that Northern Kentucky State College shall establish an additional depository for funds at the American National Bank, Newport, Kentucky, and said American National Bank shall pledge to Northern Kentucky State College the required collateral in U. S. Government securities to maintain said account as required by law.

The acceptance of the resolution was seconded by Mr. Garnett and was carried unanimously.

Clearance forms and information had been previously mailed to the Regents on the following new appointments to the administrative staff:

Mr. Samuel Blesi as Superintendent of Building and Grounds
Mr. Joseph Stone as Automotive Mechanic

Mr. Shonert moved that the two men be employed by the college. The motion, seconded by Dr. Wipperman, was passed unanimously.

Mr. DeMarcus reported that the internal budget had been distributed at the June 12 meeting. He recommended its approval if there were no comments. Mr. Kohler moved approval of the internal budget. The motion, seconded by Mr. Garnett, was passed unanimously.

Chairman Lucas called on Dr. Ralph Tesseneer, Vice President for Academic Affairs, for a report on Faculty and other academic matters.

Dr. Tesseneer reported that nearly all faculty had been hired with the exception of maybe one or two more. Mr. Kohler moved the appointment of Mr. Michael Turney, Ms. Ruth Klippstein and Mr. Noel Sullivan. The motion, seconded by Mr. Shonert, was passed unanimously.

Dr. Tesseneer further reported that by the fall of 1972, we will have 120 full-time faculty with 75 to 80% of them having the doctoral degree. About 60% are from the North and East and 40% from the South and West. He displayed a map showing that we have educators from 38 states, and he commented that he hoped to have educators from all 50 states by 1973. A list of the faculty and their degrees was distributed and Dr. Tesseneer pointed out that he had received notices of several more receiving their doctorates since the list was prepared.

Mr. Shonert complimented the administration on the selection of such high caliber faculty and suggested that the Press present take not of this. He also noted that the Regents were highly honored to have a staff member of the Kentucky Post present.

Chairman Lucas called for a report on Student Activities from Dr. James Claypool, Dean of Student Affairs.

Dr. Claypool reported that, on the instigation of the counselors, a second series of pre-registration days was being conducted for incoming freshmen, thereby hoping to cut down the traffic at registration time. During both of the pre-registration periods, a total of 2,000 students have pre-registered for the fall. Dr. Claypool projects a minimum of 4,000 (a maximum of 4,300) students for the fall, not including Chase students. With Chase students our registration should be about 4,500 to 4,800.

Two of the houses acquired on Johns Hill Road will be used for student purposes - one as a service center for students and the other to house Financial Aid, Placement, Counseling, and Student Activities. (Faculty office space will occupy most of the houses). There has been some conversation to install a grill in one of the houses but this has not been worked out as yet.

A private entrepreneur has expressed interest in developing some student housing. This company has housing at U. C., Ohio State, and project some housing for the Clermont branch of U. C. Because property around the campus is so costly, they have not been able to secure a land contract. Once they secure the land, they can furnish housing within 8 months. There has been an inquiry about this company leasing land from the college, but this will not be done if it can be worked out another way. While we are primarily a commuter college, it will not be too long before we need to have housing for students who are from other areas.

Dr. Claypool further reported that the college's admission office will do Chase registration and a smooth transition is taking place in this area. He noted that the students voted (2-1) in favor of assessing themselves a $10 activity fee in order to offer students some additional activities which were not available in the past because of shortage of funds. Orientation day will be late in August on the new campus. It will be done in one section as this is the first time we have the space to get a group this size together at one time.

Northern is offering five times as many scholarships as did the community college with nearly 175 students on academic scholarships this fall. Dr. Claypool explained that last fall Northern offered academic scholarships to valedictorians and salutatorians of high school graduating classes in the area with 34 young people accepting some 42 offered. Nearly all 34 have maintained the B average that is necessary to have the scholarship renewed. For this fall 39 young people have accepted academic scholarships which were offered to them when they graduated in the spring.

The athletic department is looking forward to playing their home baseketball games in Regents Hall and baseball games on their own home diamond on campus. This should help add to the enthusiasm and attendance at the games.

Dr. Claypool again mentioned the seriousness of the parking problem. Further discussion on this subject brought forth a suggestion that the Kentucky Post editorialize on the problems we will be facing as we move and asking the community to unite with help and understanding of our problems.

Chairman Lucas called for the Annual Report from the President. Dr. Steely called attention to the Report which was mailed each Regent a week ago. He pointed out that on page 5, the figures on the percentage of increase of high school students going on to college in five Northern Kentucky counties show the impact of Northern Kentucky State College in our area. The report was received with favorable comment by the Regents.

Dr. Steely thanked the Falmouth Outlook and Mr. Shonert for the excellent coverage of the "Northern Kentucky Welcomes Chase" celebration on July 1.

Dr. Steely recommended that the Board of Regents consider joining the American Association of State Colleges and Universities. This is "the" organization which represents state colleges over the nation. President Robert Martin of Eastern Kentucky University is this year's president. Dr. Wipperman moved that Northern Kentucky State College join the American Association of State Colleges and Universities. The motion, seconded by Mr. Haas, was carried unanimously.

A Donee Resolution, authorizing certain staff from Northern Kentucky State College to participate in transactions with the Division of Surplus Property of the State Department of Education, was presented and Dr. Steely recommended its acceptance:

> WHEREAS, the above named Institution has submitted an Application for Eligibility; evidence of tax exemption under 501 (c) (3) of the Internal Revenue Code; evidence of a tax supported or non-profit status; and other required documents; and has been approved as an eligible school system, school, college, university, medical institution, hospital, clinic or health center, public library, educational radio or television station, or a civil defense organization, by the Kentucky Division of Surplus Property, and
>
> WHEREAS, all property requested under authority of this Resolution is usable and necessary within the State of Kentucky, and will be used for the purpose for which it is acquired and for no other purpose, and will be used in accordance with terms, conditions and instructions imposed by the Federal Government and the Kentucky Division of Surplus Property, and

(Resolution - continued next page)

Donee Resolution - continued

WHEREAS, funds are available to pay the transfer or service charges established and imposed by the Kentucky Division of Surplus Property, and that the Governing Board assumes the responsibility and liability of the payment thereof, and

WHEREAS, it is understood that all property acquired regardless of acquisition cost shall be on an "as is, where is" basis, without warranty of any kind.

NOW THEREFORE, IT IS HEREBY RESOLVED

(1) That Frank Steely, President; Ralph Tesseneer, Vice President for Academic Affairs; John P. DeMarcus, Vice President for Administrative Affairs; William F. Smith, Business Manager; John Kilkenny, Director of Purchases; are authorized as a representative of this Institution and Governing Board, to sign any documents required by the Kentucky Division of Surplus Property for the selection and receipt of donable surplus property, and is authorized to re-delegate this authority in writing to the Kentucky Division of Surplus Property, to any employee of the institution for the purpose of a single transaction, and

(2) That this Resolution shall remain in full force and effect until revoked by written notice of the Governing Board to the Kentucky Division of Surplus Property, and,

(3) That this Resolution, complete and unchanged, has been adopted by the Governing Board at a regular meeting, thereof, held at its regular place of meeting, and at the time stated, and has been approved and placed in the minutes of said meeting.

Mr. Shonert moved the adoption of the resolution. It was seconded by Mr. Kohler and was passed unanimously.

Mr. Haas presented the following resolution and moved its adoption:

BE IT RESOLVED, to establish as Regents Emeriti, the past members of the Board of Regents of Northern Kentucky State College, thereby utilizing their experience and leadership in the continued advancement and improvement of this institution of higher learning.

The adoption of the resolution was seconded by Mr. Kohler and was passed unanimously.

Mr. John Brooking, counsel for the Regents, stated that on June 19, 1972, the actual closing of the Salmon P. Chase College of Law and Northern Kentucky State College was concluded by a closing memorandum which included bill of sale for all assets of the Chase College to Northern Kentucky State College and including an audit report by Rankin and Rankin of those assets and liabilities that Chase had as of June 19, 1972. This memorandum will be made a part of these minutes tonight as an official action of this college.

Chairman Lucas stated the next regularly scheduled Board meeting was Monday, October 9, 1972, however with the new construction, moving, etc. it may be necessary to schedule a special meeting before that time.

There being no further business to come before the meeting, a motion was made, seconded and unanimously carried that the meeting adjourn.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF REGENTS
OF NORTHERN KENTUCKY STATE COLLEGE
Wednesday, September 13, 1972 - 8 p. m.
Board Room - Nunn Building - Highland Heights Campus

A special meeting of the Board of Regents of Northern Kentucky State College was held on September 13, 1972, in the Board Room of Nunn Hall on the Highland Heights campus. Chairman Kenneth Lucas called the meeting to order at 8:15 p. m. The invocation was given by Dr. James Ramage. Mr. Lucas greeted all present and introduced all board members and guests.

Mr. Gordon Martin and Mrs. Lee Mills, newly appointed board members, were sworn in by Philip Taliaferro III and their signed "Oaths" are attached to these minutes.

Mrs. Dolores Thelen was elected Permanent Secretary Pro-tem on motion by Mr. Kohler. Mr. Garnett seconded the motion and it was passed unanimously.

The following voting members of the Board were present: Mr. David Garnett, Mr. Joseph Kohler, Mr. Charles Landrum, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Dr. James Niewahner, Mr. Warren Shonert, Dr. Edgar Wipperman. (Mr. Elmer Haas was excused early because of illness.) Present from the Advisory Board were: Mr. Harris Combs, Mr. Charles Palmer and Mr. Edwin VonderAhe. Also present were: President Frank Steely, Mr. John Brooking - counsel for the Regents, Mr. Philip Taliaferro III - counsel for the Students, Mr. Charles Wiley - Regent Emeritus, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Dr. James Ramage, Dean Jack Grosse, Mr. Martin Huelsmann, Mr. Kent Curtis, Mr. William Mills, Miss Carol Stewart - Kentucky Post, Miss Kay Brookshire - Kentucky Enquirer, Mr. Drew Vogel - The Northerner and WCLU, Mr. Adedoyin Sonaike - The Northerner.

Dr. James Ramage presented a rendering of the Science Building to the newest Regents who had not received them.

The minutes of the July 10, 1972, regular meeting were approved as printed and mailed to members prior to the meeting. The motion for approval by Mr. Kohler, seconded by Mr. Shonert, was passed unanimously.

A resolution with reference to the payment for legal services in connection with the issuance of Northern Kentucky State College Consolidated Educational Buildings Revenue Bonds, Series A dated May 1, 1972, (copy attached) was presented. The motion to accept the resolution was made by Mr. Landrum and was seconded by Dr. Wipperman. Dr. Steely pointed out that this represents an additional payment of $3,475 for extra work because of the fact that this was our initial issue of bonds. Dr. Steely indicated that the Finance Department has recommended that this be approved. The motion was passed unanimously.

Dr. Claypool, Dean of Student Affairs, reported that we had a very successful registration this fall. The figures are not complete as there are two special classes still to be enrolled. Dr. Claypool estimated that with the two classes mentioned our total enrollment should be approximately 4,200 students (this includes Chase students). Compared to 3,065 last year, this represents a 40% increase. Using the Full Time Equivalent figures, it represents a 35% increase. 1,900 Freshmen enrolled as compared to over 1,700 last year. He pointed out also how important Northern is to this area by example that of one high school with 130 graduates,

112 enrolled at Northern. The enrollment at Chase was 507 students. Dean Grosse reported that 1,200 applications were received on March 1, 1972, which was their cut-off date, and that 280 were accepted with 200 students finally enrolling. Dr. Steely commented that he understands there are three state universities with smaller Freshmen classes than Northern. Also he pointed out that before Northern came into being, only 30 some odd percent of high school graduates of Boone, Campbell and Kenton Counties went on to college, and now the figure stands at over 50 percent. Somewhat the same increases show in Grant, Pendleton and other southern counties.

In the absence of Mr. Haas, Mr. Brooking presented the report of the Committee for College-Community Coordination on Projected Traffic Outline. Printed copies from the committee were distributed to all present. Mr. Brooking said the committee has run into an enormous amount of unusual situations and it would be to our advantage to anticipate some of these problems and try to work out solutions before they become weights around our collective necks, specifically:

1. Coordination of community, state and federal government offices as related to college activities
2. Coordination of publications
3. Fund raising foundations
4. Alumni associations
5. General public relations to assure community/college understanding -- work out problems before they develop rather than after.

Mr. Haas also indicated by letter and through Mr. Brooking that this whole area was too big for someone to handle on a part-time, volunteer basis and recommended that the Board consider employing an individual or a firm to act in the capacity of coordinating these college/community affairs. Mr. Shonert asked if the administration has considered this. Dr. Steely said that the administration would appreciate very much to have the opportunity to study the report more thoroughly and to make a recommendation at a later date. Mr. Landrum asked if everything that could be done had been done in coordinating in depth with the Highway Department. Dr. Steely and Mr. DeMarcus both indicated that significant contacts had been made with the Highway Department as had Dr. Ginger before he left the Board. The administration had met with representatives of the Highway Department and Mr. Haas contacted a great number of the political entities in the area. The Highway Department did install a traffic light on Alexandria Pike and Nunn Drive, they did take care of the signing, and are certainly aware of the critical situation. They are reluctant to do much with Johns Hill Road, except for rebuilding two of the curves, because once I-275 is completed, there will be a considerable slow down of traffic on Johns Hill. Johns Hill Road is a secondary state route, therefore not a priority item.

After much discussion and with the feeling this whole area needed to be pursued further, Mr. Shonert moved and Mr. Garnett seconded as follows:

> Resolved that the Board of Regents invite Judge A. J. Jolly and the Campbell Fiscal Court to a meeting to see if there is anything that can be done to give us some immediate relief on the traffic situation as well as discuss the snow removal situation for this winter. The meeting is to be held at the convenience of the Fiscal Court members.

The motion was passed unanimously.

Dr. Tesseneer brought copies of the new catalogs for those who wished them. He presented the following names of new faculty:

Dr. Lynn Ebersole from the University of Iowa as Assistant Professor of Biology
Miss Rhea Jacobs from Yale as Assistant Professor of French.
(Miss Jacobs is working toward completing her Ph. D. requirements)

Mr. Kohler moved, seconded by Mr. Shonert, that the appointments be approved. The motion was passed unanimously.

Dr. Tesseneer reported we have 123 full-time faculty, exclusive of the part-time people in the administration who are teaching. There are 61 faculty teaching part-time. This figures out to an equivalent of 133. 75 full-time faculty.

Mr. Garnett asked if any effort had been made to recruit black faculty. Dr. Tesseneer reported that several concerted efforts had been made, and because of supply and demand, we are out-bid salary wise inasmuch as salaries are at least 25% more than anyone else with the same credentials.

Mr. DeMarcus reported on several business matters as follows:

At least one elevator should be operating next week, the second one the following week, with all three being ready by October 16.

He pointed out that while some things are not completed, we are in the building, we are having classes, and this is more than we really expected in the spring.

Regents Hall was inspected last week for acceptance. The only thing missing there are the bleachers, and it looks as if they will not be received until January 1.

The Science Building is proceeding on schedule, in fact concrete pouring is several days ahead of schedule.

The Library design is progressing and several meetings have been held on this.

The Master Plan will be ready for publication very soon. It will be presented to the Regents before any public showing. It is hoped that an Open House for Nunn Hall and Regents Hall can be held in conjunction with the Master Plan viewing.

Mechanical crews are being upgraded. The security program is getting under way. The security men are being sent to school to be trained and uniforms for them are being secured.

The move was smooth under the circumstances. Furniture has been the biggest problem, and there is quite a number of furniture items to be received. The law school move seemed to go smoothly. There is considerable revamping and remodeling going on at the Covington campus and should be completed presently.

The three temporary buildings moved to Johns Hill Road are being used. They were furnished with surplus furniture as were the houses being used by the various departments. We now have possession of 8 of the houses on Johns Hill, one more to be settled shortly. Extensive remodeling was done on the Keene complex for the Fine Arts department.

Construction of the temporary parking lot is nearly completed - lights still need to be installed. Total cost will exceed $80,000 and should park 500 plus cars.

The temporary building is at Boone Center and will be completely operable soon. Boone County is providing us space at cost, which is sanitation service and insurance.

Dr. Niewahner asked if construction of a Student Center could be considered the next building after the Library and proposed a motion to this effect. Dr. Steely said he felt that our bonding potential was much more sorely needed for academic facilities. It was pointed out that several student areas are being provided in the science building and library building.

Mr. Brooking asked the Board to ratify several actions that have been taken:

Mr. Shonert moved, Mr. Garnett seconded as follows:
Resolved that construction of the temporary parking lot be ratified as an official act of the Board of Regents.
The motion passed unanimously.

Mr. Landrum moved, Dr. Niewahner seconded, as follows:
Resolved that the Board of Regents ratify lease agreement with Boone County Fiscal Court and Boone County Building Commission for leasing of land upon which the college will place a building which will not become part of the land, the lease cost to be limited to the cost of improvement of the land and cost of insurance, and subject to the approval of the Commissioner of Finance of the Commonwealth of Kentucky.
The motion passed unanimously.

Mr. Kohler moved, Dr. Wipperman seconded, as follows:
Resolved that the Board of Regents ratify that applications for Interest Subsidy, Title III Funds, and any other Health, Education and Welfare funds are authorized to be made by the administration, both past and in the future.
The motion passed unanimously.

Mr. Martin inquired if contact has been made with private foundations for funds. Dr. Steely said that several private foundations have been contacted, but so far nothing has come of it.

Mr. Shonert moved, Mr. Garnett seconded, as follows:
Resolved that the administration be authorized to negotiate and execute a lease for short-order food service on the best terms obtainable subject to the approval of the Department of Finance and that, further, the short-order food lease shall not preclude the administration from negotiating and entering into a full service food lease on the campus with a commercial developer, all of which shall be subject to the approval of the Department of Finance of the Commonwealth of Kentucky.
Mr. Shonert asked if all areas of food service had been explored as he was interested in seeing that our students receive the best food they can. Mr. DeMarcus explained that several areas had been explored and due to space, found that the best situation at this time was to have the vending area in Nunn Hall and a short-order service in the Student Center, when this house is available the end of September. As we continue building and growing, all food areas will be explored. The motion was passed unanimously.

Several of the Regents asked that word be conveyed to the Northerner staff that the quality of writing and the over-all looks of the Northerner was very greatly improved and they were pleased to receive copies of it.

Dr. Niewahner moved, Mr. Martin seconded, as follows:
Resolved that the Board of Regents authorize the administration to send congratulatory messages to Morehead State University and Murray State University on their Golden Anniversaries this fall.
Dr. Steely presented a plaque which Northern received from Thomas More on our first ground breaking and it was agreed that some such plaque could be prepared for the above colleges as well as for use in the future. The motion was passed unanimously.

The Chairman read a letter from Mr. Robert Berkshire offering his resignation from the Advisory Board due to retirement and a move to Florida during the winter months. Dr. Steely said that Mr. Berkshire had served the Northern Community College as well as NKSC well. Mr. Kohler moved that the administration be authorized to express the appreciation of the Board of Regents to Mr. Berkshire. The motion, seconded by Dr. Wipperman, was passed unanimously.

Mr. Lucas presented a plaque received from the Northern Kentucky Chamber of Commerce on the occasion of the ground breaking of the Science Building. Dr. Steely said it would be placed on the wall in the Board Room.

Mr. Shonert moved, Dr. Niewahner seconded, as follows:

> Resolved that Professor Lew Wallace be commended on his article entitled "Inferno in Farmington No. 9" which appeared in the Cincinnati Magazine and in condensed version in the September issue of the Reader's Digest.

The motion was passed unanimously. It was pointed out that Dr. Wallace has given a portion of the money received from Reader's Digest to Farmington to be used as scholarships for sons and/or daughters of the deceased of this disaster.

The chairman commented that he felt an American flag and a flag of the Commonwealth of Kentucky should be a permanent fixture of the Board Room and perhaps use the Pledge of Allegiance following the Invocation. Mr. Taliaferro will secure a flag which has flown over the Capitol as well as a flag of the Commonwealth.

The chairman suggested, that inasmuch as we will be calling a special meeting to meet with the members of the Campbell Fiscal Court, would it be acceptable to have that meeting take the place of the regular meeting scheduled for October 9. This was agreed upon.

There being no further business, the meeting was adjourned at 10:15 p. m.

MINUTES OF THE BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Wednesday, October 11, 1972

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:05 p. m., Wednesday, October 11, 1972, in the Board Room, Nunn Hall, Main Campus, by Chairman Kenneth Lucas. The invocation was given by Dr. James Ramage. Chairman Lucas welcomed all present.

The following voting members were present: Mr. David Garnett, Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Dr. James Niewahner, Mr. Warren Shonert and Dr. Edgar Wipperman. (Mr. Landrum was excused because of a previous commitment.) Present from the Advisory Board were: Mr. Donald Colvin and Mr. Charles Palmer. Others present were: Dr. Frank Steely, Mr. John DeMarcus, Dr. James Claypool, Dr. James Ramage, Dean Jack Grosse, Mr. Martin Huelsmann, Mr. Charles Wiley - Regent Emeritus, and Mr. Drew Vogel of The Northerner.

The minutes of the September 13, 1972, special meeting were approved as printed and mailed to members prior to the meeting on motion by Elmer Haas. The motion, seconded by Mr. Kohler, was carried unanimously.

President Frank Steely recommended the appointment of Mrs. Sherrianne Standley as Director of Public Relations. Her resume had been distributed to all Regents and all Regents had had an opportunity to meet Mrs. Standley. Dr. Steely moved that Mrs. Standley be appointed as Director of Public Relations of Northern Kentucky State College at the rate of $10,000 per fiscal year - the rate was agreed upon at the June 12, 1972, meeting. The motion, seconded by Mr. Haas, was carried unanimously.

Dr. James Claypool reporting on Student Affairs, stated that statistics would be available at the next meeting with the complete registration report.

Mr. Kohler said that he had received a complaint that students did not have access to the Bookstore in the evening and that no one was in the Student Activities office in the evening. Dr. Claypool will look into the matter of the Bookstore and see if it could be open some evening hours. As for the Student Activities office, Dr. Claypool said it was a matter of not enough money in the budget to keep the office open any longer hours. Mr. Shonert commented that we should cater to the evening students as we do the day students.

Dr. Steely reported for Dr. Ralph Tesseneer on Academic Affairs stating that there were no appointments to be brought up in this area.

The report on Business Affairs was presented by Mr. John DeMarcus with comments. (The comprehensive report is attached to these minutes.) He pointed out that Open House will be held on Sunday, October 29, and urged all Regents to invite people to attend. The activity is under the direction of seven business students in Dr. George Manning's management class and this group will work with the Public Relations office. Over 1,000 invitation will be sent out within the next week and publicity will stress that this is open to the public, according to Dr. James Ramage. There will be no formal tours but students will be stationed throughout the buildings to explain the areas to those going through the buildings.

It was brought to the attention of the Board that funds for the landscaping is being taken from the bonding funds for this building.

Of the eight houses purchased this summer, we have access to seven. The Studer house, which will serve as Faculty Center, has not been vacated but will be within about 60 days.

Mr. DeMarcus also reported that Judge Jolly will not be available for a few weeks. Mr. Haas and Mr. DeMarcus will keep checking to see when a meeting can be arranged with the Fiscal Court of Campbell County.

A copy of the proposed letter to prospective applicants for food service in the Wallace House was presented. Mr. Haas moved that a copy be a part of these minutes. Dr. Niewahner seconded the motion, and it was carried unanimously. Mr. DeMarcus pointed out the problems with the Wallace house regarding construction, sanitation and electrical service when a food service is put in. Mr. DeMarcus estimated that it would cost nearly $8,000 to remodel the house adequately so it would pass safety and sanitation regulations. Mr. Gordon Martin, Mr. David Garnett and Dr. James Niewahner were appointed to a committee to work with Mr. DeMarcus on this situation.

Mr. Shonert moved, Dr. Wipperman seconded, that this committee be empowered to work out the situation, submit a satisfactory proposal to the President, and approve the final contract for the food service after it is approved by the President and reviewed by the State Department of Finance. The motion carried unanimously.

Mr. Haas moved, Mr. Martin seconded, that:

Be it resolved that the Board of Regents of Northern Kentucky State College request the Division of Properties of the Department of Finance, Commonwealth of Kentucky, to acquire the following additional plats for the purpose of rounding out the main campus of Northern Kentucky State College to the approximately 300 acres recommended by the Council on Public Higher Education and provided for in the Governor's Executive Budget.

Owner	Parcel No.
Andrea	48
Bushaber	93
Stewart	71
Schoulties	119
A & T Builders Inc.	29
Fassler	33 & 53
Levinthall	35
Appel	34
Kenter	33
Eten	31
Kottmeyer	32

Note: The above comprises approximately 80 acres.

Dr. Steely explained that some $360,000 is left from a $600,000 budget item for purchase of land after the eight houses were acquired this past summer. It is hoped that there will be some money left after the above property is acquired. Any money left can be used for capital construction. The motion carried unanimously.

A letter from Mr. John Brooking outlining legal opinions on chaperones, outside groups using campus facilities, and tuition remuneration scholarships for Student Government president and vice president was presented. (Copy attached to these minutes.) Action was deferred until Student Council makes recommendations to Dr. Steely on the scholarship issue.

Dr. Claypool was questioned as to the policy of issuing scholarships to upper level students holding a high academic standing. Dr. Claypool said that some 20 students do have these scholarships, but again there is a budgetary problem. We now offer some 157 scholarships as compared to 7 that Northern Community College offered. Northern subsidizes less than 7% of its students as compared to 75% for Kentucky State and as high as 60% at some other state colleges. Dr. Claypool added that the valedictorians and salutatorians who take advantage of a scholarship and keep their standing up are automatically given scholarships the succeeding years.

Dr. Niewahner moved that a letter of commendation be sent to Dr. Frank Stallings on an article, "The West: The Perpetual Mirage in Literature", appearing in the Mississippi Valley Collection bulletin. The motion, seconded by Mr. Haas, was carried unanimously.

Dr. Steely speaking in behalf of the Board thanked Mr. Colvin and Mr. Palmer of the Advisory Board for their attendance and their interest in the college.

The meeting was adjourned at 9:30 p. m. on motion by Elmer Haas, and was seconded by Mr. Garnett. The next regularly scheduled meeting is January 8, 1973.

SPECIAL MEETING OF THE BOARD OF REGENTS
OF NORTHERN KENTUCKY STATE COLLEGE
Tuesday, December 5, 1972

A special meeting of the Board of Regents of Northern Kentucky State College was held December 5, 1972, in the Board Room, Fifth Floor of Nunn Hall, Highland Heights Campus. The meeting was called to order at 8:10 p. m. by Chairman Kenneth Lucas. Invocation was given by Dr. James Ramage. The chairman greeted all present.

Members present were Elmer Haas, Kenneth Lucas, Gordon Martin, Lee Mills, Warren Shonert, Edgar Wipperman, David Garnett, James Niewahner, and Frank Steely. Others present were John Brooking, Charles Wiley, John DeMarcus, James Claypool, James Ramage, Joseph Price, Jack Grosse, Sherrianne Standley, Barry Standley, Roger Scales, Alan Tucker of the Northerner, Jack Hicks of the Enquirer, Jack Brown representing Phil Taliaferro, and students Paul Lefler and Jerry Helms. (Charles Landrum was out of town, Joseph Kohler had a previous commitment.)

The first item to be discussed was the security program on the campus. Dr. Steely explained that the legislature in its 1972 session authorized the governing boards to establish security forces which had the powers of arrest and other powers comparable to other police forces. Other institutions in the state have followed through on this. Dr. Steely asked the Board to seriously consider this area, not only from the standpoint of securing the property, but for the safety of the students themselves.

Roger Scales, head of security, described to the Board the incident which happened the previous week, and it necessitated calling outside police who took over 25 minutes to arrive. Mr. Scales explained his men are not armed and during registration, as in the past week, large sums of money are on campus making it a dangerous situation if the criminal element discovers the guards are not armed.

Mr. DeMarcus said that he had serious reservations about putting fire arms in hands of people who are not trained to use them. He feels the whole situation needs study and some strict guidelines set down.

When questioned on the qualifications of the security men, Mr. Scales pointed out that all of his men are over 21 years of age and experienced. One has been on a police force, one an auxiliary policeman, and most have gone through law enforcement classes. The men have been offered a 15% incentive to attend the courses in law enforcement at Eastern University. Mr. DeMarcus said he felt Mr. Scales was qualified for his position as this is why he was hired.

Dean Grosse indicated his opposition to armed guards. Mr. Haas suggested the possibility of having guard dogs in the building after it is closed at night. Mr. Shonert felt the guards need some limited police powers, perhaps empower them to be armed only the late night hours. Dr. Niewahner indicated that he did not wish to see the guards with firearms and that we should depend upon the county police and state police. Dr. Claypool said that he had done some checking and found that U. C. has a force with full police power, that Thomas More guards are unarmed except late at night when they go into danger areas. It was recognized that our situation was a little different as we are commuter college and do not have students living on campus.

Dr. Steely remarked that he felt experience was not the only criteria for guards, but that they should have a tone and posture that would not alienate every student.

Mr. Garnett indicated that he was very opposed to armed guards on campus and felt the Regents should explore all areas before giving guards the power to carry weapons, perhaps explore the possibility of other kinds of protective weapons. He indicated that the Student Government had passed a resolution at their December 4, 1972, meeting as follows: Resolved, that student government be opposed to the carrying of firearms by the present security guards without strictest controls, accounting for each firing of the weapon and each drawing of the weapon on campus. And that they not carry firearms except between 12 midnight and 6 a. m.

Jack Brown spoke against having armed guards, but he felt it was necessary to do some thorough study on the whole security program.

Mr. Haas moved the appointment of a committee of representatives from the Regents, Administration, and Students to recognize the responsibility of the Board under KRS 164. 950 and to make recommendation to the Board for an appropriate security system established thereunder. The motion was seconded by Mr. Garnett.

After discussion, an amendment to the above motion was made by Mr. Haas to the effect that a 30-day time limit be set for the committee to act, and that they have a written report for each Regent before their next meeting, which was set for Thursday, January 4, 1973. The amendment was seconded by Dr. Niewahner and was carried unanimously.

The motion, as amended, was passed unanimously.

Chairman Lucas appointed the following committee: Dr. Steely, Mr. Haas, and Mr. Garnett. Dr. Steely indicated he would include Mr. DeMarcus and Dr. Claypool in their deliberations. Mr. Martin moved that the committee be approved. The motion, seconded by Mr. Shonert, was passed unanimously.

Dr. Steely reported on the progress of the Commencement program. He and several administrators have been meeting with representatives of the Senior Class, and several decisions have been made which hopefully will not be announced until after next semester begins. Dr. Dexter Perkins, in many ways the dean of American diplomatic historians, has accepted the invitation to bring the commencement address. He is an excellent speaker and Dr. Steely feels that his address will be appreciated by the students as well as others attending. The date decided upon is Sunday, May 13, 1973, in Regents Hall. Dr. Steely invited suggestions from the Board. He further announced that there will be a dance the night preceding graduation, and a reception after the commencement program for the Seniors and their families. He expects 500 to 600 graduates. Also, there will probably be an honorary degree given to Dr. Germain Bazin, director of the Lourve in Paris, France. Dignitaries from the state and local area will be invited to attend graduation.

Passes for the basketball games were given to each Regent. Dr. Steely indicated that he thought these had been sent out earlier, but a slip was made. Mr. Martin questioned the cost of high school students attending the game. They are now being charged $2 and Mr. Martin feels this is too high as these are the people we are enticing to come to Northern, and this could be a good public relations pitch. Dr. Claypool said he would look into lowering the cost. Mr. Martin suggested the possibility of sending tickets to the high schools for distribution.

Dr. Steely reported that Governor Ford had received invitations from the college to speak here, to attend a Symphony program when our choir sings with the symphony orchestra, and will be invited to commencement. Attempts have been made to follow through to see when he can come, but no definite word has been received.

Beeause of the importanee of the Interstate System to our college, Mr. Brooking moved the following resolution:

> Resolved, that the Board of Regents of Northern Kentucky State College desires to be of public record that it is in favor of our senator and senator-elect and representatives in the Congress voting for immediate release of trust funds for continued highway construction under the Interstate Highway Construction Program, same to be authorized and appropriated for a period of no less than two years to continue our program in Kentucky and the nation.

The motion passed unanimously.

Dr. Steely reported that a letter was received from Frankfort saying that Phase A of the Library work was received and has been approved. They will forward necessary documents to us so that work can be continued. Hopefully, ground breaking for the Library will be held in mid-June. Dr. Steely expressed his personal thanks to the Board for naming the Library in his honor.

Dr. Steely congratulated Dr. Wipperman on his daughter being elected to Phi Beta Kappa.

Each regent who had not read Dr. Steely's editorial in the Courier Journal on November 28 was given a copy of it.

Mr. Garnett and Dr. Claypool reported on the Rock Concert held in Regents Hall in late November. Primarily, there was no tarp to cover the floor, therefore some slight damage was done, but Covington Catholic has offered to lend us their tarp to use until such time as we can purchase one. The reports which were circulating of more extensive damage were completely blown out of proportion, according to Dr. Claypool.

The meeting was adjourned at 9:50 p.m. on motion by Mr. Haas, seconded by Mr. Garnett. The next meeting is scheduled for Thursday, January 4, 1973.

R ULAR BOARD OF REGENTS ME! NG
NORTHERN KENTUCKY STATE COLLEGE
Thursday, January 4, 1973 - 8 p.m.

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:10 p.m. on Thursday, January 4, 1973, by Chairman Kenneth Lucas. The invocation was given by Dr. James Ramage.

The members present were: Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Charles Landrum, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Dr. James Niewahner, and Dr. Frank Steely. Advisory Board Member - Mr. Donald Colvin. Others present were: Mr. Charles Wiley - Regent Emeritus, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Dr. Joseph Price, Dr. James Ramage, Mrs. Sherrianne Standley, Mr. Jack Brown (representing Philip Taliaferro), Mr. William Mills, Carol Stewart - Kentucky Post, Kay Brookshire - Kentucky Enquirer, Gary Wagoner - Student Government, and Mrs. Dolores Thelen.

Chairman Lucas welcomed and introduced all persons present. He also thanked Dr. Ramage for his willingness to bring the invocation each meeting.

Mr. Haas moved that the minutes of the regular meeting of October 11, 1972, and of the special meeting of December 5, 1972, be approved as submitted without further reading. The motion was seconded by Dr. Wipperman and was carried unanimously.

Dr. Claypool, reporting on Student Affairs, noted that registration for the spring semester would not be held until next week, but that 2,100 students have pre-registered. He feels that there will be no significant changes in the numbers registering for spring as opposed to last fall.

Dr. Claypool advised the Board that this coming semester, we would like to have an intern with us to work on student personnel affairs. Louis Farber is a doctoral candidate from Indiana University with his major in the area in which he will be working. The stipend for this internship is $1,200.00. Dr. Steely said that we are indeed pleased to have someone like this coming in to help in the area of student affairs. Dr. Steely moved that the Board of Regents approve the internship for Louis Farber at the rate of $1,200.00 for the semester. The motion, seconded by Mr. Kohler, was carried unanimously.

In the area of Academic Affairs, Dr. Tesseneer recommended the appointment of Dr. John W. Thieret as professor of biology and chairman of the biology department beginning September 1, 1973. Dr. Thieret had accepted position of lecturer at two universities this summer before he became interested in Northern, therefore he cannot come until September 1. Mrs. Clara Richards will continue as chairman until that time. Credentials of Dr. Thieret were presented to each Regent. Dr. Wipperman moved, Mr. Martin seconded, the appointment of Dr. Thieret as professor of biology and chairman of the department of biology. The motion was carried unanimously.

The chairman called upon Mr. DeMarcus for the Administrative Affairs report, which follows:

Progress on the library has now reached Phase B. Final plans will be available for the Board's approval sometime in the next few weeks. Construction is scheduled to begin in mid-June.

Construction of the science building is basically on schedule. The parking lots are behind schedule because of weather conditions.

The landscaping is approximately two-thirds finished. Again, some of the hold-up is due to the weather.

Progress is being made on the grill in house #1. Reinforced steel beams are being put in the building. Plumbing and electrical work will be finished soon. Cost of this will be around $1,200. If the Department of Finance will allow us to put bids out for the grill, everything can be completed in two or three weeks. If they will not allow this, it can be held up for several weeks or months.

Nunn Hall is primarily alright - there have been a few problems, but nothing of great importance. The building, of course, is too small even before we moved into it.

The Boone County Center is nearly ready for operation. The parking lot is behind schedule because of the weather, but the Fiscal Court has been most cooperative on this venture.

Mr. DeMarcus was asked if the large entrance signs could be lighted at night. He said that it would be done as soon as possible.

The financial statement for the period of July 1, 1972, to December 31, 1972, was given to each Regent and was explained by Mr. DeMarcus. He feels that the college is in good financial shape and there should be no problems for the last six months.

The report from the Committee on Campus Security was presented. Elmer Haas moved, Mr. Martin seconded, that the report be approved as submitted.

The minority report was discussed in detail with Mr. Garnett. Mr. Garnett said he was opposed to anyone on campus having guns as he does not believe they are an integral part of a college community. He realizes the Board will grant full police powers to our security force, but he would like to see the strictest controls possible, particularly in the area of guns.

Mr. Lucas said that he felt it was important that the students understand that the intent of the Board of Regents is for the safety of the students, the faculty, and the staff, and also to safeguard physical properties. He feels it is vitally important that they realize that action taken tonight is a positive action and not a negative one to impair anyone's freedom in an academic community.

After much further discussion, the following amendments were made:

1. Mr. Kohler moved that the word "police" be inserted in item 1 (B) between "military" and "experience," and that the phrase "when personally in danger" be struck from item 1 (D), line 3. The motion, seconded by Mr. Haas, was carried unanimously.

2. Mr. Haas moved that the first sentence of item 1 (F) read "Firearms shall be carried only during appropriate hours." The motion, seconded by Mr. Landrum, was carried unanimously.

3. Dr. Steely moved that in line 2 of item 4, "Business Manager" be changed to "Vice President for Administrative Affairs". The motion, seconded by Mr. Haas, was carried with Mr. Shonert voting "nay". Mr. Shonert felt we were doing our Vice President for Administrative Affairs a grave injustice by adding this extra responsibility.

4. Mr. Garnett moved that in item 1 (F), second line, that the word "may" be changed to "shall". The motion, seconded by Mr. Martin, was carried unanimously.

The original motion, with amendments, was called for a vote and was carried with Mr. Garnett abstaining. The revised report on Campus Security is attached to these minutes.

Mr. Shonert recommended that the administration of the college give consideration to establishing an alumni office. (A written report is attached to these minutes.) He further felt that the group could probably be self-sustaining. Since we have become members of the University Press of Kentucky and some of our professors are having books published for the Kentucky Bicentennial, we could pass these publications along to an alumni group for a source of revenue as these types of books make excellent gifts. After discussion, in which the Board felt this was an important matter that needed attention, Mr. Shonert moved that the administration implement an alumni office under the auspices of the National Alumni Association. The motion, seconded by Mr. Landrum, was passed unanimously.

Mr. Shonert further recommended that the administration seriously consider the addition of a marching band to enhance the college as well as offering more activity to our Northern Kentucky students, many of whom participate in this activity in their high schools. Several of our Northern Kentucky high school bands have won awards and this could be an attraction for students attending our college. (A written recommendation is attached to these minutes.) Dr. Wipperman felt this could be an important addition as would a complete program in music education. Dr. Steely pointed out that many things would be added as our budget increases, but that we can only do what the budget allows us to do.

The athletic program was discussed. Dr. Claypool reported that we have a track team (which may participate this year in the NCAA small college tournament), a tennis team, a baseball team (which plays major colleges in the area), and a golf team. The next sport which will probably be added is a swim team as we have access to the YMCA. It was pointed out that it was too costly to go into football at this time, but again, as the budget increases, so can the athletic program.

Dr. Steely reported that Dr. Tessneer is chairing a Committee on Commencement, and further information would be forthcoming for this area of activity.

The meeting was adjourned at 10:15 p.m. on motion by Mr. Haas, and seconded by Mr. Kohler.

SPECIAL BOARD OF REGENTS MEETING
Wednesday, March 29, 1973

A special meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:35 p.m. on Wednesday, March 28, 1973 at the Reception Center following a delicious dinner.

The members present were: Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Mr. Thad Lindsey (who represented Dr. James Niewahner) and Dr. Frank Steely. Mr. Charles Landrum was out of town. (Mr. Lucas held proxy vote for Mr. Landrum and Mr. Kohler held proxy vote for Dr. Niewahner). Others present were: Mr. Charles Wiley, Mr. John Brooking, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Dr. James Ramage, Dr. Joe Price, Dean Jack Grosse, Mrs. Sherrianne Standley, Mr. William Smith, and Mrs. Dolores Thelen.

Mr. Haas moved that the minutes of the regular meeting of January 4, 1973, be approved as submitted without further reading. The motion was seconded by Mr. Garnett and was passed.

The budget, which had been sent to each Regent prior to the meeting, was discussed at length. Dr. Steely pointed out that the budget is the best projection that the administration could come up with as to anticipated income and anticipated expenses. At any time during the fiscal year that the Regents make some amendments to the budget, if necessary, it would be so modified. Mr. Smith presented Expenditure Projections for the current fiscal year and an Analysis of Budget Revenues for the next fiscal year with explanation. He said it would appear that at the end of this fiscal year, we will have a surplus going into next year of approximately $330,000; $300,000 of which has been incorporated into the budget. If projections are correct, it could be anticipated that we could have a surplus at the end of next year of around $400,000. The only thing that could vary is student fees. The increase in fees this fall is taken into consideration, and should enrollment projection be fairly accurate, the student fees figure is pretty sound. It could be that with the changes made by HEW gifts and grants will not be as high as anticipated.

Mr. Smith stated that every cent collected from tuition is deposited into a clearing account, and from this account disbursed monthly to the Bond Revenue Fund for Debt Service, with the balance sent on to Frankfort. The $10 activity fee from students is also deposited to the clearing account and disbursed monthly to the various student activity accounts which are held in a local bank. With a new program that has been set up on the NCR machine, it will be possible to have monthly or quarterly reports (whichever is preferred) of the financial status of the college for the Regents. Dr. Steely complimented Mr. Smith and his staff for the strides which have been made in this area and also pointed out that the Southern Association gave the Business Office a good rating.

Mr. Haas moved the adoption of the budget as submitted. The motion was seconded by Mr. Garnett.

After further discussion, Dr. Steely moved an amendment that item 01-09 (concerning legal services) be increased from $9,000 to $11,000. The motion, seconded by Mr. Haas, was passed.

Mr. Lindsey commented that because faculty was brought into the discussions during the preparation of the budget, the persons involved have much greater respect for this area after having spent hours working on it. Mr. Garnett commented that since students have had the opportunity to work on the budget, it has created a healthier attitude for all concerned. Mr. Wiley stated that the Regents of NKSC have a better chance of knowing what is going on than any other institution in the state. He concludes this from his experience of being on the Council on Public Higher Education.

The Regents, in Executive Session, made the following amendments to the Budget.

Salary increases approved for the following administrators: Dr. Tesseneer, Dean Grosse, Dr. Claypool, Dr. Price and Mr. Smith.

The President's salary to be raised to $35,000.00 (an increase of $3,000), and all other terms of his present contract are to be carried out. Motion to accept this amendment was made by Gordon Martin, was seconded by David Garnett, and was passed.

Mr. Shonert moved that all raises granted by the budget amendments, before set forth, are given contingent upon the entire payroll of the college not being increased any more than 5.5%, exclusive of promotions and merit increases to existing personnel. The motion was seconded by Mr. Haas, and was passed.

The vote on the budget, with the amendments, was passed unanimously.

Dr. Tesseneer recommended that the following new faculty appointments be approved:
Dr. Leslie J. Tomley as Assistant Professor of Astronomy
Mr. Ed Wheeler as Assistant Professor of Mathematics
Mr. Maurice B. Wolf as Associate Professor of Law
Miss Mary Ann Rehnke as Assistant Professor of English
Dr. Frank Butler as Associate Professor of Physics
Dr. Kenneth J. Beirne as Assistant Professor of Political Science
Dr. Yudhishter Datta as Associate Professor of Accounting
Mr. James F. Hopgood as Assistant Professor of Anthropology
Mr. Peter Moore as Assistant Professor of Mathematics
Mr. Stanley E. Harper, Jr. as Visiting Professor of Law
Motion to accept these recommendations was made by Gordon Martin, was seconded by Dr. Wipperman, and was passed.

Dr. Tesseneer announced the following promotions on the faculty:
To Professor - Ronald Singer and Frederick Schneider
To Associate Professor - Clara Richards, Gerald Smolen, Stephen Newman, James Niewahner, Raman Singh, Michael Hur, Dennis O'Keefe, Jane Dotson, Vincent Schulte, LeRoy Gruner, Lawrence Borne, Martin Huelsmann, and Edward Goggin
To Assistant Professor - Neal Jowaisas, Connie Thatcher, and Mary Carol Moses.
With Tenure - Margaret Cantrell, Nicholas Melnick, Robert Collier, Vinay Kumar, James Niewahner, Ronald Singer, Jane Dotson, Sherry Barnes, Connie Thatcher, Mary Carol Moses, Lawrence Borne, Martin Huelsmann, James Gaynor, Kent Curtis, Frederick Schneider, Martha Malloy, James Ramage, George Manning.
Mr. Kohler moved that the promotions and tenure be granted. The motion was seconded by Mrs. Mills and was passed. Mr. Haas moved that the motion be amended as follows: Promotions and tenure as recommended by Dr. Tesseneer with their salary increases be approved as submitted. The amendment was seconded by Mrs. Mills.

Voting aye on the motion and amendment were Mr. Haas, Mr. Lucas, Mr. Martin, Mrs. Mills, Mr. Shonert, Dr. Wipperman, Mr. Garnett. Voting nay: Mr. Kohler and Dr. Niewahner.

Dr. Tesseneer reported that Commencement plans for Sunday, May 13, are progressing. Caps and gowns have been ordered for all Regents. The regents should be in Dr. Steely's office by 2:15 to dress and be ready for the processional.

The following recommendations for Honorary Degrees to be conferred at Commencement were made by Dr. Steely:

Mr. Bernard Gilday, Jr. - Doctor of Laws (LLD)
Local lawyer who is a good friend of Chase

Dr. Geramine Bazin - Doctor of Letters (LittD)
Director of The Louvre in France and visited here last winter

Mr. Erich Kunzel - Doctor of Letters (LittD)
Resident Conductor of Cincinnati Symphony

Mr. Joseph Leary - Doctor of Laws (LLD)
Frankfort lawyer who was so helpful during the merger

Judge Fred Warren - Doctor of Laws (LLD)
Circuit Judge of Campbell County

Mr. Shonert moved that the Regents support Dr. Steely in his five recommendations. The motion, seconded by Mr. Haas, was passed. Resumes of the ones who accept will be sent to the Regents.

Mr. DeMarcus reported on Business Affairs. Good progress is being made on the Science Building with completion date in January, 1974. Projected date for completion is March, 1974. Final phase review is being made tomorrow on the Library, with ground breaking about Mid-June or early July. The student grill is about ready, and contracts will be let sometime in April.

Security - Mr. DeMarcus reported that the college is insisting that the security people receive as much instruction as possible in this area. Mr. DeMarcus recommended that the Board consider employing a Professional Police Consultant to review security procedures and bring recommendations to the Board. Mr. Garnett moved that the recommendation be approved at a cost not to exceed $1200. The motion, seconded by Dr. Wipperman, was passed.

Mr. DeMarcus has been interviewing men for a Chief Engineer's position, and suggested the Board consider employing such a person. After discussion, Mr. Garnett moved that a Chief Engineer be employed on recommendation of Mr. DeMarcus, salary not to exceed $15,000. The motion was seconded by Mr. Haas.

Voting aye: Mr. Haas, Mr. Kohler, Mr. Lucas, Mr. Martin, Mrs. Mills, Dr. Wipperman, Mr. Garnett.

Voting nay: Mr. Shonert.

Mr. DeMarcus recommended that the Board employ the auditing firm of Rankin and Rankin for approximately $6500 on an annual basis ($8000 in the budget for this). Mr. Martin moved that Rankin and Rankin be retained as auditors as recommended by Mr. DeMarcus. The motion was seconded by Mr. Kohler and was passed.

Mr. Brooking reported that he is working with counsel from University of Kentucky along with counsels of any other state universities who might be interested and will meet with the Attorney General to try to work out the differences of opinion in the law regarding Financial Disclosure. It is reported that the counsel for the Council on Public Higher Education is of the same opinion as Mr. Brooking. Mr. Brooking advised the Regents, who have not filed, to not do so until the matter is resolved. Those who have not filed are not violating the law.

Mr. Brooking, after working with Mr. Taliaferro on an opinion, reported that the Student Government President (Regent) can be remunerated by way of "scholarship" under the law, but he cannot work for the college for pay, cannot work for an honorarium, cannot work for any kind of fee. Mr. Brooking and Mr. Taliaferro will send a written opinion to the Regents.

The Faculty Constitution was presented and Dr. Steely recommended approval. The recommendation was approved on motion by Mr. Kohler. The motion, seconded by Mr. Haas, was carried.

Dr. Claypool recommended the approval of the Student Government Constitution. Mr. Garnett explained several sections in question and said he felt the Constitution was adequate at this point in time.

Mr. Haas moved that the Student Government Constitution be approved with one change in Article III, Section 4, Sub-section a (changes underlined):

> Both the Student Forum and the Representative Assembly may designate such committees as they deem necessary to perform their duties. The President of the Student Government shall appoint the membership of such committees and their chairmen. His appointments are subject to the consent of the body for which the committee is being appointed by a simple majority.

The motion was seconded by Dr. Wipperman and was carried.

It was agreed by the Regents to invite the Chase Advisory Board to meet with them on May 3 for dinner at the Reception Center.

Mr. Kohler moved, Mr. Haas seconded, a motion to send a congratulatory certificate to the University of Louisville on the occasion of its 175th Anniversary. The motion was carried.

Mr. Shonert inquired on the progress of the Alumni Office. Dr. Steely and Mrs. Standley reported that they are working on this area and there is provision in the next budget to hire an extra person for this office.

Mr. Garnett asked that the Board of Regents make some decision on Student Government Officers receiving remuneration. Mr. Martin moved, Mr. Haas seconded, a motion that the President, Vice President, Secretary, and Treasurer of Student Government be given a tuition scholarship on an annual basis. The motion was passed.

The liability of faculty and staff taking students on trips, seminars, etc. for the college was questioned by Mr. Lindsey.

Mr. Martin moved, Mr. Shonert seconded, the following resolution:

> Resolved, that Northern Kentucky State College, as a corporate body, should hold harmless and idemnify any Faculty, Administrator, or Regent in the performance of his duties wherein a student or another person is damaged by reason of alleged negligence of the said Faculty, Administrator, or Regent.

The motion was carried.

The meeting was adjourned on motion by Mr. Haas, and seconded by Mrs. Mills. The meeting adjourned at midnight.

May 3, 1973

The Board of Regents of Northern Kentucky State College, in a special dinner meeting, hosted the advisors to the Chase College of Law on May 3, 1973, in the Reception Center on the Highland Heights campus. The preliminary activities began at 6:30 p. m. and after dinner, the following business was transacted.

Chairman Kenneth Lucas called the meeting to order and called upon Dr. James Ramage to open with prayer. Since all Regents were present, the roll call was omitted and likewise the reading of the minutes from the preceding meeting.

Three brief items of business were initially transacted. First, the Oath was administered to Dr. Michael E. Endres, chairman of the Department of Sociology, who was just recently elected Faculty Regent to serve for three years. Dr. Ramage, as a Notary Public, administered the Oath. The President reported the appointment of Mr. E. John Deedrick as Chief Engineer and Miss Linda Darlene Martin as Alumni Director. Mr. Gordon Martin moved and Mr. Elmer Haas seconded the appointments. The motion was carried with no dissenting votes.

After a lengthy discussion on the plans for developing physical facilities for Chase on the new campus, Mr. Martin moved and Mr. Kohler seconded a motion that the law building be placed no later than No. 6 (after the Fine Arts building) in the Master Plan. The motion passed. Mr. Shonert moved that another dinner meeting be held at 6 p. m. on September 5, 1973, with the Chase advisors. Mike Endres seconded the motion which was passed unanimously.

On motion by Mr. Kohler and second by Dr. Wipperman, the meeting was adjourned.

MINUTES OF THE REGULAR BOARD OF REGENTS MEETING
Monday, July 9, 1973

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:15 p.m., July 8, 1973, by Chairman Kenneth Lucas. The meeting followed a dinner held in a private dining room at the El Greco Restaurant with an invocation by Dr. James Ramage.

Roll Call

The members present were: Mr. Charles Landrum, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Dr. Linda Dolive (who represented Dr. Endres), and Dr. Frank Steely. Mr. Elmer Haas and Mr. Joseph Kohler had previous commitments. Mr. Lucas announced he held proxy votes for Mr. Haas, Mr. Kohler and Dr. Endres. Others present were: Mr. John Brooking, Mr. Charles Wiley, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Dr. James Ramage, Mr. Martin Huelsmann, Mrs. Sherrianne Standley, Mr. William Smith, Mrs. Dolores Thelen, Mr. Charles Lee (of Rankin & Rankin Accountants), Mr. Gary Wagoner (representing the Senior Class of 1974), Miss Karen Ware (Northerner), Mr. Jack Hicks (Kentucky Enquirer), and Miss Carol Stewart (Kentucky Post).

Approval minutes 3/29/73

The minutes of the March 29, 1973, meeting were approved as printed on motion by Mr. Martin and second by Dr. Wipperman. The motion was carried. Attached is a letter from Mr. John Brooking making one small change in the minutes.

Annual President's Report

Dr. Steely presented the Annual President's Report to the Regents with a comment that they would find page 11 of the report quite interesting insofar as it contained the budgetary comparison for the past five years. Chairman Lucas thanked Dr. Steely and complimented him on the fine report.

New Faculty Appointments

Dr. Tesseneer presented the new appointments made since the last meeting. Since no salaries were given with the appointments, Mr. Landrum moved and Dr. Wipperman seconded that the appointments be approved by silence after list is submitted with the salaries. (Such a list is attached to these minutes) If within five days after the list is received and if there is no disapproval, the appointments are approved.

Proposed Graduate Program in Education

Dr. Tesseneer presented a proposed graduate program in education which a committee has been working on a short time. Phase I was during the retreat last September when the group present felt this program should be considered. The report, which each regent received, is Phase II, and the committee will continue working provided it is approved by the Board of Regents. Dr. Tesseneer he had talked with Mr. Gordon Hood, chairman of the Council on Public Higher Education, who referred him to Dr. Webb of the council staff, and Dr. Webb asked that the council be kept informed of the progress. Dr. Lyman Ginger, State Superintendent of Instruction, has appointed Dr. Sidney Simandle to represent his office on this committee. A specific proposal should be in the hands of the Council on Public Higher Education by September 1 in order for it to be considered by the council members at their fall meeting. If the Council approves, it will then have to go before the 1974 Legislature for approval. Dr. Tesseneer pointed out the overwhelming need for such a program as some 700 teachers, out of over 3,000 polled, indicated a great interest. Several of the board members commented they felt we would be rendering a great service to the Northern Kentucky area if we had such a program.

Mrs. Mills commented that many teachers had to go into the Greater Cincinnati area to receive credits toward graduate work and this is very costly to them. In order to take advantage of in-state fees, they have to travel great distances to U. K., Eastern, etc. which is quite a hardship on them.

Mr. Martin moved, Mrs. Mills seconded, that we proceed with plans for a proposed Graduate Program in Education and submit same to the Council on Public Higher Education. The motion was passed unanimously.

The Kentucky Educational Television Consortium proposal was presented by Dr. Steely. Copies of the proposal had been sent to each Regent. If such a program is instituted, KET would have to add a staff member to coordinate the program and each college would appoint a faculty member to supervise programs as they were televised for each college. In order to pay the additional costs incurred by KET, each state institution would be asked to contribute a fee based on their FTE enrollment - Northern's fee would be $1502.72. Private colleges in the state wishing to participate would be invited to do so and would contribute a small amount for this participation. All state institutions, except the University of Louisville, have endorsed this consortium.

KET Consortium Proposal

A motion was made by Dr. Wipperman and was seconded by Mr. Landrum that Northern participate in this Consortium. The motion was carried unanimously.

Dr. Claypool reported on Summer School enrollment. During intersession, 275 enrolled in 1972 as compared to 430 in 1973 for an increase of 56%. During regular summer school session, 768 enrolled in 1972 as compared to 922 in 1973 or an increase of 20%. Chase had 301 enrolled in 1972 as compared to 450 in 1973 or an increase of 49.5%. The totals for all areas is 1,344 in 1972 and 1,802 in 1973 for a significant over-all increase of 31.7%.

Summer School Enrollment

Dr. Claypool forsees no significant increase in fall enrollment, partly because we just graduated a large class and also the road situation. Some of the problems in reaching the campus will be alleviated, it is anticipated, when work is completed on Johns Hill Road and also when I-275 is open. Dr. Steely commented that the projection nation wide is for college enrollments to decrease in the next 10 years, but feels that Northern can hold its own because of the area it is in and because of the need in this area.

Fall Enrollment

Dr. Claypool reported special efforts are being made in the recruiting field - some 2,000 high school graduates have just been sent materials and we are reaching some special groups that we have never reached; there is a special orientation for veterans; continuing education classes for senior citizens; special emphasis is being put on reaching students in outlying areas as well as Southern Ohio students, outside the Cincinnati city limits; are planning to take classes to the industrial park area; a program is now in progress for TANK bus drivers. Mr. Shonert felt it would be quite worthwhile to have booths at the local fairs throughout Northern Kentucky, and Dr. Tesseneer said he would work on this idea and sincerely hoped that it could be done this summer. Special invitations were given by Mr. Shonert to attend the Pendleton County fair and by Mrs. Mills to attend the Grant and Owen County fairs.

Recruiting Efforts

Mrs. Standley reported that the college had two experts in the area of foundations visit the campus recognizing the need to form a foundation which would suit the needs of NKSC, particularly in the area of fund-raising. Mrs. Standley reported she would have some proposals in the future. Dr. Steely emphasized the fact that when public institutions go in for fund raising, they do not hurt private institutions and statistics show that when public institutions get people in the habit of giving, the overall impact in the country is to increase the amount of philanthropy for all institutions, public or private. He stressed the fact that there are many untapped sources of money from individuals and corporations as facts indicate that only a small percentage of allowable deductions for gifts to charitable institutions are used by a large portion of individuals and corporations.

Public Relations and Development

Mr. DeMarcus spoke on the proposed presentation of a new Fine Arts Building to go before the Council on Public Higher Education on Wednesday. A comprehensive written report was given each Regent and Mr. DeMarcus elaborated on the items in the report.

Business Affairs

Mr. DeMarcus reported that the security consultant, Dr. Dan Keller, Director of the University of Louisville security, was at work. He reported also that our security men are now undergoing a 40-hour training course. Mr. Keller will have a complete review of our security department for the Board of Regents later this summer. When Associate Dean Huelsmann again mentioned the serious question he and Dean Grosse have over arming our security men with guns, Mr. Shonert suggested that Mr. DeMarcus invite Mr. Keller to meet with Deans Grosse and Huelsmann. Mr. DeMarcus said he felt this could be arranged.

Security

Dr. Steely reported that he would be attending a meeting arranged by the Northern Kentucky Chamber of Commerce with Highway Commissioner Gray and other highway officials on July 18 at 12 noon at the Town and Country and welcomed any of the Board members who would like to attend.

Meeting with Highway Officials

Mr. Gary Wagoner, representing the Senior Class of 1974, said a committee of students had been working toward formulating a list of possible commencement speakers. Dr. James Ramage was advisor to the committee. The committee submitted the following names to the Regents: Mr. Hal Holbrook, Mr. Bill Cosby, and Dean Rusk. Mr. Wagoner explained the committee sought to rule out politicians. On motion by Mr. Martin, the committee may proceed to contact the three persons in the order in which they were presented. The motion, seconded by Mr. Garnett, was passed unanimously.

Possible 1974 Commencement Speaker

Mr. Huelsmann gave each person present a copy of Volume 1, Number 1, of the new Northern Kentucky State Law Forum. Publication will initially be made semi-annually, eventually developing into a quarterly.

New Law Forum

Mr. Huelsmann further reported that recently the College of Law has received approval to start a para-professional training program. This training program will start in September of 1973 and the first program of 33 weeks duration will be for certified legal assistant in probate law. Assuming that this program is a success for the Tri-state attorneys and legally related areas, the College of Law anticipates training para-professional students in many other areas so as to reduce the cost of legal fees and increase the efficiency of the supervising attorneys. The 33-week program will cost approximately $500 and is commended by the Cincinnati and No. Ky. Bar Associations.

Chase to begin Para-Professional Training

Dr. Steely reported that Dr. Tesseneer, Mr. DeMarcus and he will go to Western Kentucky University tomorrow (July 10) to attend a Budget Format meeting. A budget format was handed down to each institution with possible revisions at this meeting. He commented that this was a very important meeting for Northern. The Council on Public Higher Education regular meeting will then begin on Wednesday morning, July 11, at which time the permission to begin programming a new fine arts building will be presented.

Administrators to attend C. P. H. E. Meeting

Mrs. Standley reported that the Norseman Club will have a golf outing on July 26 at River Hills Country Club and invited the Regents to participate. Call her office for further details.

Golf Outing July 26

Dr. Tesseneer invited the Regents to attend the first Faculty Meeting of the fall on August 20 at 10 a. m. followed by luncheon. This will be the regents' opportunity to become reacquainted with the old faculty as well as meeting new faculty.

Faculty Meeting August 20

Mr. Kenneth Lucas was unanimously reappointed Chairman of the Board of Regents on motion by Mr. Landrum and second by Mr. Garnett.

Lucas reappointed Chairman

Mr. Lucas indicated that we soon will have to be selling our Series B bonds for the Science Building and the Steely Library, and it may be necessary to call a special meeting of the Regents for this purpose. Each regent will be notified as soon as a date can be set after permission is granted by the Finance Department for this sale of bonds.

Sale of Series B Bonds

The meeting was adjourned at 10:30 p. m. on motion by Mr. Garnett and second by Dr. Wipperman.

EXCERPTS FROM THE MINUTES OF A MEETING OF
THE BOARD OF REGENTS OF NORTHERN KENTUCKY
STATE COLLEGE HELD ON OCTOBER 1, 1973.

The Board of Regents of Northern Kentucky State College convened in a special session in the Board Room, at the Highland Heights Campus of the College, on October 1, 1973, at 7:00 P.M., E.D.T.

Upon call of the roll, it was ascertained that the following members of the Board were present:

Kenneth R. Lucas, Chairman
Elmer J. Haas, Jr., Secretary
Charles Landrum
Gordon Martin
Mrs. Lee Mills
Warren Shonert
Dr. Edgar Wipperman
David Garnett
Dr. Michael Endres
Joseph Kohler

The following members were absent: None.

There were also present Dr. Frank Steely, the President of the College, Joseph R. Rubin of Rubin & Trautwein, Louisville, Kentucky, Bond Counsel, Mr. John W. Fischer, III, of Peck, Shaffer & Williams, Cincinnati, Ohio, Bond Counsel, Mr. Ralph G. Nall of Dupree & Company, Inc., Lexington, Kentucky, Fiscal Agent, Mr. John DeMarcus, Mrs. Sherrianne Standley, Dr. James Ramage, Mr. John Brooking, Mr. Charles Wiley, Mrs. Dolores Thelen and Mr. Jack Hicks.

It having been determined that a quorum was present for the transaction of business and it appearing that the meeting was duly and properly held, the Chairman called the meeting to order. Elmer J. Haas, Jr., Secretary, duly recorded the minutes of the meeting.

* * *

Thereupon, the President of the College stated that pursuant to a request made by the College, the State Property and Buildings Commission of Kentucky had, on May 24, 1972, approved a Northern Kentucky State College Buildings Project consisting of a new Science Building and a new Library Building and appurtenances

and that it was deemed advisable that the Board now adopt a Resolution ratifying and confirming such request for approval made on behalf of the College.

After the matter had been fully discussed, Elmer J. Haas, Jr., made a motion that the Resolution be adopted, the title of which Resolution was as follows:

RESOLUTION CONFIRMING REQUEST FOR APPROVAL OF LIBRARY AND SCIENCE BUILDINGS PROJECT CONSISTING OF A NEW SCIENCE BUILDING AND A NEW LIBRARY BUILDING AND APPURTENANCES, BY THE STATE PROPERTY AND BUILDINGS COMMISSION OF KENTUCKY.

Said motion was seconded by Charles Landrum, and upon a vote being taken upon the adoption of same, the result was as follows:

Thereupon, it was announced that such motion had carried and that such Resolution had been duly adopted by the Board. Whereupon, such Resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

Thereupon, the President stated that the College has employed Dupree & Company, Inc., Lexington, Kentucky, and Johnston, Brown, Burnett & Knight, Inc., Louisville, Kentucky, as Fiscal Agents of the College in said proposed financing, and that certain documents have been prepared in advance of this meeting by Bond Counsel employed by said Fiscal Agents, for appropriate action by this Board at this meeting.

He stated that said documents include a Resolution authorizing $12,580,000 of Consolidated Educational Buildings Revenue Bonds, Series B, of the Board of Regents of the College, a Notice of Sale of Bonds, a Bid Form, and an Official Statement with reference to the public offering of said Series B Bonds.

President Steely then pointed out that copies of all of said documents and a copy of the Minutes of this meeting (with names and signatures not filled in) had been furnished in advance of this meeting to each of the members of the Board. Thereupon, record was made of the fact that each member present acknowledged receipt of copies of each of said items and that he had read and studied each of said items.

After said presentation and explanation by President Steely, the various instruments and documents so tendered to the Board were in succession identified and made the subject of full discussion.

Thereupon, Board Member Gordon Martin moved immediate adoption of the proposed "Series B Bond Resolution" attached hereto, which motion was seconded by Board Member David Garnett, said proposed Resolution being entitled as follows:

A RESOLUTION AUTHORIZING THE ISSUANCE OF $12,580,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES B, OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY STATE COLLEGE.

There was also attached to said Series B Bond Resolution a proposed form of "Notice of Sale of Bonds," a proposed separate "Official Bid Form" and an "Official Statement", referred to and approved in Section 2.11 of said Series B Bond Resolution.

Full discussion followed concerning said Resolution and said items attached thereto, and the Chairman thereupon put the question, and upon call of the roll, the vote was recorded as follows:

Thereupon, the Chairman declared that said motion had carried and that said Resolution had been duly adopted and was in full force and effect.

b

Thereupon, Board Member Joseph Kohler moved that the Chairman of the Board of Regents, its Secretary and/or the Fiscal Agents of the College in connection with said Consolidated Educational Buildings Revenue Bonds, be authorized and instructed to cause publication to be made in such periodicals and at such times as necessary to comply with the law and with the recommendations of the Fiscal Agents, of the aforesaid Notice of Sale of Bonds, calling for the receipt of bids for the purchase of said Series B Bonds, such bids to be received until October 11, 1973, at 11:00 A.M, E.D.T., or at such other time at which this Board of Regents will meet, as may be determined by the President of the College. The motion was seconded by Board Member Edgar Wipperman.

Full discussion followed on said motion, and the Chairman thereupon put the question, and upon the call of the roll, the vote was recorded as follows:

Thereupon, Board Member Charles Landrum moved that this meeting be adjourned to the 11th day of October, 1973, at 11:00 A.M., E.D.T., for the purpose of considering the adoption of a Resolution accepting the successful bid for the purchase of $12,580,000 of Kentucky State College Consolidated Educational Buildings Revenue Bonds, Series B. Said motion was seconded by Board Member Gordon Martin and unanimously carried.

Whereupon, the meeting was duly adjourned to said date and hour for said purpose.

ADJOURNMENT

REGULAR BU[illegible]ES CONDUCTED BY THE BOA[illegible] OF REGENTS
DURING THE SPECIAL MEETING HELD OCTOBER 11, 1973, 11 a.m.

After the bids were opened, Mr. Ralph Nall of Dupree and Company retired to check the computations at which time the Regents conducted other business.

July 9 Minutes Approved

The minutes of the regular meeting of July 9, 1973, were approved as presented to each Regent by mail on motion by Mr. Martin and second by Mr. Landrum. The motion was passed unanimously.

Appointment of new Faculty Members

Dr. Joseph Price, representing Dr. Ralph Tesseneer, recommended that the following faculty members be appointed:

Mr. James E. Keck as Assistant Professor of Psychology
Dr. Ray O. Nulsen, as Associate Professor of Marketing
Miss Mary Ann Beranek as Instructor of Library Sciences
Mrs. Margaret Miller as Instructor in Nursing
Mrs. Kathleen Brinker as Instructor in Nursing
Mr. Ralph O'Brien as Assistant Professor of Vocational Education

A motion was made by Dr. Endres, seconded by Mr. Garnett, that the recommendation for appointment of these faculty members be approved. The motion carried unanimously.

Graduation Fee

Dr. Ramage presented to the Regents a proposal to charge a graduation fee of $12.00 for all graduates. The fee would cover diploma and case, senior test, and cap and gown. Dr. Ramage and Dr. Steely explained that every other state institution charges such fees. A motion was made by Mr. Kohler, seconded by Dr. Wipperman, that the Regents adopt this request. Mr. Garnett said he felt it would not be looked upon favorably by the students. Dr. Endres felt that attendance at graduation should not necessarily be a requirement. Dr. Steely explained that last year any graduate who had a valid reason not to attend graduation contacted Dr. Tesseneer and was excused. Mr. Landrum expressed his feelings that the students should remember when they are asked to pay some additional costs that better than 40% of the costs of higher education is paid by the taxpayer. Mr. Shonert suggested that this year's Commencement Committee be consulted and that Mr. Garnett discuss the matter with the students. Mr. Haas made a motion that this be tabled until the next meeting and that Dr. Ramage send each Regent a breakdown of costs charged at other institution. The motion, seconded by Mr. Shonert, was passed with Mr. Kohler voting "nay" and Mr. Landrum abstaining.

Biennium Budget

Mr. DeMarcus explained that the biennium budget was being prepared to present to the Council on Public Higher Education, but it was impossible to present any figures to the Regents at this time because of the fact that the budget format has been changed several times by the Council with the last change made just two weeks ago. Thus, the pressure of time to complete the budget. All departments of the college have been asked to present to Mr. DeMarcus their part of the budget, but time is needed to pull all of these together along with lengthy narration of justification for each new item and for any item which has been increased. Dr. Steely said he felt it was in order, as other institutions have done, to authorize the administration to proceed to send an appropriate budget to the Council, particularly the part for capital construction requests so that we can proceed with the implementation of the Master Plan. Mr. Haas moved that the administration have the necessary authority to request all funding necessary to proceed under the Master Plan. The motion was seconded by Mr. Garnett. The motion was carried with Mr. Shonert abstaining.

Mr. Haas moved, and Mr. Martin seconded, the following resolution:

"Resolved that appreciation be expressed to the Yearbook Staff for the very fine yearbook that was printed and for the gift of yearbooks to the Regents on behalf of Student Activities."

Yearbook Thank You

The motion passed unanimously.

Dr. Steely announced that the Groundbreaking for the Library would be on Monday, October 22, at 11:30 a.m. with Congressman John Breckinridge as principal speaker. The Congressman was instrumental in having Northern designated as a Federal Depository.

Groundbreaking for Library Oct. 22

Mr. Garnett, referring to the Audit from July 1, 1971, to July 1, 1972, asked about the difference between income and expenditures in the Bookstore of some $30,000. If the Bookstore is making a profit, he then felt prices of books to students should be reduced. Mr. DeMarcus assured the Regents that no profits are being made - there are inventories to consider, overhead, etc. - but that he would have a detailed report on the Bookstore for the Regents at their next meeting.

Audit on Bookstore

Mr. Brooking asked about the possibility of having copies of all minutes of the Board of Regents from its inception in 1968 made for each Regent. Mr. Haas explained that there are nearly four notebooks filled already and it would be a mountain of reading material for the Regents. Mr. Haas moved, Mr. Kohler seconded, a motion that the legal counsel prepare from the minutes any by-laws that appear, with a page noting that complete copies of the minutes are lodged with the Secretary of the Regents, the President's Office, and in the Northern Library. The motion passed unanimously.

File of Regents minutes

Dr. Endres asked if the Regents could be furnished with an agenda before a meeting. It was explained that most generally this was done and would be done in the future.

BOARD OF REGENTS MEETING
Minutes of November 26, 1973, Meeting

A special meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Lucas at 8:10 p. m. on Monday, November 26, 1973. The invocation was given by Dr. Ramage.

Roll Call indicated Regents present were: Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Charles Landrum, Mr Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Dr. Michael Endres, and Dr. Frank Steely. Others present were: Mr. John Brooking, Mr. Charles Wiley, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr James Claypool, Dr. James Ramage, Dr. Joseph Price, Mrs. Sherrianne Standley, Mrs. Dolores Thelen, Mr. Jack Hicks of the Enquirer, and Mr. William Mills, Superintendent of the Grant County Schools.

The minutes of the special meetings of October 1 and 11, 1973, were approved as printed and submitted in advance on motion by Mr. Haas. The motion was seconded by Mr. Martin and was passed unanimously.

President Steely was asked to report on the Institutional Budget Meeting of the Council on Public Higher Education. Dr. Steely commented that Northern had been treated quite well by the Council in the relative sense, and that Dr. Albright, along with the Council, made every effort to be fair. All of the institutions' original requests were cut; but the two institutions (U. of L. and Northern) with extraordinary needs were recognized by the Council. The figures listed will not include growth money of which Northern will get a good percentage as a result of our increased enrollment. The figures are approximate and it is understood that they will still go to the Department of Finance and to the Legislature in January.

General Fund Money (last fiscal year)	$4,500,000	
Continuation of Fixed Costs		Budgetary
Debt Service	806,400	Requests
Legal and Regulatory	37,500	Recommended
Cost of Living - 5.5% (Personnel)	205,600	by C. P. H. E.
4.5% (other items)	85,800	
Staff Benefits	43,500	
Maintenance and Operation - new facilities	166,500	
Exceptional Educational needs	137,600	

This would indicate that we should receive $6 million from the State for fiscal year 1974-75. Added to this will be the growth money and some money to develop the graduate consortium program now under discussion as this program will be funded through Northern. The 1975-76 biennium funding will not be as high inasmuch as the debt service amount will be greatly reduced.
The capital construction recommendations were as follows:

General Classroom Building	$5,000,000	
Fine Arts Building	5,500,000	
Central Heating Plant	1,000,000	
Intramural Areas	175,000	
Parking Lots	250,000	
Maintenance Building	400,000	$12,325,000

This money will come from revenue sharing monies and this will mean that we would not have to go into bonding to build the above projects. The Student Union was the only building asked for that was deleted from capital construction requests. It was the Council's feeling that this was an auxiliary enterprise and such had never been built exclusively with state funds.

Mr. Lucas complimented the administration for their many hours of work on our requests as well as presenting Northern's case so well before the proper persons.

Mr. DeMarcus was asked what the emergency fuel crisis would mean to the college. He stated that it could be a serious problem, but at present could not forsee that it would be. Among some of the measures being taken at the college to help curtail fuel consumption are state automobiles are being driven at 50 miles per hour and thermostats have been set at 68°. We are still working to get fuel for the new Science Building which will be ready for occupancy early in the calendar year. Mr. DeMarcus feels it can be worked out. Our heating equipment can be shifted from gas to oil and vice versa at any time. The administration is exploring the possibility of using atomic energy in the new heating plant.

Fuel Crisis

Dr. Tesseneer was asked to review what had transpired regarding the vocational school site on our campus. Dr. Tesseneer has served on the 20-member Northern Kentucky Vocational Education Advisory Council since 1970. Part of their work was trying to help locate various vocational schools in the Northern Kentucky area. Northern Kentucky State College did not initiate the idea of having a vocational school on its campus. He stated it would cost the state some $500,000 to $600,000 to purchase a site on the basis of negotiations which have been made during the past two year. Approximately $1,250,000 has been allocated for such a school; however, they could not afford to buy the site and also build the school for this amount. The Northern Kentucky Vocational Education Advisory Board voted unanimously to recommend to the Kentucky State Board of Education that this facility be located on the Highland Heights campus of NKSC. Dr. Tesseneer pointed out that we have cooperative efforts with the Vocational School,Park Hills, on most of our Associate Degree programs, and we are very dependent on their facilities to carry out such programs. By having such a school located on our campus we would have excellent access to its facilities. The facility would be used for high school programs during the day and would be available to the college in late afternoons and evenings. The school would in no way be run by NKSC but would be under the direct control of the Kentucky State Board of Education. Northern Kentucky State College is simply being asked to make available 10 acres of ground on which to locate the facility. Mr. DeMarcus explained that these 10 acres could be on the north side of the campus and this would be at a place where we would have an additional access road to the campus.

Vocational School Site

After discussion, Mr. Haas moved, Mr. Shonert seconded, a motion that the vocational school issue be tabled until the next meeting. The motion carried unanimously. At this point, it was decided to have a special meeting on Monday, December 3, at 7 p. m. for the purpose of discussing the issue further. The administration was asked to assemble materials on the project and send such materials to the Regents by Friday, November 30. Mr. DeMarcus was also asked to mark off the ten acres on a drawing of the Master Plan to show the Regents exactly the location the administration has in mind.

Chairman Lucas brought up the next item of business - the renewal of the President's contract. The highlights of the chairman's comments were as follows:

"In addressing ourselves to the Renewal of President Steely's contract, I would like to share some thoughts on this matter that I hurriedly jotted down tonight before the meeting. You may or may not know that Dr. Steely's contract comes to its conclusion on December 12th. Four years ago in December, I introduced Dr. Steely at the Northern Kentucky Chamber of Commerce Pre-Legislative Conference Dinner Meeting. It was his first official appearance as President of Northern Kentucky State

President's Contract Renewal

College. There were many trips to Frankfort. In particular, I remember one very cold night when Charlie Wiley and I met Frank and we could barely keep warm with the heater in our car. Dr. Steely had driven over the mountains from Virginia in a jeep. This was an indication of the drive and determination of the man we had hired.

"In the fall of 1970 we opened the doors for our first full year of operation woefully lacking in facilities with students and cars everywhere. In the fall of 1973, we opened the doors for our fourth full year of operation woefully lacking in facilities with students and cars everywhere.

"However, some drastic changes took place during that time -- Enrollment rose from approximately 1250 to 4750 - Teaching staff increased from approximately 30 to 170 full-time and part-time faculty with the highest percentage of faculty with terminal degrees of any institution in Kentucky or the Greater Cincinnati area - A merger of an outside professional school, Chase College of Law, was consummated - a whole campus was moved to this beautiful new campus with a lot of sweat, work, and worry on the part of a lot of people - an extensive building program is underway with outstanding prospects for the future.

"And finally, to cap just a few of the highlights, we had our first graduating class this last spring. I don't mind admitting that marching into Regents Hall to witness that commencement was the high point for me as a Regent. That ceremony symbolized everything we were trying to achieve, namely, that of providing a quality higher education, particularly for those who might not otherwise have achieved that goal had we, as an institution, not been here.

"It is my humble opinion that we as a Board of Regents need to look at every major decision we face at this institution with this final question. 'What is best for NKSC?' And I submit to you that "What is best for NKSC' as far as leadership is concerned is the continuation of Dr. Frank Steely as President of this school. He and his capable administration have led us with distinction to unprecedented heights for higher education in Northern Kentucky.

"And the future even looks brighter - I heartily endorse his reappointment of another four year term as our President. He richly deserves our unqualified support. I would be happy to receive a motion at this time so requesting his reappointment as President and Professor of History, with tenure."

The following motion was moved by Mr. Haas and was seconded by Mr. Landrum:

> Effective December 12, 1973, Dr. W. Frank Steely's contract shall be renewed as President and Professor of History, with tenure, at a combined compensation of $35,000.00 per year, for four years, including the use of an automobile, house, maid service when needed; increases in compensation on merit and cost of living, as determined by the Board of Regents with other contract details to be drafted by Counsel for the College.

Voting Aye: Mr. Haas, Mr. Kohler, Mr. Landrum, Mr. Martin, Mrs. Mills, Dr. Wipperman, Dr. Endres, Mr. Lucas.
Voting Nay: Mr. Shonert, Mr. Garnett.

Graduation Fee

Dr. Ramage, reporting on the graduation fee issue, said that on October 18, 1973, the present Commencement Committee approved charging a $12 graduation fee. He called attention to the fact that he had sent the Regents a list of what other colleges charge and that, inasmuch as they receive state monies such as Northern, we would certainly not be out of line in making such a charge. It is to be understood this would be exclusive of Chase as they charge a $40 fee. Mr. Garnett reported that he attended a senior class meeting and the consensus was that no fee should be charged. He did point out that only 25 seniors attended the meeting which is a small percentage of the senior class.

Mr. Kohler moved, Mr. Martin seconded, a motion that the Regents adopt the recommendation of the Commencement Committee that a fee of $12 for graduates, excluding Chase graduates, be charged. The motion carried with Mr. Haas, Mr. Garnett, and Mr. Shonert voting "Nay".

Under discussion next was the possibility of naming the main building on the Covington campus for Mr. Thomas Hankins, who was the former director of the Community College. Dr. Steely said that Mr. Hankins was much revered in Northern Kentucky as he had done much for higher education in this area through his leadership at the Community College. Mr. Garnett moved that the main building on the Covington campus be named for Mr. Thomas Lee Hankins and that an appropriate ceremony be planned. The motion, seconded by Mr. Kohler, was passed unanimously.

Naming main bldg. on Cov. Campus for Hankins.

Mrs. Standley was asked to report on foundation development, and she presented some recommendations for such development (copy attached to these minutes) for their consideration. Mr. Kohler moved that the Regents concur in the request for appointing a study committee named in the recommendation III. The motion was seconded by Mr. Landrum and he specifically asked that in working on the foundation to set it up so that it could become a form of revenue development council. Mr. Landrum also commented that it is quite important to get such a foundation underway as it is expected from predictions of experts that a large percentage of state funds will be reduced in years to come and collegeswill have to work out ways of raising private money. The motion passed unanimously.

Foundation Development

Mr. Brooking, College Counsel, brought the following items to the attention of the Regents:

The Pi Kappa Alpha Fraternity wants to buy a fraternity house and needs the approval of the Board of Regents before they can proceed further as this is required by the national organization. The house is located on Robinson Road (across US-27 from the Reception Center). Dr. Steely said he had recommended to the Highland Heights officials that they proceed with the proper zoning and it is under discussion now by these officials. Dr. Steely recommended that the Regents support PKA in this endeavor. Mr. Shonert moved that the Regents approve PKA's efforts in the purchase of a house, contingent on getting proper approval by the City of Highland Heights. The motion, seconded by Mr. Martin, was passed unanimously.

Pi Kappa Alpha House

Mr. Brooking also requested that the Board of Regents approve the administration studying the possibility of having a fraternity and sorority row on campus or close to it with dormitory space available in such houses. Dr. Steely reported that Dr. Claypool's office did a good survey on students desiring housing on or near the campus. Some 1800 to 1900 students were polled with some 30% indicating they were interested in such housing. Dr. Steely further reported that it seemed highly unlikely that we could build dormitories on campus in the conventional way as has been done on other campuses as our monies are so sorely needed for academic space. HUD funds are frozen and this is the agency where such funds would have to come. HEW interest subsidy money is not available for housing. Dr. Steely has been talking to some private developers but so far none have come up with any concrete evidence that they are interested. Dr. Steely has worked through the Northern Kentucky Chamber of Commerce and even the Greater Cincinnati Chamber as well as the Northern Kentucky Home Builders Association. If such housing were built on the campus, approval would have to be secured from the state for alienation of state property and it would not be wise to go into this until after the legislative session is over. He further stated that we cannot become a cosmopolitan campus unless we can bring in students from distant areas which cannot be done without some kind of adequate housing.

Mr. Kohler moved that the administration come up with some sort of a recommendation on fraternity and sorority houses at the next regular meeting. The motion, seconded by Mr. Shonert, was passed unanimously.

Mr. Brooking reported that the Northern Kentucky Transit Authority (TANK) had approached the City of Park Hills for an area on which to have a bus turn-in and parking area for people who wished to catch a bus to other areas. Mr. Brooking felt we could render a great service to the community by entering into some kind of negotiation with TANK to use the lower parking lot on the Covington campus for such a project. At the present time he has noticed this parking lot is not being used and is getting run down.

TANK using parking lot at Cov.

A motion was made by Mr. Garnett that this be pursued further subject to Mr. Brooking bringing back a proposal to the Regents to be considered further. The motion was seconded by Mr. Haas. Some considerations in the proposal would need to be a reasonable notice to vacate when it is needed by the college, terms for maintenance and upkeep, and other proper terms. The motion carried unanimously.

When asked about the Commencement speaker, Dr. Ramage reported that Dean Rusk had accepted the committee's invitation to speak. Honorary degrees will be considered later. Dr. Ramage did point out that the committee hoped that honorary degrees would be kept to a minimum and more concentration be given the graduates. Mrs. Standley asked the Regents not to discuss the name of the Commencement speaker in order that she could release it at an appropriate time.

Mr. Brooking reported that progress was being made on the By-Laws. He felt they could be ready by the next regular meeting.

The meeting was adjourned at 10:00 p. m.

SPECIAL MEETING
BOARD OF REGENTS
NORTHERN KENTUCKY STATE COLLEGE
Monday, December 3, 1973

A special meeting of the Board of Regents was called to order by Chairman Kenneth Lucas at 7:10 p.m. on Monday, December 3, 1973, in the Board Room on the Highland Heights campus. The invocation was given by Dr. James Ramage.

Roll Call: Regents present were Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Charles Landrum, Mr. Kenneth Lucas, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett and Dr. Frank Steely. Others present were Mr. John Brooking, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Ramage, Dr. Joseph Price, Mrs. Sherrianne Standley, Mrs. Dolores Thelen; Mr. James Patton and Mr. Bob Koo from Northern Kentucky Vocational School; Mr. Robert Allen from Newport School Board and President of Kentucky School Boards Assoc.; Mr. George Houston, Dayton School Superintendent; Mr. Tom Holloway, Dayton Principal; Mr. Jack Keller, Dayton Counseler; Mr. William Mills, Grant Co. Superintendent; Mr. John Stephenson and Mr. Bob Stevie representing Congressman Breckinridge; Mr. Bob Fogarty of the Enquirer; representing the Northerner - Jerry Helms, Bonnie Vahlsing, Dennis Limbach; Students - Marty Edwards, Dave Hardin, Joe Schulte.

Chairman Lucas explained the purpose of the special meeting was to discuss the vocational school issue. Mr. Haas stated that all materials he had received indicated the vocational school on the Highland Heights campus would be a great advantage to the college. He made a motion that the Board of Regents adopt a resolution to place the vocational educational facility on the Highland Heights campus according to the various documents endorsing putting the facility here. The motion was seconded by Mrs. Mills.

Mr. DeMarcus outlined the area where the vocational school could be located and cited the wisdom of placing it in the particular spot. Mr. Landrum stated he had done some research and found it to be to our advantage to have the school here; and if it were not placed here, it would probably be located somewhere other than Northern Kentucky. Mr. Kohler asked if this would keep us from asking for a technical school later on from the Council on Public Higher Education. Dr. Tesseneer, stating that it would not, said that this was a new approach in the area. It is hoped that this will be a pattern in not duplicating facilities. Dr. Steely said that by doing some of these things, we dramatize the need for such types of facilities in this area, and hoped we would generate more demands for this type of work. John Stephenson, speaking for Congressman Breckinridge, said they were interested to have a new facility like this in their district and complimented the Board of Regents on their approach. Mr. Houston of the Dayton Schools said that this school has been long sought and long delayed and that the people of this area deserve the benefit of this type of facility. Chairman Lucas noted that when Mr. Gordon Martin called to say he could not attend the meeting, he indicated his strong support of the location.

The question was called and the motion was passed unanimously.

Chairman Lucas called attention to a letter from the Northern Kentucky Chamber of Commerce to Dr. Lyman Ginger supporting the site. Mr. James Patton expressed his delight at the Board's action and complimented the Northern administration for their cooperative efforts with the

vocational school for the past three years. Dr. Steely said that had it not been for the cooperation of Mr. Patton and his staff, we could not have progressed as we have on so many programs. Mr. Robert Allen of the Newport School Board said that his board will support the school if it is located here and feels personally that it is a good site.

The meeting was adjourned at 8 p.m. on motion by Mr. Kohler and second by Mr. Haas.

OF THE BOARD OF REGENTS
OF NORTHERN KENTUCKY STATE COLLEGE
Tuesday, January 15, 1974 - 8 p. m.

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was held on Tuesday, January 15, 1974, in the Board Room of Nunn Hall on the Highland Heights campus. The meeting was called to order at 8 p. m. by Chairman Lucas. The invocation was given by Dr. Ramage.

Regents present were: Mr. Elmer Haas, Mr. Charles Landrum, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Edgar Wipperman, Mr. David Garnett, Dr. Michael Endres, Dr. Frank Steely. (Mr. Joseph Kohler called to be excused.) Others present were: Mr. John Brooking, Regent Emeritus and Counsel; Mr. John DeMarcus; Dr. James Claypool, Dr. James Ramage, Dr. Joseph Price, Mrs. Sherrianne Standley, Mrs. Dolores Thelen, Mr. William Mills, Dr. Nicholas Melnick, Dr. Roger Meade, Mr. Bob Fogarty of the Cincinnati Enquirer, and Mr. Dennis Limback of the Northerner.

The minutes of the November 26, 1973, and December 3, 1973, meetings were approved as submitted by mail to each Regent on motion by Mr. Haas. The motion was seconded by Dr. Wipperman and was passed unanimously.

By-Laws Adopted

The By-Laws for the Board of Regents were presented by Counsel John Brooking and he recommended their adoption. Mr. Landrum moved, seconded by Mrs. Mills, that the By-Laws be adopted as presented. The motion carried unanimously.

Accreditation Letter

Under academic matters, Dr. Steely called attention to copy of a letter sent each Regent stating that we have gained full accreditation from the Southern Association of Colleges and Schools. He reiterated two points: (1) that this accreditation is retroactive for all graduates of Northern, and (2) that this was the earliest point at which we were eligible for such accreditation (only after graduating their first class are institutions eligible for accreditation).

Graduate Program

Dr. Steely further reported on the progress of Northern's Graduate Program. The institution itself is not acting, but our area legislators (and particularly at the urging of many area teachers) have introduced a bill to delete the prohibition for Northern Kentucky State College to conduct graduate programs under KRS Statutes. If such a bill is passed, our program will be contingent on approval by the Council on Public Higher Education, which is undergoing a study on graduate education. If the study recommends the authorization of this program, Northern will then be in a position to offer such programs.

Graduate Consortium Program

Dr. Steely introduced Dr. Nicholas Melnick, who was appointed by the Council on Public Higher Education as director of the Graduate Consortium program. The consortium represents University of Louisville, University of Kentucky, Eastern, Morehead, and Northern and the presidents of these participating institutions approved Dr. Melnick's appointment. Dr. Melnick reported that there was not a great deal of time to get the program underway, but it is off the ground and as of tonight, 95 are enrolled in the program. Five graduate courses in education are being offered this semester, and it is hoped to have a larger number of courses for the summer semester.

Dr. Joseph Price, Associate Dean, (and representing Dr. Tesseneer), recommended the following appointments of new faculty: Appointment of New Faculty

Mr. David Jones as Instructor in Education
Mr. Russell Hereth as Assistant Professor of Accounting
Dr. Donald Welti as Assistant Professor of Psychology

Mr. Martin moved that the above appointments be approved as recommended by Dr. Price. The motion, seconded by Mr. Haas, was carried unanimously.

Dr. Steely then introduced Dr. Roger Meade, Director of Research and Institutional Studies at Northern. Dr. Meade reported on the status of grants received, applied for, or not received by Northern. Dr. Meade said he has spent a good deal of time traveling to Washington and Atlanta. Federal monies are available (not as much as in the past), but competition is quite keen. We need to be very competitive to receive our share. He praised college officials and faculty for their spirit of cooperation in working out grant proposals. He pointed out that once we are able to offer graduate work, we will be in a much better position to receive grant monies. Grants

Mr. DeMarcus referred to his written report and to the financial report submitted to the Regents. He further reported that the new science building should be completed by February 1, but to date the fuel situation has not been worked out. He has tried all areas of approach and will go to Atlanta next week and will visit the regional fuel emergency office to request a mandatory allotment. He hopes this will meet with success. The library construction and fine arts building design work are both on schedule. The financial report shows that we are in a very stable position. Building Progress; Finances

Dr. Claypool reported to the Regents that registration for the spring semester to date is up 100 students over last spring semester's totals; however, enrollment is not completed in some areas. Spring Registration

He reported further that the athletic programs are coming along very well. The basketball team is having a winning season and also has won their first tournament. The baseball team had a 9-3 record and played some top notch teams. One of our baseball players has signed with the Houston Astros. The women's tennis team had a 5-2 season and two of the girls qualified for the state championships. Since we have now received our accreditation, we hold full membership in NCAA and NAIA. All of the athletic programs, which have been highly successful, were achieved on a budget which is less than Nebraska pays its head football coach. Athletics

The advent of concerts, with major groups being brought on campus, has stirred a great deal of interest on the part of the students, according to Dr. Claypool. All of the concerts have been profitable and have brought many young people on the campus who ordinarily would not have come otherwise. He said that several students enrolling this spring had been to the concerts, liked what they saw at Northern, and enrolled. Financial Aid and Veteran Affairs have shown tremendous growth. Some $40,000 in funds was disbursed in 1970 and this coming year over $1 million will be disbursed in areas of student loans, scholarships, work study, veterans' aid, etc. This year has seen the jelling of the Inter-Organizational Council, which is composed of a representative of every student organization on campus. We now have a pep band, and a film series was started. Intra-murals have been very successful with over 1,000 students participating which indicates the interest of the students even though Student Affairs

we are a commuter college. One of our students has gained recognition in national trap shooting competition. We will be participating in the Mountain Laurel Festival this year. Bus service onto the campus has been a big boon, and more and more students are using this means of transportation. Dr. Steely commented that he felt the intra-mural program was a phenomenal success in view of the fact that all our students commute.

Off-campus housing for students was discussed. Dr. Steely reported that the local zoning commission has things pretty well tied up, but hopes we can make a break-through to get some zoning changed so fraternities, etc. can buy houses. The Highland Heights city officials have been very cooperative. Off-Campus Housing

Mrs. Standley announced the Dedication of Thomas Lee Hankins Hall will be held Sunday, January 20 at 2 p. m. and urged all to be present. Mr. Landrum will be representing the Board of Regents as he personally knew Mr. Hankins and also was on the Board of Regents of the University of Kentucky during some of Mr. Hankins' tenure. Dedication of Hankins Hall

Mr. Shonert reported that he had not been receiving copies of the Northerner regularly. Dr. Steely said he was not aware that the Regents were not receiving this publication regularly, but that he would see to it that all Regents received copies on a regular basis.

The meeting was adjourned on motion by Mr. Garnett and second by Mr. Haas.

ADJOURNMENT

BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Friday, April 19, 1974

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:10 p. m. by Chairman Lucas on April 19, 1974, in the Board Room of Nunn Hall. The invocation was given by Dr. James Ramage.

Roll Call: Present - Joseph Kohler, Kenneth Lucas, Henry Mann, Gordon Martin, Warren Shonert, David Garnett, Dr. Jeffrey Williams representing the Faculty Regent, Michael Endres; Counsel John Brooking, and Frank Steely.
Excused - Elmer Haas, Lee Mills, Edgar Wippermann
Others present: Dr. James Claypool, Dr. Joseph Price, Dr. James Ramage, Dr. Terry Paul of the Faculty Senate, Mr. John DeMarcus, Dennis Limbach of the Northerner, Frank Ashley of the Courier Journal, Carol Ellison of the Kentucky Post, Bob Fogarty of the Kentucky Enquirer, and Dolores Thelen.

Mr. Henry Mann was welcomed as a new Regent (replacing Charles Landrum) and was sworn in by Chairman Lucas.

Mr. Charles Landrum was elected to Regent Emeritus on motion by Mr. Kohler, second by Mr. Garnett, and passed unanimously.

The minutes of the January 15, 1974, meeting were accepted as printed and mailed to each Regent on motion by Mr. Kohler. The motion, seconded by Mr. Garnett, passed unanimously.

Academic Matters:

Faculty Senate approved

Dr. Steely announced that the faculty had voted to organize a Faculty Senate in place of the Faculty Assembly as they felt this would give better representation to the faculty since it has grown so large in size. Each department elects a representative to the Senate, and nine representatives-at-large are elected by the entire faculty. Dr. Jeffrey Williams was elected the first president of the Faculty Senate. Dr. Williams submitted a new constitution to the Regents. This constitution will be reviewed by counsel and will be voted upon at the next Regents meeting. Mr. Shonert moved that the Regents adopt the recommendation of the faculty to form a Faculty Senate subject to the review by counsel after which time it will come into effect. The motion, seconded by Mr. Martin, passed unanimously.

Faculty Handbook

The Faculty Handbook which had been prepared primarily for the Southern Association evaluation team was mailed to the Regents; however, the faculty asked, if it were agreeable to the Regents, to let them have a chance to again review it, and submit it later for approval at the next Regents meeting. This met with the Regents' approval.

Appointment of new Department Chairmen

Dr. Price, substituting for Dr. Tesseneer, recommended four new department chairmen: Dr. Lyle Gray as chairman of the Sociology Department replacing Dr. Endres who had asked to return to full time teaching; Dr. Frank Stallings as chairman of the Humanities Department replacing Dr. Price who will assume full time duties as Associate Dean, Dr. Frank Butler as chairman of the Physical Sciences Department (Mathematics and Physical Sciences Department was split), and Mr. Robert Knauf as chairman of the Music Department (Music was split from the Fine Arts Department). Mr. Kohler moved that the recommendation of the four new appointments be accepted. The motion, seconded by Mr. Martin, was passed unanimously.

Dr. Price recommended the appointment of two new faculty members: Ms. Marilyn Scroggin as Instructor in Physical Education and Ms. Kamilla M. Mazanec as Professor of Law. Mr. Shonert moved, Mr. Martin seconded, and the motion was passed unanimously. — New Faculty Appointments

Dr. Price presented a request from Dr. James Claypool for sabbatical leave for the summer and recommended such leave to the Regents. Dr. Steely commented that, while we have not adopted a policy for such leaves, he would recommend this leave as the Office of Student Affairs would be adequately covered in Dr. Claypool's absence, and he does not feel this request is out of line. Mr. Garnett moved that the recommendation be accepted. The motion was seconded by Mr. Kohler and was passed unanimously. — Sabbatical Leave approved

Dr. Price recommended that the following faculty be given promotions as follows:

Rank:
- Dr. Jerry Carpenter to Associate Professor of Biology
- Dr. Robert Collier to Associate Professor of English
- Mr. R. Kent Curtis to Assistant Professor of Education
- Dr. Lyle Gray to Professor of Sociology
- Mr. Martin Huelsmann to Professor of Law
- Mr. Robert Knauf to Professor of Music
- Ms. Charlotte Levy to Assistant Professor of Library Sciences
- Dr. James McKenney to Associate Professor of Mathematics
- Ms. Dixianna Smith to Associate Professor of Nursing
- Dr. Frank Stallings to Professor of English
- Mr. Noel Sullivan to Associate Professor of Law
- Mr. Maurice Wolf to Professor of Law

Tenure:

Dr. Frank Butler	Ms. Charlotte Levy
Dr. Jerry Carpenter	Dr. Raman Singh
Ms. Jeannette Cochran	Dr. Zelda Smith
Dr. Lyle Gray	Dr. Frank Stallings
Mr. Robert Knauf	Ms. Rita Tobler

Promotion in Rank — Promotion in Tenure

Mr. Kohler moved that the recommendations for promotion be approved. The motion, seconded by Mr. Garnett, passed unanimously.

Dr. Price reported that Dr. Melnick was out of town, but that the graduate consortium program was moving along at a satisfactory rate. About 100 students are enrolled this semester. We have received 108 applications for summer school. Dr. Melnick has added 14 courses to offerings for summer school to take care of the students. The Consortium is beginning to run a little more smoothly as problems are beginning to be understood and worked out with other institutions involved in the Consortium. All of the summer offerings will be taught by Northern faculty and all NKSC resources will be used. We will, of course, proceed with the Consortium until such time as the Council on Public Higher Education will grant us privilege of having our own graduate program. Dr. George Starcher, consultant on graduate work in Kentucky, has visited our campus, and it is hoped that we will receive permission to teach graduate studies unilaterally after his recommendation has been received by the Council. — Graduate Consortium

Dr. Ramage reported on the progress of the Commencement with 574 people graduating - 103 Juris Doctors, 354 Bachelor degrees and 117 Associate degrees. There will be a luncheon at the Reception Center at 12 noon before the ceremony with the Dean Rusk and all platform guests are to be at the Board Room at 1:30 sharp for robing. All Regents will be seated on the platform. The Commencement Committee recommends that an Honorary Doctor of Laws be granted to Dr. Raymond P. Hutchens, who was former dean of Chase Law School. Mr. Mann moved that Doctor of Laws be granted to Dr. Hutchens. Motion was seconded by Mr. Shonert and was passed unanimously.

Honorary
Degree

Dr. Steely asked that the Regents form a Committee on Housing to investigate housing either on or off the campus for students. He has talked to a number of persons and has received suggestions from these people on the matter of housing. There is a need to investigate further so that we can be prepared to offer housing to students coming from greater distances and that we can become a more cosmopolitan institution. Mr. Shonert moved that Chairman Lucas appoint a committee of Regents, to be chaired by Gordon Martin, to work on the housing Problem. The motion was seconded by Mr. Kohler and was passed unanimously.

Student Affairs:

Dr. Claypool thanked the Board of Regents for granting his Sabbatical Leave. He reported that Student Government elections would be held Monday and Tuesday, April 22 and 23. Much work has been done to try to get a large turnout for the elections. He further reported that Dr. Steely has been meeting with student groups on campus to discuss the direction and future plans of Student Affairs for the college. A mass convocation, with Dr. Steely addressing the student body and the faculty and staff, was held last month and proved to be worthwhile. The establishment of a concert series has proved very successful, not only with our students, but also in bringing large number of possible students onto the campus. The athletic programs for men as well as women is quite popular. It is hoped we can have some limited scholarship help for some of the athletic teams other than basketball. There will be an advisory board formed to work on the distribution of the student affairs fee. Mr. Kohler commented that he was pleased to hear of the cooperation and discussions between administration and students.

Student
Affairs

Mrs. Standley was absent as she was being inducted into a professional organization this evening, and Dr. Steely reported that the Regents would be hearing from Mrs. Standley regarding the Community Music Festival on May 1st at which the Cincinnati Symphony will appear along with choruses from NKSC, Thomas More, and several area high schools. Lt. Gov. Julian Carroll will be present for the festival.

Mr. DeMarcus had several reports prepared which were given each Regent at the conclusion of the meeting. In general reporting, he said that the library was five weeks behind schedule. Reinforcing steel has been the problem here. The design for the fine arts building is to be completed in September, to be bid in November, with projected completion in Nov. 1976. The central power plant is under design, with plans to be finished in June, ground breaking in August, and completion in August, 1975. Also an electrical substation is being developed with plans to be complete in June, and completion of construction in August, 1975.

Building
Progress

The next classroom building programming will begin by the Division of Engineering within the next few weeks. The activities courts will, hopefully, be finished by fall. Track and Field items should be available in September. We are awaiting announcement of an architect on the vocational school. A list of renovations at Nunn Hall and some houses (when the move is made to the science building) is included in the written report.

Security

Regarding security, Mr. DeMarcus reported that all security men have received adequate training and they will be given full police powers this coming Monday. They will be equipped with firearms as per the previous arrangement that firearms will not be carried during school hours.

Resolution on Deadly Weapons

Counsel prepared and Mr. DeMarcus presented a resolution on deadly weapons. After discussion, it was decided to insert the word "unauthorized" in the second paragraph as the second word. A motion to approve the resolution with the added word was made by Mr. Garnett, was seconded by Mr. Martin, and was passed unanimously. The resolution now reads:

"Deadly weapons are hereby prohibited on the campus of Northern Kentucky State College.

Any unauthorized person displaying deadly weapons shall be appropriately disciplines by the college.

Discipline by the college shall be reasonable and may include application to the appropriate court as well as explusion from the college."

1974-75 Internal Budget

The 1974-75 Internal Budget was presented to the Regents with comments from Dr. Steely and Mr. DeMarcus. The format was that of the American Council on Education which the Finance Department asked to be followed. Of the nearly six million from state appropriations, one and one-half million has to be used for debt service, that is, interest on bonds sold. This leaves about one-half million more than we had to work with this present fiscal year. In the 1974-75 budget, the largest increase is in the realm of the business office as it needs to be upgraded to handle the multitude of work expected by the finance department in their new accounting setup. There is a 19% increase in cost of utilities. Salaries generally were raised 5.5% across the board. Library expenditures were cut as there cannot be too many more resources ordered until we get into the new library as we do not have storage space. Dr. Steely pointed out that the budget was thoroughly discussed in Administrative Council in a lengthy session last Friday, and the budget presented to the Regents was the budget approved by the Administrative Council.

Budget Approved

Mr. Martin moved, seconded by Mr. Garnett, that monies be reinstated in account no. 01-09 which includes student legal counsel (which had been cut out by the Administrative Council). The motion was passed unanimously. After further discussion, the 1974-75 budget was approved as presented with the addition in account no. 01-09 voted previously, on motion by Mr. Martin. The motion was seconded by Mr. Mann and was passed unanimously.

Mr. Shonert suggested that the President's office make up an organization chart with people's names as well as titles on it.

Mr. Garnett announced that the students were holding the Annual Rites of Spring next week at which there would be student, faculty, administration participation throughout the week. The Regents were invited to visit the campus during these festivities.

Mr. Garnett desired to bring up some amendments to the Constitution of Student Government and if approved, they would be voted on during student elections. Mr. Brooking, counsel, said the proper procedure would be for Student Government first voting on such amendments, and then submit them to the Regents for their approval.

There being no further business, the meeting was adjourned at 11:30 p. m. on motion by Mr. Kohler, and seconded by Mr. Martin.

BOARD OF REGENTS MEETING
NORTHERN KENTUCKY STATE COLLEGE
Wednesday, July 10, 1974

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:10 p. m. by Chairman Lucas on July 10, 1974, in the Board Room of Nunn Hall. The invocation was given by Dr. James Ramage.

Roll Call: Present - Elmer Haas, Joseph Kohler, Kenneth Lucas, Henry Mann, Gordon Martin, Lee Mills, Warren Shonert, Michael Endres, Gary Eith, Edgar Wippermann, Counsel John Brooking, Frank Steely.

Others present - Regent Emeritus Charles Wiley, Charles Lee of Rankin & Rankin, William Johnson of Frankfort, Richard Wilson of Courier Journal, Jack Hicks of Enquirer, Mel Strick of our bookstore, Ralph Tesseneer, John DeMarcus, James Claypool, Sherrianne Standley, James Ramage, Joseph Price, William Smith, and Dolores Thelen.

Chairman Lucas welcomed Gary Eith as new student regent and administered the oath to him.

The minutes of the April 19, 1974 meetingwere accepted as printed and mailed to each Regent on motion by Mr. Haas. The motion, seconded by Mr. Eith, passed unanimously.

Reelection of officers

Dr. Wipperman moved, Mr. Kohler seconded, that the present officers be reelected for another year. The motion passed unanimously. They are: Kenneth Lucas, Chairman; Elmer Haas, Secretary-Treasurer; Dolores Thelen, Assistant Secretary.

President's Annual Report

Dr. Steely highlighted the Annual Report commenting that this had been a very fine year for Northern. The college had been treated most fairly so far as the legislative session was concerned. Dr. Steely applauded the Council on Public Higher Education and the Governor and his administration for the large amount of capital construction funds that Northern received. On July 1 the Council on Public Higher Education recommended to the Governor and the Finance Department that $5. 6 million be allocated to Northern for an Educational and Student Services Building, and also the Council voted an additional $40,000 to help finance the Graduate Consortium. By the unanimous vote of the Senate and the House in the last legislative session, the restriction on Northern offering graduate work was removed and it is hoped the Council will move quickly to allow Northern to begin their own graduate program. The Governor has also made available an additional $1. 3 million growth money of which Northern will receive approximately $160,000 beyond that which was originally designated to us.

Greater Cincinnati Consortium

Dr. Steely explained that a Greater Cincinnati Consortium (consisting of 11 colleges and universities in the Greater Cincinnati area) is being formed and through this consortium activity a great deal of money can be saved. For instance, should one institution have a professor in a narrow field of study, other institutions can take advantage of this; or should a student need a particular course which may not be offered at one institution, he may take it at another institution for which he would receive credit by the institution in which he is enrolled. Hard to obtain and expensive lecture speakers can be secured for use by participating institutions. Through this type of cooperation, dividends for both faculty and students can be invaluable and the very fact of institutions getting

together can be wholesome. There have been meetings among the presidents and a meeting of business officers of the institutions. Participating institutions will be asked to contribute about $1 per FTE student, which is practically the same as belonging to many academic organizations. The Ohio Board of Regents has put $50,000 at the disposal of the Consortium. Dr. Steely asked the Regents for their opinion on such a Consortium.

Mr. Martin moved, Mr. Haas seconded, that the administration be empowered to proceed with an agreement which is to be brought back to the Regents for further consideration. The motion passed unanimously.

Dr. Starcher visit

Dr. Steely announced that Dr. George Starcher, a consultant to the Council on Public Higher Education, will be on our campus July 11 and 12 to take a look at all phases of operation of Northern.

Grants

Dr. Steely distributed a report from Dr. Roger Meade of the Office of Research and Institutional Studies indicating grant funds approved for fiscal year '74 of $178,361.25. Grants received so far in July, 1974 total $64,391.

Academic Matters:

Faculty Handbook approved

Dr. Tesseneer distributed copies of a few minor changes in the Faculty Handbook which had been sent each Regent prior to the April meeting, and recommended that the Faculty Handbook be approved with the changes. Dr. Endres also distributed copy of a change for the Handbook from the Faculty Senate. Mr. Kohler moved that the Faculty Handbook be approved as recommended by Dr. Tesseneer including the changes submitted by both Dr. Tesseneer and Dr. Endres. The motion was seconded by Mr. Shonert and was passed unanimously.

On page 6, add at end of paragraph entitled "Board of Regents":

The free exchange of ideas, being essential to the process of education, the Board of Regents shall take as a prime responsibility the protection of the academic freedom of the college community. Further, the Board of Regents shall foster and protect an atmosphere conducive to the free exchange of ideas without encroachment or intimidation from any source.

On page 15 - the following additions or changes have been made:

2. (a) -(Add at the end of this section:) An instructor may invite to his class as observers of his teaching the Associate Dean, his chairman, college colleagues, and/or the representatives from professional organizations in his discipline.

2. (b) iii. Change "professional" to "scholarly".

2. (b) iv. Should read: Recognized study or training beyond the terminal degree.

2. (c) i. Add at end of line: and student organizations.

2. (c) ii. Change "church" to "community".

On page 16 - first paragraph: put "Faculty Senate" in the two places where "Faculty Assembly" appears.

Dr. Tesseneer recommended the approval of the new Faculty and Staff as mailed to each Regent with the following addition: New Faculty Approved

Michael Lampman as Instructor in Theatre in the Department of Fine Arts.
Mr. Lampman has his M. F. A. from the University of Wisconsin

Mr. Kohler moved that the Board approve the recommendations of Dr. Tesseneer. The motion was seconded by Mrs. Mills and was passed unanimously.

Summer school enrollment is 1,778 and could we have added the graduate consortium enrollment of 200 to this, we would have shown a large increase over last year. As it is, we are still slightly over last year's summerschool enrollment. Enrollment

Dr. Tesseneer announced that we have agreements for those of our students who wish to take ROTC to attend Army ROTC at Xavier and Air ROTC at U. C. We have about 25 enrolled in the Xavier program, and this fall any interested students in Air ROTC may go to U. C. for this program. A student may receive a scholarship from Air ROTC which could be used at Northern. If there ever is large enough interest, an ROTC program can be started at Northern. ROTC

Administrative Affairs:

Mr. DeMarcus referred to the Audit Reports which were sent to the Regents, and said that Mr. Lee, Rankin and Rankin, and Mr. Smith, our business manager, were present to answer any questions. Mr. Smith announced that the audit for the fiscal year just past will be available much sooner. There is a summary of this past fiscal year (July 1, 1973 thru May 31, 1974) in the President's Annual Report. Audit for 1972-73

Mr. DeMarcus made general comments on the progress of the building program. The Library construction is suffering from labor problems but hopefully they will be resolved shortly. Resurfacing of the gravel lot should be completed by fall. The tennis courts should be ready by early fall. Track and field areas and additional parking lots are under design. Programming on the maintenance building is complete. Design on the Fine Arts building will be completed in September with ground breaking shortly thereafter. The baseball field is getting in shape. New classroom building is in the design stage and should be completed by early spring. Moving into the science building is almost complete and it seems to be satisfactory with all. Dr. Tesseneer commented that he has not heard one critical remark by faculty members on this building. Gary Eith commented that all the students he has talked with have liked the building. Bids on the electrical substation have been received and we will soon receive bids on the central power plant. In conjunction with the Vocational School, Northern will have another access drive which will be very helpful. Building Progress

In discussing the Interstate Highway system, it was the feeling of the Regents that pressure be continued to be put on officials for the completion of the system.

Mr. Martin spoke of his concern for the Fifth Street Bridge between Covington and Newport and of the holdup because of a house which some feel has historical value. Mr. Martin made a motion that the Regents go on record as endorsing the Fifth St. Bridge project only as it relates to the advantages of having the bridge for additional access to the college. The motion was seconded by Mr. Haas and was passed. Dr. Steely was asked to send letters to the Highway Department and the National Registry on behalf of the Regents. Covington-Newport Bridge

Dr. Claypool, in reporting on Student Affairs, felt that the most significant thing that has happened is the possibility of the approval of a Student Services building and he felt that a lot of hard work and time was put in by Dr. Steely and Mr. DeMarcus on this project for which they deserve much credit. Student Affairs

Mr. Kohler praised the Student Affairs office and Student Government for the large turnout in the last student elections and said he felt this was very significant for the overall welfare of the college.

Mr. Eith distributed copies of one change in the Student Constitution which the students desired and which they passed by unanimous vote: Change in Student Govt. Constitution

Article VII, Section 5, paragraph b, shall read:

If a vacancy should occur in any office other than the President, a qualified person shall be elected to fill the vacancy by special general election, to be conducted in the same manner as general elections.

Mr. Martin moved that the Regents approve the change. The motion, seconded by Dr. Wippermann,was passed unanimously.

Public Relations and Development:

Mrs. Standley recommended the approval of the Alumni Association Constitution which was mailed to each Regent. Mr. Kohler moved that the Alumni Constitution be approved as recommended by Mrs. Standley. The motion was seconded by Mr. Haas and was passed unanimously. Alumni Constitution

Mrs. Standley announced the names of the new members to the Northern Kentucky State College Foundation Board of Directors: Mr. R. C. Durr, Mr. Daniel Graves, Mr. Gordon Hood, Mr. Henry Hosea, Mr. H. Charles Jones, Mrs. William McCann, Mrs. O. Worth May, and Judge Fred Warren. Mrs. Standley will send each Regent a complete list of the Board of Directors of the Foundation as well as a copy of the revised By-Laws. After discussion of having representation from all Northern Kentucky counties, Mrs. Standley invited all regents to make nominations to the Board of Directors for their consideration. NKSC Foundation

Open House plans for the Science Building were announced by Mrs. Standley. On Saturday, September 14, a science exhibit and demonstrations for high school students and teachers will take place all day. It will coincide with a regional meeting of high school science teachers on our campus. On Sunday, September 29, from 2 to 5 p.m., a general Open House will be held for the public. Open House - Science Building

The Committee on Housing had one meeting according to Mr. Martin. After doing some additional research in this area, the committee will have a report for the Regents at their next meeting. Committee on Housing

Dr. Ramage presented a proposal from the Recreation Sub-Committee of the Citizens Task Force which is studying and making recommendations on the development of the city of Highland Heights. This proposal outlines the possibility of the college loaning some 11 acres of wooded ground to the City of Highland Heights for recreation

purposes. The area is located behind the new Lindner Shopping Mall. Mr. Haas made a motion that the proposal be approved subject to five conditions, four of which Dr. Steely had outlined earlier to the Sub-Committee and the fifth which the Regents felt needed to be added:

Highland Heights Proposal for Recreation Area

(1) that no trees be cut, (2) that the City of Highland Heights obligated itself to keep the place as neat as the college proposes to keep the rest of the campus, (3) that the college could, with reasonable notice, reclaim the area if college development in the best interest of the institution warranted it, (4) that the Board of Regents approve, and (5) that the actual development of the area be subject to the approval of the college and the Board of Regents be kept advised on what is going on in this development.

The motion was seconded by Mr. Eith and was passed unanimously.

There being no further business, a motion was made by Mr. Haas, seconded by Mr. Mann, that the meeting be adjourned. The meeting adjourned at 10:20 p. m.

BOARD OF REGENTS MINUTES
NORTHERN KENTUCKY STATE COLLEGE
Tuesday, October 15, 1974

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Kenneth Lucas at 8:10 p. m. on Tuesday, October 15, 1974, in the Board Room of Nunn Hall. Chairman Lucas welcomed those present. The invocation was given by Dr. James Ramage.

Roll Call: Present - Mr. Elmer Haas, Mr. Joseph Kohler, Mr. Kenneth Lucas, Mr. Henry Mann, Mrs. Lee Mills, Mr. Warren Shonert, Dr. Frank Stallings, Mr. Gary Eith, Dr. Frank Steely, and Counsel John Brooking.
Absent - Mr. Gordon Martin, Dr. Edgar Wippermann
Others Present - Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mrs. Sherrianne Standley, Dr. James Ramage, Dr. Joseph Price, Dean Jack Grosse, Mr. William Smith, Mr. Jack Hicks of the Kentucky Enquirer, Mrs. Frank Stallings, and Mrs. Dolores Thelen.

The Oath was administered to the new Faculty Regent, Dr. Frank Stallings, by Chairman Lucas.

ACADEMIC AFFAIRS

Faculty Appointments

Dr. Tesseneer recommended the appointment of the following new faculty members:
Mr. Gary Casson as Director of Computer Services and Instructor in Computer Sciences at $15,000 for 12 months
Ms. Carol Boal as Instructor in Nursing at $9,000 for academic year
Ms. Suzanne Selig as Instructor in Sociology at $10,500 for academic year
Dr. William Stoll as Assistant Professor of Psychology at $12,000 for academic year
Dr. Arthur Miller as Associate Professor of Psychology at $15,750 for academic year
Mr. Bertram Berman as Lecturer in Radio/Television at $12,000 for academic year
Ms. Sharlotte Williams as Instructor in Anthropology at $11,000 for academic year

Mr. Haas moved that these appointments be approved upon the recommendation of Dr. Tesseneer. The motion was seconded by Mr. Kohler and was passed unanimously.

Fall Enrollment

Dr. Tesseneer reported that our fall enrollment for undergraduate and law students was 4,883 (125 over last year). The FTE enrollment shows an increase of 4% over last year. 538 are enrolled in associate degree programs, 3,754 in baccalaureate programs, and 591 at the law school (law school last year was 549). There are 212 enrolled in graduate consortium classes and 250 are enrolled in non-credit, continuing education courses - neither of these figures can be counted in our official enrollment figures reported to the Council on Public Higher Education. When asked about the educational value of non-credit courses, Dr. Steely said that he felt this was an extension of our credit courses. Some 90% of the persons taking these courses have no other connections with our campus and in this respect we are performing a service to the community. Next semester, the non-credit courses are going to be published with our regular credit courses and it is hoped that some people may be enticed to take credit courses. The instructional costs of these programs are covered by the enrollment fee, and the college furnishes the facilities.

Dr. Tesseneer further reported that three new majors have been added to the curriculum - metal technology, public administration, and physics. The Tenure Committee, of which Dean Grosse is chairman, is at work and will have something concrete to bring to the Regents possibly at their next meeting. Dean Grosse outlined some of the items which the committee is considering. He further stressed that the committee is not working in secret, but have asked the Faculty Senate for input and opinions on what they have worked on up to this time.

General Academic Comments

ADMINISTRATIVE AFFAIRS

A financial report for the past quarter (July 1-September 1, 1974) was distributed to each Regent for their information.

Financial Report

Mr. DeMarcus reported on building progress: He stressed that the projections he would gave them were based on the best estimate that could be made at this time. The tennis courts are now under construction and should be completed November 1. The resurfacing of the large gravel parking lot for students will begin on October 20 and should be completed by November 20. The electrical substation is under construction - to be completed in about six months. The central power plant is under construction - should be completed by November, 1975. The academic classroom building is in final design stage and ground breaking is scheduled for January, 1975. The fine arts building final design should be completed in about a month with ground breaking in December, 1974. The maintenance building design to be completed in December, with ground breaking in January or February and completion in the summer or fall of 1975. The projected completion date for the library is November 1, 1975. Programming meetings are being held for the student center. The architects will hopefully be able to begin design in January, completing it around April, 1975, and ground breaking in June, 1975.

Building Progress

Mr. DeMarcus submitted the following names of persons for administrative positions and recommended their approval:

Mr. V. Ronald Simpson as Director of Personnel at $15,000 for fiscal year.
Mr. William L. Woods as Director of Accounts at $15,000 for fiscal year.
Mr. Stephen C. Brauch as Director of Financial Aid at $14,700 for fiscal year - Mr. Brauch has been Acting Director for several months.
Mr. John Gallagher as Bursar at $14,700 for fiscal year - Mr. Gallagher has been with the college several years as Director of Accounts.

Administrative Appointments

Motion to approve these appointments as recommended by Mr. DeMarcus was made by Mr. Kohler, was seconded by Mr. Mann, and was passed unanimously.

Mr. Brooking presented the following resolutions for the Regents to consider:

Resolution No. 1-S, 1974 - A Resolution Creating and Establishing a Safety and Security Department at Northern Kentucky State College. After discussion, the resolution was adopted on motion by Mr. Kohler. The motion was seconded by Dr. Stallings and was passed unanimously. A copy of Resolution 1-S is attached to these minutes in its final form as adopted.

Public Safety Department Resolutions

Resolution No. 2-S, 1974 - A Resolution Appointing a Safety and Security Department, Its Members and Their Compensation. The resolution was adopted on motion made by Mr. Mann, was seconded by Mrs. Mills and was passed unanimously. A copy of Resolution 2-S is attached to these minutes in its final form as adopted.

At this point, Mr. Kohler asked if the Regents could have more time to look over papers when some of these important issues are brought up for discussion. It was explained that some of the administrative appointments were consummated in the past few days, but that consideration will be given to this request. Mr. Mann questioned whether the dates of the Regents meetings could be set further ahead than just a week before the meeting. After discussion, it was the consensus that the day of the quarterly meeting would remain flexible, but that they would be set far enough ahead to give Regents time to work out their schedules. Dates of Quarterly Meetings

STUDENT AFFAIRS

Dr. Claypool reported that Student Government elections for the fall were over. There was substantial student participation. 24% of the student body voted which is good participation for off-year elections (that is, when officers of Student Government are not elected). He reported that the Student Affairs offices are servicing some 5,400 students which is a substantial increase over what has been done previously. There is a vigorous intramural program. Regents Hall is being used to capacity. Dr. Claypool estimates about 1/3 of the student body is involved in intramural activity. He further reported that there is a great spurt in women's athletics - we now have a basketball team and volleyball team. Both teams have vigorous schedules and some of the games will be played before our men's basketball games. The Student Affairs office has carried on an extensive concert program with large participation. Students also are getting an opportunity for a great deal of input into the planning of the student center. General Student Affairs Comments

Dr. Claypool and Dr. Tesseneer are in the process of securing a director for psychological services. This person will handle the testing program as well as counseling the students. A name will be brought to the Regents when the search has been completed. Director of Psychological Services

PUBLIC RELATIONS

Mrs. Standley thanked everyone for support of the science building open house. She reported that her office did a survey of special events which her office books. It was found that some 56,550 persons used our facilities, not including the recent open house, since January, 1974. Use of facilities

OTHER BUSINESS

Dr. Stallings presented the following amendments to the Faculty Constitution and recommended their approval:

In Article V, A, 1, add the following after the first sentence: "The Faculty Regent shall also be an ex officio member; the Regent shall not have a vote unless the Regent happens to be an elected member of the Senate in which case he or she will have the right to vote." Mr. Kohler moved approval of this amendment as recommended by Dr. Stallings. The motion, seconded by Mr. Eith, was passed unanimously. Faculty Constitution Amendments

In Article XII, add the following after the first sentence: "The approved amendment becomes operative upon ratification by the Board of Regents." Mr. Kohler moved, Mr. Eith seconded, a motion for approval of the amendment as recommended by Dr. Stallings. The motion was passed unanimously.

A report was given by Dr. Ramage on the progress of the Highland Heights Park to be on our property. He read the following from their newsletter: "At a recent Board of Regents meeting at Northern Kentucky State, Dr. Jim Ramage requested on behalf of the City of Highland Heights, the use of about 11 acres of College property for recreational purposes. The Board of Regents voted unanimously in favor of this action, pending approval from down state. We want to say a great, big THANK YOU to the College Board of Regents." Mr. Brooking informed the City Council that a survey was needed and this will be accomplished shortly so that necessary approval can be received from the State Division of Properties. Dr. Thieret and his ~~Biology Department~~ Natural Biological Resources will take on the responsibility of marking the trees that are to stay and when all necessary tasks are completed, it is hoped that the area can be cleared in the spring.

Highland Heights Park

Mr. Brooking pointed out that the Regents, in adopting their By-Laws, have agreed to the indemnification of the regents, administration and faculty for any acts or actions taken while on official business of the college. He reported that he has checked with a number of insurance companies on the possibility of getting liability insurance to cover this. It would cover the group mentioned above in all areas except when they are driving a state-owned automobile. The only company that would bid on such coverage was the Fireman's Fund, who quoted $1750 per year.

Liability Insurance

based on Mr. Brooking's recommendation
Mr. Haas moved that/the Board of Regents insure, after competitive bidding, themselves, administrators, and faculty on the business of the college in order to fund our indemnification by-law, subject to the approval of the Kentucky Department of Insurance. The motion was seconded by Mr. Mann and was passed unanimously.

Mr. Gordon Martin is chairing a Northern Kentucky Chamber committee, on which Dr. Steely is a member, to look into the Interstate Highway system in Northern Kentucky. The hope is that maybe this committee can have some affect on speeding up the program.

Interstate Highways

Mr. Eith presented the following amendment to the Student Government Constitution, which he recommended the Regents approve:

> Change dates of Student Government elections in Article VII, Section 3, a & b, as follows:
>
> "Student Government elections shall be held on the second Wednesday and the immediate following Thursday in April for the Spring elections; and the first Wednesday and the immediate following Thursday in October for the Fall elections."

Student Government Constitution Amendment

Mr. Eith reported that this was passed unanimously by the representative assembly, and by a vote of 689 yes and 67 no in the Fall Student Government elections. Dr. Claypool also recommends this amendment. Mr. Kohler moved that, upon recommendation of Dr. Claypool and Mr. Eith, the amendment be approved. The motion, seconded by Mr. Haas, was passed unanimously.

Dr. Steely reported that Dr. Tesseneer, Mr. DeMarcus, Dr. Waggoner, Dr. Melnick, Mrs. Standley and he attended a meeting of the Council on Public Higher Education today in Frankfort, at which our graduate program was discussed. The response of the Council to our request to do the graduate program unilaterally was very well received, and we were assured that there will be a special meeting held before next semester when it will be brought up for approval. We will then have time to go with our own program in January.

Graduate Program

A report from the Office of Research and Institutional Studies was presented to the Regents for their information.

It was reported that Mr. Martin had been talking to a number of builders but the committee has not been able to come up with anything concrete. Builders have been reluctant to make a proposal, but the committee is trying to get something substantial to present to the Regents.

The meeting was adjourned at 10 p.m. on motion by Mr. Haas and second by Mr. Eith.

ADJOURNMENT

MEETING OF BOARD OF REGENTS MEETING
January 7, 1975

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Lucas at 8 p.m., January 7, 1975, in the Board Room of Nunn Hall. The invocation was given by Dr. Ramage. Chairman Lucas welcomed all present.

Roll Call - Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith. Also present - Dr. Frank Steely.

Others present: Counsel John Brooking, Emeritus Regent Charles Wiley, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mrs. Sherrianne Standley, Dr. James Ramage, Dr. Joseph Price, Dean Jack Grosse, Mr. Martin Huelsmann, Mrs. Dolores Thelen; Faculty Counsel - Mr. Philip Taliaferro; Mr. Tom Chaney - Kentucky Post; Mr. Jack Hicks - Kentucky Enquirer; Mr. Richard Wilson - Courier-Journal; Mr. Dave Jones - The Northerner; Faculty members - Dr. Warren Corbin, Dr. Richard Couto, Miss Jean Koehler, Dr. Kosmo Tatalias, Miss Chris Tetzlaff, Dr. Jeffrey Williams; Mr. Greg Kilburn;and Mr. Brent Neisel of George Washington University.

The Oath was administered to Mr. James R. Poston by the chairman.

Mr. Joseph Kohler was appointed Regent Emeritus on motion made by Mr. Haas and seconded by Dr. Stallings. It was observed by the chairman that Mr. Kohler made an outstanding contribution to this college and will be remembered for years to come by his sincerity and eagerness to serve this institution, its faculty, and its students. The motion was passed unanimously.

Kohler - Regent Emeritus

The minutes of the October 15, 1974 meeting were presented for approval. Two corrections were made: on page 2, line 2, first word should "Medical", and on page 2, second paragraph, should read: "A financial report for the past quarter (July 1-September 30) was distributed". The minutes were approved as corrected by motion made by Mr. Haas. The motion, seconded by Dr. Wippermann, was passed unanimously.

Minutes and Corrections

ADMINISTRATIVE AFFAIRS:

Each Regent received a financial report for the period of July 1 - December 31, 1974. Mr. DeMarcus stated that the revenue is about what was expected, if not better.

Building Progress - Library is a little ahead of schedule and should be finished in July. Fine Arts Building has been bid - ground breaking will be held in 30 to 45 days. Maintenance building design is being reworked because it was to be of metal construction. After experience with metal buildings during the recent tornado, the State wants this building to be constructed of concrete. The concrete building design is to be finished within the next week. The academic building will be re-bid as the first bidding was too high and, hopefully, ground breaking can be held in 30 to 60 days. Central power plant is on schedule. Vocational school planning is on schedule with an access road being planned. Tennis courts are complete except for a top coat to be applied in the spring. Intramural field will be completed by next summer as will the parking lots.

Building Progress

STUDENT AFFAIRS:

Dr. Claypool pointed out that the Collage each Regent received is a joint effort by the Humanities Department and Student Activity Fee. Each Regent was presented with a personalized copy of the Polaris (yearbook) which also was financed by the Student Activity Fee, which each full-time student is assessed. Dr. Claypool complimented the student staff of the Polaris for an outstanding job and a yearbook of which the college can be proud. Student Affairs

ACADEMIC AFFAIRS:

Spring enrollment is still in process. Dr. Tesseneer report that, as of January 7, 1975, undergraduate enrollment is 3,831 as compared to 3,557 this time last year which is an increase of approximately 10%. Chase enrollment will be 500 which will also be counted in the official report. Other enrollments which cannot be counted are 140 graduate students and 151 non-credit course enrollments. The total number of persons this institution will be serving this spring will be approximately 4,631. Dr. Tesseneer feels the 10% increase is rather significant. Spring Enrollment

Dr. Tesseneer recommended the appointment of the following new faculty members:

Dr. George Rogers as Assistant Professor of Psychology and Director of Psychological Service at an annual salary of $16,000.

Dr. Janet A. Miller as Assistant Professor of Education at a salary of $13,000 for the academic year .

Dr. Constance Carroll as Assistant Professor of Education and Psychology at a salary of $13,000 for the academic year.

Faculty Appointments

Mr. Martin moved that the above be appointed to the faculty upon the recommendation of Dr. Tesseneer. The motion, seconded by Mrs. Mills, was passed unanimously.

The Position Paper, which all Regents received, was explained by Dr. Tesseneer as being largely from the Faculty Handbook. The two introductory paragraphs and the paragraph on Teaching Faculty is not in the handbook. Mr. Shonert moved that, inasmuch as the faculty had not had the opportunity to see the paragraph on Teaching Faculty, it be given to the faculty for in-put and brought back to the Regents at a later date. The motion was withdrawn. Position Paper

Chairman Lucas announced that he wished to take the following action: Inasmuch as there seems to be a difference in positions on the Tenure Policy and inasmuch as the Regents have to make the final decision, he will appoint a committee of Regents to hear any and all positions from concerned parties about the tenure policy and he asked Counsel Brooking to set up the guidelines governing these hearings. He also wants the committee to consider, along with the tenure policy, the paragraph in the position paper on Teaching Faculty. After the committee has heard from all concerned, he would ask them to study fully all areas and return a recommendation for the Regents to consider, hopefully no later than the end of February. Tenure Committee appointed

Chairman Lucas appointed the following to the Tenure Committee: Mr. Henry Mann, Mrs. Lee Mills, Mr. Elmer Haas, and Mr. Lucas.

Counsel Brooking said he would expect orderly hearings with the Faculty Counsel presenting all areas of concern of the faculty, the Tenure Committee, chaired by Dean Grosse, to present their position, and Dr. Tesseneer and others presenting the position of the administration. He would expect that all persons being interviewed to present their positions in an orderly and prepared manner.

A special meeting with only the purpose of hearing the Regents' Tenure Committee's recommendation will be called when the committee has completed its work.

There being no further business, the meeting was adjourned on motion by Mr. Haas and seconded by Mr. Poston. The meeting was adjourned at 8:40 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, April 21, 1975

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Lucas at 8:05 p.m., April 21, 1975, in the Board Room of Nunn Hall. The invocation was given by Dr. Ramage. Chairman Lucas welcomed all present.

Roll Call :

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith. Also present- President Frank Steely.

Others present: Counsel John Brooking, Emeritus Regent Charles Wiley, Student Counsel Philip Taliaferro, Mr. John DeMarcus, Dr. James Claypool, Mrs. Sherri Standley, Dr. James Ramage, Dr. Joseph Price, Dean Jack Grosse, Mr. Martin Huelsmann, Mr. Frederick Schneider, Dr. Bill Parsons, Dr. Roger Meade, Dr. Richard Couto, Dr. Al Pinelo, Dr. Leon Sarakatsannis,Dr. Robert Wallace, Dr. Jeffrey Williams, Mr. Jack Hicks of the Kentucky Enquirer, Mr. Tom Chaney of the Kentucky Post, Mr. Richard Wilson of the Courier-Journal, Mr. Tim Funk of the Northerner, Student David Hardin and Mrs. Dolores Thelen.

Application for FCC License

Dr. Parsons was recognized by the chairman before any other business as he had a class in session. Dr. Parsons explained that all paper work was completed with regards to applying for an FCC License to operate a 1.4 kilowatt FM station in the new Fine Arts Building. All that was left to be done was a resolution approving such action by the Board of Regents. Assuming that approval is given, the application needs to be sent in immediately to meet a deadline. Dr. Parsons estimated that it will cost approximately $54,300 to construct such a station and $60,000 to operate the first year. An application for construction grant has been sent to HEW in which $43,783 is sought. Operating costs will come from general fund - a number of such items are in the budget, such as Dr. Parsons' salary, who also will be station manager. Dr. Parsons estimated it will take at least a year to get such approval from the FCC. The operating costs are not in the 75-76 budget, but it is felt none will be needed until the next fiscal year. It is anticipated that the station will be in operation from 12 noon to 12 midnight and it will be a teaching tool for the communications department as well as an NKSC voice in the community. Morehead University has a 50,000 watt station and University of Cincinnati and Xavier have such stations.

Mr. Haas moved that the Regents approve an application for an FCC License for a 1.4 kilowatt FM station for the college. The motion, seconded by Mr. Shonert, was passed unanimously. Mr. John DeMarcus, Vice President for Administrative Affairs, will sign the application for the college.

Minutes of 1/7/75 approved

The minutes of the January 7, 1975 meeting were approved unanimously upon motion by Mr. Haas and seconded by Mr. Martin with the following correction - under "others present" the correct name is Brent Neiser from George Washington University.

The 1975-76 Recommended Budget was discussed by Mr. DeMarcus. He pointed out that budget figures are the best estimate that could be given at this time. Because the college is still in an expanding stage, it is difficult to project certain line items. This present year's figures are

(continued)

more nearly the actual costs and any real difference is because we had no history to back us up in year's past. Most of our estimated revenues have been met this year and in some cases, exceeded estimates. Most expenditures have been close, except for utilities. Because of revisions by the Department of Finance, some things are included in next year's budget that were not in last year's. There are a number of changes in the accounting procedure which will take effect July 1, 1975, as requested by the Finance Department. Mr. DeMarcus further stated that he had sent a lengthy memorandum to the faculty about the budget and invited any faculty member to meet with him if they had questions on the budget. He did not meet with the faculty as a whole as he felt this was too large a group to adequately discuss such an involved issue. To date, no faculty member has approached him with questions on the budget. Southern Association of Colleges and Schools, on their visitation, commented that we had opened the budget in the past to such large groups that we would find this could lead to a great deal of misunderstanding.

The additional revenue for parking was questioned. Mr. DeMarcus said that the Public Safety Committee had discussed this thoroughly and felt that $15 for students and $25 for faculty parking was not an exhorbitant fee. The present fee of $1 does not even cover the cost of printing stickers. Mr. Huelsmann, who serves on the Public Safety Committee, stated that the committee looked into costs charged by other local colleges and felt the proposed fee was still lower than any of the other colleges. Mr. Eith asked if the budget is approved as presented, are the Regents therefore approving the raise in parking fees as well as other items that have been raised. Mr. Lucas and Mr. DeMarcus both agreed that this was true.

Mr. Shonert asked about the legal staff and it was explained that the staff remained the same as last year. Last year's budget figure was incorrect as the Regents had left the figure at $11,000 last year, but was not reflected in the figures. It was also questioned why the library books' budget remained the same as last year in view of the fact that we are building a new library. Mr. DeMarcus explained that we have a large amount of books in storage that we have purchased over the last two years. Dr. Steely also pointed out that the percentage of our budget which was allotted for library books was higher than any other institution in Kentucky. Dr. Steely further explained that the balance of allocated monies left after the usual 5.5 increase in personnel and services in addition to the computer and a raise in utilities, went to academic areas.

1975-76 Budget Adopted

Mrs. Mills moved that the recommended budget be adopted as present. The motion was seconded by Mr. Haas and was passed unanimously.

Mr. DeMarcus reported that there would be a ground breaking for the new academic building very soon. Completion of the building is projected for Aug. 1976. The Student Center is under design to be completed by September. Projection date for construction completion for the Student Center is Spring, 1977.

STUDENT AFFAIRS:

Dr. Claypool reported that we will have ten women on full athletic scholarship in the fall - this is more than any other institution in the state. He commented that adding the new director of psychological services and testing, which the Regents approved at the last meeting, added another dimension and new service to the students. The tennis courts will be ready this month. He further reported that the tennis courts, which will be opened this month, will be open to the community people after the scheduling for faculty, staff and students is completed.

COMMENCEMENT:

Dr. Ramage, a member of the Commencement Committee consisting of students, faculty and staff, reported that Commencement will be held at 3 p.m. on May 11 with Eric Sevareid as main speaker. Northern will award its first master's degrees with 7 persons receiving a degree of Master's in Education. This will be the largest graduating class in Northern's history with 645 persons - 7 Master's, 119 Juris Doctors, 386 Baccalaureate, and 133 Associate Degrees. The regents and spouses are invited to lunch at the Reception Center preceding graduation and if schedule permits, Mr. Severaid will join them. Dr. A. D. Albright, Executive Director of the Council on Public Higher Education, will be present to hood the master's graduates. If any of the regents cannot be at the luncheon, they are asked to be at the board room before 2 p.m. for robing.

PUBLIC RELATIONS:

Mrs. Standley reported that Mrs. Martha Malloy, director of career services center, had resigned. She said that several persons had been interviewed and that she was presenting and recommending Mr. John Osmanski as the new director at a salary of $15,000. Dr. Steely commented that Mr. Osmanski was a very knowledgable person and had a number of connections in the business community and felt he would be an asset to the college. Mr. Eith moved that, upon the recommendation of Mrs. Standley, Mr. Osmanski be employed as Director of Career Services Center at a salary of $15,000 per year. The motion, seconded by Mr. Martin, was passed unanimously.

Approval of Director of Career Service Center

ACADEMIC MATTERS:

Chairman Lucas reported that the Regents' Tenure Committee met for many, many hours to come up with a suitable recommendation for the Regents. He thanked the sub-committee which consisted of Mrs. Mills, Mr. Mann and Mr. Haas as well as himself. He explained that a lot of time and effort went into the proposal and they gave due course to hearing all sides and considered what they felt was meaningful. Mr. Lucas read the Tenure Policy as well as a Policy Statement in its entirety. After a lengthy discussion and several amendments, Mr. Haas moved to adopt the sub-committee's report as amended and the administration is hereby authorized and directed to incorporate same into the college operation. The motion was seconded by Mr. Mann. Attached to these minutes are the amended Tenure Policy and Policy Statement.

Tenure Policy and Policy Statement

In the terminology of the tenure proposals the Regents made plain that department chairmen are to be considered administrators. After further discussion, it was pointed out by Mr. Brooking that this tenure policy does not affect Chase faculty because in the Merger Agreement with Chase, the Regents did accept their tenure policy for that group and it could not be changed.

The vote to accept the recommendations of the sub-committee was as follows:

Aye - Mr. Haas, Mr. Mann, Mr. Martin, Mrs. Mills, Mr. Poston, Dr. Wippermann, Dr. Stallings, mr + eth

Nay - Mr. Shonert

Vote to accept Sub-Committee Report

Mr. Shonert said he would have voted "aye" for the committee's Statement on Tenure because it appears that most of the faculty present indicate they can live with it; however, he further stated he votes "nay" on the Policy Statement as he does not agree with and believes the faculty does not agree with it and he further feels that it may conflict with the statutes.

Mr. Lucas said that the committee had learned some valuable things. Although there were groups who had genuine concern and were very sincere, there were other people who are less than sincere and take advantage of the time to create turmoil. The administration is encouraged to ferret out those few individuals, whether they be faculty or administrative personnel, who are troublemakers, with no legitimate purpose in mind but to cause trouble and terminate their employment with the college, for cause. He said the committee had utmost confidence in the administration and while some do not feel they have been completely democratic, there are times that actions need to be autocratic for the good of the institution. Now was the time to get back to business as usual, and advised and faculty to go through proper channels. He further asked that all get on with the business of educating students, which is the primary purpose of the college.

Dr. Price presented new faculty appointments as recommended to the Regents from the office of Vice President for Academic Affairs:

New Faculty Appointments

Dr. Thomas J. Kearns as Assistant Professor of Mathematics at a salary of $14,000 for the academic year

Ms. Caryl A. Yzenbaard as Assistant Professor of Law at a salary of $18,000 for the academic year

Mr. Edward H. Ziegler, Jr. as Assistant Professor of Law at a salary of $18,000 for the academic year

Motion was made by Mr. Haas, seconded by Mr. Mann, that the recommendation of the academic affairs office made by Dr. Price be adopted. The motion passed unanimously.

Dr. Price further recommended that the following be approved for tenure and promotion:

For Tenure:

Kenneth Carter	Arthur Miller	Mary Ellen Ryan
Annette Chavez	Robert Mullen	James Satterfield
Edward Goggin	Stephen Newman	Vincent Schulte
Martin Hils	Thomas Nieman	Joe Smith
Michael Hur	Dennis O'Keefe	Howard Storm
William McKim	William Oliver	Noel Sullivan
Mike McPherson	Lowell Osborne	Rosella Zeiser
Roger Meade	Darryl Poole	

For Promotion:

Roger Billings	to Assistant Professor	Lowell Osborne	to Associate Professor
Stephen Boyd	Associate Professor	Earl Pfeifer	Assistant Professor
Frank Butler	Professor	Al Pinelo	Associate Professor
Kenneth Carter	Professor	James Ramage	Associate Professor
Annette Chavez	Professor	Thomas Rambo	Associate Professor
Warren Corbin	Associate Professor	Mary Ellen Ryan	Assistant Professor
Patricia Dolan	Assistant Professor	James Satterfield	Associate Professor
Edward Goggin	Professor	Dixiana Smith	Professor
David Jones	Assistant Professor	Howard Storm	Assistant Professor
Vinay Kumar	Associate Professor	Lois Sutherland	Assistant Professor
William McKim	Associate Professor	Noel Sullivan	Professor
Arthur Miller	Professor	Rita Tobler	Assistant Professor
Robert Mullen	Associate Professor	Sharlotte Williams	Assistant Professor
William Oliver	Associate Professor		

A motion was made by Mrs. Mills and seconded by Mr. Poston that the recommendations of the academic affairs be approved as presented.

It was reported that, with the preceding list, there would be about 42% of our faculty tenured. During discussion, it was pointed out that the preceding promotions and tenure came about by recommendation from the department and chairman, to the academic vice president, to the president.

Mr. Eith asked if he could present another name for consideration for tenure. When told that he could not if it had not been put through the proper channels as outlined in the faculty handbook, Mr. Shonert moved that the motion regarding tenure and promotion be tabled. The second to table the motion was made by Mr. Eith. The vote was as follows:

Aye - Mr. Shonert, Mr. Eith
Nay - Mr. Haas, Mr. Mann, Mr. Martin, Mrs. Mills, Mr. Poston, Dr. Wippermann

Dr. Williams asked if there are people who are eligible, will the Board consider recommendations prior to April, 1976. He was informed that the Board would do so if they proceed through proper channels.

The final vote on Promotions and Tenures as listed on page 4 was as follows:

Aye - Mr. Haas, Mr. Mann, Mr. Martin, Mrs. Mills, Mr. Poston, Dr. Wippermann, Dr. Stallings, Mr. Shonert. Mr. Eith abstained.

Correspondence was received by the Regents from two faculty members regarding their own tenure. Mr. Haas moved that the assistant secretary, Mrs. Thelen, communicate to these persons that their correspondence was received, and that they be advised to follow the channels as outlined in the faculty handbook, and if such recommendation is made to the Board of Regents, the board will consider this at their next meeting. The motion, seconded by Mr. Shonert, was passed unanimously.

Mr. Shonert moved that all regents be notified of any meeting along with the agenda and exhibits relating to the agenda by certified mail. The motion, seconded by Mr. Eith, was passed unanimously.

Mr. Shonert reported that he is on a sub-committee of the Northern Kentucky Area Development District which now has facilities in Florence. He proposed that it would be good public relations to offer this group one of our houses on the campus that will not be needed as future buildings are completed. He felt it would build good community relationships.

Chairman Lucas appointed Mr. Shonert and Mr. Mann, who is also a member of a committee of the Area Development District, to a sub-committee of the regents to explore the possibilities outlined by Mr. Shonert. He asked them first to meet with the administration to determine if such housing is available.

Mr. Brooking presented three bids for indemnification insurance to cover regents, faculty and staff as outlined in the statutes and incorporated with the Regents' By-Laws. The bids were for $300,000 bodily liability and $25,000 property damage, as well as supplemental coverage for independent contractors and blanket contractural. The bids were as follows:

Fireman's Fund	$1,606
Ohio Farmers	1,608
Continental Casualty	1,285
Supplemental Coverage	855

(continued)

Mr. Haas moved, Mr. Martin seconded a motion that upon the advise of counsel, the bids of Continental Casualty plus supplemental coverage at a cost of $2,140 per year for coverage of regents, administration and faculty under our indemnification by-law be accepted, subject to State approval, if necessary. The motion passed unanimously.

The motion to adjourn was made by Mr. Eith and seconded by Mr. Haas.

The meeting adjourned at 11:30 p. m.

ADJOURNMENT

MINUTES OF THE BOARD OF REGENTS MEETING
Tuesday, July 29, 1975

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:05 p.m. by Chairman Lucas in the Board Room of the Highland Heights Campus. The invocation was given by Dr. Ramage.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mrs. William Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, and President Frank Steely.

Regents absent: Mr. Henry Mann, Mr. Gordon Martin and Mr. Gary Eith (all had prior commitments).

Others present: Counsel John Brooking, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mrs. Sherrianne Standley, Dr. James Ramage, Dr. Joseph Price, Mr. Martin Huelsmann, Mr. Frederick Schneider, Mr. Ed Goggin, Student Greg Kilburn, Mr. Frank Ashley of the Courier-Journal, Mr. Jack Hicks of the Kentucky Enquirer, Mr. Louis DeFalaise of Adams Brooking Stepner & Mitchell law firm, and Mrs. Dolores Thelen.

The minutes of the April 21, 1975 meeting were approved unanimously upon motion by Mr. Haas and seconded by Dr. Stallings with the following correction: Gary Eith notified the assistant secretary that he had voted "aye" on the tenure proposal (last paragraph on page 3). This vote was so noted.

A motion was made by Dr. Wippermann and seconded by Mr. Poston that the present officers of the Board of Regents be elected for another year (July 1, 1975 - June 30, 1976). The officers are Kenneth Lucas, Chairman; Elmer Haas, Secretary-Treasurer; and Dolores Thelen, Assistant Secretary. Officers Re-elected

The President's Annual Report was favorably received by the Regents. Dr. Steely thanked Mrs. Standley and the public relations department for the fine work they did on it and he also credited the academic, student, and administrative areas for their in-put. He further commented that he was very proud of the work of our printing department. President's Annual Report

Student Affairs - Dr. Claypool

Dr. Claypool reported that the tennis courts are now open to students, faculty and staff as well as the community at large. The athletic department received the bid to host the regional girls' basketball tournament. The tournament for Region II will be held in late winter and will include girls' teams from Kentucky, Tennessee, South Carolina, North Carolina and Virginia. The winner of this tournament will represent the region at the national tournament to be held at Ashland, Ohio. The Northern girls' basketball team did represent Region II at last year's national tournament. Dr. Claypool further commented that Northern will be represented at the NCAA national convention to be held in Chicago in August and at the AIAW meeting in Arizona in January. Much discussion at these meetings will center around girls' athletics - Northern can probably be on an equal footing with any school in the nation with regards to girls athletics. Student Affairs

Administrative Affairs - Mr. DeMarcus

Mr. DeMarcus reported on construction as follows: The library is on schedule and should be completed by September 25th. Plans are now being made for the move. Fine Arts building is on schedule - with completion date in August, 1976. The academic building is on schedule and completion should be August or September, 1976. The maintenance building is ahead of schedule and will be completed in December, 1975. The vocational access road construction will begin this week. The intra-mural fields have been delayed, partly due to lack of money and also waiting for adequate fill. It will be some months before the fields are completed. The two parking lots are delayed, awaiting construction of the access road. Second phase of design for the Student Center is completed with ground breaking expected to be around October 1. The latest word is that some of I-275 will open in the fall, but will not be totally completed until 1978. There is no estimated completion date on I-471. The first design phase is completed on the vocational school and the second phase should soon begin.

Construction Progress Report

Dr. Steely reported that all of the institutions in the state have been asked to issue requests for future building. Our request to the Council on Public Higher Education asked for the remaining buildings of our master plan which includes three major buildings - Business and Education building, a Health and Physical Education building, and an administration building. The Council has indicated favorable reception of these requests as well as request for an addition to the Fine Arts building.

Mr. DeMarcus further reported that a new accounting system is being instituted in the state and we now have the new budget format which must be completed by October 1. The state appropriations will be based upon this format.

Counsel Brooking reported that the state insurance department will not approve the college purchasing liability insurance as voted upon at the last Regents' meeting. The Attorney General has agreed with the insurance department that insurance cannot be purchased with state funds unless it is a part of an employee benefit program. The personnel director was able to secure an Educators Professional Liability Policy which covers members of the instructional, supervisory or administrative staff (which includes Regents) at a cost of $1.95 per person with a total cost to the college of $436.80 per year. This policy has been reviewed by the Department of Insurance as well as by the Department of Finance and we have their approval to process this coverage. The limits of liability is for $100,000 each occurrence.

Indemnification Insurance

Mr. Haas moved that we negate the action taken at the April 21, 1975 board meeting regarding indemnification insurance and upon the advice of Counsel, we approve the Educators Professional Liability Policy as it has been set up to be paid for by the college as an employee benefit. The motion, seconded by Mr. Shonert, was passed unanimously.

Mr. DeMarcus distributed a Summary of Revenue and Expenses through June 30, 1975. It was pointed out that the revenues were revised to adjust to the state's new accounting system. The adjustment of the appropriations figure was due to the fact that the state made available during the course of the year certain inflationary money. Some of the differences in anticipated and realized expenses were due to the fact that in some areas there was no history of expenditures and also as some services increased,

Financial Report

additional faculty and staff had to be added. In general, the picture looks good. Dr. Steely commented on employee benefits to the effect that we are one of three state schools (UK and UL included) on TIAA. We inherited this program of the community college in which the college pays 10% of base salary to TIAA and 5% is deducted from the person's salary to be included with the college's share. The other five area colleges are on Kentucky Teachers' Retirement - which calls for the colleges to pay 7-1/2% and 7-1/2% being paid by the individual. A study of insurance and retirement plans in the state is now in progress and there will probably be something coming out of the legislative sessions in the spring.

When questioned about the audit for fiscal year 1974, Mr. DeMarcus reported that the auditors are now working on the books and he anticipated an audit report for the next Regents' meeting.

Public Relations - Mrs. Standley

Mrs. Standley mentioned all the strides being made by the Career Services Department under the direction of John Osmanski, whom the Regents approved at their last meeting. He is contacting by mail over 3,000 businesses in the Northern Kentucky and Greater Cincinnati area as well as personally talking with over 40 such businesses. He has found that some companies are cutting back their policy of on-campus interviews because of the present job market. Public Relations

Mrs. Standley pointed out that the college was represented this past month in the Home Buyer's Guide for Northern Kentucky and the Cincinnati Purchaser's Association, a trade magazine, was doing an article in their next publication. She also said that the Alumni Association held their first general membership meeting and had quite a large attendance.

Academic - Dr. Tesseneer

In addition to the list of proposed new faculty sent to the Regents, Dr. Tesseneer added the following names: New Faculty

Ms. Christine Carton as Instructor in Education (from University of Cincinnati)
Mr. Tony Mazzaro as Instructor in Social Work (from No. Ky. Comprehensive Care Center)
Ms. Margaret Miller as Instructor in Nursing (from private practice)

Dr. Tesseneer recommended the approval of the new faculty presented. The salary range is from $9,000 to $25,000. Mrs. Mills moved that the appointment of the new faculty as recommended by Dr. Tesseneer be approved. The motion, seconded by Dr. Stallings, was passed unanimously.

Dr. Tesseneer reported on summer enrollment as follows: (Intersession and Summer School) Enrollment

	1975	1974	Increase/(Decrease)
Undergraduate	1096	926	18%
Graduate	393	0	
Intersession	422	444	(5%)
Chase	373	332	12.3%
	2284	1702	34.2%

Fall registration looks good, but it is too soon to tell.

The Regents were given fee schedules for undergraduate, graduate and law school; however, none have changed except the law school tuition. Resident fees of $370 and non-resident fees of $700 are for a full load (at least 12 hours) for the day law school and are the maximum that can be charged. Those students taking less than 12 hours (the night students) will have their tuition pro-rated at $32 per hour for residents and $59 for non-residents. Dr. Tesseneer

recommended that the Regents approve this change in tuition which has been approved by the Council on Public Higher Education. Dr. Wippermann moved that the tuition rates for law school be approved upon the recommendation by Dr. Tesseneer. Dr. Stallings seconded the motion and it was passed unanimously. Law School Tuition Raised

Counsel Brooking called upon Mr. Louis DeFalaise of his law firm who is handling the Tihany case. Mr. DeFalaise reported that he expects the judge to hand down a ruling on the restraining order within the next day or two and he anticipates that the ruling will dissolve the restraining order. There can be no subpoena powers as there is no statutory provision for such powers for Boards of Regents. Legal Counsel Report

In anticipation of a hearing that could be held within the next two weeks, there needs to be certain procedural arrangements made. Counsel Brooking read the following resolution which he recommended the Board accept:

WHEREAS, a special meeting of the Board of Regents will be held to consider charges preferred against Professor Leslie Tihany, an employee of Northern Kentucky State College, by Dr. W. Frank Steely, President of Northern Kentucky State College, and

WHEREAS, Mr. James Poston, Attorney at Law, and a member of this Board of Regents, has served as a judicial officer, and

WHEREAS, it is the desire of this Board to give the said Dr. Leslie Tihany full protection of his rights and due process of law,

BE IT RESOLVED BY THE BOARD OF REGENTS OF NORTHERN KENTUCKY STATE COLLEGE that the Honorable James Poston, be and hereby is appointed Hearing Officer to conduct the special meeting and related proceedings of the Board of Regents to consider the charges against Dr. Leslie Tihany and that he is empowered to rule upon all motions and questions of law subject to an appeal to the vote of the entire Board by counsel for the College and Dr. Tihany, at said hearing, and to rule upon preliminary matters or motions or in any proceedings before the Board.

Mr. Brooking further explained that since there will be certain matters of a legal nature brought up, it would be most appropriate to have a third party presiding who would be qualified to rule on legal motions, etc.

Dr. Stallings moved that upon the advice of counsel, the above resolution be adopted. The motion, seconded by Mrs. Mills, was passed unanimously.

Mr. DeFalaise also noted that such a hearing must be open except at the time the Board retires to make its deliberations and reach a verdict.

Subject to the restraining order being dissolved, the Board was asked by counsel to set tentative dates for the hearing. Mr. Haas moved that Counsel be empowered to set up tentative hearing dates of August 11 and 12 beginning at 7 p. m. according to counsel's recommendation. The motion was seconded by Mr. Poston and was passed unanimously.

It was felt that Moot Court Room at Chase would be the best spot to hold the hearings. If there is an overflow, the hearings can be video taped into other rooms, or the hearing can be moved to a larger classroom. Mr. Haas moved that the Chase Moot Court Room be the site of the hearings. The motion, seconded by Dr. Wippermann, was passed unanimously.

Mr. DeFalaise again cautioned all Regents not to discuss this case with anyone until the matter is officially heard. The Regents had been so cautioned in writing at the time the case was filed. In this way the Regents cannot be prejudiced, thus giving both sides a fair hearing.

Counsel brought to the attention of the Regents two other legal matters pending against the college. A law suit "Eddie Sinkfield vs. Frank Steely, Jack Grosse and Martin Huelsmann" has been filed in which the plaintiff asked for approximate $944,000 in punitive damages and loss of future income as well as to be reinstated in law schoool and/or money or both. The plaintiff was dismissed from law school because of low grades.

Another pending law suit was brought about by a student being injured in an elevator in the science building. The student sued the elevator company and the elevator company in turn is suing the college.

The tenure appeals which the Board would have considered at this meeting could not be discussed as the appeals are in the hands of the vice president for academic affairs. Mr. Haas moved that these appeals be considered at the next meeting if the president will have them ready prior to the meeting. Dr. Steely indicated that he would. The motion, seconded by Mr. Poston, was passed unanimously.

The following report on Loan of Property to Highland Heights for the development of a park was given by Dr. Ramage:

> 'On July 10, 1974, when the Board of Regents approved the lease of approximately 11 acres behind the Reception Center to the City of Highland Heights for use as a picnic area, the Regents directed that we keep you informed concerning this development.
>
> The college counsel advised me that before we could draft a lease arrangement to send to the Executive Department for Finance and Administration in Frankfort for approval, we needed a survey description of the area.
>
> Using voluntary labor and the donated services of Mr. Jim Rasche, a surveyor who resides in Ohio, the Citizens Task Force on Recreation for the city now has the survey description. The area is 5.9015 acres. I am turning the survey over to college counsel.
>
> I expect that it will take three months to secure approval from Frankfort and therefore we hope to begin development of the area before next summer."

There being no further business, the meeting was adjourned at 10 p.m.

SPECIAL BOARD OF REGENTS MEETING
Monday, August 11, 1975 - 7 p.m.

A special meeting of the Board of Regents of Northern Kentucky State College was called to order at 7:10 p.m. on Monday, August 11, 1975 by Chairman Lucas for the purpose of a dismissal hearing of Dr. Leslie Tihany. The meeting was held in the Moot Court Room, Chase College of Law on the Covington campus. The invocation was given by Dr. Ramage.

Roll Call of Regents: Present were Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith.

The meeting was turned over to Mr. James Poston who was appointed Hearing Officer by the Regents at their July 29, 1975 meeting. The record of the hearing was recorded by a court stenographer.

The hearing was recessed at 10:30 p.m. and will be continued Tuesday, August 12 at 7 p.m. in the Moot Court Room.

Chairman Lucas called the Regents into special session to consider the report of the Faculty Affairs Committee regarding tenure recommendations for several faculty members as the Regents agreed to do at their July 29, 1975 meeting.

Dr. Stallings moved and Mr. Shonert seconded a motion that the Regents accept the report of the Faculty Affairs Committee as recommended by Dr. Steely in his cover letter with the report dated August 5, 1975.

Dr. Steely complimented the Faculty Affairs Committee on their fine work. Dr. Corbin, chairman of the Faculty Affairs Committee, urged the Board to adopt the recommendations of the committee, Dr. Tesseneer and Dr. Steely. He said the committee spent many hours in their deliberations before making the recommendations and felt they had chosen two very well qualified people to be considered for tenure. Dr. Corbin further stated that the committee had asked the department chairmen of those being recommended if they had any feeling of discomfort if the person under them was granted tenure and the chairmen indicated they would not. Dr. Tesseneer said tenure traditionally is granted only when contracts are given; however, he will follow through with the Board's wishes.

After discussion and some confusion on the intent of Dr. Stallings' motion, it was decided to consider recommendations of the committee in separate motions.

Dr. Stallings withdrew his previous motion and moved that the Board approve immediate tenure for Ms. Christine Tetzlaff and Dr. Adalberto Pinelo as recommended by the Faculty Affairs Committee. The motion was seconded again by Mr. Shonert.

Following further discussion, it was the consensus of the Board that even though tenure is usually granted at contract time, these persons had followed the procedure outlined in the Faculty Handbook and should be considered at this time.

The vote for immediate tenure for Ms. Tetzlaff and Dr. Pinelo was passed unanimously.

Mr. Mann moved that the Board accept the recommendation of the Faculty Affairs Committee, Dr. Tesseneer and Dr. Steely and disapprove tenure for Dr. Alfonz Lengyel and Dr. Leon Saratsannis. The motion was seconded by Dr. Wippermann. Mr. Shonert spoke on behalf of Dr. Sarakatsannis and even though he felt Dr. Sarakatsannis was qualified for tenure, he would abide by the committee's report. The motion for disapproval of tenure for Dr. Lengyel and Dr. Sarakatsannis was passed with 9 ayes and one abstention - Mr. Haas.

The Faculty Affairs Committee indicated it was not able to consider the petition of Dr. Leslie Tihany in view of the fact that he had not been offered a contract. The Board tabled consideration of Dr. Tihany at this time.

Dr. Steely stated that the social sciences department had not completed their intra-departmental meetings on tenure when contracts were awarded; therefore, Dr. Vitz and Dr. Payne were not recommended for tenure at that time. Dr. Steely feels that both are well qualified for tenure and would recommend same. A motion was made by Dr. Stallings, seconded by Mr. Mann, that Dr. Robert Vitz and Dr. David Payne be granted immediate tenure as recommended by Dr. Steely. The motion was passed unanimously.

The session was adjourned at 11 p.m.

CONTINUATION OF SPECIAL MEETING
Tuesday, August 12, 1975

The meeting began at 7:10 with Chairman Lucas asking for a motion that the Board of Regents go into Executive Session for the purpose of discussing a personnel problem relating to Dr. Leslie Tihany. The motion was made by Mr. Mann, was seconded by Dr. Wippermann, and was passed unanimously.

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith.

The meeting resumed at 9:30 p.m. At 11 p.m. a motion was made by Mr. Eith, and was seconded by Mrs. Mills, that the Board of Regents go into Executive Session for the purpose of discussing a personnel matter concerning Dr. Leslie Tihany. The motion was passed unanimously.

At 11:30 p.m. the Regents returned to the Moot Court Room and adjourned the special meeting until 7 p.m. on Wednesday, August 13, 1975.

Wednesday, August 13, 1975

The meeting opened at 7:30 p.m. with all Regents present.

A motion was made by Mr. Mann that the Board of Regents go into Executive Session for the purpose of discussing a personnel problem relating to Dr. Leslie Tihany. The motion was seconded by Dr. Stallings and was passed unanimously.

At 8:30 p.m. the meeting was adjourned until 3 p.m. on Thursday, August 14, 1975.

Thursday, August 14, 1975

The meeting opened at 3:30 p.m. with all Regents present. A motion was made by Mr. Martin that this hearing proceed with normal recesses without adjournment until concluded. The motion was seconded by Dr. Stallings. The vote was as follows:

Aye - Mr. Martin, Dr. Wippermann, Dr. Stallings, Mr. Mann, Mr. Lucas.
Nay - Mrs. Mills, Mr. Eith, Mr. Shonert, Mr. Haas.
Abstained - Mr. Poston

At 9:11 p.m., the counsel for the plaintiff rested his case. A motion was made by Mr. Martin, was seconded by Dr. Wippermann, that the hearing continue with the witnesses for the defense.

After discussion, Mr. Eith moved an amendment that before the defense calls their witnesses that each counsel have 15 minutes to argue their reasons for dismissal or keeping the charges. The amendment was seconded by Mr. Haas. After further discussion, Mr. Eith withdrew his amendment. The vote on the original motion was as follows:

Aye - Mr. Martin, Dr. Wippermann, Mr. Mann.
Nay - Dr. Stallings, Mr. Haas, Mrs. Mills, Mr. Eith, Mr. Shonert
Abstained - Mr. Poston.

Following further discussion, Mr. Eith moved that each counsel be given 10 minutes to present their respective sides after which the Board will retire into Executive Session for 10 minutes for deliberations following which the defense will present their witnesses. The motion was seconded by Dr. Stallings. The vote was as follows:

Aye - Mr. Shonert, Mr. Eith, Dr. Stallings, Mr. Haas, Mrs. Mills, Mr. Mann.
Nay - Dr. Wippermann, Mr. Martin
Abstained - Mr. Poston

The Regents returned at 10:30 p.m. Chairman Lucas said he would entertain a motion to delete charges 2 (b), (c), (d), (e), and (h) from the Statement of Charges. Mr. Mann moved the motion. The motion, seconded by Mr. Eith, was passed unanimously.

The defense continued at 10:33 p.m. to 3 a.m. with normal recesses. At 3 a.m., Friday, August 15, 1975 Mr. Haas moved that the meeting be adjourned until 5 p.m., Monday evening, August 18, 1975. The vote was as follows: The motion was seconded by Mr. Mann.

Aye - Mr. Martin, Dr. Wippermann, Dr. Stallings, Mr. Mann, Mr. Haas, Mrs. Mills, Mr. Eith.
Nay - Mr. Shonert

Monday, August 18, 1975

The meeting opened at 5 p.m. with all Regents present. The hearings continued until 10 p.m. when the testimony was completed.

Mr. Lucas asked the Regents to discuss and decide the direction they wanted to proceed in view of the fact that Dr. Tihany had presented a letter saying he wished to take a lie detection test.

A motion was made by Mr. Eith that the Regents allow the lie detector tests (for whoever wished to take them) to go forward if the two counsels agree on how it would be administered, and if they cannot agree, the hearing officer will be the third party to decide. The motion was seconded by Mr. Shonert.

Mr. Haas offered an amendment to the motion that the Regents recess until 5 p.m. on Thursday, August 21, and if the tests are available at that time, the Regents will consider them; whether or not they are available the Regents will hear closing arguments and render their final decision on Thursday, August 21. The amendment was seconded by Dr. Stallings.

The vote on the motion and amendment was taken collectively and was passed unanimously.

The meeting recessed at 10:45 p.m.

MINUTES OF BOARD OF REGENTS MEETING
October 15, 1975

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Kenneth Lucas at 4:35 p.m. on Wednesday, October 15, 1975 in the Board Room of Nunn Hall on the Highland Heights campus. The invocation was given by Dr. James Ramage.

Chairman Lucas welcomed all guests present.

Roll Call -

Regents present - Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith, and Acting President Ralph Tesseneer.

Others present - Counsel John Brooking, Emeritus Regent Charles Wiley, Dr. Joseph Price, Mr. John DeMarcus, Dr. James Claypool, Mrs. Sherrianne Standley, Dr. James Ramage, Dean Jack Grosse, Mr. Willaim Smith, Mrs. Irene Brownfield, Mrs. Dolores Thelen, Mr. Martin Huelsmann, Mr. Frederick Schneider, Dr. Lew Wallace; Dave Rowe, John Nienaber, Michael Hemphill, James Parsons, and Pat Meeker representing Student Government; Richard Lloyd and Greg Kilburn representing I.O.C.; Jill Morgan, David Jones and Tim Funk representing the Northerner; Frank Ashley of the Courier-Journal; Tom Chaney of the Kentucky Post; Mary Jane Conners of the Enquirer; and Nancy Clark of WCKY News. Barry Standley -

Mr. Haas moved that the minutes of meetings of July 29, August 11, 12, 13, 14, 18, 21, and September 16, 1975 (previous mailed to Regents) be approved with the following addition to the July 29th minutes: Mr. Shonert called attention to the letter sent to Chairman Lucas from the AAUP concerning the handling of the Tihany case. Mr. Shonert commented that the suggestion of the AAUP could be another possible solution in handling the Tihany matter. The motion to approve the minutes with the addition was seconded by Mr. Poston and was carried unanimously. Minutes Approved

Student Affairs - Dr. Claypool

Dr. Claypool announced that the NKSC Yearbook, The Polaris, is being distributed to those students who had paid activity fees and that he has copies to present to the Regents as they leave the meeting.

Dr. Claypool reported on a trip he made to Minnesota this summer to check on different possibilities for student housing and had found that a good many institutions were using pre-fab units and/or trailers. Upon returning, he was approached by a private entrepreneur who desired to convert some apartment buildings into student housing. The first units (to house some 40 to 50 students) will be ready around November 15 and the contractor hopes to have 178 units available by the next academic year. The units will be designed to house 3 to 4 students with a cost of $70 per month per student including utilities. The units are approximately 1-1/2 miles from the main campus. Dr. Claypool assured the Regents that the college is under no obligation and he would keep in close contact to see that the college does not get involved in undesirable publicity if such should arise. While these units cannot be advertised in any college publication without the Regents' approval, Dr. Claypool has allowed a representative to come on campus and talk with students as well as take applications. Student Housing

Dr. Claypool also reported the cooperation of T.A.N.K. in serving the campus. T.A.N.K. is now running a couple flyer buses to the college because of the large number of students and faculty using the facilities.

Administrative Affairs - Mr. DeMarcus

Mr. DeMarcus called attention to the construction reports which were mailed to the Regents. He further reported that the move to the new library is going on this week and dedication of the library will be held on November 23. The Fine Arts and the academic buildings are on schedule and the new parking lot will be available November 1. The University Center design is completed with groundbreaking scheduled for January, 1976. He circulated a list of items that the center will contain.

Constuction Report

Mr. DeMarcus called attention to the four booklets presented to the Regents which contain our request to the Council on Public Higher Education for capital construction funds to complete the campus including an academic building, an administration building, an academic health and physical education facility, expansion of the fine arts building, equipment for the fine arts building, general campus sidewalks and safety lighting, intramural recreation field, development of a media and closed circuit television system, maintenance and security supervisory control system, a law building as well as some matching funds for campus artistic development. The request, if approved by the Board of Regents, is sent to the Council on Public Higher Education. The Council makes a decision which is passed on to the Finance Department and then to the Governor for the Executive Budget, which, of course, is acted upon by the Legislature. Our request is for approximately $26.5 million.

Capital Construction Funds Request

Mr. Poston moved that the Board of Regents approve the capital construction request to be made to the Council on Public Higher Education. The motion, seconded by Mrs. Mills, was passed unanimously.

Mr. DeMarcus presented the Audit Report for 1973-74, the Financial Report for 1974-75, and a quarterly financial report for July 1-September 30, 1975.

Financial Reports Presented

A draft of the Biennial Budget Request had been given to the Regents previously and Mr. DeMarcus explained this is the request sent to the Council on Public Higher Education and is patterned after a format set up by the Council. It was pointed out that this request is different from our internal budget which will be drawn up after the Legislature meets. Again, the Council submits to the Finance Department their decisions which are passed on to the Governor and presented to the Legislature in the Governor's Executive Budget. Mr. William Smith, Business Manager, indicated he would be glad to answer any questions on the budget or financial statements at the meeting or at a later time, if anyone desired to call him.

Biennial Budget Request

Dr. Tesseneer said that Dr. Albright, Executive Director of the Council on Public Higher Education, indicated that it is his desire that Northern be funded on the basis of the other regional institutions. Mr. Martin felt that everyone should make a strong thrust toward being funded on a par with other institutions.

Mr. Martin moved that the Regents approve the draft copy of the Biennial Budget Request now in the hands of the Council on Public Higher Education. The motion was seconded by Dr. Wippermann and was passed unanimously. (The budget request called for approximately $38 million, of which $30 million would be state appropriation.)

Public Relations - Mrs. Standley

Mrs. Standley recommended that Mr. Stephen Toner be employed as Director of Alumni Affairs. The Regents had received a resume of Mr. Toner's background. Mr. Shonert moved, Dr. Stallings seconded, a mot ion that the recommendation be approved. The motion was passed unanimously. Alumni Affairs Director approved

Legal Counsel, John Brooking, presented a written report (copy attached) to the Regents with the comment that under the state statutes the Board of Regents must assume the responsibility for all discharges and cannot delegate the authority outside the Board. Dr. Stallings indicated that the procedures used at U.K. for discharge hearings was some different and that he would check with other regional schools on their procedures, but he felt the outline of Counsel Brooking was a satisfactory compromise. Mr. Brooking and Dr. Stallings will refine the outline and come up with recommendations at the January Board meeting. Mr. Brooking also said that the Legislative Research Commission was working on a change of statute to be presented to the Legislature granting Boards permission to delegate authority for this as well as giving them subpeona powers. Report of Legal Counsel

Counsel Brooking presented the following resolution which he recommended the Board approve: Recommendation regarding Dr. Steely

> "Resolved that Northern Kentucky State College, in accepting the resignation of Dr. W. Frank Steely as President of the College, effective September 16, 1975, does hereby agree to continue the present compensation of the said Dr. W. Frank Steely under his March 1974 contract, including salary and living accommodations until the end of the present academic year (being June 30, 1976).
>
> "Further, based on accumulated vacation and leave time from 1970 to date, Dr. W. Frank Steely may absent himself from the campus of Northern Kentucky State College until January 1, 1976.
>
> "Further, as Professor of History, with Tenure, pursuant to his present contract as such professor, Dr. W. Frank Steely shall, if he determines to remain at Northern Kentucky State College, on or after July 1, 1976, receive his designated salary as such professor, together with all accumulated pay increase increments granted to full professors, since June 30, 1974.
>
> "Dr. Steely shall perform such duties for Northern Kentucky State College on or after January 1, 1976, as shall be directed by the Acting President or President of Northern Kentucky State College."

Mr. Haas moved that the resolution be approved as presented and recommended by Counsel and it was seconded by Mr. Martin.

Mr. Shonert spoke against the resolution indicating that while Dr. Steely should be given every human consideration as possible for several months, we would be handicapping a new president by having a former president on campus. Mr. Eith asked why we should be continuing Dr. Steely's salary for so long a period. It was pointed out by the chairman that Dr. Steely's contract runs until April 1, 1978, and legally the Regents are bound by the contract which calls for a $39,000 salary as President (under the above resolution would continue until June 30, 1976) and this included a salary of $25,000 with increments as approved by the Board since June 30, 1974, for a tenured history professor. Mr. Poston said, while he shared the concern of Mr. Shonert's that the future president be able to operate in a clear atmosphere, that Dr. Steely has the legal right to continue as a tenured professor. As to the remarks regarding the hearings for Dr. Steely being terminated when he resigned, Mr. Poston pointed out that the hearings were not for Dr. Steely's dismissal

but the committee was appointed to hear the allegations made by Dr. Tihany and to make recommendations to the chairman; therefore, it became a moot issue when Dr. Steely resigned. Mr. Lucas indicated that he felt the Board was doing what it was legally and morally bound to do. Mr. Mann said he felt Dr. Steely was due the consideration outlined in the resolution and that there were precedents for former presidents remaining on the campus as professors when they stepped down as presidents - one instance cited was Dr. Langsam at U.C. Mr. Haas again spoke for the resolution and called for the question. The vote was 7 ayes and nay votes by Mr. Shonert and Mr. Eith. The motion carried.

The resolution was approved by the following vote:
Aye - Mr. Haas, Mr. Mann, Mr. Martin, Mr. Poston, Dr. Wippermann, Dr. Stallings,
Nay - Mr. Shonert. Mr. Eith abstained. and Mrs. Mills.

Academic Affairs - Dr. Price, Acting Academic Vice President

Dr. Price recommended that the following faculty members be approved: Faculty Members Approved

Curtis High as Assistant Professor in Business
Carol Futhey as Assistant Professor in History, Geography, and Philosophy
Carol Sturzenberger as Instructor in Library Sciences

A motion was made by Dr. Wippermann that the faculty members be approved as recommended by Dr. Price. The motion, seconded by Mr. Mann, was passed unanimously.

Dr. Price reported on fall enrollment as follows:

6,567 students (526 non-credit and 6041 credit) represents an overall 22% increase as well as a 23.5% increase in students taking courses for credit.

The full-time equivalent count is 4,419 or an increase of 18%.

Mr. Haas asked if it were possible to find out how many students transferred and Dr. Price said he would attempt to obtain such a figure from the Registrar's office.

Dr. Price stated that Dr. Steely would be housed temporarily in a vacant office in the area of the Public Service Librarian in the new library until such time a small seminar room could be used as office space.

Dr. Tesseneer stated that while we seem to have the support of the Governor on the change to university status, this needs to be presented to the Council on Public Higher Education for their approval before it can be presented to the Governor and/or the Legislature. Dr. Tesseneer said that he had a lengthy discussion with Dr. Albright who suggested that we get documentation and justification to the Council as soon as possible in order that the Council could take this under advisement. Change to University Status

Mr. Mann moved that Dr. Tesseneer be directed to file whatever is necessary with the Council on Public Higher Education to get action started on the change to university status and that we request the name to be "Northern Kentucky University." The motion was seconded by Dr. Stallings and was passed unanimously.

Dr. Tesseneer reported that he has been having discussions with faculty, staff and students regarding the parking fee and that he recommends that parking fees be decreased $5 per year to become effective in the fall semester, 1976. Mr. Poston questioned whether this should be done inasmuch as a lot of thought as well as proper procedures followed when the original fee was set. Parking Fees Lowered

Mr. Haas moved that the Board accept the recommendation of Dr. Tesseneer that parking fees be lowered $5 per year effective with the fall semester, 1976. The motion was seconded by Mr. Shonert and was passed unanimously.

Dr. Tesseneer read a memorandum from Dr. Price as follows:

Letter to Dr. Alfonz Lengyel

"On the basis of conversations with Counsel for the Board of Regents, Dr. Bill Parsons has recommended that the college write a letter to Dr. Alfonz Lengyel advising him that his position at Northern Kentucky State College be terminated on June 30, 1977. I agree with this suggestion and recommend that such a letter be written."

Counsel Brooking stated that the first step in terminating a faculty member's employment was notifying the Board which the above does.

Public Safety under Presidei

Dr. Tesseneer stated that Mr. DeMarcus had suggested that the Department of Public Safety be put under the direction of the office of Acting President and asked the Board to make some recommendation as to where Public Safety would report. The Director of Public Safety had indicated according to the statutes it could properly fall directly under the Board of Regents. Mr. Mann moved that the Department of Public Safety be placed under the direction of the Acting President. The motion, seconded by Mr. Eith, was passed unanimously.

$291,900 in Contingency Fund

Dr. Tesseneer said that there was an estimated $291,900 in increased revenues ($260,000 from enrollment increase estimate and $31,900 from growth pool) which had not been previously budgeted in the current fiscal year and asked approval to place this amount in the contingency fund. Motion to grant this approval was made by Mr. Martin, seconded by Mr. Poston, and passed unanimously.

Allotment to Presidential Selection Committee

Mr. Lucas asked the Board to consider an appropriate amount to be used by the Presidential Selection Committee for necessary expenses. A motion was made by Mr. Poston that $10,000 be taken from the contingency fund and placed in the Regent's budget for the Presidential Selection Committee. The motion was seconded by Mrs. Mills and was passed unanimously.

Dr. Tesseneer announced November 17 as Norseman's Day to meet the athletes and urged the Regents' attendance.

Dr. Ramage reported on an Institutional Plan as follows:

"In January, 1975 the Council on Public Higher Education adopted the policy that new graduate and professional programs submitted for approval after January, 1976 must be related to an institutional plan. One purpose of this policy is to encourage planning by the institution. (The date of January, 1976 has been changed to July, 1976.)

"The plan involved our projection for the next two years in academics and the next four years in physical facilities. Dr. Tesseneer has appointed an advisory committee to study the goals and objectives of Northern for inclusion in the plan. The committee is composed of representatives of the students, alumni, faculty, Board of Regents, the community, and representatives of key areas in the administration.

"The committee met on October 9 and discussed an institution goals inventory which the faculty and student government completed last year. The committee discussed ideas on the future of Northern. We welcome the ideas of the Board and when we have a draft of a plan, we will submit it to you."

Regarding the picnic area, Dr. Ramage reported as follows:

"As I informed you by mail, the Executive Department for Finance and Administration has approved the lease of 6 acres of land to Highland Heights for a recreation area.

"Dr. John Thieret, Chairman of the Department of Biological Sciences, and I walked over the area a few days ago and he proposed that Phase I should involve clearing all weeds and undergrowth vines of less than 1" in diameter. With volunteer labor the city will proceed with this very soon. In Phase II the biology faculty will select which undergrowth over 1" should be removed. In the spring the city hopes to install picnic tables."

Chairman Lucas announced that the Presidential Selection Committee, consisting of five Regents (Mr. Lucas, Dr. Stallings, Mr. Mann, Mr. Martin and Dr. Wippermann) would meet later with the Presidential Search Advisory Committee. The advisory committee will be chaired by Dr. Stallings and would include Mr. Eith, president of the Student Government, the president of the Faculty Senate, a faculty member-at-large, a student-at-large, Dr. Ramage and Dean Grosse. He invited any Regent to meet with them at any time or feel free to offer suggestions to the committee.

The meeting was adjourned at 6:40 p.m. on motion by Mr. Haas.

MINUTES OF SPECIAL BOARD MEETING
Monday, November 10, 1975

A special meeting of the Board of Regents was called to order at 5:10 p. m. on November 10 by Chairman Lucas. The purpose of the meeting was to discuss and resolve certain questions regarding Leslie Tihany vs. Board of Regents litigation in the Campbell Circuit Court and U. S. District Court.

Regents present: Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Gary Eith.

Others present: Counsel John Brooking, Acting President Ralph Tesseneer, Mrs. Sherrianne Standley, Mrs. Dolores Thelen; Attorneys Donald Stepner, Louis DeFalaise, William Johnson, Robert Lotz and James Cobb; Mr. Tom Chaney of Kentucky Post; Ms. Mary Jane Conners of Kentucky Enquirer, Mr. Frank Ashley of Courier-Journal; Mr. Tim Funk of the Northerner; and Student David Hardin.

Dr. Tesseneer reported that he had attended a meeting of the Council on Public Higher Education on Friday and while we have jumped one hurdle, we have two more to go. The Council approved for Northern an operating budget of $21 million (we asked for $37 million). The Council also approved $16.5 million in construction funds (we asked for $27 million). Dr. Tesseneer further reported we had been treated very fairly and did as well as the other institutions. Northern has moved ahead in per student ratio and has passed some of the institutions in this area. The construction money approved was for an academic classroom building and a physical education building. The budget now goes to the Finance Department for review and inclusion in the Governor's Executive Budget. The next hurdle will be the Legislature and indications are that the Legislature will give the Executive Budget high priority and hopefully we will know sometime in January exactly what we will receive.

Dr. Tesseneer stated: "If there is any time or any place that we can sing praises of Dr. Albright and his Council staff and Governor Carroll, I would suggest we do so. The Council on Public Higher Education and the Governor have done what they promised us they would do. I am personally very appreciative and I think everyone connected with our institution is appreciative. It is hoped we will not continue to refer to our institution as a step-child."

A motion was made by Mr. Poston that the Regents go into Executive Session to discuss pending litigation. The motion, seconded by Mr. Martin, was passed unanimously.

The meeting was reopened with all of the above persons listed as being present.

Mr. Poston moved that the Board of Regents approve the expenditure of $1500.00 for a transcript of the Tihany hearings as ordered by the Circuit Court Judge. The motion was seconded by Mr. Eith and was carried unanimously.

Mr. Martin moved, seconded by Dr. Wippermann, that if the court so orders, we direct our attorneys to prepare a draft for the submission of finding of fact. The motion passed unanimously.

A motion was made by Mr. Mann that the Board employ Adams, Brooking & Stepner law firm to represent them under the idemnification statute in both courts and in conjunction with Mr. Arnold Taylor of O'Hara, Ruberg, Cetrulo & Osborne, employed by Educator and Executive Insurers (the company who holds an Educators Professional Liability policy on the Regents and others). Mr. Taylor's interest will be in the U.S. District Court. The motion passed unanimously.

Chairman Lucas announced that advertising will begin tomorrow for the position of Public Relations Director. Mrs. Standley said it will appear in the Cincinnati Enquirer, Cincinnati Post, Cincinnati Herald, Lexington Herald and The Call and Post (a weekly paper recommended by the Urban League). Since Mrs. Standley did not mention the Courier-Journal, it was suggested she also send advertisement to the Courier.

The advertising for position of President appeared in the Chronicle of Higher Education today.

Chairman Lucas also announced an Appreciation Dinner on December 4 at the Reception Center for area legislators and county judges from the Northern Kentucky area. The time is 6:30 p.m.

Mr. Martin moved, Dr. Wippermann seconded, adjournment. The meeting adjourned at 6:20 p.m.

MINUTES OF BOARD OF REGENTS MEETING
Friday, January 30, 1976 - 7:30 p.m.

The regular quarterly meeting of the Board of Regents of Northern Kentucky State College was called to order at 7:40 p.m. on Friday, January 30, 1976, by Chairman Lucas. The invocation was given by Dr. Ramage.

Roll Call:

Regents present: Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Dr. Frank Stallings.

Regents excused: Mr. Elmer Haas, Mr. Henry Mann, Mr. Gary Eith.

Others present: Interim President Ralph Tesseneer, Counsel John Brooking, Emeritus Regent Charles Wiley, Mr. John DeMarcus, Dr. Joseph Price, Dr. James Claypool, Dr. James Ramage, Mr. Robert Knauf, Mrs. Dolores Thelen, Dean Jack Grosse, Mr. William Smith, Dr. Lou Wallace, Mr. Frederick Schneider, Dr. Mary Ann Rehnke, Attorney Don Stepner, Court Reporter Kathy Hebler, Mr. Jack Hicks of the Enquirer, Mr. Frank Ashley of the Courier-Journal, Mr. David Jones of The Northerner; Students David Hardin, Wynn Webster and Jennifer Williams.

The minutes of the October 15, 1975 regular quarterly meeting were approved by motion of Mr. Poston. The motion was seconded by Mrs. Mills and passed unanimously. The minutes of the November 11, 1975 special meeting were approved by motion of Mr. Martin, seconded by Mr. Poston and passed unanimously.

Dr. Tesseneer reported that he had appointed Mr. Robert Knauf as acting director of Public Relations and Community Affairs to replace Mrs. Sherrianne Standley. Dr. Tesseneer commented that he has never worked with one he thought was more suitable for the position and Mr. Knauf has been performing in a most commendable manner and recommended Mr. Knauf's permanent appointment. A motion was made by Mr. Martin that Mr. Robert Knauf be appointed Director of Public Relations and Community Affairs at a salary of $19,000 per fiscal year. The motion was seconded by Mr. Shonert, who voiced his support of Mr. Knauf and complimented him on the fine job he has been doing such as the dedication ceremony for the Student Union. Mrs. Mills voiced her concern that she did not wish to see the Music Department suffer as the department has done much for public relations in the community. Dr. Tesseneer said that the Music Department will be under the Fine Arts Department (which it was originally) and he feels the department will function as it has in the past. The vote was unanimous.

Robert Knauf appointed to Public Relations post

Counsel Brooking recommended that the Regents recess the meeting to discuss six motions filed by Attorney Cobb for Dr. Leslie Tihany and consider the Finding of Fact. A motion was made by Mr. Poston that the Regents go into Executive Session for the purpose of discussing a personnel matter regarding Dr. Leslie Tihany. The motion was seconded by Mrs. Mills and passed unanimously. The meeting recessed at 7:55 p.m. All persons retired from the Board Room except Regents Lucas, Martin, Mills, Poston, Shonert, Stallings and Wippermann.

The meeting reconvened at 9:40 p.m.

Mr. Poston, who acted as secretary for the closed session, announced that the six motions filed by Attorney Cobb for Dr. Tihany were discussed as well as the Finding of Fact. The six motions were given to the court reporter as exhibits. The following actions were taken:

Executive Session

Mr. Poston moved that the Regents overrule the six motions. The motion was seconded by Dr. Wippermann and was passed.

The Finding of Fact was discussed. Mr. Shonert moved that a vote on the Finding of Fact be delayed until February 4 to give other Regents the chance to read and comment. The motion was seconded by Dr. Stallings and was defeated. Executive Session

Mr. Martin moved to adopt the Finding of Fact. The motion was seconded by Mr. Poston and was passed.

Chairman Lucas read the Finding of Fact which was recorded by the court reporter. The three absent Regents (Haas, Mann, and Eith) will go before the court reporter to review the Finding of Fact and either accept, amend or reject. The court reporter was asked to hold the record open for the absent Regents' ratification or rejection. If the absent Regents choose to amend or reject, the entire Board will reconvene to consider the action.

ACADEMIC AFFAIRS - Dr. Price

Dr. Price recommended the appointment of the following faculty: (The salaries listed are for only one semester as new contracts will be written for the year beginning July 1, 1976).

Dr. Billy David Epps as Assistant Professor of Psychology at a salary of $5,270.

Dr. Robert J. Kempton as Assistant Professor in Physical Sciences at a salary of $6,400. Faculty Appointments

Dr. Michael A. Klembara as Assistant Professor in Mathematical Sciences at a salary of $6,000.

Dr. Debra K. Pearce as Assistant Professor in Biological Sciences at a salary of $5,750.

Dr. Stallings moved that the above faculty appointments be approved upon recommendation of acting Academic Vice President Price. The motion was seconded by Mr. Poston and was passed unanimously.

Dr. Price reported that spring enrollment increased 15.2% over last spring's enrollment for a total of 5,558. There are some 400 persons enrolled in non-credit courses so the college is serving some 6,000 persons this present semester.

Dr. Price recommended the promotion of two public safety persons pointing out that their duties as outlined by Director Ward had been submitted to the Regents with the agenda, as follows:

Don Fuehner as Assistant Director of Public Safety at a salary of $10,000 per fiscal year, and Margo Miller as Lieutenant, Public Liaison, Crime Prevention Education Officer, at a salary of $9,000 per fiscal year. Public Safety Personnel

Mr. Shonert moved that the above personnel promotions be approved upon the recommendation of Dr. Price. The motion, seconded by Dr. Wippermann, was approved unanimously. Dr. Price also read a list of safety officers who have been hired recently.

ADMINISTRATIVE AFFAIRS - Mr. DeMarcus

The 1974-75 Audit Report was presented to the Regents. Mr. DeMarcus asked the Regents to contact either he or Mr. William Smith, Business Manager, if they have any questions about the audit. 1974-75 Audit

The quarterly financial report for period ending December 31, 1975 was sent to the Regents with the agenda, and again, if there are questions, Mr. DeMarcus or Mr. Smith will be glad to discuss it with any Regent. Quarterly Financial Report

Mr. DeMarcus had on display and called attention to the artist's renderings of the three new buildings under construction and design. All were approved in the last biennium and they are either under construction or design, except for intramural fields with which there have been some problems.

Mr. DeMarcus presented a design of the drives on campus with suggestions for names for each drive and asked for approval or suggestions from the Regents. Mr. Shonert moved that the Regents approve the names as submitted. The motion, seconded by Dr. Stallings, was passed unanimously. Attached to these minutes are the drives and names accepted.

Naming campus drives

PUBLIC RELATIONS - Mr. Knauf

Mr. Knauf thanked the Regents for their unanimous approval of his appointment. He called attention to the Homecoming activities on January 31 as well as some new brochures that have been printed recently. Included with the brochures were tickets for the Neighborhood Family Concert on March 2 featuring the Cincinnati Symphony Orchestra. He invited the Regents to call him if they desired additional tickets.

Mr. Knauf reported he is working on a plan to bring community leaders from the nine county areas to the campus for luncheons and mini-tours and will be asking their suggestions to help develop public relation programs in the future for their areas or the Northern Kentucky area as a whole. So far he has set up such luncheon meetings on February 6 for Pendleton County, February 19 for Gallatin County, and March 11 for Grant County.

STUDENT AFFAIRS - Dr. Claypool

Dr. Claypool referred to two legislative bills affecting students - Title 9 (equal monies to be expended on men and women athletic programs) and the Buckley amendment (confidentiality of student records) and reported that there was a good deal of study going on within the college trying to implement these two pieces of legislation. Northern has made good stride in the past year trying to equalize men and women's athletics and he believes Northern is far ahead of many other colleges.

A consortium of various colleges are working together to come up with a health insurance plan to benefit students, allowing the students to get much better coverage at a much lower rate than any of the colleges can receive individually.

This is the best year Northern has had in sports with 21 consecutive wins - 11 in women's basketball and 10 in men's basketball games. He expressed hopes that the winning streaks will continue.

Dr. Ramage presented a list of possible commencement speakers and while all are equally desirable, the commencement committee did list them in order of preference. Mr. Shonert pointed out that this is election year and because several speakers listed are possible presidential candidates he suggested the list as presented be tabled. Mr. Poston spoke in the same manner, urging that possible candidates be dropped from the list. A motion was made by Mr. Shonert that we support the list other than any presidential candidates but not in any preferred order. The motion was seconded by Mrs. Mills and passed unanimously.

Commencement Speakers

Dr. Ramage pointed out that the Regents had all received copies of the Role and Scope Study to consider for possible action. Dr. Stallings moved that the Regents approve the Role and Scope Study as presented. The motion, seconded by Dr. Wippermann, was passed unanimously.

Role and Scope Study accepted

Chairman Lucas announced that the Presidential Search Committee was making progress. After receiving and screening nearly 200 applications, the committee is hopeful that the application list can be refined to a few the committee would want to investigate. The chairman invited any regent, if he desired, to look over and have access to the application file. Mr. Lucas reported that the KEA Unit of Northern Kentucky sent a resolution requesting the Board of Regents to accept a representative of their group on the Presidential Search Committee. The Regents will take this under advisement.

Presidential Search Committee Report

Counsel Brooking passed to each Regent a copy of a proposed statute - "An Act relating to the removal of college and university personnel" - and said it would be introduced for possible legislation. If such a statute passes, it would allow Regents subpeona powers as well as compel the production of books and papers pertinent to any investigation or hearing.

Dr. Tesseneer stated that on the basis of the understanding we have of the budget at this time and on the basis of the progress of the bill to give Northern university status, we owe a great deal of appreciation to Governor Carroll for his efforts and to our Northern Kentucky legislators who have worked with us so diligently effectively. Mr. Shonert moved that Counsel prepare a resolution commending Governor Carroll and our legislators for their support of the institution. The motion was seconded by Mr. Poston and was passed unanimously.

Resolution for Gov. Carroll and legislators

Dr. Tesseneer read the following statement regarding evaluations of faculty and administrators and recommended the adoption of such a policy:

Policy on Evaluations

> "I have long believed in the student evaluation of faculty and faculty evaluation of administrators. The results of such evaluations are highly valuable to the individual being evaluated and to his or her immediate supervisor. Also I believe that an evaluation will be more honest and forthright, and therefore of greater value if the results remain confidential. I am opposed to making public the results of the student evaluation of individual faculty members.
>
> "In accordance with this policy, I have decided to present the results of my evaluation by the faculty to my supervisor, the Board of Regents, and I do not plan to distribute the results publicly."

A motion was made by Mr. Poston, and a second by Mr. Shonert, that the statement of policy be adopted as read. The motion passed unanimously.

Wynn Webster of the Student Music Association was recognized by the chairman. Mr. Webster asked the Regents to give Dr. Leon Sarakatsannis' contract their urgent consideration. Chairman Lucas pointed out that he had told the group earlier that Dr. Sarakatsannis needed to follow the steps as outlined in the Faculty Handbook.

The motion to adjourn was made by Mr. Poston and seconded by Mr. Martin. The meeting adjourned at 10:55 p. m.

SPECIAL MEETING OF THE BOARD OF REGENTS
February 12, 1976

A special meeting of the Board of Regents of Northern Kentucky State College was called to order by Chairman Kenneth Lucas at 5:10 p. m. in the Board Room of Nunn Hall on the main campus.

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Mr. James Poston, Mr. Warren Shonert, Dr. Edgar Wippermann, Mr. Gary Eith, and Dr. Frank Stallings. Regents Henry Mann and Lee Mills were not present, but a conference call with each was held during the closed sessions. Counsel John Brooking and Don Stepner were present.

Others present: Dr. Ralph Tesseneer, Mrs. Dolores Thelen, Mr. Frank Ashley of the Courier-Journal, Student Greg Kilburn and Dr. Lew Wallace.

Dr. Tesseneer presented a Proposal for a Faculty Grievance Committee which each Regent had been mailed and recommended the adoption of same.

Mr. Martin moved that the Proposal for a Faculty Grievance Committee be adopted subject to Counsel's approval. The motion, seconded by Dr. Wippermann, was passed unanimously.

Motion was made by Mr. Poston and was seconded by Mr. Martin that the Regents go into closed session to discuss a personnel matter. Meeting was recessed until 6:10 p. m. for closed session.

The meeting reconvened and motion was made by Mr. Martin, seconded by Mr. Poston, that the Regents go into closed session for another personnel matter.

At 6:40 p. m. the meeting was reconvened at which time Chairman Lucas read a revision to the Finding of Fact which was recorded by court reporter.

Mr. Shonert asked to be recorded as voting not guilty on all charges considered this evening against Dr. Tihany.

At 6:50 p. m. a motion was made by Mr. Poston and seconded by Dr. Wippermann that the Regents go into closed session to finish the second personnel matter. This session closed at 7:45 p. m. No open session was held.

Dated this 19th day of April, 1976

Proposal for a Faculty Grievance Committee

Purpose:

The Faculty Grievance Committee is constituted to provide faculty with an ordinary redress for grievances not already within the scope of other established bodies. (The Faculty Handbook outlines procedures of grievance for non-reappointment and refers matters of tenure, salary, and rank promotion to the by-laws of the Faculty Affairs Committee. These by-laws establish a sub-committee, the Faculty Board of Review, to handle the questions of salary, tenure and rank promotion only.) Such grievances must be concerned with the institutional relations of the parties. They may include questions of academic freedom and the professional rights and responsibilities of faculty members. The Faculty Grievance Committee is authorized to hear, mediate, and advise with respect to the adjustment of such grievances of faculty members.

Membership:

The Committee shall have five members. The chairperson of the committee shall be the chairperson of the Faculty Affairs Committee of the Faculty Senate. The term of the chairperson shall begin in September following his/her election. Two of the remaining four members shall be appointed by the President of the College in September. At least one of these appointees shall be tenured. The remaining two members shall be elected by the Faculty Senate at their September meeting. Of the three members not appointed by the College President, at least one is to be tenured and at least one is to be untenured. The terms of all members shall run from September to September and all members are eligible for successive terms. Vacancies are to be filled by another appointment by the College President in the case of his appointees. The Faculty Senate president shall make interim appointments during an elected committee member's absence. A special election by the senate shall be arranged to fill unexpired terms of elected members.

Procedure:

Initially the faculty member must exhaust all intradepartmental procedures and administrative procedures, where applicable, for resolving grievances before bringing such grievances to the committee. Then if no satisfactory solution is reached the faculty member must submit a written request for review to the chairperson of the grievance committee within thirty days following the exhaustion of other remedies. This request must state the nature of the grievance and all attempts to seek satisfaction previously undertaken. It must indicate what solution the faculty member bringing the grievance desires to the difficulty. The chairperson shall review the previous attempts at settlement and take statements from other parties if they wish to submit them. Within seven days of receiving the request for review she/he shall convene the committee to inform them of the request submitted and the results of the initial inquiry. The committee may decide to attempt an informal solution before formal procedures

are begun. If within a time of two weeks such an attempt does not prove satisfactory to the person asking for review, the committee shall proceed with formal review. The committee must review every grievance unless by unanimous decision they decide that normal procedures have not been exhausted or other exceptional reasons pertain. In either case they must specify in writing the reasons for their decision not to review to the faculty member who had requested the review.

Upon the decision to grant review, the chairperson shall notify all parties to the dispute and establish a time for a hearing which is to be within two weeks of the committee's decision to grant review. At the hearing the committee shall determine the order of the events. It shall not be bound by strict rules of legal evidence, and may admit any evidence which is of probative value in determining the issues involved. Every possible effort shall be made to obtain the most reliable evidence available. The committee shall make every reasonable effort to assist the faculty member in securing the attendance of witnesses whom he or she believes are essential to the case. Such assistance shall not include financial assistance. Failure of the committee to secure the attendence of such witnesses shall not be considered a defect in these proceedings. Where the witness does not appear the identity of the witness and his/her statements shall be fully disclosed and opportunity given to answer such statements. The faculty member's request for review shall be accompanied by a statement that he or she aggrees to the presentation, for the consideration of the committee, of such reasons and evidence as other parties to the grievance may allege in their support.

These hearings shall ordinarily be closed but may be opened if all parties to the dispute agree to do so. A written or tape record of the hearing shall be made at college expense. At the conclusion of the hearing the committee shall deliberate alone in closed session and shall by majority decision arrive at a recommendation.

The chairperson, within two days of the hearing, shall notify all parties to the dispute of the committee's recommendations. Also, the chairperson shall forward all relevant materials to the Academic Vice-President along with a copy of the committee's recommendation. The Academic Vice-President shall make written reply to the chairperson within ten days of receipt of the recommendation indicating what actions he has taken or will take in the resolution of the dispute or what recommendations he has made or will make to the college President concerning the dispute.

Appeal:

If the faculty member is dissatisified with the Vice-President's action in light of the grievance committee's recommendation, she/he may require the grievance committee to forward its recommendation to the college President. The President shall make written reply to the chairperson within ten days of the receipt of the committee's recommendation indicating what actions he has taken or will take in the resolution of the dispute.

If the faculty member is dissatisfied with the President's action in light of the grievance committee's recommendation, he/she may appeal to the Board of Regents. If the faculty member is dissatisfied with the recommendation of the grievance committee, he/she may appeal to the President and, if not satisfied there, may then appeal to the Board of Regents. All appeals to the Board of Regents shall be brought before the Board through the President's Office or through the Chairman of the Board of Regents, in accordance with the by-laws of that body.

This policy shall take effect when approved by the Board of Regents and shall apply to grievances occurring after such time.

MINUTES OF THE BOARD OF REGENTS MEETING
Friday, April 30, 1976

The regular meeting of the Board of Regents of Northern Kentucky State College was called to order at 8:15 p.m. on Friday, April 30, 1976 by Chairman Kenneth Lucas in the Board Room of Nunn Hall. The invocation was given by Dr. Ramage. Chairman Lucas announced that due to the absence of Mrs. Dolores Thelen, Mrs. Irene Brownfield would be acting as Assistant Secretary.

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. James Poston, Mr. Warren Shonert, Dr. Frank Stallings, and Mr. Gary Eith. Excused: Dr. Edgar Wippermann.

Others present: Dr. Ralph Tesseneer, Counsel John Brooking, Regent Emeritus Charles Wiley, Mr. John DeMarcus, Dr. Joseph Price, Dr. James Claypool, Mr. Robert Knauf, Dr. James Ramage, Mrs. Irene Brownfield, Mr. Martin Huelsmann, Mr. Frederick Schneider, Attorney Lou DeFalaise, Attorney James Cobb, Dr. Warren Corbin, Dr. Mary Ann Rehnke, Dr. Roger Meade, Mr. Gil Hammond of KEA, Mrs. Gil Hammond, Mr. Jim Reis of the Kentucky Post, Mr. Richard Wilson of the Courier-Journal, Mr. Jack Hicks of the Kentucky Enquirer, Student Tim Funk of the Northerner, Student Dave Rowe of Student Government and Students Wynn Webster, James D. Williams, Bob Elliott, S.J. Williams, S. Cummings, Louise B. Lyons, Mindy Thomas, Kim Webb, John Jones, John Snowden, Brad Klein, Paulette Harris and Peggy Nickum.

The minutes of the regular meeting of January 30, 1976 were approved by motion of Mr. Haas and second by Mr. Eith. Motion passed. The minutes of the special meeting of February 12, 1976 were approved on motion by Mr. Haas and second by Mr. Martin. Motion passed.

Chairman Lucas recognized the students present from the Music Department and suggested that even though it was not on the agenda that he would allow a spokesman for the group to make a statement. Wynn Webster was recognized as spokesman for the group. The chairman further explained that Wynn had requested to be put on the agenda but he had written Wynn and explained it would not be on this agenda because a special meeting will be held at a later date on the Sarakatsannis situation. Mr. Shonert asked if a date had been set for such a hearing. Counsel Cobb asked for the hearing to be before June 30 when Dr. Sarakatsannis' contract was up. Mr. Mann moved that it be left up to the chairman to set a date convenient for the board and before June 30. The motion was seconded by Mr. Martin. As an explanation, Counsel Brooking explained that Dr. Sarakatsannis had appealed his termination contract by proper letters and petitions filed and it is now up to the Board of Regents to set a time for a hearing. With 7 ayes and 1 nay vote, the motion was passed.

Wynn Webster made a statement on behalf of the Music Students Association supporting Dr. Sarakatsannis.

Under Interim President's report, Dr. Tesseneer asked Dr. Roger Meade to present a request from the Northern Kentucky State College Foundation. Dr. Meade presented a list of officers and directors of the Foundation (copy attached) to the Regents and explained that the Foundation was preceded by NKSC Research and Development Foundation which was incporated on November 18, 1970. On February 26, 1974 this Foundation was reorganized to what is now known as the NKSC Foundation, Inc. for the purpose of providing general and specific services and material things

necessary or desired for the growth and development of NKSC or successor institution. Since the reorganization and prior to it, a number of contributions of cash, stocks and bonds, etc. have been received, but about 95% of the gifts were earmarked for restricted purposes. Therefore, there is a small number of dollars for discretionary use, such as scholarships, instructional equipment, faculty development and other areas that need development on the campus. It is with this in mind that the Board of Directors of the Foundation approved the letter dated February 19 written by Dr. Tesseneer, who at that time was Executive Vice President, requesting the Regents' approval to transfer the profits from the vending machines to the Foundation to be used for the purposes outlined in that letter (copy attached). On behalf of the Foundation, Dr. Meade respectfully requested approval. Counsel Brooking explained that in order to make everything perfectly legal and fit the letter of the law, it is also recommended that the college lease the space on which these vending machines set for $100 per year (copy attached). Mr. Haas moved, seconded by Mr. Martin, that the requests be approved.

Mr. Shonert asked why every Regent's county was represented on the Foundation except one county. Dr. Meade explained that at the last meeting of the Foundation on February 19, there was a motion made and seconded that all directors present submit nominees for the counties not represented. So far, only about 4 or 5 names have been submitted and when there are a sufficient number of nominees, there will be a meeting of the Foundation to elect a representative for every county in Northern Kentucky. Mr. Shonert presented the name of J. Preston Field for Pendleton County.

The motion that the area on which the vending machines stand be leased to the Northern Kentucky State College Foundation for $100 per year and that all profits from such vending machines be turned over to the Foundation was passed.

Accept requests of NKSC Foundation

ACADEMIC AFFAIRS - Dr. Price

Dr. Price called attention to the Proposal for a Graduate Program in Business Administration explaining that over 500 business administration students were surveyed showing significant interest in such a program. It is also felt that such a program will raise the business competence in the community. Mr. Mann moved that the program be approved. The motion was seconded by Dr. Stallings. Dr. Stallings asked if the college has faculty at this time capable of handling this program. Dr. Price stated there is some faculty competent and if the program is approved, additional faculty needed would be employed. The motion passed.

Proposal for Graduate Program in Bus. Admin. accepted

Dr. Price explained that the Faculty Grievance Committee Proposal was reviewed by counsel and a few changes were made and the finished document is ready for the Regents' approval. A motion by Dr. Stallings to accept the document as revised by Counsel was seconded by Mr. Eith. When asked if closed meetings are legal as mentioned in the document, Counsel Brooking explained that closed meetings of this type are legal if both parties agree. The motion passed.

Faculty Grievance Committee Proposal passed

Dr. Price presented recommendations for promotion and tenure of faculty. Since this is a personnel matter, the chairman suggested that it be taken care of in executive session. He further explained he wished to defer the executive session to the end of the meeting in order not to inconvenience people who are present.

Dr. Price presented five new faculty to be employed. Since salaries for these new faculty will be discussed, the chairman again deferred action on this until executive session.

ADMINISTRATIVE AFFAIRS - Mr. DeMarcus

Mr. DeMarcus called attention to the quarterly financial report which had been mailed to all Regents and asked for questions.

A progress report on construction was given by Mr. DeMarcus and the report is attached.

In discussing changes on signs and plaques throughout the campus, Mr. DeMarcus recommended that there be no changes on plaques as they have historical significance, it would be expensive and very difficult to do. As far as the signs are concerned, Mr. DeMarcus recommended that changes on signs be made a part of the next architectural contract. If the Regents are interested in seeing designs, the architects can be instructed to make up several designs for the Regents' approval. Signs and Plaques

Mr. Shonert commented on the condition of the Covington campus drive and wondered if something could be done to make the appearance of it neater. Mr. DeMarcus indicated he would work on the problem.

STUDENT AFFAIRS - Dr. Claypool

Dr. Claypool announced that student government elections had been held recently and John Nienabor was elected president and will take office May 9. Because the president of student government is automatically student regent, it will mean that John Nienabor will be the student regent after that date. Dr. Claypool complimented Gary Eith during his tenure as president of the student body and for the cooperation Gary has given during that time.

Dr. Claypool reported that a new draft of a Student Handbook is being prepared and will be presented to the Board of Regents for their approval at a later date.

A new committee, composed of 3 students and representatives from Student Activities, has been formed to look into the poster situation throughout the campus. The committee will present a report listing some clear cut regulations for the Regents' approval.

Dr. Claypool reported he was contacting other institutions to see how they handled lecturers and other groups on campus and said he hoped a strict policy could be set so that unauthorized groups coming onto campus could be controlled.

Because of controversy on student activity fee, Dr. Claypool said he felt our student activity fee was legal because it was voted in by the student body.

Chairman Lucas commended Gary Eith as student regent: "It has been a real pleasure for me to work with Gary Eith - he is a real credit to the Board of Regents and I am sure he will continue to be a credit to himself, to the school and to the community. I would like to extend to Gary congratulations for filling a man-sized job. He probably had more pressure on him than any student regent but he operated very independently and in good conscience." A motion was made by Mr. Shonert that this statement be reflected in the minutes. The motion, seconded by Mr. Mann, was passed. Gary Eith commended

PUBLIC RELATIONS - Mr. Knauf

In presenting the new seal for approval, Mr. Knauf said that it is really not new but a derivative of the old, substituting University for State College. When asked about color by Dr. Stallings, Mr. Knauf said it is usually gold and white accented with black. He hasn't had any made up in color yet but wanted only to ascertain if this particular form was acceptable. Mr. Wiley was asked about the significance of the seal inasmuch as he designed it. Mr. Wiley explained that the center is the lamp of knowledge. Mr. Knauf said the logo would remain the same as it is very recognizable in the community.

A motion was made by Mr. Haas, was seconded by Mrs. Mills, to accept the designs as presented. Dr. Stallings moved that the design be brought back in color. Chairman Lucas overruled Dr. Stallings motion and vote was taken to accept the designs as presented. The motion passed. Mr. Knauf will submit colored designs to the Regents.

Logo and Seal approved

Mr. Knauf further reported that the community group receptions have gone very well and he is beginning to form lists of people from these particular communities who wish to be contacted for future activities. The Family Neighborhood Concert attracted 3000 persons and Mr. Knauf indicated he hoped that it will continue to be a yearly event. He further reported that 286 attended the awards luncheon and 343 attended the Spring Cotillion.

Mr. Knauf further stated that he wanted publicly to thank the news media for their fine support.

Dr. Ramage reported that the definite number of graduates will not be known until grades are out next week, but as of now, 774 have applied for graduation. This is the largest in the history of the institution - 645 graduated last year. Of the 774, 106 will receive the juris doctor degree, 82 the Masters in Education, 426 Bachelor degrees and 160 Associate Degrees. He invited the Regents and their spouses to a luncheon at the reception center with Jesse Stuart preceding commencement. Those not attending the luncheon should come to the Board Room at 2 p. m.

Commencement Report

Some students had suggested a summer commencement as those students finishing in August have to wait 9 months for their degrees and the diploma is dated the next calendar year. The commencement committee recommended that there be a summer commencement on August 15. Because it takes some time to prepare for a commencement some preliminary work has been done. 93 students have applied for graduation and a speaker was selected from the faculty as suggested by the committee. The faculty person selected was Thomas Rambo, professor in biology. A motion was made by Dr. Stallings and seconded by Mr. Eith, that a summer commencement be held on August 15. The motion passed.

Summer Commencement on August 15

Dr. Tesseneer offered a letter of resignation from William Smith (attached) which he indicated had been accepted with regret and with the college's appreciation for what Mr. Smith has done for the institution in the past. Mr. Smith worked under rather trying conditions and Dr. Tesseneer indicated he hoped there will not be as trying times in the business office as in the past.

Business Manager resigned

Mr. Martin moved that the resignation of William F. Smith as Business Manager be accepted with regrets. The motion, seconded by Mr. Poston, was passed.

A motion was made by Mr. Eith and seconded by Mr. Poston that the Regents go into closed session to discuss personnel matters of tenure, promotion and faculty salaries. The motion passed.

The meeting was recessed at 5.30 p. m.

Following executive session, the meeting was reconvened at 11:30 p. m.

Mr. Poston moved that the following new faculty as recommended by Dr. Price be approved. The motion was seconded by Dr. Stallings and was passed. The new faculty are:

Ms. Brenda Jackson as Assistant Professor of Education 11,000 w/o 12,000 w
Mr. Gary D. Scott as Assistant Professor of Business and Distributive Education 14,500 w/o 15,500 w
Dr. Martin Marger as Assistant Professor of Sociology - 14,000
Dr. Ovid C. Lewis as Professor of Law with tenure 31,000
Dr. Frederick Rhynhart as Assistant Professor of Political Science 14,000

New Faculty approved

A motion was made by Mrs. Mills and seconded by Mr. Poston that the tenure, promotion and salaries of faculty as recommended by Dr. Tesseneer and discussed in executive session be approved. The motion passed.

Tenure, Promotion and Salaries approved.

Because of meetings with the American Bar Association Visitation Committee, Dr. Tesseneer asked permission of the Board to make a formal commitment (copy attached). Mr. Haas moved that the Regents approve the commitment as stated. The motion, seconded by Mr. Mann, was passed.

Commitment for law school passed

Dr. Tesseneer asked permission to investigate the bonding potential of the college in the event we will need the information for future building. A motion was made by Mr. Shonert and seconded by Mrs. Mills to authorize the investigation. After discussion, the motion was passed.

Bonding potential to be investigated

Chairman Lucas reported that the Presidential Search Committee would end the campus visitations next week and the committee would make a decision shortly thereafter in order for the process of selecting a new president be speeded up.

A motion to adjourn was made by Mr. Eith. The meeting adjourned at 11:45 p. m.

SPECIAL MEETING OF THE BOARD OF REGENTS
Monday, May 24, 1976

A special meeting of the Board of Regents of Northern Kentucky State College was called to order at 5:20 p.m. on Monday, May 24, 1976 in the Board Room of Nunn Hall by Chairman Kenneth Lucas. The board members had been notified of the meeting by Mailgram sent on May 22 (copy attached). Chairman Lucas welcomed the newly appointed Regent, S. Alex Parker, Jr. as well as the new Student Regent John Nienaber.

The oath was administered by Chairman Lucas to Mr. Parker and Mr. Nienabor.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Mr. S. Alex Parker, Mr. James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. John Nienaber.

Others present: Mr. Robert Kuauf, Mrs. Dolores Thelen, Mr. Joe Munson, Students Suzanne Niswander and David Hardin, Mr. Jack Hicks of the Enquirer, Mr. Jim Reece of the Kentucky Post and Mr. Greg Hahn of WCPO.

A motion was made by Mr. Mann, seconded by Mr. Poston, that the Regents go into Executive Session for the purpose of discussing a personnel matter. The motion passed unanimously.

The meeting was recessed for executive session at 5:30 p.m. and reconvened in open session at 6 p.m.

Chairman Lucas read a resolution (signed copy attached) regarding the employment of Dr. A.D. Albright as President. Mr. Martin moved the resolution be adopted as read. The motion, seconded by Dr. Stallings, was passed unanimously.

Mr. Mann moved that Counsel Brooking be directed to prepare a resolution in memory of Charles Landrum to be sent to the family on behalf of the Regents and the College. The motion was seconded by Dr. Wippermann and was passed unanimously.

Mr. Haas moved, Mr. Poston seconded, motion that the meeting be adjourned. The meeting was adjourned at 6:20 p.m.

NORTHERN KENTUCKY STATE COLLEGE

Board of Regents

May 25, 1976

To: All members of the Board of Regents

There will be a special meeting of the Board of Regents of Northern Kentucky State College on Wednesday, June 16, 1976 at 7:30 p.m. in the Board Room of Nunn Hall for the purpose of dealing with a personnel matter.

Kenneth R. Lucas
Chairman

SPECIAL MEETING OF BOARD OF REGENTS
Thursday, June 16, 1976

A special meeting of the Board of Regents of Northern Kentucky State College was called to order at 7:40 p.m. on June 16, 1976 by Chairman Kenneth Lucas. The meeting was held in the Board Room of Nunn Hall and was called for the purpose of discussing a personnel matter.

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Dr. Edgar Wippermann, Dr. Frank Stallings and Mr. John Nienaber.

Others present: Dr. Joseph Price, Mr. Robert Knauf, Mrs. Dolores Thelen, Counsels Lou DeFalaise, James Cobb and William Lotts and student Greg Kilburn.

A motion was made by Mr. Martin and seconded by Dr. Stallings that the Regents go into executive sessions to discuss a personnel matter. The motion passed unanimously.

The meeting recessed until 8:35 p.m. when it was reconvened.

Mr. Mann moved that the Regents authorize the administration to enter into a one year contract with Dr. Leon Sarakatsannis, the terms and conditions to be agreed upon with the chairman of the Board of Regents approving the contract on behalf of the Board of Regents. Mr. Nienaber seconded the motion and it was passed unanimously.

Counsel DeFalaise stated that a number of new laws will go into effect on June 19 as passed by the legislature. One of the new laws will give the public access to all documents of all state agencies. There will be some governing rules set down by the Finance Department and some can be set by the agency, but this will happen after the fact. Mr. DeFalaise stated he felt it was necessary for the Board to appoint a temporary custodian to receive requests to see the college's records.

Dr. Wippermann made a motion that Mr. John DeMarcus, Administrative Vice President, be appointed temporary custodian to receive any requests for documents until such time as the Board can work out rules to cover. The motion was seconded by Mr. Haas and was passed unanimously.

Mr. Lucas explained that the Regents had received a copy of the Interim Budget and that it must be approved prior to July 1. A meeting was set for June 28, 1976 at 7:30 p.m. to review and approve an Interim Budget.

On motion by Mr. Haas, the meeting was adjourned to go into executive session to discuss some pending litigation. The motion was seconded by Dr. Stallings and passed unanimously.

MINUTES OF SPECIAL BOARD OF REGENTS MEETING
Monday, June 28, 1976

A special meeting of the Board of Regents of Northern Kentucky University was called to order at 7:45 p.m. by Chairman Kenneth Lucas in the Board Room of Nunn Hall.

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mrs. Lee Mills, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. John Nienaber.
Excused: Mr. Alex Parker, Mr. James Poston.
Others present: Counsel John Brooking, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Dr. James Ramage, Dr. Joseph Price, Dean Jack Grosse, Faculty Senate President Warren Corbin, Director of Accounting and Budgetary Control - Mr. Bill Woods, Dr. James McKenney working on special financial projects, Student David Hardin, and Mrs. Dolores Thelen. Also present was Frank Ashley of the Courier-Journal.

Chairman Lucas explained that the purpose of the special meeting was to consider an interim budget for 60 days until such time as Dr. Albright arrives and has an opportunity to evaluate and present another budget. An interim budget must be approved in order for the university to legally pay bills, salaries, etc. as of July 1.

Mr. Martin moved to adopt the Interim Budget for a 60-day period. The motion was seconded by Mr. Nienaber.

Dr. Tesseneer called on Dr. Ramage, who headed the budget committee, to explain the budget process. Dr. Ramage said that each department had an opportunity to present their needs through individual conferences with Bill Woods and himself. After every department had this opportunity, several meetings were held with Dr. Tesseneer, Dr. Price, Mr. DeMarcus, Mr. Woods, Dr. McKenney at which time revisions were made. Dr. Albright also spent some time with the group when revisions were made. Dr. Tesseneer stated that requests from departments had exceeded the estimated revenue by some $2 million so it was necessary to make quite a number of revisions.

Mr. Martin asked if there was a chart of accounts. It was explained that there was a chart, but it had not been put on the computer as yet. There will be an effort to computerize the accounting system this fiscal year.

Mr. Mann asked if we were locked in on revenues. Dr. Tesseneer stated that our major revenue is the state appropriation. This added to other estimated revenues (tuition, fees, etc.) becomes the amount on which the expenditure budget is based.

Dr. Stallings expressed appreciation for the conference to present the needs of his department; however, he felt it would be more helpful to also know what other departments had requested.

Mr. Nienaber spoke of his concerns in the budget. While he realized this was an interim budget, he felt it would be very difficult to make too many changes in another budget therefore he wished to speak of such concerns. First, student affairs department had asked for a director for the university center. While the building is not yet complete, it is necessary for such a person to be appointed in order for the director to begin planning as well as observing other university centers. This item was deleted from the budget and he requested that it be reinstated. Another area was the ID card supplies which had been dropped from $4,000 to $1,000. With the increase of students and requirements on the campus (from library, bookstore, etc.) for ID's, he felt this figure was much too low. The other concern was the Department of Public Safety in which salaries were

increased nearly 50%. He questioned why public safety was given so much additional when so many other vital items were cut. Mr. Woods explained the increase on public safety salaries came about by the 10% across the board increase as well as over-time and holiday pay which legally had to be given. Mr. Woods stated that only one new position was added to public safety - a part-time officer was added.

Mr. Mann expressed a desire to be able to see what was actually spent last fiscal year in each line item rather than the budgeted figure. Mr. DeMarcus said a fair picture could not be presented as only about 3/4 of the year's expenditures are available. Mr. Mann felt there could be some listing even if it meant estimating the last 3 months' expenditures.

The motion to accept the 60-day interim budget was passed unanimously.

Mr. Lucas recognized Dr. Warren Corbin, new president of the Faculty Senate.

A short discussion was held regarding the July meeting and a temporary meeting date of Monday, July 26, 1976 at 7:30 p.m. was set at which time the acting president will present an Annual Report to the Board.

The motion to adjourn was made by Mr. Haas and seconded by Mr. Nienaber. The meeting adjourned at 8:30 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
Friday, August 27, 1976

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 5:15 p.m. on Friday, August 27, 1976 by Chairman Kenneth Lucas in the Board Room of Nunn Hall. The invocation was given by Dr. Tesseneer.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. John Nienaber.

Regents excused: Mr. Alex Parker

Others present: President A.D. Albright, Counsel John Brooking, Regent Emeritus Charles Wiley, Dr. Gene Scholes, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Dr. Joseph Price, Dr. Mary Ann Rehnke, Dr. Robert Vitz, Ms. Laura Powers, Mr. Bob Fogarty of the Post, Mr. Tim Funk and Ms. Marilyn Burch of the Northerner, and Ms. Dolores Thelen.

Chairman Lucas welcomed newly appointed Regent John Hamburg, and greeted all guests. The chairman administered the oath to Mr. John Hamburg.

Dr. Wippermann nominated Mr. Lucas as Chairman, Mr. Haas as Secretary-Treasurer and Mrs. Thelen as Assistant Secretary. The nominations were seconded by Mr. Martin. Mr. Mann moved that the nominations be closed and was seconded by Judge Poston. Those nominated were elected by unanimous vote and the officers for the 1976-77 fiscal year are:

Election of Officers

Chairman - Mr. Kenneth Lucas
Secretary-Treasurer - Mr. Elmer Haas
Assistant Secretary - Mrs. Dolores Thelen

Counsel Brooking presented the following resolution in recognition of service of Mrs. Mills and Mr. Shonert:

Resolution for Mills and Shonert

"Resolved that the Board of Regents extend its thanks and sincere appreciation to Mrs. Lee Mills and Mr. Warren Shonert, who served as Regents of Northern Kentucky State College (now Northern Kentucky University) from 1972 to 1976, each giving to the then College of his/her time and talent without compensation to further the ultimate goals of the Institution to provide the best higher education for the students therein.

"Each of you shall be remembered for your individual contributions to the success of our now University during its formative years as a College.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on August 27, 1976."

Mr. Mann moved that the resolution be adopted as presented. The motion was seconded by Judge Poston and was passed unanimously.

Mr. Haas moved that minutes of the April 30, 1976 meeting be approved with the following addition: page 2, paragraph 1, line 8 - "approval to transfer the indirect costs of state and federal grants and the profits from the vending machines." The motion, seconded by Mr. Martin, was passed. The minutes of special meetings of May 24, June 16 and June 28, 1976 were unanimously approved on motion by Mr. Haas and second by Mr. Nienaber.

PRESIDENTIAL REPORTS - (All printed reports attached to original minutes)

A-1 - Dr. Albright noted that summer school enrollment of 2,446 as compared to 2,258 in 1975 shows at least a 10% increase.

A-2 - While enrollment for fall semester (3,700 as of 8/16/76) is not complete, Dr. Albright stated it appears as if Northern will register over 7,000 students or about a 6% increase.

A-3 - The financial report for 1975-76 was presented by Dr. Albright who pointed out that in addition to the budget approved by the Regents, the revised budget figures appear showing any changes that occurred during the year. Dr. Albright complimented Bill Woods and his staff on the good job done in a relatively short time.

A-4 - Mr. DeMarcus reported that the academic building will be completed in September, that the fine arts building will be occupied in December (except the theatre which will not be completed), that the University Center is ahead of schedule and should be completed by next summer, and that design has started on the administrative building and new academic building. The audio visual center, which will connect to all classroom by closed circuit, should be ready next September. When asked about the radio station, Mr. DeMarcus said that the license had not been fully approved. The intra-mural field probably will not be available until spring. Construction Progress

A-5 - Because of questions asked by the Regents at the June 28th meeting, a brief report on the Department of Public Safety is included for informational purposes.

B. Administrative

Dr. Gene W. Scholes as Executive Assistant to the President
Mr. Roger Buchanan as Director of Budget and Financial Affairs
Mr. Donald L. Ransdell as Director of Purchasing and Institutional Services

B-2 - Upon presentation of the following resolution, Counsel Brooking explained that restrictions put on by the Board in 1972 are still in effect and this resolution will take care of removing these restrictions:

"Resolved that the President of Northern Kentucky University be and he is hereby authorized to hire and retain all personnel for N.K.U., whether administrative or faculty, below officer rank as designated in the by-laws (or by the Kentucky Revised Statutes) and he shall report to the Board of Regents at its regular meeting following such action, any such personnel so hired and retained and the terms of employment. All prior resolutions or actions of the Board of Regents in conflict herewith shall be of no force and effect.

Authority to hire and train personnel

Mr. Martin moved the adoption of the resolution as presented, seconded by Dr. Stallings and passed unanimously.

B-3 - The following recommendations were presented by Dr. Albright explaining that we need to take a good look at maintenance and public safety personnel to determine the best deployment and use of the people we have, in addition to other personnel throughout the university. A committee has been appointed to work on policy for the Department of Public Safety and there should be a report from this committee at the October meeting.

B-3 - (continued)

Recommendations:

1. That any position vacancies occurring in the Department of Physical Plant and the Department of Public Safety during the current fiscal year (1976-77) are to remain unfilled for the remainder of the year, except for emergency and critical activities and jobs (for example, power plant) as determined by the President; — Personnel Restrictions
2. That any position authorized by the current fiscal year budget which is unfilled or vacated during the year shall be transferred from the unit budget to a University reserve account.

Mr. Mann moved that the recommendations be adopted as presented, seconded by Dr. Stallings, and passed unanimously.

B-4 - Dr. Albright presented revisions to the By-Laws of the Board of Regents explaining that the main thrust of these suggested revisions are to streamline things a bit and to more clearly fix accountability. Counsel Brooking reported that he had gone over the revised by-laws and has approved the legality of the document. Dr. Stallings asked that a change be made in Article IV-a, second line, to read "Faculty Senate" instead of Faculty Assembly. Mr. Haas questioned Article VII and Counsel explained this was put in so that authorization is given by the Regents to sign documents in day-to-day business of the University. A motion was made by Dr. Stallings and was seconded by Mr. Hamburg to approve the revisions as submitted with the change of the one word "Senate" as pointed out above. The motion passed unanimously. — Revised Regents' By-Laws

B-5 - Dr. Albright recommended the adoption of the Interim Budget as the permanent Budget with the amended pages submitted. The changes occurred primarily in taking some $100,000 out of contingency and allocating it to the law school, fine arts department, and other areas where several positions were added. Mr. Haas moved that the Budget be adopted with the amended pages. The motion, seconded by Mr. Nienaber, was passed unanimously. — Budget for 1976-77 Adopted

B-6 - The following recommendation is presented to legalize what is being done when it becomes necessary to revise areas of the budget. Budget units will be able to revise their budget only within expenditure areas.

"That authorization be given to the President to revise the budget as necessary. Such revisions are to be ratified by the Board quarterly."

The recommendation was adopted as presented on motion by Mr. Martin, second by Dr. Wippermann and passed unanimously. — Budget Revisions

B-7 - Dr. Albright expressed the need for a management audit (not a financial audit) in order to determine if we are set up to manage our fiscal affairs. He said he visualized a "highlight" audit that should not take over three weeks. Upon Mr. Haas' question if the Board could be given some idea as to cost as well as the company, Dr. Albright replied that he did not have a particular company in mind, but felt the cost should be approximately $3,000. Mr. Mann stated that some auditing firms have more expertise in this type of audit than others. Mr. Martin questioned whether we should have the same auditing firm that does our financial audit inasmuch as this firm might have suggested certain procedures; therefore, an outside firm could give a more objective management audit. Mr. Haas made a motion that the Board approve a management audit costing no more than $5,000. The motion, seconded by Mr. Martin, was passed unanimously. — Management Audit approved

B-8 - A Donee Resolution for the Division of Surplus Properties listing present administrators was passed as presented on motion by Dr. Wippermann, second by Judge Poston and passed unanimously. (Resolution attached to original minutes.) — Resolution for Surplus Properties

B-9 - Mr. DeMarcus reported that the Departments of Biological Sciences and Physical Sciences have requested that the university submit an application to the Internal Revenue Service for the purchase of tax-free alcohol for use in their lab activities. The regulation governing the submission of the application requires that the Board of Regents pass a resolution appointing an official of the university to act as their agent in dealing with IRS on this matter. The agent will be required to execute the application and to be responsible for the laws and regulations issued by IRS governing the tax-free certification. Mr. DeMarcus suggested that Dr. John Thieret, chairman of the Department of Biological Sciences, be appointed the agent for Northern. A motion was made by Mr. Mann, seconded by Mr. Nienaber, that Dr. John Thieret be appointed agent for Northern Kentucky University to submit such application for tax-free alcohol. The motion was passed unanimously. — Application for tax-free alcohol for labs

B-10 - The following resolution was prepared by Counsel Brooking and submitted to the Regents for their approval:

"Resolved that all Constitutions, Codes, By-Laws, Regulations, Resolutions, and any other official action taken by the Board of Regents, Administrators, Faculty or Students of Northern Kentucky University prior to June 19, 1976 in the name of Northern Kentucky State College, be and the same are now changed to read Northern Kentucky University for all purposes on or after June 19, 1976." — Uniform changes from College to University

Mr. Haas moved that the resolution be adopted as presented. The motion was seconded by Dr. Stallings and was passed by unanimous vote.

B-11 - With the passage of the following resolution as recommended, Dr. Albright will submit to the Regents at a later date a reorganizational structure for NKU: — Reorganizational Structure

"Resolved, the President is hereby authorized to reorganize the University organizational structure, both Academic and Administrative, and that he shall submit the plan or reorganization to the Board of Regents for final approval."

Motion to accept the resolution as presented was made by Mr. Martin, was seconded by Mr. Mann, and was passed unanimously.

B-12 - The following recommendation presented by President Albright will authorize the administration to work out a policy, with the advice of Counsel, on the dissemination of personal data to comply with both the Buckley Amendment and Kentucky's new Open Records Law. — Policy for dissemination of personal data

"That authorization be given to establish a policy regarding the dissemination of personal data or release of records concerning all University personnel."

Motion to adopt the recommendation was made by Mr. Martin, was seconded by Mr. Hamburg, and was passed unanimously.

B-13 - Revisions in the Constitution of the Faculty Senate (copy attached to minutes) reflect no great changes - one being the reduction of teaching load for President of the Senate, subject to arrangement with the department chairman. Dr. Stallings moved that the revised constitution of the Faculty Senate be approved. The motion was seconded by Judge Poston and was passed unanimously. — Faculty Senate Constitution revised

B-14 - Director of Public Safety, Mr. Bill Ward, has resigned and Dr. Albright recommended that the Regents accept the resignation. The resignation of Mr. Ward was accepted on motion by Mr. Haas, second by Mr. Nienaber, and passed unanimously. — Resignation of Public Safety Director

B-15 - President Albright stated that it would be appropriate for the Board to authorize some memorial for Charles Landrum in the way of designating some part of our physical plant. Mr. Mann moved that the President be authorized to suggest some appropriate memorial for Charles Landrum and report to the Board for their approval. The motion, seconded by Dr. Wippermann, was passed unanimously. — Memorial for C. Landrum

B-16 - Dr. Albright recommended that the Board extend the present provision for legal services for another year with John Brooking as legal counsel for the University and Board of Regents and Philip Taliaferro as special counsel. Mr. Haas moved that the present legal arrangements be continued for another year. The motion was seconded by Judge Poston. Dr. Albright injected the idea that, as is customary for most institutions, the time is coming when Northern will need to employ a full time legal person on the staff, particularly with all the federal regulations the university is required to follow. — Legal Counsel Arrangments Continued

Mr. Lucas opened a discussion concerning extra compensation for Dr. Tesseneer and Dr. Price for their additional duties during the 9-1/2 months they served in acting capacities. A motion was made by Mr. Martin, was seconded by Mr. Haas, that in accordance with the Board's recommendation at a prior meeting, Dr. Tesseneer receive $4,000 extra compensation for his duties as Acting President and Dr. Price receive $2,500 extra compensation for his duties as Acting Vice President of Academic Affairs - both for the period of September 16, 1975 to June 30, 1976; and that the Board extend their deepest appreciation to both Dr. Tesseneer and Dr. Price for their excellent efforts during the same period. The motion was passed unanimously with several board members expressing appreciation to both men. — Appreciation to Dr. Tesseneer and Dr. Price

OTHER BUSINESS

C-1 - The 1975-76 Annual Report, prepared by Dr. Tesseneer, was submitted to the Regents. Dr. Albright stated this was the best report he has seen of this kind and that Dr. Tesseneer be commended for getting out such a fine report. Motion by Mr. Haas that the 1975-76 Annual Report to the Board of Regents be accepted with commendation to Dr. Tesseneer was seconded by Dr. Wippermann and was passed unanimously. — 1975-76 Annual Report to Regents

C-2 - Student Regent Nienaber presented a letter of appreciation from the Student Government to the Regents and expressed his personal appreciation for the opportunity to be a working part of the Board, commenting that this is not true at many universities. Chairman Lucas acknowledged the letter with commendation to Student Government for this fine attitude and Mr. Lucas further commended both Mr. Nienaber and Mr. Gary Eith for their good work on the Board and especially the hard work during the presidential selection process. — Appreciation from Student Govt.

C-3 - Dr. Albright stated that the University has several projects for which funds need to be requested. These projects include extension of things already started but not completed, such as landscaping, renovation of the Reception Center, and others which will cost approximately $2-1/2 million. He further reported that Mr. DeMarcus and he met with the Commissioner of Finance and Chief Engineer for the State making such a request for funds and he does not know yet if or how much we will receive. Request for funds for special projects

President Albright stated also that he felt it was the proper time to sell the property on Carrington Point and designate a president's home on the campus. Counsel Brooking explained that because of state regulations, the University could not buy the house on Carrington Point, therefore the Northern Kentucky Volunteer Association was set up for the express purpose to purchase the house. The University leased the house from the Association. The Northern Kentucky Volunteer Association (not to be confused with Northern Kentucky University Foundation) was set up for this one purpose and according to the Articles of Incorporation, the Association will turn over to the university or its designee any proceeds from the sale of the house to further educational goals of the University. Motion was made by Mr. Haas that the Board of Regents suggest to the Northern Kentucky Volunteer Association that they dispose of the Carrington Point house. The motion was seconded by Mr. Martin and was passed unanimously. Carrington Point House

The Board was asked by President Albright to consider naming the Pompillio house as the University's official Reception Center and that the house at 1 Campus Drive become the official President's Home. The request was approved on motion by Mr. Martin, second by Mr. Nienaber and passed.

C-4 - Dr. Albright announced that a permanent plaque would be placed in Regents Hall on which all Regents' names and their terms of office will appear, stating there is no other place on campus that such names appear and felt Regents Hall would be the appropriate place. He visualized a plaque large enough for names to be added for many years to come. Regents' Plaque in Regents Hall

Chairman Lucas officially welcomed Dr. Robert Vitz as new President of the Faculty Senate. Dr. Vitz has replaced Dr. Warren Corbin, who was appointed Acting Chairman of the Education Department. The term of office will expire May 1, 1977.

Dr. Stallings spoke on the subject of naming buildings, expressing the idea that not only should a building carry the name of a person who deserves the recognition, but also should include the function of the building; i.e. Jones Science Building or Jones Fine Arts Building, etc. Mr. Mann stated that he felt there was no hurry to name buildings and that he was concerned with naming buildings for living persons. Dr. Albright suggest that, in addition to setting a policy for naming buildings, there needs to be more attention given to signage throughout the campus. Naming of Buildings

Mr. Martin expressed the desire to have a refresher on the Master Plan. Mr. DeMarcus said he would take care of this at a later date.

The next quarterly meeting of the Board of Regents was set for Thursday, October 28, 1976 at 7:30 p. m. The Regents will meet at the Reception Center for dinner at 6 p. m.

On motion by Mr. Mann and second by Judge Poston, the meeting was adjourned for an Executive Session to discuss a personnel matter. The meeting adjourned at 7:05 p. m.

ADJOURNMENT

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, October 18, 1976

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 5:40 p.m. on Monday, October 18, 1976 at the Reception Center of the University by Chairman Kenneth Lucas. All Regents were present.

A motion was made by Mr. Martin, seconded by Dr. Stallings, that the Regents go into Executive Session to discuss personnel matters. The motion was passed unanimously.

The Executive Session was recessed at 6:20 p.m. on motion by Mr. Haas and second by Mr. Martin.

The regular business meeting convened at 7:40 p.m.

Roll Call: Regents present - Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. S. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings and Mr. John Nienaber.
Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Mr. Bill Woods, Dr. Barbara Smith, Dr. Roger Meade, Mrs. Dolores Thelen, Mr. Jack Hicks of the Kentucky Enquirer, and Mr. Tim Funk of the Northerner.

The minutes of the previous regular meeting, August 27, 1976, were approved as printed on motion by Mr. Haas. The motion was seconded by Judge Poston and was passed unanimously.

PRESIDENTIAL REPORTS

A-1 - The enrollment figure of 7,005 students at this time may be increased as continuing education courses begin.

A-2 - The quarterly financial report is not complete due to the early meeting of the Regents this month and will be mailed to each Regent when it is completed. Mr. Woods, Acting Comptroller, indicated he had some revenue figures available if the Board were interested.

A-3 - Mr. DeMarcus updated the Construction Projects report by stating that the Dedication of the new Academic Building would be held November 7, 1976. Construction Programming for the Administration Building is now completed and will go Progress to the architects for preliminary drawings. Upon questioning by Mr. Mann, Mr. DeMarcus explained the procedure of determining which buildings will be given priority. Any buildings in the Master Plan which have not previously been approved by the Commonwealth are requested in the biennium budget request listing building priority. This biennium budget request, which is approved by the Board of Regents before being submitted, includes both the building requests (Capital Construction) as well as operating monies. The request is presented to the Council on Public Higher Education and the Council makes recommendations to the Executive Department for Finance & Administration after having reviewed requests from all institutions. The Finance Department then reviews the requests received from the Council and makes its recommendation to the Governor for the Executive Budget which is sent to the Legislature for action. During the reviews, the Council as well as the Finance Department go over the requests very carefully with each institution. The final outcome is not always the same as the original request in monies

or priority of buildings. For instance $70 million was the amount allocated for higher education capital construction and nearly $200 million was requested by institutions of higher education. Therefore, Northern's $27 million request was cut as well as requests from other institutions.

Mr. Martin asked why we have not had to sign revenue bonds since the Science Building bond signing. It was explained by Mr. DeMarcus that Northern has been fortunate to have received funds for the fine arts building, the new academic building, the student center and the administration from operating surpluses of the state or federal revenue sharing monies. It is estimated that our bonding potential at this time is approximately $10 million.

The original Master Plan was approved by the Board of Regents and from time to time the state reviews and updates the Master Plan. The state is considering appointing new architects (Johnson, Johnson and Roy) to work on the Master Plan. The final update of the Master Plan will come back to the Board of Regents for their approval. Master Plan

Judge Poston asked when we would be providing adequate housing for the law school as requested by the American Bar Association during accreditation meetings. Mr. DeMarcus said it was in the planning to renovate Nunn Hall for the law school when the Administration Building is completed, but that it would be some 2-1/2 to 3 years before everything could be completed.

Mr. DeMarcus announced that Northern had received a grant from the National Endowment of the Humanities (a division of the Department of Health, Education and Welfare). This was the largest grant ever from this agency according to Mr. DeMarcus. The grant calls for sculpture for our campus. The National Endowment of the Humanities appointed a committee consisting of persons of renoun in the art world to select artists to do the sculpture. One artist was commissioned to do a piece of sculpture for $60,000 and one artist for $40,000. "A smaller portion of this will come from state funds," Mr. DeMarcus said. As yet, there is no idea of what type of sculpture will be created. Mr. DeMarcus presented a contract to be signed. Judge Poston indicated he would not be willing to vote for anything without first reviewing it. Mr. Parker and Mr. Mann indicated they could not vote "aye" on something they knew nothing about. Dr. Stallings suggested that the artists could submit drawings or proposals so the Board could get some idea of the sculptures that would be done. After further discussion, Mr. Mann suggested that a committee of Regents and Administration be appointed to investigate further and make a recommendation to the Board. Chairman Lucas appointed Mr. Parker and Judge Poston to represent the Board and asked Dr. Albright to appoint representatives for the Administration. Mr. Haas made a motion that after the committee has met and finds that a decision has to be made prior to the next board meeting that the President's office be authorized to poll the Board members to ratify any position taken by the committee. Mr. Nienaber said he felt we ought to leave it up to the committee. The vote was as follows: Grant for Sculpture

Aye: Haas, Hamburg, Mann, Martin, Parker, Poston, Wippermann, Stallings
Nay: Nienaber The motion was passed.

A-4 - Dr. Albright stated that while we are receiving some outside funding for programs, the effort to acquire outside funding would be stepped up. Dr. Albright explained that the Reading Academy was for the purpose of increasing reading comprehension and skills of low-income, underprivileged individuals who have difficulty in this area.

A-5 - Dr. Scholes reported that the screening committee to choose a Provost has worked long and hard and now have the applicants narrowed to 7. The committee will meet with the President tomorrow to determine the next step in the selection process. Dr. Scholes explained that the Provost would act as the principal academic officer of the University. Committee on Provost

A-6 - Dr. Albright reported that the process of securing a Management Letter was underway and it should be completed in about 5 weeks.

A-7 - As authorized by the Board at the last meeting, contact has been made with Michaels Art Bronze about a plaque for Regents Hall listing all Regents, present and future, who have served. A preliminary estimate is $2500. Further information will be available at a later date.

PRESIDENTIAL RECOMMENDATIONS

B-1(a)-President Albright stated that the departmental faculties of Education, Psychology and Business have recommended that their acting chairmen be made permanent chairmen. Mr. Mann moved that Dr. Warren Corbin be appointed chairman of the Department of Education, that Dr. Vincent Schulte be appointed chairman of the Department of Psychology and that Dr. Russell Yerkes be appointed chairman of the Department of Business Administration as recommended by the President. The motion, seconded by Dr. Stallings, was passed unanimously. Dr. Albright stated that salaries would be adjusted accordingly. Permanent Chairmen approved

B-1(b)-Dr. Albright recommended that Mrs. Margery Rouse and Dr. Jerry Carpenter be given sabbatical leaves for the 1977 Spring Semester as they both have qualified under the present policy of the University. Mr. Martin made a motion that the sabbatical leaves be approved as recommended by the President. The motion was seconded by Mr. Nienaber. Dr. Albright said that Mrs. Rouse will spend her time investigating English teaching in the secondary schools in the area and will bring recommendations to her department in order to help upgrade the program of teaching students to teach English. Dr. Carpenter will work on developing a coop program. The motion passed unanimously. Sabbatical leaves approved

B-1(c)-Dr. Albright recommended that the following new faculty be employed:

Dr. Barbara Smith as Coordinator of Student Activities and Assistant Professor of English
Ms. Karen Chapman as Assistant Professor Economics
Ms. Martha B. Keller as Director of NKU Reading Academy

New Faculty approved

Dr. Barbara Smith was introduced. Mr. Hamburg moved that the recommendation of President Albright be approved. The motion was seconded by Dr. Wippermann and was passed unanimously.

B-2 - Mr. Woods reported one change in the Budget Revisions submitted - that BJ 3-90, Student Activity Fee Revenue shows a 1,500 increase instead of decrease making the revised figure $10,800. A motion was made by Mr. Haas and seconded by Judge Poston that the budget revisions as presented be approved with the correction. Mr. Parker asked about the Contingency Fund and it was explained that this was an unallocated amount that can be used for emergencies or oversights in the basic budget. The vote to accept the revisions was unanimous. Budget Revisions approved

B-3 - President Albright recommended that the proposed Associate Degree Respiratory Therapy Program be approved so it may be considered by the Council on Public Higher Education. Dr. Wippermann made the motion that the program be approved stating that there is a great need in this area for such a program and that clinical facilities will be available in Northern Kentucky hospitals with such hospitals indicating a desire to support the program. The motion, seconded by Mr. Parker, was passed unanimously.

Respiratory Therapy Program approved

B-4 - The President's recommendation that professional liability insurance coverage be approved to cover regents, faculty, administrators and staff (supervisory, technical, scientific, office and clerical) was highly supported by University Counsel. A motion was made by Dr. Wippermann that $100,000 personal liability coverage be purchased. The motion was seconded by Mr. Hamburg and was passed unanimously.

Professional Liability Coverage approved

Mr. Martin moved that the excess coverage to a $5 million limit also be secured. The motion, seconded by Mr. Hamburg, was passed unanimously.

OTHER BUSINESS

Dr. Albright reported that the new Academic Center is now being occupied and suggested that the Center be named Charles O. Landrum Academic Center during the dedication ceremonies on November 7. Mr. Mann moved and Dr. Wippermann seconded a motion that the Center be called the Charles O. Landrum Academic Center. The motion passed unanimously. Chairman Lucas asked Mr. Mann and Dr. Wippermann to make contact with Mrs. Landrum to notify her of the plans. Dr. Stallings commented that he was glad to hear that it is being called "Center" instead of building.

Charles O. Landrum Academic Center named

President Albright reported that a committee has been working on recommending a Financial Aid Director for approval. The applicants have been narrowed to 4 and the committee is considering offering a contract to one of the four. A motion was made by Mr. Nienaber and seconded by Mr. Mann that Dr. Albright be given authority to employ a Financial Aid Director with a salary between $18,500 and $19,500. Dr. Gray of Southern Illinois is being seriously viewed as one prospect for employment. The motion was passed unanimously.

Financial Aid Director being sought

Dr. Albright reported that the University was served with a damage suit resulting from an auto accident in one of the state cars by one of our former employees and asked authorization to employ special counsel to handle this case. Counsel Brooking stated he had contacted the Attorney General's office and was advised that they would not handle such a case and suggested a special counsel. The University Counsel recommended that the firm of Ware, Bryson, Nolan, West & Hiltz be retained. Mr. Mann moved that the firm be retained to handle this court action. The motion, seconded by Mr. Martin, was passed unanimously.

Damage Suit

The following resolution was presented: Tihany Case

"Resolved, that the Board of Regents does hereby authorize its Chairman, President and Counsel to execute a settlement agreement and any related documents thereto in the legal actions entitled Leslie Tihany vs. Board of Regents, Northern Kentucky State College (now Northern Kentucky University) et al., the terms of said settlement agreement being made a part of this Resolution, all of which is subject to the approval of the Attorney General, Department of Finance, Commonwealth of Kentucky and of the Campbell Circuit Court and/or Court of Appeals of Kentucky; Counsel for Northern Kentucky University is directed to obtain final orders of dismissal/judgment in the Campbell Circuit Court and/or Court of Appeals, together with the U.S. District Court in a separate, but related legal action upon the final conclusion of the settlement agreement."

Judge Poston moved that the resolution be accepted as presented. The motion was seconded by Mr. Nienaber. The vote was as follows:

Aye - Hamburg, Mann, Martin, Parker, Poston, Wippermann, Stallings, Nienaber
Nay - None Abstained - Haas The motion passed.

Dates for the 1977 Board of Regents meetings were discussed and it was generally agreed that the meetings would be held the Third Mondays in January, April, July and October of 1977.

The meeting was adjourned at 9:25 p.m. on motion by Mr. Haas and second by Mr. Nienaber.

ADJOURNMENT - Next quarterly meeting scheduled for April 18, 1977

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, January 17, 1977

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:45 p.m. on Monday, January 17, 1977 in the Board Room, Nunn Hall, Highland Heights Campus by Chairman Kenneth Lucas. Invocation was given by Dr. Joseph Price.

Roll Call: Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. John Nienaber.
excused: Mr. Gordon Martin, who was on vacation.
Others present: President A. D. Albright, Dr. Gene Scholes, Dr. Janet Travis, Mr. Roger Buchanan, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Dr. Joseph Price, Mr. Bill Woods, Dr. Roger Meade, Mr. Gary Eith, Dr. Barbara Smith, Ms. Laura Powers, President Bob Vitz of Faculty Senate, Jack Hicks of the Kentucky Enquirer, Jim Reis of the Kentucky Post, Tim Funk and Maryevelyn Wilson of the Northerner, Student Dave Harden and Ms. Dolores Thelen.

The chairman welcomed all present.

The minutes of the regular quarterly meeting of October 18, 1976 were approved as submitted on motion by Mr. Haas. The motion, seconded by Mr. Hamburg, was passed with 6 aye votes, 0 nay votes. — Minutes of 10/18/76 approved

PRESIDENTIAL REPORTS:

A-1 - President Albright reported that the committee to investigate the Sculpture Projects, as authorized at the last Regents meeting, met and recommended to approve and proceed with the projects. Mr. Haas moved that the recommendation of the committee be adopted. The motion was seconded by Mr. Nienaber and was passed with 7 aye votes, no nay votes. — Sculpture Projects approved

A-2 - Mr. Knauf displayed a rubbing of the plaque that will be mounted on the outside front of Regents Hall, listing all past, present and future Regents, and stated that it would be completed very soon. — Regents' Plaque

A-3 - An information report for the Regents was presented by Dr. Albright on the "Special Services for Disadvantaged Students Program." When questioned as to why such an audit was performed, Dr. Meade stated that HEW required that there be such an audit of that program. The internal auditor performed the audit and found the records to be generally in order. — Special Services Audit

A-4 - The report on special programs submitted gives a picture of projects that have been approved for funding, giving a total funding since July 1, 1976 of $223,524, according to Dr. Albright. — Special Programs Report

A-5 - In addition to the written construction progress report submitted, Mr. DeMarcus reported that the Library received a lot of publication in magazines in that companies supplying materials have used pictures of the library in their advertisements as shown on the display prepared by Mr. DeMarcus' office. — Construction Progress

A-5 (continued)

Mr. DeMarcus further reported that while some funds were allocated in our capital construction fund for campus sidewalks, safety lighting, etc. there was not enough to complete the projects and additional funds have been requested but as yet have not been received. The vocational school, for which the Regents leased land to the Department of Education with the stipulation that the building blend in with our campus' concrete buildings, is in the planning stage. The plans were inspected by Mr. DeMarcus and it was found that the building is to be brick-faced. Mr. DeMarcus stated that he is working with the Division of Engineering to try to straighten out the situation and hopefully the building will be faced with concrete. Mr. DeMarcus and Mr. Eith showed slides with details of the Administrative Center and the new Academic Center. When asked about alternative heating, Mr. DeMarcus said nothing could be done unless there was additional funding. This applies to other areas such as single pane windows in Landrum Center inasmuch as the University has to stay within the limits allotted for a building. Dr. Albright mentioned that a system is available to control energy automatically which would save on energy costs and such a system would be investigated. Dr. Albright further complimented the Board of Regents for what has transpired on this campus noting that a lot of good work has been done and a lot of progress has been made over a short period of time.

Construction Progress Report

A-6 - Attention was called to the letter from the Highway Department on the status of I 275 and I 471. Mr. Haas reported that he has been in contact with area congressmen and senators to keep them aware of how important these roads are to the University. Representative Gene Snyder informed him last week that the problem of noise control near I 471 would be solved in the next two or three weeks and progress could begin in that area. Mr. Haas stressed the importance of students and others writing their state and national representatives showing their concern over the construction snags and urging a speed-up on both roads. He also urged members of the Board of Regents to do the same as he felt the more pressure used would be helpful in getting the job done.

Status of I 275 and I 471

Urged letters

A-7 - The Financial Audit for 1975-76 was presented to the Regents. Counsel Brooking noted that this was the first time the audit had been received so quickly and congratulated those responsible. Mr. Mann made a motion, which was seconded by Judge Poston, that the audit report for 1975-76 be received. The motion passed with 8 aye votes, no nay votes.

Financial Audit 1975-76

A-8 - President Albright outlined gifts received recently. A motion was made by Mr. Haas and seconded by Dr. Stallings that the President express the Board's pleasure and appreciation for these gifts to the proper persons. Motion was passed with 8 aye, 0 nay votes. Counsel Brooking brought to the attention of the Regents and the administration that when a gift is received it be clearly specified whether it should go to the University or the Foundation.

Gifts received

In discussing the supplementary construction allocations, particularly the update of the Master Plan, President Albright noted that the Division of Engineering will employ a firm to update the whole campus plan and make projections over a ten year period, and stating that we are at the stage where we need to project the physical part of the development of the campus.

Allocations

A-9 - The quarterly financial report of revenues and expenditures was presented. Mr. Buchanan noted that the report was submitted in summary form rather than the detailed form they had previously been submitted. He further stated that a detailed report is available if any of the Regents have a question about a particular item. Mr. Woods called attention to the narrative section which had been added hoping it would be helpful to the Regents in looking at the financial picture of the University. — Quarterly Financial Report

PRESIDENTIAL RECOMMENDATIONS:

B-1 - President Albright introduced Mr. Roger Buchanan as Director of Budget and Financial Affairs and Dr. Janet Travis as the new Provost. Dr. Albright recommended that the following new staff appointments be approved: — New Staff approved

Dr. Janet L. Travis as Provost at a salary of $35,000 per fiscal year
Dr. Charles E. Gray as Director of Financial Aid at a salary of $19,000 per fiscal year
Mr. Dennis L. Taulbee as Fiscal Management/Policy Analyst at a salary of $19,500 per fiscal year
Mr. John Conway as Director of Public Safety at a salary of $18,000 per fiscal year.

Motion was made by Dr. Stallings that the above persons be approved upon the recommendation of the President. The motion, seconded by Mr. Hamburg, was passed with 8 aye, 0 nay votes.

Upon the recommendation of Department Chairman Butler and Associate Dean Price, Dr. Albright recommended to the Board that the contract of Dr. Andrew Seacord not be renewed for the 1977-78 academic year. Mr. Haas moved that the recommendation be adopted. The motion was seconded by Judge Poston and was passed with 8 aye, 0 nay votes.

B-2 - The recommendation of Dr. Albright that the GED testing fee be lowered from $7 to $5 for the full test or $1.50 per section and the current fees of $7 for the Miller Analogy Test and $8 for the ACT fee was adopted on motion by Dr. Wippermann. The motion was seconded by Mr. Nienaber and was passed with 8 aye, 0 nay votes. — Testing Fees Established

B-3 - President Albright explained that the Letter of Agreement with Boone County Schools is for the loan of a temporary classroom building-trailer which has been used for our classes on the Boone County campus, but since Boone County has provided us space in one of their buildings, we will loan the trailer subject to recall. Mr. Hamburg moved that the agreement be approved subject to the modification by Counsel Brooking as to insurance provisions, a holding harmless agreement to the University, and same being subject to the approval of the Executive Department for Finance and Administration, if necessary. (Addendum to original agreement prepared by Counsel attached to minutes.) The motion was seconded by Mr. Mann and was passed with 8 aye, 0 nay votes. — Agreement with Boone County Schools

B-4 - In recommending the self-study of the University, Dr. Albright stated that it will be under the direction of Dr. Tesseneer. A motion was made by Mr. Haas to approve the recommendation for a self-study, was seconded by Dr. Stallings, and was passed with 8 aye, 0 nay votes. — Self-Study approved

B-5 - After explaining policies A through I, Dr. Albright recommended that they become effective upon the adoption by the Board of Regents. The policies are:

A - Equal Opportunity
B - Campus Sales
C - Use of University Facilities
D - Motor Vehicle, Traffic and Parking Regulations
E - Order of Communication and Reports
F - The Faculty Member as a Scholar and a Citizen
G - Student Affairs - NKU Student Government
H - Reviews of Educational Units
I - Equal Opportunity Panel

Dr. Stallings questioned the word "normal" in section F and it was interpreted by the President to be anything that does not let a situation follow in a regular manner and that ultimately the Board of Regents determines what is normal. Dr. Wippermann moved that the policies be adopted upon the recommendation of the President. The motion, seconded by Dr. Stallings, was passed with 8 aye, 0 nay votes.

Policies A-I adopted

B-6 - The Regents were presented with budget revisions for the last quarter in summary as well as in detail (as required for audit purposes). A motion was made by Mr. Mann to approve the revisions as presented. The motion was seconded by Mr. Nienaber and was passed with 8 aye, 0 nay votes.

Budget Revisions approved

B-7 - President Albright presented the "Report on Study of Business and Financial Functions". The Regents had approved such a study being made at a previous meeting. Motion was made by Judge Poston, was seconded by Dr. Wippermann, that the report be received and the University administration consider the recommendations made and implement those appropriate policies and procedures growing out of this report. Dr. Albright stated that he had no estimated cost for implementing the recommendations, but did feel that most could be instituted without too great a cost. Mr. Mann said that he would be interested to see how many recommendations or procedures were used in order to have a check to see if such a report is valid. The Board indicated their desire to have a report six months hence listing the parts of the report which were implemented. The motion was passed with 8 aye, 0 nay votes.

Report on Study of Business and Financial Functions

B-8 - The recommendation to implement the Open Records Act (KRS 61.780 et seq) and appoint the President as Official Custodian was approved on motion by Mr. Haas, The motion, seconded by Mr. Parker, was passed with 8 aye, 0 nay votes.

Open Records Act Custodian appointed

B-9 - The administration was authorized to develop appropriate policies and procedures for the Department of Public Safety on motion made by Mr. Mann and seconded by Judge Poston. Motion passed with 8 aye, 0 nay votes.

Policy for Dept. of Public Safety

B-10 - President Albright reported that we had received sometime ago from Mrs. Paul Sipes 10 shares of Sears stocks and 4 shares of R.J. Reynolds stock. Since some of these are decreasing in value, Mrs. Sipes was contacted and she suggested the stocks be sold and proceeds put into circulation for the education of students. Mr. Parker moved that the President be authorized to sell the

Sale of Stocks

B-10 continued -

stocks and that the proceeds be put into the Foundation to be used for the education of students. (Resolution of authorization attached to minutes.) The motion was seconded by Mr. Hamburg and was passed with 8 aye, 0 nay votes. Sales of Stocks

OTHER BUSINESS

President Albright reported that he was leaving Friday, January 21st for 2-1/2 weeks to do some consulting work for the Ministry of Higher Education in Algeria. These arrangements had been made prior to his appointment on July 1, 1976 and he felt it was necessary to keep the commitment. While absent, the President designated Dr. Gene Scholes, his chief administrative officer, to operate as Acting President.

Chairman Lucas noted that since Dr. Albright had come to the University there had been a number of receptions, brunches, etc. honoring him; however, there had not been a formal sort of inauguration. He said that he felt it would be appropriate to honor Dr. Albright in some sort of a short inaugural ceremony, perhaps at graduation on May 15, and this could perhaps set a precedent for future presidents. The chairman appointed the following persons to a committee to consider this idea: Dr. Gene Scholes, Dr. Janet Travis, Dr. Frank Stallings, Dean Jack Grosse, Dr. Robert Vitz, Mr. John Nienaber, and Mr. Robert Knauf.

The meeting was adjourned at 6:50 p.m. on motion by Mr. Haas and second by Mr. Parker.

ADJOURNMENT

MINUTES OF BOARD OF REGENTS QUARTERLY MEETING
Monday, April 18, 1977

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:45 p.m. on Monday, April 18, 1977 in the Board Room of Nunn Hall on Highland Heights Campus. The invocation was given by Dr. Price.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Alex Parker, Judge James Poston, Dr. Frank Stallings, Mr. John Nienaber, Mr. Gordon Martin. Excused: Dr. Edgar Wippermann

Others present: President A. D. Albright, Counsel John Brooking, Emeritus Regent Charles Wiley, Dr. Gene Scholes, Dr. Janet Travis, Mr. Roger Buchanan, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Dr. Joseph Price, Dean Jack Grosse, Faculty Senate President Robert Vitz, Dr. Barbara Smith, Mr. John Connor, Mr. Ron Simpson, Mr. Dennis Taulbee, Ms. Debra Wash, Ms. Barbara Herald, Dr. Charles Gray, Dr. Lew Wallace, Dr. Vincent Schulte, Dr. Roger Meade, Ms. Peg Moerth and Mr. Tim Funk of the Northerner, Mr. Jim Reis of the Kentucky Post, Ms. Perk Rudd and Ms. Dolores Thelen.

After the chairman greeted all present, Dr. Albright introduced new staff members: Mr. John Connor, Director of Public Safety; Dr. Charles Gray, Director of Financial Aid; and Mr. Dennis Taulbee, Fiscal Management/Policy Analyst.

The minutes of the previous quarterly meeting, January 17, 1977 were approved on motion by Mr. Haas. The motion, seconded by Mr. Hamburg, was passed with 8 aye votes, 0 nay votes.

PRESIDENTIAL REPORTS:

A-1 - Mr. DeMarcus highlighted the Campus Construction Progress Report and referred to a scale model design of the new section of the campus containing the administrative building, university center and a new academic building under design.

A-2 - Dr. Albright called attention to the "Letter of Agreement" with the Boone County Board of Education to which an addendum was attached.

A-3 - It was pointed out by President Albright that the fee schedule approved by the Council on Public Higher Education went up about 14% with the exception of the law school which decreased as our previous rates were higher than the other state law schools, and the fee was brought in line. There has been no clear determination at this time whether student activity fees are to be included in the increase. If they are to be included, it will decrease the revenue by $10 per semester for each full-time student. Tuition Fee Schedule

A-4 - President Albright explained that the University, beginning with the 1978 Fall Semester, will require a $50 Acceptance Deposit within 10 days after notification of acceptance in the Nursing program. The deposit will be applied toward tuition. A motion was made by Dr. Stallings, seconded by Mr. Parker, that the Regents approve the $50 Nursing Program Acceptance Deposit, beginning with the Fall Semester 1978. The motion passed with 8 aye votes, 0 nay votes. Nursing Program Acceptance Deposit

A-5 - Dr. Scholes, in presenting parts of the Public Safety Operations and Procedure Manual now being prepared, explained that it is for informational purposes as many other parts are yet to be completed for presentation in the near future. Upon Counsel's question as to whether these procedures are in effect now, Mr. Connor said that they were. Counsel Brooking, therefore, felt that the parts of the manual prepared thus far need to be voted upon by the Regents. Mr. Nienaber remarked that the policies had been thoroughly discussed in Public Safety Advisory Committee meetings and in student meetings. It was noted that public safety officers would not carry firearms between 8 a.m. and 4 p.m. except during money escorts, student registration (payment of fees), and any other "high risk" situations. Counsel Brooking stated that the Public Safety Department operates under a separate state statute and this manual will bring our department within the guidelines of the statute, and he also complimented the fine preparation of the manual presented. Dr. Albright noted that our Public Safety Department is doing a fine service in helping students and staff, as this has been primarily their largest function. Judge Poston moved that the following sections of the Public Safety Operations and Procedure Manual be approved as presented: 4.1, 4.11, 4.13, 6.2, 9.1, 10.0, and 12.3. The motion was seconded by Mr. Haas and was passed with 8 aye votes, 0 nay votes. Public Safety Manual

A-6 - President Albright explained that Northern Kentucky University has been designated an In-Use Arboretum and was then put on the list of eligible institutions to receive plants (seedlings and rooted cuttings) from the U.S. National Arboretum. A motion was made by Mr. Haas to confirm the designation of In-Use Arboretum. The motion, seconded by Mr. Mann, passed with 8 aye votes, 0 nay votes. NKU In-Use Arboretum

It was further reported by Dr. Albright that Northern had been given a supplementary allocation by the state to cover a condemnation award for the Fassler property purchase which had been in the courts since 1973.

A-7 - A Program Report of the Office of Research and Development shows a total of $254,270 received in grants since July 1, 1976 and Dr. Albright noted that through Dr. Meade's guidance, the programs have picked up considerably. However, the President stated that there is a need to increase our efforts in order to augment extra mural programs and it will be done in the future.

A-8 - The progress report on sale of stocks was to bring the Regents up-to-date on what has been sold so far, explained Dr. Albright.

A-9 - President Albright announced that he had appointed Dr. John Thieret as University Editor. Most of the publications put out by the University will be edited by Dr. Thieret. University Editor

Chairman Lucas announced that Judge James Poston had been reappointed to the Board of Regents for another four-year term and that Dr. Robert Vitz was relected as President of the Faculty Senate for another year.

PRESIDENTIAL RECOMMENDATIONS:

B-1 - In presenting the Reorganization plans, President Albright explained that at the time of the last Biennum Budget, Northern had requested $700,000 for reorganization and that $240,000 was approved for this purpose. Since the Board of Regents had approved the reorganization, such an undertaking was started and it culminated into what is being presented. The President outlined the manner in which the reorganization planning was carried on, involving most of the faculty and administrators, and that generally it was acceptable to the larger portion of the faculty. He first began outlining the Mission of the University and then explained the structure in great detail using charts and explaining all the changes that have been made. Dr. Albright further stressed that there may be changes made as the plan is being implemented where it is found that something does not work. He also said that in a year to 18 months, the structure will be re-evaluated and he will keep the Regents informed. He explained that American higher education is getting criticized as it is becoming ossified and that in the next few years we will not see the same portion of support that was seen in the 60's. We want to be geared up before we are caught in that kind of a situation, even to the point of selective admissions if we do not receive the support we need in the future. The President said he would give the Regents names to fit the positions on the charts at a later date.

Mr. Haas asked about cost and personnel when implementing the plans and about whether we were in the realm of reality as far as budget is concerned. Dr. Albright said he felt this could be effected with the $240,000 that was budgeted for reorganization. Mr. Martin asked if this could affect our funding in the future and the President said he felt that there was a chance that it would affect us favorably rather than the reverse. Dr. Stallings told the Regents that the plans have been "through the thrasher" as far as faculty is concerned and that there are those who like it and those who do not; however, because generally we have a young faculty who are interested in trying to do things in a new and different manner, this sort of structure will provide them that kind of latitude. Counsel Brooking asked if this structure would be more beneficial to the Provost inasmuch as she would be dealing with four deans rather than a number of department heads. Dr. Travis said that such a structure would benefit her and allow her more time for other duties since she would not have to deal with so many people. Mr. Mann commended Dr. Albright and his staff for producing such a unique kind of structure in such a short period of time.

The President recommended that the Board of Regents adopt (1) the statement of missions for the University, and (2) approve the organizational structure as outlined with the authorization for the president to implement the organizational pattern recommended and in so doing to make any modest adjustments found to be necessary; any such adjustments are to be reported subsequently to the Board.

Mr. Haas moved that the recommendation of the President be approved inasmuch as it is determined that it meets the approval of the administration, the faculty, and will not strain the budget. The motion, seconded by Mr. Martin, was passed with 8 aye votes, 0 nay votes. New Organization Approved

B-2 - President Albright, in presenting the Faculty Policies and Procedures, told the Regents that this is one of the most important documents the Board will have to consider for some time. He explained that most of the materials had gone to the Faculty Senate for their input and suggestions as well as through several committees and individuals for their suggestions. The administrators tried to incorporate the comments of merit that were received. The document was sent to Counsel Brooking and he found it necessary

to make some revisions to protect the University and that is why a revision of the previous materials is presented tonight.

Section I - the President explained this part is essentially the same as the document received 10 days ago.

Section II - Mr. Brooking went through this section explaining changes made and why they were made. Our previous tenure policy called for non-appointment if tenure were not granted after 6 years - the new policy calls for 7 years. The main changes and the main thrust have to do with non-tenured nonreappointment procedures. In the Dismissal for Cause, Counsel made some changes since it must follow KRS 164.360 wherein a faculty member can elect to go directly to the Board of Regents or he can elect to go through a peer review process. Dr. Travis questioned the Grievance Procedure on page 29 wondering if a "catch all" were needed. After discussion, it was agreed to begin the section with "After having exhausted any and all administrative procedures". Mr. Brooking pointed out that most of the section follows the procedures set forth in the AAUP Handbook.

Section III - The President explained the "Promotion in the Ranks" rather clearly explains the tenure track promotions and how such will be handled.

At this point, the meeting was recessed for dinner (7:05) and reconvened at 7:45 p. m.

Section IV - Counsel Brooking outlined the procedure for Appeals.

Mr. Mann asked if the sections could be rearranged; and Counsel noted that it probably would be. It was decided to make No. 15 on page 29 into a new Section V.

Mr. Martin moved that the "Faculty Policies and Procedures" be approved with the following changes: Section II, No. 15 to become Section V and will begin with the phrase, "After having exhausted any and all administrative procedures,"; that it become effective immediately, will not be retroactive, and will be a part of every faculty member's contract. The motion was seconded by Dr. Stallings and was passed with 8 aye votes, 0 nay votes.

Faculty Policies and Procedures approved

B-3 - Mr. Ron Simpson, Director of Personnel, informed the Board that a manual is being prepared for staff personnel in order that there be uniformity in handling staff personnel, taking into consideration the Affirmative Action program. Mr. Simpson outlined Sections A, B, C, and F and informed the Board that other sections would be submitted in the future. Mr. Mann moved, seconded by Mr. Nienaber, that Sections A, B, C, and F. of the Staff Personnel Policies and Procedures be approved as presented. The motion passed with 8 aye votes, 0 nay votes.

Staff Personnel Policies and Procedures approved

B-4 - President Albright recommended that Dr. Ralph Tesseneer be granted a sabbatical leave, effective July 1, 1977 for one year with salary to be paid at 50% for the period; and that James K. Gaynor be given the title of Professor of Law Emeritus when he retires at the end of the Summer Session, 1977. Mr. Haas moved, Judge Poston seconded, that the above recommendation of the President be approved. The motion passed with 8 aye votes, 0 nay votes.

Personnel - (Tesseneer and Gaynor)

B-5 - A Basic Contract Form for faculty was presented for approval. President Albright said some minor changes needed to be made in the wording, but the basic form would be as presented. A motion to approve the Basic Contract Form for faculty was made by Mr. Mann, was seconded by Judge Poston, and was passed with 8 aye votes, 0 nay votes.

Basic Contract Form for Faculty

B-6 - The Purchasing Director has had the power to do all purchasing for the University, but it has never been formally approved by the Regents and such approval is requested at this time, according to Dr. Albright, and he recommended the following:

"The Director of Purchasing, under the general administrative supervision of the President, is vested with University authority to order and/or purchase all materials, supplies, equipment, and services, subject to applicable state law and procedures. Purchases not authorized and/or approved by the Director of Purchasing shall not constitute official obligations of the University. The Director of Purchasing, under this grant of authority may, with approval of the President and in writing, delegate certain authority for the purchase and/or acquisition of library books, and items purchased for resale, namely by the University Bookstore."

Director of Purchasing Authority

Mr. Martin moved that the recommendation be approved. The motion was seconded by Mr. Nienaber, and was passed with 8 aye votes, 0 nay votes.

B-7 - President Albright recommended that signatures authorized for checks written on all Northern Kentucky University bank accounts be Bill L. Woods, Acting Comptroller and Roger Buchanan, Director of Budget and Financial Affairs, and that the Custodian of funds received from the state be designated to Bill L. Woods, Acting Comptroller with Roger Buchanan, Director of Budget and Financial Affairs as alternate. A motion to approve the recommendation was made by Judge Poston, was seconded by Mr. Parker and was passed with 8 aye votes, 0 nay votes.

Signatures for bank accounts and imprest funds

B-8 - The budget revisions made from January 1 through March 31, 1977 were presented in condensed form with the details being filed with the Secretary for use by the auditors. A motion to approve the budget revisions made the past quarter was made by Mr. Mann, was seconded by Mr. Nienaber, and was passed with 8 aye, 0 nay votes.

Budget Revisions

B-9 - Because of numerous delinquent accounts on the books. Dr. Albright recommended that action be taken to collect such debts, either by an individual or an outside firm. Mr. Haas moved that the President be granted standby authority to engage qualified individuals or organizations for the enforced collection of delinquent accounts receivable. The motion, seconded by Mr. Martin, was passed with 8 aye, 0 nay votes.

Collection of delinquent accounts

B-9a - The President stated that while there has been a system of handling bad checks, it is imperative that we have rules which will be an incentive for students to clear up any bad checks and recommended a policy for cashing checks (policy attached to these minutes). A motion was made by Mr. Martin that the rules as outlined in B-9a be adopted as presented. The motion was seconded by Mr. Parker and was passed with 8 aye, 0 nay votes.

Bad Checks

B-10 - President Albright presented a policy of Payment of Tuition and Fees, which will eliminate the deferred payments. Such deferred payments have caused many of the bad debts. A motion was made by Mr. Hamburg that the Board of Regents adopt the "Policy for Student Payment of Tuition and Fees" (copy attached to the minutes) effective with the registration for the 1977 Fall Semester. The motion, seconded by Mr. Parker, passed with 8 aye, 0 nay votes. Tuition and Fees

B-11 - Counsel Brooking presented the following resolution and recommended its adoption:

WHEREAS, the Board of Regents passed a motion in the August 27, 1976 meeting for the Northern Kentucky State Volunteer Association, Inc. to sell the property at 16 Carrington Point, Fort Thomas, Kentucky;

WHEREAS, the property was sold by West Shell, Inc. for $55,000; Sale of Property

WHEREAS, the above Association realized a net profit of $14,153 from the sale; Profit to Foundation

WHEREAS, Mr. Robert M. Daniels, Vice President of West Shell, Inc., contributed his listing fee of $563.40 to the Northern Kentucky State College Foundation;

WHEREAS, a total of $14,716.40 was the profit from the sale of the above property;

THEREFORE, it is recommended that all amounts held by the Northern Kentucky State Volunteer Association, Inc. after dissolution be paid to the Northern Kentucky State College Foundation.

A motion was made by Mr. Martin that the resolution be adopted as presented by Counsel. The motion, seconded by Mr. Haas, passed with 8 aye, 0 nay votes.

B-12 - Counsel Brooking recommended that the President be authorized to enter into a lease arrangement with the Northern Kentucky State College Foundation, under such terms and conditions as are deemed reasonable under the circumstances, for the contracted vending machine spaces on the Highland Heights campus and the Covington campus. Mr. Mann moved, Judge Poston seconded, that the recommendation be approved as presented by Counsel. The motion passed with 8 aye, 0 nay votes. Lease to Foundation

B-13 - President Albright, in recommending that a site be offered for the proposed Northern Kentucky Health Training Facility, mentioned that discussions in the state have been held with regard to dove-tailing post-secondary vocational programs, allied health programs, and post secondary technical programs. Therefore, he felt that such an offer might be worthy of the board's consideration. Offer of site

Mr. Mann spoke on the subject mentioning that he had been President of the Trustees of St. Elizabeth Hospital for four years and actually instigated St. Elizabeth offering a site on their new medical center property. While he has divided loyalties when such an issue as this comes up, he questioned why it was necessary for Northern to get involved with vocational education and whether Northern should give up 20 acres that it may need in the future. A lengthy discussion followed during which the President reminded the Board that Northern would be merely offering a site, that it was up to the site selection committee to choose what they felt was the most appropriate site.

Judge Poston moved that the University offer a site for the proposed Northern Kentucky Health Training Facility to the site selection committee. The motion, seconded by Mr. Hamburg was passed with the following vote: 6 aye votes, 0 nay votes, 2 abstentions by Mr. Mann and Mr. Nienaber.

OTHER BUSINESS:

C-1 - Dr. Scholes presented the following recommendation of the Inaugural Committee:

(1) That the University formally inaugurate Dr. A. D. Albright as the second president of Northern Kentucky University during the Commencement program on May 15, 1977; and Inaugural

(2) That, as part of the ceremonies, the University bestow the honorary Doctor of Laws degree upon three of the principal participants: the Honorable Julian M. Carroll, Governor of the Commonwealth of Kentucky; the Honorable Scott Reed, Chief Justice of the Kentucky Supreme Court; Dr. A. D. Albright, President of Northern Kentucky University.

A motion was made by Mr. Haas to adopt the recommendation as presented. The motion was seconded by Mr. Parker and was passed with 8 aye, 0 nay votes.

Mr. Knauf announced that Commencement would be May 15 and the Regents would be receiving information shortly. He further reminded the Regents that an Inaugural Dinner Show would be held the same evening at Beverly Hills.

Mr. Martin made a motion that the Board of Regents do hereby go on record as being in full and total support of Chase Law School and ask all Kentuckians to come to the support of our law school. The motion, seconded by Judge Poston, passed with 8 aye, 0 nay votes.

Chairman Lucas noted that Mr. Nienaber was attending his last Regents meeting as a new Student Government president would take office on May 1. Mr. Lucas commended Mr. Nienaber as a fine representative for the students and for the University and as a credit to his graduating class. President Albright also complimented Mr. Nienaber and said one of the pleasures he has enjoyed since he has been at Northern is working with this young man. Applause from the Regents affirmed what had been spoken.

A special meeting to approve a proposed budget for 1977-78 will be held on Monday, May 23, 1977 at 4:30 p. m. The next quarterly meeting is scheduled for Monday, July 18, 1977.

Dr. Albright thanked the Regents for their patience and commented that this has been an exceptional good and helpful meeting.

The meeting adjourned at 8:50 p. m.

SPECIAL BOARD OF REGENTS MEETING
Monday, May 23, 1977

A special meeting of the Board of Regents of Northern Kentucky University was called to order at 4:35 p.m. on Monday, May 23, 1977 in the Board Room, Nunn Hall, Highland Heights Campus, by Chairman Kenneth Lucas.

Roll Call:

Regents present - Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Sam Makris.

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Janet Travis, Mr. Roger Buchanan, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Dr. Joseph Price, Dean Jack Grosse, Mr. Martin Huelsmann, Dr. Barbara Smith, Ms. Pamm Taylor, Mr. Garry Casson, Mr. Dennis Taulbee, Mrs. Dennis Taulbee, Mr. Dave Kepple of the Kentucky Post, and Ms. Dolores Thelen.

The oath was administered to Sam Makris by the chairman.

Dr. Albright introduced the proposed budget for 1977-78 saying that it was later than usual and more difficult than usual because of the re-organization and all persons concerned with the budget are new at the University.

He explained that the budget base was $13.6 million for the current 1976-77 fiscal year. Increased funds for the 1977-78 fiscal year were estimated at $1.3 million, thus the total of the budget for the next fiscal year would reach $14.9 million. He outlined the expenditure allocations of the estimated $1.3 million increase. Each Regent received this outline and also a breakdown and summary by organizational unit of the University.

In response to a question about the estimated revenue from student fees as a function of increased enrollment, Dr. Scholes projected a 6.7 percent increase in enrollment for the fall of 1977, the largest increase estimated to be in the upper division level.

President Albright further stated that the $10 per semester mandatory student activity fee, which has been collected in previous years in addition to the tuition fee, by action of the Council on Public Higher Education would be included in the total tuition charge and thus would reduce by that amount the earlier estimated revenue from that source. This decision by the Council on Public Higher Education meant that the student activity fee will now become a charge against the general fund and that the consequent allocation for student activities would be lessened in the 77-78 fiscal year.

The proposed allocations of increased funds provides for salary improvement as a first priority; the President recommended a $500 increase for all faculty and staff up to those with salaries of $25,000 or more. This increase (which amounts to an overall increase of four percent) would require about $300,000. Another $50,000 would be used for merit and salary equalization. The President explained that the salary improvement allocation, greatly inadequate, should be viewed in the context of the biennium and not alone in the single year. The amount of funds appropriated by the Legislature for salary increases in the current biennium was five percent for each of the two years. Since ten percent increases were given in the first of the two years, any salary raises

in the 1977-78 year would have to come out of increased revenue or funds designated for other purposes. By providing the proposed $500 increase, the salary improvement over the current biennium would average between 14 and 15 percent. A principal reason for proposing a dollar amount per person ($500) instead of a percentage increase was that the ten percent increase favored those individuals earning higher salaries while the costs of utilities, food, and other living expenses hit the lower salary brackets harder.

An expenditure allocation was made for new Academic Deans, and the President said he proposed to fill two of the deanships by September 1, 1977 and perhaps the other two by January 1, 1978. This would be in keeping with the structure approved by the Board of Regents on April 18, 1977.

It was explained also that there would be some discrepancies from what departments received last year and what was budgeted this coming year because certain items were pulled out of departmental budgets and put into a pool, such as educational equipment, work study monies, summer school salaries, and part-time faculty salaries. Out of 334 faculty members, 130 are part-time and it is hoped that some of these could be made full-time positions.

Dr. Albright commended Roger Buchanan and Dennis Taulbee for the extremely conscientious job in preparing the budget and Garry Casson and his staff for the fine job of putting the budget on the computer.

Mr. Hamburg questioned whether we would be criticized for giving more percentage salary increases than was provided in the biennium budget. Dr. Albright felt we would not be criticized at this time, but if we continue the practice, it might not be to our benefit. Usually in building a new institution, monies had to go into equipping a library and program building at the expense of salaries but the time must come when there is a need to take care of salaries. The President mentioned that Northern has the lowest funding for staff of any of the eight state institutions - the seventh has one-half the enrollment and twice the staff.

Mr. Parker noted that the Office of the Provost was the highest funded department and it was explained that the part-time faculty figure as well as the budget for the new academic deans were located in this area. At some later date, these figures will be pulled out and placed in the proper places when the re-organization begins. It was further noted that all institutional and federal work study salaries for students is in the financial aid departmental budget instead of being allocated to individual departments.

Mr. Makris asked if the Polaris and the Northerner would still be free to the students as it has in the past. Dr. Albright explained that the same amount of funds will not be available as before, but that there is no disposition on the administration's part to charge students for them.

Mr. Mann commended Dr. Albright on his presentation of the budget and Mr. Martin expressed appreciation to Dr. Albright and his staff for the fine preparation of the budget.

Dr. Albright presented a recommendation for acceptance of the proposed budget for 1977-78 to the Regents for their consideration stating that he felt this budget will assure us that for every dollar spent,we should get at least 98¢ worth. (Copy of the resolution attached to these minutes and each Regent was given a copy.)

Mr. Mann moved that the resolution be accepted as presented. The motion was seconded by Judge Poston. After some further discussion, the motion was passed unanimously to accept the budget recommendation of the President. 1977-78 Proposed Budget Accepted

Chairman Lucas commended Mr. Knauf and his staff for the outstanding job on the graduation ceremonies and the inaugural dinner on May 15th.

Counsel Brooking announced that the annual lease agreement between Northern Kentucky University and the NKSC Foundation for vending machine spaces has been in effect and it needs ratification at the regular July meeting. Lease Agreement

The meeting recessed at 5:45 p.m. for dinner.

The meeting reconvened at 7:45 p.m. with the following Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Sam Makris.

Chairman Lucas explained that the purpose of reconvening was to hear the appeal of Dr. Alfonz Lengyel. Dr. Lengyel voiced his desire for the meeting to be open. Mr. Martin moved that the meeting be open. The motion, seconded by Dr. Wippermann, was passed unanimously.

Chairman Lucas asked permission to have Judge Poston preside at this portion of the meeting. Mr. Mann made a motion that Judge Poston be the presiding officer. The motion was seconded by Mr. Makris and was passed unanimously.

Mr. Brooking announced that he would serve as counsel for the Board of Regents and Mr. Philip Taliaferro will serve as counsel for the University.

A court reporter was sworn in to take the hearing appeal minutes.

Mr. Eugene Hancock, counsel for Dr. Lengyel, made several opening motions which were ruled on by Judge Poston. A motion was made by Mr. Hamburg and was seconded by Dr. Wippermann that the ruling of the presiding officer be sustained. The motion passed unanimously.

At 11:15 p.m. when all parties had been heard, a motion was made by Mr. Martin that the Regents go into executive session to deliberate in the matter of the appeal of Alfonz Lengyel. The motion, seconded by Mr. Haas, was passed unanimously.

At 11:40 p.m. the meeting was reconvened on motion by Mr. Martin and second by Mr. Mann. The motion passed unanimously.

Chairman Lucas called for a vote indicating that an "aye" vote constitutes sustaining the non-reappointment action taken by the Board and a "nay" vote constitutes reversing the position taken by the Board.

Roll call was held with the results of nine (9) aye votes and one absention by Dr. Stallings.

Mr. Haas moved adjournment and the motion was seconded by Judge Poston. The meeting closed at 11:45 p.m.

ADJOURNMENT

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, July 18, 1977

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was held on Monday, July 18, 1977 in the Board Room of Nunn Hall, Highland Heights Campus. The meeting was called to order at 5:40 p.m. by President Albright in the absence of Chairman Lucas who would be late arriving. The invocation was given by Dr. Tesseneer.

Roll Call: Regents present - John Hamburg, Henry Mann, Gordon Martin, Alex Parker, James Poston, Edgar Wippermann, Frank Stallings, Sam Makris
Regents excused - Elmer Haas, Kenneth Lucas
Others present - President Albright, Counsel John Brooking, Gene Scholes, Janet Travis, Roger Buchanan, Ralph Tesseneer, John DeMarcus, James Claypool, Robert Knauf, Martin Huelsmann, Vincent Schulte, Roger Meade, Charles Gray, Don Ransdell, Tim Funk of the Enquirer, Jim Reis of Ky. Post, Maryevelyn Wilson, Debbie Cafazzo, and Peg Moertl of the Northerner, Dolores Thelen.

All guests were welcomed to the meeting by President Albright.

The minutes of the regular quarterly meeting of April 18, 1977 and the special meeting of May 23, 1977 were approved as presented on motion by Mr. Hamburg and seconded by Mr. Parker. Motion passed with 6 aye votes.

President Albright asked for nominations of officers for 1977-78. Mr. Mann made the motion that Kenneth Lucas be nominated as Chairman and Elmer Haas as Secretary/Treasurer. The motion was seconded by Mr. Hamburg. Judge Poston moved that the nominations be closed and that Mr. Lucas and Mr. Haas be elected to the respective offices. The motion passed with 8 aye votes. Judge Poston moved that Dolores Thelen be appointed Assistant Secretary. The motion, seconded by Dr. Wippermann, was passed with 8 aye votes. — Election of Officers

PRESIDENTIAL REPORTS:

A-1 - Dr. Albright reminded the Regents that Summer Commencement would be held Sunday, August 14 at 7:30 p.m. He suggested that the Regents notify Mrs. Thelen if they were attending. — Summer Commencement

A-2 - The President presented a report on campus sculptures outlining the sequence of steps by which the sculptures are and will be on the Northern campus. — Campus Sculptures

A-3 - Dr. Albright, in presenting the list of contributors to the Roden-Neill Scholarship Fund, reported that additional contributions had been received since the listing was prepared. — Roden-Neill Scholarship Fund

A-4 - President Albright commented that the enrollment in the Summer Programs was slightly higher than last year. — Summer Programs

A-5(a)- The President reported that many persons in the University had taken on additional duties during the transitional period; however, he wished to point out four persons who served in various "acting" positions and express appreciation to them. They are Bill L. Woods, Mark R. Erion, Daniel Drake and Don Fuehner. — Special Recognition

A-5(b) - President Albright called attention to the list of contract and research grant proposals which were funded in the last quarter making a total for the fiscal year of nearly $500,000. Roger Meade reported that other institutions usually list their student financial grants and if we did this, it would add another $1 million to funds received throughout the year. The President said that "concerted efforts would be made in this fiscal year to increase our amount of outside funding." Grants

A-5(c) - Dr. Albright reported that the personal service contract for University Counsel had not been approved by Frankfort for the past fiscal year, and with a $3.1 million suit pending this should be cleared up. One of the questions raised is the appointing authority of the Board with that kind of legal exposure but without Frankfort allowing them legal defense. The contract has been handled according to state regulations and the University has outstanding invoices of nearly $5,000 that need to be accommodated. Judge Poston asked if there is anything that could be done as a Board and further stated he did not care to serve on a Board when we do not have a counsel to represent us. Mr. Martin commented that if this sort of thing becomes commonplace around the state, we would see many persons leaving boards such as this. Dr. Albright said he would make suggestions at a later point. Personal Service Contract for Legal Counsel

Because the Chairman had still not arrived, President Albright was appointed as temporary chairman on motion by Mr. Mann. The motion was seconded by Dr. Stallings and was carried with 8 aye votes.

PRESIDENTIAL RECOMMENDATIONS:

B-1 - Mr. Martin moved that the table of organization for the University (attached to these minutes) be approved; that the President be authorized to make modifications within this framework as suitable operation and effectiveness may be demanded; and that the President be authorized to make assignments of responsibilities in the organization and to designate the appropriate titles for the positions carrying those assignments. The motion was seconded by Mr. Makris. Dr. Albright stated he would have a list of persons who would be filling the slots in the organization chart at the next Board meeting. Deans for the Basic Disciplinary Programs and Human Development & Service Programs are being interviewed during this week and next. The other two deans will not be appointed until January 1st if funds are available. The President was asked the difference between Public Relations and News Bureau. It was pointed out that Public Relations would take care of community relations and the News Bureau would interpret through the news media what the University is doing, what it is trying to do, and what is happening as well as to create a greater awareness of Northern Kentucky University not only in Northern Kentucky but throughout the state and neighboring states. The motion passed with 8 aye votes. Organization Plans

B-2 - President presented a list of faculty members to be granted promotions in rank and tenure and explained that the lists were the result of rather careful review by the chairmen and by the departments and represents about one-third of the names submitted. Mr. Martin asked if these names were arrived at by following the procedures in the handbook and he was assured that they had been. Dr. Albright

(continued)

further explained that there was no time frame to go on in determining tenure, but the new procedures do set out such a time frame. He also said that this University has a very high percentage of its professors and associate professors who are tenured, and with our young faculty this does not leave much room for the tenure of others. Dr. Stallings pointed out that most universities usually grant tenure to associate professors and that our situation is unusual in that all of our associate professors are not granted tenure. The percentage of tenured faculty is about 50 to 60% in other institutions while our professors and associate professors are tenured in much higher percentage.

Dr. Stallings moved and seconded by Mr. Mann that the following members be promoted in rank and tenure as listed.

Promotions in Rank and Tenure

To Associate Professor	To Assistant Professor
James F. Hopgood	Barry Anderson
Michael Adams	Gary Armstrong
Edwin T. Weiss	Kevin Booher
Jeffrey Williams	Michael Lampman
Ed R. Wheeler	Betty Soave
Michael R. McPherson	Mildred Clark
Leslie J. Tomley	
Beth Gwynn	

Granted Tenure

James R. Lilly	Ed Wheeler
Thomas Rambo	Wesley Vernon Hicks, Jr.
Yudhishter Datta	Leslie J. Tomley
William M. Lindsey	Jack Sherman
	Beth Gwynn

The motion was passed with 8 aye votes.

B-2(b)- President Albright recommended that the following faculty appointments be approved:

Dr. Michael E. Gray as Assistant Professor of Education - $13,000 fiscal year
Dr. Paul W. Bechtel as Assistant Professor of Philosophy - $12,5000 academic year
Dr. Joseph C. Sheehan as Chairman of Social Work Program - $24,000 fiscal year
Ms. Jennifer J. Trap as Assistant Professor of Education - $13,000 academic year
Mr. Robert Simpson as Assistant Professor of Education - $13,000 academic year
Dr. David M. Bishop as Assistant Professor of Reading Education - $13,500 academic year
Mr. Bernard J. Gilday, Jr. as Professor of Law - $28,000 academic year
Mr. Elton C. Lasseigne as Assistant Professor of Law - $29,000 academic year
Mr. Barton John Craig as Assistant Professor of Law - $19,000 academic year

New Faculty Appointments

It was further pointed out that since Mr. Gilday has been part time for a number of years the University will ask for a waiver of the waiting period (one year) in order to put Mr. Gilday on TIAA. When asked why the great salary range for the law professors, Dean Huelsmann explained that Mr. Gilday is a very distinguished criminal lawyer and the University is fortunate to secure him. Mr. Lasseigne is a tax lawyer and the market for tax lawyers is very scarce; consequently, the salary needed to be high to secure one. Dr. Stallings moved that the recommendation of the President be approved. The motion was seconded by Judge Poston and was passed with 8 aye votes.

B-2(c) - President Albright presented a report summarizing selected personnel activity since the last Board meeting. The activity includes non-academic new employees, terminations, and promotions. Mr. Mann moved that the personnel actions set forth in Agenda B-2 (c) be ratified. (Copy attached.) The motion was seconded by Mr. Parker and was passed with 8 aye votes.

Non-academic Personnel Activity

B-2(d) - Dr. Albright stated he was happy "that the Board previously approved a recommendation to grant sabbatical leave to Dr. Tesseneer. But I was even happier when there was something the University needed to do and I asked Dr. Tesseneer if he would forego his sabbatical to take on the job of heading the NKU Foundation. He very willingly agreed to do it. I am very appreciative that he has agreed. Dr. Tesseneer is still entitled to a sabbatical leave when he wants to use it. The Foundation has organized itself and Dr. Tesseneer's leadership will make the Foundation a vital part of this institution."

Sabbatical Leave

NKU Foundation Head

B-3 - A proposed Tuition Refund Policy was presented for consideration and the President recommended that it be adopted to become effective with the 1977 Fall semester. Mr. Martin moved that the recommendation be adopted as outlined (copy attached) and it was seconded by Judge Poston. Dr. Albright explained that this policy is about the same as other institutions use and while the $15 administrative cost does not meet the cost of registering a student, it was agreed on as a fair figure. Mr. Hamburg asked "why charge $15 if the cost is $20" and he said he felt it ought to be raised to $20. Mr. Martin and Judge Poston agreed to an amendment to their motion that the administrative charge be $20. The motion with the amendment was passed with 8 aye votes.

Tuition Refund Policy Approved

B-4 - A schedule of tuition and supplemental fees was introduced with Dr. Albright explaining that the Board had approved the tuition previously as set forth by the Council on Public Higher Education. Mr. Mann asked if these fees have to be approved by the Council and it was explained that probably some would, therefore the schedule will be sent to them after the Board's consideration. Dr. Wippermann questioned the $45 music fee when UK charges only $25. Dr. Albright said that we would be able to charge lower fees when the General Fund can support this kind of individualized program and said further he hoped that in the future all fees can be incorporated in a flat fee schedule because of the time incurred in processing so many different fees. Judge Poston moved that the Schedule of Fees (attached) be approved to become effective with the Fall semester, 1977. The motion, seconded by Mr. Parker, was passed with 8 aye votes.

Tuition and Fee Schedule Approved

B-5 - The President recommended that the graduation fee for associate, bachelors, and masters degree candidates be discontinued effective August 20, 1977. Mr. Makris moved that the recommendation be adopted, and it was seconded by Dr. Wippermann. Mr. Buchanan explained that the University will underwrite about $4,000 in revenue by doing this, but will gain in time and personnel costs to process graduation fees. The motion passed with 8 aye votes.

Graduation Fee Abolished

B-6 - In presenting recommendation B-6, the President explained that our waiver of tuition has an effect on how bond holders view the University's credit. If there are a lot of waivers of tuition, bond holders become a little edgy. It appears that the capital construction money for three buildings will have to be realized through bond issues and this recommendation is meant to put our house in order showing that the Board has approved such tuition waivers. The University's bonding potential is nearly $20 million with the costs of bonding about $100,000 for each $1 million bond. The President also mentioned that HUD has available money for buildings at new institutions and it will be pursued to see if Northern qualifies. Mr. Hamburg made a motion that the Board approve the Presidential Scholarship program and that it be continued in conformance with the current guidelines (attached) upon the recommendation of the President. The motion, seconded by Mr. Martin, was passed with 8 aye votes.

Presidential Scholarship Program approved

B-7 - Counsel Brooking explained that the lease with NKU Foundation is different from last year's lease only in that 200 square feet are being leased rather than 100 feet leased last year. Dr. Wippermann moved that the Agreement of Lease between Northern Kentucky University and the NKU Foundation, Inc. for vending machine spaces be approved as per lease document (attached). The motion was seconded by Mr. Mann and was passed with 8 aye votes.

Agreement of Lease with NKU Foundation approved

B-8 - Counsel Brooking presented a revised contract for food service and explained he made a few changes from the original contract received from the vendor such as termination periods, student labor (wage and hour laws) and idemnification of the University. Mr. Ransdell, Director of Purchasing, said he had contacted the ARA Corporation and it is very unlikely that they will oppose the changes, but he could not talk directly to anyone who could give a final answer. Mr. Martin moved that the Board of Regents accept and approve the revised contract (copy attached) between the ARA Corporation and Northern Kentucky University to provide Professional Food Management Service for its new cafeteria and grill. The motion, seconded by Mr. Mann, was carried with 8 aye votes.

Food Service Contract approved

B-9 - President Albright recommended that the firm of Rankin, Rankin & Company, Certified Public Accountants, be employed to conduct and perform an examination of the financial statements of Northern Kentucky University and its related organizations for the fiscal year ending June 30, 1977 (copy of letter of agreement attached); and that the expenditure for this service not exceed $17,500. Mr. Buchanan, upon questioning, said that the service had been satisfactory, that the state budget office felt they were doing a satisfactory audit, and that he recommended that the firm be hired. Mr. Martin moved, seconded by Mr. Parker, that the recommendation of the President be approved. The motion passed with 8 aye votes.

Audit Firm Retained

B-10 - The President explained that the budget revisions made for the last quarter were compiled in an abbreviated form with Part I showing internal transfers in departments and Part II showing transfer from one area to another. These transfers need to be approved by the Regents for use by the auditors. Mr. Mann made a motion that the Regents approve the budget revisions made during the quarter from April 1 through June 30, 1977. The motion, seconded by Mr. Hamburg, was carried with 8 aye votes.

Budget Revisions approved

B-11 - President Albright recommended that the Board of Regents sanction a Graduate Center with courses to be offered by Northern Kentucky University and University of Kentucky and any other graduate institution in the state that may wish to participate; and that the Board authorize the University to seek funding for this program. Dr. Albright said "for this time Northern Kentucky University would concentrate on building a distinctive under-graduate program and the graduate programs would be very limited in number and scope. The reason for this is that the University is not funded sufficiently to handle an expanded graduate program. And there is a need for the University to offer graduate courses to the people of the Northern Kentucky area. Therefore, last fall the idea of a graduate center with participating institutions was presented to Dr. Singletary at UK and a very favorable response was received. The University of Louisville was also contacted and showed interest in certain fields. A task group was appointed consisting of Dr. Scholes, Dr. Kearns, Dr. Melnick, Dr. Travis and four persons from the University of Kentucky.

Graduate Center approved

"The plan is now at the point where we can begin offering certain graduate courses this Fall - Library Sciences, Guidance & Counselling, Educational Administration, Reading, Special Education, Business Administration, Social Work, and Public Administration. The Council on Public Higher Education likes the idea and we will need to seek funding over and above what we receive for our general funding." Dr. Travis stated she was happy to have such a center and spoke on many possibilities of expanding the center. Mr. Martin moved that the recommendation of the President for the Graduate Center be approved and that authorization be given to seek additional funding for the program. The motion was seconded by Mr. Makris and was passed with 8 aye votes.

Mr. Mann asked why the highway signs with Northern's name had not been changed to read University instead of State College. Dr. Albright said he had inquired and received the answer that it would be completed as soon as there was time, but said that he would keep pursuing it with the Highway Department. Mr. Mann suggested the possibility of doing it ourselves using the overlay as was used on signs on campus.

The meeting was recessed for Executive Session on motion by Mr. Martin and second by Judge Poston to discuss pending litigation and other personnel matters. The motion passed with 8 aye votes.

The meeting was re-opened.

Judge Poston moved the following recommendation: Resolved that the University defend the Board of Regents and all individuals sued by Alfonz Lengyel whether via our own insurance carrier(s), and/or the Attorney General of Kentucky, and/or University Counsel as determined in the best interests of the named Defendants in the law suit; that each individual defendant be advised that he may obtain private counsel or the Attorney General to defend him. The motion, seconded by Mr. Martin, was passed with 8 aye votes.

Mr. Mann moved that the firm of Adams, Brooking and Stepner be retained as University Counsel (Mr. Brooking of the firm) for the 1977-78 year at a retainer to be negotiated by the President with Mr. Brooking and that Mr. Philip Taliaferro be continued as counsel-on-call for the 1977-78 year with the rate of stipend for 1976-77 to continue only through the first quarter of the 1977-78 year. The motion, seconded by Mr. Parker, was passed with 8 aye votes.

A tentative date for the Sarakatsannis hearing was set for August 22.

The next quarterly meeting will be on Monday, October 17, 1977.

BOARD OF REGENTS SPECIAL MEETING
August 22, 1977

A special meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:45 p.m. on Monday, August 22, 1977 in the Board Room of Nunn Hall.

Roll Call: Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Sam Makris.
excused: Mr. Alex Parker
Others present: President A. D. Albright, Dr. Janet Travis, Counsel John Brooking, Counsel Philip Taliaferro, Dr. James Claypool, Mr. Robert Knauf, Mr. Martin Huelsmann, Dr. William Rost, Dr. Bill Parsons, Mrs. Dolores Thelen, Margaret Moertl, Leonidas Sarakatsannis, Counsel James Cobb, Mr. & Mrs. John Haynes, James D. Williams, Mike Wilz, Sonia Williams, James Brue, Linda Morris, Mike Turner, Louise Lyons, Gil & Jan Hammond, Wynn Webster, Melinda Thomas, Sarah Johnson, Jennifer Scott, and Jim Reis of Kentucky Post.

The chairman declared a quorum present for the non-reappointment appeal hearing of Dr. Leonidas Sarakatsannis.

President Albright asked that the Board authorize the executive officer to submit a tentative draft of the biennium budget to the Council on Public Higher Education and the document will be presented to the Board for subsequent approval. Dr. Stallings made a motion that the executive officer be so authorized. The motion, seconded by Mr. Makris, was passed unanimously.

Dr. Wipperman moved that Judge James Poston be appointed hearing officer. The motion was seconded by Mr. Hamburg and passed unanimously.

Counsel John Brooking swore in the court reporter who recorded the minutes of the hearing.

Judge Poston inquired of counsel for Dr. Sarakatsannis if an open or closed meeting was desired, Counsel Cobb informed the Regents that Dr. Sarakatsannis elected that the meeting be open. A motion was made by Mr. Hamburg and was seconded by Mr. Makris that the meeting be open. The motion passed unanimously.

After all parties had been heard, Mr. Martin moved that the Regents go into Executive Session to consider a personnel matter. The motion, seconded by Mr. Makris, was passed unanimously.

The meeting recessed at 6:15 p.m. for executive session .

The meeting reconvened at 6:45 p.m. on motion by Judge Poston, second by Dr. Wippermann, and passed unanimously.

Chairman Lucas announced that the Regents had met in closed session about the personnel matter concerning Dr. Sarakatsannis and it was now time for public vote on the appeal of the non-reappointment. The chairman reminded each Regent that an "aye" was in favor of the non-reappointment of Dr. Sarakatsannis and a "nay" vote would rescind such a non-reappointment. Dr. Stallings would be abstaining from voting as the faculty regent is not a legal voting member of the Board of Regents. A voice vote was taken and the Chairman declared a unanimous vote in favor of the non-reappointment of Dr. Sarataksannis.

The meeting adjourned at 6:50 p.m. on motion by Mr. Haas and second by Judge Poston.

ADJOURNMENT

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, October 17, 1977

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 5:15 p.m., Monday, October 17, 1977, by Chairman Kenneth Lucas in the Board Room of Nunn Hall, Highland Heights campus. The invocation was given by Dr. Scholes. The chairman welcomed all present.

Roll Call: Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Frank Stallings, Mr. Sam Makris.
Regents excused: Mr. Alex Parker and Dr. Edgar Wippermann.
Others present: President A.D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Janet Travis, Mr. Roger Buchanan, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Mr. Martin Huelsmann, Mr. Clarence Tabor, Mrs. Dolores Thelen, Dr. Robert Vitz, Mr. Gary Eith, Mr. Dennis Taulbee, Dr. Charles Gray, Mr. Steve Toner, Dr. Warren Corbin, Mr. Kevin Baker, Ms. Peg Moertl of the Northerner, and Mr. Jim Reis of the Kentucky Post.

Mr. Haas moved that the minutes of the regular meeting of July 18, 1977 be approved as presented. The motion was seconded by Mr. Mann and was passed unanimously. Mr. Haas also made a motion that the minutes of the special meeting of August 22, 1977 be approved as presented. The motion, seconded by Mr. Mann, passed unanimously.

PRESIDENTIAL REPORTS:

A-1 In keeping with the Regents' instructions at a previous meeting, Dr. Albright presented an organizational chart with personnel added. He noted that there were still several open slots. Mr. Clarence Tabor, the new Business Manager, was introduced. Dr. Albright further stated that the Equal Opportunity/Affirmative Action slot will not be filled until a committee has developed an EO/AA program as well as some guidelines which will have to be presented to HEW. — Organizational Chart with Personnel

A-2 Dr. Charles Gray spoke on the audit of financial aid funds received from HEW for fiscal year, 1975-76, and pointed out Northern's answer to their findings. — HEW Audit

A-3 The Program Report of Grants and Contracts is to keep the Board aware of what is happening in the area of extra-mural funding. Dr. Stallings inquired as to how much better the grants received so far this year are than last year for the first 3 months. Dr. Albright reported that, according to Dr. Roger Meade, the funds so far are almost doubled and the goal for the current year is $750,000. — Grants and Contracts

A-4 Dr. Claypool reported that the University Center opened at the beginning of the semester this fall. There is a committee to oversee the food service and this area is working out quite well. There will be a Director of the University Center as of November 1st. Mr. Makris reported that the student body in general is pleased with the facility and that it has tied together the student body. — University Center

A-5 The Staff and Faculty Benefits report is for informational purposes for the Regents and Dr. Albright indicated there may be some changes to be made later. — Benefits Report

A-6 The President reported that an accreditation team from the Southern Association of Colleges and Universities will be on campus November 6 through 9 and will look at all phases of the University's operation in order to report whether Northern should receive full accreditation. The University will receive a report on the team's findings a month after they have visited,with the University having the opportunity to respond to the report. Dr. Albright stressed that this three-day visit is very important to the future of this institution. Accreditation Team

A-7 Dr. Scholes reported that our professional liability insurance coverage will lapse November 1 and negotiations are being carried on with an insurance brokerage firm in order that a policy can be purchased and the insurance does not lapse. Dr. Scholes recommended that the administration be empowered to negotiate for this policy in order that adequate coverage can be obtained. Counsel Brooking stated that the Board members should be assured (1) As of November 1, there will be coverage of a true professional liability insurance plus general liability in the amount of $100,000 for basic coverage with an umbrella coverage of $5,000,000, and there be no exceptions to the policy with regard to employees suing fellow employees, and (2) All Regents, Administrators and Faculty be covered on any matter on which they are acting in behalf of the University in their official capacity. Mr. Brooking further pointed out the importance of continuing coverage in years to come as insurance companies are now moving from occurrence coverage dates to when-made claim dates. Dr. Albright called attention to a letter that had been submitted to the Governor pointing out the tenuous positions in which public officials are cast as well as the Governor's reply. The President further reported on law suits in which other institutions are involved and said it was increasingly difficult to get administrators when they might as well forget about trying to operate as a control function, the process for which an educational institution was established. Professional Liability Insurance

The following resolution was moved by Judge Poston and was seconded by Mr. Martin:

> Resolved by the Board of Regents that Northern Kentucky University obtain professional liability insurance covering its Regents, Administrators, and Faculty when acting in their official capacity on behalf of the University; said coverage to be a basic $100,000 with an umbrella coverage of $5,000,000 in the aggregate and that payment for same be provided according to law. Resolution for Liability Coverage

The resolution passed unanimously.

Mr. Mann made a motion that the Northern Kentucky Legislators be urged to prepare for submission to the 1978 General Assembly a statute providing for professional liability insurance and other general liability insurance coverage for all officials of the Commonwealth of Kentucky including Regents, Administrators and Faculty of this University and any other University. The motion was seconded by Mr. Hamburg and passed unanimously. Legislators prepare Liability Statute

A motion was made by Mr. Martin and was seconded by Mr. Makris that, through the Administration, professional liability insurance coverage be provided annually to the Regents, Administrators and Faculty. The motion passed unanimously. Continuous Liability Coverage

A-8 & A-9 Mr. DeMarcus prepared a slide presentation of the capital construction requests for this biennium as well as bringing the Regents up to date on present construction. Mr. DeMarcus further reported that the bonding potential at this date is approximately $18,600,000 which hopefully the state will allow us to use for further development of the campus. President Albright remarked that he felt we had a unique campus and one which shows some foresight, especially since a recent Federal law was passed in which an institution of higher learning has to have facilities available for the handicapped. Campus Construction

A-10 Dr. Warren Corbin spoke on the Education Day (in-service training for teachers of elementary and secondary public schools as well as parochial schools from some 23 school districts) to be held on campus November 4. The hope was that 2,000 will attend but at this time it seems as if 3,000 may attend. Dr. Corbin complimented Northern's faculty and administrators in assisting him in setting up this program and invited all Regents to attend.

PRESIDENTIAL RECOMMENDATIONS

B-1 The President's Annual Report for 1976-77 was presented. In complimenting the administration on the fine report, Mr. Martin moved that it be received. The motion, seconded by Mr. Hamburg, was passed unanimously with many comments on the fine publication. President's Annual Report 76-77

B-2 Biennium Budget Requests. Since Mr. DeMarcus had presented the capital construction requests earlier, it was moved by Mr. Mann and seconded by Mr. Makris that the capital construction budget requests be approved as presented. The motion passed unanimously. Capital Construction Biennium Request

President Albright outlined the Biennium Operating Budget Request pointing out highlights of the request. He further stated: "In my judgment this next biennium, and namely this Legislative Session, is the most critical this institution has faced or is going to face for a number of years. This University is not adequately funded now and it needs to be adequately funded. This institution has been underfunded since its inception. The time has come that if sufficient funding is not realized, this Board will have to face some facts that may not be very palatable. If the level of education is to be maintained we must have this funding. If not, we cannot continue our policy of unlimited enroilment, some services will have to be curtailed, the athletic program will have to be cut, and practically every area of the University will be affected." Operating Biennium Budget Request

The Regents inquired as to which way to proceed to accomplish adequate funding and the President indicated that as soon as he knew where our University stood in funding (which should be this week) he would be in contact with each Regent. Dr. Stallings indicated that the faculty is concerned inasmuch as the salaries paid have not kept up with the cost of living and there is not opportunity for research because of inadequate money as well as inability to offer a faculty member release for such research.

Mr. Haas moved that the biennium operating budget request be approved as presented. The motion, seconded by Mr. Makris, was passed unanimously.

B-3 (a)	Mr. Hamburg made a motion that the new appointments, promotions and leaves of absence for academic and administrative personnel as listed in B-3(a) be approved as presented. The motion was seconded by Judge Poston and was passed unanimously.	Academic & Administrative Personnel
B-3 (b)	Mr. Martin made the motion that the new appointments, promotions and transfers of non-academic personnel as listed in B-3(b) be approved as presented. The motion, seconded by Judge Poston, was passed unanimously.	Non-academi personnel
B-3 (c)	President Albright explained that previously the Regents were told of the review made by the Department of Labor and the University was given 30 days to comply with their findings. A list of the personnel affected and their adjusted amounts which totalled $38,475 was presented and the President recommended that it be approved. Dr. Stallings moved that the Regents approve the adjusted salaries as presented. Mr. Mann seconded the motion which passed unanimously.	Adjusted Salaries
B-3 (d)	The President recommended that normal office hours for Northern be established as 8:15 a.m. to 4:30 p.m. with 45 minutes for lunch, to become effective October 30, 1977. Mr. Mann moved that the recommendation be approved. Mr. Hamburg seconded the motion which passed unanimously.	Office Hours approved
B-4	In recommending that a Center for Economic Education be established, Dr. Scholes explained that this program brings contact with the business community and while it will bring in a rather modest sum of $3,000, the end results will have an impact. A motion by Judge Poston to accept the recommendation as presented was seconded by Mr. Martin and was passed unanimously.	Center for Economic Education
B-5	Dr. Travis explained that the Associate Degree Program in Chemical Technology is being set up by the Physical Science Programs as there is a great need for this type of graduate in the industry of this area. Mr. Makris made a motion that such a program be approved as presented. The motion was seconded by Dr. Stallings and was passed unanimously.	Chemical Technology Program
B-6	A policy statement for handling all University monies was recommended by the President. Mr. Martin made the motion that the statement as outlined in B-6 be approved as presented. Mr. Haas seconded the motion which passed unanimously.	Policy for University monies
B-7	A change on the charges for parking violations as outlined in B-7 was approved unanimously on a motion made by Mr. Hamburg and a second by Judge Poston. When asked if a student had a right to appeal, it was stated that a Public Safety Advisory Committee heard such appeals.	Charges for Parking Violations
B-8	A recommendation that a special parking fee of $2 be set for those persons required to park their vehicles at the maintenance facility near the main campus was approved unanimously on motion by Judge Poston and second by Mr. Haas.	Special Parking Fee
B-9	The financial statement for 1976-77 was received on motion by Mr. Mann and second by Judge Poston. The motion passed unanimously.	76-77 Financial Statement

B-10 Some budget revisions that were necessary during the closing of the books for fiscal year 1976-77 were approved on motion by Mr. Hamburg and second by Mr. Makris. The motion passed unanimously. — Budget Revisions 76-77

B-11 The quarterly financial report for July-September, 1977 was received on motion by Mr. Mann and second by Mr. Makris and passed unanimously. — Quarterly Financial Statement

B-12 The budget revisions for June-September, 1977 were approved as presented by motion of Judge Poston and second by Dr. Stallings and unanimously passed. — Budget Revisions 77

B-13 The President recommended that the plaza area at the front of Nunn Hall be designated as a forum area and stated that it does not interfere with access to the buildings. Mr. Martin made the motion that the recommendation be accepted as presented. The motion, seconded by Judge Poston, was passed unanimously. — Open Forum Area approved

B-14 Mr. Steve Toner, Alumni Director, explained the changes in the Alumni Constitution and recommended that the Constitution be approved. Counsel Brooking stated that he had looked it over as to form and legality. Mr. Toner introduced the president of the Alumni Association, Mr. Kevin Baker, who stated that the Alumni Association had approved the new constitution. Mr. Haas moved that the Alumni Constitution be approved as presented. The motion, seconded by Mr. Makris, was passed unanimously. — Alumni Constitution

B-15 President Albright asked the Regents for authorization to proceed with the development of a Student Code outlining the Rights and Responsibilities of Students and will present such Code to the Regents at a later date. Mr. Makris moved that the administration be authorized to proceed with the development of the Student Code. The motion, seconded by Dr. Stallings, was passed unanimously. — Student Code

Mr. Martin made a motion that Dr. Surinder Ram be appointed Fire Safety Officer as outlined by Mr. DeMarcus. Mr. Haas seconded the motion. Mr. DeMarcus explained that Dr. Ram is the electrical engineer for the University and will also continue in that capacity as well as Fire Safety Engineer. The motion was passed unanimously. — Fire Safety Officer appointed

President Albright explained that while the Financial Aid audit for 1975-76 was in fairly good shape, a report had just been received from HEW which follows an audit from 1970 to 1974 in which the University was found to have violated some of the regulations set down by HEW. It may cost the University a large sum of money; however, it will have to be negotiated to see what indemnity the institution will suffer. The President said he would keep the Regents informed and wanted this to be a part of the record. — Financial Aid Audit for 1970-74

Mr. DeMarcus reported that when the University Center was built it was necessary to move the temporary grill. The contractor agreed to do so if the University paid half the bill which was approximately $3,000. Mr. DeMarcus recommended that the Board authorize the administration to negotiate with the contractor up to $3,000 for the moving of the food service building. A motion was made by Mr. Haas that the administration be so authorized. The motion, seconded by Mr. Makris, was passed unanimously. — Moving of Temporary Grill

Mr. Mann brought up the fact that the Regents were still receiving their Board agendas by certified mail and while he realized that the Board had directed this means of mailing, he felt it was becoming too costly and was not necessary. Mr. Mann moved that the Board of Regents rescind their directive for certified mailings. The motion was seconded by Mr. Hamburg and was passed unanimously.

On motion by Mr. Hamburg, meeting dates for 1978 were set for the Third Monday of January, April, July, and October. The motion, seconded by Judge Poston, was passed unanimously.

The meeting was adjourned at 7:45 p.m. on motion by Mr. Haas and second by Mr. Hamburg.

ADJOURNMENT

MINUTES OF BOARD OF REGENTS MEETING
Monday, January 23, 1978

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was held on Monday, January 23, 1978. Chairman Lucas called the meeting to order at 4:55 p.m. and invocation was given by Dr. Scholes. The Chairman welcomed all present.

Roll Call:

Regents present - Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Alex Parker, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Sam Makris.

Regents excused - Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston.

Chairman Lucas declared a quorum.

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Janet Travis, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Clarence Tabor, Mr. Robert Knauf, Dr. Arthur Kaplan, Dr. Lyle Gray, Dr. Mary Ann Rehnke, Mr. Dennis Taulbee, Mr. William Lamb, Mr. James Kerr, Mr. Dave Phillips, Dr. Charles Gray, Dr. James Ramage, Dr. Robert Vitz, Dr. Dennis O'Keefe, Mr. Richard Rankin and Mr. Charles Lee of Rankin and Rankin, Mr. Jim Reis of the Kentucky Post, Maryevelyn Wilson and Peg Moertl of the Northerner, Mrs. Dolores Thelen.

The minutes of the previous quarterly meeting, October 18, 1977, were approved on motion by Mr. Haas, a second by Dr. Wipperman, and passed unanimously.

PRESIDENTIAL REPORTS:

A-1 - Dr. Albright stated that this report stems from the fact that a few months ago the Academy for Educational Development selected Northern Kentucky University as one of thirty institutions in the country to engage in a serious planning effort. He called on Dr. Scholes to report. Dr. Scholes reported that the thirty institutions selected are very different in size and scope. The document submitted to the Board reflects an outline that Northern plans to follow and it is hoped that this will be a future guide for the University. Not only will this reflect the second ten years at Northern, but some short range planning will be done at the same time. Dr. Scholes further stated that there will be some sort of reports for the Academy due in June and July. A planning agenda is included on page five and the pre-requisites will be as follows:

Planning for Second Ten Years

a. Reaffirm or modify NKU's mission statement
b. Define broad program goals
c. Establish program priorities in terms of Northern's mission
d. Develop other policies that relate to institutional commitments

A-2 - President Albright called attention to the audit letter from HEW and complimented Dr. Charles Gray on the progress made in the student financial aid area. Dr. Gray noted that we have a favorable audit of BEOG funds for 1973-74. He further reported that BEOG grants have grown from $35,000 to $50,000 this past year.

HEW Audit

A-3 - Dr. Albright said that this report is an update for the Regents as a result of the Management Audit. He noted that many of the items have been implimented. In April a further report will be made outlining the progress being made.

A-4 - John DeMarcus gave a comprehensive report on construction plans for the future. He further spoke on the possible bottleneck which will be created when I-275 is tied into U.S. 27 and that there needs to be some thought on how to alleviate this program. Construction Report

A-5 - The President called attention to the liability insurance that has been secured to cover regents, faculty and staff. Dr. Scholes reported that we now have more coverage for less premium. Counsel Brooking stated that he felt further insurance needed to be secured covering personnel of the University who are driving their own automobiles on University business. He felt that personnel needed to be aware that there is no such coverage and suggested they have at least $300,000 general liability coverage for themselves. When Counsel Brooking asked about malpractice insurance for our nurse and rad tech people, he was informed that such coverage is in effect. Liability Insurance

A-6 - Dr. Albright referred to the 1976-77 Financial Audit and introduced Richard Rankin and Charles Lee of Rankin and Rankin, our auditing firm, stated that the University is pleased with their work. Mr. Rankin thanked the Regents and the Administration for their confidence and said that he had received very good cooperation from the Administration and Staff during the audit. 1976-77 Financial Audit

A-7 - President Albright, in presenting the report on programs of research, grants and contracts, stated that a goal of $750,000 for the entire fiscal year had been reached in half the time. He further stated that a large part of this accomplishment is due to Roger Meade and the faculty for their increasing interest in proposing projects. Grants Report

A- 8- Dr. Albright stated that this report was presented to the Regents in order for them to be aware of the areas in which the Contingency Fund was allocated in the budget. Contingency Fund

PRESIDENTIAL RECOMMENDATIONS:

B-1 - A recommendation was made by the President that new appointments, tenure and changes in positions be approved as outlined(listings attached to these minutes). A motion to accept the recommendation was made by Dr. Stallings. The motion, seconded by Dr. Wippermann, was passed unanimously. Personnel

B-2 - Dr. Albright stated that the Faculty Personnel Policy and Procedures was not complete and that it will be presented at the April meeting.

B-3 - The Handbook for Program Chairpersons with alteration page was presented for approval upon the recommendation of the President to become effective immediately. Dr. Stallings reported that this document was the most widely discussed of any document before it reached the Regents. President Albright reported that Dr. Stallings was very helpful in the formulation of this handbook. Dr. Stallings made a motion that the recommendation be approved. The motion was seconded by Mr. Makris and was passed unanimously. Chair-persons Handbook

B-4 - President Albright called upon Provost Travis to speak on the new program proposals being presented to the Regents. Dr. Travis introduced Dean Gray of the Basic Discipline Programs and Dean Kaplan of the Human Development and Service Programs. The Provost stated that all of the program proposals being presented are not going to be implimented immediately, but was seeking approval so as not to inhibit the development of them. Dr. Albright stated that these programs would also have to be acted upon by the Council on Public Higher Education and he recommended the acceptance New Program Proposals

of these proposals by the Regents. Dr. Wippermann made the motion, Mr. Hamburg seconded the motion that the recommendation be approved. The motion passed unanimously.

B-5- Dr. Albright referred to the copy of the Catalog given each Regent and made a recommendation that the Regents receive and accept the 1977-79 Catalog. Much credit for the catalog was given to Dr. Thieret who is University Editor. Dr. Travis reported that a new catalog will be prepared by January, 1979, reflecting the new organization of the University. The Provost stated that by accepting the catalog the Regents would be approving anything in it that had not been approved previously, but assured them that in the future everything that is included in a catalog will have their prior approval. The recommendation was passed unanimously on motion by Mr. Haas and second by Dr. Stallings.

1977-79 Catalog

B-6- President Albright recommended that the policy statement and plan for equal opportunity and affirmative action be adopted by the Board of Regents effective this date. (Policy statement and plan attached to these minutes.) Dr. Albright called upon Dr. James Ramage who chaired the committee after complimenting him and his committee for the fine job done in a short time. Dr. Ramage explained that such a policy and plan was necessary in order to comply with government regulations in order to keep grant monies coming in such as the $750,000 mentioned previously. He further stated that acceptance of this document commits the University to hiring a full time equal opportunity director. A motion to accept the recommendation was made by Mr. Makris and was seconded by Dr. Stallings. The motion passed unanimously.

Equal Opportunity/ Affirmative Action

B-7- President Albright made the following recommendation: That the code of student's rights and responsibilities be accepted by the Board of Regents and that this document be incorporated into the student handbook with the following exceptions: on page 5 insert after first line "Class attendance is not compulsory except when required by the faculty for educational purposes" and on pages 7 through 9 "Hearing Procedures" be deleted for the time being. He further recommended that the President be authorized to incorporate supplementary material that may be considered feasible to this document.

Students Rights and Responsibilities

Mr. Makris spoke against the insertion on page 5, and indicated there is no appeal procedure at this time and felt there should be some sort of hearing procedure inserted. Dr. Travis indicated there was such a procedure in which the student goes through the faculty member, to chairman, to Academic Dean, to President. Since there is now no Academic Dean, an appeal would proceed to the Dean of the program area and to the Provost, then to the President. Counsel Brooking said taking such steps as now outlined is an abuse of process when the student can go to the Provost and the President. Counsel Brooking also pointed out some inconsistencies in the document which he will write out for the committee. It was the consensus that the appeal procedure for students, until this section of the document is completed, be to faculty, to chairperson, to Dean of the program area.

A motion was made by Mr. Haas that the recommendation of the President be accepted including the exceptions outlined above. The motion was seconded by Mr. Makris.

Vote: Aye - Haas, Hamburg, Stallings, Wippermann
Nay - Parker Student Regent abstained Motion carried.

B-8- The President noted the Quarterly Financial Report given each Regent and recommended it be received and accepted. Motion to accept was made by Mr. Makris, was seconded by Mr. Parker, and was passed unanimously. — Quarterly Financial Report

Dr. Stallings retired from the meeting to teach a scheduled class.

B-9- Dr. Albright recommended that signatures authorized for checks written on all Northern Kentucky University bank accounts be Bill L. Woods, Director of Accounting; C.M. Tabor, Business Manager; and that the Custodian of funds received from the state be designated as Bill L. Woods, Director of Accounting with C. M. Tabor, Business Manager, as alternate. Mr. Parker made the motion to accept the recommendation. The motion, seconded by Dr. Wippermann was passed unanimously. — Custodian of Funds

B-10- The recommendation that the University postal services be permitted to rent post office boxes located in the postal services area in the University Center to faculty, staff or students for a fee of $2 per box February 1 through June 30, 1978, and $5 per box per year effective July 1, 1978 was accepted on motion made by Mr. Parker. The motion, seconded by Dr. Wippermann, passed unanimously. — Postal Boxes

B-11- The budget revisions made for the period of October 1, 1977 through November 30, 1977 were approved as presented on motion by Mr. Hamburg. The motion was seconded by Mr. Makris and was passed unanimously. — Budget Revisions

B-12- President Albright recommended that the state grant for enrollment growth totaling $267,193 be accepted and maintained as a budget reserve with the president authorized to make temporary transfers for emergencies; any such transfer to be subject to the subsequent confirmation and approval by the Board of Regents. Mr. Parker moved that the recommendation be approved as presented. The motion, seconded by Dr. Wippermann, was passed unanimously. — Enrollment Growth Grant

B-13- and B-14- Dr. Albright submitted the following recommendations for approval:

That the Board of Regents ratify the agreement for affiliation of Northern Kentucky University and St. Luke Hospital on the radiologic technology program as submitted.

That the Board of Regents ratify the agreement for affiliation of Northern Kentucky University and St. Elizabeth Medical Center on the radiologic technology program as submitted.

(Agreements are attached to these minutes.)

Dr. Wippermann moved that the two recommendations be approved as presented. Mr. Hamburg seconded the motion and it was passed unanimously. — Agreements with St. Luke and St. Elizabeth

B-15- Dr. Albright, in submitting the following recommendation, explained that every effort is being made to collect delinquent accounts and that progress is being made: That the following statement be placed in all information presented to and mailed to NKU students: "Students who have any outstanding financial obligation to Northern Kentucky University will not be placed on the official class roll until the obligation is corrected." Motion to accept the recommendation was made by Mr. Makris and seconded by Mr. Parker. The motion passed unanimously. — Delinquent Student Accounts

OTHER BUSINESS:

President Albright presented a written report on the 1978-80 Executive Budget provisions for Northern Kentucky University, further pointing out the difficulties to be encountered in the second year of the budget. The written report is attached to these minutes. The President explained that one hope will be the discretionary fund of $2.5 million given to the Council on Higher Education for enrollment growth and program development. Northern should receive a good portion of this. To further underscore our situation as compared to other institutions in Kentucky, Dr. Albright presented a document (copy attached) which points out sharply our lack of funding.

Chairman Lucas commended Dr. Albright for the comprehensive report and the manner in which he has handled this situation. It was the hope of all Regents that the growth pool will be large enough to help Northern. Mr. Parker asked about the personnel of the Council on Higher Education. Dr. Albright named the members and stated that the Council is well aware of Northern's situation and this is the reason we should receive a good portion of the growth pool. Mr. Makris said that the students do wish to help and would appreciate hearing if there is anything the student body can do as a group. Dr. Albright assured Mr. Makris he would be calling upon the students.

Motion to adjourn the meeting was made by Mr. Parker and seconded by Mr. Haas.

The meeting was adjourned at 7:15 p.m.

MINUTES OF THE BOARD OF REGENTS MEETING
Monday, April 17, 1978

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was held on Monday, April 17, 1978 in the Board Room of Nunn Hall. Chairman Lucas called the meeting to order at 5:10 p.m. Invocation was given by Dr. Tesseneer.

Regents present: Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Dr. Edgar Wippermann, Dr. Frank Stallings, Mr. Sam Makris.
excused: Mr. Elmer Haas, Judge James Poston
Others present: President A. D. Albright, Counsel John Brooking, Regent Emeritus Charles Wiley, Dr. Gene Scholes, Dr. Janet Travis, Mr. Roger Buchanan, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Clarence Tabor, Mr. Robert Knauf, Mrs. Dolores Thelen, Mr. William Lamb, Mr. Dennis Taulbee, Mr. James Kerr, Mr. John Connor, Mr. Dave Phillips, Dr. Robert Vitz, Dr. Barbara Smith, Mrs. Perk Rudd, Mr. Jim Reis of the Kentucky Post, Mr. Ron Stamm of PKA Fraternity, Ms. Peg Moertl and Mr. Harry Donnermeyer of the Northerner.

Minutes of the previous quarterly meeting, January 23, 1978 were approved, as printed, on motion by Mr. Martin, second by Mr. Makris, and passed with 7 aye votes.

A-1 - This report covered the times of commencement and in what manner the Regents are involved. Dr. Albright reported that new robes have been secured for the Regents. — Commencement

A-2 - Dr. Albright noted additional funding through Grants and Contracts of over $750,000 has exceeded the target amount for the total year by $250,000 and hopefully, a total of $1 million can be achieved before the end of fiscal year. — Grants and Contracts

A-3 - President Albright called attention to the additional funding for our Federal College Work-Study Program.

A-4 - The quarterly financial report for January 1 through March 31, 1978 was presented.

A-5 - The President called on Mr. Tabor, Business Manager, to speak on the "Comments on Accounting Procedures" prepared by the auditor. An addition to A-5 was distributed outlining responses to the "comments". Mr. Tabor said he felt the Accounting Department was following the guidelines for good financial accounting procedures. — Auditors' Comments

A-6 - Mr. Tabor highlighted the written report on Grill and Cafeteria Operations stating that while it operated in the red the first few months as expected, the operation is now beginning to show a small margin of profit. The Business Services Manager and the Purchasing Director have worked extensively with the ARA people, who are very cooperative. — Grill and Cafeteria Operations

A-7 - President Albright asked Mr. Tabor to highlight some developments as a result of the Management Audit which the Regents approved over a year ago. Mr. Tabor reported that the inventory is completed and computerized in order that we know the exact location of equipment and its original cost. This inventory is kept up to date as items are purchased. Mr. Tabor further reported that a loan collection officer has been hired and is working full time on collection of bad debts. Other areas are being pursued and a further report will be made in July. — Management Audit

A-8 - The President called on Mr. DeMarcus for a Construction Report. Mr. DeMarcus announced that Groundbreaking Ceremonies for the new Business-Education-Psychology building will be at noon, May 3. Bid date is April 27. Construction

Reprogramming funding of $500,000 for the Administrative Center has been received and programming for this $6 million building will proceed, hopefully with the completion date in the fall of 1979.

Dr. Albright has contacted the Commissioner of Finance to review the contract issued for the Master Plan since little progress had been made. The state has now authorized the University to contract with a local firm to complete this master planning.

The University is in the process of complying with the self-evaluation requirement of Section 504 of the Rehabilitation Act of 1973. A questionnaire will be sent to all program chairpersons to complete the self-evaluation.

Renovations are currently in progress to convert space in the Educational Media Center in Landrum into a color television production area with a total construction cost of $54,000. An additional $194,000 worth of equipment is to be installed with the completion date in mid-July.

The second sculpture is due to be erected in August.

Dr. Stallings asked about an earlier allotment the University was given to complete the sidewalk and lighting through the campus. Mr. DeMarcus said there was not enough money to complete the plan, but it is under design and will be completed at a later date provided funds are available.

Dr. Albright stated that a space utilization report is under way and should be completed in a month or so.

President Albright also remarked that if money is not available to complete the campus to accommodate about 10,000 students, we may have to think about a selective admission policy.

A-9 - Mr. DeMarcus reported that the state offices had completed a traffic review of the I-275 and U.S. 27 traffic flow and that they did not see any problems. As the letter from the Secretary of Transportation stated, I-275 to the campus is due to be completed this summer. I-275 Completion

A-10 - Dr. Albright reported an additional construction allocation of $60,000 for equipment purchases in the Radiologic Technician Program. Additional Allocation

A-11 - President Albright reported that the Council on Higher Education adopted tuition increases for non-residents enrolling in all public universities in Kentucky, effective for Fall, 1978. Non-resident Tuition Raise

Undergraduate - From $1200 to $1250 ($1300 in 1979)
Graduate - No change
Law - From $1750 to $1980 (Northern's tuition will be same as UK)

The President further reported that he will be meeting with the Chancellor of the Ohio Regents and Dr. Winkler of U.C. to see if some reciprocal agreement can be worked out for tuition. Dr. Travis reported that the Graduate Center is working out well with 75 students enrolled in the Fall.

A-12 - The President reported thatNKU student, Virginia Newberry, received a Harry S. Truman Foundation Award (Alternate). She is one of only 109 in the United States receiving such an award. Student Honored

PRESIDENTIAL RECOMMENDATIONS:

B-1 (a) - The President called upon Dr. Travis to explain the process of tenure, continued probations and terminations to the Regents. She report the promotion of Anthony Mazzaro should be Assistant Professor, not Associate Professor, as printed. Mr. Parker asked how many persons sat on the tenure committees. Dr. Travis explained that at least 5 persons from the program were on such committees. If a program did not have that many faculty, they were urged to secure additional ones from other departments so there would be at least five persons. Dr. Stallings questioned the number of faculty from the law school receiving tenure. Dr. Travis reported that they received the same scrutiny as any of the other faculty. Academic Personnel Actions

Mr. Mann made the motion that the recommendation for promotion, tenure, termination, continued probation, sabbatical leave and new faculty appointment as outlined in B-1(a) be approved as submitted with the revision of A. Mazzaro. The motion, seconded by Dr. Stallings, passed with 7 aye votes.

B-1(b) - The recommendation for Non-academic Personnel Actions was approved as outlined in B-1(b) on motion by Dr. Stallings. The motion was seconded by Mr. Martin and was passed with 7 aye votes. Non-academic Personnel Actions

B-2- President Albright asked Dr. Travis to speak on the Faculty Personnel Policies and Procedures. Dr. Travis pointed out that Sections I through IV were previously voted on with certain revisions made and these parts are being presented for the Regents' information. In presenting Sections V through VII, Dr. Travis pointed out that Section VI - Faculty Leaves -- deals with 10-month appointments only. It does not include 12-month apointments such as Deans and Chairpersons. She further stated that another section would be added next year dealing with Faculty work loads. Dr. Stallings commented that the procedures in this handbook will eliminate some of the problems that the Board has had to deal with in past years. Faculty Personnel Policies and Procedures

Mr. Makris moved that Sections V through VII of the Faculty Policy and Procedure Manual be approved as presented. The motion was seconded by Dr. Stallings and was passed with 7 aye votes.

B-3 - President Albright, in recommending that the Faculty Senate Constitution be approved, commented that the primary changes are made to conform to the present organizational set-up. Dr. Vitz, President of Faculty Senate, stated that one of the changes was to have the officers begin their terms in August instead of April because April is such a busy month, and asked the Regents to consider authorizing the present officers of the Senate to remain in office until August. Faculty Senate Constitution

A motion to accept the Faculty Senate Constitution as presented with the further recommendation that the current officers remain in office until August, 1978 was made by Mr. Martin, seconded by Mr. Mann, passed with 7 aye votes.

B-4 - Dr. Albright presen the following persons to be consi ·ed for honorary degrees at commencement:

Kenneth R. Lucas - Doctor of Humane Letters
Dr. Henry Winkler - Doctor of Humane Letters
Justice Robert O. Lukowsky - Doctor of Laws

Honorary Degrees

Dr. Wippermann moved that the recommendation be accepted. The motion, seconded by Mr. Mann, was passed with 7 aye votes. Mr. Lucas expressed his appreciation for the honor.

B-5 - Mr. Parker moved that the class fees outlined in B-5 be approved as submitted. The motion was seconded by Mr. Martin and was passed with 7 aye votes.

Class Fees approved

B-6 - Because of the huge financial loss occurring in the Library because of unreturned books, President Albright recommended:

1. That the main Library be permitted to limit the circulation of materials to patrons sixteen years old and over unless accompanied by a parent.
2. That the Main Library require a deposit of $10 for any library card that is issued.

Library Policy

Dr. Wippermann moved that the recommendations be approved as presented, seconded by Mr. Mann, and passed with 7 aye votes.

B-7 - The President stated that the Board had passed a Student Code in January with certain deletions and now that all material had passed through the proper channels, the completed Code of Undergraduate Student Rights and Responsibilities is ready for Board approval. Mr. Makris, in making the motion to approve the Code, stated he felt comfortable with it and felt it was a good code. The motion was seconded by Mr. Martin and was passed with 7 aye votes.

Student Code approved

B-8 - The Student Government Constitution was submitted for Board approval. Mr. Makris moved that the Constitution be approved as submitted and Dr. Stallings seconded the motion. Mr. Makris explained that the Constitution was restructured to follow the new academic program areas as appeared in the Organizational Chart. Mr. Makris further stated that he had consulted administrators, chairpersons and some of the Faculty Senate and all seemed to go along with it. 10% of the student body (the requirement for passage by the student body) voted on the Constitution affirmatively. The motion that the Student Government Constitution be approved by the Board of Regents was passed with 7 aye votes.

Student Government Constitution approved

B-9 - President Albright recommended that the Student Activity Fee be reinstated according to the outline submitted in B-9 with one change: No. 6 should read: Optional payment is open to any student at Northern not pursuing an undergraduate course load, the fee for which shall be assessed on the same basis as No. 2 above. Mr. Makris moved that the recommendation be accepted with the change in No. 6. The motion, seconded by Dr. Wippermann, was passed with 7 aye votes.

Student Activity Fee Reinstated

B-10 - The Regents were furnished with a replacement Poster Policy (attached to these minutes) which was approved on motion by Mr. Hamburg, second by Mr. Parker and passed with 7 aye votes.

Poster Policy approved

B-11 - Dr. Albright explain[illegible] that this recommendation was m[illegible]t to normalize the acquisition of office machines and the depreciation of same. Mr. Mann moved that the recommendation for acquisition of office machines be approved as outlined in B-11. The motion, seconded by Mr. Makris, was passed with 7 aye votes. — Office Machine Acquisition

B-12 - Dr. Scholes, in presenting the Traffic and Parking Regulations, noted some changes that needed to be made, particularly Section II-4 Registration Fees. Assessment is $12 for full-time employees, $6 for part-time employees, $10 for full-time students and $5 for part-time students. Dr. Scholes asked for conditional approval on the tentative policy. The policy will be presented in final form at a later meeting. Mr. Hamburg moved that conditional approval be given the Parking Regulations with changes noted. The motion was seconded by Mr. Parker and was passed with 7 aye votes. — Traffic and Parking Regulations

B-13 - Dr. Albright submitted a proposal for pay increases for fiscal 1979 pointing out that it was necessary to have these approved prior to the approval of the budget so that faculty contracts, etc. can be prepared on time. After discussion, Mr. Martin moved that the pay increase policy be approved as presented. Mr. Makris seconded the motion which passed with 6 aye votes. Dr. Stallings, Faculty Regent, abstained. — Proposal for Pay Increases

B-14 - The Budget Revisions made for the period of December 1, 1977 through February 28, 1978 were presented for approval. Mr. Parker moved that the Budget Revisions be approved as presented, seconded by Mr. Makris, and passed with 7 aye votes. — Budget Revisions

B-15 - President Albright recommended that University policy, adopted April, 1976 regarding the handling of indirect costs associated with state and federal grants, be discontinued as of July 1, 1977. Dr. Wippermann moved that the recommendation be approved, seconded by Mr. Mann, and passed with 7 aye votes. — Indirect Costs

B-16 - The President recommended that the minimum requirement for a baccalaureate degree at Northern Kentucky University be changed from 120 semester hours to 128 semester hours. Also, that the minimum requirement for an associate degree be changed from 60 semester hours to 64 semester hours. This policy will be effective only for those students who enter the University as of or after the Fall Semester, 1979. Dr. Albright explained that this type requirement will bring our standards in line with the other state regional universities. Mr. Martin moved that the recommendation be approved as presented. The motion, seconded by Mr. Parker, was passed with 7 aye votes. — Raise Standards for Degree

B-17 - Dr. Albright noted that under the new organizational chart, Mr. DeMarcus' duties as Executive Assistant for Campus Development included capital construction, parking facilities, physical facilities, renovation, and maintenance and operations. In light of what Northern has planned in the area of campus development for the next three or four years, it would be appropriate that Mr. DeMarcus devote as much time as possible in this area. The President asked the Board to consider moving Physical Plant and Maintenance and Operations under the direction of the Business Manager. This also would be in accordance with the recommendation of the Southern Association in its accreditation study. Mr. Makris made the motion that Physical Plant and Maintenance and Operations be under the direction of the Business Manager. The motion, seconded by Mr. Martin, was passed with 7 aye votes. — Maintenance and Operations under Bus. Mgr.

OTHER BUSINESS:

President Albright stated that the Budget for fiscal 1979 would be completed near the end of May and asked the Board to set a Special Meeting for that time. Mr. Hamburg moved that a Special Meeting to consider the Budget and other necessary items be set for Wednesday, May 31 at 5 p.m. The motion, seconded by Dr. Wippermann, was passed with 7 aye votes.

Special Meeting May 31

Inasmuch as the next quarterly meeting, slated for July 17, is close to the end of the present fiscal year, Dr. Albright asked the Board to consider the possibility of setting the July meeting a little later giving the staff more time to close out the year's business. Mr. Martin moved that the July meeting be set for Wednesday, the 26th, at 4:30 p.m. The motion was seconded by Mr. Parker and was passed with 7 aye votes.

Quarterly Meeting July 26

President Albright remarked that performance reviews are being conducted in all administrative areas, and said he did not think it fair for everyone to be evaluated and not the President's office. Therefore, he requested that the Board perform a review of his office to see if the expectations of the Board have been met by the chief executive officer.

Performance Review - President's office

Mr. Lucas appointed the following Regents to a Performance Review Committee of the President's Office and suggested a report be ready by the May 31st meeting:

Dr. Wippermann, Mr. Mann, and Mr. Martin

Mr. Lucas asked the committee to receive in-put from the Faculty and Student Regent.

Chairman Lucas stated that this is the last meeting that Student Regent Sam Makris would be attending. Mr. Lucas remarked: "On behalf of the Board of Regents I would like to commend you as a person and as a Regent. You have done an outstanding job." Dr. Albright commended Mr. Makris and the fine caliber of work performed by him. Dr. Stallings moved that a resolution be prepared in recognition of Mr. Makris. The motion was seconded by Mr. Parker and was passed unanimously with applause.

The meeting adjourned at 7:45 p.m. on motion by Mr. Martin and second by Dr. Wippermann.

MINUTES OF SPECIAL BOARD OF REGENTS MEETING
Wednesday, May 31, 1978

On Wednesday, May 31, 1978 at 5:15 p.m. a special Board of Regents meeting was called to order by Chairman Kenneth Lucas. The meeting was held in the Board Room of Nunn Hall.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Faculty Regent - Dr. Frank Stallings and Student Regent - Mr. Dan Dressman.

Others present: President A. D. Albright, Dr. Gene Scholes, Dr. Janet Travis, Dr. Ralph Tesseneer, Dr. James Claypool, Mr. Roger Buchanan, Mr. Robert Knauf, Mr. C. M. Tabor, Dr. Charles Gray, Dr. Barbara Smith, Mr. Steve Brauch, Mr. Dennis Taulbee, Mr. Dave Phillips, Ms. Perk Rudd, Ms. Dolores Thelen, and Ms. Christine Decker of the Kentucky Post.

PRESIDENTIAL RECOMMENDATIONS:

B-1 - Dr. Albright recommended that budget revisions be approved for a net increase in the unrestricted University budget of $8,966 for the period of March 1 through May 15, 1978 explaining that these revisions would update present year departmental budgets to correspond to the presentation contained in the 78-79 budget proposal. Mr. Hamburg moved that the recommended be approved as presented. The motion, seconded by Judge Poston, was passed with 8 aye, no nay votes. Budget Revisions

B-2 - This recommendation was deleted from the agenda for later consideration.

B-3 - In recommending that the faculty contracts for 1978-79 be approved, the President explained that contracts were awarded according to the Board's authorization at the April meeting. The contracts have been submitted to the faculty with the notation that the contracts are contingent on Board approval. A motion was made by Dr. Wippermann, seconded by Mr. Haas, that the contracts for academic year, 1978-79 be approved for the full-time faculty as listed for the Board and attached to these minutes. The motion passed with 7 aye votes, 1 abstention by Faculty Regent Stallings. Faculty Contracts approved

B-4 - President Albright recommended that the firm of Rankin, Rankin & Company, Certified Public Accountants, be employed to conduct and perform an examination of the financial statement of Northern Kentucky University for the fiscal year ending June 30, 1978; and that the expenditure for this service not exceed $18,750. Dr. Albright explained that each Regent had a copy of the proposal from Rankin and Rankin and that this approval is being requested at this meeting because the Council on Higher Education is asking for an earlier audit submission inasmuch as it is needed for the cost study in progress. Mr. Haas made the motion that the recommendation be approved as presented. The motion, seconded by Mr. Parker, was passed with 8 aye, no nay votes. Audit Firm Approved

B-5 - Because of the change in personnel in the accounting department, the President recommended that signatures authorized for checks written on all Northern Kentucky University bank accounts be W. Michael Baker, Director of Accounting; C.M. Tabor, Business Manager; and that the Custodian of funds received from the state be designated to W. Michael Baker, Director of Accounting with C.M. Tabor, Business Manager as alternate. The recommendation was approved on motion by Dr. Stallings and second by Judge Poston with 8 aye, no nay votes.

Custodian of Funds changed

B-6 - President Albright recommended that the Board of Regents appoint a Board Committee on Finance at the July regular quarterly meeting to be composed of three members of the Board. The President stated that the University is at the point when this committee and maybe two or three other committees can be useful to the administration by becoming acquainted more deeply in operations. Chairman Lucas stated that the entire Board cannot be involved in depth whereas a committee of two or three can become so involved. Mr. Martin made the motion to approve the recommendation of the President. The motion, seconded by Dr. Stallings, was passed with 8 aye, no nay votes.

Board Committee on Finance

B-7(a)(1) - President Albright stated that when the original reorganizational changes were made, some units were put under the President's Office; however, the time has come for some of these units to be placed under the appropriate area. The President recommended that the administrative responsibilities for the Department of Personnel Services be transferred from the Office of the President to the Business Manager effective June 12, 1978. Motion to accept the recommendation was made by Mr. Martin and seconded by Dr. Stallings. The motion was passed with 8 aye, no nay votes.

Personnel Services under Business Manager

B-7(a)(2) - Dr. Albright explained that the administrative responsibility for the Department of Intercollegiate Athletics be transferred from the Office of the President to the Dean of Student Affairs, effective July 1, 1978 explaining that this is a similar situation as in (1) and since an athletic program is related somewhat to student recreation and intramural sports, the Dean of Student Affairs office would be an appropriate placement. A motion was made by Mr. Parker and seconded by Judge Poston that the recommendation be approved as presented. Mr. Martin asked how many student members were represented on the Athletic Committee. It was explained that two students are nominated by the Executive Committee of Student Government and sent to the President for approval. Dr. Claypool explained that the Athletic Committee consists of 17 members with majority being faculty. He further said that some reorganization is being done so that the Athletic Committee will more adequately reflect all areas of the University. Dr. Vincent Schulte is the present Chairman. The motion passed with 8 aye and no nay votes.

Intercollegiate Athletics under Dean of Student Affairs

B-7(c) - Dr. Albright wanted the Board of Regents to be aware of some of the significant things that had happened in the Business Affairs areas since Roger Buchanan, Dennis Taulbee and Clarence Tabor became part of the University staff. The President commended Mr. Tabor on some significant achievements - waiver of sales tax payment for four years in the amount of $21,000; because of setting up a central copy center a reduction of copying charges of nearly $8,000; and nearly $40,000 in interest picked up on some investments made with money that was not being used until near the end of the fiscal year. The President stated further that he felt this type of stewardship

should be known to the Board. Chairman Lucas indicated the Board is very encouraged to hear about such things.

Upon Mr. Martin's question, the Board discussed conflict of interest when board members were on the Board of Directors of a bank where the University had desposited funds. Dr. Albright assured the members that he would get clarification on this matter.

Mr. Dan Dressman, Student Regent, arrived after experiencing car trouble and was given the Oath of Office by Chairman Lucas. The Chairman congratulated Mr. Dressman on his election as President of Student Government, commenting that he was sure that Mr. Dressman would make a fine contribution to the Board as past students have.

Student Regent Dressman given oath of office

B-8 - Dr. Albright gave a complete and thorough explanation of the proposed 1978-79 internal budget using charts, computerized listings, as well as referring to materials received by the Regents prior to the meeting. The money available on which the budget is based is $3.3 million more than the prior fiscal year and does not reflect any tuition increase. Salaries and fringe benefits for faculty and staff plus 20 new faculty members account for the largest amount of increase. The total budget is $18,591,485.00 including an equipment reserve of $350,000 and a contingency fund of $300,000. The President further stated that a detailed computerized budget was available if any of the Regents desired to see it. Dr. Albright noted that the resolution contained two paragraphs which state that a detailed budget will be printed embodying the authorization and asked that the President be authorized to approve adjustments between budget units, such adjustments being subject to approval of the Board of Regents.

1978-79 Internal Budget

The resolution accepting the proposed budget, totaling $18,591,485.00 was approved on motion by Mr. Martin and second by Dr. Wippermann. (The complete resolution is attached to these minutes.)

After a number of questions by the Regents and answers by the President and/or his administrative staff, Mr. Martin commended the staff that developed the document as well as the presentation of same by the President. The motion passed with 9 aye, no nay votes.

Budget approved

The meeting was recessed at 6:50 p.m. for Executive Session to consider a personnel matter (Report from the Presidential Evaluation Committee) on motion by Mr. Hamburg. The motion, seconded by Dr. Stallings, was passed with 9 aye, no nay votes.

The meeting was reconvened at 7:45 p.m. The Chairman announced that the Presidential Evaluation Committee reported in Executive Session that Dr. Albright was given an over-all rating of excellent.

Mr. Hamburg moved, seconded by Judge Poston, to accept the report of the Presidential Evaluation Committee. The motion was passed with 9 aye, no nay votes.

A motion was made by Mr. Mann, seconded by Mr. Haas, that President Albright be offered an extended contract, the terms of which will be presented at the July meeting for approval. The motion was passed with 9 aye, no nay votes.

Mr. Haas moved that the meeting be adjourned. The motion was seconded by Mr. Hamburg. The meeting was adjourned at 7:50 p.m.

ADJOURNMENT

BOARD OF REGENTS MEETING
Minutes of July 26, 1978

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:45 p.m. on Wednesday, July 26, 1978. Invocation was given by Dr. Tesseneer.

The Chairman welcomed all guests and asked for roll call.

Roll Call: Regents present – Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Faculty Regent Frank Stallings, Student Regent Dan Dressman.
excused – Mr. Alex Parker
Others present – President A. D. Albright, Counsel John Brooking, Dr. Janet Travis, Mr. Roger Buchanan, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Clarence Tabor, Mr. Robert Knauf, Ms. Dolores Thelen, Mr. Dennis Taulbee, Mr. James Kerr, Ms. Perk Rudd, Mr. Gary Eith, Mr. Michael Baker, Dr. Larry Geismann, Mr. William Lamb, Mr. David Phillips, Ms. Shelia South, Mr. Bernard Deaton, Mr. Richard Wilson of the Courier Journal, Mr. Peter King of the Kentucky Enquirer, Mr. Jim Reis of the Kentucky Post, Ms. Karen Ware of the Campbell County News.

The minutes of the regular meeting on April 17, 1978 and May 31, 1978 (special meeting) were approved as mailed on motion by Mr. Haas, second by Mr. Martin and was passed unanimously.

Election of officers as follows:

Mr. Hamburg nominated Kenneth Lucas for Chairman and Mr. Elmer Haas for Secretary-Treasurer. The nomination was seconded by Dr. Wippermann. Mr. Martin moved that the nominations be closed. The motion, seconded by Dr. Wipperman, was passed unanimously. Mr. Hamburg made the motion that Mrs. Dolores Thelen be appointed Assistant Secretary for one year. The motion, seconded by Mr. Haas, was passed unanimously.

PRESIDENTIAL REPORTS:

A-1 - President Albright called attention to the summer commencement on August 13 at 7:30 p.m. President Robert Giroux of Thomas More College will deliver the address to approximately 190 candidates. — Summer Commencement - Aug. 13

A-2 - In presenting the Programs Report of the Office of Research, Grants, and Contracts, the President called attention to the fact that over $1 million was secured in outside funds which is over 100% increase in the last 18 months. — Programs Report of Grants, Contracts, and Research

A-3- Dr. Albright called attention to the interest subsidy grant payment and the approved authorization for the Basic Educational Opportunity Grant Program. — Other Federal funds

A-4 - President Albright went over the background of what is and will be involved in a bond issue. The suggestion came from Mr. McClure then Secretary of Finance, that the Board of Regents authorize a bond issue to finance construction of the University Administrative Services Building (attached to these minutes). The President finally asked the question, "When is a commitment a commitment?" Chairman Lucas commented that since funding for this building was in the Executive Budget, it might be interesting to get an Attorney General's opinion on the subject. Judge Poston felt the Board needed to pursue with Mr. McClure the void between positions as this latter position is departing from the Legislative intent, as well as feeling this matter should also be pursued with the Northern Kentucky Caucus. After much discussion, Mr. Martin moved as follows:

Bond Issue for Administrative Services Building

1. That the Board obtain some opinion (informal) from the Attorney General's office,
2. That the matter be pursued with the Northern Kentucky Caucus,
3. That clarification be asked of the appropriate state agencies, and
4. That the Board be completely advised of the full impact of a bond issue.

The motion, seconded by Mr. Hamburg, was passed unanimously.

A-5 - Dr. Albright pointed out that the purpose of this report was to bring the Board of Regents up-to-date on the way in which the contingency fund was used during the past fiscal year.

Contingency Fund

A-6 - President Albright summarized the interim financial report and asked for comments of Mr. Tabor and Mr. Baker, Director of Accounting. Mr. Baker indicated that this is only a preliminary report and that the Regents will receive an audited Annual Financial Report in October.

Interim Financial Report

A-7 - In presenting the progress report on the Management Audit, the President indicated it was a follow-up on a management analysis the Board authorized a year ago. As a result of the audit, a number of recommendations were made and many of them have been completed. This progress report, however, covers only the Business Management area and there will be other reports at a later meeting. Mr. Tabor commented on several areas of the report. Dr. Albright further reported that in the few months Mr. Tabor has been at the University, he has either save or earned the University nearly $100,000.

Management Audit

A-8 - The audits of financial aid funds were presented. Mr. Haas questioned the fact that the audits indicated that they did not include a determination of the eligibility of students for Nursing Loans and Scholarships. Mr. Baker indicated that this was a financial audit and Mr. Tabor later in the meeting pointed out that the audit letter did contain the statement that the examination was made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole.

Financial Aid Audit

A-9 - The President called upon Mr. DeMarcus for an oral report on campus development.

Campus Development Construction - Excavation on the Business-Education-Psychology Center will be completed by August 15 and construction will begin at that time. The building should be ready for occupancy on February 1, 1980; however, April 1 is a more logical date. Excavation on the tunnel extension will be completed by August 1

(continued)

with construction to begin at that time and completion is estimated to be October 16.

Renovation Projects - Bid openings on the Fine Arts print shop is August 2. This project will cost approximately $65,000. Gas shutoff valves in the science building -- 50% complete. Construction is taking place for the TV studio and A/V center in Landrum Center and equipment should arrive within 30 days. Cost of this project is $173,482. Bids will be opened on the sealing and striping of parking lots and it is hoped the project will be completed before Fall Semester begins. Bids for signage will be taken shortly. Partitions on the second floor of Nunn Hall to accommodate expanding administrative departments will be completed by August 25 at a cost of $60,000.

Northern's Self-Evaluation on handicapped accessibility is approximately 75% completed. The University Committee on Facilities for the Handicapped will meet within two weeks to approve transition plan, grievance procedures, existing employment practices and policies. Surveys have been undertaken on existing facilities and existing programs (academic as well as service oriented) and it was found that the University is very accessible to the handicapped with few exceptions. The personnel, faculty, and staff are aware of and accommodating the needs of the handicapped. Some recommended projects are being considered such as, curb cuts for parking, widening of restroom stalls,hydraulic elevators (Hankin Hall), automatic door per building, signage for accessibility, a ramp for access for law library.

The Administrative Services Building is in Phase C (working drawings) to be submitted for approval by mid-September. However, many delays have been encountered and the planning is behind schedule.

Mr. DeMarcus thanked Mr. Gary Eith for the fine job he has done during the time Mr. DeMarcus was confined because of his injuries.

A-10 - Dr. Albright presented the Attorney General's opinion on whether Regents serving as bank directors at banks in which the University deposited funds was a possible conflict of interest vis-a-vis Counsel Brooking (attached to these minutes). Mr. Haas complimented counsel on the fact that he condensed seven pages into one word! Several Regents asked about the University policy in choosing banks for depository. Dr. Albright indicated that a definite policy will be presented at a later date. The opinion stated that this was not a conflict of interest.

Conflict of Interest

A-11 - President Albright called attention to the Council on Higher Education's Policy for admission of out-of-state students at state-supported institutions which was mailed to the Regents and is attached to these minutes.

Policy for out-of-state students

PRESIDENTIAL RECOMMENDATIONS:

B-1 - The President recommended that academic personnel changes as outlined in B-1(a) be approved with the two following additions:

Dr. Linda Dolive as Coordinator of the Women's Studies Program, reporting to the Dean of Experimental Programs.

Dr. Adalberto Pinelo as Director of International Studies, reporting to the Dean of Experimental Programs.

Academic Personnel

Dr. Stallings moved that the recommendations be approved as presented. The motion, seconded by Mr. Haas, was passed unanimously.

Non-academic personnel

Dr. Albright recommended that the non-academic personnel changes as listed in B-1 (b) be approved. The changes were approved on motion of Mr. Martin, second of Dr. Wippermann, passed unanimously.

Contract for Dr. Albright

Chairman Lucas reported that negotiations for a new contract with Dr. Albright had taken place with the terms nearly the same as the contract now in effect except for a $1500 increase overal l. The Chairman pointed out that the old contract had provided for cost-of-living increases which Dr. Albright had declined, so the increase in salary in the new contract is very nominal. Mr. Lucas presented the following resolution:

> "Resolved by the Board of Regents of Northern Kentucky University, that the University does hereby employ and retain Dr. A. D. Albright as President of the University for a term of four (4) years, commencing on July 1, 1978 at an initial base salary of $46,500 per annum, together with such other contractual arrangements as are set forth in the 'Agreement of Employment', and the Board of Regents does further resolve that the Chairman of the Board, Kenneth Lucas, be and he is hereby authorized on behalf of the Board of Regents to execute the attached Agreement of Employment as the official action of the Board of Regents pursuant to this Resolution. The prior employment agreement with Dr. A. D. Albright is terminated."

The resolution was passed on motion made by Judge Poston, The motion was seconded by Mr. Dressman and was passed unanimously.

Mr. Mann expressed the thought that he did not want anyone to interpret the size of the increase as a reflection of the Board's respect for Dr. Albright's ability. Mr. Lucas reminded the board members that the Evaluation Committee on the President gave President Albright an excellent performance rating. The Chairman further advised the Board that even though the President did not ask or desire an increase, it was felt there should be some kind of increase. Chairman Lucas said he hoped Dr. Albright's tenure at the University will be a long, happy and healthful one. Dr. Albright thanked the Board for all of the considerations shown him and said that "the past two years have been the best I have ever experienced in the education field and I am grateful for it. I hope your hopes are realized."

On and Off-Campus Seminars

B-2 - President Albright presented a policy to govern on and off-campus seminars as attached to these minutes. The policy was approved on motion of Mr. Haas. The motion, seconded by Mr. Mann, was passed unanimously.

Graduate Center and Graduate Studies office to be combined

B-3 - Dr. Albright, after going over the background of graduate course work at Northern, recommended that the Graduate Center and the Graduate Studies office be combined into one operation responsible for all graduate education affiliated with Northern Kentucky University. The Office of Graduate Studies will be headed by the Associate Provost for Graduate Studies who will report to the Provost. Mr. Mann moved that the recommendation be approved as presented. Dr. Stallings seconded the motion which was passed unanimously.

B-4 - The President recommended that a separate Public Administration Program and a separate Political Science Program be formed out of the Government and Public Affairs Program. Mr. Dressman moved acceptance of the recommendation and Mr. Martin seconded. Dr. Stallings questioned splitting departments and perhaps this would bring on further such requests. Dr. Albright reminded the Regents when he presented the new organizational plan some 18 months ago, he stated that the new plan would be tried for a while and then be evaluated. Now is the time for evaluation and perhaps there will be other changes in the future. The motion was passed unanimously.

Public Administratio and Political Science Programs in separate areas

B-5 - President Albright recommended that a minor in Health Education be approved as outlined in the proposal attached to these minutes. A motion was made by Dr. Wippermann and seconded by Judge Poston that the recommendation be approved as presented. The motion passed unanimously.

Minor in Health Education

B-6 - In presenting a Schedule of Tuition, Fees and Other Charges, the President commented that this schedule consists of all fees at the University and no other fees will be charged. He further stated that he felt the list was much too long and that the administration was looking at the situation. Mr. Lucas commented on the tuition cost as being a bargain and said he hoped that the students realize the amount of state support they are receiving for their education. A motion to accept the Schedule as presented was made by Mr. Haas to become effective July 1, 1978. The motion, seconded by Mr. Mann, was passed unanimously.

Schedule of Tuition, Fees and Other Charges

B-7 - Dr. Albright asked for final approval to the Traffic and Parking Regulations inasmuch as a few changes were made since the Board gave tentative approval at an earlier meeting. Judge Poston made the motion to approve the Traffic and Parking Regulations. The motion was seconded by Mr. Hamburg and was passed unanimously.

Parking and Traffic Regulations

B-8 - President Albright, in recommending that the University withhold from University employees' salaries the newly enacted Campbell and Kenton County Occupational License Taxes, urged the board members to consider the case of the University's work-study students whom he feels should not be taxed. Counsel Brooking reported that a meeting with the judges of the two counties concerned is being set up, hopefully very soon. Dr. Wippermann made the motion that the recommendation be approved and that the two bodies be contacted to work out a suitable arrangement for work-study students. The motion, seconded by Mr. Martin, was passed unanimously.

Campbell and Kenton County Occupational License Tax

B-9 - The President asked for authorization of the acquisition of a bus (conditions outlined in recommendation attached) and that the cost be charged against fund balance. Motion to approve the recommendation was made by Mr. Haas,was seconded by Judge Poston, and was passed unanimously.

Acquisition of Bus

B-10 - Dr. Albright recommended that the Board of Regents authorize charges, not to exceed $46,000, be funded from fund balance for purchase orders issued in the old fiscal year for which delivery will occur in the new fiscal year (after June 30, 1978). Mr. Hamburg moved to approve the authorization, Mr. Martin seconded, and the motion was passed unanimously.

Purchases from fund balance

B-11 - President Albright recommended that the proposal for a baccalaureate program in computing science be approved. The proposal is attached to these minutes. Dr. Wippermann made the motion to approve the recommendation. The motion was seconded by Dr. Stallings and was passed unanimously. — Computer Science Program

B-12 - Final budget revisions for 1977-78 (attached) were approved as presented on motion by Judge Poston, second by Mr. Mann, and passed unanimously. — Final Budget Revisions 77-78

Chairman Lucas announced that an appointment of a Committee on Financial Affairs would be made at a later date.

Mr. Martin moved that the regular quarterly meetings for next year be held on the third Wednesday of October, January, April and July. The motion, seconded by Judge Poston, was passed unanimously.

Internal budget for 1978-79, approved at the last special meeting, was distributed in printed form. The President's Annual Report will be ready for the Board in October.

The meeting was adjourned at 7:30 p.m. on motion by Mr. Haas and second by Mr. Mann.

EXECUTIVE SESSION

ADJOURNMENT - Next regular quarterly meeting - Wednesday, January 17, 1979

BOARD OF REGENTS MEETING
Minutes of October 18, 1978

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:45 p.m. on Wednesday, October 18, 1978. Invocation was given by Dr. Tesseneer.

The Chairman asked for roll call, then welcomed guests.

Roll Call: Regents present - Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Faculty Regent Frank Stallings, Student Regent Dan Dressman.

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Janet Travis, Mr. Dennis Taulbee, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Mr. Clarence Tabor, Dr. Jack Grosse, Dr. Arthur Miller, Mr. James Kerr, Mr. Gary Eith, Ms. Perk Rudd, Mr. David Phillips, Mr. Keith Stewart, Mr. Harry Donnermeyer of the Northerner, Ms. Bev Yates of the Northerner, Ms. Karen M. Ware of the Campbell County News, Mr. Jeff Gutsell of the Kentucky Enquirer, Ms. Christine Decker of the Kentucky Post, Mr. Richard Rankin of Rankin, Rankin & Co., Mr. Charles Lee of Rankin, Rankin & Co

The minutes of the regular meeting of July 26, 1978 were approved as mailed on motion by Mr. Haas, second by Dr. Wippermann and were passed unanimously.

President Albright introduced Dr. W. Jack Grosse, former Dean of the Chase College of Law who has joined us as University Counsel and Professor of Law; Dr. Arthur Miller, President of the Faculty Senate. Mr. Tabor introduced Mr. Keith Stewart, Director of Purchasing.

PRESIDENTIAL REPORTS:

A-1 - President Albright presented the report on Summer School Sessions, highlighting points: much more innovative courses and teaching methods; expanded evening program in the summer; selected high school senior program. Teachers and students pleased. Enrollment was up as were revenues. — Summer Sessions

President Albright reported on Fall enrollment: headcount up about 4%, from 6,570 to 6,803, excluding Continuing Education. FTE is up slightly. This means a larger number of persons who are taking part-time courses have enrolled. We have had more transfers from other institutions and a few more first-time Freshmen. Enrollment should increase until it reaches near 10,000. Student body is getting older--a little over 30% are past 25 years of age. Expect this to be 50% in the next 4-5 years; large part are not in evening courses but are returning students (mothers after children are raised) in day courses.

A-2 - The Programs Report of the Office of Research, Grants, and Contracts covered July 1 through September 30, 1978. Summary of the report, approximately $350,000 has been approved. Dr. Albright expressed the hope that grants and contracts will keep pace with last year. — Programs Report on Research, Grants, & Contracts

A-3 - Held in abeyance; report presented following President's report on Construction and Financing immediately after A-6.

A-4 - Upon presentation of the Audit and Financial Report for 1977-78 along with the Audit on "Helping the Elderly with Legal and Physical Services" program, Mr. Tabor asked if the Regents had questions while the auditors were present. President Albright instructed the Regents to look carefully at these audit reports. — Audit and Financial Report for 1977-78

Mr. Richard Rankin advised that this is the first year the audit reports have been prepared as a joint effort with our Accounting office, which is significant in that it tells a new maturity in the development of the accounting function. Mr. Rankin expressed pride that, although the October 1 deadline gave them only 45 days to work, the reports were delivered 4-5 days early. Chairman Lucas complimented the Print Shop, this being the first year the audit has been printed on campus. Mr. Mann commented that the Board was comfortable with the University and the Auditors.

Mr. Rankin announced preparation of a management letter in which items will be pointed out that come to the auditors' attention bearing on other matters--accounting procedures, collection procedures, etc.

Counsel Brooking asked who runs the HELPS program and what it does. Mr. Taulbee explained that Dr. Jane Dotson directs the program which concerns meals for the elderly and some additional services including legal services having to do with Social Security, contacts about Medicare, Medicaid, etc. It is federally funded and we function as an area delegate. — Audit on HELPS Program

A-5 - Financial Report covering July 1 through September 30, 1978 was presented. Mr. Parker questioned pages 12-13 listing a total of $19 million with only $3 million spent. Mr. Taulbee explained that the report covered 3 summer months while our heavy expenditure quarters are September-December and January-March when the academic people are on board. Mr. Parker asked the approximate interest rate on loans. Page 19 reflects a rate of 6%. President Albright explained computer procurement, two options: buying or leasing. Leasing arrangement gave us favorable rate of 6.75%. If computer becomes obsolete we do not continue to pay, nor is a large sum paid out at one time. — Financial Report July-Sept. 1978

Mr. Haas asked about our unencumbered balance as of September 30, 1978. Mr. Rankin named the amount of $15,184,000 and explained that the report shows annual projection but only 3-month expenditures and receipts.

A-6 - The report on Occupational Tax for TANK was presented, and Mr. Brooking stated that Judge Dressman and Judge Hehl did the University a tremendous favor in entering an agreement that workstudy students would have no tax deducted from their grants and employees would be taxed in the county where based. — Occupational Tax

President Albright read his letter of 12 October addressed to the Governor expressing gratitude for the funding from state general funds of the administrative services building, $5.7 million. President Albright explained that the 5.7 million actually means 11.4 million to this institution. Had the 5.7 million been subtracted from our bonding capacity, it would have to be made up. The President then presented a news release outlining the completion of the campus and the release of bonding potential, and crediting the Board of Regents, Northern Kentucky Chamber of Commerce, the Legislative Caucus, the County Judges and Fiscal Courts, as well as the Council on Higher Education and the Governor for their shares in realizing this funding.

A-7 - President Albright presented the report on Completion of Construction and Financing of the Highland Heights Campus representing a total cost of $35.5 million. The second page listed projects presented to the Department of Finance, minus the 5.7 million. The President stated that this is what will complete the basic requirements of the institution and to which the Governor has committed himself and has met the commitment.

Completion of Construction and Financing of the Highland Heights Campus

President Albright said we can begin programming other projects shortly which will have to come from the sale of bonds, Series "C" bonds. Our bonding potential is now about 18.9 million which would get us through the first five projects. That would leave additional classroom facilities in the planning stage until our bonding capacity increases to whatever the requirement is. The educational series bonding capacity is based on student enrollment and tuition which, in effect, serve as collateral.

Dr. Stallings asked if the projects were listed in order of priority. President Albright explained how projects were inter-dependent. Parking structures were discussed and it was felt these were necessary because available land is unsuitable for conversion to parking lots, but also we should consider structures which convert easily into classroom facilities and office space should we come to tight times fuelwise which will change the parking picture.

Mr. Taulbee mentioned the question raised on bonding potential this year and next year. We were told bonds would not be issued until market conditions are favorable but the Board needs to establish its intent to issue bonds.

Mr. Parker asked how many students we would have in 4-5 years. President Albright projected 10,000 saying that possibly we could accommodate 11,000.

President Albright stated that Mr. DeMarcus has studied our current space facilities and that with some exceptions we are close to saturation. The President expressed a need for a way to put a premium on carpooling. Mr. Martin mentioned the Mobility organization in Cincinnati and suggested that Mr. Dressman contact them toward generating a program for carpooling.

B-8 - Recommendation: President Albright recommended that the list of projects be approved and that the President be authorized to develop a proposal for the sale of bonds to be submitted to the Board of Regents. Motion by Mr. Martin, second by Mr. Haas, with a 9-0 vote for both resolutions. Chairman Lucas added that the bond sale should specify what for and the conditions.

Projects, Priorities, and Sale of Bonds

A-3 - Mr. DeMarcus presented the Construction Report, stating that funding approved in the last ten days totalled $10,971,000. Dormitories were discussed and Mr. DeMarcus pointed out proposed location of the dorms on a campus chart. Reports fror Office of Campus Development

President Albright said a few words about the role of the Foundation in the matter of housing facilities and the work Dr. Tesseneer has also done on this. He stated that if we would go the private route, borrowing money on open market, the interest would run rentals up beyond students' reach; other option was the HUD grant. A Building Committee of the Foundation was formed under chairmanship of Chuck Jones. We will be exploring whether or not the HUD supported housing facilities can be moved to, leased, transferred, to the Foundation. Then at the expiration of the revenue bonds they would be held in the name of the Foundation. Also, the problems of the institution will increase ten-fold if we go very far in the development of a residential institution.

Dr. Tesseneer mentioned that Mr. Mann and Mr. Lucas represented the Board of Regents on this Foundation Building Committee.

Mr. DeMarcus projected arrival of the second sculpture next spring.

PRESIDENTIAL RECOMMENDATIONS:

B-1(a) The President recommended that the academic personnel changes as outlined be approved. Mr. Haas moved that the recommendations be approved as presented, second by Dr. Stallings, and passed by a 9-0 vote. Academic Personnel Actions

President called attention to the appointment of Dr. Michael Adams as Associate Provost for Graduate Studies; recognized resignation of Dr. W. Jack Grosse from deanship of Chase College of Law; appointment of Mr. Ovid Lewis as Interim Dean of Chase College of Law; tenure granted Dr. Mary Ann Rehnke; the appointment of Ms. Alice Forgy, resignation of Dr. Nina Schiller; and the reinstatement of Dr. Richard Ward.

Dr. Travis praised the Advising Center, staffed by 20 volunteer faculty members, stating that action in "drop-add" period diminished considerably since the Center came into being.

The President referenced a recommendation not listed: Dr. Ralph Pearson, Dean of Community Research and Services. Dr. Travis stated we were extremely fortunate to have him. His particular interests in urban studies are very applicable to the service we have in mind, matching faculty interests and community problems.

Dr. Albright recommended that the non-academic personnel changes as listed in B-1(b) be approved. The changes were approved on motion of Mr. Martin, second by Mr. Mann. Unanimous vote. Non-academic Personnel Actions

The President explained the circumstances of leave of absence granted Mr. Roger Buchanan. Counsel Brooking suggested that a formal resolution be made, resolving to honor him for exemplary service, and that it be presented to Mr. Buchanan when he returns. Mr. Brooking recommended that a motion be made authorizing preparation of such a resolution on behalf of the Board. Motion was made by Judge Poston and seconded by Dr. Wippermann. Passed unanmously. Counsel Brooking will prepare the resolution.

B-2 - The recommendation that the Center for Exceptional Children be placed under the administrative jurisdiction of the Dean of Experimental Programs was presented. Motion was made by Mr. Mann to approve this transfer; second by Mr. Parker; 9-0 vote. — Center for Exceptional Children

B-3 - President Albright presented for approval the recommendation that members of the Alumni Association pay a $5.00 fee ($10.00 for non-dues-paying alumni) for participation in the intramural sports program. Motion for approval was made by Mr. Mann; seconded by Mr. Dressman; passed 9-0 vote. — Alumni Intramural Fee

B-4 - Presentation was made recommending authorization of a Senior yearbook published by an outside vendor. Mr. Dressman explained that we have been unable to properly staff a yearbook to put out quality material. The only problem in the students' thinking was that the publishing company will dictate without any student input. The company interviewed said it would welcome student input. Dr. Wippermann made a motion for approval, with a second by Mr. Dressman. Passed by unanimous vote. — Senior Yearbook

B-5 - President Albright presented the budget revisions in the period July 1 through September 30, 1978, pointing out the $250,000 received from the Council on Higher Education for one-shot purchases of equipment. Motion for approval was made by Mr. Hamburg, and Mr. Parker seconded the motion; passed 9-0 vote. — Budget Revisions

B-6 - Dr. Albright recommended approval of a Dual Degree Science and Engineering program between Northern Kentucky University and the University of Kentucky whereby students would study three years here and earn a B.S. degree; then two years at U.K. in Engineering, with an engineering degree. The student would earn two degrees in five years whereas an Engineering degree alone generally requires four and one-half to five years. Dr. Stallings made the motion for approval, seconded by Dr. Wippermann. Passed unanimously. — Dual Degree Science & Engineering Program

Discussion followed revealing that the Agreement will be signed after Board approval by both institutions. The program becomes effective next Fall Semester.

B-7 - The recommendation was presented for Proposed Policy on Promotion and Tenure for Librarians. Dr. Travis explained the proposed alteration to promotion and tenure requirements which would be in keeping with librarians and evaluation in their own functions. The proposed policy had not passed the Faculty Senate or Professional Concerns Committee. She mentioned that slight revisions may be needed and the policy would then be brought to the Board again. Dr. Stallings moved that the recommendations be approved; Judge Poston seconded; voted passage 9-0. — Policy on Promotion & Tenure for Librarians

Dr. Albright presented a quotation printed in the Intercollegiate Press Bulletin taken directly from the "Missions" which the Board adopted 18 months ago, commending the Board for adopting a statement that has that kind of recognition.

Special Session

The President stated that very likely a special session will be needed sometime within the next month on the bond issue. It was suggested that the meeting place be changed from the Board Room to the University Center because the size of the group has outgrown the facility.

Public Transit Referendum

Mr. Henry Mann recommended that the Board of Regents go on record in support of the TANK referendum. Discussion was held relative to the political implications; however, the members agreed that the best interests of the institution outweighed those implications. Mr. Mann moved that the Board go on record with a resolution which follows. Seconded by Mr. Dressman, the vote was 7-2 with Mr. Hamburg and Mr. Parker opposed.

> WHEREAS, public transportation is essential to the realization of the educational and employment interests of the students, faculty, and staff of Northern Kentucky University; therefore let it be known that the Board of Regents favors the passage of the public transit referendum in the fall of 1978.

Chairman Lucas announced the date of the next regular quarterly meeting Wednesday, January 17, 1979.

The Chairman asked for a motion to go into Executive Session. Mr. Martin made the motion, seconded by Mr. Parker. Unanimous vote.

The Board members retired for Executive Session at 6:45 p.m.

At 7:05 the meeting reconvened by motion of Mr. Haas, seconded by Mr. Hamburg. Voted passage 9-0.

Chairman Lucas asked if there were any other business.

Mr. Mann made a motion that the Board of Regents direct University Counsel to take such legal action as is necessary to defend the University in its cases with the EEOC including, if necessary, litigation in the U. S. District Court. Motion was seconded by Mr. Parker. Vote 9-0.

There being no furthur business, the meeting was adjourned at 7:10 p.m. on motion by Mr. Parker and second by Mr. Haas.

BOARD OF REGENTS MEETING
Wednesday, January 24, 1979

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:40 p. m. on Wednesday, January 24, 1979 by Chairman Lucas. Invocation was given by Dr. Tesseneer.

The Chairman welcomed all those present and roll call was taken as follows:

Regents: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Mr. Alex Parker, Judge James Poston, Dr. Edgar Wippermann, Dr. Frank Stallings (Faculty Regent) and Mr. Dan Dressman (Student Regent).

Others: President A. D. Albright, Counsel John Brooking, Counsel Jack Grosse, Dr. Gene Scholes, Dr. Janet Travis, Dr. Ralph Tesseneer, Mr. John DeMarcus, Dr. James Claypool, Mr. Robert Knauf, Mr. Clarence Tabor, Mrs. Dolores Thelen, Mr. James Kerr, Mr. Gregg Schulte, Mr. David Phillips, Mr. William Lamb, Ms. Perk Rudd, Ms. Connie Vickery of the Northerner, Ms. Karen Ware of the Campbell County News, and Ms. Cindy Schroeder of the Kentucky Enquirer.

Chairman Lucas commended all those responsible for setting up the Board meeting in the University Center Ballroom. He commented that it was very comfortable and attractive.

The minutes of the October 18, 1978 meeting were approved as printed by unanimous vote on motion by Mr. Haas and second by Mr. Dressman.

PRESIDENTIAL REPORTS:

A-1 - President Albright called attention to the accreditation report and states that this was the result of the self-study under the direction of Dr. Tesseneer. The President personally thanked Dr. Tesseneer for the first rate job. Dr. Albright commented that apparently Southern Association of Colleges and Universities has referred other universities to Northern's self-study as the University is being asked for copies of the study. — Accreditatior

A-2 - In presenting the Programs Report of Research, Grants, and Contracts, Dr. Albright stated that most of the programs came about through faculty participation/ Forty two faculty members participated this past semester as compared to twelve a year ago which indicates growing interest. — Research, Grants, Contracts

A-3 - President Albright called on Mr. Tabor to present the financial report through December 31, 1978. Mr. Tabor explained our investments, and several of the Regents commented on some of the fine interest rates. Upon questioning, Mr. Tabor explained the revenue section - that the original budget and revised budget figures represent a 12-month period and the actual revenue figures represent the six-month period. Dr. Albright complimented Mr. Tabor on the manner in which our money is being invested. Upon being asked if these reports could be mailed ahead of the meeting, Mr. Tabor explained that they probably could provided an earlier closing of the month can be worked out with the Computer Center. — Financial Report

A-4 - Dr. Albright called on Mr. DeMarcus to go over the campus development report. Mr. DeMarcus highlighted the written report received by the Regents earlier. — Campus Development

A-5 - President Albright explained that the Constitution and By-Laws for the Athletic Council are for the purpose of giving guidance to an athletic council which most universities have. He further commented that this council will be asked to do a study of the role of intercollegiate athletics in the University and will make a report and recommendation to the executive officer which will be brought to the Board of Regents. There are many areas of athletics to be explored such as football and other sports in which we do not now participate. Another aspect is our intramural program in which nearly 50% of the student body participates. Dr. Albright stated that he felt the student affairs area is doing an excellent job with intramural athletics. — Athletic Council

Mr. Dressman voiced concern that more students should be represented on the Athletic Council. Dr. Scholes reported that the Athletic Council will have more faculty representation than the present committee as required by NCAA rules and regulations for Division II universities. Traditionally, the Registrar has always served as Secretary of an Athletic Council because it is necessary for that person to certify athletes as well as being aware of all areas of intercollegiate athletics in the institution. Counsel Brooking suggested that Section 2-A of the By-Laws be amended to read: "The officers, other than the Secretary, shall be elected by the members of the Athletic Council at the regular April meeting of the Council."

President Albright recommended that the Constitution and By-Laws for the Athletic Council be approved with the above change in the By-Laws and subject to possible further amendment at the April meeting when it will again appear on the agenda. The recommendation was passed on motion by Mr. Martin, second by Mr. Hamburg. Vote - 8 aye and 1 abstention by Mr. Dressman. — Constitution and By-Laws for Athletic Council approved

A-6 - President Albright commented that there is not a great deal to report on the Legislative session as no firm cuts have been made so it is impossible to tell at this point if or how much the capital construction area will be affected. It seems probable that there will be some shaving but the University cannot ask for bonding authorization at this time. We have to wait to see what transpires. — Legislative Report

Earlier this month the Regents approved by mail a Resolution (copy attached to these minutes) in order that there could be an expression from this University to the Interim Joint Committee on Appropriations and Revenue, a sub-committee on higher education being chaired by Dr. Martin, former president of Eastern Kentucky University. Dr. Albright felt that the resolution had some impact and asked that the Regents ratify the mail vote taken on the Resolution so it will appear in the official minutes. The Resolution was ratified unanimously on motion by Mr. Mann and second by Mr. Haas. — Legislative Resolution approved

A-7 - Dr. Albright explained that this report was to give the Regents a slight picture of the University's bank accounts and that in April the Regents will be given a report on where the bank accounts are located and the approximate balances. He pointed out that the NKU Foundation account is a separate entity. — University Bank Accounts

PRESIDENTIAL RECOMMENDATIONS:

B-1 - Upon recommendation of the President, the following new faculty were unanimously approved on motion by Dr. Stallings and second by Mr. Dressman:

New Faculty Approved

William F. Lewis as Assistant Professor of Marketing
Jack K. Wann as Assistant Professor of Theatre
K. Anthony Edwards as Assistant Professor of Human Services

Dr. Albright presented each Regent a copy of the guidelines for the Search Committee for law school dean (copy attached). These guidelines were followed as prescribed with time schedule variance and the Search Committee under the chairmanship of Dr. Travis presented the unanimous choice as Ovid C. Lewis for Dean of Chase College of Law. President Albright recommended this choice to the Regents. Mr. Martin made the motion that Ovid C. Lewis be appointed Dean of the Chase College of Law as recommended by the President and the Search Committee. The motion, seconded by Dr. Wippermann, was passed with 8 aye votes and 1 nay vote by Judge Poston.

Dean of Law School approved

Mr. Dressman moved that the following changes in the law school staff be approved upon the recommendation of President Albright:

Kamilla Mazanec as Acting Associate Dean of the College of Law
Glenn Wells as Assistant Dean of the College of Law.

New Law School Staff Approved

The motion was seconded by Dr. Stallings and was passed unanimously.

B-2 - The President presented revisions for the Personnel Policy and Procedure Manual for non-academic staff and recommended they be approved. Upon Mr. Mann's question of whether these revisions were increasing benefits, Dr. Albright said it was not increasing costs or benefits but was merely bringing the manual up-to-date. Mr. Mann made the motion to approve the revisions as presented. The motion, seconded by Dr. Wippermann, was passed unanimously.

Personnel Policy and Procedure Manual revisions

B-3 - President Albright recommended that the academic area titled Experimental Programs be retitled Experimental and Interdisciplinary Programs. The motion to accept the recommendation was made by Mr. Haas and was seconded by Mr. Parker. The motion passed unanimously.

Experimental Programs Re-named

B-4 - The President called upon Dr. Travis to present the recommendation on Contract Major. Dr. Travis explained that Contract Majors will fall in the area of Experimental Programs. The program will give flexibility to students who have a particular interest and will be able to design a program to fit their needs. She stressed no student can undertake a contract major until it has been approved by the curriculum committee and Faculty Senate. Upon questioning, she further stated that new subjects will not be added, there will be no effect on the budget, and the number interested would not be too great.

Contract Major Approved

Mr. Haas moved that the recommendation be approved as stated (copy attached). The motion, seconded by Dr. Stallings, was passed unanimously.

B-5 - Dr. Albright recommended that proposals for academic programs in Respiratory Therapy and Radiologic Technology be approved. Dr. Wippermann questioned whether the Respiratory Therapy program was to be carried on in Northern Kentucky hospitals. Dr. Travis said that it was also planned for a Cincinnati hospital. After discussion, it was decided that the first part of the sentence in paragraph three of Section C of the Respiratory Therapy proposal be omitted and that Dr. Wippermann work with Dr. Travis in the development of the program with every effort being made to work with Northern Kentucky facilities.

Dr. Wippermann moved that the programs be approved as presented with the deletion mentioned above and that Northern Kentucky facilities be given preference, if feasible. Mr. Mann seconded the motion with the provision that Dr. Wippermann be included in discussions of the Respiratory Therapy program. The motion passed by unanimous vote.

Respiratory Therapy and Radiologic Technology programs approved

B-6 - President Albright recommended that summer commencement be discontinued until further notice because of poor attendance. Mr. Dressman asked for a possible study of holding a ceremony in December including the summer graduates as well as some who complete their requirements in December. Motion was made by Mr. Martin, and seconded by Mr. Parker, that summer commencement be discontinued until further notice. The motion was passed unanimously.

Summer Commencement cancelled

B-7 - In presenting the TIAA Resolution, the President stated some changes such as retirement age of 70 needed to be made in order to comply with ARISA laws. Mr. Haas moved that the Regents approve the revised TIAA-CREF Retirement Resolution subject to counsel's approval. The motion, seconded by Mr. Martin, was passed unanimously.

TIAA Resolution Approved

B-8 - The President recommended that the Board of Regents adopt a special vehicle registration parking fee of $2,50 per vehicle per semester for Continuing Education students explaining that these students are only on campus once a week for perhaps six to ten weeks. Mr. Martin mentioned Van Pooling and/or Ridership being worked out and the University would be hearing more about participation whereby preferential parking and/or reduced rates could be given to those participating in the program. Motion to accept the recommendation for the $2.50 parking fee for Continuing Education students was made by Mr. Parker, was seconded by Mr. Haas, and was passed unanimously.

Parking Fee for Continuing Education students approved

B-9 - Mr. Mann moved that the recommendation for a replacement cost of $3.00 be charged to replace any student identification card be approved as presented by the President. The motion, seconded by Mr. Parker, was unanimously passed.

Replacement Cost for ID's

B-10 - A motion was made by Dr. Wippermann that the recommendation for Donee Authorization for Division of Surplus Property (copy attached) be approved as presented by the President. The motion, seconded by Mr. Hamburg, was passed unanimously.

Surplus Property Authorization

Budget Revisions

B-11 - President Albright presented a recommendation that revisions to the revenue and expenditure accounts as outlined (copy attached) be approved. Motion for approval was made by Mr. Hamburg, was seconded by Mr. Haas, and was passed unanimously.

Mr. Mann and Mr. Haas retired from the meeting because of other commitments.

B-12 - Dr. Albright recommended that the enrollment in the Chase College of Law be limited to a total within 450-475 students by the 1982-83 year; in order to attain this objective, admissions to the entering class in 1979-80 will be set at 150.

Limited Enrollment at Chase

Dr. Albright explained the reason for the limitation is that we need to bring our enrollment more in line with the other two law schools in the state, and in order to have a quality education in the law school we need to bring the law school to a smaller teacher/student ratio to comply with standards set forth by the American Bar Association. This year our ratio is 25-26/1 and it should be lower. Northern law school enrollment has always been greater than the other two state law schools. In the past some limited enrollment was set by either raising or lowering standards without the Regents' approval. This recommendation is asking the Regents to set a policy on limitations rather doing it in-house without the Regents' approval.

Judge Poston and Mr. Martin stated opposition to limiting enrollment in one area of the University when limitations are not set in other areas. Much discussion was held questioning the proposal's effect on the University. Judge Poston felt that the University was in the business of educating people and he disliked any kind of limitations in any kind of professional school.

Mr. Hamburg moved that the recommendation as presented by the President be approved and Mr. Parker seconded the motion.

Before voting, Judge Poston indicated he would vote against the proposal as he felt that he could not feel justified in voting for limitations in one particular area, that he would hate to see someone eliminated just because that person was number 151. Mr. Martin said he would oppose the proposal because the limitation could be handled through standards - that if a student is qualified, the student should be admitted. Mr. Dressman said he would abstain because he was not familiar with all the implications of such a cutback.

Vote: 4 aye, 2 nay, 1 abstention. Motion passed.

Promotion and Tenure for Librarians

B-13 - Dr. Albright stated that the Promotion and Tenure for Librarians policy was tentatively approved at the April meeting as it had not, at that time, been approved by the Faculty Senate. The proposal did pass the Faculty Senate and needs final approval by the Regents. Dr. Stallings moved that the recommendation be approved in its final draft and was seconded by Mr. Dressman. In voting on the recommendation, Mr. Parker stated that he is basically opposed to tenure. Vote - 6 aye, 1 nay.

B-14 - President Albright presented a recommendation for employee compensation policy for FY 1980 (copy attached to minutes). He explained that the recommended increases fall within the guidelines of the Council on Wage and Price Stability which is 7%. The President further said that if Northern's operating budget is cut in any way by this legislative session, it will seriously effect salaries which constitute 70 to 75% of our expenditures. He assured the Regents that should this happen, he will come to them again with another proposal. The reason for this proposal now is in order for the administration to begin the internal budget process.

Employee Compensation FY 80

Judge Poston made the motion to accept the recommendation as presented. The motion, seconded by Mr. Dressman, was passed with 6 aye votes and one required abstention by the Faculty Regent, Dr. Stallings.

OTHER BUSINESS:

C-1 - Taken care of in A-6 above.

C-2 - Dr. Albright asked Counsel Brooking to present a Resolution as follows:

"The Board of Regents of Northern Kentucky University do hereby unanimously honor our friend and departed associate, Roger Buchanan, for his extraordinary achievements on behalf of our University for 1976-1978 while acting as our chief financial officer. To you, Roger, we say 'thank you' for a job well done and we all wish you the best of success in the years to come."

Resolution for R. Buchanan

The Resolution was passed unanimously on motion by Mr. Parker and second by Mr. Martin.

C-3 - Dr. Albright asked the Regents to ratify an amendment to the TANK Ordinance as worked out by Counsel Grosse and the fiscal courts of Campbell and Kenton County (copy attached to these minutes). Motion to ratify the admendment as presented was made by Judge Poston. The motion, seconded by Mr. Parker, was passed unanimously.

Admendment to TANK Ordinance.

The meeting was adjourned at 7:35 p.m. on motion by Mr. Martin and second by Judge Poston.

Next regularly scheduled quarterly meeting - October 17, 1979

ADJOURNMENT

MINUTES OF REGENTS' MEETING - July 18, 1979

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 5:15 p.m. on Wednesday, July 18, 1979. The invocation was given by Dr. Tesseneer. After welcoming guests, roll call was taken.

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Dr. Jeffrey Williams, Faculty Regent, and Student Regent Stuart Suggs.

excused: Mr. Alex Parker

Others present: President A. D. Albright, Counsel John Brooking, Counsel Jack Grosse, Dr. Gene Scholes, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Dr. James Claypool, Mr. Clarence Tabor, Dr. Charles Gray, Mr. Michael Baker, Mr. Gregg Schulte, Mr. James Kerr, Mr. Gary Eith, Mr. John Connor, Mr. Dave Phillips, Ms. Dolores Thelen, Mr. Don Bradshaw and Mr. Ralph Nall of First Kentucky Securities Corporation (bond agents), Karen Ware of Campbell County News, Ms. Cindy Schroeder of the Kentucky Enquirer, Ms. Bev Cates and Mr. C. Johnson of the Northerner.

Chairman Lucas installed the newly elected Faculty Regent, Dr. Jeffrey Williams.

The chairman called for nominations for Chairman and Secretary-Treasurer of the Board of Regents for 1979-80. Mr. Martin moved that Mr. Kenneth Lucas be nominated as Chairman and Mr. Elmer Haas be nominated as Secretary-Treasurer. After nominations were closed on motion by Mr. Martin and second by Judge Poston, vote was taken. Mr. Lucas was elected Chairman and Mr. Haas was elected Secretary-Treasurer by 7 aye votes with Mr. Lucas and Mr. Haas abstaining.

Mr. Haas moved that Dolores Thelen be appointed Assistant Secretary for the 1979-80 fiscal year. The motion, seconded by Judge Poston, was passed unanimously.

Minutes of the regular quarterly meeting, April 18, 1979 and the special meeting, May 12, 1979 were unanimously approved on motion by Mr. Haas and second by Dr. Wippermann.

PRESIDENTIAL REPORTS:

A-1 The report from the office of Research, Grants, and Contracts was presented by Dr. Albright with the comment that we had done a little better than expected. The President stated that a Summary Report for the year will be presented at the next meeting.

A-2 The President called upon Mr. Tabor to comment on the audit of financial aid funds and the letter just received from the Department of Health, Education and Welfare. Mr. Tabor reported that the audits were discussed at great length with the external auditors, Mr. Baker and himself. Many of the items listed in the HEW letter have already been corrected. An answer to HEW will be forthcoming very shortly. Upon Dr. Albright's request for authorization to respond to HEW, Judge Poston moved that the administration be authorized to respond to the letter from the Department of Health, Education, and Welfare. The motion, seconded by Mr. Martin, was passed unanimously.

Audit of Financial Aid Funds

Response to HEW

The President reported that the audit of the 1978-79 University funds will be ready prior to the October meeting.

A-3 President Albright stated that at the May 12, 1979 special meeting, a resolution was passed authorizing the sale of Series C revenue bonds. This resolution was sent to the Department of Finance so that bonding agents could be appointed. As a result, First Kentucky Securities Corporation was appointed bonding agent. Representatives of the corporation were asked to prepare a document outlining the bonding capacity of the University. President Albright complimented Mr. Bradshaw and Mr. Nall of First Kentucky Securities Corporation for their rapid and thorough job in order to bring us to this point. He called upon Mr. Nall for further discussion of the bonding capacity report. Mr. Nall gave some background on the Series A and B issues of bonds and how the amount of $19,460,000 bonding capacity was computed. Mr. Mann inquired if inflation factors were built into the schedule and Mr. Nall reported that it had been taken into consideration. Bonding Capacity

PRESIDENTIAL RECOMMENDATIONS:

B-1 Mr. Nall was called upon to explain the resolution. He explained that the resolution is very similar to the resolutions of Series A and B. Since projections had been made that some projects included in the resolution are two or three years away, it would be more feasible to issue only part of the bonds at this time, the reason being that the U.S. Treasury Department requires that the proceeds from the sale of bonds be spent within three years of issuance of such bonds. Since some of the projects are not scheduled to be completed within that time frame, it would be wiser to issue part of the bonds now and the balance at some future date when the projects are better established. The monies from the bonds will be invested by the trustee of the bond issue until such time as needed for payment of the projects.

Counsel Brooking noted that the parking structure approved in the original resolution was deleted from the bond resolution because the bonding capacity was not great enough to cover all projects. Mr. Brooking asked if our capacity could be stretched so the parking structure could be included. Mr. Bradshaw noted that the only way would be if the Council on Higher Education approved increased tuition in the future, and if two issues of the bonds are made, the capacity might be increased for the second issue.

Mr. Haas inquired if by passing the resolution the Regents were giving authority for the completion of the projects listed and if the projects are listed in the order they are to be completed. Mr. Mann expressed much the same views. Dr. Albright assured the Board members that they will have final "say" on projects as they have in the past. There are some projects more important time-wise than others; however, the Board will be kept fully informed and will have final approval. The President explained that the resolution being presented permits the University to proceed to obtain approval of the State Properties Commission before bonds can be issued. Dr. Williams asked as to the percentage of our budget going to debt service. It was answered that under $2 million or about 10% of our budgeted revenues would be used for debt service. Dr. Albright commented that the Council on Higher Education is going to take a look at all building construction projects at state higher education institutions and perhaps the Council will put a ceiling on such projects.

B-1 (continued)

Thereupon, the President. Dr. A. D. Albright, stated that there was before the Board for consideration the financing of a Project consisting of a Power Plant Expansion estimated to cost $2,672,500, a Health and Physical Education Facilities estimated to cost $8,500,000, the Fine Arts Building Completion estimated to cost $3,350,000, the Materials Storage Facility estimated to cost $900,000, the Classroom Building Reconstruction estimated to cost $1,500,000, the Science Building Reconstruction estimated to cost $1,500,000, and a Miscellaneous Systems Development estimated to cost $467,500, totaling $18,890,000 and that if Bonds are to be issued to finance such Project and to pay the architectural, engineering, financing, and other necessary costs in connection therewith, including a reasonable amount for unforeseen contingencies, it would be necessary to issue $19,460,000 of Northern Kentucky University Consolidated Educational Buildings Revenue Bonds, Series C. After such matter had been fully discussed and considered, Board Member Elmer Haas moved the immediate adoption of the proposed "Series C Bond Resolution" attached hereto, which motion was seconded by Board Member James Poston, said proposed Resolution being entitled as follows:

A RESOLUTION AUTHORIZING THE ISSUANCE OF $19,460,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES C. OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY UNIVERSITY.

Full discussion followed concerning said Resolution and the Chairman thereupon put the question and upon the call of the roll, the vote was recorded as follows:

Ayes for the Motion - Mr. Lucas, Mr. Haas, Judge Poston, Mr. Hamburg, Mr. Mann, Mr. Martin, Dr. Wippermann, Dr. Williams, Mr. Suggs.

Nayes against the Motion - None

Thereupon, the Chairman declared that said motion had carried and that such Resolution had been duly adopted and was in full force and effect.

B-2 a,b,c. The President presented academic changes which consisted of new faculty, leaves, terminations and visiting professors and recommended acceptance. Before the vote, Dr. Scholes asked that the following be added to leaves: "That Dr. Christine Stiegler, Business Administration Programs, be granted an unpaid leave of absence for the 1979-80 academic year for the purpose of serving as Director of a Bureau of Vocational Education Grant entitled "Strategies for Sex Equity.'" The President called attention to the Interim Arrangement for Academic Affairs which would be handled by an Academic Coordinating Council with Dr. Scholes as chairman. The search for a new Provost will begin in the near future. Academic Personnel

Mr. Mann moved, seconded by Dr. Wippermann, that the Academic Personnel Changes be approved as presented. The motion received unanimous approval.

B-3 The Non-Academic Personnel Changes were presented for approval. Dr. Albright pointed out that there are approximately 275 academic personnel and 450 support personnel which is a small percentage ratio compared to other institutions. The changes for non-academic personnel were approved unanimously on motion by Judge Poston and second by Mr. Mann. Non-Academic Personnel

B-4 Three new programs were presented by the President who recommended their acceptance. The motion, seconded by Dr. Williams, was made by Mr. Martin and was passed unanimously. — New Academic Programs

B-5 The President recommended that a new academic administrative unit, to be entitled the Industrial and Technical Education program, be established and explained the justification for such a new unit. Dr. Wippermann made the motion that the recommendation be accepted. The motion, seconded by Mr. Suggs, was passed unanimously. — New Academic Administrative Unit

B-6 The Policies and Procedures Manual for security personnel of the Department of Public Safety was presented for final approval as a result of the Board action authorizing the administration to develop such a manual during the January 7, 1977 meeting. Dr. Williams commented that the manual had gone through a lot of reviews in a number of areas and felt there were many informed persons as a result of the reviews. Dr. Williams moved that the manual be accepted as presented. The motion was seconded by Mr. Hamburg and was passed unanimously. — Policies and Procedures Manual for Public Safety

B-7 After presenting the Scholarship Policy, the President noted that one of the Regents, Elmer Haas, had served on the committee preparing the policies and asked for his comments. Mr. Haas reported that during the process he became fully aware of the mechanics involved in getting a report of this nature together. Basically, it is the pulling together of all scholarship projects offered by the University. Mr. Haas moved for the adoption and approval of the Scholarship Policy and the motion was seconded by Mr. Suggs. The motion was passed unanimously. — Scholarship Policy

President Albright stated that he would like to see more of the Regents involved in such undertakings in the future.

B-8 The President recommended that a new title be adopted for the director of public relations, to be designated as Executive Assistant for University Relations. Mr. Martin moved that the recommendation be adopted as presented. The motion, seconded by Mr. Haas, was passed by unanimous vote. — Executive Assistant for University Relations

B-9 The President recommended that the executive officer be authorized to amend the existing lease with the Northern Kentucky University Foundation to include the coin-operated amusement space at the University Center. The recommendation was approved unanimously on motion by Mr. Martin and second by Mr. Haas. — Foundation Lease Amended

B-10 Dr. Albright, in recommending the implementation of a visual identity study, explained that there are a number of designs, publications, and other communications being published throughout areas of the University.

B-10 (continued)

Therefore, there is a definite need to have some design whereby any persons looking at a piece of literature can immediately determine that it is a communication from Northern Kentucky University. Mr. Hamburg made the motion that the Board authorize the implementation of a visual identity study. The motion was seconded by Dr. Wippermann and was passed unanimously. — Visual Identity Study

Mr. Mann inquired again about highway signs still having Northern Kentucky State College on them. The President said that the State Department of Transportation has assured us that they will replace all such signs in the near future. — Highway Signs

B-11 President Albright recommended that authority be given to return uncollectable National Defense/Direct Student Loans to the Department of Health, Education, and Welfare explaining that the loans the University wishes to return are those loans that date back a number of year after concerted effort and every method was used to collect the loans. Approval was given unanimously on motion by Mr. Hamburg and second by Judge Poston. — Uncollectable NDSL Loans to be returned

The President made a brief report on the Council on Higher Education meeting held this date highlighting the fact that Northern was given approval for a baccalaureate degree in Nursing.

Since the Council on Higher Education meetings are usually the same day as Regents' meeting, the President asked that the next quarterly meeting be held on October 24, 1979. This date was acceptable to all.

The meeting was adjourned at 7:20 p.m. on motion by Mr. Martin and second by Mr. Haas.

NEXT MEETING - Scheduled for January 16, 1980

ADJOURNMENT

MINUTES OF REGENTS' MEETING - October 10, 1979

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:10 p.m. on Wednesday, October 10, 1979. The invocation was given by Dr. Charles Gray. After welcoming guests, roll call was taken.

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Faculty Regent Jeffrey Williams, and Student Regent Stuart Suggs.

excused: Mr. Alex Parker and Dr. Edgar Wippermann.

Others present: President A. D. Albright, Counsel John Brooking, Counsel Jack Grosse, Dr. Gene Scholes, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Clarence Tabor, Mr. Dennis Taulbee, Mr. Michael Baker, Mr. Dan Alfred, Ms. Linda Alford, Mr. Ron Ellis, Ms. Mary Schuh, Dr. Johnathan Bushee, Ms. Ann Caudill, Mr. James Kerr, Mr. David Phillips, Mr. Gregg Schulte, Ms. Perk Rudd, Ms. Dolores Thelen, Mr. Richard Rankin and Mr. Charles Lee of Rankin and Rankin, Mr. Greg Steffen, Representative-at-large of Student Government; Ms. Lisa Graybell of Cincinnati Enquirer, Ms. Terah Glover of Campbell County News, and Ms. Cindy Schroeder of Kentucky Enquirer.

Minutes of the regular quarterly meeting, July 18, 1979 were approved with 5 aye votes on motion by Mr. Haas and second by Judge Poston.

PRESIDENTIAL REPORTS:

A-1 President Albright reported that over a million dollars in Grants and Contracts were received the last fiscal year. An annual report as well as a report for the first quarter of this fiscal year were presented. Dr. Albright expressed appreciation for a good job stating that more of the faculty participated in the development of grants this year than ever. — Grants and Contracts

A-2 The President pointed out that the summer school report indicated a substantial increase in course offerings and also a substantial increase in revenue. The greatest increase was in the eight-week sessions and considerable increase was shown in the intersession. Plans for further expansion of next summer's program are now being made. Dr. Mary Ann Rehnke was complimented by the President for an excellent job in the development of the summer school program. — Summer School

A-3 A comprehensive report was presented on fall enrollment by Dr. Albright. The reports shows about a 10-1/2% increase on head count and about 7-1/2% in full-time-equivalent students. Some increase is expected until 1985. Chairman Lucas noted that the report shows that the full-time/part-time student ratio is 50/50. — Fall Enrollment

A-4 Dr. Albright explained that the report on the uses of the Pompilio house was simply explaining the intention of future use. The house will require extensive renovation and at some future date, it will be used as an alumni house as well as a reception center. — Reception Center

A-5 The President called upon Mr. Tabor for further comments on the Business Management area after complimenting the progress made in this area. Mr. Tabor highlighted some of the areas and praised the directors for their continued hard work to bring about these changes. — Business Management

A-5A This report attempts to bring the Regents up-to-date on our capital construction program, according to Dr. Albright. The sub-committee on capital construction of the Council on Higher Education deleted all projects which do not have a known source of funding. The Series C bond issue was approved after the deletion of the Fine Arts expansion which will make the total of the bond issue at $16,000,000. The full Council will consider this request on October 17 and the indication is that they will approve the sub-committee's report. Capital Construction

A-6 Mr. DeMarcus went over the progress reports on programming, design and construction. He further expressed appreciation to the Board of Regents for their participation in the ground breaking ceremony of the Administrative Center. Campus Development

Mr. Martin arrived and votes will now reflect six.

A-7 The President explained that this report was designed to bring the Regents up-to-date on the past fiscal year budget and the final disposition of special allocations. 1978-79 Budget

A-8 In presenting the Financial Audit for 1978-79, Dr. Albright complimented the firm of Rankin and Rankin for a fine job and expressed the gratitude of the institution to this firm. Mr. Richard Rankin spoke briefly on the audit stating the progress made in the business areas, especially the accounting area. He further reported that an in-depth test was made of the Bursar's office and that this was the first time in his career that such a test proved to find no errors whatsoever. Mr. Rankin thanked everyone for their cooperation and stated that credit for the good audit goes to Mr. Tabor, Mr. Baker, Dr. Gray and especially Mr. Graziani of the Bursar's office. 1978-79 Financial Audit

The quarterly financial for July through September, 1979 will be mailed at a later date.

A-9 Dr. Albright reported that he had material from the Association of Governing Boards and invited the Regents to look at the materials available. The possibility of joining this group will be brought up at a later meeting. Assoc. of Governing Boards

PRESIDENTIAL RECOMMENDATIONS:

B-1 (a) (b) (c) The academic personnel changes were presented by the President who pointed out the fact that Faculty Regent Williams was selected by the Kentucky Humanities Council to serve as travelling professor of humanities. Dr. Williams responded by saying that it was an honor to be selected in this capacity and hoped it would help the University as a result of being a part of the program. Dr. Scholes outlined some of the changes and explained that there would be further changes made in the Educational Services area. Mr. Martin made the motion that the academic personnel changes as outlined be approved. The motion, seconded by Judge Poston, was passed with 6 aye votes. Academic Personnel

B-2 President Albright, in presenting this recommendation, noted that when the new academic reorganization was presented he had mentioned that changes would probably have to be made from time to time. This recommendation is really relabelling the units in the academic areas of the institution and is not a change in basic reorganization. Mr. Hamburg moved that the recommendation for retitling program cluster be approved as presented. (The listing is attached to the minutes.) Mr. Haas seconded the motion, and the motion was passed with 6 aye votes.

New Titles for Academic Units

B-3 Dr. Albright recommended that the "Memorandum of Agreement" attached to the recommendation page articulating selected instructional programs of the Northern Kentucky Vocational Region with selected Northern Kentucky University academic programs be approved. Dr. Scholes explained the reasoning behind such a program noting that this will be a model program and that the University should receive great visibility throughout the state. The motion to adopt the recommendation was made by Mr. Haas and seconded by Mr. Suggs. The motion was passed with 6 aye votes.

Agreement with N.K. Vocational Region

B-4 The President presented a recommendation outlining authority and responsibilities in common for principal administrative officers explaining that there are policies and procedures for faculty as well as a code for students; however there has been none for administrators. He further stated that the recommendation ends at point seven (7). Following the recommendation is an illustration. Motion to adopt the recommendation as outlined was made by Mr. Hamburg, was seconded by Judge Poston, and was passed with 6 aye votes.

Policy in common for principal administrative officers

B-4A President Albright explained that this recommendation relates to B-4 but goes a step further. Because of several administrative changes and reassignments, the need exists to define responsibilities. Resolved that:

a. the President be directed to develop a written set of administrative policies, procedures, and regulations for the University including position descriptions for the principal administrative officers.
b. the Board of Regents hereby directs the President to negotiate and conclude new employment agreements with all central administrative officers of the University, covering each one's status as an administrative officer, effective November 1, 1979 and all prior written employment agreements for administrative officers shall be terminated as of November 1, 1979.

Policies and Contracts for Administrative Officers

B-5 The President recommended that the University adhere to a policy of faculty representation and participation in official bodies of the University concerned with the selection and evaluation of administrative officers. He explained that it is a policy essentially being followed at present and approval of the Board of Regents would make it a part of the policies and procedures for faculty. Faculty Regent Williams asked for clarification of "administrative personnel" and "appropriate representation." Administrative personnel would include principally academic officers, chairpersons, deans, provost, and presidential search committees. The number of representatives would depend upon

Faculty Representation on various committees

(continued)

B-5 (cont.) the type of search; i.e. academic area search would surely contain more faculty than a search for a business manager. Dr. Williams, after commenting that the faculty would be pleased to be included in such committees, moved that the recommendation be approved. The motion, seconded by Judge Poston, was passed with 6 aye votes.

B-5A A recommendation was presented by the President regarding withholding of final paycheck of a faculty member leaving the employ of the University if certain conditions are not met explaining that the recommendation is meant to cover a few and occasional instances. Dr. Albright stated that he felt the students are entitled to grades and to receive the grades as quickly as possible. Counsel Grosse said this recommendation recognizes a performance condition in the contract and would serve to put faculty members on notice of what to expect. The recommendation was approved on motion by Mr. Martin, second by Judge Poston, with 6 aye votes.

Faculty Final Paycheck

B-5B Dr. Albright explained that the Student Code outlines the presidential powers to reprimand, suspend, or expel students for disobedience to University rules and regulations but that guidelines and regulations need to be set up for hearings, as outlined in the recommendation. Upon question by Mr. Haas, it was determined that Student Government had reviewed the recommendation. Mr. Haas moved for the adoption of the recommendation. The motion was seconded by Mr. Hamburg and was passed with 6 aye votes.

Student Hearings

B-5C The President asked that this be deleted until a future meeting.

B-6 The amendments to the Student Government Constitution were explained by Student Regent Suggs who consequently moved for the adoption. The motion, seconded by Mr. Martin, was passed with 6 aye votes.

Amendments Student Govt. Constitution

B-7 Dr. Albright presented a recommendation that several course fees be deleted. He explained that the fees are no longer necessary and that when he presented the long list of fees to the Regents last year, he promised that any unnecessary ones would be eliminated. Mr. Haas moved for the adoption of the resolution. The motion, seconded by Mr. Suggs, was passed with 6 aye votes.

Deletion of Course Fees

B-8 Dr. Albright recommended that the board give authorization to the Business Manager to write off student receivables as bad debts in the amount of $22,336.17. Mr. Tabor stated that all attempts possible were made to collect these debts and the conclusion was reached that they are in fact uncollectable. Charles Lee of Rankin and Rankin explained that the auditors had looked at the situation and felt it was appropriate that these very old debts be written off as facts indicated the students involved dropped out of school at some point and most had never graduated. Mr. Haas moved for the adoption of the resolution. Mr. Hamburg seconded the motion and it was passed with 6 aye votes.

Write-off of Student Receivables

B-9 President Albright recommended that the Board of Regents approve the name change for the Business Management Office to Business Affairs explaining that it is often confused with the academic Business Department. The motion approving the recommendation was made by Mr. Martin, the second by Mr. Suggs, and adopted with 6 aye votes. Business Affairs

Mr. Mann was counted present at this point and 7 votes will be reflected.

B-10 After explanation, the President presented the following recommendation: That the FY 1980 operating budget authorization be increased to reflect an additional $200,000 in state general funds and $547,765 for restricted grants received after the original budget was approved. Further, that the University fund balance of $2,063,090 be allocated and included in the University budget. Provided, however, that the President shall report all expenditures from fund balances at the following Board meeting. Mr. Hamburg moved for the adoption of the resolution. Judge Poston seconded the motion and it was passed with 7 aye votes. 1979-80 Budget

B-10A Dr. Albright called upon Mr. Ron Ellis of the University Relations area to explain the University Identity Program. Mr. Ellis explained the necessity of such a program after displaying the various designs of pamphlets in the past. The identity program is designed to be consistent in all University publications with the consequential benefits being economy, efficiency and recognition. Dr. Williams asked if such a program would create a need for additional staff and it was stated that this was not the case. Mr. Haas moved that the University Identity Program be accepted and approved for immediate implementation as outlined. The motion, seconded by Mr. Suggs, was passed with 7 aye votes. Identity Program

B-11 Mr. DeMarcus presented the up-dated Master Plan . The original master plan was developed 9years ago and has been followed pretty closely. The purposes of the up-dated plan are to describe the developmental goals, policies and decisions adopted by the University, to guide its architectural course over the next 10 years, and to establish a phased timetable for acting on decisions. Upon Mr. Hamburg's question of amount of acreage to be utilized, the President estimated that well over a hundred acres will not be utilized by construction but used as a green belt. Upon being asked about solar energy, Mr. DeMarcus noted that while solar energy has not been excluded in the planning, this part of the nation is not as conducive to the use of solar energy as other parts of the country. Dr. Albright complimented Mr. DeMarcus and his staff, Gary Eith and Mary Schuh, on their fine work in presenting the plan in an unusual and informative manner. Master Plan

Mr. Mann moved the adoption of the Master Plan. The motion, seconded by Mr. Haas, was passed with 7 aye votes.

B-12 (a) The Biennial Operating Budget for 1980-82 was presented for approval prior to being acted upon by the Council on Higher Education on October 17. Dr. Albright explained that an increase of $5 million was requested in the first year of the biennium and $7.5 million in the second. Mr. Taulbee noted that the guidelines of the Council were followed in the preparation of the budget with regards to inflationary increases and other mandated areas. Dr. Williams noted that the salary increase is 9.5% and wondered if the faculty could look forward to such an increase. It was noted that staff benefits increase yearly and all increases are not necessarily in salaries. Dr. Williams stated that the faculty will be circulating comparisons of salaries at Northern with other institutions. Biennial Budget

Mr. Hamburg moved that the 1980-82 Biennial Budget Request be approved as presented and forwarded to the Council on Higher Education for review. The motion, seconded by Judge Poston, was passed with 7 aye votes.

B-12 (b) The Capital Construction Budget Request for the biennium was presented. Mr. DeMarcus noted that even though the sub-committee on capital construction of the Council had stated they would delete items that had no apparent fund, a request was being made which did not include bond issue projects. This would preclude Northern being considered for additional funds should they become available.

Mr. Martin moved that the 1980-82 Biennial Capital Construction Request be approved and forwarded to the Council on Higher Education and the Finance Department and that the administration of the University be authorized to submit an addendum to the Capital Construction Budget Request if deemed necessary. The motion, seconded by Judge Poston, was passed with 7 aye votes.

B-13 After speaking on the subject of law suits, the President submitted the following resolution:

1. Authorize the President at the appropriate time as he determines to take such legal action for damages as he deems necessary, upon advice of Counsel, against person or persons to be determined for abuse of process, unwarranted harrassment and champertous practices against Northern Kentucky University, its Regents, administrators and faculty.

2. Authorize the President to retain special Counsel for Northern Kentucky University to represent Northern's insurance carrier or carriers in the defense of the Leonidas N. Sarakatsannis law suit filed in the U.S. District Court at Covington, Kentucky.

Mr. Haas moved the adoption of Part 1 of the resolution and was seconded by Judge Poston. The motion passed with 7 aye votes.

Part 2 of the resolution was adopted on motion by Mr. Mann, second by Mr. Hamburg, with 7 aye votes.

OTHER REPORTS:

Dr. Albright announced that the President's Annual Report will be mailed in November.

Following discussion, the next quarterly meeting will be held on Wednesday, January 30 at 4 p. m.

The meeting was adjourned at 7:15 p. m. on motion by Mr. Martin and second by Judge Poston.

ADJOURNMENT

MINUTES OF REGENTS' MEETING - January 30, 1980

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:25 p. m. on Wednesday, January 30, 1980 in the University Center Ballroom. The invocation was given by Father Schmidt, director of the Catholic Center. After welcoming guests, roll call was taken.

Regents present: Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Dr. Jeffrey Williams - Faculty Regent and Mr. Stuart Suggs - Student Regent.

absent: Mr. S. Alex Parker

Others present: President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Mr. John DeMarcus, Mr. Robert Knauf, Dr. James Claypool, Mr. Dennis Taulbee, Mr. Mike Baker, Mr. Gregg Schulte, Ms. Ann Caudill, Mr. Gary Eith, Father Louis Schmidt, Dr. Jonathan Bushee - president of Faculty Senate, Mr. Bill Lamb, Ms. Denise Hough, Ms. Perk Rudd, Mr. Dave Phillips, Mr. Mark Malick, Ms. Dolores Thelen, Student Martin McKamey, Mr. Jim Reis of Kentucky Post, Ms. Cindy Schroeder of Kentucky Enquirer, and Mr. Rick Boehne of the Northerner.

Minutes of the regular quarterly meeting, October 10, 1979 were approved with 7 aye votes on motion by Mr. Haas and second by Judge Poston.

PRESIDENTIAL REPORTS:

A-1 President Albright called attention to the 1978-79 President's Annual Report which had been mailed previously and stated it was designed to show the movement of the University in the past year. — President's Annual Report

A-2 "The Nature and Purposes of a University" reflects the views of the administrative officers and is presented to the Regents to be a part of the official minutes, according to Dr. Albright. Dr. Williams indicated that the faculty members who had read the statement were in complete concurrence with the report. — "The Nature and Purposes of a University"

A-3 The President highlighted the spring enrollment report by expressing concern that while Northern is constantly increasing enrollment (this semester by 12%, last semester 11%) the University has not received any increased funding for enrollment growth. Increasing enrollment and stationary funding can cause financial problems; therefore, what happens in Frankfort in the next two months is crucial to this University and to the students who plan to attend. — Spring Enrollment Report

A-4 President Albright reported that twelve awards were made in the faculty Summer Fellowship Program. These fellowships were selected from many proposals by a committee of fellow faculty members. — Summer Fellowship

A-5 The President indicated a slight decrease in research and grant funds is expected since outside funding is tighter than in the past. Judge Poston asked if any reporting was required when a grant is complete and he was assured that a report is submitted to the grants office at the end of the grant period. — Research, Grants, and Contracts

A-6 Mr. DeMarcus highlighted the campus development written report speaking briefly on the computerized conservation system which is designed to conserve energy and increase security by a monitoring system in each and every room on the campus. Discussion is in process with the Highway Department on redesigning Nunn Drive. — Campus Development

A-7 The financial report for July-December, 1979 was presented. Mr. Baker stated that we were within budget limits. — Financial Report

A-8 The report on Intercollegiate Athletics from the Athletic Committee indicates that Northern should remain at the current level of participation. This will mean adding one more men's sport which will more than likely be soccer as there is now a club soccer team. — Intercollegiate Athletics

A-9 The "Jeanie" banking system was installed as an aid to students, faculty and staff. — "Jeanie"

A motion was made by Mr. Mann, seconded by Mr. Martin, that the Board of Regents go into Executive Session concerning a personnel matter and court litigation. The motion was carried with 8 aye votes. — Executive Session

Executive session began at 5 p. m. The meeting reconvened at 6:30 p. m.

PRESIDENTIAL RECOMMENDATIONS:

B-1(a) The President asked the Board for consideration of the employment agreements for the principal administrative officers. The officers are: — Employment Agreements for Principal Administrative Officers

Dr. A. D. Albright, President
Dr. James C. Claypool, Dean of Student Affairs
Mr. John DeMarcus, Executive Assistant for Campus Development
Dr. Lyle Gray, Dean, Arts and Sciences
Dr. Arthur Kaplan, Dean, Professional Studies
Mr. Robert Knauf, Executive Assistant for University Relations
Dr. Aaron Miller, Dean, Experimental and Interdisciplinary Programs
Dr. Ralph Pearson, Dean, Community Research and Services
Dr. Gene W. Scholes, Executive Assistant to the President
Mr. Clarence M. Tabor, Business Manager
Mr. Dennis Taulbee, Director of the Budget

Mr. Haas moved that the agreements be adopted as presented. The motion, seconded by Mr. Mann, was passed with 8 aye votes.

B-1 (b) Dr. Scholes presented the following academic changes, new appointments,
(1) terminations, and sabbatical leaves and recommended their adoption:
(2) New Appointments - — Academic Personnel

William R. Jones as Dean, Salmon P. Chase College of Law
Alice G. Rini as Director of Nursing
Robert Schneider as Acting Director of Steely Library
Leonore Ganschow as Acting Director of Special Programs

B-1(b) - continued

(1) Eugene Youngs be granted an extension of employment through 1980-81
(2) academic year

Ray Waggoner be granted leave without pay for Spring, 1980

Academic Personnel (continued)

Resignations -
Mary Kapitan, Robert Zwicker, Linda Harpster, Bob Holloway.
Pamela Cupp as Acting Director of Admissions - returning to Admissions Officer

Sabbaticals -

Leroy Gruner - Spring, 1981	James Hopgood - Fall, 1980
J. Robert Lilly - Fall, 1980	George Manning - Fall, 1980
Nicholas Melnick - Spring, 1981	Thomas Rambo - Spring, 1981

Darryl Poole - Fall, 1980 and Spring, 1981
Martin Huelsmann - Fall, 1980 and Spring, 1981

Mr. Haas moved that the academic personnel recommendations be adopted as presented. The motion was seconded by Dr. Wippermann and was passed with 8 aye votes.

B-1(b) (3) The faculty members listed in Section B-1 for continued conditional probation and continued probation were recommended by Dr. Scholes who explained that procedures outlined in the Faculty Handbook were followed. A motion by Mr. Martin that the recommendation be approved was seconded by Mr. Mann and was passed with 8 aye votes.

Continued Probation and Conditional Probation

Dr. Scholes recommended the following faculty members for promotion:

Y. Datta	William Dickens	Patricia Dolan
Jane Dotson	James Fouche'	Elton Lasseigne
Robert Kempton	Mary Ellen Ryan	Margery Rouse
Donald Welti	Jeffrey Wiener	

Promotion

Dr. Wippermann made a motion to adopt the recommendations for promotion. The motion, seconded by Mr. Hamburg, was passed with 8 aye votes.

The following faculty members were recommended for tenure by Dr. Scholes:

William Dickens	James Fouche'	Elton Lasseigne
Robert Kempton	Martin Marger	William Stoll
Donald Welti	Jeffrey Wiener	Russell Yerkes

Tenure

The recommendations were adopted with 8 aye votes on motion by Mr. Mann and second by Mr. Suggs.

Dr. Scholes reported that there was no recommendation on non-renewals as some appeals are still in process. Counsel Brooking asked that the names be listed in the minutes as being reported. They are Deborah Kenshur and Michael Skop.

Non-Renewals

B-1(c) The list of terminations, new employment, promotions, transfers, and reassignments of non-academic personnel was ratified with 8 aye votes on motion by Mr. Hamburg and second by Mr. Suggs. — Non-Academic Personnel

B-2 The President requested authorization to purchase a group travel policy for all University employees while on official business with a cost of approximately $1350.00 per year. Mr. Haas made the motion to approve the requested authorization. The motion, seconded by Dr. Wippermann, was passed with 8 aye votes. — Group Travel Policy

B-3 Dr. Albright reported that after recommendation for the financial audit was mailed, the state auditor informed the University that the office did not choose to make a financial audit for 1979-80. Therefore, the President requested authorization to negotiate with Rankin and Rankin to perform an audit examination. The request was approved on motion by Mr. Martin, second by Mr. Hamburg, and passed with 8 aye votes. — Audit of Financial Records

B-4 In an attempt to bring all leases of University property before the Regents, the following were presented for consideration: — Crime Lab, Transportation Dept, Foundation Leases

Kentucky State Police Crime Lab at 537 Johns Hill Road - $300 per month
Department of Transportation at 411 Johns Hill Road - $350 per month
Northern Kentucky University Foundation at 415 Johns Hill Road for housing of scholarship students - $100 per month

Mr. Hamburg moved that the leases be approved as presented. The motion, seconded by Judge Poston, was passed with 8 aye votes.

B-5 President Albright recommended the following fee changes: — Fee Changes

Leisure Time Learning Program fees be $2.00 per contact hour and costs incurred in the facilitation of the offering will be included in addition to the basic charge of $2.00 per contact hour.

Fee of $5.00 for Biology 550 be eliminated as the lab has been dropped from the course.

A motion by Mr. Haas to approve the fee changes as recommended was seconded by Dr. Wippermann and was passed with 8 aye votes.

B-6 Dr. Albright introduced bond agent Ralph Nall, who explained that the bond resolution coming before the Board is very similiar to the bond resolution for the educational buildings. The resolution provides for grouping the housing facilities now being designed and all future housing and dining facilities that are constructed. Thereupon, the President, Dr. A. D. Albright, stated that there was before the Board for consideration the matter of financing housing facilities for the University and that it was in order for a basic resolution to be adopted establishing a Housing System and authorizing Northern Kentucky University Housing System Revenue Bonds, with the authority, also, if desired, for the University to issue notes in anticipation of the issuance of such Bonds. — Housing and Dining Facilities; Bond Resolution

After the matter had been fully considered, Mr. Haas made a motion that a Resolution be adopted, the title of which Resolution was as follows:

> A Resolution of the Board of Regents of Northern Kentucky University, a public body corporate, an educational institution and agency and a political subdivision of the Commonwealth of Kentucky, creating and establishing a Housing System of said Northern Kentucky University; creating and establishing an issue of Housing System Revenue Bonds of the Board of Regents of said University; providing for the issuance of such bonds from time to time; providing for the payment of the principal of and interest on said bonds from revenues of the Housing System, and otherwise, in such manner as not to constitute indebtedness of the Board, the University, or the Commonwealth; providing for interim financing through issuance of Revenue Bond Anticipation Notes.

Said motion was seconded by Judge Poston, and upon a vote being taken upon the adoption of same, the result was as follows:

Yeas for the Motion - Kenneth Lucas, Elmer Haas, James Poston, John Hamburg, Henry Mann, Gordon Martin, Edgar Wippermann, Jeffrey Williams, Stuart Suggs

Nays against the Motion - None

Thereupon, it was announced that such motion had carried and that such Resolution had been duly adopted by the Board. Whereupon, such Resolution was declared to be in full force and effect. A copy of same is attached to the minutes of this meeting.

B-7 The President recommended that the FY 1980 operating budget authorization be increased by $332,910 to reflect an additional $12,000 in unrestricted revenues from seminars conducted by the Community Research and Services program and $320,910 in additional restricted grants activity through December 31, 1979. A motion was made by Mr. Martin to adopt the recommendation. The motion, seconded by Dr. Williams, was passed with 8 aye votes. — Budget Revision

OTHER BUSINESS

C-1 The President explained the validity of the Regents becoming associated with the Association of Governing Boards of Colleges and Universities at a cost of approximately $600.00. A motion that the Board of Regents become affiliated with the Association was made by Mr. Hamburg, was seconded by Judge Poston, and was passed with 8 aye votes. — Association of Governing Boards

C-2 President Albright recommended that the administrative officer title of Executive Assistant to the President be changed to Vice President with no change in salary or duties as previously voted on by the Regents. Mr. Martin moved that the President's recommendation be approved. The motion was seconded by Mr. Mann and was passed with 8 aye votes.

The next quarterly meeting of the Board of Regents will be Wednesday, April 30, 1980.

The meeting was adjourned at 7 p.m. on motion by Mr. Martin and second by Mr. Suggs.

BOARD OF REGENTS MINUTES
April 30, 1980

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:15 p.m. on Wednesday, April 30, 1980 in the University Center Ballroom. Invocation was given by Father Schmidt.

Roll Call:

Regents present - Mr. Elmer Haas, Mr. John Hamburg, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Dr. Edgar Wippermann, Dr. Jeffrey Williams, Mr. Stuart Suggs.

excused - Mr. Alex Parker

Others present - President A. D. Albright, Counsel John Brooking, Elizabeth Sponsler, Dr. Gene Scholes, Dr. Lyle Gray, Dean Jack Grosse, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Dr. James Claypool, Mr. Clarence Tabor, Mr. Dennis Taulbee, Dr. Jonathan Bushee, Dr. Charles Gray, Dr. Richard Ward, Mr. Dave Phillips, Mr. Byron Renz, Ms. Ann Caudill, Mr. Richard Schneider, Ms. Denise Hough, Mr. Michael Baker, Mr. Gregg Schulte, Father Schmidt, Mr. Sam Bucalo, Mr. Bill Weathers of the Kentucky Post, and Ms. Cheryl McHenry of WCKY News.

Chairman Lucas welcomed Ms. Sponsler, who will be the new Student Regent, and Mr. Sam Bucalo, newly elected President of Student Government. Because Mr. Bucalo is a resident of Ohio, he was not eligible to serve as Student Regent; an election was held for Regent in which Ms. Sponsler was elected to the position.

Minutes of the previous quarterly meeting held January 30, 1980 were approved as printed on motion by Mr. Haas, second by Mr. Martin, and passed unanimously.

PRESIDENTIAL REPORTS:

A-1	Dr. Albright highlighted the program for commencement noting an outstanding person in higher education was the speaker - Dr. Phillip Shriver, President of Miami University.	Commencement May 11
A-2	The president noted that the Management Information Report furnished to each Regent contains data from which management and other decisions are made and felt the Regents would be interested in the data compiled.	Management Information Report
A-3	President Albright reported that tuition rates were raised by the Council on Higher Education for Fall 1980, the first increase in three years. Upon Dr. Williams' question of how this would effect our enrollment, the president said he felt that it would not have a great impact here; in fact a 3-1/2% increase for tuition is being projected in the budget. Mr. Lucas commented that in spite of the increase he felt tuition at Northern is a great value and a real bargain as opposed to other increases we have felt in other areas.	Tuition Increased
A-4	Dr. Scholes spoke on the Tuition Reciprocity Agreement between Northern and the University of Cincinnati and stressed it was still in the talking stages with some items still to be worked out between the two institutions. The Board will be kept informed of the progress.	Tuition Reciprocity Agreement with UC

A-5 Dr. Albright explained that this report gives the Regents a list of faculty members to whom grants have been made along with the titles. — Faculty Grants

A-6 In presenting the report on Research, Grants, and Contracts, the president explained that the amount of money received from outside grants may decline from the last couple of years but, as everyone is aware, federal money is becoming more difficult to secure. — Research, Grants, and Contracts

A-7 The report on student grants, loans, and scholarships is to give the Board a picture of our overall financial aid picture. The president pointed out that Mr. Haas served on a University committee wherein policies and procedures for granting aid to students were formulated. — Financial Aid Report

A-8 Mr. DeMarcus highlighted the Campus Development report that was submitted with the agenda. The dedication ceremony for the Business-Education-Psychology building will be scheduled for August or September. Groundbreaking is tentatively scheduled in August for both the Physical Education building and the residences. The administrative center construction is moving well and will continue to do so unless a major strike by one of the trade unions takes place. Bonds will not be sold until the bond market is stabilized - hopefully this summer. — Campus Development

A-9 The quarterly financial report was received by the Regents.

A-10 President Albright reported on the progress of negotiations for the financial audit for 1979-80 as a result of the resolution passed at the Board meeting in January wherein the executive officer was empowered to negotiate for such audit. The president stated that the firm of Rankin and Rankin was selected to complete the audit for about a 10% increase over the previous year. The firm will audit the University financial operations as well as conduct audits of the federal programs: National Direct Student Loan, Federal Work Study, Supplemental Educational Opportunity Grant, Basic Educational Opportunity Grant, Nursing Loan, and Nursing Scholarship programs. The president's action was ratified by motion of Mr. Hamburg. The motion, seconded by Dr. Wipperman, was passed with 8 aye votes. — Financial Audit

A-11 Dr. Albright reported that progress was being made on the search for a head basketball coach, the position vacated by Coach Hils. Very good candidates have been interviewed and when the interviews are completed this week, some decision will be made. — Basketball Coach

PRESIDENTIAL RECOMMENDATIONS:

B-1a In accordance with the procedure for other principal administrative officers, the president recommended the employment agreement with Dr. Ralph Tesseneer as Special Assistant to the President. The Board concurred with the recommendation by motion of Mr. Martin and second of Judge Poston. The motion was passed with 8 aye votes. — Special Assistant to President

B-1b The following recommendations of the President were presented by Dr. Scholes: Academic Personnel

Appointments - Ronald Abrams as Associate Professor and Chairperson of Industrial and Technical Education
Joseph Griffin as Acting Director of Admissions and Student Educational Planning

Resignations - Ken Gilliam as Assistant Professor of Law Enforcement
Les Tomley as Associate Professor of Physics and Astronomy
Edward Ziegler as Associate Professor of Law

Leaves - Billie Brotman, Associate Professor of Economics, leave for one year beginning August, 1980 without pay
Bernard Gilday, Professor of Law, leave for one year beginning August, 1980 without pay
John Lindsey, Professor of Law, leave for one year beginning July, 1980 without pay
Russell Yerkes, Associate Professor of Accounting, special leave for Fall Semester, 1980 with pay - effective 6/30/80

The recommendation were approved as presented on motion by Mr. Hamburg. The motion, seconded by Dr. Wippermann, was passed with 8 aye votes.

Recommendation that Dr. Geraldine Grube, Assistant Professor of Physical Science, Department of Physical Sciences, not be reappointed after the 1979-80 academic year. Judge Poston moved that the recommendation be approved. The motion was seconded by Mr. Martin and was passed with 8 aye votes.

Recommendation that Deborah Kenshur, Assistant Professor of Philosophy, Department of Social Sciences, not be reappointed after the 1979-80 academic year. Approval was given to the recommendation on motion by Mr. Martin. The motion, seconded by Judge Poston, was passed with 8 aye votes.

Recommendation that Michael Skop, Associate Professor of Art, Department of Fine Arts, be granted tenure as a member of the faculty effective with the 1979-80 academic year. Dr. Scholes reported that after the appeal, it was found that by longevity Mr. Skop has earned defacto tenure. Dr. Wippermann moved that the recommendation be accepted, Mr. Suggs seconded the motion, and passed with 8 aye votes.

B-1c The listing of non-academic employees (new employees, terminations, promotions, transfers, and reassignments) was ratified on motion by Mr. Suggs. Mr. Hamburg seconded the motion and it was passed with 8 aye votes. Non-Academic Personnel

B-1d President recommended that John P. DeMarcus be granted a 3-month partial leave of absence to work on his Ph. D. and that Dr. James Claypool be granted a reassignment of administrative duties for the summer to work on the Chase papers. Motion was made by Mr. Haas that the recommendation be adopted. The motion, seconded by Judge Poston, was passed with 8 aye votes. Administrative Personnel

Dr. Albright recommended the appointment of Dr. Lyle Gray as Provost effective May 1, 1980 and asked Dr. Gray to outline his ideas on the position of Provost. Dr. Gray spoke very effectively on the functions of the Provost office and several areas which he hoped to pursue. Chairman Lucas and Mr. Mann spoke on Dr. Provost

B-1d cont. Gray's effectiveness in representing the University by serving very well on various boards and committees in the community. Mr. Martin moved that Dr. Lyle Gray be named Provost on the recommendation of the president. The motion was seconded by Mr. Suggs and was passed with 8 aye votes. — Provost

The president reported to the Board that the Provost Search Committee under the chairmanship of Dr. N. Edd Miller did one of the best jobs he has seen a search committee perform and would like to write Dr. Miller and the committee thanking them for the outstanding work they did on this project. Motion by Mr. Martin and second by Judge Poston that the committee be thanked by the executive officer for the fine job. The motion passed with 8 aye votes. — Provost Search Committee

B-2 President Albright recommended that the executive officer be authorized and directed to conduct an examination of administrative staff organization and positions and to effect any changes conducive to efficiency and effectiveness. The president felt such a recommendation was necessary in view of the freeze the University placed upon all unfilled positions prior to the charge to each agency by Governor Brown that a thorough scrutiny be made of its personnel expenditures with an objective of reducing costs wherever possible. Mr. Mann made the motion that the recommendation be adopted as presented. The motion was seconded by Dr. Wippermann and was passed with 8 aye votes. — Examination of staff positions

B-3 The recommendation was made that the Board of Regents approve the area of concentration in social studies as an appropriate major for graduation from Northern Kentucky University, effective for those students entering the University as of Fall Semester 1980. Dr. Scholes stated this was primarily for teacher education majors. Dr. Williams moved that the recommendation be adopted, Mr. Hamburg seconded the motion, and passed with 8 aye votes. — Social Studies

B-4 The president recommended that the "Code of Professional Conduct of the Salmon P. Chase College of Law, Northern Kentucky University" be approved explaining that the Regents had approved a corresponding code for the undergraduate students. (The Code is attached to these minutes.) Motion to adopt the recommendation was made by Mr. Haas, seconded by Dr. Wippermann, and passed with 8 aye votes. — Code for Chase

B-5 Dr. Scholes presented the president's recommendation that the Graduate Center agreement between the University of Kentucky and Northern Kentucky University for the delivery of the Master of Science Degree in Nursing be approved. (The Memorandum of Agreement is attached to these minutes.) Motion was made by Mr. Mann that approval be given to the recommendation. The motion, seconded by Dr. Wippermann, was passed with 8 aye votes. — B.S. in Nursing - Agreement with UK

B-6 Dr. Albright recommended that Sections E and H of the Personnel Policy and Procedure Manual for non-academic staff be approved as presented and explained that these are the final sections of the manual to be approved. Mr. Haas moved that the sections of the Handbook be approved. The motion was seconded by Mr. Suggs, and was passed with 8 aye votes. — Personnel Handbook

B-7 The president recommended that a policy concerning the refund of student tuition and fees be approved effective with the 1980 Fall term and explained the differences between the previous policy and the one being presented. (Policy attached to these minutes.) Motion to adopt the new refund policy was made by Mr. Suggs, seconded by Judge Poston, and passed with 8 aye votes. — Refund of Tuition and Fees

B-8 A list of fees (attached to these minutes) was presented by the President for adoption. The fee schedule was adopted on motion by Dr. Williams. The motion was seconded by Dr. Wippermann and was passed with 8 aye votes. — New Fees

B-8a The president recommended that the executive officer be authorized to determine and set parking fees for the 1980-81 year and report same to the Board at its regular meeting in July. The fees listed on the recommendation were the ones suggested by a committee of faculty, students, and staff; but because all the work was not completed the fees will be set at a later date and reported to the Board in July. A motion to accept the president's recommendation was made by Mr. Martin, seconded by Mr. Haas, and passed with 8 aye votes. — Parking Fees

B-9 President Albright recommended that Board authorization be given to the Business Manager to write off student receivables as bad debts in the amount of $9,878.00 after it had been determined that these were uncollectable. The recommendation was approved on motion by Mr. Haas, second by Dr. Wippermann, and 8 aye votes. — Bad Debts

B-10 Dr. Albright explained that he had asked Dr. Claypool and the Student Publication Board to come up with some policies and procedures for student publications. He further recommended the adoption of the Student Publications Board Handbook (attached to these minutes). After it had been determined that the handbook had been read by legal counsel, Dr. Wippermann moved that it be approved as presented. The motion, seconded by Mr. Suggs, was passed with 8 aye votes. — Student Publication Board Handbook

Since student publications are an instrument of the University, it therefore becomes the liability of the University and its Board of Regents for any action taken against any publication. After discussion and legal counsel's assurance that the Regents have sufficient liability coverage, Mr. Martin moved that legal counsel investigate and report in full to the Board on the coverage the board members can count on in cases of lawsuits. The motion, seconded by Mr. Hamburg, was passed with 8 aye votes.

B-11 Pursuant to a NCAA mandate, the athletic committee voted to recommend soccer as the sixth intercollegiate sport and the president recommended soccer be instituted beginning Fall Semester 1980. The motion to accept the recommendation was made by Mr. Haas, seconded by Judge Poston, and passed with 8 aye votes. — Soccer

B-12 Presidential recommendation that the Board approve a Resolution authorizing submission of College Housing Loan Application (copy attached to these minutes) was presented by Mr. DeMarcus who explained that this is a routine resolution required by HUD to complete the legal section of the application for 3% guaranteed college housing loan interest. The recommendation was approved on motion by Judge Poston, seconded by Mr. Hamburg, and passed with 8 aye votes. — Housing Loan Application

B-13 The presidential recommendation that the Board approve a Resolution authorizing utility line easement of Union Heat, Light, and Power Company (copy attached to these minutes) was explained by Mr. DeMarcus. Approval was made on motion by Mr. Haas and second by Mr. Martin. The vote was 7 aye, 1 abstention by Judge Poston. Utility Line Easement

B-14 President Albright recommended that the 1979-80 operating budget authorization be increased by $187,872 to reflect an additional $172,272 in bookstore receipts than originally anticipated in the budget, an additional $15,000 in Seminar receipts, an $600 from the Council on Higher Education for individual faculty grants. The recommendation was adopted on motion by Mr. Mann, second by Mr. Suggs, and passed with 8 aye votes. 1979-80 Budget Increase

B-15 Dr. Albright explained the 1980-81 fiscal budget with charts and explanations of increases. The net increases amount to 12.4% over last year and are reflected as follows: 1980-81 Budget

	Amount of Increase	Percentage of Budget Total
Salaries	1,100,000	58.6
Fringe Benefits	500,000	10.2
Operating	500,000	19.8
Capital Outlay	(300,000)	3.0
Transfers	300,000	7.5
Contingency	Same	.9

The increase of salaries is within guidelines dictated by the Council on Higher Education. The fringe benefits will increase in the retirement areas where a percentage of base salary is used and also because of the increase in rates on life insurance and health insurance. The president complimented Dennis Taulbee and Ann Caudill for an unusually fine job in preparing the budget. After discussion and questions, the Board approved the budget as presented on motion by Mr. Martin, second by Dr. Wippermann, and passed with 8 aye votes.

B-16 It was recommended that the president be authorized to negotiate through the bond trustee the reinvestment of reserve requirement funds maturing May 1, 1980. Such an approval by the Board is necessary in order to comply with the trust indenture. Mr. Mann moved that this action be approved. The motion, seconded by Mr. Suggs, was passed with 8 aye votes. Reinvestment of Funds

B-17 The president stated that the Secretary of the Department of Finance has approved the lease of an automobile for use by the President and recommended that the Business Manager be authorized to lease such an automobile. The recommendation was approved on motion by Judge Poston, second by Mr. Martin, and passed with 8 aye votes. Lease of Auto for President

OTHER BUSINESS

Faculty Regent Williams reported that the leave policy for twelve-month faculty will be ready soon for legal counsel and will be ready for presentation at the July meeting.

The faculty regent further reported that the Faculty Senate budget committee had completed a study of comparative salary figures with other institution and by vote of that committee, he was asked to distribute same to the Regents and requested it be put on the agenda in July.

Dr. Albright stated that he felt the policy that the Regents wished him to follow was to have reports such as this presented to the executive officer who would make the decision if such items were to be put on the agenda at an appropriate time. If the executive officer did not do so, the group could appeal to the Board at that time. The president said that while the faculty senate passed a motion that the faculty regent should bring it directly to the board, he would like to know if the policy under which he has been operating is still in effect.

Mr. Martin, Mr. Mann, Mr. Haas, and Judge Poston spoke to the issue stating that they felt all items should be entered on the agenda by the executive officer. Counsel Brooking noted that if the Regents accepted this report, they would then be straying from their policy. The reports were returned to the Assistant Secretary, who later returned them to the Faculty Senate President.

Elizabeth K. Sponsler was given the oath of office as Student Regent by Chairman Lucas. Chairman Lucas complimented Stu Suggs for the fine job he did this past year and that it was a pleasure to work with him.

The next quarterly meeting will be scheduled for Wednesday, July 30, 1980.

The meeting was adjourned on motion by Mr. Suggs and second by Mr. Martin. The meeting adjourned at 7 p. m.

ADJOURNMENT

BOARD OF REGENTS MINUTES
July 30, 1980

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:30 p. m. on Wednesday, July 30, 1980 in the University Center Ballroom. Invocation was given by Dr. Tesseneer.

Roll Call:

Regents present - Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Ms. Pat Sommerkamp, Mr. Richard Spears, Mr. John Yarmuth, Dr. Jeffrey Williams. (Ms. Sponsler on vacation.)

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Counsel Jack Grosse, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Clarence Tabor, Mr. Dennis Taulbee, Dr. Jonathan Bushee, Dean William Jones, Dr. Darryl Poole, Ms. Ann Caudill, Ms. Denise Hough, Dr. Richard Ward, Mr. Dave Phillips, Mr. Gary Eith, Ms. Peggy Miller, Ms. Carla Chance, Mr. James Kerr, President of Student Government - Sam Bucalo, Ms. Perk Rudd, Ms. Cindy Dickens, Dr. William Dickens, Mr. Gregg Schulte, Dr. Byron Renz, Mr. Ron Ellis, Mr. William Lamb, Dr. Roger Meade, NKU Photographer Joe Ruh, Ms. Dolores Thelen, Cheryl McHenry of WCKY, Bill Weathers of Kentucky Post, Bob Fogarty of Kentucky Enquirer, Post Photographer Jim Osborn, and Dr. Carlos Soto.

Chairman Lucas welcomed and introduced the newly appointed Regents - Ms. Pat Sommerkamp, Mr. Richard Spears, and Mr. John Yarmuth. After administering the Oath to the new Regents, the Chairman extended a challenge that the knowledge and experience of each one be used in helping Northern Kentucky University move forward. The Chairman called attention to the fact that Mr. Gordon Martin was reappointed for another four-year term and expressed appreciation for Mr. Martin's past and future contributions to the University.

President Albright expressed his appreciation to the Board for the unique way in which it operates. The Board gives most of its attention to the development and establishment of policies by which the University will be operating. Once those policies are approved, the Board expects the administration to carry out such policies.

Minutes of the previous quarterly meeting held April 30, 1980 were approved on motion by Mr. Mann. The motion, seconded by Judge Poston, was passed with 8 aye votes.

Election of Officers -- Mr. Martin moved the nomination of Kenneth Lucas as Chairman, Elmer Haas as Secretary-Treasurer, and Dolores Thelen as Assistant Secretary, and further moved that the nominations be closed. The motion was seconded by Mr. Mann and was passed with 8 aye votes.

PRESIDENTIAL REPORTS

A 1 The preparation of the 1980 81 budget was completed in accordance with the guidelines and policies set forth by the Board at their April meeting and the document is now being presented to the Board.

A-2 Dr. Albright stated that the faculty salary study, which the Board asked to be held in abeyance until this meeting, is now being presented with accompanying reports. He reported that there is a response from the Faculty Senate which will be mailed to the Board at a later date when it is complete. Dr. Williams felt that there has been significant improvement of communication between the Faculty Senate and the University administration and expressed his appreciation that the study is being presented at this time. He further stated that when the response is completed, it will be forwarded to the Regents via the President's Office. Faculty Salary Study

A-3 President Albright reported that because of a great deal of activity in the grants area in recent weeks the picture of outside funding is looking much better. There have been some rather significant grants received this month and will be reported at the next meeting. Grants

A-4 Mr. DeMarcus highlighted the Campus Development report and stated that with the sale of Series C bonds suspended by the State several projects are being held up. When the Administrative Center is completed in April, Nunn will be vacated for Chase. If bonding is not secured, complete renovation on this and other projects cannot be done. Mr. DeMarcus showed slides of architectural drawings of the dorms as well as the Allied Health and Physical Education building. The dorm project will continue as it is primarily federal funding. Campus Development

A-5 Financial Audits for the University Federal programs have been completed for the fiscal year ending June, 1979. The President noted that our delinquent rate is down to 7.7% which is about half of what a number of institutions are experiencing and is a result of the University's priority on collections. Financial Aid Audits

A-6 President Albright reported that as a result of the Board's authorization to the executive officer to determine parking fees, the following fees have been established:

Reserved Parking	$60	Full-time Faculty & Staff	$20
Maintenance Parking	$ 5	Part-time Faculty & Staff	$ 5

Parking Fees

Terminations

Judge Poston moved that the recommendations of the President be approved as presented. The motion was seconded by Mr. Yarmuth and was passed with 8 aye votes.

B-1 (b) Dr. Scholes presented the non-academic new employees, transfers, reassignments, promotions, and terminations for the Board's ratification (list attached to these minutes). Included in the list are the new basketball coach, Mike Beitzel; the soccer coach, Paul Rockwood; Bill Lamb from Director of University Center to Assistant Dean of Student Affairs; and Ron Ellis from Assistant Director of University Relations to Director of University Publications. Mr. Haas moved that the Board ratify the action taken on non-academic employees. The motion, seconded by Dr. Williams, passed with 8 aye votes.

Non-Academic Employees

B-2 The Board's mandate to the administration that the administrative organization be examined as well as positions within that structure resulted in the preparation of the recommendation attached to these minutes. Phase I is to be instituted immediately with Phase II to be effective at a later date. The budget reduction will have more pertinence to Phase II according to the President. Mr. Martin moved and Judge Poston seconded the motion that the recommendation be approved as submitted by the President. The motion passed with 8 aye votes. Administrative Organization

B-3 Dr. Albright recommended that the Board of Regents authorize the President's office to conduct a complete review of all University policies and procedures (including an update of the Faculty Policies and Procedures Handbook), develop new policies where appropriate, and present new policy manuals to the Board for its consideration. Review of University policies

Dr. Ward, chairman of the committee working on policies and procedures for faculty, stated that the first draft of the Handbook should be ready by September. The committee is attempting to word the policies in a more definitive and concise manner, and would welcome input from all sources. Mr. Mann moved the recommendation be adopted, seconded by Dr. Williams, and the motion was passed with 8 aye votes.

B-3A (a) The President recommended that the leave policies for faculty on twelve-month contracts (attached to the minutes) be approved and made part of the Faculty Handbook, subject to possible revision as part of the administration's complete review of all University policies and procedures. Dr. Williams made the motion that the recommendation be adopted as presented. The motion, seconded by Mr. Hicks, was passed with 8 aye votes. Leave Policy for Twelve-Month Faculty

B-3A (b) Dr. Albright presented a recommendation that the Board of Regents adopt provisionally the following statements of policy and procedure (attached to the minutes) until the update of the Faculty Policies and Procedures Handbook is completed: Professional Ethics and Responsibilities

I. Statement of Professional Ethics and Responsibilities
II. Policy Statements: Publication and Promotion of Course Offerings/Cancellation or Postponement of Classes

The President stated that Part I is the statement and Part II sets in written form the policy the administration has sought to follow. Mr. Yarmuth moved the adoption of the recommendation with Ms. Sommerkamp seconding the motion. Motion passed with 8 aye votes.

B-4 President Albright made a recommendation that approval for students to take more than 18 credit hours must be secured in writing from the appropriate Dean of the area. He explained that since this is an academic decision, it seems more appropriately dealt with by the Deans. Judge Poston made the motion to adopt the President's recommendation. The motion, seconded by Mr. Spears, was passed with 8 aye votes. Approval for student overload

B-5 The President presented four new programs areas for approval.

(a) Passed with 8 aye votes was a motion made by Judge Poston and seconded by Dr. Williams that General Studies Rationale and changes in General Studies Requirements be adopted by the University and instituted with the Fall semester 1981. (outline attached to the minutes) — General Studies Rationale

(b) Mr. Martin moved, Mr. Haas seconded, a recommendation that the Board adopt the Prior Learning Accreditation Program (outline attached) which has received approval of the faculty through the usual curriculum approval process. The motion passed with 8 aye votes. — Prior Learning Accreditation

(c) A recommendation that the Board adopt the Legal Studies Minor (outline attached), which has received approval of the faculty through the usual curriculum approval process, was passed with 8 aye votes on motion by Mr. Yarmuth and second by Mr. Spears. — Legal Studies Minor

(d) Mr. Spears moved, seconded by Mr. Yarmuth, that the Board approve the recommendation to adopt the Minor in Industrial Technology (outline attached), which has received approval of the faculty through the usual curriculum approval process. The motion passed with 8 aye votes. — Minor in Industrial Technology

B-6 President Albright recommended that the Regents approve the "Agreement of Understanding" with Thomas More College which will make available dormitory rooms for students of Chase College of Law. The President noted that the agreement came about by inquiries made by students and the follow-up was made with Thomas More as a result. The President further stated that the relationship with President Giroux and Thomas More administration has been the finest he has experienced. Mr. Martin moved the approval of the agreement. The motion, seconded by Mr. Mann, was passed with 8 aye votes. — "Agreement of Understanding" with Thomas More

B-7 The President recommended that four amendments be made to the University Scholarship Policy (amendments attached) and explained that after a year of working with the original policy, it was necessary to make several revisions, parts of which are to accommodate our affirmative action policy. Mr. Haas, who serves on the scholarship committee, stated that the scholarship policies will be reviewed from time to time to see if additional revisions are necessary. The motion to adopt the revisions recommended by the President was made by Judge Poston. The motion, seconded by Dr. Williams, was passed with 8 aye votes. — Amendments to Scholarship Policy

B-8 Mr. Tabor explained that while we have certain latitude with the Federal government returning funds not used it was necessary to come up with a sequence of grants which need to be designated first. The reason National Direct Student Loan was chosen as number one is the fact that any money returned to this grant can be loaned to other students. Mr. Yarmuth made a motion that refunds to Federal financial aid recipients and repayment from Federal financial aid recipients who have withdrawn from the University be returned to the federal accounts from which aid was received in the following order: (continued next page) — Refund Policy

1. National Direct Student Loan Fund
2. Supplemental Educational Opportunity Grant
3. Basic Educational Opportunity Grant
4. Guaranteed Student Loan Program

The amount of refund and repayment returned to an account cannot exceed the amount of the original award. The motion was seconded by Mr. Mann and passed with 8 aye votes.

B-9 A motion to amend the Student Government Constitution to read "department representative" rather than "program representative" was made by Mr. Martin, seconded by Judge Poston, and passed with 8 aye votes. — Student Govt. Constitution Amendment

B-10 The Donee Authorization for Division of Surplus Property was approved with name changes on motion by Judge Poston. The motion was seconded by Mr. Spears and was passed with 8 aye votes. — Donee Authorization changed

B-11 President Albright explained that it was necessary to make revisions to the 1979-80 Operating Budget because of some additional revenue received and recommended that the 1979-80 operating budget authorization be increased by $214,469 to reflect an additional $9,400 in unrestricted revenues from student activity fee receipts, and $205,069 in additional restricted grants activity through June 30, 1980. The recommendation was adopted on motion by Judge Poston, seconded by Mr. Yarmuth, and passed with 8 aye votes. — Revision to 1979-80 Budget

B-12 The President recommended that the Board authorize the President to revise the 1980-81 budget in keeping with the "Cut-back Policy" announced by the Governor and the State Department of Finance; and that the revisions be presented to the Board at the next regular quarterly meeting. The recommendation was adopted on motion by Mr. Haas and second by Judge Poston. — Revision to 1980-81 Budget

In explaining the situation the President made the following comments: As published in the press, Northern's reduction appeared to be $1.2 million; however, it is $1.9 million. A sum of $705,000 in debt service was taken off the top, and then the $1.2 million was applied. With the debt service money not available, the only way to sell Series C would be to capitalize the interest for one or two years. In working out the reduction in the University's operating budget, salaries and benefits will not be invaded. We also want to maintain the quality level of education in the area. If the money crisis continues, Northern may be faced with a change of policy that will curtail enrollment or invoke selective admission in order to maintain a quality education. A great deal of credit is to be given to the Budget office, Business Affairs and Academic Affairs in reducing our budget as required. Their remarkable performance resulted in our being able to reduce the budget with about 60% of the $1.2 million coming from operating funds and the other 40% coming out of reserves which we were fortunate enough to have. The reserve was retained to purchase instructional equipment and when the reserve is diminished, it will mean incapability of purchasing such equipment. The bottom line is that we are working with $180,000 less than our 1979-80 budget.

Chairman Lucas stated that inasmuch as we are a developing institution this reduction will cause Northern to suffer more from a statewide budget cut than established universities.

Mr. Mann asked about enrollment increase and how this could affect us with the budget cut. The President stated that a 3.5% increase in enrollment had been built into our budget and should we increase 8 to 10% the strain is going to become apparent to everyone. Northern is one of the few institutions that holds classes from 8:00 in the morning until 10:00 at night and should enrollment keep increasing without adding more classrooms, there will soon be a limit to how many more students we can put in our classrooms.

In further discussion, several board members felt that we needed to explore the possibility of capitalizing the interest on capital projects since this cost might be less than the anticipated rate of inflation.

The President referred to copy of a letter to George Atkins, State Finance Commissioner, indicating the University would reduce its budget by $1.2 million, and the interim budget will be submitted in October.

The Chairman asked for a vote. The recommendation to authorize the President to revise the 1980-81 budget was adopted with 8 aye votes.

OTHER BUSINESS

C-1 On motion by Mr. Martin and second by Mr. Haas, the Doctor of Humane Letters for Phillip Shriver, President of Miami University, was ratified. The motion passed with 8 aye votes.

EXECUTIVE SESSION - 6 p.m.

On motion by Mr. Haas and second by Mr. Yarmuth the Board voted unanimously to go into executive session to discuss personnel matters regarding litigation.

The meeting reconvened at 7:15 p.m. on motion by Mr. Haas and second by Mr. Martin.

The following future meeting dates were decided upon by the members: Wednesday, October 29, 1980; Wednesday, February 4, 1981 and Wednesday, April 29, 1981. The dates were ratified on motion by Mr. Haas, second by Judge Poston, and passed unanimously.

The meeting adjourned at 7:25 p.m. on motion by Mr. Martin and second by Mr. Haas.

Thereupon, the President, Dr. A. D. Albright, stated that there was before the Board for consideration the matter of financing housing facilities for the University and that it was in order for Resolutions authorizing $1,225,000 of Northern Kentucky University Housing System Revenue Bonds, Series A, dated November 1, 1980, and $4,768,000 of Northern Kentucky University Housing System Revenue Bonds, Series B, dated November 1, 1980, to be adopted.

After the matter had been fully considered, Mr. Henry Mann made a motion that a Resolution be adopted, the title of which Resolution was as follows:

> "A RESOLUTON OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY UNIVERSITY, A PUBLIC BODY CORPORATE, AN EDUCATIONAL INSTITUTION AND AGENCY AND A POLITICAL SUBDIVISION OF THE COMMONWEALTH OF KENTUCKY, CREATING AND ESTABLISHING A HOUSING SYSTEM OF SAID NORTHERN KENTUCKY UNIVERSITY; CREATING AND ESTABLISHING AN ISSUE OF HOUSING SYSTEM REVENUE BONDS OF THE BOARD OF REGENTS OF SAID UNIVERSITY: PROVIDING FOR THE ISSUANCE OF SUCH BONDS FROM TIME TO TIME; PROVIDING FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON SAID BONDS FROM REVENUES OF THE HOUSING SYSTEM, AND OTHERWISE, IN SUCH MANNER AS NOT TO CONSTITUTE INDEBTEDNESS OF THE BOARD, THE UNIVERSITY, OR THE COMMONWEALTH; PROVIDING FOR INTERIM FINANCING THROUGH ISSUANCE OF REVENUE BOND ANTICIPATION NOTES.";

Said motion was seconded by Judge James Poston, and upon a vote being taken upon the adoption of same, the result was as follows:

ADJOURNMENT

BOARD OF REGENTS MINUTES
October 29, 1980

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:30 p.m. on Wednesday, October 29, 1980 in the University Center Ballroom. Invocation was given by Dr. Scholes.

Chairman Lucas welcomed all present including L. Bradley Stanford of Ashland Oil who had accompanied Regent Spears to the meeting.

Regents present: Mr. Kenneth Lucas, Mr. Elmer Haas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Ms. Pat Sommerkamp, Mr. Richard Spears, Ms. Kathy Sponsler, Dr. Jeffrey Williams.
excused: Mr. John Yarmuth
Others present: President A.D. Albright, Mr. John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Clarence Tabor, Mr. Dennis Taulbee, Ms. Dolores Thelen, Mr. Ralph Nall, Mr. Gary Eith, Ms. Perk Rudd, Ms. Ann Caudill, Ms. Denise Hough, Mr. Michael Baker, Mr. Gregg Schulte, Dean William Jones, Dr. Charles Gray, Dr. Roger Meade, Dr. Byron Renz, Ms. Carla Chance, Ms. Mary McGhee, Mr. Phillip Grone, Mr. L. Bradley Stanford, Mr.Richard Tapke and Mr. Robert Munninghoff of Covington Trust, Ms. Cheryl McHenry of WCKY, Mr. Kevin Staab of the Northerner, and Ms. Cindy Schroeder of the Kentucky Enquirer.

Minutes of the regular quarterly meeting of July 30, 1980 were unanimously approved as submitted on motion by Mr. Haas and second by Mr. Martin. A correction was made by the assistant secretary to the minutes of the special meeting of September 23, 1980 as follows: Kathy Sponsler is to be marked present and voting "aye" for the bond resolution. The minutes were approved as corrected on motion by Mr. Haas , second by Dr. Williams, and unanimously passed.

RESOLUTIONS concerning bids on the Housing System Revenue Bonds, Series A and B, are attached to these minutes in form prepared by the bond counsel, Franklin Hayes.

PRESIDENTIAL REPORTS:

A-1 Dr. Albright pointed out that grants and contracts approved through the first three months of the fiscal year amounted to well over $500,000 as compared to $184,000 for the same period a year ago. The President complimented the Office of Grants and Contracts (Roger Meade and Denise Hough) for the effective work resulting in the increase. — Grants and Contracts

A-2 The President called attention to the increase in the fall enrollment figures. He commented that if this increase continues we may have 3600 more students in this institution by 1985 with no additional space to accommodate them. — Fall Enrollment

A-3 The President highlighted the Summer Sessions report and noted that while revenues exceeded expenditure figures, the expenditures showed only direct instructional costs without overhead and administrative expenses included. — Summer Sessions

A-4 Mr. DeMarcus highlighted his written report and noted that the programming is complete for the three projects released from the construction freeze by the Governor. It is anticipated that architects will be appointed very shortly. — Campus Development

A-5 Mr. Tabor stated that the audit of financial records for 1979-80 was completed on time by the audit firm, Rankin and Rankin, and also noted that the firm did not need to make any adjusting entries. Mr. Tabor complimented Mike Baker and his staff for the efficient work in the Accounting office. — 1979-80 Financial Audit

A-6 Mr. Tabor in presenting the financial report for the first three months of this fiscal year explained that the University is holding its own so far as revenues are concerned. — Quarterly Financial Report

A-7 The President explained that responsibilities in the academic area were centralized earlier until such time as procedures and policies were worked out and now the area is in the process of decentralization which resulted in the "Delegations of Responsibilities to Deans". This delegation will allow the Provost to do the academic planning for the University. — Deans' Responsibilities

A-8 Counsel Brooking was asked to bring the Regents up-to-date on pending litigation. Mr. Brooking informed the Regents that the Lengyel and Sarakatsannis suits are still pending before Judge Seiler. Judge Seiler is not going to be able to study the pending motions to dismiss the cases until after the first of the year. If either of the cases go to trial, it will probably be late Spring. — Pending Litigation

PRESIDENTIAL RECOMMENDATIONS:

B-1(a) The new faculty appointments that are being presented for approval were either underway before the freeze or are replacements for terminating faculty, according to President Albright. Ms. Sponsler moved that the recommendation of the President be approved as presented. The motion was seconded by Judge Poston and was passed unanimously. — New Faculty

B-1(b) The President presented a list of academic terminations, leaves and changes for approval. The motion was made by Judge Poston and seconded by Dr. Williams that the action be approved as recommended. The motion passed unanimously. — Other Academic Changes

B-2 Dr. Albright presented a list of non-academic new employees, terminations, and changes explaining that there seems to be a large turnover of employees in this area, partly due to the fact that the University is not able to compete in the market place. He further explained that through benefit programs which Gregg Schulte, Director of Personnel, has instituted, it is hoped this will help curb some of the turnover. The President complimented Mr. Schulte on the progress being made in this area. Judge Poston moved the acceptance of the non-academic changes. The motion, seconded by Ms. Sponsler, was passed unanimously. — Non-academic Changes

B-3 The following recommendation was presented by the President:

Office of International Studies

That the following administrative adjustments in the operation of International Studies be approved -

1. That the Office of International Studies be discontinued.
2. That the Director of International Studies continue on faculty status with one-quarter reassigned time per semester to direct the program.
3. That the counselor of international students be assigned to continue the present duties under the supervision of the Director of Admissions.
4. That the above changes be completed on or before December 31, 1980.

Mr. Martin moved, seconded by Mr. Spears, that the recommendation be approved. Ms. Sponsler stated that she had been directed by vote on a resolution of the student government body to cast a nay vote for this and passed a copy of the resolution to the Regents so they would know how the student government felt about this move.

Dr. Williams also spoke against the resolution stating that the Faculty International Studies Committee was opposed to this action and asked how much would be saved by the University. Phillip Grone, an international studies majorsstudent, spoke very effectively opposing this action. Mr. Spears complimented Mr. Grone on his presentation.

The President asked Provost Gray to speak to the issue. Dr. Gray outlined the program. He further stated that other interdisciplinary programs do not have a full time director as faculty are given released time to direct the programs just as is being proposed for international studies. A quick calculation in conjunction with the budget director shows a savings of nearly $35,000 a part of which can be used for reallocation to needful units. Dr. Gray assured the Regents that the program should not suffer because of the changes.

Mr. Mann called for the question with Judge Poston seconding the motion.
Aye votes - Mr. Mann, Mr. Martin, Judge Poston, Ms. Sommerkamp, Mr. Spears.
Nay votes - Mr. Haas, Ms. Sponsler, Dr. Williams. Motion carried.

The following vote was taken on the recommendation:
Aye votes - Mr. Haas, Mr. Mann, Mr. Martin, Judge Poston, Ms. Sommerkamp, Mr. Spears.
Nay votes - Ms. Sponsler, Dr. Williams. Motion carried.

President Albright stated that the Regents would receive more recommendations for administrative changes in order to live within our budget. Dr. Williams suggested that when such items are presented there be a more detailed report on actual savings as a result of a suggested administrative change.

B-4 A policy on Joint Faculty Appointments was presented for approval by the President who explained that the policy spells out responsibilities when a faculty member is teaching in more than one department. The recommendation was ratified on motion by Mr. Mann, second by Judge Poston, and unanimously passed. — Joint Faculty Appointments

B-5 Dr. Albright stated that the policy on Associate Degree Graduation with Honors will bring recognition to deserving Associate Degree Candidates. The recommendation was approved on motion by Mr. Haas, second by Ms. Sommerkamp, and was passed unanimously. — Associate Degree Graduation with Honors

B-6 The policy on Transfer Student Partial Credit Hours presented for approval was directed primarily at those students transferring from an institution with a quarter system to our semester system, according to President Albright. Ms. Sponsler moved that the recommendation be approved as presented. The motion, seconded by Mr. Spears, was passed unanimously. — Transfer Student Partial Credit Hours

B-7 President Albright, in presenting the policy on Transferability, noted that the policy is merely stating the cut-off level for transfer of grades, and is to be effective in the Fall of 1981. Mr. Martin made the motion that the recommendation be approved. Ms. Sponsler seconded the motion which was unanimously passed. — Transferability of Grades

B-8 Provost Gray was asked to explain the purpose of the Pass/Fail Grading System. He stated that a number of students in clinical work for which credit is received are graded with a pass/fail and consequently this grade was not considered for the Dean's or Honor's list. If at least 8 credit hours of a student is graded on the 4.0 grading system, it would allow the student to be eligible for honors. The recommendation was adopted on motion by Mr. Mann, second by Dr. Williams, and unanimously passed. — Pass/Fail Grading

B-9 In presenting the fees below, the President stated that usually fees are brought to the Regents at one time; however, he felt these were important enough to be taken care of separately. — Fees approved

ACT Residual Test Fee - $ 9.00
Early Childhood Center Registration Fee - $10.00

Mr. Haas moved that the fees be adopted as presented. The motion, seconded by Ms. Sommerkamp, was unanimously passed.

B-10 The President recommended that Dolores Thelen be appointed Custodian of Imprest Cash Accounts with W. Michael Baker and C.M. Tabor appointed as alternates. The recommendation was unanimously passed on motion by Mr. Martin and second by Mr. Spears. — Custodian of Imprest Cash

B-11 Dr. Albright explained that the policies and procedures in University purchasing and physical plant operations are policies which we have been following and the Board's approval makes it official. Motion was made by Mr. Martin that the policies and procedures be adopted as presented. The motion was seconded by Mr. Haas and was passed unanimously.

Policy for Purchasing and Physical Plant Operations

B-12 President Albright recommended that the Board of Regents approve a grant to Cincinnati Bell, Inc. of a right of way and easement to construct and maintain buried cables for telecommunication purposes. Mr. Martin moved and Judge Poston seconded the adoption of the recommendation. The motion passed unanimously.

Easement to Cincinnati Bell

B-13 A recommendation was presented by the President that the Board of Regents approve a grant to Union Light, Heat, and Power Company of a right of way and easement. Mr. Haas moved the adoption of the recommendation, and Dr. Williams seconded the motion. Vote - 7 aye votes, abstention by Judge Poston.

Easement for U. L. H & P.

B-14 In presenting the revised budget, the President circulated a report showing the areas which the cuts affected as well as a comparison of state support with other universities (attached to minutes). Mr. Haas moved that the revised budget be adopted as presented. The motion was seconded by Ms. Sponsler. After discussion, the vote was unanimous.

Revised Budget approved

B-15 President Albright recommended that the Baccalaureate Degree for Industrial and Labor Relations receive approval noting that our University is situated in and near industrial areas and this type of program should be beneficial. A motion was made by Mr. Mann, was seconded by Judge Poston, and was passed unanimously.

Industrial and Labor Relations Degree

B-16 It was recommended that the President be empowered to negotiate a contract for the acquisition of a new telecommunications system based upon competitive bids solicited from various suppliers and upon the recommendation of the State Division of Telecommunications, Kentucky Department of Finance. The President stated that the State Division of Telecommunications will be in charge of all equipment acquired. Mr. Martin moved and Judge Poston seconded a motion to adopt the recommendation. The motion was passed unanimously.

Telecommunications System to be bid

B-17 Presented was a recommendation that the President be charged with the responsibility of examining the University's professional liability insurance coverage to ensure adequate protection for all individuals engaged in official University business, and that he be empowered to contract with individual carriers for such coverage as deemed necessary. Dr. Albright noted that our present liability insurance does not cover faculty being sued as a result of action taken by peer review committees and with the present policy up for renewal on November 1, this would be the ideal time to examine carefully the coverage before executing a new contract. The recommendation was unanimously approved on motion by Dr. Williams and second by Ms. Sponsler.

Liability Coverage extended

Dr. Williams retired from the meeting because of a class commitment.

OTHER BUSINESS

C-1 The President presented the following recommendation: Legal Services

1. That the provision of legal services for the University be made through:
   a. the continuance of a staff position designated as University (in-house) counsel, reporting to the Office of President, as at present;
   b. written contract(s) with attorneys, or firms, for legal services in matters involving litigation and other special external requirements.
2. That the President be authorized to implement, whenever necessary, "a" according to the general prescribed University staff employment policies; and to implement "b" upon consultation with the Board.

Mr. Martin moved, Judge Poston seconded the adoption of the resolution. The motion passed unanimously.

C-2 Dr. Albright presented a proposed agreement for services betwen the University and the Foundation and asked that it be ratified. A motion was made by Mr. Martin that the agreement be approved as proposed. The motion, seconded by Mr. Mann, was unanimously passed. Agreement with NKU Foundation

C-3 Mr. Lucas announced that it was approaching the anniversary of Dr. Albright's contract and asked the Board's approval to negotiate a compensation package with the President. Judge Poston made a motion that the Chairman be empowered to negotiate such a compensation package with the President. The motion was seconded by Mr. Mann and was passed unanimously. President's Contract

The next quarterly meeting will be Wednesday, February 4, 1981.

The meeting was adjourned at 7:15 p.m. on motion by Mr. Haas and second by Judge Poston.

ADJOURNMENT

BOARD OF REGENTS MEETING
February 4, 1981

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:15 p.m. on Wednesday, February 4, 1981 in the University Center Ballroom. Invocation was given by Dr. Tesseneer.

Roll Call:

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Ms. Pat Sommerkamp, Ms. E. Kathy Sponsler, Dr. Jeffrey Williams, Mr. John Yarmuth. Excused: Mr. Richard Spears

Others present: President A. W. Albright, Mr. John Brooking, Dr. Gene Scholes, Dr. James Claypool, Dr. Lyle Gray, Mr. John DeMarcus, Dr. Jack Grosse, Mr. Robert Knauf, Mr. Clarence Tabor, Dr. Ralph Tesseneer, Mr. Don Gammon, Ms. Perk Rudd, Dr. Roger Meade, Ms. Denise Hough, Ms. Kim Hennessy, Ms. Mary McGhee, Ms. Carla Chance, Mr. Gregg Schulte, Dr. Mike McPherson, Mr. William Lamb, Ms. Dolores Thelen. Student Government - President Sam Bucalo, Constance Vickery, Bryant Bauer, Philip Grone, Carl Creech. Media representatives - Rick Dammert and Kevin Staab of the Northerner, Al Salvato of Kentucky Post, Cindy Schroeder of Kentucky Enquirer, Laurel Harper of Campbell County News, and Debbie Ryan of WCKY Radio.

The chairman recognized all present and welcomed Mr. Bradley Stanford of Ashland Oil. The president introduced Ms. Kim Hennessy, the new Affirmative Action Coordinator and Assistant to the President.

The minutes of the October 29, 1980 meeting were approved as submitted on motion by Mr. Haas and second by Mr. Mann.

PRESIDENTIAL REPORTS:

A-1 The Grant and Contract activity through December 31, 1980 indicated an amount of nearly $310,000 as compared to $35,700 last year at the same time. Two large grants were received in the last quarter which is a significant improvement. — Grants and Contracts

A-2 The president reported that spring enrollment figures showed a rather unusual increase of nearly 600 students of 8-1/2 percent over last spring. — Spring Enrollment

A-3 The academic calendar for 1981-82 is for informational purposes and reflects the same number of days instruction as last year. President Albright pointed out that some years ago 18 weeks was usually the instruction period, and while this calendar reflects 15 weeks, it is considered the minimum length of time. — 1981-82 Academic Calendar

A-4 Mr. Demarcus reported as follows: The Business-Education-Psychology Center is complete with a few minor problems to overcome. The Administrative Center, although behind the original schedule, is slated for occupancy the first week of May. The summer board meeting will no doubt be held in new quarters. The Ceramics and Radio-Television relocation and minor renovation of the Science Center are complete - our physical plant personnel handled most of the work. Construction of student housing is making excellent progress. The design and programming of the — Campus Development

A-4 (continued)

Health and Physical Education Center, Nunn Hall conversion, major renovation of the Science Center and maintenance storage facility are progressing, and all awaiting state funding and/or approval. A slide presentation will be made at the April meeting on these projects. The pedestrian bridge and four-laning of Nunn Drive are on hold because of funding problems.

A-5 As mandated by the Board at their October meeting, the budget reductions totalling $1.2 million were accomplished and are being reported at this time. The reductions are composed of recurring ($553,200) and non-recurring ($691,500) expenditures. President Albright reported that while the University survived the current round of reductions, there is no doubt that services have suffered as a result. The additional revenue from increased enrollment will be used as a cushion for further cuts expected in the 1981-82 fiscal year. The president complimented the administration, faculty, and staff for their input and help in accomplishing this reduction although distasteful as it was. Mr. Mann asked if all universities faced such reduction. The president noted that higher education took a disproportionate share of the state cut with 26% taken from higher education while only 18% was appropriated by the Legislature.

1980-81 Budget Reductions

A-6 Mr. Tabor pointed out that the financial report for period ending December 31, 1980 reflected increase in tuition revenue. Mr. Mann and Mr. Haas questioned whether our present faculty could handle the larger enrollment. The president explained that the typical teaching load is 12 hours at Northern; however, that is only a part of the faculty's load - others are advising nearly 100 students in some cases, serving on committees making reports to the president and/or board as well as keeping abreast of new materials being published. Some universities require as much as 15 hours while others have only a 9 hour requirement. Chairman Lucas commented that perhaps the faculty could pick up additional teaching hours, with compensation, for a short period to help the University in these trying times. The president said that several faculty and administrators have expressed their willingness on this viewpoint.

Financial Report

A-7 President Albright reported many management gains. While the cost of energy has increased, the energy usage was decreased by diligent efforts on the part of the staff to realize a savings of $20,000. A $16,000 savings was realized in the postage area because of the increased use of bulk rate mailing. The number of xerox copies decreased over 62,000 at four cents a copy. The operation of physical plant was carried out with seven fewer people for a savings of $85,000. The academic areas have been asked to consider a two-day cycle for classes which not only would utilize the buildings more effectively but would also save gas for students. A plan is being considered at this time.

Management Gains

Mr. Martin asked if the University has a generating system that could be used at peak time to help in saving energy. Mr. DeMarcus replied that the University did not have the generating capacity for this and Dr. McPherson reported that because buildings are utilized fully all day, there probably is not a definite peak period. Mr. Tabor reported that some experimenting is being carried on with time switches but he will not be able to estimate savings until a later date. Mr. Tabor explained that the night physical plant staff have been instructed to turn off lights in unused room and use lights only during the cleaning period. Mr. DeMarcus stated that the new computerized maintenance control system will be very beneficial as it will automatically adjust temperatures in individual rooms.

A-7 (continued)

Upon questioning, Dr. Albright reported that the efforts being put forth in areas mentioned above have been made known in the Governer's office as well as the fact that our administrative cost is about 2-1/2% of our budget which is unheard of as 5% is considered minimum and 10% is not exorbitant. The president further stated that our people can become discouraged as there is no premium for this kind of management.

A-8 President Albright reported that he received a copy of a report to the Governor's office from the Office for Civil Rights concerning the progress Kentucky has made in eliminating the vestiges of segregation in higher education. The state has been given 60 days in which to answer plus 30 days for revisions. The Council on Higher Education has been charged by the Governor to develop a state plan for the removal of the vestiges outlined. Four Kentucky institutions were named as particularly vulnerable. Northern was not mentioned except to say that being a much younger institution Northern has more programs than Kentucky State; however, Northern has four times the enrollment of Kentucky State. The minority population is 2% in Northern Kentucky but the University's enrollment of minority students is about 1% or a little less. It is to be noted therefore that Northern's enrollment of minority students has to be increased. The faculty-staff ratio is even less and while Northern has attempted to employ minorities, it is very difficult as the statistics for minority graduates are very low. The University plans to continue to do special recruiting and the Black Student Union is beginning to take a more active part in getting students on campus. The University also has a special services department to help minority students.

Progress Report on Civil Rights

PRESIDENTIAL RECOMMENDATIONS

B-1 The president recommended the following:

1. That Monica R. Bohlen be appointed temporarily (1/1-12/31/81) as supervising attorney for Family Law Clinic Program at Chase,
2. That Norleen Pomertang be appointed temporarily (1/1-6/30/81) as Director of Special Services/Educational Talent Search,
3. That Dr. Michael Klembara be appointed Associate Provost,
4. That Dr. Jerry Carpenter be appointed Chairperson of Biological Science Department, and
5. That Dr. Jack Sherman be granted an unpaid leave - 1/1-6/30/81.

The recommendations were passed unanimously on motion by Mr. Mann and second by Mr. Martin.

Academic Personnel

B-2 The list of non-academic personnel which includes new full-time employees, terminations, transfers, reassignments and promotions were recommended by the president. The president also recommended that Ms. Kim H. Hennessy be appointed Affirmative Action Coordinator. The recommendations were unanimously passed upon motion by Mr. Yarmuth and second by Ms. Sommerkamp. (The list attached to these minutes.)

Non-Academic Personnel

B-3 It was recommended by the president that policies (attached to these minutes) on Overtime and Compensatory Time, Holidays, Severe Weather, Working Hours, Vacation Leave, Terminal Vacation, Grant/Contract Employment, Temporary Employment, and Part Time Employment be approved for inclusion in the staff Personnel Policy and Procedure Manual. Dr. Scholes explained that the policies are basically in effect at this time with the following exceptions: The severe weather policy is an addition. Vacation for non-exempt staff will be raised from 10 to 12 days and administrative staff lowered from 22 to 20 days per year. Dr. Scholes further stated that the policies coincide with other institutions in the area and the state. Mr. Martin moved that the recommendation be approved as presented. The motion, seconded by Mr. Haas, was unanimously passed.

Personnel Policies and Procedures

B-4 President Albright recommended that the proposal for initiation of a new academic program in Mental Health/Human Services be approved. Dr. Gray explained that the program had been in the development stage for over a year and is being funded through 1984 by a grant from the National Institute for Mental Health. Mr. Haas made the motion that the recommended proposal be accepted as presented. The motion, seconded by Mr. Martin, was passed unanimously.

Mental Health Program

B-5 The president made a recommendation that the president's office be authorized to develop for consideration by the Board of Regents a controlled admissions plan for the University which will contribute to the maintenance of quality academic programs and services despite state mandated budget cuts and increased inflation. Dr. Scholes did an excellent oral and graphic presentation explaining the need to consider controlled admissions in the future. Enrollment projections call for nearly 12,000 headcount in 1986, a significant increase over the present 7,600. With state appropriations decreasing and inflation increasing, there will come a point at which quality education will decrease. This necessitates the institution to have a controlled admission plan available, if needed. At this time there is some control of admissions in certain programs such as law school and nursing, and perhaps it can be added in other areas. Before any plan is developed for the Regents' consideration, input will be secured from the faculty and students. Dr. Albright noted that any plan of this nature would be brought to the Council on Higher Education. It would not be a state-wide policy but one proposed for Northern. After further discussion, a motion was made by Mr. Haas and second by Ms. Sponsler to approve the recommendation to consider a plan for controlled admissions. The motion was unanimously passed.

Controlled Admissions

Plan to be developed

B-6, 7, 8 -

The following three recommendations were presented by the president for consideration:

That a policy (attached to these minutes) for repeating a course be approved as revised.

Repeating a Course

That diplomas be issued to graduates who complete requirements for terms ending in May, August, and December, following certification by the Registrar of satisfactory completion of degree requirements.

Issuance of Diplomas

That the policy for an incomplete grade (attached to these minutes) be approved as revised.

Incompletes

The recommendations were unanimously passed on motion by Ms. Sponsler and second by Ms. Sommerkamp.

B-9 It was recommended by the president that the University administration be directed to advise University employees that a "conflict of interest" exists when employees of the University provide legal representation for persons seeking legal redress against the University. The recommendation was unanimously approved on motion by Mr. Martin and second by Mr. Yarmuth. Conflict of Interest

B-10 President Albright recommended that the University adhere to Commonwealth law with respect to possession and use of alcoholic beverages and controlled substances in public places on the campus of Northern Kentucky University. The motion to accept the recommendation was made by Mr. Haas. Mr. Martin seconded the motion and it was passed unanimously. Alcoholic Beverages on campus

B-11 The president presented a recommendation that the 1980-81 current fund budget authorization be increased to reflect additional student tuition revenues of $400,000, $33,964 in Continuing Legal Education-Legal Fees and the allocation of $805,714 of existing University reserves. Mr. Mann moved that the recommendation be approved as presented. The motion, seconded by Judge Poston, was passed by unanimous vote. Revision of Budget for 1980-81

B-12 A recommendation was presented that the president develop a proposal for the 1981-82 budget which anticipates further reductions in state appropriations and would provide for implementation of salary adjustments and faculty contracts. President Albright explained that it will probably be April before Northern learns how much its appropriation for 1981-82 will be cut and since faculty contract are due to the faculty by May 1st, it is expedient to develop a procedure. Four alternatives are being considered as follows: (1) issue contracts or letters at the current rate for next year; (2) current rate plus increment if available; (3) current rate plus what is felt is a safe percentage increase; or (4) issue a contract and take a chance. The administration desires some latitude in which to work in such a short period of time. Ms. Sommerkamp moved that the recommendation be accepted. Judge Poston seconded the motion which was unanimously passed. 1981-82 Budget Proposal

B-13 President Albright reported that he had met with the Executive Committee of the Faculty Senate at which time he noted that a budget reduction for 81-82 is likely. Since the administration seeks input from the faculty during the budget process, the committee was asked to study the situation and present a report. About two weeks ago a report was received and Dr. Albright stated that it is the best piece of work that he has ever seen a faculty at any institution prepare in such a short period of time.

B-14 The president recognized Phil Grone, a student who had made an able presentation to the Board previously. Dr. Albright noted that Mr. Grone will meet with the Administrative Council tomorrow presenting a program he has developed to aid the most able students of the University.

Chairman Lucas complimented the administration on its open door policy and University employees on their concern for the welfare of this institution.

OTHER BUSINESS

C-1 President Albright called attention to a national meeting in April of the Association of Governing Boards of Universities and Colleges if any of the Regents desired to attend.

C-2 The president reported that the next board meeting will be held Wednesday, April 29 and that the agenda will include such items as budget and administrative regulations.

The meeting adjourned at 6:15 p.m. on motion by Mr. Haas and second by Judge Poston.

CERTIFICATION

I, Elmer J. Haas, Jr., Secretary of the Board of Regents of Northern Kentucky University certify that the foregoing is a true copy of the minutes of its regular quarterly meeting on February 4, 1981 and that such matters are still in force and effect.

E.J. Haas, Jr., Secretary

Dated this 24 day of February, 1981.

BOARD OF REGENTS MEETING
Wednesday, April 29, 1981

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:15 p.m. on Wednesday, April 29, 1981 in the University Center Ballroom. Invocation was given by Dr. Tesseneer.

ROLL CALL -

Regents present: Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Ms. Pat Sommerkamp, Mr. Richard Spears, Ms. Kathy Sponsler, Dr. Jeffrey Williams. Excused - Mr. John Yarmuth

Others present: President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Dr. James Claypool, Dr. James Fouché, Mr. Mike Baker, Mr. Gregg Schulte, Mr. L. Bradley Stanford, Dr. Michael Klembara, Dr. Roger Meade, Dean William Jones, Mr. William Lamb, Dr. Gary Armstrong, Ms. Kim Hennessy, Ms. Carla Chance, Ms. Pam Juengling, Ms. Perk Rudd, Mr. Dave Phillips, Ms. Dolores Thelen, Student Government President Sam Bucalo, Student Government President-elect Phil Grone, Mr. Brent Meyer of the Northerner, Mr. Al Salvato of Kentucky Post, Mr. Jeff Gutsell of Kentucky Enquirer, Ms. Debbie Ryan ofWCKY Radio, and Student Government Representatives - Ms. Connie Vickery, Mr. Bryant Bauer, Mr. Brian Humphress, Mr. James Hartje, Ms. Pamela Maloney, Ms. Allison Brewer, Mr. Stephen Humphress, Mr. Tom Movogroski.

Minutes of the previous quarterly meeting held February 4, 1981 were approved as submitted on a motion by Mr. Haas, second by Judge Poston, and unanimously passed.

PRESIDENTIAL REPORTS -

A-1	Grants and contract activity is running considerably ahead of last year. This reflects an additional effort on the part of the faculty and grants and contracts office.	Grants and Contracts
A-2	The student organization report is submitted to give the Regents a picture of the involvement of students on campus through organizations.	Student Organizations
A-3	The commencement report is a brief outline of the activities on Saturday, May 9th. The platform party including the Regents will assemble in the Presidential Dining Room at 10:15 a.m.	Commencement Report
A-4	Ten summer fellowships have been awarded for this summer (list attached to these minutes). The summer fellowship program is designed to encourage faculty to engage in research, writing, and/or creative and artistic projects and to share the results with the broader University community.	Summer Fellowships
A-5	Fourteen faculty project grants have been awarded for academic year 81-82 (list attached to these minutes). Faculty project grants are awarded to encourage professional growth through financial support for research equipment and activities that are not available through program budgets.	Faculty Project Grants

A-6 The President explained that four options for controlled admissions have been studied and are presented for the board's information. Dr. Scholes indicated that if several factors - such as decreasing state funding, increasing enrollment, and a high rate of inflation - continue, the administration will make a recommendation to the board regarding controlled admissions. Controlled Admissions

A-7 Dr. Albright reported that a Chase College of Law Development Office will be established for the purpose of seeking financial support for the College of Law from private sources, and to establish and foster better relations with alumni, members of Bench and Bar, and other persons and organizations external to the College of Law. A director for the office will report to the Dean of the law school, and activities will be closely coordinated with the NKU Foundation. Law School Development Office

A-8 Mr. DeMarcus reported that there had been very little change in the report that was mailed out ten days ago. The design of Nunn Hall conversion is complete and is being reviewed. The completion of the conversion is projected for December, 1981. The administrative center is 95% complete and moving will begin in May. The July Regents' meeting will be held in the new board room in that building. The expansion of the power plant is nearly complete. The computerized Supervisory Maintenance Control System is being installed and scheduled for completion in the Fall, 1981. The system will automatically monitor and adjust air circulation, heating and cooling. The system also provides security control by monitoring the buildings after hours with TV surveillance in certain sensitive areas such as bursar. The system will not restrict normal hours of operation. The buckling of the floor in Landrum is being studied and hopefully a solution will come soon from the engineers working on it. Campus Development

A-9 Dr. Albright noted that the administration had come up with some ideas for utilizing the "West Campus" (now Chase College of Law) when vacated by the law school. Because that campus had been transferred to Northern by state statute, it would be fairly complicated to transfer to another state agency. Escalating enrollment in Northern will cause greater classroom shortage and it is estimated that the West Campus could service nearly 1,000 students. Basic general studies, leisure-time learning, and some grant-operated programs such as Talent Search could be considered for that campus. After further discussions involving faculty, students, and community groups have been concluded, a refined, final draft of the proposal will be presented to the Board for approval. West Campus Utilization

A-10 The President asked the Athletic Council to study Intercollegiate Athletics, and the report attached to these minutes was a result of the study, along with facts on cutting the budget yet still having an adequate program. The main emphasis will be on men's and women's basketball with other sports being decreased for an over-all savings of $45,000. Dr. Albright noted that many other universities are taking a look at their athletic programs and making similar cuts so it is not unique for Northern to be studying this area. Intercollegiate Athletics

A-11 The Council on Higher Education approved three new programs for Northern under an emergency measure as no other baccalaureate programs were approved in the State. The programs are: B.S. in Industrial Education, B.S. in Industrial Technology, and B.S. in Mental Health/Human Services. — Programs approved by Council

A-12 The quarterly financial report for January-March, 1981 was presented for the Regents' information. — Quarterly Report

A-13 The Management Information Report contains a great deal of statistics in which the Regents may be interested. It is prepared as a useful planning and management tool. — Management Information Report

PRESIDENTIAL RECOMMENDATIONS -

B-1 The academic personnel changes were presented to the Regents upon the recommendation of the President and Provost. Provost Gray explained that such actions come about after a study by peer review groups, program chairpersons, and deans. — Academic Personnel

(a) The following faculty members are recommended for continued conditional probation under the conditions of the Faculty Policy Manual:

Patricia Beck	George Harper	MaryAnn Schneider	Continued Conditional Probation
David Bishop	Pam Juengling	Gary Scott	
Victoria Channell	Linda McKee	Frank Traina	
Teresa Domzal	Raymond McNeil	Ronald Williams	
Julie Gerdson	Linda Olasov	Judy Ribak	
Beth Goldstein	Alice Rini		

The recommendation was accepted on motion by Mr. Mann, second by Ms. Sponsler, and passed unanimously.

(b) The following faculty members are recommended for continued probation under the conditions of the Faculty Policy Manual:

David Adams	Daniel Curtin	Sally Ann Jacobson	Continued Probation
Thomas Barone	Frank Dietrich	Margo K. Jang	
Judith Bechtel	Susan Doerr	Robert Jeng	
Alan Bentley	Sudesh Duggal	Gary Johnston	
Billie Brandon	Thomas Edwards	Paul Joseph	
Kathleen Brinker	Charles Frank	Donald Kelm	
Billie Brotman	Stephen Goacher	James Kinne	
James Brown	George Goedel	Susan Kissel	
Rachelle Bruno	James Gray	Philip Koplow	
William Burns	Michael Gray	William Leigh	
Janice Cantrall	Carolyn Hagner	Glen Mazis	
Joy Churchill	Janet Hammond	Philip McCartney	
Gary Clayton	Charles Hawkins	Cynthia McDaniel	
Donald Cobb	David Hogan	Linda Moneyham	
E. Kay Cooper	Jane Jackson	Constance Mulligan	

(continued next page)

(b) Continued Probation list - continued:

Ronald Naverson	Tim Serey	Rebecca Sturm	
Richard O'Brien	Mitch Shapiro	Barbara Thiel	
Terry Pence	Richard Snyder	Larry Titlow	
Kim Rebenstorf	Robert Snyder	Jean Wainscott	Continued
Byron Renz	Betty Soave	Jack Wann	Probation
Mary Ann Renz	Carlos Soto	Stuart Ware	
Terrence Russell	James Stacy	Michael Washington	
W. Michael Ryan	Mark Stavsky	Elinor Welt	
Janet Scarlata	Larry Steele	John Westlund	
Peter Schiff	Henry Stephens	Macel Wheeler	
Lois Schultz	Chris Stiegler	William Worley	

Mr. Haas moved adoption of the recommendation. The motion, seconded by Ms. Sommerkamp, was passed unanimously.

(c) The following faculty members are recommended for promotion:

From the rank of Assistant Professor to Associate Professor:

Barry Anderson	Debra Pearce	
Donna Bennett	Frederick Rhynhart	
Paul Bishop	Raymond Richmond	
Kevin Booher	Robert Schneider	
Thomas Cate	Gayle Sheard	Promotions
Carol Futhey	Henry Stephens	
Ronald Gardella	Edward Theodoru	
Michael Klembara	James Thomas	
Rosetta Mauldin	Thomas Vergamini	
Anthony Mazzaro	Jerry Warner	

From the rank of Associate Professor to Professor:

Stephen Boyd	David Elder
Robert Bratton	James Niewahner

Mr. Martin moved the adoption of the recommendation. The motion was seconded by Judge Poston and was passed unanimously.

(d) The following faculty members are recommended for tenure:

Ronald Abrams	Carol Futhey	Raymond Richmond	
Barry Anderson	Ronald Gardella	Frederick Rhynhart	Tenure
Donna Bennett	Curtis High	Gayle Sheard	
Paul Bishop	Michael Klembara	Edward Theodoru	
Kevin Booher	Rosetta Mauldin	James Thomas	
Doris Brett	Anthony Mazzaro	Jerry Warner	
Thomas Cate	Robert Miller	Philip Yanarella	
David Elder	Debra Pearce		

Ms. Sponsler moved that the recommendation be adopted and the motion was seconded by Dr. Williams. Mr. Mann asked if a professor decreases effectiveness when tenured. Provost Gray said that a performance review is held for all faculty whether they are tenured or non-tenured. The list submitted for tenure is much less than those seeking tenure as many are turned down. The motion passed unanimously.

(e) Mr. Austin Mann and Mr. Eugene Youngs have been recommended for retirement - both having reached mandatory retirement age. The motion for acceptance of the recommendation was made by Judge Poston, seconded by Mr. Martin, and was passed unanimously. Retirements

(f) Sabbatical leaves for 1981-82 are recommended for the following: Sabbaticals

Compton Allyn - Fall and Spring	Peter Moore - Spring
Yudhishter Datta -Fall and Spring	MacKenzie Osborne - Spring
Sandra Easton - Spring	Sharlotte Neely - Fall
Arthur Miller - Fall and Spring	Connie Widmer - Fall and Spring

The Provost explained that sabbatical leaves are granted to faculty to do further study in pursuit of academic objectives. The faculty members on sabbatical are paid full salary for one semester or half salary for two semesters. There are certain constraints, such as not receiving remuneration from other sources while on sabbatical and furnishing a report of the work accomplished while on sabbatical. Ms. Sommerkamp moved that the recommendation be approved. The motion was seconded by Dr. Williams and was unanimously passed.

It was further recommended that unpaid leaves of absence be granted to Mary Ann Rehnke and Jack Sherman, Jr. The motion to accept the recommendation was made by Mr. Martin, was seconded by Mr. Mann, and was unanimously passed. Leaves of Absence

(g) The following persons have submitted resignations: Mercedes Ballou, Donald Phillips, John Lindsey, Al Salvato. Resignations

It was recommended that Jeanne Johnston receive a non-renewal of contract due to the termination of the position she occupies. Termination of the position is based on low enrollment and lack of program demand. The recommendation was unanimously passed on motion by Ms. Sponsler and second by Mr. Mann.

(h) It was recommended that Emeritus status for Professors Eugene Youngs and Austin Mann be approved by the Board. The recommendation was accepted on motion by Mr. Martin and second by Judge Poston. Dr. Albright complimented both gentlemen as having served Northern well. The motion passed unanimously. Emeritus Status

(i) The following academic personnel changes were recommended: Academic Personnel Changes

Daniel Alford, from Acting Director of Media Services to Director of Media Services;

Robert Schneider, from interim Director of the Main Library to Director of the Main Library;

James Fouché, from Associate Professor of Education to Chairperson of the Department of Education.

The President introduced Dr. Fouché, who in addition to becoming Chairperson, serves as President of the Faculty Senate in an excellent manner. The recommendation received unanimous approval on motion by Mr. Spears and second by Ms. Sponsler.

(j) Upon recommendation of the President, Mr. Mann moved that Mr. Edward F. Prichard, Jr. be awarded the honorary degree Doctor of Humane Letters at the 1981 Commencement. Judge Poston seconded the motion. The President reported that Mr. Prichard, within the last three months, has done more than any one individual in the State to help the institutions of higher education retain some of the funding that possibly would have been removed. This action took courage on his part and it is certainly a privilege for Northern to have him as commencement speaker. — Doctor of Humane Letters

B-2 Upon speaking of the list of non-academic personnel to be approved (list attached to these minutes), Mr. Gregg Schulte noted that the lists of changes and terminations are much shorter possibly due to the economic situation. Dr. Scholes reported that two persons, Norleen Pomerantz and Kim Hennessy came from neighboring institutions; we did not seek them, they came to Northern to seek positions. Dr. Albright introduced Kim Hennessy, Affirmative Action Coordinator, who will assist in the President's office with legal counseling. The non-academic changes were approved unanimously on motion by Judge Poston and second of Mr. Haas. — Non-Academic Personnel

B-3 President Albright recommended that the University administration be authorized to develop an appropriate academic program option for accelerated or gifted students, noting that we may lose some gifted students unless we develop a challenging program for these students. Mr. Haas moved that the recommendation be adopted. The motion, seconded by Ms. Sommerkamp, was passed unanimously. — Program for Gifted Students

B-4 A recommendation that all research conducted on human subjects must have prior approval by the University's Institutional Review Board for the Protection of Human Subjects was explained by Provost Gray that this action would be in compliance with federal guidelines. The motion was given unanimous approval on motion by Ms. Sommerkmap and second by Ms. Sponsler. — Protection of Human Subjects

B-5 The recommendation that the title of the Department of Industrial and Technical Education be changed to Department of Technology and Occupational Education was passed unanimously on motion by Mr. Martin and second by Ms. Sommerkamp. — Name change for I. T. E.

B-6 It was recommended by the President that the Policy of Admission for Salmon P. Chase College of Law (copy attached to minutes) be approved. Dean Jones explained that the previous policy contained a specific numerical indicator whereas a broader policy for controlled admissions was needed because of changes in interpretations of the Freedom of Information Act. The recommendation was adopted on motion by Ms. Sommerkamp. The motion was seconded by Dr. Williams and was passed unanimously. — Admissions Policy for law school

B-7 The President recommended that the mission of the Early Childhood Center be expanded to include Childcare services for students and employees of Northern Kentucky University on a cost-effective basis. Ms. Sponsler, who chaired a committee for this program area, explained that the committee did extensive research and study on the problem and believes it has come up with a childcare program that could be effective and pay its own way. Chairman Lucas commended Ms. Sponsler for her work in this area. Ms. Sponsler moved that the recommendation be adopted. The motion was seconded by Dr. Williams and was passed unanimously.

Childcare for children of students and employees

B-8 President Albright recommended that the administration be authorized to facilitate changes in the existing governance structure of the University to include a Staff Council and a University Council as a result of recommendations made by external consultants, the Faculty Senate, and Student Government with the intent of evolving a university-wide governance organization in the near future. Dr. Scholes explained that one component would be a Staff Council. Representatives of Staff Council, Faculty Senate, and Student Government would at a later date form a University Council. The President indicated that this type of set-up is one that may later give way to something like a university senate, but felt it was worth experimenting to see if the structure could be effective. Dr. Williams indicated he was in agreement with the recommendation if it served as an experimental step before we move on to another council. The motion was unanimously passed on motion by Judge Poston and second by Mr. Martin.

Governance Structure of NKU

B-9 The President recommended that the administration be authorized to negotiate with Rankin, Rankin and Company, Certified Public Accounts, to conduct and perform an audit examination of financial status of Northern Kentucky University for the period ending June 30, 1981. Dr. Albright explained that the state auditor has given approval to negotiate with a private audit firm. Motion for approval of the motion was made by Mr. Spears. The motion, seconded by Dr. Williams, was unanimously passed.

Negotiations with Audit Firm

B-10 A recommendation that the expenditure authorization for the 1980-81 fiscal year be increased to $23,625,591 to reflect additional revenues of $129,452 in the Bookstore and $33,000 in Seminar activity was unanimously approved on motion by Ms. Sommerkamp and second by Judge Poston.

Increased Revenues for 80-81

B-11 President Albright recommended that the new schedules of tuition, fees and other charges be approved and become effective with the Fall semester, 1981. (Schedules attached to these minutes.) Mr. Haas moved that the recommendation be approved and the motion was seconded by Mr. Spears.

New Schedules of Tuition and Fees

Dr. Scholes noted that the tuition will increase 8.5% as mandated by the Council on Higher Education. Also, changes in the student incidental fee in amount, collection, and use were explained. From 1972 to 1976, a student activity fee of $10 for full-time students and $5 for part-time students was charged, until

(continued)

B-11 (continued)
the Council voted that universities could not charge this fee. In 1977, the Council reinstituted the fee and authorized universities to charge up to $20. But Northern kept the fee at the same amount. At that time the $10 and $5 fees were adopted by the Board and the funds were under control of the University Center Board. In this new schedule the student incidental fee is tied directly to the credit hour charge--$1 per credit hour up to 12 hours, and $20 for any student taking over 12 hours. The logic for this approach is that a student taking 12 hours or more is likely to take greater advantage of activities on campus.

The Vice President further explained that the incidental fee will replace many class fees which have been assessed in the past but would now be discontinued. Also, the student activity fee currently is non-refundable, but under the new arrangement of attaching the fee to the credit hour, these fees will be refundable under the refund policy of the University.

The new fee arrangement will require the University Center Board, Student Government and other student groups to submit budget proposals for funds which will come from this fee. The increased revenues will enable the University to meet the increasing cost of student activities more effectively.

Upon questioning of Mr. Haas, the Vice President explained that the fee would bring in an additional $25,000. Currently, $135,000 is collected through activity fees. The new fee would generate $180,000 in revenue, and the deletion of designated class fees would decrease revenue by $20,000.

Dr. Scholes pointed out that the other fee change is the increase of faculty and staff parking from $20 to $30 per year. This increase will help offset the cost of resurfacing parking lots and facilitate other improvements in the parking situation.

Student Regent Sponsler spoke against the recommendation indicating she felt it should be tabled and circulated a resolution passed by Student Government as follows:

> "Whereas; the Regents will be considering increasing the student activity fee; and
> Whereas; there has been excess amounts in the activity fee fund in the past years;
> And whereas; this increase is double of the present fee, and that this could result in even higher excesses;
> Be it therefore resolved: that the Student Government take a firm stand against this increase, and request that our Student Regent express this stand to her fellow Regents."

Ms. Sponsler said that this indicated how opposed the students were to the increase.

Sam Bucalo, Student Government President, asked to be recognized and spoke against the recommendation and asked permission to circulate a statement. The statement (copy attached) along with the reasons for not increasing student activity fee asked that the Regents wait until the special meeting in June to pass the recommendation in order for the students to have some input.

B-11 (continued)
Dr. Williams made a motion to table that part of the recommendation for increase of student incidental fee. The motion was seconded by Ms. Sponsler.

The President asked Dr. Claypool, Dean of Student Affairs, to speak on the issue. Dr. Claypool stated that he wished to correct some statements that were made. First, Dr. Albright does not present ill-prepared or unprepared proposals. Second, Student Government did not pass the resolution distributed to the Regents by unanimous vote. The vote was 10 ayes, 1 nay, and 1 abstention, with 6 voting members absent. Third, the Dean stated he supported the new plan because it addresses and corrects several areas of complaint, foremost of which is the complaint of students taking 3 hours and being charged $5 student activity fee. The new plan reduces the charge to $1 per hour. Also the new plan provides for refunding of student activity fee which has not been allowed in the past. Lastly, the reason there was excess money in the activity fee account was because there was a carryover graciously allowed by Dr. Albright of nearly $45,000. This has nearly been depleted and does not exceed $3,000 at this time. It is being carried as a small contingency as it is obvious that in budgeting several new projects such as childcare and legal aid, the cost at this time is unknown. In closing the Dean noted that Northern is the only regional institution that has not charged the full $20, having decided to postpone it for some two years.

Dr. Williams wondered what complication would arise if the adoption of the fee was postponed. Dr. Scholes said that mail-in registrations are now being received and statements are to be mailed out by May 8. Dr. Gray stated that a mail-in registration process is now in operation and in order to keep down the cost of additional mailings, the University must begin processing and assessing students who have enrolled so far.

In response to comments that this increase was instituted so quickly, Dr. Albright explained that the Council set the rates and revenue on April 6 (about three weeks ago). It took the administration about a week in which to determine what effect this would have on the budget and what top priorities we would set. The Student Government President was made aware of the increases intended about ten days ago. While it is understood that there was so little time to make decisions, the administration is in the same predicament with the University budget.

Vote was called for on tabling the incidental fee only. Aye-Ms. Sponsler, 7 nay votes.

Mr. Mann stated he was appreciative of the students' feelings and problems; however, the University also faces inflationary problems and budget cuts and voting for the new fee expresses his confidence in the administration. Mr. Martin said that while he was sympathetic with the students, he has two children at other universities and he is convinced that tuition at Northern is a bargain. Dr. Williams expressed his desire to vote for the fee if there could be a committee set up to study the ramifications of the increase and report back an opinion as to its effect. Dr. Albright felt this was an excellent idea and also mentioned to the Regents that he fully expected another budget cut from the state in the future.

B-11 (continued)
Before the vote was taken, it was understood that a committee would report back to the President and then to the Regents on the effects of the increase. Vote on the recommendation as presented by the President: Aye - 7 votes; Nay - Ms. Sponsler. The recommendation passed.

B-12 A recommendation was submitted that the President be authorized to prepare the 1981-82 operating budget incorporating salary increases at least equal to those provided by the legislature in the original appropriation and to release individual salary figures once administrative review has been completed. The President explained that approval of this recommendation would give the administration some guidelines in which to work so that preparation of faculty contracts could be completed in time to be sent to the faculty by May 8. The background information to the recommendation lists the increases proposed as well as an explanation of them. President Albright said that the administration has salary increases as its top priority. The President further explained that while he expects a further budget cut, he feels commitment to the employees.

1981-82 Budget and Salary Increases

A motion was made by Mr. Haas that the recommendation be adopted as presented. The motion was seconded by Judge Poston.

Dr. Williams noted that the faculty is extremely appreciative of the fact that salary increases are preserved. Mr. Haas said that he feels the University needs to maintain the caliber of the faculty and staff as many might leave for more compensation at other universities. Mr. Martin noted that our funding is still the lowest of any state institution but that we still have to maintain excellence in our academic programs and in order to do this, we need to compensate our employees who are giving excellent performance. It was explained by the President that he proposes up to a 7.5% increase based on satisfactory performance with provisions for additional increases for exceptional performance and salary adjustment where needed. The complete budget proposal will be ready for Board review in June.

Mr. Haas called for the question and the motion was passed with 7 aye votes and abstention by Dr. Williams because salary increases for faculty the recommendation.

B-13 The President recommended that the "Manual of Operations, Policies, and Procedures" for Student Housing be approved and noted that there will have to be changes made from time to time. Dr. Scholes mentioned that the committee charged with preparing this manual visited many student housing facilities, reviewed manuals of other institutions, and discussed problems with persons working in the student housing area. The manual reflects this advice. Upon question of Mr. Mann, the Vice President explained that there would be a director of student housing with a resident director in each building as well as resident assistants on each floor. (continued)

Student Housing Manual of Operations, Policies, and Procedures

B-13 (continued)
Ms. Sponsler commended Bill Lamb who sought input from Student Government on the inclusion of the Student Government Constitution in the manual. It was suggested to him by the students that wording be kept to a minimum and the student governance policy was reduced to a single page. The President noted that the dormitories are due to open by January 1, 1982 and that the Regents would possibly be hearing new problems which usually arise once housing is added to the campus community. Ms. Sponsler moved that the Policy Manual for Student Housing be accepted as presented. The motion, seconded by Mr. Mann, was passed unanimously.

OTHER BUSINESS

C-1 Dr. Albright asked the Board to set a date for a special meeting to discuss the operating budget for 1981-82. As stated earlier, the proposed budget will be completed by the first of June. It was agreed that the date of the special meeting will be Tuesday, June 23, at 4 p.m. — Special Meeting June 23, 1981

C-2 The date for the next quarterly meeting will be Wednesday, July 29, 1981.

C-3 Mr. Philip Grone was installed as new Student Regent to be effective May 9, 1981.

Chairman Lucas complimented Student Regent Sponsler as being selected as a legislative intern and said that the Regents have been pleased with her performance as a Regent. President Albright expressed appreciation and gratefulness to Ms. Sponsler. Mr. Martin moved that a resolution be prepared. The motion, seconded by Ms. Sommerkamp, was passed unanimously.

The President thanked Sam Bucalo, present Student Government President, for moving the students along into new fronts this year and for serving his position well.

Dr. Albright alerted the Regents to the fact that NKU Foundation has been working for some time on the development of a capital campaign. A feasibility study is now being conducted on whether to have such a campaign and if so, when.

The President noted that Vice President Gene Scholes has turned down the presidency of a Michigan institution and congratulated him for the honor of being selected, further noting that we are pleased that he is still with us.

The meeting adjourned at 7:05 p.m. on motion by Mr. Haas and second by Judge Poston.

CERTIFICATION

I, Elmer J. Haas, Jr., Secretary of the Board of Regents of Northern Kentucky University certify that the foregoing is a true copy of the minutes of its regular quarterly meeting on April 29, 1981 and that such matters are still in force and effect.

ADJOURNMENT

BOARD OF REGENTS MEETING
Tuesday, June 23, 1981

A special meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:20 p.m. on Tuesday, June 23, 1981 in the University Center Ballroom. The invocation was given by Mr. Tabor.

ROLL CALL:

Regents present: Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Judge James Poston, Ms. Pat Sommerkamp, Mr. Richard Spears.
Excused: Mr. Elmer Haas, Mr. Phil Grone, Dr. Jeffrey Williams, Mr. John Yarmuth.

Others present: President A. D. Albright, Dr. Gene Scholes, Dr. James Claypool, Mr. John DeMarcus, Mr. Clarence Tabor, Mr. Dennis Taulbee, Mr. Mike Baker, Ms. Kim Hennessy, Dr. Darryl Poole, Dr. William Jones, Mr. Dave Phillips, Ms. Perk Rudd, Ms. Sue Hodges, Ms. Carla Chance, Mr. Dan Alford, Student Government Vice-President Dave MacKnight, Ms. Cindy Schroeder of the Kentucky Enquirer, Mr. Al Salvato of the Kentucky Post, and Ms. Regina Ferrante of the Northerner.

The chairman declared a quorum of Regents present.

PRESIDENTIAL REPORTS:

A-1 Mr. DeMarcus reported that the Administrative Center is complete and largely occupied. There are still a number of items to be taken care of by the contractor. It is hoped that the next quarterly board meeting can be held in the new board room.

PRESIDENTIAL RECOMMENDATIONS:

B-1 President Albright recommended that the following new faculty be appointed:

Rosemary Ingham	Melinda Langmeyer	Janet Simon	New
Nan Littleton	Barbara O'Brien	Cathy Young	Faculty

The recommendation was unanimously approved on motion by Mr. Martin and second by Judge Poston.

B-2 The President recommended the following personnel changes:

The resignation of Verne Shelton as Chairperson of the Fine Arts Department to faculty status, effective July 1, 1981.

Leaves as follows: Academic Personnel Changes

Christopher Boehm for two months with full pay and benefits.
Martin Marger - unpaid leave for Spring semester, 1982.
Verne Shelton - leave for academic year 1981-82 at half salary and full benefits.
Thomas Niemann - unpaid leave for 1981-82 academic year.

The changes were unanimously approved as presented on motion by Judge Poston and second by Mr. Spears.

B-2A The following administrative appointments were presented by the President:

Gary Eith as Director of Residential Life, effective July 1, 1981
Sue Hodges as Fiscal Policy Advisor, effective July 15, 1981
Jane Scheper as Women's Head Basketball and Volleyball Coach, effective July 1, 1981
Nancy Winstel as Women's Head Softball Coach, Women's Assistant Volleyball and Basketball Coach, effective July 1, 1981
Dan Henry as Director of Women's Intramural Sports, effective July 1
James Claypool as University Archivist and Curator, effective at a date to be selected later.

Administrative Appointments

President Albright complimented Jim Claypool for the numerous accomplishments at this University indicating he was the first person on the University's payroll. The President further reported that Dr. Claypool has some superb suggestions for his new position. The administrative personnel changes were unanimously approved as presented on motion by Ms. Sommerkamp and second by Mr. Martin.

B-3 Dr. Albright recommended that the Board of Regents approve the "University of Cincinnati--Northern Kentucky University Graduate Tuition Reciprocity Agreement" (copy attached to the minutes).

Reciprocity Agreement with U.C.

Dr. Scholes reported that the agreement is the culmination of discussions which began some two years ago regarding possible reciprocal arrangements between the major public institutions of higher learning in the Greater Cincinnati area. Basically, the agreement means that Northern graduate students may attend the University of Cincinnati at resident tuition rates and Southwest Ohio graduate students may attend Northern at resident tuition rates provided space is available and regular graduate admission requirements are met. The agreement is for limited tuition reciprocity at the graduate level in both universities excluding the following programs: Medicine, Nursing, and Business Administration at U.C. and Business Administration and Nursing at Northern. Northern will submit the document for consideration to the Kentucky Council on Higher Education and U.C. will submit the agreement for Ohio Board of Regents' consideration.

Mr. Martin moved that the agreement be approved as presented and the motion was seconded by Mr. Spears.

Upon Mr. Martin's question, Dr. Scholes explained that the program will be monitored at both institutions for a two-year trial period to see if the program is successful. Mr. Spears complimented the administration for the innovation and asked if it has happened at other institutions. Dr. Albright explained that while there have been tuition considerations at other institutions for certain out-of-state students, there is no agreement such as this. The President said he feels that the infusion of people from different settings and environment will be healthy for both institutions.

The motion was accepted by unanimous vote.

B-3A Dr. Albright recommended that the administration be authorized to develop with appropriate University faculty and staff a proposal for a joint MBA/JD program. The President explained that the University has been approached by several individuals within the Northern Kentucky community stating the need and desirability of such an approach to the preparation of business personnel. In addition to this need, there appears to be sufficient support at this time for exploring such a unique program. Proposal for joint MBA/JD program

Mr. Mann made the motion that the recommendation be accepted as presented. The motion, seconded by Mr. Spears, was unanimously approved.

The President complimented Pat Sommerkamp for a presentation made recently on what is transpiring in business and industry as well as the transition that is occurring at the decision-making level of corporate boards and top management administrators.

B-4 President Albright recommended that the revision and updating of the "Code of Undergraduate Student Rights and Responsibilities" be adopted. Dr. Claypool explained that the new code reflects changes in the structure of the University and the nature of the student body as well as changes in federal regulations. A copy is attached to the minutes. Code of Student Rights

Mr. Martin made the motion, seconded by Judge Poston, that the recommendation be adopted.

Mr. Spears noted that the appeals system for students issomething that would have been unheard of years ago and commended the administration on the courage displayed by presenting the document. Mr. MacKnight reported that Student Government had been involved in the updating of the code and is pleased with the final document as presented.

The motion was passed by unanimous vote.

B-5 The President presented a recommendation that the proposed changes and amendments to the Constitution and By-laws of the Athletic Council be accepted by the Board of Regents (copy attached to the minutes). Dr. Claypool reported that the document reflects several changes in the policies of the NCAA and the AIAW. The changes also define more clearly the naming of student members to the Athletic Committee as well as defining more precisely the eligibility requirements for athletes. Revised Constitution for Athletic Council

The motion was made by Mr. Martin and seconded by Mr. Mann that the Constitution and By-laws of the Athletic Council be accepted as presented. The motion passed unanimously.

B-6 Dr. Albright recommended that all University policies and procedures proposed to the Board of Regents be compiled in accordance with the attached format. Dr. Albright explained that this recommendation is in accordance with Board authorization given the administration to conduct a complete review of all University policies and procedures and to present new policy manuals for the Board's consideration. Most of the review has been completed and the document will be presented at the July meeting in line with the format being recommended. (University policies and procedures format)

The motion to accept the recommendation as presented was made by Ms. Sommerkamp. The motion, seconded by Mr. Mann, was passed by unanimous vote.

B-7 President Albright presented a recommendation that the Board of Regents adopt the two policy statements entitled "Governance of Northern Kentucky University" and "The President of the University" for inclusion in the Regulations Manual being prepared (copies attached to the minutes). The President noted that the Board does not have to follow all items in the document but that it does allow flexibility for the Board if it so chooses. The recommendation was unanimously adopted on motion by Ms. Sommerkamp and second by Judge Poston. (Governance Policy)

B-8 A recommendation that the President present to the Board at its next regularly scheduled meeting a reorganization plan that will effect organizational units in Student Affairs, Educational Services, and Legal Education Program was offered for consideration. (Reorganization Plan for Student Affairs Educ. Services Legal Educ.)

Dr. Albright noted that as the result of the authorization of the Board on July 30, 1980 the administration has conducted a two-phase study of the University organization. Phase I has been completed and adopted and Phase II is reaching conclusion soon and will be presented to the Board at its next meeting if the above recommendation is approved.

The motion to accept the recommendation was made by Mr. Mann and was seconded by Judge Poston. The motion passed unanimously.

B-9 Dr. Albright recommended that the title of Business Manager be changed to Executive Assistant to the President for Business Affairs; and the title of Director of Accounting and Budgetary Control be changed to Controller to better define the duties and responsibilities of those individuals presently occupying the positions. The President compliment both individuals (C.M. Tabor and Mike Baker) for the accomplishments made in the Business Affairs area. Mr. Martin made the motion that the recommendation be approved. The motion, seconded by Ms. Sommerkamp, was unanimously approved. (Exec. Asst. to President for Business Affairs and Controller - Title Change)

B-10 It was recommended that the Board authorize the Business Manager to write-off student receivables as bad debts in the amount of $2,968.64. The President noted that the Business Affairs area has done a superb job of collecting bad debts but there are some that are deemed uncollectible by our collection officer and the collection agency. Mr. Tabor said that Northern's bad debt collection is about 9%, one of the lowest in the country. The recommendation was unanimously approved on motion by Judge Poston and second by Mr. Martin. (Write-off of Student Receivables)

B-11 A recommendation that the Board authorize the administration to assign uncollectable National Defense/Direct Student Loans to the U. S. Department of Education was presented. The assignment will be in the amount of $35,577.11. Mr. Tabor explained that the assignment needs to be made prior to June 30, 1981 because after that date the Federal government will be limiting this type of activity. If the assignment is made, it has the potential of reducing our default rate by an estimated 2%. The recommendation was unanimously approved on motion by Mr. Spears and second by Judge Poston. Assignment of NDSL Loans

B-12 Dr. Albright recommended that a resolution pertaining to the 1981-82 annual operating budget be approved (resolution attached to the minutes). The President explained that the budget had been prepared according to the policy approved by the Board at an earlier meeting pertaining to staff and faculty salaries. President Albright complimented Mr. Taulbee and his staff for the fine job done in view of the fact that many cuts had to be made. 1981-82 Operating Budget approved

Mr. Taulbee presented the budget along with an historical summary of revenues and other charts showing state appropriations for this biennium (copies attached). He explained that Northern's 5.6% reduction in 1981-82 state appropriations will not be as severe as expected because of an increase in tuition fees approved by the Council on Higher Education; however, the reduction will restrict development and expansion of programs. Despite the budget reduction, faculty and staff will be given salary increases ranging from 7.5% to 9.8% depending on merit and longevity. Very few new positions have been funded and only in critical areas.

If the economic situation continues and revenues now estimated should not be sufficient to equal the proposed budget of $23,695,000, the President shall take appropriate measures to reduce budget authorizations by amounts sufficient to insure that recurring expenditures do not exceed available revenues.

After further discussion of the budget, Mr. Martin moved that the budget be approved as submitted. The motion, seconded by Mr. Spears, was passed unanimously.

OTHER BUSINESS:

C-1 The President stated that preparations have begun for the budget request for the 1982-84 biennium.

A summary of the capital construction request (copy attached) was explained by Mr. DeMarcus. Most of the projects were requested in this fiscal year, but many are on hold. He explained that after a building is approved, it takes nearly four years until the building is ready foroccupancy and often the amount approved does not have an inflation rate figured in the totals. 1982-84 Capital Construction Request

On motion by Judge Poston and second by Mr. Martin, the capital construction budget request for the 1982-84 biennium was unanimously approved.

C-2 Chairman Lucas reported on a meeting with Governor Brown last week. He commented that there have been seven Governors since he has been on the Board of Regents and this was the first time for a meeting of this kind with the Governor and Chairmen of Boards of Regents of all State institutions. The Governor challenged the Chairmen to be creative and innovative, to use cost containment measures whenever possible, and to scrutinize all expenditures. The Governor suggested a self-study of programs and operations be accomplished by each institution.

Mr. Spears offered to make available, upon a request by the University, the services of Ashland corporate specialists who could assist in analyzing and reviewing management needs of the University.

C-3 Dr. Albright reported that the Council on Higher Education will appoint a consulting firm to look at the management of the eight institutions plus the community college system. The Council staff agreed that the Chairman of the Committee of Presidents (President Albright) would appoint a committee of three of the presidents to review three proposals and make appropriate comments. The President noted that the audit and any recommendation would be helpful to Northern.

The regularly scheduled quarterly meeting will be July 29, 1981 at 4 p.m.

The meeting was adjourned at 6:15 p.m. on motion by Mr. Mann and second by Judge Poston.

ADJOURNMENT

BOARD OF REGENTS MINUTES
Wednesday, July 29, 1981

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Lucas at 4:30 p.m. on Wednesday, July 29, 1981 in the University Center Ballroom. The invocation was given by Father Schmidt.

The chairman welcomed all present and greeted the newly appointed regent, Mr. David R. Duncan, Jr. as an outstanding citizen. Mr. Duncan was given the Oath by Chairman Lucas.

ROLL CALL:

Regents present - Mr. David Duncan, Mr. Philip Greene, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Ms. Pat Sommerkamp, Mr. Richard Spears, Dr. Jeffrey Williams. Excused - Mr. John Yarmuth.

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Dr. James Claypool, Mr. Dennis Taulbee, Mr. Clarence Tabor, Ms. Dolores Thelen, Ms. Kim Hennessy, Dr. Roger Meade, Ms. Denise Hough, Mr. Martin Huelsmann, Mr. Gregg Schulte, Mr. Mike Baker, Associate Provost Mike Klembara, Dean Darryl Poole, Dean William Jones, Father Louis Schmidt, Dr. James Fouche, Mr. William Lamb, Dr. George Rogers, Mr. Gary Johnston, Ms. Perk Rudd, Ms. Debbie Ryan of WCKY Radio, Ms. Cindy Schroeder of the Kentucky Enquirer, Mr. Brent Meyer of The Northerner, and Mr. Al Salvato of the Kentucky Post.

The minutes of the quarterly meeting held April 29, 1981 and special meeting of June 23, 1981 were unanimously approved as submitted on motion by Mr. Haas and second by Mr. Martin.

ELECTION OF OFFICERS:

It was moved by Mr. Martin that Kenneth Lucas be nominated Chairman of the Board of Regents for the next fiscal year, that Elmer Haas be nominated Secretary of the Board, and that Dolores Thelen be nominated Assistant Secretary. Ms. Sommerkamp seconded the motion. The motion was passed unanimously and those nominated were elected to office.

PRESIDENTIAL REPORTS:

A-1 President Albright presented the Grants and Contract Activity report pointing out the fact that at the end of this fiscal year the University had received $1.2 million from grants and contracts. Compared to $603,000 last fiscal year the figures indicate the good work accomplished by Dr. Meade and Ms. Hough. This also reflects the interest of the faculty in writing requests for the additional money. — Grants and Contracts

A-2 Mr. DeMarcus reported there had been little change in the mailed report on campus development. It is hoped that furniture will arrive soon in order for the Regents to be able to use their new board room in the Administrative Center. — Campus Development

A-3 The President stated that the report on University Curator and Archivist gave the Board information on the position which was approved at last Board Meeting. — Curator and Archivist

A-4 The Summer School enrollment report indicated a 14% increase over last year. It is also hoped that the fall enrollment will continue increasing as it has in the past. — Summer School Enrollment

A-5 Mr. Tabor noted that the Regents were given an abbreviated report in lieu of the fact that the audit for the fiscal year has not been completed. A complete audit report will be available at the October meeting. — Financial Report

A-6 As a result of Board action at the special meeting, the President asked the Dean of Chase College of Law to consider compacture of the two current programs and any other alternative plans or proposals. Dean Jones stated that the report was presented to give an idea of the options being explored and a more concrete proposal will come before the Board in October. — Law School

A-7 The President stated that the audit of student financial aid funds has been completed for compliance with federal regulations and was being passed on to the Regents for their information. Upon Dr. Williams' question on the availability of federal funds this fiscal year, President Albright stated that the full impact will not be felt until the fall due to the fact that the Federal government's fiscal year is October 1 through September 30. — Financial Aid Audit

PRESIDENTIAL RECOMMENDATIONS:

B-1a Dr. Williams moved that the following new faculty members be appointed: — New Faculty

Charles Apple	Paul Ellis	Linda Newman
Mohamed Bayou	Sue Gunkel	Barbara Rees
Carroll Berringer	Margaret Kraemer	Dennis Tischlias
J.C. Brandenburg	Karen McGahan	Gail Wells
Nancy Campbell	Harold Moore	Michael Wiesner

The motion was seconded by Mr. Grone and was passed unanimously.

B-1b A motion was made by Mr. Martin and seconded by Mr. Haas that the following academic appointments, leaves, and resignations be accepted as recommended: — Faculty Appointments, Terminations, and Leaves

Appointments -
- Rose Stauss as Interim Chairperson of Fine Arts
- H. Lew Wallace from Chairperson of History to Professor of History and Director of Oral History

Resignations -
- Leonore Ganschow, Director of Learning Assistance Program
- Michael Ritchie, Assistant Professor of Library Services

Leaves -
- Kenneth Beirne, unpaid leave of absence for 1981-82 academic year
- Charles Frank, unpaid leave of absence for 1981-82 academic year
- Ronald V. Singer, unpaid leave of absence for 1981-82 academic year

The motion was passed unanimously.

B-2 In presenting the non-academic personnel actions, the President noted that our high turn-over of personnel in this area is partially due to our lower pay scale and the job opportunities available in the community. To the list of actions attached to these minutes, Dr. Scholes added one as follows: That Surinder Ram be granted a one-year's leave of absence without pay. The recommendations were unanimously approved on motion by Ms. Sommerkamp and second by Mr. Grone. Non-Academi Personnel Actions

B-3 President Albright recommended that the administration be authorized to contract with the Cold Spring Volunteer Fire Department for fire protection services to the University covering the 1981-82 fiscal year, or any appropriate part of that year depending upon the availability of funds, not to exceed the sum of $15,000 on an annual basis of twelve months. Dr. Albright stated that after discussions with the local agencies as well as state officials this seems to be the solution at this time. The motion, seconded by Ms. Sommerkamp, was made by Mr. Mann and was passed unanimously. Contract for Fire Services

B-4 Ms. Kim Hennessy spoke on the revised Affirmative Action Plan being presented to the Regents for approval. She noted that major additions to the plan include the development of hiring goals and timetables for minorities and women in the faculty/staff area, the plan to conduct an annual salary equity study, and the development of an affirmative action monitoring system for all new hires, promotions, transfers, and reassignments. Mr. Grone inquired if Ms. Hennessy sat on search committees. She indicated she assisted committees by outlining the University goals and monitored the committees' actions as hiring progressed. The revised Affirmative Action Plan was unanimously approved on motion by Mr. Mann and second by Mr. Spears. Affirmative Action Plan approved

B-5 Noting Board approval authorizing the President to propose reorganization plans for various sections, Dr. Albright recommended (1) that the University's organizational structure be modified to consolidate Educational Services and Student Affairs to form a new organizational unit entitled Student Services with sub-headings Student Life, Student Matriculation, and Student Development. (An expanded chart is attached to these minutes.) and (2) that a four-person committee be appointed by the President to study and make recommendations to the President's Office on the administrative structure and personnel changes deemed necessary to best accomplish this reorganization. Dr. Scholes explained that the consolidation of Educational Services and Student Affairs into a comprehensive Student Services unit represents a change in philosophy as well as organizational structure and, hopefully, gains a better interfacing with the students. Dr. Albright gave an affirmative reply to Ms. Sommerkamp's question if some members of Student Government had been involved. Student Services Reorganization

The President's recommendation was unanimously accepted on motion by Ms. Sommerkamp and second by Mr. Grone.

B-6 President Albright recommended a Policy on the Control of Undergraduate Admissions be approved noting that the Board had authorized the development of a contingency plan for controlling the admission of undergraduate students at the January meeting. (The complete policy attached to these minutes.) Provost Gray explained that the policy will allow for selective admission procedures similar to the ones now being used in Nursing, Radiologic Technology, Social Work, Human Services, and Education programs. The current procedures will be reviewed, modified as necessary, and extended to other programs. When Chase has moved to the Highland Heights campus, this will allow the University to use the West campus as an educational opportunity center and continue the practice of open admissions.

Controlled Undergraduate Admissions

The President further explained that with increasing enrollments and declining revenues and with the unlikely prospect of new construction, the University will have to come up with innovative ways to accommodate the residents of this community.

Mr. Martin moved acceptance of the President's recommendation. The motion, seconded by Mr. Haas, was passed unanimously.

B-7a It was recommended by the President that the University administration be authorized to develop further a plan for the organization of a University Senate; in the development of the plan, appropriate consideration will be given to recommendations made by the Faculty, Senate, Student Government, staff, and administrative officers; the plan should be submitted to the Board no later than the regular quarterly meeting in January, 1982. The President explained that an overall University body, representing the four major segments of this institution, has been under varying degrees of study and consideration for some three years, as well as receiving advice from consultants.

University Senate

Dr. Williams stated that he felt any proposal for a University Senate should receive the approval of the faculty, students, and staff before coming before the Board. Dr. Albright noted that even though something comes to the Board which has been approved by groups it is still the Board's responsibility to set policy for the University, and that policies do not become effective until approved by the Board.

Dr. Albright stated that he felt the future of higher education in the next few years is going to depend on how cohesive all segments of an institution become and how well they can function together. The "meism" that developed in the 60's and early 70's is no longer appropriate in social institutions and our survival will depend on being amenable to changes as they occur.

B-7 The President presented the manual of Governing Regulations-Administrative Regulations of Northern Kentucky University for consideration, explaining that it represents the initial step in organization of all University policies and procedures in one document. Most of the policies and procedures have previously been approved by the Board. This sort of organization of policies, according to the President, has been needed for some time and became more evident during the recent court proceedings, as it is more impressive to present

(continued)

B-7 (continued)

an organized manual to the court than bits and pieces of manuals and unbound policies. Governing Regulations - Administrative Regulations approved

After ascertaining that there were no substantive changes, Mr. Mann moved that the manual be approved as presented. The motion, seconded by Mr. Duncan, was passed unanimously.

B-8 President Albright recommended that the proposed policy on Sexual Harrassment (attached to these minutes) be approved by the Board of Regents as recommended by the University's Personnel Policies Committee to be effective this date, explaining that this is a needed policy in our personnel manual. Mr. Haas moved and Mr. Duncan seconded a motion to accept the policy as presented. The motion passed unanimously. Sexual Harrassment Policy

B-9 A Faculty Handbook was presented to the Board for approval by the President, who said the proposed manual has been under study and revision for nearly a year. The handbook had two legal reviews and was approved by the faculty. Dr. Albright complimented Ms. Hennessy for the tremendous amount of work on the document. Several correction pages are being handed out today inasmuch as there were some editorial corrections that needed to be made. Faculty Handbook approved

Dr. Williams noted the financial exigency policy section recognizing the fact that the University needs such a policy and is under acute time pressure to devise one. He said he felt consultation with the faculty on this policy has been inadequate. He expressed the desire to give the faculty an opportunity for emergency review since many are away for the summer. He further felt that there would be an "explosion" this fall when it goes before the Faculty Senate.

Dr. Albright said that it was hoped that this institution would not be faced by a financial emergency; however, no institution can afford to be without some kind of policy that prevents capricious judgment on the part of the administration. The University is facing a budget cut that has to be handled next week, not at the October's board meeting, and the institution should not be faced with an absence of policy.

A motion was made by Mr. Haas and seconded by Mr. Mann that the Faculty Handbook be approved as presented.

Dr. Williams moved an amendment to delete Section V of Article VI - Financial Exigency and Program Change. He expressed the idea that this delay will give an opportunity to call the faculty together to discuss and bring back some possible recommendations to be considered by the administration and the Board. The amendment was seconded by Mr. Haas.

Mr. Spears said that while he had great sympathy for the feelings of the faculty, it is the Board's responsibility to prudently authorize expenditures of the University and to protect the institution by setting policies to provide for such protection in a fair and equitable manner. Counsel Brooking stated that the only policy the institution

(continued)

B-9 (continued)

has now is a vague one provided by the American Association of University Professors. The vague policy was even more evident as the University faced some recent court cases. Mr. Haas, Mr. Mann, and Mr. Duncan expressed their concerns that the University be protected and consideration for any changes in the policy could be discussed at future meetings.

Mr. Haas moved for the question. The motion was seconded by Mr. Martin.

Vote on the amendment: Aye - Dr. Williams. Nay - Mr. Duncan, Mr. Grone, Mr. Haas, Mr. Mann, Mr. Martin, Ms. Sommerkamp, Mr. Spears. The motion lost.

Vote on accepting the handbook in its entirety: Aye - Mr. Duncan, Mr. Grone, Mr. Haas, Mr. Mann, Mr. Martin, Ms. Sommerkamp, Mr. Spears. Nay - Dr. Williams. The motion carried. Dr. Williams said his nay vote was not against the handbook, but just that section on financial exigency.

Mr. Haas recommended a statement that the Regents would be pleased to have any amendments which the Faculty Senate entertain, presented to the President for consideration, who in turn would present to the Board. The motion, seconded by Mr. Duncan, was passed unanimously.

B-10 No action as policy was discussed in previous recommendation.

B-11 Dr. Scholes proposed amendments to the scholarship policy (copy attached to these minutes). Mr. Haas moved that the amendments be accepted as recommended and the motion was seconded by Mr. Martin. Ms. Sommerkamp questioned the reduction of out-of-state scholarships because students from other areas would bring diversity to the campus. While the President acknowledged diversification is needed on a campus, he felt many out-of-state students will still register,expressing concern that the University should feel an obligation to Northern Kentucky students. The scholarship programs come from operating monies that could be used to benefit Commonwealth students. Revised Scholarship Policy

Mr. Grone felt that foreign students are advantageous to a campus and with phasing out those scholarships he wondered if this would cut down that segment of enrollment. The President felt that if the University offered quality programs, foreign students would continue to enroll as many receive stipends from their governments. Mr. Tabor said that he had surveyed other regional institutions and found that Northern does more in the way of scholarships than the seven surveyed.

The motion to accept the recommendation was passed with seven aye votes and one abstention by Mr. Grone.

B-12 The President recommended that the expenditure authorization for 1980-81 be adjusted to $23,428,101 to reflect an additional $26,900 in Continuing Education and Seminar income, $140,000 in investment income, $33,58[illegible] in student generated income, an increase of $89,525 in restricted grants and decreases of $476,660 in allocated fund balance, and $10,839 in fees from Legal Continuing Education. The recommendation was unanimously accepted on motion by Mr. Martin and second by Mr. Spears.

Adjustment of 1980-81 Budget

B-13 It was recommended that the President be authorized to allocate for non-recurring activities all University fund balances as they become available and report to the Board quarterly all allocations made. A complete picture of the total fund balance will not be ready until the final audit of 1980-81 is finished. At that time, a list of projects will be presented to the Board equaling that amount and reporting on the status of projects underway. Mr. Haas moved that the recommendation be accepted as presented. The motion, seconded by Mr. Martin, was passed unanimously.

Fund Balance 1980-81

B-14 President Albright presented a report of possible options for reducing the University's 1981-82 budget by $735,100 as mandated by the Governor's office this past week. The President stated that he was reasonably sure the University would not be infringing on any faculty contracts or increasing tuition with the latest cut but if there is another budget cut, we'll go beyond the muscle. The next cut will take us into the bone marrow. The President again mentioned the fact that the impact of federal cuts will not be felt until after October 1. The faculty and staff will need a high degree of understanding as the options are being explored and implemented. The President stated the report was to set a pattern in which the administration will move, and will present to the Board for its ratification the changes and reductions made.

1981-82 Budget Cut

Mr. Haas moved that the administration proceed in accordance with the outline to cut some $735,100 from the current revised budget. The motion, seconded by Ms. Sommerkamp, was passed unanimously.

B-15 President Albright recommended that the Board authorize the acceptance of the Norseman Club assets and transfer same to the Foundation. Mr. Martin moved that the recommendation be approved. The motion was seconded by Mr. Mann and was passed unanimously.

ADJOURNMENT

BOARD OF REGENTS MINUTES
Wednesday, October 28, 1981

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:15 p.m. on Wednesday, October 28, 1981 by Chairman Kenneth Lucas. Invocation was given by Dr. Tesseneer.

Regents present: Mr. Philip Grone, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Ms. Pat Sommerkamp, Dr. Jeffrey Williams. Excused: Mr. Dave Duncan, Mr. Richard Spears, Mr. John Yarmuth.

Others present: President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Clarence Tabor, Mr. Dennis Taulbee, Alumni Representative Jack Burleson, Ms. Dolores Thelen. Other faculty, staff, and students are listed and attached to these minutes. Media representatives - Regina Ferrante of The Northerner, Bonna Jackson of WCKY Radio, Cindy Schroeder of the Kentucky Enquirer, and Al Salvato of the Kentucky Post.

The chairman declared a quorum with seven voting Regents present. Chairman Lucas welcomed the new Alumni representative, Mr. Jack Burleson, and stated that the Board is pleased to have an alumni representative present.

The minutes of the previous meeting, July 29, 1981 were accepted on motion by Mr. Mann and second by Mr. Haas.

A-1 Upon presenting the Grants and Contract Activity report, the President noted that the amount of money received this quarter is down from last year which is understandable due to the economic situation at this time. He noted also that the faculty members who are drafting proposals have increased in number and, hopefully, if there is any money available, Northern will get is share. — Grants and Contracts

A-2 The President reported that the fall enrollment figures show a 7% increase in head-count and about the same percentage increase in full time equivalency, which is a meaningful figure so far as future funding is concerned. Chase enrollment is down as a result of Board policy. Nearby universities have been showing decreased enrollment and they expect to have considerably more decreases next year. — Fall Enrollment

A-3 President Albright presented the Summer Sessions Report noting that the summer programs are self-supporting. — Summer Sessions

A-4 In highlighting the Campus Development report, Mr. DeMarcus noted that the Administrative Center is complete except for some of the furnishings; that the computerized supervisory maintenance control system, which cost $800,000, is in operation and there should be a report in the near future on the savings to this institution. Mr. DeMarcus further noted that renovation of Nunn Hall is scheduled for completion in mid-December and Chase College of Law will begin their move prior to the Spring semester; that renovation of the Natural Science Center is nearly complete; and that construction work on the Storage Facility began in mid-October. The Health Center, Pedestrian Bridge and Four-laning of Nunn Drive are still awaiting funding release. — Campus Development

A-4 Moving to A-6 Mr. DeMarcus reported that the dormitories are now 90% complete and will be ready for occupancy by the Spring semester. Mr. Gary Eith, Director of Residential Life, showed slides of the two buildings with Mr. DeMarcus giving the explanations. It was explained that one-third of the available spaces are accessible to handicapped with a van available to transport these students on the campus.

A-5 Dr. Albright reported that the Board gave authority for the designation of the Alumni-Reception Center and that some interior work as well as new parking has been completed. To carry on further ties with the Alumni Association, an Alumni representative has been invited to attend Board of Regents meetings - their present representative is Jack Burleson, who was introduced earlier and who will serve as a resource in areas of special interest to alumni.

Alumni Association

A-6 Reported in A-4.

A-7 The legal programs report (attached to these minutes) shows progress being made on the earlier Board resolution for program development at the Law School. The most significant change would be reorganization into a single program to accommodate both full-time and part-time students with the goal to improve the quality of legal education offered. The total number of students in the program (both full- and part-time) will be maintained at approximately 360 FTE, with more selective admissions. It was noted by the President that a committee appointed by the Council on Higher Education had recommended the elimination of one law school in the state; however, since a part of the committee filed a minority report stressing that if all law schools in the state began more selective admissions, the number of entering students could be reduced. Also the report indicated that the Council should not only consider law schools but all other professional schools in the state. The President complimented Henry Mann and Betty Daniels for the part they played on the committee and in filing the minority report mentioned. As a result, the Council on Higher Education passed a resolution at their last meeting that the staff of the Council set up criteria for all professional schools and report back by December 31. Mr. Mann said that he was most pleased with the Council action and that he was also impressed with the manner in which the Courier-Journal, Kentucky Enquirer, and Kentucky Post reported on this matter. Dr. Albright reported that discussions will continue with some members of the Northern Kentucky Bar Association, some members of the Kentucky Bar Association, legislators, and individuals in State government to try to alleviate the problems.

Legal Programs Compacture Study

The President further pointed out that any program change for the law school will require approval by the American Bar Association, our accrediting agency.

A-8 A report on the progress of the reorganization of Educational Services and Student Affairs (copy attached to these minutes) was highlighted by Dr. Scholes. As a result of the study, applications for Dean of Student Affairs will be completed by November 6. The Dean of Student Affairs will begin the implementation of the report.

SA/ES Reorganization

A-9 President Albright presented the Annual Financial Report for 1980-81 and read a letter from the audit firm, Rankin, Rankin, & Co. complimenting the University on one of the most attractive, professionally put-together reports that their firm had ever worked on. The President noted that letters of this kind are not customarily received and thanked Mr. Tabor, Mr. Baker, and others who were responsible for the fine report. 1980-81 Financial Audit

A-10 The quarterly financial report for July-September, 1981 was presented, copy attached to these minutes. Quarterly Financial Report

A-11 The President introduced the report on Financial Exigency by noting that in July the Board, in expectancy that there might be a budget reduction, adopted a policy of financial emergency. Five days after the board meeting in July it was announced that additional budget cuts could be expected. Fortunately, that did not prove to be true. In the course of the discussion on the policy statement in July, the Board asked its executive officer to work with the faculty and others in exploring improvements of the statement, and the Board would receive any amendments which the Faculty Senate proposes and which have been presented to the President. In keeping with the board's directive, the policy statement recommended by the Faculty Senate (copy attached to these minutes) is being presented. The President further reported that he had asked the Affirmative Action officer to work with the faculty in the development of the policy. Financial Exigency

Faculty Regent Williams spoke to the report noting that his statement was an attempt to represent a variety of faculty reaction to the July 29th policy. He reported that many faculty members were dissatisfied with the July policy because of apparent abrogation of tenure, inclusion of program change unrelated to financial exigency, method of selection of committee to advise President, and the way in which the July 29th policy was approved without adequate faculty review because of summer absences. Some faculty feel that the old policy dating from the 1978 handbook was better even though it lacked details of implementation. Some faculty feel that legally the Board cannot unilaterally modify an existing contract or that it may be illegal to alter the policy which applied when they gained tenure or were first hired. There has been a great deal of resentment over the confusing rumors and counter-rumors on campus in September as to whether the policy was to be implemented immediately or not. Some faculty secured unofficial legal opinions which indicated that the policy increases risks of suits against the University and potentially places the University in a vulnerable legal position.

Dr. Williams further reported on the manner in which the Faculty Senate developed the replacement for the July 29th policy: professional concerns committee of the Senate drafted policy with wide input from all faculty; executive committee of the Senate discussed points at issue with cooperative administration; Faculty Senate approved the policy by a vote of 29 ayes and 3 nays; and finally, further discussion between Senate leaders and administration on remaining points at issue. To offset poor morale of the faculty and benefitting long-term welfare of the institution, Dr. Williams moved that the policy statement on Financial Exigency prepared by the Faculty Senate be adopted to replace the July 29th policy. The motion was seconded by Mr. Martin to put the proposal up for discussion.

A-11 (continued)

Dr. Albright noted that in the discussion and presentation of the July 29th policy, it was indicated that improvements and amendments could be made at any time. Mr. Lucas indicated that the Regents desire to come up with the best workable policy for protecting the Regents, the University, and the Faculty.

Student Regent Grone presented a statement which he desired entered into the minutes as follows:

"As Student Regent, I should like, at this time, to read a statement into the record as as a preface to, and explanation of, the vote I intend to cast on the question before the Board.

"The July 29 vote of the Board of Regents which approved a financial exigency policy for Northern Kentucky University was clearly unacceptable to the great majority of the faculty. This has been definitely reflected in the 29-3 vote of the Faculty Senate on October 12 which ratified the document the Board has before itself now and condemned the policy as enunciated in the July Document as an abrogation of faculty rights.

"Negotiation between the Administration and the faculty, specifically the Executive Committee of the Faculty Senate, has occurred since July 29 and the serious and diligent manner in which these negotiations have taken place are to be commended. While consensus on some items has been reached, disagreement on others has prevented a mutually acceptable policy from being developed. Quite understandably, faculty are concerned with the procedures outlined in the July Document as well as the threat they perceive to the concept of tenure. Recognizing the legal and moral responsibilities of the University, I would like to state that I am in support of the concept of tenure and the property rights incumbent with the granting of tenure, and conceivably, even of tenure-track. Additionally, I am in agreement with other points as stated by the Faculty Senate. However, I am not in total agreement with all aspects of the Senate Document and, indeed, find some Administration arguments on certain points more compelling.

"It is my concern, as a member of the Board of Regents, for the institutional welfare of Northern Kentucky University that <u>any</u> financial exigency policy, because of its extremely serious nature, must command the support of Administration and faculty. Therefore, I have come to the decision that I will offer the good offices of the Student Regency as mediator between the positions of the Faculty Senate and of the Administration and pledge myself to a successful resolution of this problem if this negotiating avenue is acceptable to both parties. In light of this offer of mediation, and so as not to prejudice any specific position, I will abstain from voting on the question before the Board."

Mr. Mann said that he would need to hear more from both the administration and the faculty before he could vote. He suggested that the Regents be given a report narrowing the differences down item by item. Mr. Martin also indicated that the Regents are receptive to differences of opinions and specific differences in the policies that could not be resolved between the administration and the faculty need to be outlined. Mr. Grone again said he felt the students are suffering from this issue and view it as a threat to their education. Mr. Lucas clearly pointed out that not one faculty member had lost

A-11 (continued)
a job because of the policy and did not feel that a mediator was necessary but that Regents would work in good faith with the administration and faculty to come up with an acceptable policy. Mr. Mann stated that he had confidence that the administration and faculty could work out the differences and come up with a workable plan. Dr. Williams said he felt the faculty would work in good faith toward an acceptable policy. Ms. Sommerkamp stated that she felt the Board lacked clarity and needed such clarification in order to understand the points of differences.

Mr. Haas moved that the previous motion be tabled for further consideration. The motion, seconded by Mr. Mann, was passed with 5 aye votes. A nay vote was cast by Dr. Williams.

Ms. Sommerkamp moved that the administration be directed to proceed about resolving a financial exigency policy that is acceptable to all parties with a point-by-point clarification of those differences that cannot be resolved. The motion, seconded by Mr. Mann, was passed with six aye votes.

The President said that the policy was approved in July after the University experienced three state budget cuts in 15 months and was unsure of what the immediate future might bring because of talk of additional cuts. He further noted that out of the 15% or $3.4 million in funds cut, not one faculty member was touched, but that such a policy was necessary to protect the University and the faculty with the idea that it could be amended as necessary. He said that in the redrafting of a new document as many persons as possible would be involved in the process.

A-12 The President called upon Mr. Taulbee, Director of the Budget, for a report on the 1982-84 biennial budget. Mr. Taulbee explained that because of statutory deadlines, a tentative copy of the request (which the Board will consider in later business) was submitted by the Council on Higher Education for review. Mr. Taulbee gave an in-depth report on the methodology employed by the Council staff in determining funding which differed substantially from previous years. A formula approach was used to determine levels of funding for each institution and also to establish equitable funding relationships between institutions. The formula approach will help Northern's position as it is based on FTE and headcount enrollments weighted for the unique program mix as well as other factors such as assignable square footage and debt service. President Albright thanked Mr. Taulbee for the fine report and felt this type of report would help the Regents understand the budget request to be considered later in the meeting.

Biennial Budget Report

A-13 Vice President Scholes reported that the Reciprocity Agreement between Northern and the University of Cincinnati has been approved by the Ohio Board of Regents, and has been recommended to the Council on Higher of Education in Kentucky. The implementation will begin by the Spring semester. The President complimented Dr. Scholes for his work on the project which took nearly three years to complete.

Reciprocity Agreement with U.C.

PRESIDENTIAL RECOMMENDATIONS:

B-1 Provost Gray made the following academic personnel recommendations for consideration: (Academic Personnel)

Appointment - Michael Adams as Chairperson of History & Geography Department

Resignations - Mercedes Ballou, Teresa Domzal, Clyde Lindsay, Donald Phillips, and Russell Yerkes.

Leave - Carol Futhey, maternity leave for Spring Semester of 1982

Promotion - Lawrence Borne, from rank of Associate Professor of History to Full Professor of History

Adjunct Clinical Professors in Nursing -

James Allen, M. D.	Robert Longshore, M. D.	David Slaughter, M. D.
Thomas Bunnell, M. D.	Harold Marksberry, M. D.	Robert Smith, M. D.
Harold Frickman, M. D.	Harry Mills, M. D.	Nancy Swikert, M. D.
Agnes Hoehn, N. P.	John Naber, M. D.	Raymond Timmerman, M. D.

R. D. Kruer, M. D.	James Schrand, M. D.	William Yates, M. D.

Adjunct Professors in Med Tech - Victor Cabanas, M. D., Henry Russell, M. D.

Adjunct Clinical Instructors in Med Tech - Marianne Otte, Helen Pater

The Provost noted that Michael Adams is a distinguished Professor of History, well recognized in the United States and Great Britain and has published a book through Harvard University Press.

Dr. Williams moved that the recommendations be approved as recommended. The motion, seconded by Ms. Sommerkamp, was unanimously accepted.

B-2 A list of non-academic personnel actions (attached to these minutes) was recommended by the Vice President. The recommendation was accepted on motion by Mr. Haas and second by Mr. Martin. (Non-Academic Personnel)

B-3 The policy on Position Classification System (attached to these minutes) was presented by the President who stated that this policy is basically in effect now. The policy on Position Classification System (Section C. 8 of the Personnel Manual) was accepted unanimously on motion by Mr. Mann and second by Mr. Martin. (Position Classification Policy)

B-4 President Albright recommended that the complexes contained within the Student Housing project be named "East Commons" and "West Commons". The recommendation was approved on motion by Mr. Haas and second by Mr. Martin. (Names for Dorms)

B-5 A Financial Aid policy (attached) was recommended by the President who stated that Director of Financial Aid, Charles Gray, was present to answer questions. There being no questions, the recommendation was approved on motion of Mr. Haas and second by Mr. Grone. (Financial Aid Policy)

B-6 President Albright recommended that the University's reserves of $2,854,100 be allocated according to the scheduled outline furnished the Regents (attached to these minutes) and in the 1980-81 annual Financial Report for expenditure in the current fiscal year. The motion to approve was made by Mr. Martin, seconded by Dr. Williams, and was passed unanimously. (Allocation of Reserves)

B-7 The President recommended that the expenditure authorization for 1981-82 be adjusted downward by $735,100 to $22,959,900 to reflect the decrease in General Fund appropriation mandated by the Commonwealth in July, 1981. The chart demonstrating the impact which the reduction will have on specific programs of the institution is attached to these minutes. The recommendation was approved on motion by Mr. Haas and second by Ms. Sommerkamp. 1981-82 Budget Revision

B-8 Dr. Albright presented the 1982-84 Biennial Budget Request and recommended its approval. The request is for an increase in state appropriation to $21,865,308 in FY 1981 and $24,113,766 in FY 1984. The request was prepared in accordance with guidelines established by the Council on Higher Education as reported by Mr. Taulbee earlier in the meeting. Mr. Martin moved that the recommended 1982-84 Biennial Budget Request be approved as recommended by the President. The motion, seconded by Mr. Mann, was passed unanimously. 1982-84 Biennial Budget Request

B-9 It was recommended by the President there be a supplemental request to the 1982-84 Biennial Budget Request for Capital Construction. This request includes $50,000 for an engineering study to determine the capacity, routing, and cost of projects for critical sewer line development. It also includes $400,000 for the renovation and equipping of a portion of the third floor of Landrum Hall for a public radio station. Mr. Mann moved that the recommendation be approved. Dr. Williams seconded the motion which was unanimously passed. Supplemental Capital Construction Request

B-10 The President presented a recommendation that amendments to Student Government Constitution pertaining to the establishment of a Residence Hall Council (attached to these minutes) be approved. Mr. Grone reported that the amendments had been voted on and passed by the student body, and made a motion to approve the amendments. The motion, seconded by Mr. Haas, was passed unanimously. Stu. Govt. Constitution Amendments

B-11 The Fire Protection Contract between the University and Cold Spring Volunteer Fire Department has been drawn up as a result of the Regents' vote at last meeting. The contract has been signed and needs to be ratified by the Regents. Mr. Haas moved approval, seconded by Ms. Sommerkamp, and passed unanimously. Fire Protection Contract Ratified

OTHER BUSINESS:

C-1 The President reported that Northern Kentucky University received a Distinguished Service to Higher Education Award from the Council for Advancement and Support of Education, commending governing boards for their role in our nation's educational development. President Albright commented that the Board of Regents of Northern should be proud of this award

C-2 President Albright introduced Dr. Debra Pearce, President of the Faculty Senate, stating that it has been a pleasure working with her on faculty issues. Also introduced was Dr. Ted Weiss, chairman of the Professional Concerns Committee of Faculty Senate.

The next regularly scheduled quarterly meeting is Wednesday, February 3, 1982.

The meeting adjourned at 7:15 p.m. on motion by Mr. Haas and second by Mr. Grone.

NEXT MEETING - Scheduled for April 28, 1982

ADJOURNMENT

BOARD OF REGENTS MINUTES
Tuesday, March 9, 1982

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:20 p. m. on Tuesday, March 9, 1982 by Chairman Kenneth Lucas. The invocation was given by the Rev. Louis R. Schmidt.

In welcoming those present, the Chairman called attention to the beautiful new quarters in which the Board was meeting and mentioned that this was the Board's fourth "permanent" meeting place since 1968.

Roll Call: Regents present: Mr. Dave Duncan, Mr. Philip Grone, Mr. Elmer Haas, Mr. Ken Lucas, Mr. Henry Mann, Mr. Gordon Martin, Dr. Pat Sommerkamp, Mr. Richard Spears, Dr. Jeffrey Williams, and Mr. John Yarmuth.

Others present: President A. D. Albright, Dr. Gene Scholes, Dr. Lyle Gray, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Dennis Taulbee, Mr. Clarence Tabor, Ms. Cindy Dickens, Alumni Representative Jack Burleson, Faculty Senate President Debra Pearce, Dr. Roger Meade, Mr. Bill Lamb, Mr. Mike Baker, Ms. Perk Rudd, Ms. Kim Hennessy, Mr. Gregg Schulte, Ms. Denise Hough, Mr. Tom Barlow, Ms. Sue Hodges, Ms. Carla Chance, Dr. Jim Alford, Dr. Mike Klembara, the Rev. Louis Schmidt, Dr. Bill Dickens, Ms. Dorinda Giles, Ms. Carol Guthier, Dr. Mike Ryan, Ms. Mary McGhee, Ms. Mary Huening, Mr. John Deedrick, Mr. Dave Phillips, and Media Representatives - Mr. Al Salvato of the Kentucky Post, Ms. Karen Merk of The Northerner, and Mr. Paul Bailey of WCKY Radio.

The chairman declared a quorum with nine voting members present.

The minutes of the previous quarterly meeting, October 28, 1981 were accepted on motion by Mr. Haas and second by Mr. Mann.

PRESIDENTIAL REPORTS:

A-1 President Albright noted that he was pleased with the Grants and Contracts Activity Report as it shows an increase over the same period last year. The increase is happening at a time when this type of money is decreasing. He feels the growth is due to the continued, good efforts of Dr. Meade and Miss Hough as well as the quality of faculty proposals for funding. — Grants and Contracts

A-2 The President reported that enrollment is continuing to grow at Northern - 8.9% increase in headcount. If enrollment continues to increase at the same pace, the institution will soon be running out of space to accommodate students between 8 a.m. and 10 p.m. — Fall Enrollment

A-3 The Academic Calendar for 1982-83 is presented for informational purposes. — Academic Calendar

A-4 The list of summer fellowship recipients for 1982 is a result of faculty review with the Provost making the final decisions. The summer fellowship program is designed to encourage faculty to engage in individual research, scholarly writing, and creative and artistic projects and to share the results of their efforts with the broader University community. — 1982 Summer Fellowships

A-5 The President reported on the professional staff exchange program between the University and Kenton County Board of Education which keeps the University in touch with other components of the community. — Exchange Program

A-6 Dr. Albright and Dr. Scholes spoke on the computer utilization project outlined in the written report. Dr. Scholes noted that through the efforts of Mr. Spears, by the loan of a computer expert from Ashland Oil, the University has been able to make great strides in the program. — Computer Utilization

A-7 Mr. DeMarcus highlighted the Campus Development report. The administrative center and Nunn Hall renovation are virtually complete and structural steel on the maintenance storage facility is now nearly finished. Mr. DeMarcus noted that the Governor is now supporting the health and physical education center through the good efforts of President Albright, and it is still hoped that the money for this building will be included in the final state budget. — Campus Development

A-8 Mr. Tabor reported that the financial report through December does not show the University realizing the projection on the tuition revenue; however, the next report should show that the revenue had been received in January. — Financial Report

A-9 President Albright reported that the printed report is bringing the Regents up-to-date on the executive budget process. This is the first time that the formula approach has been used. The formula model was met by mixed acceptance by the universities. There has been considerable activity between the Governor, Legislature, Council on Higher Education, and the institutions concerning the funding over the next two years. The Northern Kentucky caucus has been very helpful to Northern in the process. Significant aspects of the compromise proposal between the Executive branch and elements of the Legislature's leadership retains the formula as the basic approach to funding with each institution receiving a minimum increase of 3% each year of the biennium. — Executive Budget

A-10 The President presented the "Annual Report of the President for 1980-81" and complimented Mr. Knauf on his helpfulness in preparing the document. — 1980-81 President's Report

PRESIDENTIAL RECOMMENDATIONS:

B-1 University Personnel

a-1 Mr. Martin moved that the following new faculty be approved upon recommendation of the President: Charles R. Bush, H. Ray Souder, Grace H. Walker, Patricia M. Ruthemeyer, and J. Michael Hunter. The motion was seconded by Mr. Duncan and was passed by unanimous vote. — New Faculty

B-1 University Personnel (continued)

Unpaid leaves and Resignations

a-2 The following adjunct Professorships, unpaid leaves, and resignations received unanimous approval of the Board on motion by Mr. Yarmuth and second by Ms. Sommerkamp.

Adjunct Clinical Professors of Nursing:

Carol Perry	Carrie McCoy
Francie Walgin	Beverly Malone
Claire Caruso	Patty Weiskittel

The motion passed with 8 aye votes and abstention by Dr. Williams.

b-1 A list of non-academic personnel actions are attached to these minutes. A motion by Mr. Mann to approve the actions was seconded by Mr. Duncan and was passed unanimously.

Non-academic Personnel

b-2 The following administrative appointments were unanimously approved on motion by Ms. Sommerkamp and second by Mr. Duncan:

Administrative Personnel

Michael Beitzel - Head Men's Basketball Coach and Coordinator of Men's Athletics

Cynthia Dickens - Executive Assistant to the President for Student Affairs

Denise Hough - Assistant Director of Research, Grants and Contracts and Staff Associate for Special Projects in President's Office

William Lamb - Dean of Students

David Phillips - Director of the News Bureau

Jane Scheper - Head Women's Basketball Coach and Coordinator of Women's Athletics

President Albright introduced Cynthia Dickens, Denise Hough, and William Lamb and complimented them on their fine work for the University.

c-1 The President recommended that a modification be made to the TIAA Retirement Resolution as follows:

TIAA Resolution

"Normal retirement age is herein defined as the last day of the academic year in which age 65 is attained. A participant may retire at normal retirement age, but must retire no later than the last day of the academic year in which age 70 is attained."

The modification came as a result of the Age Discrimination in Employment Act which provides that colleges and universities may no longer mandatorily retire tenured faculty at age 65. The recommendation was unanimously approved on motion by Mr. Mann and second by Dr. Williams.

B-1 University Personnel (continued)

c-2 In recommending guidelines for fiscal year 1983 salary increases for faculty, staff, and administrative employees (attached to these minutes) the President stated that approval would help the administration in preparing for next year's raises for the University. Mr. Martin made the motion that the recommendation be approved as presented. The motion was seconded by Mr. Yarmuth. Upon question of Mr. Haas, the President said that the executive budget allows for about 7% increase; however, merit, longevity and/or discretionary monies would be budgeted based on revenue projections of increases in tuition and enrollment. The motion passed with 8 aye votes and abstention by Faculty Regent Williams.

1982-83 Salary Increases

B-2 Academic Affairs

a-1 Academic Standards and Guidelines

The Policy on Academic Bankruptcy for Undergraduate Students (attached to these minutes) was introduced by Provost Gray who stated that the policy is a means of offering students the opportunity to overcome severe grade point average deficiencies caused by various circumstances. Mr. Grone moved that the policy be adopted as presented and expressed appreciation that representatives of Student Government were able to review certain policies such as this one and were able to give input on them. The motion, seconded by Dr. Williams, was passed unanimously.

Academic Bankruptcy for Undergraduate Students

a-2 Dr. Gray submitted a revision to the Policy on Academic Standing for Undergraduate Students (attached to these minutes). The formula in the policy is designed to promote the early identification of underachieving students in order to improve their academic performance and to warn matriculated students as early as possible of potential ineligibility for graduation, according to Dr. Gray. The policy was unanimously adopted on motion by Mr. Grone and second by Mr. Duncan.

Academic Standing for Undergraduate Students

a-3 The revised admission requirements for Graduate Studies in Education (attached to these minutes) was presented by the Provost who explained the changes to the Regents as outlined on the recommendation. The policy was unanimously adopted on motion by Ms. Sommerkamp and second by Mr. Yarmuth.

Revised Admission Requirements for Graduate Studies in Education

a-4 Provost Gray introduced the recommendation that the administration be authorized to develop and implement a speech competency requirement for graduation starting with the Fall 1982 freshman class. Mr. Haas moved that the recommendation be adopted. The motion was seconded by Mr. Duncan and was passed unanimously.

Speech Competency Requirement

B-2 Academic Affairs (continued)

b-1 The President recommended that the title "Mass Communications" within the Department of Communications be changed to "Journalism" in order that confusion can be eliminated. Mr. Mann moved, seconded by Mr. Yarmuth, that the recommendation be adopted. The motion passed unanimously. — New Title: "Journalism"

b-2 The Provost introduced the recommendation to approve a Minor in Applied Philosophy. Background, objectives, and requirements are attached to these minutes. Ms. Sommerkamp moved the adoption of the recommendation. The motion was seconded by Mr. Grone and was passed unanimously. — Minor in Applied Philosophy

c-1 Dr. Albright reported that as a result of the mandate to the administration at the last Board of Regents meeting, considerations have been carried on by the administration and Faculty Senate for the purpose of revising the financial exigency policy that was adopted at that meeting. The President noted that he explained at the time the policy was one that could be improved. It was further noted that the recommendation outlines the differences in the faculty document and the policy as it is being presented at this meeting. The President explained that it is presumed that discussions will continue and the policy is certainly subject to change with justification. — Financial Exigency

President Albright recommended that the financial exigency policy be approved with the following conditions:

(1) that discussions continue between the administration and Faculty Senate Executive Committee on points of difference excluding those points which are based on legal limitations or requirements on the institution, and
(2) that results of the continued discussions be reported to the Board at its April meeting.

Mr. Spears moved that the recommendation be adopted. The motion was seconded by Mr. Mann.

Dr. Williams noted that the institution is not faced with an immediate emergency and the policy probably will not have to be implemented in the next few months. He reported that the Faculty Senate voted 24-8 not to endorse the administration's policy. Rather than vote approval, Dr. Williams felt that adoption should be postponed until the next meeting. He felt it would be assuring to the faculty to follow such action.

Dr. Williams moved that the recommendation as presented be tabled for consideration until the next Board meeting. Mr. Haas seconded the motion in order to get the motion on the floor. Results of vote taken - 1 aye vote by Dr. Williams, 8 nay votes. The motion lost.

Mr. Haas noted that the Board passed a policy last meeting with the condition that discussions between administration and faculty would be held to work out differences. If everything has been done to work out differences, Mr. Haas explained that he would vote affirmatively for the policy.

B-2 Academic Affairs (continued)

c-1 Financial Exigency (continued)

Dr. Williams felt there was an extremely short period of discussion and that the appeals process left the Board liable. For instance, is it legal for a tenured professor to be affected by this policy? He said he felt that many of the faculty will note on their contract that they do not accept the policy. Mr. Haas said that he felt that the administration had studied the legal aspects.

Mr. Duncan said he had not received the document prior to the meeting and wondered which items were legal and non-negotiable. Dr. Albright explained that No. 5 was non-negotiable.

Mr. Martin said he felt this is a policy that has to be approved to protect the institution and noted that there was the opportunity for future discussions for change. Mr. Martin moved the question.

Result of the vote: 7 aye votes, 1 nay vote by Dr. Williams, and 1 abstention by Mr. Duncan as he did not receive the material early enough to study.

c-2 The President recommended that the Board authorize the administration to develop and implement a branch campus on the site formerly occupied by the Salmon P. Chase College of Law in Covington, Kentucky. He explained the recommendation legalizes the fact that the West campus is being utilized for this purpose. The motion was unanimously adopted on motion by Mr. Grone and second by Mr. Yarmuth. West Campus Development

B-3 University Management

a It was recommended by the President that selected functions and activities currently assigned the Office of Institutional Systems and Analysis and the Budget Office be consolidated into a new unit entitled the Office for Budget and Operations Research. The motion was unanimously adopted on motion by Mr. Haas and second by Mr. Spears. Office for Budget and Operations Research

b-1 The President noted that the Regents had given the administration approval for the formation of a Staff Congress. This has been accomplished and the Staff Congress Constitution is being presented for approval. Dr. Williams moved, seconded by Mr. Mann, that the Staff Congress Constitution be adopted as presented. The motion was passed unanimously. Dr. Albright introduced the officers of Staff Congress as follows: Dorinda Giles - President, Tom Barlow - Vice President, and Carol Guthier - Secretary/Treasurer. Staff Congress Constitution approved

b-2 Descriptions of the University Standing Committees to be included in the University's manual of Governing-Administrative Regulations were presented by the President. Mr. Grone made the motion that the committee be approved with the following change: Student Publications Board, item 6 under membership, read, "A representative of the student body selected by Student Government." The motion was seconded by Mr. Mann and was passed unanimously. Standing Committees

B-3 University Management (continued)

b-2 Position descriptions for the Executive Assistant to the President for Student Affairs and Dean of Students were presented by the President who stated that the descriptions would be a part of the Governing-Administrative Regulations. Unanimous approval was given on motion by Ms. Sommerkamp and second by Mr. Duncan. — Position Descriptions

c President Albright recommended that the description of a University Council (attached to these minutes) be approved and become a part of the Governing-Administrative Regulations. The President stressed that the University Council is an advisory board, not a policy-making board. The motion to adopt was made by Mr. Haas and seconded by Mr. Spears. The motion was unanimously passed. — University Counsel

d The President recommended that the Board of Regents approve the following Schedule of Tuition Rates to become effective for the 1982 Fall semester as set by the Council on Higher Education: — Schedule of Tuition Rates

Semester Rates

In-State		Out-of-State	
Undergraduate	357.00	Undergraduate	1,031.00
Graduate	371.00	Graduate	1,112.00
Law	618.00	Law	1,555.00

Credit Hour Rates

In-State		Out-of-State	
Undergraduate	30.00	Undergraduate	86.00
Graduate	42.00	Graduate	124.00
Law	52.00	Law	130.00

The rates were unanimously adopted on motion by Mr. Haas and second by Mr. Duncan.

e It was recommended by the President that the Board of Regents approve a grant to the Union Light, Heat, and Power Company of a right-of-way and easement on the Highland Heights campus. The request is a result of a power line installed to provide power for the lights in Parking Lot J. The recommendation was unanimously approved on motion by Mr. Yarmuth and seconded by Mr. Mann. — Easement for UHLP

f It was the recommendation of the President that the 1981-82 current fund operating budget be revised upward to $23,558,960 to reflect additional tuition receipts of $460,081, estimated receipts from Student Housing of $122,700, and increased activity in the Bookstore of $14,000. The recommendation was unanimously passed on motion by Mr. Mann and second by Mr. Haas. — Revised 1981-82 Budget

g A recommendation that the President negotiate with an external auditing firm for a reduced auditing contract not to exceed $3,000 was presented. Since the State Auditor's office will be performing the annual university audit, it will not be necessary to establish a full external auditing contract. However, it is desirable — External Auditor

(to be continued)

B-3 University Management (continued)

g (continued)
to have the regular external auditor present from time to time for the purpose of providing continuity in the university audit process. The State Auditor's office is in agreement with this recommendation. The recommendation was passed unanimously on motion by Mr. Martin and second by Mr. Duncan.

h The President recommended that the Board of Regents authorize the administration to negotiate and sign an acceptable agreement of indemnification with the Crestview Hills Mall for the purpose of a Fine Arts display. Ms. Hennessy explained that the agreement the Mall officials presented was not acceptable. Since the art show is to be held on March 27th and time would not allow an acceptable agreement to be presented to the Board, this type of authorization is being recommended. The recommendation received unanimous approval on motion by Mr. Haas and second by Dr. Williams.

Agreement with Crestview Mall

OTHER BUSINESS

C-1 Dr. Albright referred to a State Senate resolution from 1972 in which recognition was given to William Studer as the bulk of the property acquired by the University was owned by Mr. Studer. The President recommended to the Board that the administration be authorized to make appropriate recognition of Mr. Studer for his contribution to the establishment of the University.

Studer Recognition

The next quarterly meeting is scheduled for Wednesday, April 28, 1982.

The meeting adjourned at 7:20 p.m. on motion by Mr. Duncan and second by Mr. Haas.

ADJOURNMENT

BOARD OF REGENTS MINUTES
Wednesday, April 28, 1982

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:20 p. m. on Wednesday, April 28, 1982 by Chairman Kenneth Lucas. The invocation was given by Dr. Ralph Tesseneer.

Roll Call:

Regents present - Mr. David Duncan, Mr. Philip Grone, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Henry Mann, Mr. Gordon Martin, Dr. Pat Sommerkamp, Dr. Jeffrey Williams. Excused: Mr. Richard Spears and Mr. John Yarmuth.

Others present - President A. D. Albright, Counsel John Brooking, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Clarence Tabor, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Alumni representative Jack Burleson, Ms. Kim Hennessy, Dr. Mike Klembara, Dr. Roger Meade, Ms. Peg Griffin, Mr. Mike Baker, Ms. Denise Hough, Mr. John Deedrick, Ms. Carla Chance, Ms. Rebecca Myers, Mr. Tom Barlow, Ms. Sue Hodges, Ms. Mary Huening, Ms. Mary McGhee, Ms. Paula Schuh; Student Government representatives - Mary Penrod, Terri Parrish and Andrea Grone; Media representatives - Gabriel Jacobs of Kentucky Post, Bonna King of WCKY, Sam Bucalo of Northern Time Star, and Cindy Schroeder of Kentucky Enquirer.

The minutes of the previous meeting, March 9, 1982 were approved on motion by Mr. Haas and second by Mr. Grone with the following insertion to B-1-b-2:

"Faculty Regent Williams requested that the administration provide for the Board a study of the costs of the new student services unit as compared to those of the previous administrative offices handling student services. He also requested that the faculty have an opportunity in the near future to respond to a questionnaire (similar to one recently distributed by the Registrar's Office) assessing the effectiveness of the Office of University Relations."

PRESIDENTIAL REPORTS:

A-1 The President noted that the Grants and Contracts Activity shows an increase over last year - $139,675 compared to $41,146 last year at this time. — Grants and Contracts

A-2 Mr. DeMarcus reported that the Health Center is approved, that bidding will likely begin in June, and that ground breaking could occur in mid-July. The engineering study for sewer line development was approved by the Legislature and represents the first step in the process to provide adequate sewage capacity allowing continued growth of the campus. Minor problems are being worked out in the construction projects that are completed. The maintenance storage facility should be completed by mid-June. Dr. Albright noted that the Health Center will be a great improvement for the University as well as the community. Mr. Lucas noted that a recent newspaper article commended Dr. Albright, Mr. DeMarcus, and others for their efforts in bringing about the approval for construction of this facility. — Campus Development

A-3 Dr. Scholes reported that the implementation of the Graduate Program Reciprocity Agreement with the University of Cincinnati began in January and that the written report is self-explanatory insofar as numbers and costs are concerned. He further highlighted the Agreement with the following points:

Augments current graduate offerings of Northern Kentucky University and the Northern Kentucky Graduate Center;
Improves access of Northern Kentuckians to graduate studies;
Enables us to maintain our under-graduate admissions priorities;
Will be reviewed annually (after each Fall term) to evaluate cost benefits to each institution;
Will be modified where necessary to achieve parity in relation to cost benefits.

Reciprocity Agreement with UC

A-4 Mr. Tabor reported that the quarterly financial report indicates that revenues are being received as budgeted, that the current budget is not being overspent, and that investment and interest earnings are doing well.

Quarterly Financial Report

A-5 The Staff Development Project report indicates what the University is trying to accomplish for staff enrichment, according to the President. He commended Dr. Sommerkamp and Mr. Duncan for their suggestions in this area.

Staff Development Project

A-6 The Faculty Project Grants for 1982-83 are outlined for the Board's information. President Albright reported that the grants are awarded to faculty to encourage professional growth through financial support for independent research.

1982-83 Faculty Project Grant

A-7 The President noted that the Selective Admissions report was one of the best reports developed at the University and came about as a result of the Pritchard Report. Ms. Dickens reported that this plan includes preliminary recommendations by a joint committee of faculty and administrators and is for the Regents' information.

Selective Admissions

A-8 Student Regent Grone reported that some revisions to the Student Government Constitution were approved by vote of the student body and would be presented at the July meeting for ratification.

Student Government Constitution

PRESIDENTIAL RECOMMENDATIONS:

B-1 The President recommended the following actions for Academic Personnel:

a. Unpaid leave for Elton C. Lasseigne for one year
   Special leave for Verne Shelton for one year
   Resignation of Joseph Sheehan effective July 1, 1982
   Resignation of Verne Shelton effective May 7, 1983
   New Faculty - Jerome T. Barrett in Public Administration
b. Continued conditional probation for Jane Jackson
   Continued probation for Carol Allred, Gene Krauss, and Robert Rhode
c. Tenure for Nancy Martin
d. Emeritus status for Dr. William C. Stoll

(B-1 continued next page)

B-1 (continued)
The above actions were unanimously approved on motion of Mr. Martin and second by Mr. Haas.

B-2 a. The report of non-academic personnel actions (list attached to these minutes) was approved on motion of Mr. Duncan and second by Mr. Grone. The motion was passed unanimously.

The following administrative personnel actions were recommended by the President:

b. Appointments - Charles Gray as Director of Student Services
George Rogers as Acting Director of Student Development
Leave - James Kerr - half-time leave at half salary August, 1982 through July, 1983

c. Appointment of Kim Hennessy as University Counsel. The President noted that Ms. Hennessy passed the Kentucky Bar this past week. The President reported that the principal responsibility of this position is to advise University personnel on in-house legal questions and matters, and that University matters involving external proceedings such as court cases will be carried out with legal counsel from among practicing attorneys licensed in the appropriate jurisdiction. President Albright also reported that any matters needing legal opinions for in-house matters will be channeled through the President's office. Administrativ Personnel

d. Appointment of Dr. James Alford as Director of Alumni Affairs effective July 1, 1982.

The above actions were unanimously approved on motion by Mr. Grone and second by Mr. Duncan.

B-3 President Albright recommended that the schedule of class fees and other charges (list attached to these minutes) be approved as presented. He noted that the list includes all charges to be collected on campus with the exception of tuition and bookstore charges. Mr. Haas moved that the schedule of fees be approved as presented. The motion, seconded by Dr. Sommerkamp, was passed unanimously. Schedule of Fees

B-4 Dr. Albright presented the resolution establishing a current operating budget for 1982-83 fiscal year and recommended its approval. The President stated that, in his opinion, the document mailed to the Regents was the most carefully prepared budget ever presented to the Board and commended the Budget Office - Dennis Taulbee and Sue Hodges - for the fine job. 1982-83 Budget

A document of budget highlights was presented to each Regent (copy attached to these minutes) and was carefully explained by the President. Mr. Haas asked if the University had the resources to cover the debt service obligation. The President explained that debt service money supplied by the State in addition to our operating money was one of the budget cuts last year, but it has been restored for 1982-83 and 1983-84 fiscal years in order that our debt service requirements would be met.

B-4 (continued)
The President completed his presentation by stating that the budget had been prepared by carefully following the guidelines established by the Board at its last meeting. Mr. Mann stated that he was grateful for the analysis of the budget. Mr. Lucas commented that he was appreciative of the fact that staff salaries were a major consideration in this budget. Dr. Williams questioned several line items of the budget which were answered by Mr. Taulbee. Dr. Albright noted that the Budget Office would have been glad to answer such questions on specific line items and would be glad to explain subsequently the budget provisions if requested. Mr. Lucas asked that if any Regent has a specific question that it be addressed to the Budget Office.

The motion to adopt the budget as presented was made by Mr. Martin and was seconded by Mr. Mann. Vote - 5 ayes and 1 abstention by Dr. Williams because he is a faculty member and cannot vote on salaries. Motion carried.

B-5 Kim Hennessy spoke on the policies representing guidelines for recruiting faculty and hiring procedures for non-faculty positions (B-6). The documents were prepared in accordance with the desegregation plan in Kentucky as well as intregrating the employment practices and affirmative action goals of the University. The "Guidelines for Recruiting Faculty" was adopted on motion by Dr. Sommerkamp and second by Mr. Grone. Vote - 5 ayes and abstention by Mr. Haas as he was out of the meeting room during the discussion.

Guidelines for Recruiting Faculty

B-6 The recommendation on "Non-Faculty Hiring Procedures" was approved by the Board on motion by Mr. Martin and second by Mr. Mann. Vote - 5 ayes and abstention by Mr. Haas for same reason as above.

Non-Faculty Hiring Procedures

B-7 The President recommended that the Salmon P. Chase College of Law of Northern Kentucky University be reorganized into a single division that will accommodate both full-time and part-time students. The thrust of this program is to improve the quality of legal education by the College of Law. This reorganization is to become effective with the entering 1983 class. Dr. Gray explained that this recommendation comes to the Board after a year's active discussion with the law faculty and administration and following reports to the Board. The plan has been exposed to the American Bar Association accreditation team and seemed to meet their approval.

Reorganization of Law School

Mr. Mann asked what it took for a person working full time during the day to receive a law degree, and Dr. Gray indicated it could be accomplished in four years of night school including two summers during the four years.

Mr. Mann moved that the recommendation be adopted as presented. The motion was seconded by Dr. Sommerkamp and was passed unanimously.

B-8 It was recommended by the President that 30 semester credit hours be awarded for professional course work in radiologic technology to students: (1) who have earned a high school diploma or a G.E.D.; (2) who have graduated from a postsecondary vocational or hospital-based program in radiologic technology accredited by the Committee on Allied Health Education and Accreditation; and (3) who have passed the American Registry of Radiologic Technologists national exams. Dr. Gray reported that this recommendation brings Northern's radiologic technology program into compliance with national standards and with current practices at most institutions. The motion was was made by Mr. Martin and was seconded by Mr. Duncan that the recommendation be approved. The motion passed unanimously.

Radiologic Technology

B-9 The President recommended that the policy for Certification of Continuing Education Units (attached to these minutes) be approved as presented. Dr. Gray explained that the Office of Community Research and Services/Continuing Education has received an increasing number of requests from both external agencies and University departments to certify and award Continuing Education Units. The motion was made by Mr. Haas to adopt the recommendation. The motion, seconded by Mr. Martin, was passed unanimously.

Continuing Education Policy

B-10 President Albright recommended that the associate degree program in Accounting Technology be deleted, effective with the 1983-84 catalog. Upon question of Mr. Martin, Dr. Gray explained programs are deleted after a program review process which is required by the Council on Higher Education. Dr. Sommerkamp moved, seconded by Mr. Grone, that the recommendation be adopted. The motion was passed unanimously.

Program Deletion

B-11 Dr. Albright recommended that the current Learning Assistance Center be reorganized as follows:

1. The Writing Center and its support will move to the Department of Literature and Language.
2. The Reading and Tutorial component of the program will move to the Student Development unit in Student Services.

The President noted that this division fits in more properly with our organizational plan. Mr. Haas moved that the recommendation be adopted. The motion, seconded by Mr. Duncan, was passed unanimously.

Reorganization of Learning Assistance Center

B-12 A revised Financial Exigency Policy was recommended by the President (copy attached to these minutes). The information sent to the Regents contains the revisions made since the last Board meeting. The President reported that the revisions were passed by the Faculty Senate Executive Committee as a result of further discussions on the policy. Dr. Williams noted that the Faculty Senate Executive Committee is grateful that a meeting of minds could be accomplished. The policy was unanimously passed on motion by Mr. Haas and second by Dr. Sommerkamp.

Financial Exigency Policy approved

B-13 Dr. Scholes reported that the Vehicle Utilization Policy (attached to these minutes) was a result of a committee appointed consisting of faculty, students and administration and will be added to the Manual of Administrative--Governing Regulations. Mr. Mann moved that the policy be adopted. The motion, seconded by Dr. Williams, was passed unanimously. Vehicle Utilization Policy

B-14 The President recommended that the executive officer be authorized to formulate a plan for implementation of House Bill 622. The President explained that the bill provides increased management autonomy for the institutions of the State in the areas of payroll, accounting, cash management, procurement, and capital construction. For instance, the bill provides that payroll checks can be initiated by the institution rather than through Frankfort, that institutions will receive credit for all investment earnings on cash balances (this point still under discussion), and that the responsibility of procurement will shift from the state to the institutions, as will responsibility for capital construction. However, the President reported that Northern would probably ask that capital construction remain in Frankfort to be handled as in the past due to the fact that Northern does not have the staff to accommodate this area. The new legislation does require that each of the governing boards of the institutions specifically decide whether to accept or not accept the delegation of authority under each of the major components of the bill. House Bill 622

Dr. Albright further reported that a steering committee, consisting of persons from the appropriate state agencies and the institutions, has been set up to identify issues and report to the Presidents. Included on the committee are representatives from Department of Finance, State Treasurer, and State Auditor. The committee and its five task forces will define the new roles of each of the participants and establish new regulations governing the implementation for approval by each institution. Further reports will be made to the Board of Regents.

The recommendation was passed unanimously on motion by Mr. Martin and second by Dr. Sommerkamp.

B-15 President Albright recommended that the President be authorized to approve the write-off of student receivables as bad debts in the amount of $9,113.26. Mr. Tabor stated that this amount represented about one-tenth of one percent of all revenues collected which is a good record. Mr. Duncan moved that the recommendation be adopted. The motion was seconded by Dr. Sommerkamp and was passed unanimously. Student Receivables

B-16-a Mr. Grone reported that the amendment to Administrative Regulation specifying the location of the Forum Area (attached to these minutes) was a result of a student committee's recommendation after it was determined that the former forum area was probably an inappropriate area. Mr. Grone moved that the recommendation be adopted. The motion, seconded by Dr. Sommerkamp, was passed unanimously. Forum Area

B-16-b Deleted from the agenda.

C. OTHER BUSINESS

Mr. Lucas noted that this was Student Regent Grone's last meeting as his term of office is up. He stated that the Board is most appreciative of his abilities and commended him on an excellent year as Regent. Mr. Grone said that it was his pleasure to serve.

Dr. Albright said that Student Government has made strides this year that have been unequalled and are in large part due to Phil's leadership. The President further stated that it had been a pleasure to work with him this past year.

Mr. Lucas introduced the new Student Regent Mary Penrod. She was sworn in by the Chairman. Ms. Penrod introduced other officers of Student Government who were seated in the audience.

The Chairman reported that Dr. Williams had been elected to another three year term as Faculty Regent.

The next quarterly board meeting is scheduled to be held on Wednesday, July 28, 1982.

The meeting was adjourned at 6:30 p.m. on motion by Mr. Grone and seconded by Mr. Duncan.

BOARD OF REGENTS MINUTES
August 10, 1982

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. on Tuesday, August 10, 1982 by Chairman Kenneth Lucas. Invocation was given by the Reverend Louis R. Schmidt.

ROLL CALL:

Regents present: Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod, Dr. Pat Sommerkamp, Mr. Richard Spears, Dr. Jeffrey Williams. Excused was Mr. John Yarmuth. A quorum was declared by the Chairman.

Others present: President A. D. Albright, Mr. John Brooking,Dr. Gene Scholes, Mr. John DeMarcus, Ms. Cindy Dickens, Dr. Lyle Gray, Mr. Robert Knauf, Mr. Clarence Tabor, Mr. Dennis Taulbee, Ms. Kim Hennessy, Faculty Senate President Tom Cate, Alumni Representative Jack Burleson, Staff Congress President Dorinda Giles, Ms. Carmine Bell, Ms. Denise Hough, Dr. James Alford, Ms. Perk Rudd, Ms. Sue Hodges, Ms. Becky Myers, Ms. Carla Chance, Ms. Joan Richter, Ms. Carol Guthier, Mr. Mike Baker, Mr. Ken Ramey, Mr. Henry Stephens, Dr. Mike Klembara, Mr. Dave Phillips, Mr. Mike Ryan, Ms. Mary McGhee, Mr. Mary Huening, Mr. John Connor, the Reverend Louis Schmidt, Ms. Dolores Thelen and media representatives - Molly Ross of Kentucky Post, George Eislie of WCKY Radio, Cindy Schroeder of Kentucky Enquirer, and Sam Bucalo of Northern Kentucky Time Star.

The chairman recognized Ms. Dorinda Giles, President of Staff Congress, and Dr. Tom Cate, President of Faculty Senate.

ELECTION OF OFFICERS:

Mr. Duncan nominated Mr. Kenneth Lucas as Chairman, seconded by Mr. Grayson. Mr. Haas moved that the nominations be closed. The motion, seconded by Mr. Duncan, was unanimous. Mr. Lucas was elected Chairman by unanimous vote.

Mr. Haas was nominated for Secretary/Treasurer by Mr. Martin, seconded by Mr. Duncan. A motion by Mr. Duncan, seconded by Mr. Grayson, received unanimous vote to close nominations. Mr. Haas was elected Secretary/Treasurer by unanimous vote.

Mr. Haas nominated Ms. Dolores Thelen as Assistant Secretary, seconded by Dr. Sommerkamp. Mr. Grayson moved that the nominations be closed. The motion, seconded by Mr. Haas, was unanimous. Ms. Thelen was elected Assistant Secretary by unanimous vote.

Mr. Lucas noted that he had been Chairman of the Board for ten years and in the interest of the University, he felt that a committee should be appointed to investigate and recommend tenure provisions for officers of the Board. A committee to recommend a policy for terms of office for officers of the Board was appointed by the Chairman as follows: Dr. Sommerkamp, Chairman, Mr. Duncan, and Mr. Spears.

The minutes of the April 28, 1982 quarterly meeting were unanimously approved on motion by Mr. Haas and second by Mr. Spears.

PRESIDENTIAL REPORTS:

A-1 In presenting the Grants and Contracts Report, the President noted that the University has received nearly $140,000 above last year at this time. The report represents a considerable increase in view of what is transpiring with the particular sources of revenue in these inflationary times. The increase is due to the good work of the Grants and Contract office as well as increased faculty participation in submitting proposals. Grants and Contracts

A-2 Mr. DeMarcus noted that, in addition to the Design and Programming Report submitted, programming and design will begin on a new classroom building, expansion of the library and fine arts building as well as roadways. He further noted that sale of Housing System Revenue Bonds is now complete for a total of $5,993,000. Slides were shown depicting the Health Center in relation to roads and other buildings. — Campus Development

A-3 The President stated that the Summer School report shows a slight increase this year with the largest increased enrollment during intercession. — Summer School Report

A-4 President Albright pointed out various activities in the Public Safety report and noted that the department is a service arm of the University rather than a policy agency. — Report on Public Safety

A-5 The President reported that the complete audit of financial funds of the University will be presented at the October meeting; however, the report submitted gives a fairly accurate financial picture of the University. — Financial Report

A-6 President Albright reported that plans are progressing for the implementation of House Bill 622 giving greater responsibility and a greater accountability for the operation of the University to the Board. Full implementation will not begin until January 1, 1983 at the request of the Department of Finance but preparations are under way in a number of areas. Capital construction option and responsibility will not be exercised as it would necessitate additional staff and expenditures. — House Bill 622

A-7 The Management Information Report will provide the Board members with facts and figures about the University and is a source from which reliable and sound decisions can be made in future planning, according to the President. — Management Information Report

A-8 The President reported that the Governing and Administrative Regulations Handbook reflects the recent reorganization as well as incorporating policy changes which have been approved by the Board. — Regulations Handbook

A-9 The President stated that the report on Leading Issues and Emerging Policies of the University is a document to be used by the Regents, faculty, and the administration in planning for the 1980's and was compiled by a committee under the fine leadership of Dr. Scholes. — Leading Issues and Emerging Policies for the 1980's

Dr. Scholes highlighted the report with an excellent presentation of issues that the institution is facing or will face and some of the policies that will have to emerge within the Board. (The comprehensive report is attached to these minutes.) The following leading issues were discussed in detail by the Vice President: Access, Quality, Curriculum, Funding, Governance, and Community Outreach.

Achievements which the University in all likelihood will approach by the end of the 1980's were outlined by Dr. Scholes as follows:

-an enrollment level of some 12,000 students;
-a faculty of approximately 310 full-time Instructional personnel;
-a support staff of around 500 professional and non-professional personnel;
-a budget approaching $50 million annually;
-expanded and refined academic programs in both the Arts and Sciences and Professional Studies;

(to be continued)

A-9 Anticipated Achievements (continued)
-increased community services through the establishment of institutes and centers designed to respond appropriately to community needs and problems;
-an expanded physical plant, including a new Health Center and two additional classroom buildings; and
-further development of the University Foundation property in a research/high technology center to complement the Kroger facility.

Dr. Sommerkamp commended Dr. Scholes and the committee for the very excellent report. Dr. Williams noted the absence of a statement wherein existing groups give approval to the University Senate. Dr. Albright pointed out that the formation of a University Senate does not preclude existing components but one University Senate will provide a broader representation and communication between present groups.

A-10 Dr. Albright noted that the two financial statements are for the financial aid funds of the University and represents the audit of those funds for 1980-81.

PRESIDENTIAL RECOMMENDATIONS:

B-1 Dr. Gray presented the following Academic personnel recommendations: Academic Personnel Changes

Robert Schneider as Director of Library to Collection Management Librarian

B-1 (continued)
Administrative Appointments -
Larry Giesmann - Associate Dean for Arts and Sciences
James Gray - Assistant Dean for Professional Studies
James Hopgood - Acting Chairperson of Social Sciences
Mary Ellen Rutledge - Acting Director of W. Frank Steely Library

Dr. Gray reported that the title of Cooperating Professorship was created and approved several months ago wherein the responsibilities of the individual are not primarily academic and that he was pleased to announce Carla Chance as the first person to fill this type of position.

Mr. Haas moved that the recommendations be approved as presented. The motion, seconded by Mr. Grayson, was passed unanimously.

B-2 Various non-academic personnel actions (attached to these minutes) were unanimously approved on motion by Mr. Grayson and second by Mr. Martin.

B-3 The President recommended that the Board of Regents approve the "Exit Interview" policy to be included in the Personnel Policy and Procedure Manual. (Policy is attached to these minutes.) A motion by Mr. Spears, second by Mr. Duncan, and a unanimous vote approved the policy as recommended.

"Exit Interview" Policy

B-4 President Albright recommended that the revised Handbook for Department Chairpersons receive approval. Provost Gray explained that the role of the chairperson has changed since the previous handbook was prepared several years ago. The handbook has been approved by the chairpersons and has been reviewed by the faculty and legal counsel. One of the significant changes in the handbook is the addition of Council of Chairpersons and includes all permanent and acting chairpersons. An ad hoc committee has been formed to communicate the concerns of the chairpersons as a group to the administration. A motion was made by Mr. Haas to approve the handbook as recommended. The motion was seconded by Dr. Sommerkamp and was approved by unanimous vote.

Handbook for Department Chairpersons

B-5 Dr. Albright recommended approval of the sections of the Faculty Handbook regarding Chase faculty. The Provost stated that the sections have been developed and approved by the faculty of the Chase College of Law and its administration. They are necessary due to the organizational structure of the College of Law differing from that of the rest of the University. Dr. Williams moved that the sections of the Faculty Handbook pertaining to Chase faculty be approved as submitted. The motion, seconded by Mr. Martin, was unanimously passed.

Chase faculty portion of Faculty Handbook

B-6 It was recommended by the President that the following academic reorganization take place in Academic Affairs:
Cooperative Education - Move from Academic Affairs to Student Affairs
Child Development/Day Care - Move from Academic Affairs to Student Affairs
Electronics Technology Program - Move from Physical Sciences to Technology and Occupational Education
Dr. Sommerkamp asked if students in the cooperative education program will continue to receive credit as they have in the past. Provost Gray said that the move to Student Affairs will not jeopardize their credits. Mr. Martin moved, seconded by Mr. Spears, that the recommendation be adopted as presented. The motion was passed by unanimous vote.

Academic Reorganization

B-7 President Albright recommended that two major program components of the University be designated colleges; namely, the College of Arts and Sciences and the College of Professional Studies. The President explained that Northern has been moving in the direction of full development as a University by curriculum development, instructional strength, faculty peer review and evaluation and program review on a continuing basis. If the Board approves, Northern will have three colleges - Chase College of Law in addition to the above. Two Colleges Named

The President further noted that at the time the West Campus is renamed, a recommendation can be expected to designate that component as a college. (The West Campus was later in this Board meeting renamed "University College" as reported in these minutes under B-16.)

It was moved by Mr. Haas and seconded by Dr. Sommerkamp that the recommendation be approved as presented. The motion was accepted by unanimous vote.

B-8 President Albright presented a recommendation that a Selective Admissions Program in Education receive Board approval. (Complete program attached to these minutes.) The program for students entering teacher education has been mandated by the State Department of Education. The program as presented has been reviewed by legal counsel of the University, according to Provost Gray. Dr. Gray further stated that the program is designed to raise the quality of students entering elementary and secondary teacher education. Selective Admissions Program in Education

Dr. Williams, in moving that the recommendation be adopted, noted that Northern's Education Department has been one of the pioneers in upgrading admissions standards for teacher education. The motion, seconded by Mr. Duncan, was passed unanimously.

B-9 Changes were recommended in graduate education requirements by the President for the following: Graduate Education Requirements for three areas

Reading Specialist Certificate
Administrative Certificate
Test of English as a Foreign Language

Specific requirements for the above are attached to these minutes. Dr. Gray explained that these requirements are an upgrade of existing programs. Dr. Sommerkamp moved, seconded by Mr. Grayson, that the recommendation be approved as presented. The motion passed unanimously.

B-10 A recommendation was made that the University, if deemed appropriate by the President, grant an honorary Doctor of Laws degree to the speaker for the dedication of the Law College. Dr. Albright stated that the dedication of the new law building will be held on September 19, 1982 and that the University may wish to honor the guest in this manner. Mr. Haas moved the adoption of the recommendation. Mr. Martin seconded the motion. Recommendation was adopted with seven aye votes and an abstention by Dr. Williams, who stated he felt it inappropriate to vote on granting this degree. Guest Speaker at Law College Dedication

B-11 A Policy on Undergraduate Admissions (attached to these minutes) was presented by the President. If approved, the policy will be be implemented with the class seeking admission for the Fall of 1982. Ms. Dickens noted that the policy distinguishes between non-matriculating students and those students seeking a degree and that a provisional admissions program is included for students below standards set forth in the policy. Undergraduate Admissions Policy

When asked if such a policy may lower our number of admissions, Ms. Dickens answered that the university similar to ours noted a decrease in enrollment for a year or so when it began to increase. On an additional question, she stated that help and counselling would be given those students entering under the provisional admissions program.

When asked about the legality of admission policies and the legal rights of an entering student in a state-supported institution, Dr. Albright explained that it has been quite well established that an institution can set its own admission requirements.

Unanimous approval of the policy was given on motion by Mr. Haas and second by Mr. Spears.

B-12 The President presented a Policy for Readmission of a Suspended Student (attached to these minutes). Ms. Dickens explained that the policy provides the basis and procedure for readmission of students who have been suspended from the University for academic reasons. A motion by Mr. Martin and a second by Dr. Sommerkamp was approved by unanimous vote. Readmission Policy for Suspended Students

B-13 President Albright recommended that an easement be approved for the West Campus to allow the Santitation District No. 1 of Campbell and Kenton Counties to install a new sewage line along the northwest edge of the University property. Mr. DeMarcus explained this is needed in order to replace an old storm drain. Mr. Martin moved that the recommendation be adopted. The motion, seconded by Mr. Spears, was passed unanimously. Easement to Sanitation District

B-14 A Fire and Life Safety Policy (attached to these minutes) was presented for approval. Mr. DeMarcus explained that occasionally staff members will alter safety equipment and such actions could prove very hazardous; therefore, a policy was needed to be established to prevent this from reoccurring. Mr. Duncan moved that the policy be approved as presented. The motion was seconded by Mr. Haas and was passed by unanimous vote. Fire and Life Safety Policy

B-15 (a) The President recommended that the Regents approve Recommendation Five to be included in the University Committee Policies. (Recommendation attached to these minutes.) He explained that this recommendation would insure student representation on all committees with the exception of those committees whose primary charge is to review academic records of students. Motion was unanimously approved on motion by Ms. Penrod and second by Dr. Sommerkamp. University Committee Policies

B-15 (b) President Albright recommended the adoption of the Athletic Council Constitution as revised to reflect the recent reorganization in the University. He explained that the Athletic Council approved the constitution at its meeting on May 5, 1982. A motion by Mr. Grayson and a second by Mr. Martin was adopted by unanimous vote.

Athletic Council Constitution

B-15 (c) Ms. Penrod recommended that the amendments to the Student Government Constitution be approved by the Board as required in Article IX of the Constitution. She pointed out the major changes as follows:

1. That Student Forums be held twice a semester rather than once.
2. Cluster Representatives to be changed to Academic Senators.
3. That all Executive Council members attend Representative Assembly meetings - in the past only the President was required to attend.
4. Senators, Justices, and Department Representatives must have completed at least 30 hours, rather than one year.
5. That two-thirds rather than three-fourths of Representative Assembly membership be required for impeachment petition.

Ms. Penrod moved the adoption of the amendments. The motion, seconded by Dr. Sommerkamp, was passed unanimously.

Student Government Constitution

B-16 The President recommended that the West Campus be renamed University College. For the purposes of future planning and university relations, it was appropriate to designate the West Campus as a collegial unit. This would prevent negative assumptions being attached to the programs on that campus, as well as enabling the University to include it in the mainstream planning processes. He further stated that it was quite possible that a more appropriate title would be chosen at a later date. Dr. Gray explained a search committee is underway to select a Dean for that area and be responsible for the programming.

A motion was made by Mr. Haas and a second by Mr. Grayson to adopt the recommendation.

Dr. Williams spoke against the motion stating he felt there was a contradiction in the way in which this was being approached. He expressed the fact that he felt the West Campus should not be named until it was known exactly how the campus would be utilized.

Dr. Albright explained that the idea of renaming the campus was to keep the operation there from appearing as a second class operation. He further explained that there has been planning taking place for this campus over a period of time and has been reported to the Regents.

After further discussion, the Chairman called for a vote. The motion carried with seven aye votes and a nay vote by Dr. Williams.

West Campus renamed University College

B-17 President Albright recommended that the University continue to pursue its negotiations with the Federal Communications Commission leading to the establishment of a radio station at Northern Kentucky University. The President explained that the University has been attempting to establish a station since 1972; however, financing has precluded further planning. While funding is still not clear, it is necessary to keep the option open and available. Motion by Mr. Grayson and second by Mr. Duncan was approved by unanimous vote.

Negotiations with FCC

OTHER BUSINESS:

C-1 Dr. Albright called attention to a national meeting of the Association of Governing Boards of Universities and Colleges to be held in Louisville in October. He stated that if any Regents desire to attend, arrangements can be completed for them.

A motion was made by Mr. Martin that the Regents go into Executive Session to discuss a personnel matter. The motion, seconded by Mr. Duncan, was passed unanimously.

The meeting recessed at 6 p.m. and reconvened at 7:15 p.m.

Motion to adjourn was made by Mr. Grayson, second by Mr. Haas.

The next quarterly meeting of the Board of Regents is scheduled for Wednesday, October 27, 1982.

ADJOURNMENT

BOARD OF REGENTS MINUTES
Thursday, October 7,1982

A special meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:10 p.m. on Thursday, October 7, 1982. The invocation was given by the Reverend Louis R. Schmidt.

ROLL CALL:

Regents present: Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod, Mr. Richard Spears, Dr. Jeffrey Williams. Mr. John Yarmuth arrived during Executive Session. Excused: Dr. Pat Sommerkamp.

Others present: President A. D. Albright, Dr. Gene Scholes, Mr. John DeMarcus, Ms. Cynthia Dickens, Dr. Lyle Gray, Mr. Clarence Tabor, Mr. Dennis Taulbee, Dr. Ralph Tesseneer, Ms. Kim Hennessy, Dr. James Claypool, Dean William Jones, Alumni Representative - Ken Ramey, Staff Congress Representative - Ms. Dorinda Giles, Ms. Denise Hough, Ms. Andrea Grone, Ms. Mary Paula Schuh, Ms. Sue Hodges, Ms. Becky Myers, Ms. Carla Chance, Mr. Gregg Schulte, Mr. Donald Gammon, Ms. Mary McGhee, Ms. Mary Huening, Mr. Ted Wanstrath, Ms. Carol Guthier, Mr. Dan Alford, the Reverend Louis R. Schmidt, Mr. Ralph Nall, Mr. Isaac Watson. Media Representatives - Bill Ackley, Chip Garlough and Barb Barker of the Northerner, Carole Valentine of the Kentucky Enquirer, Art Jester of the Lexington Herald, Tom Williams of the Kentucky Post, Bonita Jackson of WCKY Radio, John Ester of WCPO TV, and Jeannine Gallenstein of the Northerner.

Mr. Lucas recognized and introduced Mr. Ken Ramey, President of the Alumni Association and representative for the board meetings.

PRESIDENTIAL REPORTS:

A-1 The President presented the enrollment summary for Fall, 1982 and noted that Undergraduate headcount increased 7.3% and Undergraduate FTE increased 9.3%. A slight decrease in Graduate enrollment is due to more selective admissions in the Education and MBA programs. The overall headcount increase was 6.2%. With the number of continuing education students, which are not included in the report, our total headcount is over 10,000 students. — Fall Enrollment

A-2 Dr. Albright reported that an investment program which began in 1978 has shown considerable increase over the past four years and he complimented Mr. Tabor and his staff in developing the program. The President also recognized Mr. Isaac Watson of the Department of Finance mentioning that he and others from the department had also helped in the development of the investment program. In 1978, nearly $40,000 was realized from investments; 1979 - $125,000; 1980 - $237,000, 1981 - $257,000; and 1982 - $547,000. — Investment Program

A-3 A report from Research, Grants, and Contracts office was presented to the Board. The President stated that he felt the Board members would be pleased with what has and is happening in this important area. — Grants and Contracts

PRESIDENTIAL RECOMMENDATIONS:

B-1 Dr. Albright called upon Mr. Tabor to speak on the audit of the University's financial records for 1981-82. Mr. Tabor stated that the audit was performed by the State Auditor's office and according to the comments of the head auditor, — Audit

(continued - next page)

B-1 (continued)
the University came out quite well. The revenue reached the projected figure and expenditures were in line with budgeted figures. The audit report was presented to the Board for acceptance. Mr. Grayson moved that the report be accepted. The motion, seconded by Mr. Duncan, was unanimously passed.

B-2 Mr. DeMarcus reviewed the $14,900,000 bond resolution and listed the buildings to be covered. The bids will be opened and voted upon October 19, 1982 at 10 a.m. in the Board Room. Mr. Nall of First Securities, bond counsel, was introduced and asked for any questions. Mr. Duncan asked if there would be a conflict of interest if a Regent desired to become involved in the purchase of bonds and Mr. Nall answered that there would not be a conflict. Series C Bond Resolution

President Albright stated that since the adoption of a Resolution by the Board of Regents on July 18, 1979 authorizing the issuance of $19,360,000 Consolidated Educational Buildings Revenue Bonds, Series C, of the Board of Regents of Northern Kentucky University, the scope of the project to be financed by the issuance of such bonds has been reduced with the result that now it is in order to finance a project consisting of a Power Plant expansion estimated to cost $1,732,604, a Health and Physical Education Facility estimated to cost $9,332,000, a Materials Storage Facility estimated to cost $900,000, the Classroom Building Reconstruction (Nunn Hall) estimated to cost $1,500,000, and the Science Building Reconstruction estimated to cost $1,069,591, totalling $14,543,195, and that if Bonds are to be issued to finance such projects to pay the architectural, engineering, financing and other necessary costs in connection therewith, including a reasonable amount for unforeseen contingencies, it would be necessary to issue $14,900,000 of Northern Kentucky University Consolidated Educational Buildings Revenue Bonds, Series C.

After such matter had been fully discussed and considered, Board Member Gordon Martin moved the immediate adoption of the proposed "Series C Bond Resolution" attached hereto, which motion was seconded by Board Member David Duncan, said proposed Resolution being entitled as follows:

A RESOLUTION AUTHORIZING THE ISSUANCE OF $14,900,000 CONSOLIDATED EDUCATIONAL BUILDINGS REVENUE BONDS, SERIES C, OF THE BOARD OF REGENTS OF NORTHERN KENTUCKY UNIVERSITY, AND REPEALING ALL PRIOR PROVISIONS INCONSISTENT THEREWITH.

Full discussion followed concerning said Resolution and the Chairman thereupon put the question and upon the call of the roll, the vote was recorded as follows:

Yea Votes - Mr. Elmer Haas, Mr. Gordon Martin, Dr. Jeffrey Williams, Mr. Richard Spears, Mr. David Duncan and Ms. Mary Penrod.
Nay Votes - None
Abstention - Mr. Merwin Grayson, Jr.

Thereupon the Chairman declared that said motion had carried that such Resolution had been duly adopted and was in full force and effect.

Thereupon, Board Member David Duncan moved, which motion was seconded by Board Member Gordon Martin, that the Chairman of the Board of Regents, its Secretary, and other appropriate representatives, be authorized at the appropriate time to cause publication to be made in such newspapers and at such times as necessary

(to be continued)

B-2 (continued)
to comply with all legal requirements relating to a Notice of Sale of Bonds as provided by such Resolution, and that an Executive Committee be and is hereby appointed consisting of Elmer Haas, Gordon Martin, and Kenneth Lucas with full power to accept the best bid with reference to the sale of such Bonds, the best bid being calculated on the lowest net interest cost, provided that such average net interest cost in any event does not exceed 12.5%.

Full discussion followed on said motion, and the Chairman thereupon put the question, and upon the call of the roll, the vote was recorded as follows:

Yea Votes - Mr. Elmer Haas, Mr. Gordon Martin, Dr. Jeffrey Williams, Mr. Richard Spears, Mr. David Duncan, Mr. Merwin Grayson, and Ms. Mary Penrod.

Nay Votes - None

(See excerpts of special meeting provided each Regent prior to the meeting for further areas of the Bond Resolution.)

B-3 President Albright introduced an organizational chart explaining that the primary rationale for determining the organizational structure was to conform more closely to the relationship between structure and institutional missions, goals, and objectives and was based on several key premises: Organizatior Chart

1. The nearer that structure corresponds to basic missions, the more likely these missions are to be accomplished.
2. The closer that structure reflects directly the institutional missions, the easier performance can be evaluated and missions and operations revised.
3. The fewer "layers" in a structure, the more likely many decisions can be made at the basic structural unit.
4. The fewer major discrete units, the easier it is to effect coordination among these units.
5. In periods of change and transition, structure should be flexible, adaptive, and accommodating of increasing variables in missions and programs.

Dr. Albright explained that these premises have guided the development of the University's organization over the past several years. Following earlier reorganization of the academic area, Business Affairs was remodelled next, then the Board approved a subsequent reorganization plan which was to be completed in two phases: the first dealt primarily with Student Affairs and that has been implemented; the second phase which is reflected in the attached chart, deals primarily with administrative affairs and is based in part upon recommendations by the Price Waterhouse management study and the Southern Association of Colleges and Schools study.

Mr. Duncan stated that he would also like to see names on the chart and the President said that they would be supplied at a later date.

Mr. Haas moved that the organizational chart be approved as presented upon the recommendation of the President. The motion was seconded by Mr. Spears and was passed unanimously.

B-4 Two program proposals were presented by the President as follows:
(1) Information Systems Program
(2) Food Marketing Management Program

Program Proposals

Dr. Gray stated that both programs created great interest and this would raise the number of baccalaureate programs being offered by the University. Mr. Grayson moved that the programs be approved as presented. The motion, seconded by Mr. Spears, was unanimously passed.

B-5 President Albright presented an Administrative Regulation for the Chairpersons' Council and recommended its approval (regulation attached to these minutes). The Regents approved the establishment of a Chairpersons's Council at the last meeting and this regulation will facilitate the body, according to the President. A motion was made by Mr. Martin, seconded by Mr. Haas, that the regulation be approved as presented. The motion passed by unanimous vote.

Chairpersons' Council

B-6 The President presented a list of projects in priority order allocating the prior-year fund balance and recommended approval (list attached to these minutes). Dr. Albright noted that the financial statement reflects a discretionary prior-year fund balance of $2,366,000. Of the $2.3 million, it is recognized that the University needs to maintain a permanent reserve of $700,000 and that the institution will realize additional revenues in 1982-83 of $300,000. The $700,000 amount is equal to 2% of the current fund budget which is a low reserve but not dangerously low.

Prior-year Fund Balance Allocation

Mr. Grayson made a motion that the prior-year fund balance allocations be approved as presented. The motion, seconded by Mr. Spears, was unanimously passed.

EXECUTIVE SESSION

Mr. Martin moved that the Board go into Executive Session to discuss a personnel matter. The motion, seconded by Mr. Grayson, was passed unanimously.

The meeting reconvened at 6:45 p.m.

SPECIAL COUNSEL

The President stated that when the Board of Regents approved the University Counsel position, the Executive Officer was empowered to select an outside counsel for litigations which would be ratified by the Board. Dr. Albright reported that he has selected Lanny Holbrook for the Lengyel complaint, has proposed and sent to State Government a personal service contract, and recommended the Board's approval of the action. Mr. Grayson moved, seconded by Mr. Duncan, that Lanny Holbrook as special counsel be approved as presented. The motion passed unanimously.

PERSONNEL MATTER

Chairman Lucas stated that the Executive Session personnel matter concerned the President. On September 15, 1982 the Chairman received from Dr. Albright a letter informing the Board of his intention to retire as of February 28, 1983. At the last regular quarterly meeting during Executive Session, the Board asked the President to prepare consulting guidelines for the selection of a new President.

The Chairman recommended that the suggested guidelines developed and circulated at the request of the Board be adopted for use in conducting the search for a President of Northern Kentucky University to replace A. D. Albright; and, that the following proposed resolutions one through six inclusive be adopted as the initial steps to be taken in activating the process:

1. Acknowledgement of incumbent's intention to relinquish the Presidency
2. Establishment of a Consultation Committee to the Board of Regents in the Selection of a President
3. Adoption of Procedures for the Consultation Committee
4. Adoption of General Criteria and Qualifications for Screening Candidates by the Consultation Committee
5. Establishment of a Position of Secretary to the Consultation Committee and the Appointment of Person to Fill the Position

(Complete resolutions are attached to these minutes)

Mr. Duncan moved that the resolution be adopted. Mr. Haas seconded the resolution and added the following: This resolution is intended to provide an outline of a general nature, establishing within reasonable limits the committee's procedures in the selection of a new President. The motion including the addendum was passed unanimously.

Chairman Lucas commented that in the six and a half years that Dr. Albright has been with the University, he has served with as much distinction as anyone could expect from a human being. It will be a most difficult position to fill. The person who follows Dr. Albright will not have an easy task. The Chairman stated that he was glad to have been a part of the selection process for Dr. Albright and values the association with him. He further stated that Dr. Albright cannot be lauded enough for the contributions to this institution and community.

Mr. Haas moved that the comments be prepared in an appropriate commendation for Dr. Albright's service to our institution and that due consideration be rendered to the preparation of same. The motion was seconded by Mr. Martin and was passed unanimously.

President Albright stated that his remarks would be brief but that he would have more to say at a later date. He said that he felt this has been and is an unusual and distinctive Board for two reasons: First, the Board, unlike many Boards, has set policy for the administration to carry out and has not interfered in the operational aspects. The Board has kept an open mind realizing that if something is not working, it can be changed. Second, the Board has been completely unified in moving this institution to a quality, first-class university.

Dr. Albright's further comments noted that this institution has a very highly credentialed, first-class faculty. The students have just finished a survey and the one thing that has come up with the greatest frequency was the accessibility of faculty to the students of the University as well as the quality of instruction. In addition to the faculty, this institution has a highly qualified staff giving unlimited support to the institution.

In addition to the faculty, staff, and students, the people of Northern Kentucky have been unusual due to the fact that there has been more public support and encouragement for the institution in this area than happens in other areas. According to the President, the institution has become a unifying force in Northern Kentucky.

In conclusion, Dr. Albright said that rather than discuss what has happened in the past six and a half years, he would prefer to address some of the challenges of the future, things that will be happening in 1987, 1992, and the year 2000.

A date for the regular quarterly meeting will be set later.

The meeting was adjourned at 6:50 p.m. on motion by Mr. Grayson and second by Mr. Haas.

BOARD OF REGENTS MINUTES
Tuesday, December 14, 1982

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:45 p.m. on Tuesday, December 14,1982. The invocation was given by the Reverend Louis R. Schmidt.

ROLL CALL:

Regents present: Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod, Dr. Pat Sommerkamp, Mr. Richard Spears, Dr. Jeffrey Williams, Mr. John Yarmuth.

Others present: Dr. A. D. Albright, Dr. Lyle Gray, Mr. John DeMarcus, Mr. Robert Knauf, Mr. C.M. Tabor, Mr. Dennis Taulbee, Ms. Cindy Dickens, Dr. Roger Meade, Ms. Sue Hodges, Ms. Perk Rudd, Ms. Kim Hennessey, Ms. Carla Chance, Mr. Gregg Schulte, Mr. Glenn Wells, Mr. William Jones, Mr. Henry Stephens, Ms. Mary McGhee, Ms. Linda Sanders, Mr. Ken Ramey, Mr. Mike Baker, Dr. Tom Cate, Louis Schmidt, and from the media - Gary Webb of Kentucky Post, Howard Mintz of Kentucky Enquirer, and Sam Bucalo of Kentucky Time Star.

The Chairman welcomed all present and recognized Ms. Linda Sanders, newly elected President of Staff Congress.

MINUTES of previous meetings were approved as follows:

August 10, 1982 minutes were accepted as presented on motion by Mr. Duncan and second by Mr. Haas. Minutes of October 7, 1982 were approved on motion by Mr. Yarmuth and second by Mr. Duncan. October 29, 1982 executive session minutes were accepted on motion by Mr. Haas and second by Mr. Yarmuth.

PRESIDENTIAL REPORTS:

A-1 The President presented Grants and Contracts report noting that the amounts are lower than last year at this time. It is not unexpected in view of the economic situation. — Grants and Contracts

A-2 The Summer Sessions report showed a small decrease from the previous year. Comparison figures attached to these minutes. — Summer Sessions

A-3 Mr. DeMarcus, reporting on Campus Development, stated that even though drawings and specifications have been completed for the Pedestrian Bridge, there is insufficient funding at this time to complete the section to the University Center. — Campus Development

The Administrative Center has some minor problems, but all are under warranty and the contractor is attempting to correct. Construction of the Health Center is progressing somewhat ahead of schedule at this time, and is scheduled for completion in the Spring of 1984. The computerized security system has experienced minor problems. Dr. Albright stated that the University is indebted to Mr. Spears and Ashland Oil for consulting help on the planning for improved computer facility and capability.

The final closing for the Series C Bond issue was held November 24 in Chicago. Low bid was received from John Nuveen Company of Chicago. The effective interest rate for the $14,900,000 issue is 9.7721%.

A-4 Mr. Tabor presented the quarterly financial report and noted that budgeted revenue figures were on target with amounts received. — Quarterly Report

A-5 The audit report from the State Auditor of Public Accounts was presented. Mr. Tabor noted that the report contains the comments and recommendations of the audit team as well as the University's response. Mr. Tabor further reported that the team was basically complimentary to the accounting staff for their cooperation during the audit. — Financial Audit

A-6 President Albright stated that the Board had authorized the administration to exercise Senate Bill 243 requiring state universities to select banks by competitive proposal. Northern solicited written proposals from all banks in Northern Kentucky area. Mr. Tabor and others drew up written criteria covering such matters as interest rate and services to be provided to the University. Six banks responded and proposals were judged on the written criteria. The best proposal was received from Covington Trust and Banking Company. — Implementatic of House Bill 243 (Banking)

Dr. Albright stated that the unsuccessful proposers had the opportunity to review and discuss their unsuccessful proposal. Three banks took advantage of this and were complimentary of the procedures used by the University.

The Memorandum of Agreement between Covington Trust and the University outlines the specifics and is effective January 1, 1983 through December 31, 1983, with an option to renew. (Agreement attached to these minutes.)

A-7 President Albright reported that the Council on Higher Education staff has done a tremendous amount of research, analyses, and other work to produce a comprehensive proposal for funding higher education. — Formula Funding

Mr. Taulbee reported that the original formula for funding was discussed at a meeting this week and the Council proposed some new changes. The changes met with objection by the budget directors at this late date. There will be additional meetings to resolve many issues brought up by the various universities. The Board will be kept informed.

A-8 The President presented his annual report for 1981-82 as mandated by Kentucky Statute. Dr. Albright complimented Mr. Knauf, Mr. Ellis and staff for an excellent report. — President's Annual Report

PRESIDENTIAL RECOMMENDATIONS:

B-1 The following new faculty appointments were presented for approval:

Biological Sciences:
- Holland Harris
- Michael Sheldon

Fine Arts
- Linda Krumme

Mathematical Sciences
- Thomas Eynden
- Gail Loeser

Social Sciences
- Ruth Pickard

Physical Sciences:
- Donna Glaser
- Joe McNutt
- Arthur Ambrose

Political Science:
- Jerry Gaines
- Dennis Sies

Psychology:
- Randal Horn
- Angela Lipsitz

New Faculty Appointments

Mr. Grayson moved that the appointments be approved. The motion was seconded by Ms. Penrod and was passed by unanimous vote.

The following appointments of continued probation, promotion, and tenure were presented for approval: (Comprehensive list attached to these minutes)

Continued Probation, Promotion, and Tenure

For continued probation:

Miriam Kannan	Stuart Ware	Susan Doerr
Diana Duffin	Stephen Goacher	Carolyn Hagner
Gary Johnston	David Leong	Ronald Naversen
James Stacy	William Worley	Janet Scarlata
Macel Wheeler	Margo Jang	Susan Kissel
Robert Rhode	Peter Schiff	Elinor Welt
Sally Jacobsen	Daniel Curtin	Charles Frank
Philip McCartney	Gail Wells	David Hogan
Cynthia McDaniels	Raymond McNeil	Glen Mazis
Terry Pence	Terrence Russell	Barbara Thiel
Billie Brandon	Julie Gerdsen	Melinda Langmeyer
Timothy Serey	Richard Snyder	Charles Apple
Thomas Barone	Rachelle Bruno	Donald Cobb
Rosemary Ingham	Linda Olasov	Janet Simon
Janice Cantrell	Joy Churchill	Lynn Cones
Linda Moneyham	Barbara O'Brien	Alice Rini
Victoria Channell	J. Michael Hunter	E. Kay Cooper
James Alford	James Kinne	Paul Joseph
Gene Krauss	Carol Allred	Carol Bredemeyer
Linda Newman	Tom French	Nancy Campbell
Lois Schultz	Rebecca Sturm	Threasa Wesley

For promotion:

W. Michael RYan	Richard O'Brien	Christopher Boehm
Mary Ann Renz	David Bishop	Michael Gray
Christine Stiegler	James Gray	Philip Yannarella
Mark Stavsky	Henry L. Stephens	Thomas French

For tenure:

W. Michael Ryan	Judith Bechtel	Frank Dietrich
Richard O'Brien	Charles Hawkins	David Adams
Robert Snyder	David Bishop	Mary Ann Renz
Michael Gray	Christine Steigler	James Gray
Henry L. Stephens		

Mr. Yarmuth moved that the appointments be approved as presented. The motion, seconded by Dr. Sommerkamp, received unanimous approval.

Terminal Contracts

It was recommended that V. Jean Wainscott of Biological Sciences and Byron Renz of Communications receive one year terminal contracts. Mr. Grayson moved that the recommendation be approved as presented. The motion, seconded by Mr. Haas, received unanimous approval.

Administrative Actions

The following administrative actions were presented for approval:

Dr. John White be appointed Dean of University College
Dr. Robert Miller be appointed Dean of Community Research and Services
Dr. Joseph Ohren, Acting Chairperson of Public Administration
Dr. Michael Klembara from Associate Provost to Associate Professor of Math
Ms. Betsy Jennings, Cooperating Instructor of Education
Dr. Fred Rhynhart, unpaid leave for Spring Semester 1983
Mr. Jack Sherman, unpaid leave for Fall Semester 1983.

B-1 (continued)
Dr. Gray noted that the Board previously approved the Cooperating Professorship appointment stating it was for those persons who choose to work outside the academic area but credentials and expertise qualify them for this appointment.

Dr. Sommerkamp moved that the actions be approved as presented. The motion was seconded by Dr. Williams and was passed by unanimous vote.

B-2 Non-academic personnel actions (list attached to these minutes) were approved by unanimous vote on motion by Mr. Grayson and second by Dr. Sommerkamp. Mr. Schulte noted that the information presented showed a lessening amount of terminations which probably reflects the economic situation at this time. The President complimented Mr. Gregg Schulte and his staff for the development of a personnel system that is working well for the University.

Non-academic Personnel Actions

The following administrative personnel actions were presented by the President for approval:

John P. DeMarcus - from Executive Assistant for Campus Development to Associate Vice President for Facilities Planning
Gene W. Scholes from Vice President to Vice President for Administration
Clarence M. Tabor from Executive Assistant for Business Affairs to Associate Vice President for Business Affairs
Dennis L. Taulbee from Director of Budget and Operations Research to Director of Budget
James C. Claypool - special leave for Summer of 1983.

Mr. Martin moved the approval of the actions, seconded by Mr. Grayson. The motion was unanimously approved.

B-3 The President asked Ms. Hennessey to speak to the recommendation being presented on Grievance Procedures to be included in the Personnel Policy and Procedures Manual (copy attached to these minutes). Ms. Hennessey reviewed the procedure for the Regents stating that the policy will protect the University as well as the individual. Mr. Grayson moved the adoption of the policy. The motion, seconded by Mr. Yarmuth, received unanimous approval.

Grievance Procedure

B-4 President Albright recommended that the Regents implement the provisions of House Bill 622, in regard to purchasing and financial management, effective January 1, 1983, and that the Board authorize the President to adopt regulations, policies, and procedures for implementation. This bill gives the University more latitude in the financial and purchasing operations. The President thanked Mr. Grayson for his effective help in the passage of this bill. Dr. Sommerkamp moved that the recommendation be approved. The motion was seconded by Mr. Martin and was passed by unanimous vote.

House Bill 622

B-5 It was recommended that the Board of Regents authorize the administration in consultation with appropriate campus constituencies to study and recommend to the Board additional types of appointments for faculty and administrative staff personnel. Dr. Gray pointed out that this does not replace the single appointment structure for both faculty and administrative personnel, but will give other alternatives to the administration in making appointments. Mr. Grayson moved that the recommendation be approved. The motion, seconded by Mr. Duncan, received unanimous approval.

Appointment Terms

B-6 The President recommended that the Standards for Off-Campus and Special Graduate Instruction Policy (attached to these minutes) receive Board approval for implementation immediately. Dr. Albright stated that the policy is a result of a year-long discussion with the graduate deans and deans who handle other off-campus instruction at institutions within Kentucky. The policy has received the approval of the NKU Graduate Council. Dr. Williams made a motion to approve the recommendation. The motion, seconded by Mr. Yarmuth, received unanimous approval.

Off-Campus Instruction Policy

B-7 It was recommended by the President that Chase Program Revisions (attached to these minutes) be approved as presented. Dean Jones stated that the revisions are a culmination of revisions which were begun two years ago to strengthen the quality of the instructional program of the law school. The revisions have the support of the law faculty. The focus of the revisions is more on basic courses so law students will be better prepared for graduation and the state bar examination. Dean Jones further noted that the program was not devised as a response to publicity about Chase's recent poor showing on the state bar exam, but was instead a result of a lack of emphasis on the basics in recent years.

Chase Program Revisions

Dr. Albright stated that despite the exam scores, the law school is still considered on the upswing. The scores did give some of the few critics in the state an opportunity to expand upon their biases, but the school has improved in the last two years by reducing enrollment with a more selective admission policy. The accreditation committee of the American Bar Association that evaluated the law school through thorough examination of the program approved accreditation, and also noted that the law school has improved immeasurably during the last two years.

Mr. Haas moved that the Chase Program Revisions be approved as presented. The motion, seconded by Dr. Sommerkamp, was unanimously approved.

B-8 The President recommended that the release (attached to these minutes) of Northern's interest in patented compounds, synthesis methods and usage of the patent application directed to "Substituted Pteridines, Methods of their Synthesis and Biological Utility" be approved. According to Ms. Hennessey, University of Cincinnati and Northern have combined efforts to invent the above-named compounds,methods and usage. The University of Cincinnati has borne all cost of the patent search and application. Mr. Yarmuth moved the approval of the recommendation. The motion was seconded by Mr. Haas and was passed unanimously.

Patent Release

B-9 President Albright recommended that the Committee on Admissions be established as a standing administrative committee of the University and that Part III of the Administrative Regulations be amended to include the description (attached to these minutes). Mr. Haas moved that the recommendation be accepted. The motion, seconded by Dr. Williams, was unanimously approved.

Committee on Admissions

B-9 (continued)
The President recommended that the Administrative Regulations entitled "Participation in Employee Governance and Professional Associations" (attached to these minutes) be approved. Ms. Hennessey stated that the purpose of this regulation is to encourage employees to participate in governance groups and professional organizations and also to guarantee that the University's services to its constituents are not interrupted. The regulation serves as a guide for the employee and supervisor and to protect both from misunderstanding any involvement in outside activities.

Participation in Professional Activities

The Constitution of the Faculty Senate was submitted for approval. Faculty Senate President Tom Cate stated that there were no substantive changes, but reflects the growing role of the Senate within a growing institution. Mr. Grayson moved that the Constitution of the Faculty Senate be approved. The motion, seconded by Dr. Williams, was passed unanimously.

Faculty Senate Constitution

B-10 It was recommended that the Student Government Executive Council Officers, the Chief Justice of the Judicial Council, and Representative Assembly Committee Chairpersons be compensated according to the schedule (attached to these minutes) beginning in the Spring of 1983.

Student Government Compensation

Ms. Penrod stated that the additional compensation is being recommended in order to attract and compensate able students for their participation in Student Government activities. It was further noted that the compensation be in the form of salary and eliminate tuition scholarships giving the student the ability to use the money where needed.

The motion to approve the recommendation was made by Ms. Penrod. Mr. Yarmuth seconded the motion and the vote was unanimous.

B-11 The President recommended that the Board approve the contingency plan developed to reduce recurring expenditures should the state impose on higher education a 3% reduction in general fund appropriations. (The schedule of expenditure reduction by major program is attached to these minutes.)

Dr. Albright stated that according to word circulating throughout the Commonwealth the Governor may impose a budget cut amounting from 2% to 5%. The latest word seems that the cut will be about 3%. The plan being presented will effect a 3% cut or $386,000. The President further noted that the impact of the cutback would not seriously impair Northern during the current fiscal year, but it would greatly affect us in the next fiscal year. The President assured the Board that there would not be a reduction of faculty because of increased enrollment that we have experienced. There are certain areas of fixed costs that cannot be decreased such as debt service and utilities. Therefore, for the 1983-84 fiscal year, other areas need to be explored for cutbacks.

Operating Budget Revisions

Mr. Duncan moved that the contingency plan be approved as outlined. The motion was seconded by Mr. Martin. The vote was unanimous.

B-13 President Albright recommended that the Board authorize the University to negotiate an agreement with the City of Wilder regarding sanitary sewage. The President noted that with a few changes the University would be ready to sign the agreement (copy attached to these minutes). The board so authorized the administration to negotiate on motion by Mr. Martin and second by Mr. Duncan. The motion passed unanimously. Sewage Agreement

OTHER BUSINESS

Mr. Martin, Chairman of the Presidential Search Committee, reported that the committee is meeting target dates and will be prepared to submit candidates to the Board sometime in March. Mr. Martin was very complimentary of the support given the committee by Dr. Edd Miller and Ms. Imogene Addison.

Dr. Sommerkamp stated that the committee on Tenure for Board Officers would report at a later date.

The next quarterly meeting will be held Wednesday, February 2, 1983.

There will be a special meeting held in late February or early March to select the President.

The meeting adjourned at 6:05 p.m. on motion by Mr. Martin and second by Mr. Haas.

ADJOURNMENT

BOARD OF REGENTS MINUTES
February 25, 1983

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 3:30 p.m. on Friday, February 25, 1983. The invocation was given by Dr. Ralph Tesseneer.

ROLL CALL:

Regents present: Mr. David Duncan, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod, Mr. Richard Spears, Dr. Jeffrey Williams, Mr. John Yarmuth.
Excused - Mr. Elmer Haas, Mr. Merwin Grayson, Dr. Pat Sommerkamp.
Quorum was declared with 7 members present.

Others present: President A.D. Albright, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. John DeMarcus, Mr. Robert Knauf, Mr. Dennis Taulbee, Mr. C.M. Tabor, Ms. Kim Hennessey, Dr. Tom Cate, Ms. Linda Sanders, Dr. Larry Giesmann, Ms. Mary McGhee, Mr. Mike Baker, Mr. Dave Phillips, Ms. Carla Chance, Mr. Jim Alford, Dr. Darryl Poole, Joan Bennett of WCKY Radio, Cindy Schroeder of Kentucky Enquirer, and Al Salvato of Kentucky Post.

MINUTES of the previous December 14, 1982 were approved on motion by Mr. Duncan and second by Mr. John Yarmuth.

PRESIDENTIAL REPORTS:

A-1 Mr. Gordon Martin, Chairman of the Consultation Committee, reported to the Board of Regents by outlining the procedure followed by the committee and announced that six candidates had been on campus for interviews. The committee will meet within the next week and, hopefully, by the end of March some recommended candidates will be given to the Regents. (Complete report attached to these minutes.) Mr. Martin complimented the members of the committee for their diligence and conscientiousness. — Consultation Committee Report

A-2 Dr. Albright reported that the Grants and Contracts activity shows a decrease over last year, which is not unexpected during these times. There has been an increased amount of activity on the part of the faculty in sending out proposals. — Grants and Contracts

A-3 Dr. Albright reported that Summer Fellowships have been awarded to the following faculty for Summer 1983: — Summer Fellowships

Bart Braden	Daniel Curtin	Philip McCartney	William Worley
Connie Widmer	Judy Bechtel	Carolyn Hagner	Raman Singh
John Westlund	Billie Brandon	Elly Welt	Nancy Martin

The Summer Fellowship Program is designed to encourage faculty in individual research, scholarly writing, and creative and artistic projects to share the results of their efforts with the broader University community.

A-4 As reported by the President, Faculty Project Grants for 1983-84 have been awarded to the following: — Faculty Project Grants

Janice Cantrall	Kay Cooper	Carlos Soto	Diana Duffin
Annette Chavez	Vinay Kumar	Lou Thomas	Alice Rini
Jerald Richards	David Payne	Terry Pence	Roger Billings

Faculty Project Grants are awarded to encourage professional growth through financial support for independent research.

A-5 President Albright explained that the report on Staff Evaluations will give the Regents an idea of the process. The evaluation program began five years ago for staff and has matured quite well, and is quite unique to have all personnel in an institution evaluated. — Staff Evaluation

A-6 Mr. Tabor reported that the Quarterly Financial Report shows that revenue and expenditures are on target with the projected budget. Financial Report

A-7 The President noted that the 1983 Spring Semester Enrollment Report indicates an increase of over 7%. Projections indicate that enrollment could level off in 1985-86. A later report will address the retention of students after enrollment in the University programs, according to the President. Spring Enrollment

PRESIDENTIAL RECOMMENDATIONS:

B-1 (a) The President recommended that the following new faculty receive Board approval: New Faculty

Donna H. Glaser in Physical Sciences
Jeremiah A. Gaines in Political Science
David S. Thomson in Communications

Mr. Duncan moved that the recommendation receive approval. The motion was seconded by Dr. Williams and received unanimous approval.

(b) President Albright recommended that the following administrative appointments receive approval: Administrative Appointments

Joseph Ohren as Chairperson and Associate Professor of Public Admin.
Rosetta Mauldin as Chairperson and Associate Professor of Social Work

The approval was unanimous, on motion by Mr. Yarmuth and second by Ms. Penrod.

(c) Sabbatical leaves are commended for approval by the President for the following: Sabbatical Leaves

John Thieret - Fall 1983	Raymond Richmond - Fall & Spring 1983-84
W. Jack Grosse - Spring 1984	William Lindsay - Fall & Spring 1983-84
Martin Marger - Spring 1984	Stephen Boyd - Spring 1984
Annette Chavez - Fall 1983	Doris Brett - Fall & Spring 1983-84
Philip Koplow - Spring 1984	Paul Bishop - Fall 1983
Jerald Richards - Fall 1983	Lou Thomas - Fall 1983
Roger Billings - Spring 1984	Joe Smith - Spring 1984
Terry McNally - Fall 1983	

The leaves were unanimously approved on motion by Mr. Martin and second by Mr. Spears.

B-2 (a) The President recommended that the non-academic personnel actions (attached to these minutes) be approved. Mr. Martin moved that the actions be approved as presented. The motion, seconded by Mr. Yarmuth, received unanimous approval. Non-academic Personnel

(b) President Albright explained that the dental plan as presented includes the principal provisions of the University's current dental program for faculty and staff. The plan was unanimously approved on motion by Dr. Williams and second by Mr. Yarmuth. Personnel Policy

B-3 (a) President Albright recommended that faculty salary increases be based on performance reviews conducted by the Chairpersons and reviewed by the Deans and Provost. The President explained that five years ago performance review process was started and that the evaluations have matured to a point where they are quite reliable; therefore, a large amount of increase will depend on evaluations. Faculty Salary Increases

B-3 (a) continued
Mr. Spears asked if it would be possible to receive an analysis aggregate of range of high and low performance and equate same to a salary range for informational purposes only; he applauded the idea of performance reviews. Mr. Duncan said that he felt such reviews are good management tools and an excellent way to reward good employees.

Dr. Williams indicated he wished to abstain from the voting inasmuch as the Faculty Senate has not been able to act on this policy. Ms. Penrod indicated that she hoped the Regents were not setting a precedent in voting for something that has not been discussed by bodies within the University.

Mr. Duncan moved that the policy be approved as presented. The motion was seconded by Mr. Martin. Vote - 5 aye votes and 1 abstention by Dr. Williams.

(b) It was recommended by the President that the following guidelines for salary increases for administrative and staff employees be approved: — Salary Increases for Staff

(1) A general increase for all employees.
(2) A longevity supplement for employees with ten (10) or more months of continuous, fully satisfactory service.
(3) A provision for performance-based discretionary increases.
(4) A provision for salary adjustments based on position reclassfications or demonstrated inequities in salary.
(5) - Directors, Chairpersons, Deans, Major Department Heads: Increases for employees in these categories will be based upon an evaluation of performance and comparative data at other institutions.

The recommendation was unanimously approved on motion by Mr. Duncan and second by Mr. Spears.

B-4 It was recommended that the Board of Regents authorize the President to dispose of a quantity of surplus property, using a method or methods prescribed by House Bill 622. Mr. Tabor reported that the property be consists of old or broken chairs, desks that were originally obtained from surplus property. It is proposed to offer to sell to other universities and local public agencies, then offer the remainder to the public by silent auction or individual pricing according to the law as provided in House Bill 622. Mr. Martin moved that the recommendation be approved. The motion, seconded by Mr. Duncan, was unanimously approved. — Surplus Property

B-5 (a) It was recommended by the President that the revised Administrative Regulation governing Sales and Solicitation (attached to these minutes) be approved. The revision covers a process which University employees can utilize. The motion for approval was made by Mr. Yarmuth, seconded by Mr. Spears, and approved unanimously. — Sales and Solicitation

(b) President Albright explained that the Administrative Regulations outlining contract procedures (attached to these minutes) reflect current unwritten practice for non-employment contracts and asked for its approval. Mr. Duncan moved that the regulation be approved. The motion, seconded by Dr. Williams, received unanimous approval. — Non-employment Contracts

(c) The President recommended that the International Students Committee as described in Section III -2.0-3 of the Administrative Regulations be retitled Foreign Students Committee and that the purpose, membership and reporting requirements be amended (complete committee structure attached to these minutes). Unanimous approval was given on motion by Mr. Martin and second by Mr. Yarmuth. — International Students Committee

B-6 It was recommended that the Policy on Undergraduate Admissions be revised to eliminate the "Provisional Admission" classification for students. Dr. Giesmann, Associate Dean, explained that the revised policy is an attempt to provide standards until the state's pre-college admissions standards take effect in 1987. Dr. Giesmann stated that since last October a committee began meeting regularly to plan implementation of the policy presented and approved in August, 1982. After studying statistics and impact of the new policy, a revised policy is being submitted. Instead of being admitted on a provisional basis, incoming freshmen whose admissions credentials are weak may be required to take tests and possibly enroll in basic math, English, or reading courses during the Summer previous to Fall semester entry. Undergraduate Admissions Policy

Dr. Giesmann further stated over 56% of last Fall's incoming Freshmen would have been admitted provisionally and nearly 18% of those freshmen might lose some financial aid as a result of being provisionally admitted. Besides losing financial aid, the students will have better advising; high risk students could be identified and remedial work can be given at the beginning of course work rather than later when the student may be failing.

After discussion, Mr. Duncan moved that the policy be approved as submitted. Mr. Spears seconded the motion. The vote was unanimous. (The complete policy is attached to these minutes.)

B-7 President Albright recommended that the University administration be authorized to negotiate with Rankin, Rankin and Company, Certified Public Accountants, to conduct and perform audit examination of financial statements of the University for the period ending June 30, 1983. The President explained that last year the audit was performed by the State Auditor's office, but that this year we can have it performed by a private auditor and negotiations must begin as the audit is to be completed by October, 1983. Mr. Spears moved that the recommendation be approved. The motion, seconded by Mr. Duncan, was passed by unanimous vote. Negotiations for Auditor

B-8 It was recommended by the President that the 1982-83 operating budget be revised upward to $30,248,800 from $29,803,800 to reflect additional tuition receipts of $300,000 and additional Bookstore receipts of $145,000. Mr. Spears moved that the recommendation be approved. The motion was seconded by Mr. Yarmuth. The vote was unanimous. Budget Revision

BOARD OF REGENTS MINUTES
Special Meeting, Tuesday, April 5, 1983

A special meeting of the Board of Regents of Northern Kentucky University was called to order at 4 p.m. on Tuesday, April 5, 1983 by Chairman Lucas.

Regents present: Mr. David Duncan, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod, Dr. Pat Sommerkamp, Mr. Richard Spears, Dr. Jeffrey Williams, and Mr. John Yarmuth.
excused: Mr. Elmer Haas, Mr. Merwin Grayson.

A motion was made by Mr. Duncan and seconded by Mr. Yarmuth that the Regents go into Executive Session to discuss a personnel matter. The vote was unanimous.

EXECUTIVE SESSION

The meeting reconvened at 5:20 p.m.

A motion was made by Mr. Martin that Dr. Leon E. Boothe be elected President of Northern Kentucky University effective July 1, 1983. The motion was seconded by Dr. Williams. The vote was unanimous. Absent members Elmer Haas and Merwin Grayson provided handwritten expressions of approval of Dr. Boothe as the new President.

Mr. Spears made a motion that Chairman Lucas and Chairman of the Consultation Committee, Mr. Martin, be charged with the responsibility to negotiate the details of a contract with Dr. Boothe. Mr. Duncan seconded the motion which received unanimous approval.

Chairman Lucas asked Dr. Albright for any observations or comments he might have. The President said that the Consultation Committee had conducted a first-class search, probably in the face of disagreement at times had worked hard, had seemingly followed the Board's adopted plan with reasonable fidelity and had gained the respect of countless people on and off campus.

Moreover, and the most important point, is that the result has been the selection by the Board of Regents of a well-qualified, able individual to serve as the next President of Northern Kentucky University, according to Dr. Albright.

The meeting closed at 5:35 p.m. on motion by Mr. Yarmuth and second by Ms. Penrod.

ADJOURNMENT

BOARD OF REGENTS
MINUTES
Wednesday, April 27, 1983

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:25 p.m. on Wednesday, April 27, 1983 by Chairman Kenneth Lucas. The invocation was given by the Reverend Louis R. Schmidt.

ROLL CALL:

Regents present: Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Ms. Mary Penrod - Student Regent, Dr. Pat Sommerkamp, Dr. Jeffrey Williams, Mr. John Yarmuth. Excused - Mr. David Duncan and Mr. Richard Spears.

Others present: President A.D. Albright, Dr. Gene Scholes, Dr. Lyle Gray, Mr. John DeMarcus, Mr. Robert Knauf, Ms. Cindy Dickens, Mr. Dennis Taulbee, Mr. Clarence Tabor, Ms. Kim Hennessy, Alumni representative Ken Ramey, Faculty Senate representative Tom Cate, Staff Congress representative Linda Sanders, Ms. Pat Hoffman, Ms. Carla Chance, Ms. Becky Myers, Ms. Sue Hodges, Mr. Gregg Schulte, Mr. Mike Baker, Ms. Mary McGhee, Ms. Mary Huening, Father Schmidt, Scott Wurster, Ken Gross of Carlisle Construction, Al Salvato of Kentucky Post, and Cindy Schroeder of Kentucky Enquirer.

The Chairman pronounced a quorum of Regents present. All guests were welcomed by the Chairman, who recognized Scott Wurster as new Student Government President. Dr. Albright recognized Mr. Ken Gross of Carlisle Construction noting that his firm and others have been active in support of the Cooperative Program of the University. It is very valuable to the University to have the support and interest of business and industry in the community for the program.

The minutes of the regular quarterly meeting on February 25, 1983 and special meeting on April 5, 1983 were unanimously approved on motion by Mr. Haas and second by Ms. Penrod.

PRESIDENTIAL REPORTS:

A-1 The Grants and Contract activity is ahead of last year, according to Dr. Albright. The report is attached to these minutes.

A-2 Dr. Albright noted that the report on discretionary pay increases indicates how it was handled this year.

A-3 Management Information update pages were distributed to the Regents to bring their Management Information Manual to a current status.

A-4 The financial aid audit completed by the State Auditor's Office was presented to the Regents by the President.

A-5 The quarterly financial statement was presented and Mr. Tabor noted that revenues and expenditures were on target with the revised budget.

PRESIDENTIAL RECOMMENDATIONS:

B-1 (a) Mr. Haas moved, seconded by Mr. Yarmuth, that the following new faculty appointments be approved:

Howard V. Carson	Chris Christensen	Donald H. Galli	New
Joe F. McNutt	Dennis E. Sies	Nancy Lang	Faculty

The motion passed by unanimous approval.

B-1 (b) The following leaves and resignations were unanimously accepted by the Regents on motion by Mr. Grayson and second by Dr. Williams:

Unpaid leave for Neal Jowaisas from August, 1983 to August, 1984
Half-time unpaid leave for Caryl Yzenbaard from August, 1983 to August, 1984

Resignations: Marilyn Cunningham effective, December, 1982
Denise Hough effective June 20, 1983
Ronald Naversen, effective May, 1983
Ray O. Nulsen effective May, 1983
William Rost effective July 1, 1983
Carol N. Wann Effective May, 1983

Deceased: Thad P. Lindsey, March 16, 1983

Leaves and Resignations

(b) Mr. Martin moved, seconded by Mr. Yarmuth, that Byron Renz receive a terminal contract for the 1983-84 academic year.

Terminal Contract

Dr. Williams questioned the fact that the same terminal contract was voted on at a previous meeting and asked why it was being revoted. Dr. Gray said that according to procedures an employee must be notified of the intent to terminate in December in order for the faculty member to have time to make future arrangements. In December all the peer reviews had not been completed and now that completion of reviews are finished, the recommendation was coming to the Regents again indicating there was no change from the intent in December.

The motion passed with six aye votes and one abstention by Dr. Williams.

B-2 (a) Non-academic personnel actions were unanimously approved on motion by Mr. Yarmuth and second by Ms. Penrod. The list of actions are attached to these minutes.

Non-academic Personnel

(b) The following administrative personnel actions were recommended as follows:

Appointment - Lawrence G. Kinney as Financial and Operations Auditor effective June 1, 1983.
Leave - John DeMarcus from May 15, 1983 through December 31, 1983
Special Assignment - David C. Banks as Staff Assistant in Facilities Planning, effective May 1, 1983 (temporary).
Reassignments - John DeMarcus to Professor of History - January, 1984
Jane Meier to Women's Athletic Coordinator and Head Volleyball/Softball Coach, effective May 1, 1983
Nancy Winstel to Head Basketball Coach and Assistant Volleyball Coach, effective May 1, 1983

Administrative Changes

Dr. Albright called attention to the Board of the long service of John DeMarcus to the University. The fine facilities that we are now utilizing are attributed to John's work and dedication to this University. Dr. Albright expressed thanks to John for all the work he has completed and the results are a tribute to his invaluable contributions to this institution.

Mr. Martin moved that the personnel actions as recommended be approved and a special commendation be prepared for John DeMarcus. The motion, seconded by Mr. Haas, was unanimously passed.

(c) It was moved by Mr. Grayson and seconded by Mr. Haas that the policy governing "Administrators Returning to Faculty Status" be approved as presented. (Policy attached to these minutes.) The motion was passed by unanimous vote.

Policy approved

B-3 The statement of policies and procedures (attached to these minutes) relative to direct depositing of paychecks was unanimously approved on motion by Mr. Yarmuth and second by Mr. Martin. — Direct Deposit Policy

B-4 (a) Modifications to the Faculty Policies and Procedures Manual was recommended. (The changes are attached to these minutes.) Dr. Gray indicated that on-going discussion with Faculty Senate attempts to bring procedures up-to-date as needed. The motion was made by Mr. Martin and seconded by Mr. Grayson that the modifications be approved as presented. The vote was unanimous. — Faculty Policy Manual Changes

(b) The following revision to the "NOTICE" section of the Financial Exigency Policy was recommended to the Board: — Addition to Financial Exigency Policy

"In addition, reasonable effort shall be made to insure that no faculty appointment is terminated before the end of the academic year in which the financial exigency occurs."

Mr. Grayson moved that the recommended addition be approved as presented. The motion was seconded by Mr. Martin and was unanimously passed.

(c) A policy on "Program Reallocation" was presented for approval. Dr. Gray reported that during the past year, Faculty Senate has worked with the Administration to develop the policy to be recommended. Dr. Sommerkamp moved that the policy (attached to these minutes) be approved as presented. The motion, seconded by Mr. Martin,was passed by unanimous vote. — Program Reallocation

B-5 The President presented a revision to Article IV of the Faculty Senate Constitution, and explained that the office of the Vice President is being replaced by the Office of President-Elect in order to allow a learning period and give the President-Elect one year's notice in which to make appropriate arrangements with his/her department chairperson regarding reassigned time. The revision was unanimously accepted on motion by Mr. Grayson and second by Mr. Yarmuth. — Faculty Senate Constitution Change

B-6 The President presented the University's Athletic Council recommendation that the President be authorized to add two additional men's sports in compliance with NCAA rules and regulations. He explained that in order for Northern to become an NCAA Division II school it must sponsor a minimum of six men's sports. There is no minimum sport sponsorship requirement for women's sports. We now have four women's sports programs, according to Dr. Albright. — Addition of Men's Sports

B-7 Tuition rate increases were presented to the Board with the explanation by the President that the rates are set by the Council on Higher Education. The rate schedule as presented and attached to these minutes were unanimously approved on motion by Mr. Grayson and second by Mr. Haas. — Tuition Increases

B-8 A schedule of class fees and other charges (attached to these minutes) to become effective with the Fall semester was presented for approval. The schedule is inclusive of all charges collected on campus with the exception of tuition and bookstore sales. Ms. Penrod stated that generally the students are pleased with the schedule with the exception of auto registration fees - full time and part time pay the same fee. Mr. Haas moved that the schedule be approved as presented. The motion, seconded by Mr. Martin, was passed by unanimous vote. — Fee Schedule Approved

B-9 It was recommended by the President that a revision in the Residence Hall Fee and Payment Terms section of the Student Housing Manual be approved. The revision is designed as a cost-effective measure to eliminate unnecessary collection costs and to insure accurate residence hall revenue figures. The recommendation was unanimously approved on motion by Mr. Martin and second by Mr. Yarmuth. Residence Hall Fees Schedule

B-10 (a) On recommendation of the President, authorization is given the Associate Vice President for Business Affairs to write off defaulted student loans in the amount of $23,484.50. Mr. Tabor reported that the University repurchased $145,000 old loans as required by the Federal government and of that amount, $91,250 was collected; $8,000 was cancelled for various reasons, leaving the $23,000 to be written off. This has greatly reduced the University's default rate. The recommendation was unanimously passed on motion by Mr. Grayson and second by Dr. Sommerkamp. Write-off of Loans

(b) President Albright recommended that authorization be given to the Associate Vice President for Business Affairs to write-off receivables as bad debts in the amount of $3,149.19. Mr. Tabor reported that the receivables are over two years of age and/or have been determined uncollectible by a collection agency. The recommendation was unanimously approved on motion by Mr. Grayson and second by Mr. Martin. Write-off of Receivables

B-11 The President recommended that the Board of Regents authorize the administration to begin the preparation of a facility space program and budget proposal for a new facility to be located on the campus to house programs in applied science and technology. He noted that Northern has the opportunity to greatly enhance its contributions to the economic development of Northern Kentucky and the Greater Cincinnati area through the extension of research and technology to business and industry. The program could compliment the program being carried out on the Foundation property. Proposal for new Building

Upon questioning of Dr. Williams, Dr. Albright noted that a building cannot be proposed without saying what the building will house, but certainly does not set a precast curriculum. Dr. Gray further noted that programs proposed to be housed in the new building are already in existence or in the feasibility stage. It was further noted that the next biennium budget request including capital construction will go to the Council in June and if Northern desires to make a construction request, preliminary planning must begin at this time.

Mr. Yarmuth moved that the recommendation of the President be approved as presented. The motion, seconded by Dr. Sommerkamp, was passed by unanimous vote.

B-12 (a) It was recommended by the President that the Regents approve the position descriptions for Vice President for Administration and Associate Vice President for Business Affairs. (Both descriptions are attached to these minutes.) Mr. Haas made the motion that the recommendation receive approval. Mr. Martin seconded the motion which was passed by unanimous vote. Position Descriptions Approved

(b) It was recommended that a revision of the Poster Policy be approved (copy attached). Mr. Martin moved, seconded by Ms. Penrod, that the recommendation be adopted. The vote was unanimous. Poster Policy Approved

B-13 President Albright recommended that the 1983-84 Annual Budget totalling $31,425,000 be approved as proposed in the budget document (attached). Annual Budget Approved

Dr. Albright highlighted the budget focusing on the fact that the University was able to increase faculty and staff salaries about 7%. This University is one of a few in the state that has been able to accomplish this. Seven new faculty and nine staff positions were added. Also partial restoration of the library book reduction made last year was accomplished. A 33% increase is reflected in utilities.

Mr. Taulbee noted that $200,000(which is less than 2% of the budget) has been set as a contingency fund to give the new President some leeway. The President complimented Mr. Taulbee and his staff for the fine job completed. According to Dr. Albright, it is not only the best budget ever prepared for this institution but it is one that has involved many faculty and staff in the process.

Mr. Grayson moved that the 1983-84 Annual Budget be adopted as presented. The motion, seconded by Dr. Sommerkamp, was passed by unanimous vote.

B-14 It was recommended that the President be authorized to develop a contingency plan to meet a possible reduction of $416,000 in the 1983-84 state appropriation. The President shared letters received from the Secretary of Finance and Council on Higher Education requesting that institutions prepare plans in case of a cutback of funds. If the recommendation is approved, the President noted that a plan would be prepared and ready for Board consideration at the July meeting. Authority to prepare Contingency Plan

The recommendation was unanimously approved on motion by Mr. Haas and second by Mr. Martin.

B-15 A recommendation was made that the President be authorized to investigate and, if necessary, acquire two parcels of land on Johns Hill Road currently owned by the NKU Foundation. The recommendation was passed by unanimous vote on motion by Ms. Penrod and second by Mr. Haas.

OTHER BUSINESS:

C-1 Dr. Sommerkamp presented the regential committee report (attached) as prepared by the ad hoc committee consisting of Dr. Sommerkamp, Mr. Spears, and Mr. Duncan. Dr. Sommerkamp stated that she had contacted 12 benchmark institutions for information on how their Boards were comprised.

Ms. Penrod spoke against part two of the report stating that she felt it would centralize the Board rather than decentralize it. The idea of having a Vice Chairman was also mentioned by Dr. Sommerkamp to take care of any absenteeism of the Chairman. Board Tenure

Mr. Haas moved that part one of the report be adopted. The motion was seconded by Mr. Martin. Following is the part adopted:

"The chairman of the Board of Regents of Northern Kentucky University shall be elected annually at the summer meeting of the Board. Eligible candidates are those Regents who have already served two years on the Board. The chairman of the Board may succeed him/herself for one term only. However, a past chairman may be a candidate if one full year has lapsed since last holding the position of chairman."

The motion was unanimously passed.

C-2 The President spoke briefly about the budget cuts that higher education institutions have suffered, particularly Northern. He stated he would share with the Regents facts that were presented to the Appropriations and Revenue Committee this past week. In summary, he noted that the State is not willing to authorize expenditures to maintain facilities which it was willing to build. He further said that all persons who are interested in education and in the economic development of the State should make their feelings known. Without adequate educational facilities and personnel, the State's economic development will suffer.

C-3 President Albright thanked the present Board members and the Board members who preceded them for the privilege of being President of a fine institution for seven years. The President said that it had been an outstanding experience for him. He felt that this was an exceptional Board, one that encouraged administration to implement policies established by the Board without interfering in the operation of the institution. He reminded the Board that at other institutions boards have become splintered making it very difficult for a president and administration to function. This is not true with Northern's Board; however, as time get tough, it is more likely to happen. Division in a Board is a very serious matter. The President thanked the Board for his privileged seven years.

Chairman Lucas replied by saying that he did not know how any one mortal could have served this institution better than Dr. Albright.

C-4 Ms. Penrod, having served on the ad hoc Presidential Search Committee, stated that she felt it would be helpful for future committees if a group looked at the procedures followed and make suggestions for refinement. Mr. Lucas appointed an ad hoc committee for this purpose composed of the Student Regent, Mr. Duncan and Dr. Sommerkamp.

Dr. Albright lauded Ms. Penrod in her role as Student Regent as well as being a marvelous person. Chairman Lucas thanked Ms. Penrod for her very fine service to the Board and to the institution.

At 6:30 p.m. the Regents recessed to Executive Session on motion by Mr. Haas and second by Dr. Sommerkamp.

At 7 p.m. the meeting reopened.

Mr. Haas moved that the new allied health building be named "A.D. ALBRIGHT HEALTH CENTER" and that it be announced at the Appreciation Dinner for the President. The motion was seconded by Mr. Grayson and was passed by unanimous vote.

Mr. Martin moved that the degree of Doctor of Humane Letters be conferred on Dr. Albright at the graduation ceremonies and that he be named "President Emeritus" at the same time. After the second by Dr. Sommerkamp, the motion passed by unanimous vote.

The meeting adjourned at 7:10 p.m. on motion by Mr. Haas and second by Mr. Grayson.

BOARD OF REGENTS MINUTES
Wednesday, July 27, 1983

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order by Chairman Kenneth Lucas at 4:15 p.m. on Wednesday, July 27, 1983. The invocation was given by Dr. Ralph Tesseneer.

Installation was held for new Regent Bart A. Brown, Jr. and Student Regent Scott Wurster.

ROLL CALL:

Regents present: Mr. Bart A. Brown, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Dr. Pat Sommerkamp, Mr. Richard Spears, Mr. Scott Wurster.
Excused - Mr. David Duncan and Dr. Jeffrey Williams.
Quorum was declared by the Chairman.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cindy Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Mr. C.M. Tabor, Ms. Kim Hennessey, Alumni Representative Robert Boswell, Faculty Senate Representative Mike Ryan, Staff Congress Representative Linda Sanders, Dean Darryl Poole, Dean John White, Ms. Mary Paula Schuh, Ms. Carla Chance, Mr. Larry Kinney, Mr. Gregg Schulte, Ms. Sue Hodges, Dr. Tom Cate, Dr. Linda Dolive, Ms. Mary McGhee, Ms. Imogene Addison, Mr. Robert McClelland, Ms. Mary Ellen Rutledge, Mr. Jay Stevens, Ms. Elizabeth Blackburn, Mr. Jim Liechte, Mr. Donald Gammon, Ms. Mary Huening, Dr. D. Adams, Dr. William Leigh, and Mr. Al Salvato of the Kentucky Post.

The chairman welcomed all present and presented the new Alumni President and representative to the Board, Robert Boswell, Jr. The chairman extended an official welcome to President Boothe and commented that in the three and a half weeks Dr. Boothe has been on campus, he has been very active and highly visible in the community.

Chairman Lucas read a letter from President Emeritus A.D. Albright as follows:

"To the Chair and Board of Regents of Northern Kentucky University -

For the privilege of serving the presidency of Northern Kentucky University over a period of seven years, my genuine gratitude.

For the many kind and generous expressions during and at the conclusion of this period, my sincerest thanks.

For the future of the University and its well-being first and foremost, the success of the new President Leon Boothe, the continued dedication of the faculty and staff, my deepest wishes.

For the support of the Northern Kentucky community and the members of the General Assembly, my great appreciation.

Gratefully, /s/ A.D.

President Boothe acknowledged the welcome expressing appreciation for the warm hospitality extended the Boothe family and noted that the support of the University by the community and other areas of the Commonwealth has been heartwarming.

Dr. Boothe introduced the new President of Faculty Senate and representative to the Board, Dr. Michael Ryan, and Staff Congress President Linda Sanders. Both welcomed the new President and pledged the support of the groups they represent.

The President reported that on a recent trip to Frankfort he was very pleased to learn from various state officials of their support of Northern. He further noted that there was every indication of a budget reduction.

President Boothe also stated that he attended the monthly meeting of the Council on Higher Education at which the MGT report was presented. From the written report and from oral comments made, it is the President's impression that the report was mild with regard to legal education. He expressed the hope that the issue of the future of the law school was now considered resolved.

PRESIDENTIAL REPORTS:

A-1 In presenting Grant and Contract Activity, the President noted that while funding for proposals was lower than last year, increased number of proposals was excellent. He congratulated the faculty's participation in preparing proposals. The decline in number of proposals funded is a national trend and reflects the current economic situation. — Grant and Contract Activity

A-2 The facts and figures outlined in the Tuition Reciprocity Report shows an imbalance between amounts of tuition waivers in the number of Ohioians doing graduate work in Kentucky compared to Northern Kentuckians enrolled at the University of Cincinnati. The President stated that he and others will be working with the other institutions with regards to correcting the imbalance through a better marketing approach. — Reciprocity Report

A-3 The Campus Development report brought the Regents up-to-date on various projects throughout the campus. — Campus Development

A-4 President Boothe reported that the Department of Public Safety report shows a good record in comparison with other institutions throughout the country. — Public Safety Report

A-5 Dr. Boothe noted that the Staff Development Project report is commendable for the enrichment opportunities offered to the staff of this institution. — Staff Development

A-6 The Governing Regulations--Administrative Regulations updates are for the purpose of the Regents having their files current with items they have previous approved. — Manual Updates

A-7 Dr. Gene Scholes, Vice President for Administration, gave an oral and graphic report summarizing the 1984-86 Capital Construction Request of this institution. (The comprehensive report is attached to these minutes.) Dr. Scholes noted that some of the projects were requested in the previous biennium but were not funded, and that all new construction requests were in accordance with the Master Plan. Mary Paul Schuh was commended by the Vice President for her help in preparing the request. — Capital Construction Biennum Request

President Boothe stated that it was time to review the Master Plan and upgrade where necessary. The President also mentioned that many institutions have deferred maintenance plans because of lack of resources and that it was his hope that we could avoid having to do this. Adequate funding of our request would help to eliminate this problem at Northern.

A-8 A summarized financial report for 1982-83 was presented to the Board. The audit and financial report will be ready for the October Board meeting. — Financial Report

Termination of James L. Kerr as Director of Institutional Research

Administrative Personnel

The actions were unanimously approved on motion by Mr. Wurster and second by Mr. Spears.

B-3 In presenting a revision to the Personnel Policy and Procedure Manual regarding vacation days, the President noted that such vacation has been earned by the individuals and should be utilized:

"The maximum number of vacation days which a staff member may accumulate and have available for use at any point in time is the number of days which can be accrued in 18 months. After the maximum is reached, additional vacation will accrue only after the employee has reduced the accumulated leave balance."

Vacation Policy

Mr. Haas moved that the recommendation be approved. The motion was seconded by Mr. Martin and was passed by unanimous vote.

B-4 President Boothe presented a table of terminal degrees recognized as the appropriate level of educational attainment for faculty in various programs. (List attached to these minutes.) The President explained that the University is required to identify terminal degree attainment when advertising positions.

Terminal Degree Table

The list was unanimously approved on motion by Dr. Sommerkamp and second by Mr. Wurster.

B-5 It was recommended by the President that the Commonwealth of Kentucky Higher Education Desegregation Plan, as accepted by the Office of Civil Rights on June 22, 1983 be approved by the Board. The action by the Office of Civil Rights is contingent upon the plan being approved by the governing boards of each institution of public higher education in the Commonwealth .

Desegregation Plan Approved

The motion for acceptance was made by Mr. Grayson. The motion, seconded by Mr. Martin, was passed by unanimous vote.

B-6 A recommendation was presented to approve an authorization signed by the Chairman of the Board to establish a Force Account Project for the purpose of making modifications to the Presidential residence. (The authorization is attached to these minutes.) The recommendation was unanimously approved on motion by Mr. Haas and second by Dr. Sommerkamp.

Force Account Project

B-7 The President recommended that the Board authorize the following official representatives of Northern Kentucky University to accept surplus property from Education Surplus Property in Frankfort - Gene W. Scholes, Clarence Tabor, Keith Stewart, Karen Schmidt, and Chester Arthur. Mr. Martin move that the recommendation be approved. The motion was seconded by Dr. Sommerkamp and was unanimously passed.

Surplus Property Authorizatior

B-8 It was recommended by President Boothe that the University be authorized to enter into contractual arrangements with vendors who wish to service the campus. Because of House Bill 622, previous agreements were voided and requires the institution to set up contractual agreements with vendors. The recommendation was unanimously accepted on motion by Mr. Spears and second by Mr. Grayson.

Vendor Contractual Agreements

B-9 a The President recommended that the board approve a position description for the Associate Provost (attached to these minutes). Mr. Wurster moved the adoption of the recommendation. The motion, seconded by Mr. Haas, was approved by unanimous vote.

Position Description

B-9 b — A concessions policy (attached to these minutes) was presented. Dr.Boothe explained that since more student groups are interested in operating concessions, it was necessary to formulate a policy which he recommended. Mr. Brown moved that the policy be approved. The motion, seconded by Mr. Wurster, was passed unanimously. — Concessions Policy

B-10 — Revisions to the Library Policy governing borrowing provisions for residents of Kentucky was recommended by the President. (The revised policy is attached to these minutes.) The recommendation was unanimously approved on motion by Dr. Sommerkamp and second by Mr. Brown. — Revised Library Policy

B-11 — A recommendation was presented that approval be given for the programming of the Applied Science and Technology Center as submitted to the Council on Higher Education, subject to changes which may occur during Council and institutional review processes. Dr. Boothe noted that the Regents had authorized the administration to proceed with the programming at the April meeting. (The complete document is attached to these minutes.) Mr. Wurster moved the adoption of the recommendation. The motion, seconded by Mr. Grayson, received unanimous approval. — Technology Center Programming Approved

B-12 — President Boothe recommended that the 1984-86 Capital Construction Budget Request as outlined earlier in the meeting be approved. Dr. Sommerkamp moved for the approval. The motion was seconded by Mr. Grayson and was passed by unanimous vote. — Capital Construction Request

B-13 — President Boothe recommended that the budget reduction contingency plan for 1983-84 be approved, to be implemented in the event the state imposes a 3% reduction in state appropriation. The total potential reductions amount to $414,000 and are outlined in the recommendation attached to these minutes. The President explained that the plan will be held in abeyance until the state revenue picture is clearer. Mr. Martin moved that the plan be approved as presented. Mr. Haas seconded the motion. — Budget Reduction Contingency Plan

Mr. Martin asked if the University would have to return monies that has already been received. It was explained that our state allotment is received monthly pro-rated by an allotment schedule. If a reduction should occur, the monthly allotments would be decreased to accomplish the 3% reduction.

Mr. Haas asked how it was possible to accommodate such a reduction if the University continues to have increased enrollment. President Boothe noted that this is a very serious issue inasmuch as the state expects Northern to meet the demands of this area for higher education but still expects the institution to meet the reduction. It is an issue that needs to concern every individual in the area as well as in the Commonwealth.

The contingency plan for budget reduction was unanimously approved.

B-14 The President recommended formula calculations for 1984-86 be approved for submission to the Council on Higher Education. The formula and the letter to the Council are attached to these minutes. Dr. Boothe noted that he had requested that the University be allowed additional discussion and negotiation. The formula submission includes an enrollment projection of 2% to 3% for the next three years. Inasmuch as this is the first year for some selective admission policies, it is difficult to predict enrollment. Traditionally, no institution has increased enrollment in the year in which a selective admission policy is instituted. The Regents will be kept aprised of developments in this area.

Formula Calculations

Mr. Haas moved for the adoption of the recommendation. The motion, seconded by Mr. Grayson, was passed by unanimous vote.

OTHER BUSINESS:

Chairman Lucas asked for comments and suggestions on an inauguration for President Boothe. After discussion, Mr. Grayson moved that the University plan a formal inauguration of the new President. The motion, seconded by Mr. Martin, was unanimously approved. The chairman indicated that he would defer to the new Chairman for appointment of a committee to plan the event.

C-1 Election of Officers -

The Chairman entertained nominations for Chairman. Mr. Haas nominated Mr. Gordon Martin for Chairman. The nomination was seconded by Mr. Brown. Upon motion by Mr. Haas and second by Mr. Grayson, the nominations were closed by unanimous vote. The vote for Gordon Martin as Chairman was unanimous.

The chair entertained nominations for Secretary-Treasurer. Mr. Grayson nominated Mr. Haas and the motion was seconded by Mr. Martin. Mr. Brown moved that the nominations be closed. The motion, seconded by Mr. Wurster, was passed by unanimous vote. The vote for Elmer Haas as Secretary-Treasurer was unanimous.

The chair entertained nominations for Assistant Secretary. Mr. Haas moved that Dolores Thelen be nominated. The motion was seconded by Dr.Sommerkamp. Mr. Martin moved that the nominations be closed. The motion, seconded by Mr. Grayson, was unanimously passed. Dolores Thelen was elected Assistant Secretary by unanimous vote.

C-2 Discussion was held to select dates for the quarterly meetings for the next year. After discussion, it was generally acceptable to meet the third Wednesday of January, April, and July, 1984. The October, 1983 meeting was set for Tuesday, October 25.

EXECUTIVE SESSION -

Mr. Haas moved that the Regents recess to Executive Session to discuss a personnel matter. The motion, seconded by Mr. Martin, was unanimously passed.

The meeting reconvened at 6:30 p.m. and was immediately adjourned on motion by Mr. Haas.

ADJOURNMENT

BOARD OF REGENTS MINUTES
Wednesday, November 2, 1983

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. on Wednesday, November 2, 1983 by Chairman Gordon Martin. The invocation was given by Dr. Lyle Gray.

After welcome of guests, roll call was taken.

Regents present - Mr. Bart Brown, Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Dr. Pat Sommerkamp, Dr. Jeffrey Williams, Mr. Scott Wurster. Excused - Mr. Richard Spears. Quorum was present.

Others present - President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Ms. Cindy Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Kim Hennessy, Mr. Clarence Tabor, Ms. Phyllis Sholtys, Dean William Jones, Faculty Senate President - Mike Ryan, Staff Congress President - Linda Sanders, Ms. Dolores Thelen, Mr. Roger Meade, Mr. Jim Alford, Mr. Robert McClelland, Dr. Linda Dolive, Mr. Mike Baker, Ms. Kathleen Webber, Ms. Becky Myers, Ms. Carla Chance, Mr. Gregg Schulte, Ms. Mary Huening, Ms. Imogene Addison, Ms. Nancy Cahill, Ms. Mary Ryan, Ms. Mary Ellen Rutledge, Mr. Jay Stevens, Mr. Jim Liechte, Ms. Julie Fronk, Mr. Richard Rankin and Mr. Charles Lee of Rankin and Rankin, Ms. Vicki Bozuchi of the Northerner, and Mr. David Beasley of the Kentucky Enquirer.

Minutes of the previous meeting, June 27, 1983 were approved with the following correction: "The minutes of the last quarterly meeting of April 27, 1983 were unanimously approved on motion by Mr. Haas and second by Mr. Martin." The motion was made by Mr. Haas and was seconded by Mr. Duncan to accept the minutes with the addition.

PRESIDENTIAL REPORTS:

A-1 President Boothe reported that the amount of income is up considerably, however the number of grants submitted is down perhaps due to timing. This institution is very heavily dependent on Federal funds in terms of research and awarding of grants has tightened considerably. — Grants and Contracts

A-2 The President highlighted the Campus Development report by stating that the maintenance storage facility and Science Building electrical service are complete. The A.D. Albright Health Center is scheduled to be complete by March and dedication should occur in late Spring. — Campus Development

A-3 President Boothe explained that the decrease in Intersession enrollment is due to the smaller number of courses plus plans to phase out the Intersession program. Summer school enrollment was somewhat lower because of number of courses offered. Chase is considerably lower because of the planned decrease. The Fall enrollment figures look good at the undergraduate level. The graduate level decrease is due to a larger than normal of graduates this past Spring. — Enrollment Report

A-4 The President welcomed Dick Rankin and Charles Lee of Rankin and Rankin. Mr. Rankin stated that their firm had audited the financial records of the University and rendered their opinion the statements fairly reflect the financial position of the University. Dr. Scholes highlighted the charts and schedules passed to the Regents (copy attached) supported the financial report for this past year as well as for the past five fiscal years, FY79 through FY83. Dr. Scholes pointed out that the percentage spent on instruction has increased each year, that state support has decreased causing greater reliance on tuition and fees than any other state institution. — Audit Report for FY 83

A-5 The quarterly financial report for July through September, 1983 was presented. Quarterly Financial Report

A-6 The 1984-86 State Appropriation Recommendations of the Council on Higher Education were shared by President Boothe. He noted that the Council's highest priority is the full funding of the formula. The President pointed out that the formula calculations continue to show that higher education is underfunded, and significantly shows that three institutions are underfunded, one being Northern. While capital construction is the lowest priority for funding, Northern's classroom building is number two on the priority list so we can assume that Northern will get their classroom if any construction is funded. More importantly is the fact that we need to be vigilant to see that our present physical plan does not deterioriate as has happened at other State institutions. State Appropriation Recommendation by CHE

A-7 The Council on Higher Education has recommended tuition increases for 84-86, per the schedule attached to these minutes. The tuition raise for the law school students was not as severe as anticipated, according to Dr. Boothe. 84-86 Tuition Increase

PRESIDENTIAL RECOMMENDATIONS:

The President introduced Dean Williams Jones of the law school and outlined his credentials.

B-1 (a) The following new faculty appointments were unanimously approved on motion by Mr. Haas and second by Mr. Duncan:
Jonathan Gresham - Fine Arts Carrie McCoy - Nursing New Faculty

B-1 (b) The following academic personnel actions were recommended to the Board:
Carmine Bell as Cooperating Assistant Professor of English
Betty Soave as Director of the Baccalaureate Degree Program in Nursing
Rosella Zeiser as Director of the Associate Degree Program in Nursing
Linda Dolve to Full Professor
Grace Walker - unpaid leave for Spring semester, 1984
William McKim - leave with pay for Spring semester, 1984
William McKim - resigned as Chairperson of Literature of Language Department, effective December 31, 1983. Will return to full time teaching after leave.
Resignations - Louis Lamit and Joseph Petrick
Academic Personnel Changes
The academic personnel changes were unanimously approved on motion by Mr. Wurster and second by Dr. Sommerkamp.

B-2 (a) The non-academic personnel actions (attached to these minutes) were unanimously approved on motion by Mr. Duncan and seconded by Mr. Grayson. Upon Mr. Duncan's question, Gregg Schulte informed the Board there was an exit interview process which proved to be helpful in working with departments. Non-academic Personnel Actions

B-2 (b) The President introduced Dr. Phyllis A. Sholtys and recommended her appointment as Assistant Vice President for Information Management. The recommendation was unanimously approved on motion by Mr. Duncan and second by Mr. Lucas. Administrative Personnel

B-3 President Boothe presented revisions to personnel policies (attached to these minutes) stating that these policies are now in effect but are being updated to conform to Federal and State regulations. Mr. Duncan moved that the policies be approved as presented. The motion, seconded by Mr. Lucas, was passed by unanimous vote. Personnel Policy

B-4 Dr. Boothe presented a recommendation that the following terminal degrees be approved: Terminal Degrees

W.Frank Steely Library - M.L.S. College of Law Library - M.L.S.

Mr. Wurster moved the acceptance of the recommendation. The motion, seconded by Mr. Haas, was passed by unanimous vote.

B-5 (a) The President recommended that the membership of the Student Financial Aid Committee include the Assistant Dean of the law college as a permanent member and that the membership of the Student Financial Aid Appeals Committee include on an alternating basis the Associate Dean of the College of Arts and Sciences or Professional Studies as a permanent member. Mr. Grayson moved the acceptance of the recommendation. The motion, seconded by Dr. Sommerkamp, was passed by unanimous vote. Standing Committee Change

B-5 (b) Some Federal regulations have changed making it necessary to revise the Policy and Procedures Assurance for the Protection of Human Research Subjects at the University, according to the President. The revised policy and procedures are attached to these minutes. Mr. Grayson moved that the revised policy and procedures be approved as presented. Mr. Wurster seconded the motion and the vote was unanimous. Human Research Subjects Policy

B-6 It was recommended to the Board that the President be authorized to dispose of University personal surplus property by a method or methods deemed to be in the best interest of Northern Kentucky University and in accordance with House Bill 622. It was pointed out by the President that any surplus real property would be presented to the Board on a case by case basis. Mr. Grayson moved, seconded by Dr. Sommerkamp, that the recommendation be approved. The vote was unanimous. Surplus Property

B-7 Mike Ryan, Co-chair of the Inaugural Committee, outlined the festivities being planned for the Inaugural and asked the Board to authorize a one-time non-recurring expenditure of $15,000. Dr. Sommerkamp, Co-chair, noted that because of a large private contribution the cost of the Inaugural Ball has been kept to a minimum in order for alumni and students to be able to participate. She further noted that three outstanding leaders of the business community in Cincinnati and the three Presidents of local higher education institutions in the community are participating in the Inaugural. It was also announced that Secretary of Education Bell would be speaking at the Seminar. Mr. Martin complimented the chairs and the committee for a fine job. Inaugural Authorization

Mr. Haas moved that the Board authorize funding not to exceed $15,000 for expenses related to the Inaugural. The motion, seconded by Mr. Duncan, was passed by unanimous vote.

B-8 Dr. Sommerkamp moved that the 1983-84 operating budget be amended to reflect lower summer school tuition receipts in the amount of $66,510. The motion, seconded by Mr. Duncan, was passed by unanimous vote. Budget Revision

OTHER BUSINESS:

Faculty Senate President Mike Ryan presented on behalf of the Faculty a plaque to Mr. Ken Lucas which read: "The Faculty and Faculty Senate of Northern Kentucky University commend Ken Lucas for his years of distinguished service as Chairman of the University's Board of Regents."

Several announcements were made regarding the athletic teams and music presentations. Dr. Boothe stated that he has received favorable comments many of these activities.

The meeting adjourned at 5:10 p.m. on motion by Mr. Haas and second by Mr. Duncan.

NEXT QUARTERLY MEETING - Wednesday, May 9, 1984
(Note: Because the General Assembly is currently in session, it may be necessary to call a special meeting of the Board prior to May 9.)

ADJOURNMENT

BOARD OF REGENTS MINUTES
Wednesday, January 25, 1984

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:35 p.m. on Wednesday, January 25, 1984 by Chairman Gordon Martin. The invocation was given by Dr. Tesseneer.

After welcome of guests, roll call was taken.

Regents present - Mr. David Duncan, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Dr. Jeffrey Williams - Faculty Regents, and Scott Wurster - Student Regent. Excused - Mr. Bart Brown, Mr. Merv Grayson, Dr. Pat Sommerkamp, Mr. Richard Spears.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Kim Hennessy, Mr. C.M. Tabor, Dr. Phyllis Sholtys, Dr. Mike Ryan - Faculty Senate Representative, Mr. Don Gammon - Staff Congress Representative, Dr. James Alford, Dr. Darryl Poole, Dr. John White, Mr. Mike Baker, Mr. Gregg Schulte, Mr. John Connor, Ms. Carla Chance, Ms. Mary Ryan, Ms. Jeri Sheldon, Ms. Imogene Addison, Ms. Mary Paula Schuh, Dr. Roger Meade, Dr. Bob Wallace, Mr. Jay Stevens, Mr. Jim Liechte, Ms. Dorothy Gammon, Mr. Bill Lamb, Mr. Steve Meier, Ms. Kathleen A. Webber, Ms. Marjori Scheller, Dr. Jack Williams, Dr. A. J. Pinelo, Students - Andrea Grone, David Munday, Marcus Hon, Tony Escamilla; Mr. Al Salvato of Kentucky Post, and Ms. Karen Merk of the Northerner.

The minutes of the November 2, 1983 meeting were unanimously approved on motion by Mr. Haas and second by Mr. Duncan.

The President called attention to two handouts. The 1984-86 Biennial Budget booklet contains basic facts and charts concerning the budget. The Management Information Reports contains facts about the University.

President Boothe informed the Regents that Northern Kentucky University, along with the University of Cincinnati and Ohio State University, is sponsoring a Sports Medicine and Conditioning Clinic to help athletes prepare for the Olympics. The President complimented the basketball teams for their good records and mentioned several future athletic events - Homecoming on January 28th, the men's game with University of Cincinnati on January 31st, the women's game with University of Cincinnati on February 2, and the traditional rivalry with Thomas More on February 11.

President Boothe introduced two directors, Mr. Steven Meier of Campus Recreation and manager of the new Health Center and Mr. John Connor of Public Safety.

PRESIDENTIAL REPORTS:

A-1 Grants and contracts dollars fluctuate from quarter to quarter,according to the President. Since the report was written, several sizeable grants have been received. Dr. Boothe reminded the Regents that money will continue to be tight in the area of research. — Grants and Contracts

A-2 While reporting on spring enrollment, the President noted that a decline as shown was expected because of the selective admission policy but was happy to note that upper level undergraduate enrollment increased considerably indicating that the quality of education is beginning to take effect. — Spring Enrollment

A-3 The Campus Development reports bring the Regents current with projects at the University. The President reports that the Health Center should be ready for occupany in the Spring. The Pedestrian Bridge is open and traffic is quite heavy. Campus Development

A-4 President Boothe explained that Summer Fellowship are awarded to faculty to encourage them to engage in research and/or gain expertise and to share the results with the broader University community. The following faculty have been awarded fellowships: Summer Fellowship

Christopher Boehm	Robert Snyder
Patricia Dolan	Rebecca Sturm
Carol Futhey	William Wagner
Cynthia McDaniel	Robert Wallace
Janet Miller	Stuart Ware
James Niewahner	Thomas Zaniello
Gary Scott	

Upon Mr. Duncan's question as to what percentage of applications for fellowships, grants, and sabbaticals are approved, Provost Gray responded that approximately 50% of summer fellowships, 40% of project grants, and 75% of sabbatical applications are awarded.

A-5 Faculty Project Grants for 1984-85 were awarded to the following faculty: Faculty Project Grants

Thomas Barone	Cynthia McDaniel
Christopher Boehm	Raymond McNeil
Kenneth Carter	Debra Pearce
Patricia Dolan	Thomas Rambo
Michael Hur	Stuart Ware
Donald Kelm	Ronald Williams
Robert Kempton	Thomas Zaniello

A-6 The financial report through December 31, 1983 was presented. The President noted that revenues are meeting projections and that expenditures are in line with no major overruns in any of the current projects. He further reported that our investment return has improved. Mr. Haas requested that a report on our bonding with principal and interest listed be available. Financial Report

PRESIDENTIAL RECOMMENDATIONS:

Dr. Williams moved that the recommendation be approved as presented. The motion, seconded by Mr. Wurster, was unanimously approved.

B-2 (a) A number of non-academic personnel actions were presented by the President, list attached to these minutes. Mr. Wurster moved, seconded by Mr. Lucas, that the recommendation be approved. The motion received unanimous approval. Non-academ Personne

B-2 (b) President Boothe recommended that Dennis Taulbee be named Director of Budget and Planning. He stated that he felt the University needed to refine the planning effort in terms of making it realistic and somewhat tied within the budget. Mr. Duncan moved approval of the recommendation. Mr. Haas seconded the motion and it received unanimous approval.

B-3 The Handbook for Adjunct Faculty for the law school was presented. The President noted that while other faculty groups have handbooks, this group also needed such a handbook. The handbook was refined by a committee of law school faculty and was reviewed by the entire Chase faculty, the Faculty Senate, the University legal counsel, and the Provost. Mr. Haas moved that the handbook be accepted as presented. The motion, seconded by Mr. Wurster, was unanimously approved. Adjunct Faculty Handbook

B-4 It was recommended that the University Administration be authorized to negotiate with Rankin, Rankin and Company, Certified Public Accountants, to perform an audit examination of financial statements of Northern Kentucky University for the period ending June 30, 1984. The President reported that the University has worked with Rankin and Rankin in a most satisfactory manner and wishes to continue with them. Approval for Auditor Negotiati

Mr. Duncan moved approval of the recommendation. It was seconded by Mr. Haas. Mr. Duncan asked if negotiations such as this is subject to competitive bidding. Mr. Tabor stated that it was not; however, the Legislative Research Commission reviews the contract based on standards they have set before the contract becomes final. Mr. Haas stated that he felt it might be advisable in future years to have competitive bidding. Upon call of the question, vote was unanimous.

B-5 It was recommended that the Board of Regents of Northern Kentucky University adopt a statement of philosophy and priorities for use of the A.D. Albright Health Center (attached to these minutes). President Boothe reported that a committee of students, faculty, administrators, and staff was appointed last November and was charged with the responsibility for developing a set of policy statements and recommendations pertaining to the use of the Health Center. After further review and refinement by an advisory group working with the Director of Campus Recreation and Health Center Manager, the policy is ready for the Board's approval. Health Center Philosoph

Mr. Duncan asked about safety and security for the Center and what is the responsibility of the University should an accident occur. Legal Counsel Hennessy stated that because this is State property, an individual pursues a claim through the State Board of Claims. Should the Board of Claims find the University negligent, the University is responsible for payment of claim.

Mr. Haas moved approval of the recommendation. The motion, seconded by Mr. Duncan, was unanimously approved.

B-6 The President presented a recommendation that the policies governing scholarships and awards be amended as outlined. (Complete amendments attached to these minutes.) Dr. Boothe explained that there is a standing committee reviewing these programs on a regular basis. Mr. Wurster moved approval of the recommendation as presented. The motion, seconded by Dr. Williams, was unanimously approved. Scholarship Policies

B-8 President Boothe presented a recommendation that the schedule of class fees and other charges to become effective the Fall, 1984 semester be approved. He explained that very few fees have changed. The assessment for parking violations was raised from $5 to $10, and the student incidental fee is raised from $20 to $30. The $20 fee has been in effect for the last 3 years. Fee Schedule

The President reported that before the incidental fee was raised, a check was made with the regional universities and $30 was the median. With the Health Center opening, students will have free use of the Center and the $10 raise reflects partly the operation of the Center plus cost of all student activites have raised. The staff and faculty will pay for memberships if they desire to use the Center. Any student that is registered in a credit course will have free use of the Center. The President explained that he very reluctantly came to the decision of raising the fee and recommended to the Board the fees as outlined.

Mr. Lucas moved, seconded by Mr. Haas, that the fees be approved as recommended.

Student Regent Wurster spoke in opposition to the raise of the student incidental fee with a prepared statement which is attached to these minutes.

Dr. Boothe complimented Mr. Wurster on his presentation and stated that he felt that Scott was one of the most responsible student he has ever had the privilege of working with in student situations. The President further explained that he and the administration have been working to come up with solutions; however, the fact remains that increased services offered to the students needs to be financed. The State is not providing adequate financing for operations when a new building and new services are added. He said he felt the $10 raise was defensible and credible. If the fee was not raised at this time, funds would have to be reallocated from other sources to meet the financial obligations.

Mr. Lucas commended Mr. Wurster on his presentation but spoke in defense of the increase as he said he felt a new benefit for students was being added and the $10 increase was reasonable.

Mr. Wurster again mentioned the fact that he was opposed to adding the fee to tuition and mentioned he was working with the Council on Higher Education trying to change the procedure. Dr. Williams spoke in defense of the raise stating that the State is not supporting a quality education and everyone needed to work together to try to get such support in all areas of education. Mr. Duncan also spoke in support of the raise because of the necessity to supply quality education to students.

The question was called. The vote was four ayes and a nay vote by Mr. Wurster. Motion carried.

B-7 The President presented the tuition schedule to become effective with the Fall, 1984 semester (attached to these minutes). He noted that the largest increase was for out-of-state law students. Mr. Duncan moved, seconded by Dr. Williams, that the schedule be approved. Tuition

Student Regent Wurster spoke in opposition to the increase (prepared statement attached to these minutes).

The vote was four ayes and a nay vote by Mr. Wurster. Motion carried.

B-9 President Boothe recommended that the 1983-84 operating budget be amended to reflect additional anticipated revenues from vending ($59,500), game room receipts ($25,000), and from a special security contract with the Kroger Corporation. Mr. Haas moved the approval of the recommendation. The motion, seconded by Mr. Lucas, received unanimous approval. Budget Revision

OTHER BUSINESS

Dr. Boothe announced that the high quality of our faculty was reflected in the fact that two faculty members received National Endowment for the Fellowships; no other school had more than one such achievement.

The President commended Dr. Sommerkamp and Dr. Ryan, co-chairs of the Inaugural Committee for the superb job of coordination and that many fine reports have been received from the community leaders regarding the occasion.

Mr. Lucas asked that the following statement be made a part of the minutes:
"I wish to formally acknowledge all those individuals and groups who were so gracious in recognizing my years as Chairman, specifically: the students and student government for their handsome plaque, the President and the President's staff for the beautiful bowl, the Faculty Senate for their thoughtful plaque, and the Regents for the elegant silver julep cups and tray.
"I am humbled by these generous expressions of kindness by all of you. These momentos occupy a special place in my home and will be remembered for years to come.
"To each of you, I give my most sincere thanks."

President Boothe announced that he would like to set the next Regents' meeting for Wednesday, May 9, 1984. He also stated that it might be necessary to hold a special meeting during the legislative session. Regents and guests were invited to tour the Health Center following adjournment.

Mr. Duncan moved that the meeting be adjourned, seconded by Mr. Haas. The meeting adjourned at 6:05 p.m.

CERTIFICATION

I, Elmer J. Haas, Jr., Secretary of the Board of Regents of Northern Kentucky University certify that the foregoing is a true copy of the minutes of its quarterly meeting held on Wednesday, January 25, 1984 and that such matters are still in force and effect.

Dated this _____day of March, 1984.

Elmer J. Haas, Jr., Secretary

Northern Kentucky University, University Center 206, Highland Hts., KY 41076

Before I state my case to the Board concerning this increase, I feel compelled to thank both Dr. Boothe and especially Mrs. Cynthia Dickens for both their patience and willingness to engage in frank, honest, and open dialogue these past several weeks. It is gratifying to know that the administration seeks student input on such issues, and I hope that the close rapport Dr. Boothe and I have established will continue long after my tenure as Student Government President has lapsed, both in our personal relationship and in his relationship with future student leaders.

As is inevitable, however, there will be times when students and administrators simply cannot agree on a particular issue. The present situation is a case in point. I oppose the proposed ten dollar increase in the Student Incidental Fee. At the outset, let me assure my fellow Board members that what I am about to say is intended to provide you with a clear, concise picture of student opinion on the increase. I am well aware that historically Board members are reluctant to vote against Presidential Recommendations unless there are truly compelling reasons to do so. If my reasoning seems compelling enough, I would encourage you to vote with me, but I must confess that this is not the primary reason I come before you today. Rather, I feel that as Student Regent, I am the voice of the students, and I am here today to be heard.

I understand, at least as well as any student on campus, the current and future fiscal picture of the University. The primary reason I oppose the increase is not fiscal, but philosophic. There is little doubt that

even if there are no shortfalls in revenue, there is an even greater chance that there will be no new anticipated revenue other than the recent tuition increase approved by the Council. Dr. Boothe has at some length described the fiscal picture to me, and I concur completely that more revenue is needed, and that it must come from somewhere. His only real option is to raise the Student Incidental Fee. Faced with the assumption of the A. D. Albright Health Center and the cost of operation included there, the need to provide an increase in faculty salaries, and other important fiscal concerns, Dr. Boothe has had to make some hard decisions concerning funding. I cannot in all honesty come before you today and say that if I were in his place, I wouldn't propose the increase in the fee, if indeed fiscal concerns were all that figured into the decision. Unfortunately, the situation is not purely monetary.

By increasing this fee, we establish a dangerous precedent for the future. It is not exactly the case, but very nearly the case that these increases are going to cover anticipated shortfalls in general fund revenue. The Council staff have related to me that it is <u>not</u> the intent of the Council that student activity fee money cover anticipated general fund revenue shortfalls, but rather go for those purposes deemed "Student Activities." This is where the argument gets sticky. No clear definition of "Student Activities" has emerged. It is my intention, through the Student Advisory Council to the CHE (composed of student Regents from across the Commonwealth) to push for this clarification. It is the philosophy of the Administration that the Incidental Fee is essentially considered tuition for budgetary

purposes. If this is true, then the Council reserves the right to set the fee, not the University. I believe that it is in the best interest of all involved to consider this fee an Incidental Fee for the support of student activities, class fees, etc. rather than tuition, for the latter gives the Council control over it.

Let us assume then that the fee is indeed for the support of Student Activities. It has been argued that the entire amount of the increase will not even cover the cost of utilities for the new Health Center. This asusmes that the primary purpose of the building is student activity related. Yet the building is academic, and rightly so. Offices and classes will be using utilities, and it is my guess that if it were possible to figure just student activity related costs, the amount would be far less than full cost of building operation.

But even this argument is not the strongest for not increasing the fee. By putting the extra revenue generated into the Health Center, which we have seen is not an exclusively Student Activity related enterprise, we free up funds in the University budget that would ordinarily have to be committed to the Health Center, and put them back into the General Fund for other purposes. So essentially that money is free to go for non-student activity purposes. Please remember that it has been clearly stated that it is not the intent of the Council that increases in the fee supplement the General Fund, yet that is what is happening here. Phrased differently we might ask the question like this: If there were neither anticipated shortfalls nor no prospects for additional revenue on the horizon, would this increase

be proposed? If the answer is "no" (and I believe it is) then we must accept the notion that the fee is being increased to enhance shortfalls in general fund revenue. This is precisely the dangerous precedent that I previously alluded to. As students, we simply cannot stand by and watch this occur without raising the voice of concern.

Granted, the issue is an extremely complex one, and there are no simple solutions. This brief statement doesn't begin to cover the variety of issues that a proposed increase in the fee raises. I would remind the Board that they are voting today on an increase in tuition recently approved by the Council. In a Commonwealth where education overall ranks among the poorest in the nation, and in one that would reap innumerable benefits from encouraging students to seek a higher education, it seems positively ludicrous to me that these discouraging increases come at a time when just the opposite should be happening.

For the record, during the process of negotiation I offered two compromise solutions, neither of which was accepted. First, through my given understanding of the fiscal picture and the necessity of generating new revenue, the Representative Assembly suggested that the proposed increase be halved. This was rejected as fiscally unsound, and while I may not agree, I at least understand why. My second alternative was also rejected. I proposed that we alter the wording of the proposal slightly to read "an increase <u>not to exceed</u> ten dollars." This would allow the Board to essentially postpone fixing the amount of the increase until a clearer fiscal picture has emerged.

We don't know what the legislature is going to do, what priority will be placed on higher as opposed to (and isn't it a shame that education must be turned on itself) primary and secondary education, what tax increases may occur, and so on. My point is that there are many variables in process that could change between now and May. It makes sound fiscal sense to adjust such a controversial revenue generator to the situation at that time rather than now, when we literally have no idea what might happen. Dr. Boothe feels that an increase will be needed regardless and rather than mislead students with false hopes to the contrary, he wants to be up front with us, a position that I both respect and appreciate.

I am worried, as you must be, about the future of higher education in Kentucky. Unfortunately, fiscal concerns often dictate constraints and create situations that are often not in the best interest of students, faculty, or administrators. Certainly this is the case now. We do the very best we can in the hope that we are slowly doing some good for the students. For after all, the function of every university is, and ought to be, to serve the students first. Students are not well served in times of budgetary constraints. Let us not forget either, that what is most important, at least from a personal perspective, is not accomplishing individual goals on behalf of what we might call special interests, but rather the process of dialogue, mutual understanding, and a shared commitment to work out our problems together. It is indeed a pity that we must turn on ourselves over money, yet often that is exactly what happens.

So now I ask you fellow members of the Board to vote against this increase for the reasons I have described. If you do not, for whatever reasons you may have, I will surely understand. If you do, I will be most grateful for your support. But regardless of the outcome, one thing remains clear. We are joined together in this room because we all care deeply for Northern Kentukcy University, and all who are involved here. to care, must become involved; one must commit. With commitment often comes hard choices.

STUDENT GOVERNMENT

Northern Kentucky University, University Center 206, Highland Hts., KY 41076

As some of you know, I was a vocal and vigorous opponent to these tuition increases right up until the last second before they were adopted by the C.H.E. It is my belief that lower tuition encourages more students to attend college. Many students earn a substantial part of their college tuition, or like myself, all of it, and are very dependent on low tuition. It has been shown that lowering tuition increases the number of students going on to college. A Stanford Research Institute study shows that students from low income families would be more likely to go to college if tuition were reduced. Kentucky has a low per capita personal income. The Council switched the way tuition is figured to a percentage of that number, supposedly to base tuition on the student's ability to pay, but with the net effect of increasing tuition. The logic of this evades me completely. Bureau of Labor Statistics indicate that very few families have adequate funds to meet college costs, and I suspect that this is even truer in Kentucky. Finally, current federal and state student aid programs are not adequate to meet the needs of students from either lower income or middle income families. Inflation has eroded the family ability to pay for college. Each of these assertions is documented by a study in the Low Tuition Factbook put out by the American Association of State Colleges and Universities. I recommend it highly.

Unfortunately, once again we are confronted with that ugly spectre, budgeting constraints. While I realize that it is difficult to match philosophic and fiscal concerns, I cannot vote for this increase for the reasons I have just described.

NEXT QUARTERLY MEETING - Regularly scheduled for July 25, 1984 ??

ADJOURNMENT

BOARD OF REGENTS MINUTES
June 6, 1984

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:35 p.m. on June 6, 1984 by Chairman Gordon Martin. The invocation was given by Dr. Ralph Tesseneer.

The Chairman introduced the new Regent, Mrs. Susan Morrison, and administered the oath of office.

Roll Call:

Regents present: Mr. Bart Brown, Mr. David Duncan, Mr. Merv Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Gordon Martin, Mrs. Susan Morrison, Dr. Jeffrey Williams, Mr. Scott Wurster. Excused - Mr. Richard Spears

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Mr. C.M. Tabor, Dr. Phyllis Scholtys, Mr. Keith McMain, Mr. Bill Russell, Dr. Tom Kearns, Ms. Jane Meier, Mr. Mike Baker, Ms. Becky Myers, Ms. Lori Dean, Ms. Carla Chance, Mr. Gregg Schulte, Mr. Dan Alford, Ms. Mary Paula Schuh, Ms. Jeri Sheldon, Ms. Mary Huening, Mr. Robert Sprague, Dr. Darryl Poole, Mr. Bill Lamb, Mr. Mike Beitzel, Mr. Jay Stevens, Mr. Jim Liechte, Dr. George Goedel, Dr. Mike Ryan, Ms. Mary Ryan, Mr. Tony Pugh of the Kentucky Enquirer, Mr. William Weathers of the Kentucky Post, and Ms. Bonita Jackson of WCKY Radio.

The Chairman recognized Mr. Grayson who read the following resolution:

"RESOLVED: That the Board of Regents extend its thanks and sincere appreciation to Patricia Sommerkamp, who served as a Regent of Northern Kentucky University from 1980 to 1984. She gave to the University her time and talent without compensation to further the ultimate goals of the Institution to provide the best higher education for the students therein.

"Dr. Sommerkamp shall be remembered for her individual contributions to the success of our University during her years of exemplary service.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on June 6, 1984."

Mr. Grayson moved the adoption of the resolution. The motion, seconded by Mr. Brown, was passed by unanimous vote.

President Boothe presented a distinguished service award to Mr. Kenneth Lucas which read as follows:

Distinguished Service in Trusteeship
The Association of Governing Boards of University and Colleges
acknowledges the nomination of KENNETH LUCAS for the
Association of Governing Boards Distinguished Service Award
honoring significant contributions to higher education
with the uniquely American tradition of voluntary trusteeship.

Mr. Lucas thanked the Board for the honor and award.

The minutes of the previous meeting, January 25, 1984 were approved on motion by Mr. Haas and second by Mr. Grayson. The motion was unanimously passed.

PRESIDENTIAL REPORTS:

A-1 The Grants and Contract activity report was presented by the President who reported that while dollars are down, the number of grant applications are up and that there is a variation of dollars received from quarter to quarter. Grants and Contracts

A-2 President Boothe highlighted the Campus Development Report. He reported that the Health Center has been accepted by the State and that a formal dedication will be planned for early Fall. He stated that the State had approved construction of road improvements and an access road for our campus. This is a very significant event for the University to have this road system available. He also reported that the gas leakage problem was presented to the State, and the State agreed to fund the repairs as an emergency project. — Campus Development

A-3 Dr. Boothe reported that he had asked the Athletic Committee to study and submit a report on the long term objectives of the athletic program of this University. He highlighted the report with comments on the commitment to NCAA Division II, the possible membership in the Great Lakes Valley Conference and improvement of all outdoor athletic fields. The President recognized Dr. Tom Kearns, chairman of the Athletic Committee; Jane Meier, Athletic Coordinator of Women's Sports; and Mike Beitzel, Athletic Coordinator of Men's Sports. — Athletic Committee Report

A-4 In presenting the quarterly financial report, the President called attention to the new format and stated that the reports shows the University within the budgeted expenditures. — Quarterly Financial Report

A-5 The Financial Aid Audit as required by Federal statutes, shows no significant problems, according to the President. — Financial Aid Audit

A-6 President Boothe reported that the management report packet distributed to the Regents is now complete along with the reports distributed in January, 1984. — Management Reports

A-8 The President presented the Academic Affairs Reorganization plan. Dr. Gray stated that the reorganization attempts to strengthen areas that could bring new students into the University. Most of the changes was accomplished by reassignment and reallocation of faculty and facilities. He further mentioned that the largest clientel is in Business and the reorganization is trying to strengthen that area. — Academic Affairs Reorganization

Dr. Williams commented that he would like a statistical account of where we are saving and where the reallocation takes place. Mr. Wurster asked about the Community Research and Service department. Dr. Gray stated that a major portion of that area will fall under the Dean of the University College, as that College is already involved in the particular area.

A-7 The President announced that the Nursing Program of the University has received formal accreditation by the National League for Nursing. Significantly the accreditation is retroactive to the 12 month period prior to the date of the site visit. — Nursing Program receives Accreditation

EXECUTIVE SESSION:

Mr. Haas moved that the Regents go into Executive Session to discuss a matter. The meeting recessed at 5:10 and reconvened at 5:30 p.m.

The Chairman recognized Mr. Grayson who stated that the personnel matter was to study the Presidential Evaluation Committee Report. Mr. Grayson reported that the committee had met several times, talking with students, faculty, and staff. Everyone was very complimentary to Dr. Boothe during his first year as President.

Mr. Grayson reported that the committee was pleased to recommend the continuance of Dr. Boothe as President of Northern Kentucky University and offer a three year contract with annual evaluations and with a 2% raise during the first year of the contract. Mr. Grayson commented that while we are lagging behind in the compensation of our President as compared to other state institutions, we are certainly not lagging in talent.

Mr. Grayson moved that the recommendation be accepted. The motion seconded by Mr. Duncan, was passed by unanimous vote.

Dr. Boothe thanked the Regents and stated that he is very enthusiastic about the University and feels that the institution has a very fine faculty, staff, and student body.

PRESIDENTIAL RECOMMENDATIONS:

B-1 President Boothe recommended the following academic personnel actions to the Board: (Details attached to these minutes.)

Leaves - Jerry Barrett, August 15, 1984 to May 15, 1985
James Fouche, March 16, 1984 to June 30, 1985
Nan Littleton, August 5, 1984 to May 15, 1985
Mitch Shapiro, August 15, 1984 to May 15, 1985
James Stacy, August 14, 1984 to August 14, 1985

Resignations: Arthur Ambrose, Mohamad Bayou, Jeannette Cochran, Rosemary Ingham, all effective May 15, 1984

Appointments:
Ken Carter, Interim Chairperson of Education from March 17, 1984 to June 30, 1985
Adalberto Pinelo, Acting Chairperson of Political Science
Paul Reichardt, Chairperson of Literature and Language
Angela Lipsitz, Assistant Professor of Psychology
James T. Snodgrass, Assistant Professor of Mathematical Sciences
Joan C. Whitman, Assistant Professor of Social Sciences

Academic Personnel Actions

The President called attention to the leave of James Fouche, who is serving the State Education Department as Associate Superintendent of Instruction for elementary and secondary education. This is another indication of the outstanding faculty and administration that we have at this institution.

Mr. Haas moved that the recommendation be approved as presented. The motion was seconded by Mr. Brown and was passed by unanimous vote.

B-2 A list of non-academic personnel actions (attached to these minutes) was recommended to the Board by the President. He introduced Chester Arthur who transferred from Purchasing to Budget and Planning Officer. Mr. Brown moved, seconded by Mr. Duncan, that the recommendation be approved. The motion received an unanimous vote.

Non-Academic Personnel Actions

B-3 Dr. Boothe presented the following administrative personnel changes for approval:

Appointments: Dr. Gary Graff, Director of Institutional Research
Mr. Bill Russell, Director of Admissions

Resignations: Ms. Kim Hennessey, University Counsel
Mr. Larry Kinney, Director of Auditing

Administrative Personnel Actions

Mr. Russell was introduced by the President. Mr. Grayson moved that the recommendation be approved as presented. The motion, seconded by Mr. Wurster, received unanimous vote.

B-4 President Boothe recommended that Northern Kentucky create an intermin College of Business with the existing Business Department, effective July 1, 1984. The recommendation further includes the development of four separate departments (Accounting; Business, Economics and Finance; Information Systems; and Management/Marketing). Interim College of Business approved

The President stated that a possible College of Business has been under consideration and the Board was formally aware of that possibility since the NKU Leading Issues and Emerging Policies document was presented in August, 1982. The President spoke on the four points listed in the background of the recommendation and added that he feels the stronger the program, the better students can be recruited. Also, the business community feels very strongly that a College of Business is needed. Because there were more majors in Business than the other two colleges, the figures were influential in the decision. He said he feels the plan is workable and the time is right, especially in terms of the community.

Mr. Haas moved the adoption of the recommendation and it was seconded by Mr. Grayson.

Mr. Brown asked why it was to be an interim college and Dr. Gray answered that he felt it will take an interim year to work out any problems. Dr. Gray further stated that this was the leanest version being brought to the Regents because of budgetary concerns.

Dr. Williams spoke against the recommendation stating that he felt it would be an irresponsible action at this time because of the lack of the money coming from the State. He said he did not find any illusion to the College in the Leading Issues and Emerging Policies. He was concerned that money would be taken from other areas that may also need it. Further discussion continued with Dr. Gray answering Dr. Williams' concerns.

Mr. Lucas spoke for the recommendation stating that he understood Dr. Williams' concern in lieu of the budget picture looking gloomy. However, he said that he felt we also had to be concerned about the external perception of the University. Since we have to go to the community for money, we should serve the community needs, particularly in a College of Business.

Dr. Boothe said that he sympathized with Dr. Williams' viewpoint. He also said that he had agonized over the decision and felt very strongly that the time had come to serve the larger number of students in a better manner.

Dr. Gray explained interim did not mean that if the present version was not workable, the plan would be abolished. This merely gives time to make refinements where needed.

Mr. Haas called for the question. The vote was as follows:
Aye - Mr. Brown, Mr. Duncan, Mr. Grayson, Mr. Haas, Mr. Lucas, Ms. Morrison.
Nay - Dr. Williams who stated that his nay vote was not against the concept, but rather the timing.
Abstention - Mr. Wurster.
The motion passed.

B-5 The President presented a recommendation adding a policy regarding amendments to the Faculty Policies and Procedures Handbook (attached to these minutes). The recommendation passed by unanimous vote on motion by Mr. Grayson and second by Mr. Lucas. Faculty Handbook Policy

B-6 President Boothe presented a recommendation to the Faculty Policies and Procedures Handbook regarding Accommodation Procedures for Handicapped Employees (attached to these minutes). The motion was made by Mr. Haas to approve the recommendation. The motion, seconded by Mr. Duncan, was unanimously approved.

Faculty Handbook Policy on Handicapped

B-7 It was recommended by the President that an amendment (attached to the minutes) to the General Requirements for baccalaureate students be approved. Mr. Wurster spoke of his appreciation to Dr. Poole for the stand he took while the subject was under discussion. Student Government had been spilt on the amendment; however, he personally approved the amendment. Mr. Brown moved approval of the recommendation. The motion was seconded by Mr. Duncan and it received unanimous approval.

General Requirements for Degree

B-8 The President presented a policy regarding interim grades (attached to these minutes). Mr. Wurster stated that this was the most significant accomplishment of Student Government in the past year as it provides feedback to the students as to how they are progressing in a class. Mr. Lucas moved approval of the recommendation. The motion, seconded by Mr. Grayson, was unanimously passed.

Interim Grade Policy

B-9 A revision of the Code of Student Rights and Responsibilities (attached to these minutes) was presented by the President. Mr. Wurster moved approval of the revision. The motion was seconded by Mr. Brown and the vote was unanimous.

Student Rights and Responsibilities revised

B-10 President Boothe presented an amendment to Section 6, Article IV of the Student Government Constitution with one correction - Paragraph C. should read "representative to both the Faculty Senate and the Staff Congress," rather than "on". Mr. Haas made the motion to approve the amendment as corrected. The motion, seconded by Mr. Wurster, was unanimously passed. The amendment is attached to these minutes.

Student Government Revisions

An amendment to Article V of the Student Government Constitution was presented by the President. The motion to accept the recommendation was made by Mr. Grayson. The motion, seconded by Mr. Wurster, was passed by unanimous vote.

Dr. Boothe complimented Mr. Wurster for his service this past year while serving on the Board of Regents. Chairman Martin thanked Mr. Wurster on behalf of the Board for his service and commitment to the University. Dr. Boothe introduced the new Student Government President, Mr. Keith McMain, who takes office on July 1. Also introducted was Dr. George Goedel, the new Faculty Senate President.

B-11 President Boothe recommended that approval be given to the purchase of 10.46 acres of surplus right-of-way property adjacent to I-275. The property, known as parcel 431X, is bordered on one side by the Interstate and on all others by University property. The President explained that the property was not transferred when lengthy court proceedings were completed by the State Department of Transportation. Mr. Lucas moved the adopted of the resolution. The motion was seconded by Mr. Grayson and was passed by unanimous vote.

Surplus Right-of-Way Property

B-12 The President recommended that authorization be given to the Associate Vice President for Business Affairs to write-off receivables as bad debts in the amount of $6,729.98. Mr. Haas moved approval, Mr. Brown seconded the motion, and it was passed by unanimous vote.

Write-Off Receivables

B-13 The President recommended that the 1983-84 operating budget be revised to $31,749,412 in order to reflect a decrease in revenues from fall and spring tuition receipts of $265,000, an increase in seminar fees of $24,000, an increase in investment earnings of $175,000, and fund balance allocations of $361,766. Dr. Boothe explained that the fund balance allocation was transferred to cover purchase of some micro-computers through the University of Louisville contract at a very reduced price. Mr. Brown moved that the recommendation be approved. The motion, seconded by Mr. Grayson, was passed by unanimous vote. Revision of 83-84 Budget

B-14 The President presented the 1984-85 unrestricted current fund operating budget of $32,507,000 (details attached to these minutes) and recommended its approval. He stated that the budget contains about 1.8% in new monies. About .5% additional new money was earmarked for activities in support of the Federal desegregation order. 1984-85 Operating Budget Approved

Mr. Haas moved that the recommended budget be approved. The motion was seconded by Mr. Grayson. Dr. Williams pointed out that the College of Business was not listed but the Business Department was listed under the Dean of Professional Studies. Dr. Gray said that the budget had been completed prior to the final decision to recommend the College of Business.

The cost of the radio station was questioned by Dr. Williams. Dr. Boothe said that the radio station, hopefully, will become self supporting. Once the station is on the air, it is the feeling that additional support will come from private sources. Six months after the station is on the air, it will be possible to apply for Federal funds.

The vote was called and the motion passed by unanimous vote.

B-15 President Boothe recommended that a University Advisory Committee on Honorary Recognition be approved. He said that the Board has never really had a policy in this regard and he was proposing using a committee to review suggested honorees. Mr. Duncan moved, seconded by Mr. Grayson, the adoption of the recommendation. The vote was unanimous. Committee on Honorary Recognition

B-16 It was recommended that the President be authorized to pursue the advisibility and the possibility of paying off the HUD indebtedness and refinance the required amount to cover payoff. Dr. Boothe explained that HUD has offered a substantial discount on the loans if they are paid off now. Some of the universities are discussing pooling the debt, using one bond counsel. The recommendation only asks for permission of pursuing the possibility. The Board will have the opportunity to vote if the plan becomes feasible. Mr. Duncan made the motion that the recommendation be adopted. The motion, seconded by Ms. Morrison, was unanimously passed. Refinancing HUD Indebtedness

The next regular quarterly meeting was set for Wednesday, July 25, 1984 at 4:30 p.m.

The meeting was adjourned at 6:50 p.m. on motion by Mr. Haas and second by Mr. Lucas.

ADJOURNMENT

BOARD OF REGENTS MINUTES
July 25, 1984

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:30 p.m. on July 25, 1984 by acting chairman Elmer Haas. Invocation was given by Dr. Ralph Tesseneer.

Mr. Haas introduced the new Regents and administered the oath of office for the following: Dr. Herbert Booth, Mr. William Verst,Jr., and Mr. Keith McMain, student regent.

Roll Call:

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merv Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mrs. Susan Morrison, Mr. Richard Spears, Mr. William Verst, Mr. Keith McMain. Excused - Dr. Jeffrey Williams.

Others present: President Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Mr. Dennis Taulbee, Mr. C.M. Tabor, Ms. Sheila Bell, Alumni Representative Rebecca Sturm, Faculty Representative Mike Ryan, Mr. Warren Spencer, Mr. Bill Russell, Dr. James Alford, Ms. Imogene Addison, Ms. Kathleen Webber, Mr. Mike Baker, Mr. Gregg Schulte, Mr. Chester Arthur, Ms. Mary Ryan, Ms. Mary Huening, Mr. Bill Lamb, Ms. Mary Paula Schuh, Mr. Don Gammon, Mr. Dave Phillips, Mr. Tim Stein - Kentucky Post, and Mr. Dave Beasley - Kentucky Enquirer.

Minutes of the June 6, 1984 meeting were approved with the following correction: Page 2 under Executive Session should read "Mr. Haas moved that the Regents go into Executive Session to discuss a personnel matter." The motion was made by Mr. Duncan and seconded by Mr. Spears.

Mr. Haas called for nomination of Chairman of the Board for the next year. Mr. Verst moved that Mr. Kenneth Lucas be nominated. The motion was seconded by Mr. Duncan. Mr. Duncan moved that the nomination cease and second was made by Mr. Verst. The motion carried. Mr. Lucas was elected Chairman by unanimous vote.

Upon call for nomination for Secretary/Treasurer, Mr. Duncan nominated Mr. Elmer Haas. The motion was seconded by Mr. Lucas. There being no further nominations, Mr. Haas was elected Secretary/Treasurer by unanimous vote.

Nominations for Assistant Secretary were called. Mr. Lucas moved that Mrs. Dolores Thelen be nominated for the next year. The motion was seconded by Dr. Booth. Mrs. Thelen was elected Assistant Secretary by unanimous vote.

Mr. Lucas assumed chairmanship of the Board and made the following comments:

(1) That upon leaving the office of Chairman a year ago, he never anticipated to return to that position. He noted that things have an unusual way of happening.

(2) That he was very pleased to serve again in this capacity until such time that it can be better served, but made it clear that he did not aspire nor seek the position again.

Mr. Haas presented and recommended the following resolution for approval:

"RESOLVED: That the Board of Regents break with tradition and make an exception to the by-laws by honoring Gordon Martin with the title, Regent Emeritus of Northern Kentucky University, because of the length of his service as a Regent, the outstanding contribution he made as chairman of the Board, and his concerted efforts to progress this University over a protracted period of time.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on July 25, 1984."

Mr. Duncan seconded the motion which was passed by unanimous vote.

Mr. Duncan presented and recommended the following resolution for approval:

"RESOLVED: That the Board of Regents extend its thanks and sincere appreciation to Gordon Martin who served as a Regent of Northern Kentucky University from 1972 to 1984. Mr. Martin will be remembered for his distinct contributions to the success of the University dating from his participation in the founding of the Institution through his years of exemplary service as a productive Regent.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on July 25, 1984."

The motion was seconded by Mr. Spears and received unanimous approval.

Mr. Spears presented and recommended the following resolution for approval:

"RESOLVED: That the Board of Regents extend its thanks and sincere appreciation to Bart Brown who served as a Regent of Northern Kentucky University from 1983 to 1984. He gave to the University his time and talent without compensation to further the ultimate goals of the Institution to provide the best higher education for the students therein.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on July 25, 1984."

The motion was seconded by Dr. Booth and received unanimous approval.

PRESIDENTIAL REPORTS:

Two items were brought to the attention of the Board by the President prior to beginning reports. (1) Rebecca Sturm, newly elected president of NKU Alumni, was introduced. (2) Attention was called to the new paintings in the Board Room. Dr. Tesseneer reported that the art work was donated as a result of efforts of John Brooking, former Regent and legal counsel. The paintings were donated by Mrs. Betty Westerfield from her late husband's collection of art from Canada. These pictures depict various stages of an uranium mine development in an area at which Mr. Westerfield used to camp and fish some years ago. Dr. Tesseneer mentioned that the Foundation is pleased to receive such donations and would be glad to receive information about any individual who might be searching for a worthy Foundation to make this type of contribution.

A-1	The Grant and Activity report is for the past fiscal year and shows a slight increase over the previous year, according to the President. This is a gratifying report inasmuch as the competition is keen due to dimishing funds at the Federal level.	Grant and Activity Report
A-2	President Boothe highlighted the campus planning report and announced that Dedication ceremonies for the A.D. Albright Health Center will be held on Friday, September 7th at 1:30 p.m.	Campus Planning
A-3	The financial report for the past fiscal year was presented by the President who explained that the audit report for the fiscal year will be available to the Board by the next meeting.	Financial Report
A-4	The President reported that summer school enrollment is down somewhat, but reflects trends nationwide.	Summer School Enrollment

PRESIDENTIAL RECOMMENDATIONS:

B-1 Academic affairs personnel recommendations (attached to these minutes) were presented by the President. Dr. Boothe stated that the 2% increase in salaries (as mandated by the State) has had some effect inasmuch as five of the nine terminations in the academic and administrative areas came about because the individuals resigned due to financial reasons as well as being able to pursue better opportunities in other areas. The State certainly needs to be aware that the small funding is having an impact and institutions are losing able individuals. Academic Personnel

Mr. Haas moved acceptance of the recommendation. The motion, seconded by Dr. Booth, received unanimous approval.

B-2 Dr. Boothe presented the non-academic personnel actions for approval (attached to these minutes). The President introduced Sheila Bell, interim legal counsel for the University, giving her credentials. Ms. Bell will also act in the capacity of Affirmation Action officer of the University. Non-academic Personnel

The recommendations were approved on motion by Mr. Verst and second by Mr. McMain. The vote was unanimous.

OTHER BUSINESS:

After discussion on future meeting dates, following are the dates selected for the balance of this fiscal year: October 31, January 30, and April 24. The meetings will commence at 4 p.m.

The meeting was adjourned at 5:05 p.m. on motion by Mr. Haas and second by Mr. Spears.

NEXT QUARTERLY MEETING - Wednesday, January 30, 1984

ADJOURNMENT

BOARD OF REGENTS MINUTES
October 31, 1984

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:15 p.m. on Wednesday, October 31, 1984 by Chairman Lucas. Invocation was given by Dr. Ralph Tessenner.

Roll Call:

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merw Grayson, Mr. Kenneth Lucas, Mrs. Susan Morrison, Mr. William Verst, Dr. Jeffrey Williams, Mr. Keith McMain. Excused - Mr. Elmer Haas, Mr. Richard Spears.

Others present: President Leon E. Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Ms.Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Sheila Bell, Dr. Ralph Tesseneer, Mr. C.M. Tabor, Dr. Phyllis Sholtys, Ms. Nancy Perry, Ms. Nancy Pierce, Ms. Becky Sturn, Mr. George Goedel, Mr. Richard Rankin and Mr. Charles Lee of Rankin & Rankin, Ms. Cindy Dunaway, Ms. Peggy Kreimer, Ms. Mary Paula Schuh, Ms. Carla Chance, Mr. Gregg Schulte, Dr. Gary Graff, Mr. Robert Sprague, Mr. Bill Lamb, Ms. Imogene Addison, Mr. Mike Baker, Dr. Carol Futhey, Mr. C.A. Arthur, Dr. Elly Welt, Mr. Bill Russell.

Minutes of the July 25, 2984 meeting were approved on motion by Mr. Duncan and second by Dr. Booth.

Several announcements were made by the President:

1. Dr. Carol Futhey was introduced as chairman of an impact study to be released during the next week. Regents will receive a copy of the study, which clearly shows the impact of Northern in this region and community.
2. The distinguished speaker program this past year has been outstanding. Dr. Elinor Welt, who has headed the program, was introduced. Dr. Welt also secured for the Regents personally inscribed copies of John Ciardi's newest book, the release of which coincided with his recent visit on campus as one of the distinguished speakers.
3. The Office of Civil Rights recently audited activities on our campus. Mrs. Cynthia Dickens was responsible for much of the preparation. Northern received good results from the audit.
4. Copies of "NKU-Where the Experts Are"were distributed. The booklet lists professors and their fields of expertise and will be given to communications media.
5. Copies of the newest Student Handbook were distributed.
6. Dr. Gary Graff, new Director of Institutional Research, was introduced.

PRESIDENTIAL REPORTS:

A-1 The President noted that a total of $414,520 in grants and contracts was secured this year, as compared to $235,000 last year. This represents the good response of the University community in the number of grants that have been approved. Grants and Contracts

A-2 President Boothe highlighted the Campus Development report, noting that we are anxious to see work begin on the connector road between Three Mile Road and Nunn Drive as well as the widening of Nunn Drive. State assistance has been and is being received in trying to determine how to handle the water problem (spring) under Landrum Hall. The leakage problem, which has become quite serious, is being studied to find a solution. Dr. Scholes and appropriate members of his staff did an excellent job in seeing that the new gas line was installed prior to the onset of cold weather. The A.D. Albright Health Center is in full operation with the exception of minor items to be taken care of by the contractor. Campus Development

Mr. Lucas announced that he had received a thank-you to the Board from Dr. Albright for the recognition he received at the dedication of the Health Center.

A-3 Enrollment summary shows a slight decline this year - 5.2% decrease was entirely at the Freshman and Sophmore level, according to the President. The Junior level increased 5.5% and the Senior level 14%. The MBA program had an 8% increase. Upon Mr. Duncan's question, Dr. Boothe stated that official enrollment figures for state schools had not been released, but that unofficially, there were similar declines throughout the state. — Fall Enrollment

A-4 The President reported the successful completion of our efforts to join the Great Lakes Valley Conference. Such membership formalizes some inter-collegiate competition we have had in the past with some schools in this conference. The President stated that this membership will greatly enhance the entire athletic program. Dr. Boothe thanked Dr. Scholes, Dr. Tom Kearns and Coaches Beitzel and Meier for the time and effort in achieving this goal. — Athletics

A-5 The quarterly financial report for July-September, 1984 indicates that the University is in good shape. Larger than anticipated revenues occurred in auxiliary enterprises because of highly successful membership participation in the Health Center. — Quarterly Financial Report

A-6 The President highlighted the annual financial audit. Mr. Richard Rankin of Rankin and Rankin certified to the Regents that the audit was concluded for the fiscal year ending June 30, 1984 and records were found to be in order and statements properly prepared. Mr. Rankin expressed the appreciation of his staff for the cooperation received from the President's Office, Dr. Scholes, Mr. Tabor, Mike Baker, and the accounting office. — Financial Audit

President Boothe pointed out that state appropriations are decreasing and the University is having to depend on tuition and other revenue. He noted that we simply cannot continue to do this and have a quality educational program. Mr. Verst noted that the state had received $900 million less from the Federal government than had been received a year ago. Mr. Grayson spoke on the subject and said he felt that it was important to get the masses of people behind education before the next legislative session. Dr. Boothe said that the Council on Higher Education is going to form a task force in support of higher education. Dr. Williams expressed the concern of faculty that the ratio of full time faculty to part time faculty is becoming increasingly high.

A-7 The President's Annual Report was presented to the Regents by the President, who pointed out many areas of interest as well as the strides that have been made in the past year. — President's Annual Report

PRESIDENTIAL RECOMMENDATIONS:

B-1 A list of new faculty, terminations, appointments, and leaves (attached to these minutes) were recommended by the President. Mr. Duncan moved the adoption of the recommendation. The motion, seconded by Mr. Grayson, received unanimous approval. — Academic Personnel

B-2 A list of non-academic personnel changes were recommended to the Regents. The President introduced Ms. Nancy Pierce, new Financial and Operations Auditor. Non-academic Personnel

The President reported that he had asked for a summary on the reasons for terminations. Following are results:
55% - Promotional opportunities
15% - Leaving work force
15% - Did not enjoy job
10% - Better pay
5% - Reduction of work force

The recommendation was unanimously adopted on motion by Mrs. Morrison and second by Dr. Booth.

B-3 President Boothe presented a recommendation that the policy (attached to the minutes) regarding staff position reclassifications and reclassification reviews be approved and made part of the administrative regulations of the University. The President said that the policy has not been as clear as it should be and this new policy will provide more guidance in this respect. Reclassification Policy

The motion was unanimously adopted on motion by Mr. Grayson and second by Mr. Duncan.

B-4 A recommendation that the University establish a limit of 144 credit hours attempted as the point at which an undergraduate degree-seeking student's eligibility to receive Federal, State, and Institutional financial aid terminates was presented by the President. Dr. Boothe stated that the Federal government has mandated each institution to include a statement specifying the point at which financial aid eligibility ceases along with satisfactory progress policies. Credit Hour Limit for Financial Aid

Mrs. Morrison moved that the recommendation be adopted. The motion, seconded by Mr. Verst, received unanimous approval.

B-5 The President presented a revised policy for Commonwealth Scholarship for Legal Studies (attached to the minutes). He explained that Mr. Duncan had questioned why only undergraduates of regional state universities were eligible, thus eliminating the private schools. The scholarship policy was rewritten after studies were completed and it is believed the new policy will be much improved. Commonwealth Scholarship for Legal Studies

Mr. Duncan moved for the adoption of the recommendation. The motion was seconded by Mr. McMain and was passed by unanimous vote.

B-6 A recommendation was presented by the President that the expansion of the membership of the following Administrative Standing Committees be approved: Academic Standing Committee to include a representative from the Financial Aid office and Student Financial Aid Committee to include a representative from the Admissions office. The motion was unanimously adopted on motion by Mrs. Morrison and second by Mr. Verst. Expansion of membership on two Standing Committees

The President presented a recommendation that the amended policy establishing and governing the Committee on Undergraduate Admission be approved. The policy is attached to the minutes. Mr. Verst moved for adoption of the policy. The motion, seconded by Dr. Booth, was passed by unanimous vote. Committee on Undergraduate Admissions

B-7 It was recommended by President Boothe that the University's 1984-45 unrestricted current fund operating budget be revised to $33,471,065 in order to reflect adjustments in Community Research and Services receipts of $21,774, summer sports camps of $51,586, expansion of child care program of $23,025, and fund balance allocations of $868,220. The recommendation was unanimously approved on motion by Dr. Booth and second by Mrs. Morrison. Revision to 1984-85 Budget

Mr. Duncan complimented President Boothe for giving public recognition to faculty and staff who have benefited the University with excellent work and programs.

Mrs. Morrison complimented the persons who were responsible for the attractive reports and booklets that consistently are presented to the Board.

The meeting was adjourned at 5:10 p.m. on motion by Mr. Duncan and second by Dr. Booth.

NEXT QUARTERLY MEETING - April 24, 1985

ADJOURNMENT

BOARD OF REGENTS QUARTERLY MEETING
January 30, 1985

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. by Chairman Kenneth Lucas. Invocation was given by Dr.Lyle Gray.

Chairman Lucas welcomed all present and asked for roll call.

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Keith McMain, Mrs. Susan Morrison, Mr. William Verst, Dr. Jeffrey Williams. Excused - Mr. Richard Spears.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Mr. C.M. Tabor, Ms. Phyllis Sholtys, Alumni President - Ms. Rebecca Sturm, Faculty Senate President - Dr. George Goedel, Staff Congress Officers - Ms. Kathy Dawn, Ms. Nancy Utz, and Ms. Cindy Cook, Mr. Clifford Shisler, Ms. Susan Kemper, Ms. Mary Paula Schuh, Mr. Mike Baker, Ms. Linda Reynolds, Ms. Kathleen Webber, Ms. Becky Myers, Ms. Carla Chance, Mr. Gregg Schulte, Mr. Dan Alford, Ms. Jeri Sheldon, Ms. Nancy Pierce, Dr. James Claypool, Dr. Kenneth Carter, Mr. Warren Spencer, Mr. William Russell, Ms. Mary Huening, Dr. Michael Ryan, Ms. Mary Ryan, The Northerner - Mr. Steve Rohs, Mr. William Lamb, Mr. Chester Arthur, and Kentucky Post - Ms. Peggy Kreimer.

The minutes of the previous quarterly meeting, held October 31, 1984 were approved as submitted on motion by Mr. Haas and second by Dr. Booth.

The President introduced the new officers of Staff Congregg - Kathy Dawn, President; Nancy Utz, Vice President; and Cindy Cook, Secretary-Treasurer.

PRESIDENTIAL REPORTS:

A-1 President Boothe noted that the number of proposal for Grants and Contracts were down dramatically, partially due to a vacancy of the director. He also reported that total dollars are up and that Northern received two of eleven proposals from the Kentucky Humanities Council which is an excellent percentage. Dr. Jeff Williams received one of the Humanities' grants. — Grants and Contracts

A-2 1985 Summer Fellowship Awards have been presented to 15 faculty members, according to the President. The Summer Fellowship program is designed to encourage faculty to engage in individual research, scholarly writing, and creative and artistic projects and to share the results of their efforts with the broader University community. — Summer Fellowship Awards

A-3 The President reported that 12 faculty members received 1985-85 Faculty Project Grants. Such grants are awarded to encourage professional growth through financial support for independent research. — Faculty Project Grants

A-4 In reporting Spring enrollment statistics, the President noted that head-count is down 2% while FTE is down 4%. This is partially due to the economy when more and more people are working and taking less classes. Some further statistics supplied by the President - more new students were admitted than the previous Spring; many students not enrolling were in good standing and a survey of those students is planned trying to ascertain why they are not returning; Senior enrollment is up; graduate enrollment is up; and there is an increase in the law school. Because of the very bad weather during walk-in registration, that particular phase of registration was down. — 1985 Enrollment for Spring

A-5 A report was given by the President on non-traditional credits. Ms. Susan Kemper addressed the Regents on the portfolio development concept which created a great deal of interest. The President said he felt that Northern would have a very strong program as it develops. — Non-traditional Credit Programs

A-6 President Boothe highlighted the Campus Development Report for the Regents. Recognition was given to Dr. Scholes and the physical plant crew who have kept the University roads in good shape during the bad weather and to Mr. Dan Alford, who lead the way in getting the connection with Storer Cable hooked into our campus facilities. — Campus Development

A-7 The quarterly financial report was presented to the Regents and it was reported by the President that expenditures are in line with revenues. — Financial Report

A-8 The President reported that a number of gifts had been received by the University in the past quarter and would highlight a few of them:

Mrs. Helen Woodyard donated the library of her brother, Edward Carberry, to the University. Some 1500 volumes, many classics, were contained in the collection. No dollar value was put on the collection.

Mr. Warren Shonert, a former Regent, donated a library collection valued at $200,000. Many of the volumes are "one of a kind." Much of the collection is about Kentucky history and politics as well as Civil War history. There is also 86 years of the Falmouth Outlook. Dr. James Claypool, Archivist, was instrumental in bringing this collection to the University.

Several financial gifts were received, one of which was a $100,000 deferred gift to the Foundation from Kenneth Lucas. Another $40,000 was received from a Campbell County resident, who prefers to remain anonymous, for science scholarships primarily. The residue of this estate will eventually be given to the University.

Other informative items reported by the President:

The Board of Regents held a retreat at which the Board decided that it preferred only policy matters be brought to the meetings and not necessarily administrative procedures. The President announced his concurrence and support.

The athletic program is becoming nationally known - women's basketball team is rated seventh nationally in Division II. The men's team is about 8 points away from a potential national rating in Division II.

Regarding athletic symbols of the University - after a survey was taken on campus it was felt that Norse would remain the symbol rather than change at this time. The white/gold colors will be changed to white/gold/black.

The Foundation has negotiated with NCR Corporation to offer purchase of home computers to our faculty at an attractive cost. Details are being worked out.

The impact study shared at a previous meeting has gain national attention and made the Associated Press. The study also received complimentary remarks across the State.

EXECUTIVE SESSION:

Mr. Duncan moved that the Regents go into Executive Session to discuss a personnel matter. The motion was seconded by Mr. Haas. The meeting recessed at 4:35 p.m. and reconvened at 4:55 p.m.

Mr. Haas was excused because of illness.

William Jones from Dean of Chase Law School to Professor

Leaves:

Billie Brandon, effective January 1, 1985 thru December 31,1985 — Leave

Dr. Carter and Dr. Shisler were introduced to the Regents. The President also paid tribute to Dean Jones for the accomplishments he attained while Dean of the law school.

Mrs. Morrison moved that the actions as presented be approved. The motion was seconded by Dr. Booth and was passed by unanimous vote.

B-1(c) The President recommended that the following faculty members receive sabbatical leaves: — Sabbatical Leaves

David Bishop, Fall Semester 1985	Richard O'Brien, one semester 1985-86
Christopher Boehm, 1985-86	W. Michael Ryan, Fall Semester 1985
Robert Collier, Spring Semester1986	Ann Visnic, Spring Semester 1986
Tripta Desai, one semester 1985-86	William Wagner, Spring Semester 1986
David Elder, Fall Semester 1985	H.Lew Wallace, Fall Semester 1985
Larry Giesmann, Fall Semester 1985	Macel Wheeler, 1985-86

President Boothe reported that sabbatical leaves enable recipients to devote full time to scholarship activity and research, advanced study, or artistic performance in pursuit of academic objectives.

The recommendation received unanimous approval on motion by Mr. Duncan and second by Mr. Grayson.

B-2 A list of non-academic personnel actions (attached to these minutes) was recommended by the President. The actions received unanimous approval on motion by Mrs. Morrison and second by Mr. Verst. — Non-academic Personnel

B-3 President Boothe recommended that amendments to the Faculty Policies and Procedures Handbook (attached to these minutes) be approved. The amendments concern handicapped employees and has been approved by Faculty Senate. Mr. Verst moved that the amendments be approved as presented. The motion, seconded by Mr. McMain, received unanimous approval. — Faculty Procedures Amendments

B-4 A revised Faculty Senate Constitution (attached to these minutes) was presented by the President for approval The constitution was approved by the General Faculty at a recent meeting. The recommendation received unanimous approval on motion by Dr. Williams and second by Mr. Grayson. — Faculty Senate Constitution

B-5 An organization chart was presented to the Regents for approval. The President explained the chart reflects the changes which took place during recent reorganization. The President also reported that an updated chart would be presented to the Regents at each January meeting. The chart received unanimous approval on motion by Mr. Duncan and second by Mr. McMain. — Organization Chart

B-6 The President recommended that the Northern Kentucky University Employment Plan of January 30, 1985 (attached to these minutes) be approved by the Board of Regents for submission to the Office of Civil Rights of the United States Department of Education by February 1, 1985. President Boothe said that he regretted that he was having to submit the document to the Regents at such a late date but that the request from the Department of Education was received late in December and the document could not be completed until the end of January. He further reported that he did receive an extension of the deadline because of the date of the Regents' meeting. The President summarized the plan that was being presented. Affirmative Action Admendments

The recommendation received unanimous approval on motion by Mrs. Morrison and seconded by Mr. Grayson.

B-7 President Boothe recommended that the right-of-way transfers (list attached to these minutes) be approved for conveyance to the Kentucky Transportation Cabinet. The President reported that the University will lose 20 acres permanently and nearly 20 acres temporarily during road construction. The new roadways will immeasurably benefit the University in the future. Dr. Scholes reported that during negotiations external boundaries were maintained under University control. Upon Mr. McMain's question about lighting, Dr. Scholes said that the State does not have funds to furnish lights and it would be up to the University to furnish any lighting pertaining to the new roadways. Road Construction Property Conveyance

The recommendation was approved on motion by Mr. Verst. The motion, seconded by Dr. Booth, was passed by unanimous vote.

B-8 The President recommended that a list of major maintenance and equipment projects (attached to these minutes) be authorized by the Board of Regents for expenditure from the Consoldated Educational Revenue Bond Clearing Accounts ($1,060,468) and the Housing and Dining Bond Clearing Accounts ($60,000). Some of the projects were explained by Ms. Schuh who called particular attention to the roofing problems being faced. Mr. Verst reported that he has had recent experience with the same type of problem and offered to help in any way that he could. Upon Mr. Duncan's question about the cause of the problem, it was explained that most probably inadequate materials were used. Major Maintenance and Equipment Projects

Mr. Duncan moved that the recommendation receive approval. The motion, seconded by Mr. Grayson, was passed by unanimous vote.

B-9 It was recommended by the President that Northern Kentucky University award a maximum of fifteen semester hours of undergraduate credit for military and Department of Defense courses. Credit will be awarded only for courses successfully completed in-residence at approved military/DOD schools. Courses must have been completed by the student no more than ten years preceding the date of application for credit by newly enrolled students at Northern Kentucky University. Military/ DOD Credit

President Boothe explained that the recommendation is based upon a report by a university committee appointed by the Provost and endorsed by the Council of Deans, the University Curriculum Committee, and the Student Government.

The recommendation received unanimous approval on motion by Mrs. Morrison and second by Dr. Booth.

B-10 President Boothe recommended that the Board of Regents approve Rankin and Rankin as the external audit firm for a minimum of three years and to be reviewed in 5 years. The President reported that a committee was appointed to secure and evaluate proposals from five auditing firms and his recommendation was based on the evaluation of this committee. External Auditing Contract

Mr. Grayson moved that the recommendation be approved. The motion, seconded by Mr. Verst, was passed by unanimous vote.

B-11 It was recommended by the President that a tuition schedule as mandated by the Council on Higher Education be approved to become effective with the Fall, 1985 semester (schedule attached to these minutes). The President explained that the tuition rate includes the student incidental fee which did not increase. Tuition Schedule

Mr. McMain, on behalf of the students, presented the following statement:

"First of all, as a fellow Board member, I must say that I can understand the reasoning behind such an increase. In a state where education is emphasized such as ours, to truly improve the system, financial support is a necessity.

"However, as an elected student representative, I am somewhat alarmed by the Commonwealth's position on where this financial support is derived. To promote education to Kentuckians and then to continually increase its burden upon them seems somewhat counterproductive. Although the increases in this year's tuition are small, I would urge you to consider how continually small increases will in time force Kentuckians to choose against continuing their education. It is this end that I see when making my decision. I would ask that you consider this consequence throughout your tenure on the Board, and if you ever feel as I do today, then I urge you to fight and vote against further tuition increases."

Chairman Lucas said that Mr. McMain's statement was well received and that his views were respected.

Mr. Verst moved that the tuition schedule be approved. The motion was seconded by Mr. Grayson. Vote: 6 ayes, 1 nay vote by Mr. McMain.

B-12 President Boothe recommended that the schedule of class fees and other charges to become effective with the Fall, 1985 semester be approved. (The schedule is attached to these minutes.) The President noted that there was a minimum amount of changes. Dr. Williams questioned the increase in towing fees, and Dr. Scholes explained that the carrier who does the towing had increased the fee to the University. Fee Schedule

Mr. Grayson made the motion to accept the recommendation. The motion, seconded by Dr. Booth, received unanimous approval.

B-13 It was recommended by the President that the University's unrestricted current fund operating budget be revised to $32,387,652 in order to reflect adjustments in tuition for Summer and Fall semesters. The recommendation received unanimous approval on motion by Dr. Booth and second by Mr. Duncan. Budget Revision

OTHER BUSINESS:

Chairman Lucas reported that Dr. Williams will not seek reelection to the Board as Faculty Regent. The Chairman expressed the appreciation of the Board for Dr. Williams' faithful service and outstanding contributions. Dr. Williams commented that it had been a rewarding experience for him to have the honor. He thanked the Regents and the University staff for being helpful to him during his six years of service.

Because of the need to have the Regents review the internal budget, the President suggested that the next quarterly meeting be held on Wednesday, May 8, 1985. The date was acceptable to the Board.

The meeting adjourned at 5:35 p.m. on motion by Dr. Williams and second by Mr. Duncan.

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. on Wednesday, May 8, 1985 by Chairman Lucas. Invocation was given by Dr. Tesseneer.

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Keith McMain, Mrs. Susan Morrison, Mr. Richard Spears, Mr. William Verst, Dr. Lew Wallace.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Shelia Bell, Mr. Clarence Tabor, Dr. Phyllis Scholtys, Alumni representative - Ms. Rebecca Sturm, Faculty Senate representative - Dr. George Goedel, Staff Congress representatives - Ms. Kathy Dawn, Ms. Nancy Utz, Ms. Cindy Cook; Ms. Shelley Stephenson - Student Government President-elect, Mr. Chester Arthur, Dr. Gary Graff, Dr. Garry Casson, Mr. Russ Kerdolff, Mr. Mike Baker, Ms. Becky Myers, Ms. Kathleen Webber, Ms. Marjorie Scheller, Mr. Gregg Schulte, Ms. Mary Paula Schuh, Ms. Mary Huening, Ms. Imogene Addison, Ms. Mary Ellen Rutledge, Ms. Phyllis Weeland, Mr. Dan Alford, Mr. Bill Lamb, Mr. Bill Russell, Ms. Mary Ryan, Dr. Michael Ryan, Ms. Brenda Hart of WCKY Radio, and Ms. Peggy Kreimer of the Kentucky Post.

The Chairman recognized Mr. Duncan, who read the following resolution and recommended approval:
"Resolved: That the Board of Regents extend its thanks and sincere appreciation to Dr. Jeffrey C. Williams who served as Faculty Regent of Northern Kentucky University from 1979 to 1985. Dr. Williams will be remembered for his concerted effort to see that Northern Kentucky University would reach its ultimate goal of providing the best higher educational opportunity for every student therein. His tenure represents years of exemplary service, and will be looked upon with distinction.

"This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on May 8, 1985."

The recommendation received unanimous approval after second by Mr. Grayson.

The Chairman welcomed the new Faculty Regent, Dr. H. Lew Wallace, who took the oath of office.

The minutes of the previous quarterly meeting held January 30, 1985 were approved on motion by Mr. Duncan and second by Mr. Haas.

The President welcomed and congratulated Dr. Wallace, recognized Dr. George Goedel and noted this was his last meeting as Faculty Senate president, recognized Ms. Shelley Stephenson as the newly elected president of Student Government, and Dr. Garry Casson, Director of Computer Services, for his years of outstanding service to the University.

PRESIDENTIAL REPORTS:

A-1	President Boothe presented the Grants and Contracts report noting that while the dollars are down for this quarter, the total for the year exceeds the dollars for the comparable period last year.	Grants and Contracts
A-2	The President highlighted the campus development report noting that construction for the campus roadway should begin about July 1st.	Campus Development
A-3	The quarterly financial report was presented by the President, who stated that expenditures are in line with revenues collected.	Financial Report

A-4 The President reported that for the first time computer resource development grants were awarded this year. The grants, similar to summer fellowships, will allow faculty members to devote two full summer months to a computer project. Computer Development Grants

A-5 Updates for the Management Information manual were distributed in order for the Regents to keep their manuals current with the latest information. Management Info.

A-6 President Boothe reported on the progress of the Student Information Systems development. The full report is attached to these minutes. The President stated that it was estimated the development and implementation of the new system would take 36 months. Stu.Info. Development

A-7 A report was presented by the President on the cooperative agreement between the University and the local chapter of the American Institute of Banking. President Boothe also stated that the Homemaker ReEntry Center received a grant of approximately $30,000 to train entry level employees for the banking industry. Cooperative Agreement AIB

A-8 President Boothe made several announcements:

1. WNKU (89.7) is on the air.
2. Dr. & Mrs. Boothe are one of six higher education couples who were invited to Taiwain as guests of that country to view their educational system and discuss student exchanges.
3. Northern's baseball team won the district tournament last weekend and are travelling this weekend for a regional tournament. Coach Bill Aker was named "District Coach of the Year."

EXECUTIVE SESSION

Mr. Grayson moved that the Regents go into Executive Session to discuss a personnel matter. The meeting recessed at 4:30 p.m. The motion, seconded by Mr. Duncan, received unanimous approval.

The meeting reconvened at 5:20 p.m. The chairman announced that he had appointed a President's Evaluation Committee consisting of Dr. Herbert Booth, Chairman, Mr. David Duncan, and Mrs. Susan Morrison. This evaluation had been discussed in Executive Session.

Dr. Booth explained that the committee received feedback from the administrative staff, executive councils of Student Government, Staff Congress, and Faculty Senate. He reported that he was delighted with the response and received some very positive feedback.

As a result, Dr. Booth moved that the President's contract be extended through July 1, 1988, with a 3% increase in salary for the 85/86 fiscal year. The motion, seconded by Mr. Grayson, received unanimous approval.

President Boothe thanked the Board for their warm support and said that he felt the same as when he arrived - that this University was one of the most exciting and dynamic institutions in the country.

PRESIDENTIAL RECOMMENDATIONS

B-1 Academic personnel actions (attached to these minutes) were recommended by the President. The recommendation was unanimously approved on motion by Mr. Grayson and second by Mrs. Morrison. — Academic Personnel

B-2 The President recommended that Emeritus status for Margery Rouse, Associate Professor of Literature and Language, receive Board approval. The motion was made by Mr. Haas and seconded by Mr. Duncan. The vote was unanimous. — Emeritus Status for M.Rouse

B-3 Non-academic personnel actions (attached to these minutes) were recommended by the President. The actions received unanimous approval on motion by Mr. Verst and second by Dr. Booth. — Non-academic Personnel

The President reported on the reasons for terminations as follows:

40% for better pay	11% for promotional opportunities
30% for change of careers	15% left the work force
	4% for involuntary terminations

B-4 The President recommended that fiscal year 85-86 salary increases for all University personnel be allocated as follows: — Salary Increases

For administrative, managerial/supervisory, professional, and faculty, increases are to be based upon performance, with a range of 0 percent to 5 percent from a pool of funds equaling 3 percent of the total base salaries for these employee groups.

Increases for all other staff personnel whose performance has been satisfactory or better will be 3 percent of base pay.

In the event additional funds become available for salaries from State government they will be distributed on a fixed-dollar basis across-the-board to all employees whose performance has been satisfactory.

President Boothe stated that he had solicited advice and had discussions with Faculty Senate and Staff Congress. He underscored the part of the recommendation that personnel receive additional monies should funds become available from the State. He said that the across-the-board fixed amounts would help elevate the lower paid personnel in the University.

The motion received unanimous approval on motion by Mrs. Morrison and second by Mr. Duncan.

B-5 President Boothe presented a revised Residence Hall Refund Policy (attached to these minutes) stating that he felt the new policy was fairer and more equitable for residents. It was moved by Mr. Verst and seconded by Mr. Grayson to approve the recommendation. The vote was unanimous. — Residence Hall Refund Policy

B-6 A revised Student Government Constitution was presented to the Board. Mr. McMain said the significant changes and clarifications would hopefully prevent having to make changes in the future. 85% of the students voting in the Spring elections endorsed the revisions. — Student Govt. Constitution Revisions

Mr. McMain moved the adoption of the recommendation. The motion, seconded by Mr. Grayson, was passed by unanimous vote.

B-7 The President recommended that the Board authorize the Associate Vice President for Business Affairs to write off: (1) student receivables of $5,000; (2) loan fund receivables of $6,607.75; and (3) other receivables of $280. President Boothe noted that with a budget of nearly $30 million, this is a small amount to write off in a year's time. Debt Write-off

The recommendation received unanimous approval on motion by Mr. Haas and second by Mrs. Morrison.

B-8 It was recommended by the President that the attached resolution representing the University's unrestricted current fund operating budget of $33,620,000 be approved as submitted. 85-86 Operating Budget

The President stat this it is a standstill budget, if not a reduction, in terms of the current needs of the University. The state appropriation represents only about 60% of the budget which indicates we are moving from a state-funded institution to a state-assisted one. President Boothe highlighted several areas of the budget and asked for questions.

Mr. Haas moved that the operating budget be approved as submitted. The motion was seconded by Mr. Duncan. The vote was unanimous.

OTHER BUSINESS

The board members were in agreement for the next quarterly meeting to be held on July 31 at 4 p.m.

President Boothe announced that this was Mr. McMain's last meeting as a Student Regent. The President said that Keith had exhibited the highest quality of fairness and wished him well as he embarked on new careers and opportunities.

Chairman Lucas thanked Mr. McMain for his contribution to the Board. Mr. McMain thanked the Board for their helpfulness and confidence.

The meeting adjourned at 5:45 p.m. on motion by Mr. McMain and second by Mr. Haas.

BOARD OF REGENTS QUARTERLY MEETING
July 31, 1985

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, July 31, 1985 by Chairman Lucas. Invocation was given by Dr. Herbert Booth.

Chairman Lucas welcomed Ms. Shelley Stephenson, newly elected Student Regent, and commented that she was following a long line of distinguished Student Regents. The Chairman administered the Oath to Ms. Stephenson.

Roll Call:

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merv Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mrs. Susan Morrison, Mr. Richard Spears, Ms. Shelley Stephenson, Mr. William Verst, and Dr. H. Lew Wallace.

Others present: President Leon Boothe, Dr. Gene Scholes, Ms. Cynthia Dickens, Dr. Linda Dolive, Ms. Sheila Trice Bell, Mr. Dennis Taulbee, Mr. C.M. Tabor, Dr. James Alford, Dr. Clifford Shisler, Mr. Henry Stephens, Ms. Kamilla Mazanec, Ms. Rosetta Mauldin, Mr. Ches Arthur, Mr. Mike Baker, Ms. Mary Paula Schuh, Ms. Norleen Pomerantz, Ms. Mary Volmer, Ms. Martha Malloy, Mr. Mary Huening, Ms. Imogene Addison, Ms. Nancy Pierce, Dr. Lynn Langmeyer - President of Faculty Senate, Ms. Nancy Utz and Ms. Cindy Cook - Staff Congress Officers, Ms. Peggy Kreimer of the Kentucky Post, and David Mendell & Steve Rohs of the Northerner.

Minutes of the previous meeting, May 8, 1985 were approved on motion by Mr. Haas and second by Mr. Duncan with the following addition: "It was noted by the President that the title for Sheila Trice Bell should be 'University Legal Counsel' instead of the title listed in non-academic personnel actions."

ELECTION OF OFFICERS:

Mr. Haas nominated Mr. Lucas for Chairman, seconded by Mr. Duncan. Mr. Verst moved that the nominations be closed, seconded by Dr. Booth. Vote to close nominations was unanimous. Mr. Lucas was unanimously elected Chairman for the next year.

Mr. Verst nominated Mr. Haas as Secretary/Treasurer, seconded by Mr. Duncan. Mr. Duncan moved that nominations be closed, seconded by Dr. Booth. Vote to close the nominations was unanimous. Mr. Haas was elected Secretary/Treasurer by unanimous vote.

Mr. Haas nominated Ms. Thelen for Assistant Secretary, seconded by Mrs.Morrison. Ms. Thelen was elected Assistant Secretary by unanimous vote.

President Boothe welcomed Shelley Stephenson and congratulated the officers. The following administrators were introduced by the President:

Rosetta J. Mauldin, Interim Dean of the College of Professional Studies
Henry L. Stephens, Interim Dean of the College of Law
Martha Malloy, Director of the Career Development Center
Mary Volmer, Coordinator of the Early Childhood Center
Lynn Langmeyer, new President of the Faculty Senate

PRESIDENTIAL REPORTS:

A-1 President Boothe presented the Grants and Contracts activity report noting that grants are up about $100,000 for the quarter and over $200,000 for the year. He also commented that he was excited about what is happening in the area. Grants and Contract

A-2 The Campus Planning Report was highlighted by the President to bring the Regents the most current information on developments throughout the campus. Campus Planning

A-3 In presenting the Summer Enrollment summary, the President said that figures are a little discouraging inasmuch as enrollment was up 3% at the beginning of the summer, but there is encouragement in the fact that the number of undergraduate students is up. Summer Enrollment

A-4 President Boothe stated that the Career Development Center report is an informational item for the Regents in terms of persons being served and the number of firms recruiting on this campus. The office is also moving in the direction of helping alumni in this area. Career Development

A-5 The quarterly financial report reflects the transactions processed through June 30, 1985 but the audit report will reflect the final figures for the fiscal year. The audit will be presented at the next meeting. The President called attention to the investment earnings for the year and complimented the management of these earnings inasmuch as there has been declining interest rates for the past year. Quarterly Financial Report

A-6 The audit of the financial aid funds for fiscal year 1983-84 was presented. Such an audit is dictated by the Federal government and is in compliance. The President noted that as a result of the audit, the University does not owe the government any money. Financial Aid Audit

A-7 Dr. Boothe reported that he and Mrs. Boothe had a very rewarding trip to the Orient and were able to make a number of people aware of Northern Kentucky University. Both will soon begin lectures on the trip to members of the University community.

President Boothe said that he felt the education bill passed in the special session of the Legislature will help enhance the higher education chances of receiving attention in the regular session. The Legislature also passed legislation which removed the cap on state employees' salaries; however, there is no extra money at this time, but this will help should additional money become available.

The Strategic Plan of the Council on Higher Education was released today to the press; however, it caused consternation in many quarters as some things were leaked before release to the public. The President reported that the report looks much milder than it was thought to be; however there are options of what might happen in the legal and medical areas. The Regents will be given a copy of the plan. The Council on Higher Education will hold public hearings - the Northern Kentucky hearing will be on August 16, 9 a.m. in the Moot Court Room at the law school. All Regents are urged to attend.

The President announced that there will be a faculty/staff picnic instead of the usual faculty luncheon for the beginning of the academic year, to be held Wednesday, August 21 on the plaza. The luncheon will be followed by the 'State of the University' address at 1:30.

A note was received from Governor Breahitt and his family thanking the Regents and the University for the condolences sent on the death of his wife. President Boothe apprised the Regents of the activities on campus during the summer, especially the 3-week Blue Chip Basketball Camp which brought over 1100 young people from 35 states to our campus.

PRESIDENTIAL RECOMMENDATIONS:

B-1 The President recommended that the non-academic personnel actions (attached to these minutes) be approved. Dr. Booth moved approval of the actions. Mr. Duncan seconded the motion which was passed by unanimous vote. Non-academi Personnel

Following is the percentage breakdown of terminations:

3% promotion
13% left work force
27% did not enjoy job
47% left for better pay at a job with similar duties
10% involuntary terminations

B-2 It was recommended that approval be given for the following administrative appointment and changes:

Kamilla Mazanec as Affirmative Action Coordinator
Robert Barnes as Director of Special Projects for Business Affairs
Daniel Drake as Director of Physical Plant
Ken Ramey as Interim Director of Business Services
Mary Paula Schuh as Director of Campus Planning

Administrative Changes

Ms. Mazanec and Ms. Schuh were introduced to the Regents. Mrs. Morrison moved, seconded by Mr. Verst, that the above changes be approved. The vote was unanimous.

B-3 President Boothe recommended that the University's Committee on Animal Care be restructured to report to the University Provost. The President explained that, while this is a minor change, the Regents had approved the first proposal. He further said that he hoped in the future the Regents would not desire such minor changes to come before them. Mr. Grayson moved approval of the recommendation. The motion, seconded by Mr. Haas, was passed by unanimous vote. Committee on Animal Care

B-4 It was recommended by the President that the University's unrestricted current fund budget be revised in order to reflect increases in revenue from $32,287,652 to $32,415,039. The motion, made by Mr. Haas and seconded by Mrs. Morrison, received unanimous approval. Budget Changes

B-5 The 1986-88 Biennial Budget Formula Calculations (attached to these minutes) were presented to the Regents. The President explained that the Council on Higher Education is required to use the formula system. Northern was funded about 83% of the formula for 1985-86. Even if we had received 100%, it would only take the University up to the median of benchmark institutions, according to the President. Over the next few months, a specific set of recommendations and priorities based on the formula generated amount will be developed to be presented at the next quarterly board meeting. The formula calculations, as presented, were unanimously approved on motion by Mr. Verst and second by Ms. Stephenson. Budget Formula Calculation

B-6 The President presented the 1986-88 Capital Budget Request and explained that the request was mostly a reflection of what the Board approved for the last bienium and was not funded by the State. The top priority is the Applied Science and Technology Center. The list in priority order is attached to these minutes. After discussion, Mrs. Morrison moved approval of the Capital Construction Budget Request. The motion, seconded by Dr. Booth, received unanimous approval. 1986-88 Capital Construction Request

OTHER BUSINESS:

President Boothe reported that, as of January 1, 1985, students in teacher education must pass an exit exam as well as a national testing. 35 Northern students were involved this Spring. All passed all components of the exit exam. The results of the national exam placed 67% of these students in the upper quartile and only 5% in the lower quartile.

Mr. Duncan questioned when the lake could be used for fishing. Dr. Boothe said dates would be checked with the State Wildlife Department to determine when fishing could begin and at that time, the lake would be open to faculty and staff for fishing.

Quarterly meeting dates for the next year were set as follows:

October 31, 1985 January 22, 1986 April 30, 1986

The meeting adjourned at 5:15 p.m. on motion by Mr. Grayson and second by Mr. Haas.

The President introduced the new president of the Alumni Association - Mr. Thomas Lux. An appreciation certificate from the U.S. Olympic Committee was circulated. The appreciation was for the training sessions that were held on campus for some of the olympic teams.

PRESIDENTIAL REPORTS:

A-1 President Boothe, in presenting the Grants and Contracts report, stated that funds received was up $150,000 over last year at this time, funds requested was up about $160,000, and submissions were nearly doubled over last year. The President complimented the Director, Dr. Cliff Shisler, for a fine job. — Grants and Contracts

A-2 Dr. Boothe reported that in trying to begin planning for the 21st Century and upgrade our present Master Plan, two firms have been selected to develop a new and updated Master Plan for the University. The funds for this study will come out of reserve funds. The President highlighted the design, programming, and construction projects. — Campus Planning

A-3 President Boothe reported that an extnesion of the tuition reciprocity agreement between Northern and University of Cincinnati has received approval from the Kentucky Council on Higher Education and Ohio Board of Regents. This opens approximately 140 degree programs for students of this area at in-state tuition rates. — Reciprocity Agreement

A-4 The Fall enrollment summary was presented by the President with the following comments: — Fall Enrollment

Approximately 2% down in undergraduate headcout and FTE
Freshman enrollment stayed at the same level as last year
Senior population is up almost 8%

(continued - next page)

A-4 (continued)

Graduate population has stabilized with MBA enrollment up 19%
International student enrollment is up 43%
An increase in the average ACT scores for our students - from 16.8 to 17.9 which is the overall average for Kentucky
Probationary students continue to decline
Transfer students increased by 9%
Sophomore and Junior population is down
Post-Baccalaurete students are down 22.6% - a reflection of the economy
Law student enrollment down 6% - probably a reflection of the uncertain position of the law school at registration time
Average age of Freshman students is 22 years - average overall age of students is 25.4 years
More students coming from more Kentucky counties
Out-of-state students are from 22 states, international students from 24 countries

A-5 The President highlighted the International Student Enrollment Summary and also stated that more inquiries are coming from foreign countries than ever before. Mr. Bassam Khoury, Counsellor for International Students, was introduced. — International Student Summary

A-6 A statement of philosophy for "International Education" was presented by the President, who introduced Dr. Thomas Rambo. Dr. Rambo headed the committee which developed the statement. — Philosophy of International Education

A-7 President Boothe noted that the A-110 audit of Federal programs for 1983-84 has been completed and shows that the findings are not of significance requiring repayment of program funding. Mr. Richard Rankin of Rankin & Rankin was introduced. The firm completed both the Federal audit for 1983-84 as well as the 1984-85 audit for University finances. — Audit of Federal Programs

A-8 The quarterly financial statement shows that expenditures are on target with revenues, according to the President. — Qtly. Financ. Statement

A-9 President Boothe stated that the President's Annual Report this year has been combined with the annual Financial Report which saved considerable money in printing. The President highlighted the report for the Regents. He complimented Mr. Mike Baker and Mr. Ron Ellis on the fine project. — President's Annual Report

Several announcements were made by the President:

Ashland Oil spearheaded setting up a committee of firms and leading business men through the state. The committee's goal is bringing the needs of higher education to the Legislature and Governor.
The Council on Higher Education's strategic plan will be voted on November 8. Fortunately the plan will not include the elimination of a law school.
The women's tennis team was second in the Great Lakes Valley Conference. Dr. Lonnie Davis was named "Coach of the Year."
WNKU is holding their fund raiser and hoped that much interest would be a result.

EXECUTIVE SESSION

A motion was made by Mr. Grayson, seconded by Dr. Wallace, that the Regents go into executive session to discuss a personnel matter. The motion carried by unanimous vote.

The meeting recessed at 4:45 p.m. and reconvened at 5:20 p.m.

Non-academic Personnel

Mr. Duncan moved that the recommendation be approved as presented. The motion, seconded by Dr. Booth, was passed by unanimous vote.

B-3 President Boothe recommended that the Interim College of Business receive approval as a permanent College of Business, effective July 1, 1985. The recommendation includes the four separate departments of Accounting, Economics and Finance, Information Systems, and Marketing/Management.

College of Business

The recommendation received unanimous approval on motion by Mr. Grayson and second by Mr. Duncan.

B-4(a) It was recommended by the President that the Proposed Minor in Accounting be approved to be utilized by students majoring in other disciplines at Northern.

Minor in Accounting

Mr. Verst moved, seconded by Ms. Stephenson, that the recommendation receive approval. The vote was unanimous.

B-4(b) President Boothe recommended that the proposed agreement for a Master of Public Affairs offered by Kentucky State University at Northern be approved. (Attached to these minutes.) This will be a cooperative venture with KSU and brings a sixth graduate program to the region of Northern Kentucky.

Master of Public Affairs

The recommendation received unanimous approval on motion by Mr. Duncan and second by Mr. Verst.

B-5 It was recommended by the President that a general studies revision receive approval for implementation and that the effective date of the change in general studies will be the students entering in the Fall semester of 1986 and following. (Revisions attached to these minutes.) The President explained that there are some requirement changes. Dr. Wallace said that he had serious reservations about one of the requirements but Dr. Gray stated that further work would continue to take place on the requirements.

General Studies Requirements

The motion to approve the recommendation was made by Mr. Grayson, was seconded by Mr. Duncan, and was passed by unanimous vote.

B-6 President Boothe presented a recommendation to revise the undergraduate policy in International Student Admissions. The revisions are attached to these minutes. Mr. Grayson moved, seconded by Ms. Stephenson, that the recommendation be approved. The motion passed by unanimous vote.

International Student Admissions

B-7 It was recommended that the Regents approve an interagency lease with the University of Kentucky for the use and benefit of the McDowell Cancer Network's Northern Kentucky regional office. The President stated that this will be a beneficial addition to the campus. Dr. Booth moved for approval, seconded by Mr. Verst. The motion was passed by unanimous vote.

McDowell Cancer Network

B-8 Some revisions to the Faculty Policies and Procedures Handbook was presented for approval. (Revisions attached to these minutes.) The President stated that most changes refer to applicants applying for leaves and fellowship and that such applicants can personally appear before appropriate committees studying the applications. — Faculty Policies and Procedures Handbook

Mr. Grayson moved that the recommendation receive approval. The motion, seconded by Mr. Verst, was passed by unanimous vote.

B-9 Some revisions (attached to these minutes) to the Staff Congress Constitution and By-Laws was presented by the President, who stated that he had suggested the elimination of the Administrative category. The Staff Congress had agreed to the revisions. — Staff Congress Constitution Revisions

Dr. Wallace moved the adoption of the recommendation. The motion, seconded by Ms. Stephenson, was passed by unanimous vote.

B-10 President Boothe presented proposed easements for the Union,Heat, Light and Power Company and Cincinnati Gas & Electric Company and recommended approval. The easements are necessary as a result of utility relocations due to reconstruction of the roadways. — Easements for Roadways

The recommendation received unanimous approval on motion by Mr. Grayson and second by Dr. Booth.

B-11 It was recommended that the Regents approve a supplemental Capital Construction Budget request for $1,063,000. The President explained that these were necessary projects to maintain the buildings and the Council had agreed to the addition to the budget approved at the last Regent's meeting. — Supplemental Capital Construction Budget

Ms. Stephenson moved for the adoption of the recommendation. The motion, seconded by Dr. Booth, was passed by unanimous vote.

B-12 President Boothe recommended that the request for state appropriations in the amount of $25,444,500 for 1986-87 and $26,741,200 for 1987-88 be transmitted to the Council on Higher Education as the University's 1986-88 biennial budget recommendation. — 1986-88 Biennial Budget Request

It was pointed out by the President that the budget as presented reflects 100% formula funding with emphasis put on salaries - 10% the first year and 5% the second year. Such salary increases can only happen if Northern received full formula funding. The current year budget reflects only 85% of the funding. Details of the Budget Request are attached to these minutes.

Mr. Grayson made the motion to approve the recommendation. The motion, seconded by Dr. Booth, was passed by unanimous vote.

B-13 President Boothe recommended that the Regents, in recognition of the serkous financial condition of higher education in the Commonwealth, formally request that the Northern Kentucky legislative caucus endorse full formula funding during the 1986-88 biennium. Regents endorse Full Formula Funding

The President explained that he proposed the recommendation because he felt that the Board needs to be on record for support of the full funding. Because Northern received enough funding for stand-still budgets during the last three bienniums, it was time that individuals, collectively and personally, let the Legislature know the circumstances in which we are today because of the lack of adequate funding in the past years.

The recommendation received unanimous approval on motion by Mr. Verst and second by Ms. Stephenson.

The next meeting of the Board of Regents is scheduled for Wednesday, January 22, 1986 at 4 p.m.

The meeting adjourned at 6:15 p.m. on motion by Mr. Grayson and second by Ms. Stephenson.

Roll Call:

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merv Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mrs. Susan Morrison, Mr. Richard Spears, Ms. Shelley Stephenson, Dr. Lew Wallace. Excused - Mr. William Verst.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Ms. Sheila Bell, Mr. Clarence Tabor, Dr. Phyllis Sholtys, Faculty Senate President - Lynn Langmeyer, Staff Congress Officers - Janet Krebs, Donna Gosney, Darlene Miller; Dr. Cliff Shisler, Dr. Linda Dolive, Ms. Nancy Pierce, Ms. Joyce Maegley, Dr. James Alford, Ms. Imogene Addison, Mr. Mike Baker, Mr. Dan Drake, Ms. Mary Paula Schuh, Dr. Jerry Legere, Ms. Marjorie Scheller, Mr. Dan Alford, Ms. Rosetta Mauldin, Mr. Henry Stephens, Dr. Darryl Poole, Mr. William Russell, Mr. Bill Lamb, Mr. Ken Ramey, Mr. John Sebree of Student Government, Mr. David Mendell of the Northerner, and Mr. Kevin Ricke of WCKY Radio.

Minutes of the previous quarterly meeting of October 31, 1985 were approved on motion by Mr. Haas and second by Mr. Duncan.

The President made the following introductions:
Staff Congress Officers - Janet Krebs, Donna Gosney, and Darlene Miller
Director of Physical Plant - Dan Drake

PRESIDENTIAL REPORTS:

A-1 President Boothe presented the Grant and Contract Activity pointing out that total funds approved was nearly $900,000 in 1985 in contrast with $463,000 approved in 1984. The President complimented Dr. Shisler for the fine job being accomplished in this area. — Grant and Contract Report

A-2 The President highlighted the Campus Planning Report noting that the Facilities Master Plan was progressing according to schedule. — Campus Planning

A-3 Summer Fellowships for 1986 have been awarded and list (attached to these minutes) was included for the Regents. — Summer Fellowships

A-4 Faculty Project Grants for 1986 have been awarded and list attached to these minutes. The President noted that applications for both the project grants and fellowships receive considerable scrutiny by committees composed of peers of the applicants. — Faculty Project Grants

A-5 President Boothe presented the 1985 Management Letter from the external auditors, Rankin & Rankin. He stated that no findings are in this year's report and complimented the management team at the University for their fine work. — Management Letter

A-6 The quarterly financial report for September through December, 1985 was presented and the President noted that expenditures seem to be on target. — Financial Report

A-7 The A-110 Audit of Federal Programs was presented and it was pointed out by the President that there were no findings of a significant nature. — A-110 Audit

A-8 Announcements by the President:

a. In approving the Rankin & Rankin contract last year, the Board gave to the administration the privilege of renewing another year. The contract with Rankin & Rankin will be renewed.

b. The Higher Education Rally on February 5 in Frankfort was brought to the attention of the Regents, who were given a hand-out of the events for that day.

d. Northern scored high in the exams given for prospective teachers in the program; in fact, the students scored higher than other Universities well-known for their teacher education program.

e. Thanked Dr. Herbert Booth for the $100,000 deferred insurance policy for the Foundation.

f. Northern is one of six finalists for obtaining the national headquarters of the Law Enforcement Academy.

g. The President presented the Regents with a resume of the budget presented to the Legislature by the Governor and commented that Northern will achieve 90% of the formula funding if the budget is approved. Included in the Governor's budget is an allocation for an Applied Science and Technology Center. The budget has exceeded expectations, but the next step is to see how well the Legislature does on behalf of higher education.

EXECUTIVE SESSION:

The meeting recessed at 4:30 p.m. on motion by Mr. Spears, and second by Mrs. Morrison to have an executive session to discuss several personnel matters.

The meeting reconvened at 6:15 p.m.

The Chairman presented the following motions:

That the Board approve the Provost's and Council of Dean's recommendation concerning Dr. Lawrence Borne's salary appeal. Mr. Spears moved approval, seconded by Dr. Booth. Vote: 7 aye votes, 1 abstention by the Faculty Regent as required by Kentucky Statutes.

It is the consensus of the Board that the appeal of Dr. Laurie Renz does not warrant a Board hearing. Mr. Duncan moved approval, seconded by Mrs. Morrison. Vote - 7 aye votes and 1 abstention by the Faculty Regent.

Regents present: Dr. Herbert Booth, Mr. David Duncan, Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Mrs. Susan Morrison, Ms. Shelley Stephenson, Mr. William Verst, Dr. Lew Wallace. Excused - Mr. Richard Spears.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Sheila Bell, Mr. C.M. Tabor, Dr. William Dickens, Dr. Lynn Langmeyer, Ms. Mary Clark, Dr. John White, Dr. Carl Slater, Ms. Terri Malone, Ms. Imogene Addison, Ms. Marjorie Scheller, Dr. Linda Dolive, Ms. Rosetta Mauldin, Mr. John Sebree, Dr. James Alford, Mr. Dan Alford, Ms. Darlene Miller, Ms. Janet Krebs, Mr. Gary Scott, Ms. Nancy Utz, Ms. Cindy Cook, Dr. Robert Kempton, Dr. Robert Bussom, Ms. Mary Paula Schuh, Dr. David Hogan, Dr. George Goedel, Dr. Daryl Poole, Mr. Ron Ellis, Ms. Joyce Maegly, Mr. Henry Stephens, Mr. Chet Arthur, Mr. Wes Wright of WLW Radio, Ms. Ginny Edwards of Courier Journal, Mr. Mike Pulforth of the Enquirer, Ms. Maryanne Zeleznik of WKNU Radio, Mr. Duane Froehlicher, Mr. John DeMarcus, and Ms. Nancy Martin.

Mr. Verst asked for the floor and made the following statement:

"I am completely sympathic to the financial needs of teachers in general and our faculty in particular. I have strongly supported the Governor, Council on Higher Education, and our University administration in the battle to produce wages and increases consistent with those of business factor.

We expect, in fact demand that our educators produce graduates who will be the future leaders of our country, yet we do not value their efforts enough to pay them a wage consistent with our expectation.

I believe however that the action taken by some of the faculty will not solve the problem. I believe it will be detrimental to our University, to the student body, and most of all to those it is purported to serve the most - the faculty.

I further believe it would have serious implications when dealing with the governmental agencies whose support is critical to the development of this University.

For these reasons I have requested the administration's legal department to prepare the following resolution."

"WHEREAS, Northern Kentucky University's principal purpose and responsibility is the pursuit of excellence in the provision of education at the college level;

WHEREAS, the University's ability to fulfill this purpose and responsibility to its students and the community is dependent upon maintaining a quality faculty and staff working in a collegial atmosphere conducive to the pursuit of excellence;

WHEREAS, Northern Kentucky University has the legal and moral responsibility through its Board of Regents to ensure the quality of its education product and the delivery thereof;

WHEREAS, the faculty have the right and responsibility to shape academic policies which influence the direction and character of the institution;

WHEREAS, the University strives to ensure, within the resources available:

1. that the faculty enjoy an atmosphere of academic freedom within which they, and in turn the students, can enjoy full intellectual stimulation and challenge;

2. that the faculty be compensated fairly on a basis comparable with other institutions of higher learning in this state and region and be otherwise appropriately secure in their employment; and

3. that all staff and other employees enjoy fair wages and benefits in an environment in which all are treated with dignity;

WHEREAS, it is the belief of the Board that the intervention of other groups in employment related matters would dilute, rather than enhance the process by which faculty, staff, and other employees make recommendations concerning employment matters;

WHEREAS, the Faculty Senate provides the traditional vehicle for the discussion and development of academic policies, programs, and concerns;

WHEREAS, Staff Congress is an appropriate vehicle for the expression of staff concerns and consideration of matters related to the employment condition of staff members; and

WHEREAS, any interruption in the services of the University through an actual or threatened work stoppage would be detrimental to the institution;

NOW THEREFORE, BE IT RESOLVED that the Board of Regents of Northern Kentucky University hereby declares its policy that:

1. Collective bargaining with any group of faculty, staff, and other employees concerning wages, hours, and working conditions is not in the best interest of the University or, in the opinion of this Board, of its faculty and staff, students, or the University community as a whole.

2. It is the policy of the Board of Regents at Northern Kentucky University not to recognize any collective bargaining organization or representative for any segment of its faculty, staff, or employees.

BE IT FURTHER RESOLVED THAT THE BOARD OF REGENTS respectivefully declines the request of the Faculty Senate to engage in collective bargaining."

Mr. Verst moved the adoption of the resolution. Mr. Grayson seconded the motion.

Dr. Wallace commented that the outside group referred to in the resolution happens to be the faculty. 85% of the faculty have spoken. AAUP is supported by the Faculty Senate.

President Boothe said that this University has an outstanding faculty and staff who have served this University, this community, and this State in an exception manner. This University has great promise and we must keep this goal in mind. The President read the following prepared statement:

"As all of you know, there has been considerable news coverage of AAUP activities connected with collective bargaining on our campus. While there is a strong temptation to want to correct a number of misstatements, I do not think this would be productive. Further, I do not wish to repeat the general tenets outlined in my May 2 letter to the faculty. I will say, however, that I have consistently held and still hold the firm belief that collective bargaining is not in the best interest of colleges and universities, and more specifically, Northern Kentucky University.

I believe collegiality places special requirements on all parties in an institution. I will not pretend that I am not disappointed that my office was not approached with a set of grievances and concerns: that is still the case as I speak to you today. The President has a requirement of consultation with the faculty governance body before critical decisions affecting the policies and character of the institution are made. Commensurately, the faculty, through their established representative group have an obligation to address their concerns and viewpoints directly and honestly to the appointed leadership of the institution. Both groups accept these obligations in return for a shared responsibility in the governance of the institution. This is the essence of the collegial model which has made higher education in this country so special. When grievances arise, we stand ready to address them. This University provides ample opportunities for the faculty, and correspondingly, the staff to participate in its governance. That has not and will not be altered by recent events.

It has been my pleasure to work with three different Presidents of the Faculty Senate, and concomitantly, with three different Presidents of the Staff Congress, and I have benefited greatly from their advice and counsel over the years. The advice/recommendations of the Faculty Senate, the Council of Deans, and the Council of Chairs weighs heavily on any final decisions I make. Discussions with the faculty, individually and collectively, clearly indicate the need to strengthen the governance organizations of the University if we are to realize the full potential of the collegial model.

The burden of responsibility and final decision still rests with the Board of Regents and the President as the designated agent. In recognition of that responsibility, I pledge that I will continue to work in and improve the collegial model and will earnestly try to resolve problems and issues in decisions that will, hopefully, result in mutual satisfaction. Collegiality provides an opportunity for concerned parties to comment in an advisory capacity. At the same time, it is clear that I must recommend a specific course of action after carefully weighing the information available. I cannot and will not abrogate my responsibility to the University, the Board and the Commonwealth.

The members of the Board are aware of the finite resources provided to the University through appropriations from the legislature and the establishment of tuition rates by the Council on Higher Education. Collective bargaining will not change that funding, but it will burden the University with increased administrative costs. Furthermore, collective bargaining may serve well the interests of some faculty, but I believe the current system is more responsive in serving the needs of all the faculty.

Therefore, Mr. Chairman, my recommendation is that the Board endorse the motion before them that Northern Kentucky University will not engage in collective bargaining. In arriving at this conclusion, I would reiterate my believe that the strength of the University is diversity of opinion, and I thank God for that. I rededicate myself immediately to working even harder with University constituencies to identify problems and find resolutions. Dialogue will occur more frequently and at all levels with the faculty as we collectively address issues of concern."

Mr. Duncan said that he had served on the Board for four years and had been on the campus quite often. He further stated that he was concerned that no faculty member has ever called him to complain of the problems faculty members have cited as reasons for desiring collective bargaining.

Dr. Wallace said that the faculty is awed by the Regents and there does not seem to be accessibility to the Board. He further commented that this is another example of things happening after the fact. AAUP has not yet contact the University for discussion and the Regents have already met and turned down collective bargaining. Dr. Wallace stated that there are many problems besides money (although that too is a problem) and reminded the Regents that collegiality is a two-way street.

Ms. Stephenson said that she wondered if the Regents ought to alienate 85% of the faculty with such a vote. She also wondered if the Faculty Senate is listen to and referred to the fact that Student Government often was not listened to on some recommendations.

Dr. Boothe said he does listen to the Faculty Senate, Staff Congress, and Student Government. Sometimes he has to make unpopular decisions, but his decisions must be made to best serve the University.

Mr. Haas commented that all need to mutually rededicate themselves to work within the framework we now have rather than going into untested waters.

Dr. Wallace said that the perception is that the Board comes here for two or three hours for a meeting and perhaps exists for its own purpose. If there is a genuine concern on the part of the Board, it is hoped that there will be a follow up.

Dr. Boothe pledged to strengthen and improve where possible and to keep the Board apprised of the progress.

Chairman Lucas said that there is a genuine concern by this Board for the University and its faculty and staff, and that the rights of all human beings are respected. Many of the members spent a great deal of time lobbying for additional monies for salary increases as well as voicing concerns to the local legislators. The President has one large challenge to serve all the constituencies he has to serve, and it is difficult to serve all areas according to their desires. He stated his hope is that everyone will be better served by this meeting.

Mr. Grayson said that none of us really understand the implications of collective bargaining. He feels there is need for more opportunity to communicate and continue to broaden communications. Only when communications have been exhausted again and again is it necessary to turn to collective bargaining.

Dr. Wallace said that the Regents can vote down collective bargaining and go home. But these conditions are not going to go away and neither are the concerns of the faculty. Concerns are not only salary and the way funds are distributed, but there are other concerns that are not being listened to. The faculty is being treated as a phase of business without the benefit of a union. A university is not a business, and therefore a business model for and a business approach to Unviersity concerns will not properly address the underlying causes that led faculty to call for collective bargaining.

Mr. Grayson called for the vote.
Aye Vote - Dr. Booth, Mr. Duncan, Mr. Grayson, Mr. Haas, Ms. Morrison, Mr. Verst.
Nay Vote - Dr. Wallace Abstention - Ms. Stephenson.

Chairman Lucas said that while his vote does not count, Mr. Spears sent a letter saying that he would cast an aye vote. The letter is attached to these minutes.

The meeting adjourned at 5:30 p.m. on motion by Mr. Verst and second by Mr. Duncan.

BOARD OF REGENTS MEETING
September 10, 1986

The quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, September 10, 1986 by Chairman-elect Verst. Invocation was given by Dr. Tesseneer.

Mr. John R.S. Brooking, newly appointed regents, and Mr. Duane Froelicher, student regent, received the Oath.

ROLL CALL:

Regents present: Dr. Herbert Booth, Mr. John R.S. Brooking, Mr. David Duncan, Mr. Duane Froelicher, Mr. Kenneth Lucas, Mr. William Verst, Dr. Lew Wallace.
Excused: Mr. Merwin Grayson, Mr. Elmer Haas, Mr. Richard Spears

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Sheila Bell, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Ron Ellis, Mr. Rick Meyers, Mr. Robert Knauf, the Reverend Anne Eason, Dr. Mary Ann Weiss, Dr. Linda Olasov, Mr. William Weathers, Mr. Mick McLean, Dr. Ray Waggoner, Dr. Robert Busson, Mr. Jerry Legere, Mr. Bill Russell, Ms. Mary Paula Schuh, Dr. Linda Dolive, Mr. John Sebree, Mr. Mike Baker, Ms. Imogene Addison, Ms. Joyce Maegley, Dr. Clifford Shisler, Ms. Nancy Pierce, Ms. Janet Krebs, Ms. Norleen Pomerantz, Mr. Ches Arthur, Mr. Henry Stephens, Mr. Frank Wakefield, Mr. Ed Kennedy, Dr. James Alford, Mr. D. Beasley of the Kentucky Enquirer and Mr. David Mendenhall of the Northerner.

Minutes of the previous quarterly meeting held June 23, 1986 were approved on motion by Dr. Booth and second by Mr. Duncan.

President Boothe introduced the new Director of Development, Mr. Ed Kennedy.

PRESIDENTIAL REPORTS:

A-1 The President presented the Grant and Contract activity report for the quarter noting a dramatic increase in funds received as well as funds requested and number of proposals presented. The report indicates an optimistic trend, according to the President. Grants and Contracts

A-2 President Boothe highlighted the Campus Planning Report and particularly commended the Carlisle Construction Company in their generosity in revamping the baseball field to NCAA standards. Campus Planning

A-3 The quarterly financial report was presented by the President, who noted that the University is in sound financial health.

A-4 The handout on the Management Information Report is an update to add to the handbooks and is for informational purposes.

A-5 The President reported that IBM had donated 2,500 reels of magnetic tape, valued at $12,500, to the University. This allows the University to cut down on operational expenses. The President commended Regent Duncan who was largely responsible for the gift. IBM Gift of Tapes

A-6 The Summer enrollment report, presented by President Boothe, indicated that head-count is up but FTE enrollment is down. There also was a large drop in graduate studies, but the President felt it was largely due to the fact that many of the teachers in this area have now received their Summer Enrollment

Masters' degrees. Other statistics of interest were that 33% of all the Summer enrollment consisted of seniors, and that 40% were transfer students.

A-7 President Boothe called attention to the Master Plan. He stated that there would be additional meetings the end of September to receive reaction to the plan and that the University would work with Highland Heights Council and Campbell County Fiscal Court for reactions. — Master Plan

PRESIDENTIAL RECOMMENDATIONS:

B-1 The President recommended a number of academic personnel actions (attached to these Minutes, and asked for approval. He also introduced Mr. Michael McLean, General Manager of WNKU Radio Station. Mr. Duncan moved the adoption of the recommendation. The motion, seconded by Dr. Booth, was passed by unanimous vote. — Academic Personnel Actions

B-2 President Boothe recommended that the Board authorize the implementation of an Early Retirement Policy for University faculty. The Program is attached to these minutes. The President introduced Dr. Ray Waggoner, who spearheaded the study and formulated the program which has been reviewed by Legal Services, the Faculty Senate, the Provost, and the President. The recommendation received unanimous approval on motion by Mr. Brooking and second by Dr. Wallace. — Early Retirement Policy

B-3 Non-academic personnel actions were presented by the President, who noted that nearly 50% of the terminations were due to persons who could make more money in a similar job. The balance of the terminations were due to personal reasons, disability, retirement and other similar reasons. The personnel actions were unanimous adopted on motion by Mr. Duncan and second by Mr. Froelicher. — Non-academic Personnel Actions

B-4 President Boothe presented an interim policy for undergraduate admissions. The policy (attached to these minutes) conforms to the Council on Higher Education requirement for admission to public universities in 1987. The policy needs further review and therefore, a one year adoption is recommended. Mr. Duncan moved that the recommendation be approved as presented. Mr. Froelicher seconded the motion which was passed by unanimous vote. — Interim Admission Policy

B-5 It was recommended by the President that the Faculty Senate proposals for General Studies Program Rationale and a Pass/Fail Option receive approval. The President noted that this would give students an opportunity to widen their horizens on a subject, not in their major, without having to worry about their grade point average; however, a grade of at least a C must be achieved in order to pass. — General Studies Rationale, Pass/Fail Option

Mr. Lucas moved the adoption, seconded by Dr. Booth.

Mr. Brooking questioned the policy. As an employer and a representative for other employers, he stated his concern in seeing such a grade on a transcript and wondered if this might be a "cop-out". The Provost said that pass/fail was limited to 12 hours not in the student's major and a a grade of C or higher must be attained. Dr. Gray noted that number of other universities do not start a grade point average until the sophomore year.
The motion was passed by unanimous vote.

B-6 President Boothe recommended that the title of the Department of Social Work be changed to Department of Human Services and Social Work effective immediately. This is a result of streamlining the organizational structure of Academic Affairs. The recommendation received unanimous approval on motion by Mr. Lucas and second by Mr. Brooking. — Social Work - Dept. of Human Services and Social Work

B-7 In presenting the anti-hazing policy, the President stated that while there has been a similar policy in effect, the policy (attached to these minutes) bring the University into compliance of KRS 164-375c. Mr. Froelicher moved the adoption, seconded by Mr. Duncan. The motion passed by unanimous vote. — Anti-hazing Policy

B-8 President Boothe recommended a proposal for the establishment of an Interfaith Center on the campus and the administration be directed to enter into negotiations for further development of the project. Acceptance of this statement by the Board allows a site to be determined and appropriate legal documents to be negotiated so that review and approval can begin. Completion of appropriate legal documents will enable fund raising to begin. (Proposal attached to these minutes.) — Interfaith Center

The President introduced the Reverend Anne Eason and Ms. Mary Ann Weiss of our faculty, who have been working on the project.

The recommendation received unanimous approval on motion by Mr. Duncan and second by Mr. Brooking.

B-9 President Boothe recommended that the Board approve a grant of easement to the Campbell County Water District due to the fact that the construction of University Drive Extension necessitated relocation of a water line. The motion to adopt the recommendation was made by Dr. Booth. The motion, seconded by Mr. Brooking, received unanimous approval. — Easement for Water District

B-10 It was recommended by the President that approval be given for a lease with the United Methodist Wesley Foundation. The lease will be for a room in the Natural Science Center for a nominal amount. The recommendation received unanimous approval on motion by Mr. Duncan and second by Dr. Booth. — United Meth. Wesley Foundation Lease

B-11 The following recommendation was presented by the President:

"That the Board endorse the concept of a University Inn and encourage the NKU Foundation to exercise its best efforts to construct such a facility containing transient rooms and appropriate amenities, on the Foundation's property located on Campbell Drive adjacent to the Kroger Technical Center; and that the Board endorse the development of a Hospitality Management Program as part of the University curriculum." — University Inn Concept Encouraged

The motion by Mr. Brooking and second by Mr. Lucas received unanimous approval.

OTHER BUSINESS:

The next quarterly meeting date was set for Wednesday, November 19, 1986.

President Boothe introduced Dr. Linda Olasov, new President of the Faculty Senate.

The President reported that the University is exploring every avenue to get suitable liability insurance. The present policy expires October 31, and it is hoped to have a policy in place by that time. A further report will be given at the November 19th meeting.

The meeting adjourned at 4:55 p.m. on motion by Mr. Duncan and second by Mr. Lucas.

SPECIAL BOARD OF REGENTS MEETING
Monday, October 27, 1986

A special Board of Regents meeting was called to order at 10:05 a.m. on Monday, October 27, 1986 by Chairman Grayson. Invocation was given by Dr. Lyle Gray.

Regents present: Dr. Herbert Booth, Mr. John Brooking, Mr. Duane Froelicher, Mr. Merv Grayson, Mr. Elmer Haas, Mr. Kenneth Lucas, Dr. Lew Wallace.
Excused: Mr. David Duncan, Mr. Richard Spears, Mr. William Verst

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Ms. Cynthia Dickens, Mr. Robert Knauf, Ms. Sheila Bell, Mr. Clarence Tabor, Mr. Mike Baker, Mr. Keith Stewart, Ms. Carla Chance, Mr. Jerry Legere, Mr. Bill Russell, Dr. James Alford, Ms. Terri Malone, Ms. Imogene Addison, Ms. Nancy Pierce, Mr. Rick Meyers, Ms. Dolores Thelen, Mr. David Mendenhall of the Northerner, Mr. Jeff Hildebrand of WCKY Radio, and Dave Beasley of the Kentucky Enquirer.

The President recommended that a revision of Article IV B of the Regents Bylaws be approved. (Revision attached to these minutes.)

In addition to the background material attached with the revisions, the following points were made by President Boothe, Ms. Bell, Dr. Scholes, and Mr. Brooking:

Our present liability insurance expires November 1, 1986 with the understanding that any law suit filed one year after expiration of policy will be taken care of by the present carrier for actions prior to expiration.

The revision is made to include staff which had not been included in the original bylaw, and if the University is without coverage, all employees potentially involved in actions should be covered.

Seven carriers now have applications for the University's coverage. One of the things in the University's favor is that the institution is completely litigation free at this time.

Concern at this time is whether indemnification costs can be paid from State tax dollars. This is subject to final interpretation by the Kentucky Courts. Northern has taken the position that since the institution receives tuition and other fees, tax dollars will not be used.

The State institutions need to band together to try to get positive legislation passed on the above issue.

Mr. Brooking moved that the recommendation be approved as presented. The motion, seconded by Dr. Booth, passed by unanimous vote.

The meeting adjourned at 10:30 a.m. on motion by Mr. Haas and second by Mr. Lucas.

Regents present: Dr. Herbert Booth, Mr. John Brooking, Mr. David Duncan, Mr. Duane Froelicher, Mr. Merwin Grayson, Mr. Kenneth Lucas, Mr. William Verst, Dr. H. Lew Wallace. Excused: Mr. Elmer Haas and Mr. Richard Spears.

Others Present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Mr. Robert Knauf, Dr. Ralph Tesseneer, Mr. Dennis Taulbee, Ms. Sheila Bell, Ms. Cynthia Dickens, Mr. C.M. Tabor, Dr. Phyllis Sholtys, Dr. Linda Olasov of Faculty Senate, Ms. Jan Kreutzer of NKU Alumni, Ms. Janet Krebs of Staff Congress, Dr. Richard Shisler, Dr. James Alford, Dr. Ron Gardella, Mr. Ed Thompson, Mr. Richard Rankin and Mr. Charles Lee of Rankin and Rankin, Mr. Mike Baker, Ms. Mary Paula Schuh, Ms. Pat DeMarsh, Ms. Imogene Addison, Ms. Marjorie Scheller, Mr. William Russell, Mr. John Sebree of Student Government, Dr. Linda Dolive, Mr. Ches Arthur, Ms. Nancy Pierce, Mr. Bill Lamb, Mr. Dave Beasley of Kentucky Enquirer, Mr. William Weathers of Kentucky Post, and Mr. David Mendenhall of The Northerner.

Minutes of the following meetings were approved on motion by Mr. Duncan and second by Dr. Booth: Quarterly Meeting - September 10, 1986 and Special Meeting - October 27, 1986.

President Boothe introduced Ms. Jan Kipp Kreutzer, newly elected President of the Alumni Association.

PRESIDENTIAL REPORTS:

A-1 The President presented the Grants and Contracts report and pointed out some very impressive figures. During the same period one year ago, the following increases were made: — Grants and Contracts

Funds approved	82.3%
Proposals approved	100%
Funds requested	75%
Proposals submitted	93%

A-2 In highlighting the Campus Planning report, the President stated that all departments to be housed in the new Applied Science and Technology Center had been thoroughly involved in the programming requirements. Design work should be completed by June, 1987. The State has recommended selling the bonds early next fall. The final printing for the Facilities Master Plan should be completed and presented at the January meeting. — Campus Planning

A-3 President Boothe presented a Proposal for the Shor Environmental Education and Research Center. Mr. S. David Shor of Duro Paper Bag has generously offered to donate some 1000 acres in Kenton County for such a project. Dr. Ron Gardella, who was introduced by the President, led a team effort to develop the proposal. If the proposal becomes reality, it will be a tremendous opportunity for the University. — Proposal for Shor Environmenta Center

A-4 After presentation of the Fall enrollment report, the President noted that the figures show a stable enrollment. Headcount is down about 25 students, but FTE is up a small amount. — Fall Enrollment

A-5 The President presented the quarterly financial report (July through September) noting that expenditures and revenues are in line with projections. Finan. Report

A-6 President Boothe extensively highlighted the Annual Report of the President in all areas of the University. During the financial report, Mr. Richard Rankin of Rankin and Rankin was introduced. Mr. Rankin certified to the Regents that the financial statements of the University had been audited and he was pleased to report that the reporting was in conformity with generally accepted accounting principles. The President noted that 70% of the University resources is used for salaries, 20% for operating expenses, leaving very little to deal with major problems. Annual Report of President

Chairman Grayson complimented the President on the excellent report.

A-7 President Boothe outlined for the Regents the Kentucky revenue shortfall stating that he would notify the Regents if Northern will suffer any budget implications. Kentucky Revenue Shortfall

A-8 The A-110 audit was presented. The President Stated that this was a 100% compliance audit and there are no findings of significant nature. President Boothe complimented Mr. Tabor, Ms. Pierce, Mr. Baker and staff for their excellent work. A-110 Audit

PRESIDENTIAL RECOMMENDATIONS:

B-1 The following academic personnel recommendations were made by the President:

That David Leong, Fine Arts, be granted an unpaid leave, without benefits for the 1987-1988 academic year.

That Gary Scott be appointed interim Associate Dean of the College of Professional Studies from August 26, 1986 through June 30, 1986. Academic Personnel

The recommendations were unanimously approved on motion by Mr. Verst and second by Mr. Duncan,

B-2 Non-academic personnel actions were recommended by the President. Such actions are attached to these minutes. The President noted that 35% of the terminations were for better paying positions. Dr. Booth moved approval. The motion, seconded by Mr. Verst, was approved by unanimous vote. Non-academic Personnel

B-3 The following administrative personnel changes occurred during the third quarter, and are submitted for Board approval by the President:

Edward Kennedy, Director of University Relations/Development, effective 9/1/86

Gary Eith to Director in Governmental Services Institute, effective 8/4/86

Edward Thompson to Director of Intercollegiate Athletics, effective 11/3/86. Administrative Personnel

The recommendations received unanimous approval on motion by Mr. Duncan and second by Dr. Wallace.

B-4 It was recommended by the President that the current unit name of Governmental Services Institute/Professional Development and Community Education be changed to Community Education and Service. The motion, made by Dr. Booth and seconded by Mr. Duncan, received unanimous approval.

Community Education and Service

B-5 Staff Congress By-Laws revision (attached to these minutes) was unanimously approved on motion by Mr. Verst and second by Mr. Froelicher.

Staff Congress By-Laws

The President asked the Board's opinion of bring such items for approval. As Agent of the Board, he could bring such items as informational reports. The Board agreed to this arrangement.

B-6 President Boothe recommended that the Board of Regents authorize: participation in the Northern Cooperative for Educational Services, Inc,; participation in the Northern Kentucky Cooperative for Education Services, a separate administrative board created by Interlocal Cooperative Agreement; and development of a lease agreement with the Northern Cooperative for Educational Services, Inc.

Northern Kentucky Cooperative

The President explained that this is a new exciting partnership with the public schools and that the superintendents of the districts are pleased with the arrangement. Mr. Duncan made a motion to approve the recommendation. The motion, seconded by Dr. Wallace, received unanimous approval.

OTHER BUSINESS

C-1 Meeting dates for 1987 were suggested: January 28
April 29
July 29
October 28

The board members were advised to contact the President's office if there is a conflict.

BOARD OF REGENTS MEETING
Wednesday, January 28, 1987

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. on Wednesday, January 28, 1987 by Chairman-elect Verst. The invocation was given by Dr. Tesseneer.

Oath of office was taken by Mr. Philip Taliaferro, Jr. whose term expires April 1, 1990.

It was announced that Mr. David Duncan was reappointed with term expiring April 1, 1989.

ROLL CALL: Regents present - Dr. Herbert Booth, Mr. David Duncan, Mr. Duane Froelicher, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Philip Taliaferro, Mr. William Verst, Dr. H.Lew Wallace. Excused were Mr. John Brooking and Mr. Richard Spears.

Others present - President Leon Boothe, Dr. Gene Scholes, Dr. Ralph Tesseneer, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Cynthia Dickens, Ms. Sheila Bell, Mr. C.M. Tabor, Dr. Phyllis Sholtys, Dr. Jim Fouche, Ms. Mary Ryan, Ms. Helen Wilhelm Olson, Dr. Gary Graff, Ms. Mary Paula Schuh, Ms. Pat DeMarsh, Ms. Terri Malone, Ms. Imogene Addison, Mr. Jerry Legere, Ms. Joyce Maegly, Mr. John Sebree, Dr. Clifford Shisler, Mr. Robert Bolce, Mr. Bill Russell, Mr. Ches Arthur, Dr. James Alford, Mr. Mike Baker, Mr. Rick Meyers, Mr. Ron Ellis, Staff Congress officers - Mr. Don McKenzie, Ms. Diane Hunley and Ms. Kathy Lyons; Faculty Senate President Linda Olasov, Mr. David Mendell of The Northerner, Mr. Mike Pulfer of the Kentucky Enquirer, Mr. Wm. Weathers of the Kentucky Post, and Mr. Fred Anderson of WCKY Radio.

Mr. Verst called for the election of a new Chairman. Mr. Duncan nominated Mr. Verst for Chairman and it was seconded by Mr. Lucas. Motion by Mr. Haas called for the nominations to cease, seconded by Mr. Duncan. Mr. William Verst was elected Chairman by acclamation.

New Officers

Chairman Verst called for the election of a Vice Chairman. Mr. Lucas nominated Dr. Herbert Booth and the motion was seconded by Mr. Duncan. There being no further nominations, Dr. Herbert Booth was elected Vice Chairman by unanimous vote.

Mr. Haas presented the following Resolution and moved its approval:

RESOLVED: That the Board of Regents extends its thanks and sincere appreciation to Mr. C. Merwin Grayson, Jr., who served as Regent of Northern Kentucky University from 1982 to 1987, including one year as Chairman of the Northern Kentucky University Board of Regents from 1986 to 1987. Mr. Grayson's tenure as a member of the Board of Regents represents five years of exemplary service to the University and is regarded with high distinction.

This resolution shall be publicly presented and be spread upon the minutes of the Board of Regents of Northern Kentucky University on January 28, 1987.

Motion was seconded by Mr. Duncan and was passed by unanimous vote.

President Boothe read a letter from Mr. Grayson pledging his continuing support to the University. (Letter attached to these minutes.)

Condolences were extended to Mr. Duncan in the recent death of his Mother by Chairman Verst. President Boothe welcomed Mr. Taliaferro to the Board and also congratulated Mr. Duncan on his reappointment.

The following introductions were made by the President:
Mr. Robert Bolce as Superintendent of Mechanical Systems.
New officers of Staff Congress - Don McKenzie, President; Diane Hunley, Vice President; and Kathy Lyons, Secretary/Treasurer.

PRESIDENTIAL REPORTS:

A-1 Grants and Contracts quarterly was presented by the President, who pointed out that while there was a slight decrease in funds requested the last quarter, there is a 21% increase in funds requested over the past six months. Proposals submitted has increased nearly 46% over the same period a year ago indicating the faculty's interest in securing grants. — Grants and Contracts

A-2 President Boothe highlighted the written Campus Planning Report for the Regents. He pointed out that some of our major leakage problems are well on the way to being solved. — Campus Planning

A-3 In order to encourage professional growth through financial support for independent research, the President reported that fourteen faculty members would receive Faculty Project Grants for next year. (List attached.) — Faculty Project Grants

A-4 Fourteen faculty members have received 1987 Summer Fellowship Awards to enhance their professional development, according to the President. (List is attached to these minutes.) — Summer Scholarships

A-5 The quarterly financial report was presented by the President, who noted that revenues and expenditures are on target. He also noted for the Regents the fact that investments made locally are producing more income than those funds lodged in Frankfort. — Financial Report

A-6 President Boothe reported on how the University would face the state reduction of the budget through non-recurring dollars and not reducing personnel. The complete report is attached to these minutes. The President further stated that he was disappointed that higher education had to suffer cuts since education was such a high priority during the last legislative session. — Budget Reductio

A-7 The President reported that an apportunity became available to secure some professional liability insurance. This is being explored with cost unknown. Continued efforts are being made through NACUBO to secure a broader, more inclusive form of insurance. Mr. Froelicher asked if the $80,000 being used for revenue shortfalls would affect getting insurance coverage, and the President said it would not affect insurance we get. — Liability Insurance

PRESIDENTIAL RECOMMENDATIONS:

B-1 The following academic personnel actions were recommended to the Board:

(a)
- Resignations: David S. Leong, effective December 27, 1986.
  Paula Raines, effective December 1, 1986.
  Vincent Schulte from Chairperson to Associate Professor effective 1/1/87.
- Retirement: N. Edd Miller, Chairperson of Communication, effective July 31, 1987.
- Unpaid Leave: James Hunter, unpaid leave, without benefits, from January 1, 1987 to December 31, 1987.

Academic Personnel Actions

B-1 (continued)

Administrative Appointments - William Oliver, Acting Chairperson of the Physical Sciences Department, 1/1/87 through 5/15/87.

Valerie Zummo, Assistant Dean for Admissions and Placement, 1/1/87
Paul Ellis, Lecturer
Jeanne Henry, Lecturer
Judith Taylor, Lecturer
Mary Ann Weiss, Lecturer
Frances Zaniello, Lecturer

(b) The following faculty have been recommended to receive sabbatical leaves:

Judith Bechtel	Patricia Dolan	James Niewahner	Sabbatical Leaves
Rachelle Bruno	Charles Frank	Adalberto Pinelo	
Tom Cate	Carolyn Hagner	Peter Schiff	
Warren Corbin	William Holloway	Howard Storm	
Daniel Curtin	Sally Jacobsen	Rebecca Sturm	
R. Kent Curtis	Gene Krauss	Barbara Thiel	
William Dickens	Robert Lilly	John Westlund	
Frank Fietrich	William McKim	Tom Zaniello	

Mr. Duncan moved adoption of the recommendations. The motion, seconded by Mr. Lucas, received unanimous approval.

B-2 Non-academic personnel actions were presented to the Board by the President, who stated that over 25% of the terminations were due to better paying positions.

Non-academic Personnel

The President recognized Mr. C.M. Tabor, who is retiring, for his enthusiasm and loyalty to the University during his tenure. Introduced was the new Director of Personnel, Mr. Garrison Hickman.

Dr. Booth moved the adoption of the recommendation. The motion, seconded by Mr. Haas, received unanimous approval.

B-3 President Boothe visually highlighted the proposed Facilities Master Plan and asked for its approval. Each Regent also received a comprehensive report of the plan. Mr. Haas noted that it was a very ambitious and a realistic one. Mr. Froelicher moved for approval. The motion was seconded by Mr. Haas and was passed by unanimous vote.

Facilities Master Plan approved

The President introduced Mr. Raymond B. Hayes, Associate Director of the Department for Facilities Management, Commonwealth of Kentucky. Mr. Hayes commended all those who worked so diligently on the plan. He felt that Northern regents, faculty, staff, and students have a very positive and upbeat attitude and is delighted to see the mast plan updated on a reasonably good schedule.

Also introduced was Mr. Harley Fisk, architect, who said he was proud to be associated with the University over the past year and asked that the updated Master Plan not be put on a shelf.

B-4 President Boothe submitted tuition rates for 1987-88 as mandated by the Council on Higher Education and which must be approved by the Regents. (Rates and comparisons attached to these minutes.) Mr. Lucas moved that the tuition rates be accepted as presented by the Council. The motion, seconded by Mr. Duncan, was passed by unanimous vote.

1987-88 Tuition Rates

B-5 The President recommended that the Board of Regents approve the schedule of class fees and other charges to become effective with the Fall, 1987 semester. (Schedule attached to these minutes.) The President pointed out a few areas where fees have changed. Dr. Booth moved the adoption of the fee schedule. The motion was seconded by Dr. Wallace and was passed unanimously.

B-6 President Boothe presented the following resolution for approval:

Resolution on Roadways

RESOLVED: That the Northern Kentucky University Board of Regents on behalf of the Northern Kentucky University community, on this date, January 28, 1987, hereby wishes to formally express its appreciation to Governor Martha Layne Collins, whose gracious assistance and support resulted in the reali-ation of new campus roadways providing much needed accessibility to Northern Ketnucky University's Highland Heights campus and the University Foundation's Research and Technology Park.

A motion by Mr. Duncan and second by Mr. Haas received unanimous approval.

B-7 The President recommended that the Board of Regents adopt a resolution relating to the issuance of Housing System Revenue Bonds to prepay the Series B outstanding issue.

Resolution on Housing Bonds

President Boothe explained that while the Federal government is currently offering a 54% discount as an incentive to reduce the size of such loans, all information is not available to see if the offer is attractive. The President asked for the resolution to be approved in case it was found this was a sound financial move as a decision needs to be made by February 28. Such a resolution now would eliminate a special meeting.

Dr. Booth made a motion to adopt the resolution. The motion, seconded by Dr. Wallace, received unanimous approval.

The next meeting date is Wednesday, April 29, 1987 at 4 p.m. Future meeting dates are July 29, 1987 and October 28, 1987.

The meeting was adjourned at 5 p.m. on motion by Mr. Haas and second by Mr. Duncan.

ADJOURNMENT

BOARD OF REGENTS MEETING
Wednesday, April 29, 1987

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, April 29, 1987 by Chairman Verst. The invocation was given by Dr. Tesseneer.

ROLL CALL: Regents present - Dr. Herbert Booth, Mr. John Brooking, Mr. David Duncan, Mr.Duane Froelicher, Mr. Elmer Haas, Mr. Kenneth Lucas, Mr. Richard Spears, Mr. Philip Taliaferro, Mr. William Verst, Dr. Lew Wallace.

Others present: President Leon Boothe, Dr. Gene Scholes, Dr. Lyle Gray, Dr. Ralph Tesseneer, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Ms. Sheila Bell, Dr. Phyllis Scholtys, Mr. Mike Baker, Ms. Joyce Maegley, Mr. Dave Beasley of the Kentucky Enquirer, Mr. Dan Alford, Dr. Vinay Kumar, Dr. Tom Barone, Dr. Rachell Bruno, Ms. Angela Schaffer, Ms. Donna Carnohan, Ms. Mary Ellen Elsbrend, Ms. Rebecca Sturm, Mr. Richard Nielson, Mr. John Sebree, Dr. Gary Scott, Dr. Tom Harden, Ms. Becky Myers, Ms. Terri Malone, Ms. Imogene Addison, Dr. Linda Dolive, Mr. Bill Russell, Mr. Jerry Legere, Mr. Bob Sprague Dr. Linda Olasov- Faculty Senate, Dr. Robert Bussom, Ms. Carol Futhey, Mr. John Cahill, Ms. Nancy Martin, Mr. John DeMarcus, Ms. Elizabeth Soto, Dr. Dennis O'Keefe, Ms. Maryanne Zeleznik of WNKU, Ms. Sally Jacobsen, Mr. Ches Arthur, Mr. Ron Ellis, Mr. Rick Meyers, Mr. Don McKenzie and Ms. Diane Hunley of Staff Congress, Mr. Dan Drake, Mr. Henry Stephens, Dr. George Goedel, Mr. Mike Hickman, Mr. Ken Ramey, and Ms. Connie Widmer.

The minutes of the previous quarterly meeting, January 28, 1987 were approved on motion by Mr. Haas and seconded by Dr. Booth.

PRESIDENTIAL REPORTS:

A-1	The President reported that the Grants and Contract report looks good as he noted that total funds approved has increase 45.6% over the same period a year ago.	Grants and Contracts
A-2	The Campus Planning report was highlighted by the President.	Campus Planning
A-3	The report on the BS/BA/MBA program was presented by the President who said he felt the new packaging of current degree programs should prove attractive to students and should help increase enrollment plus benefiting the student.	BS/BA/MBA Program
A-4	The Spring enrollment report indicates an increase of 1% for headcount as well as FTE students. The President further reported that statistics show 53% of the students are women and 47% are men which is a normal median.	Spring Enrollment
A-5	The President reported on pending bond activity stating that the issuance of Series D Bonds for the A S & T Building was held up by the State until ground was broken. Now this issuance is being accelerated as a result of market conditions. It was reported that Series A and Series C Bonds might be refinanced, but the State recommended against immediate action because of issuance cost. The financing of Series B was discussed later in the meeting.	Pending Bond Activity
A-6	According to the President, the external auditor's contract with Rankin and Rankin is being renewed for another year in compliance with the bid award. Contract will have to rebid next year.	External Auditor
A-7	The quarterly financial report is very consistent in terms of revenues and expenditures, according to the President.	Financial Report

A-8 The President, in presenting the report on AAUP, commented that this is the first formal request from the AAUP for recognition as the collective bargaining agent for the faculty. Dr. Boothe further stated that because of concerns raised in the letter to Dr. Gray from the AAUP, he is in the process of forming a committee within the University to deal with the issues being raised by the AAUP. AAUP

Mr. Brooking moved that the Board reaffirm its action taken on May 14, 1986 to decline the request to engage in collective bargaining. The motion was seconded by Mr. Lucas.

Dr. Wallace reminded the Board that issues raised will not cease and that he felt the Board ought to hear what the AAUP had to say. The Board members gave approval for a member of the AAUP to address the Board.

Dr. Dennis O'Keefe spoke for the group stating that he had been a member of AAUP for 15 years and now chairs the committee for academic freedom. He spoke of major concerns of the faculty but most frequently about the salary limitations and more pointedly, how increases are handled. He said that faculty morale would improve if the university were governed more democratically, with the faculty having some say in goverance of the University. He felt that faculty morale could definitely harm faculty/student relationships. Further, he said that faculty ideas and suggestions had been ignored by the administration. He closed by stating he was asking the Regents to reconsider its position and take another look at collective bargaining.

President Boothe commented that he does not see collective bargaining getting us any more money from the State. He realizes salary increases are low, but the University has only so much money provided by the State with which to work. He says he believes the administration has been open and has been willing to talk and discuss. He reaffirmed that he would have a faculty committee formed to look into the issues raised.

Mr. Duncan said he feels that a committee is a must to deal with these issues.

Mr. Lucas said that he felt collective bargaining would have people choosing sides and he hoped that the Regents are on the same aside as the faculty, staff, and administration. He said the largest complaint seems to be money and that the group should vent this energy and effort toward the Legislature to get more money for the University. The Legislature are the only people that can get us additional money.

Other discussion followed. Mr. Haas moved the question, seconded by Mr. Lucas.
Result - Aye - Dr. Booth, Mr. Brooking, Mr. Duncan, Mr. Haas, Mr. Lucas, Mr. Spears, Mr. Taliaferro.
Nay - Dr. Wallace Abstention by Mr. Froelicher.

Mr. Taliaferro spoke of a team effort to work with the Legislature. He moved that an NKU lobby team to aid NKU in all ways to seek money from the Legislature be appointed as follows:

2 - Board of Regents	2 - Faculty	2 - Staff
2 - Students	2 - Administrators	Ex-officio - President and Chairman

The motion was seconded by Mr. Froelicher and was passed by unanimous vote.

A-9 The President stated that the report on budget reductions was designed to keep the Regents up-to-date on developments in reductions which seem imminent. Budget Reduction

Minor in Military Science

B-7 In presenting the recommendation proposing a new program for a Limited Radiation Operator Certificate (oulined and attached), the President said that this should be an effective program to meet the needs of the State and the community. Dr. Booth made motion to accept the proposal. The motion, seconded by Mr. Brooking, was passed by unanimous vote. Certificate Program for Radiologic Technology

B-8 The President recommended that the Board of Regents approve a lease agreement with the Academy of Criminal Justice Sciences for the purpose of locating their national association headquarters on the Highland Heights campus of Northern Kentucky University. President Boothe stated that this was a very prestigious association to have on our campus. The recommendation received unanimous approval on motion by Mr. Haas and second by Mr. Taliaferro. Academy of Criminal Justice Lease

B-9 It was recommended by the President that the Board of Regents approve a lease agreement with the Northern Kentucky University Interfaith Association for the purpose of construction of an Interfaith Center facility on the campus of NKU. Finalization of the lease will be contingent upon the approval of the Council on Higher Education and the Finance and Administration Cabinet. President Boothe stated that the center would be similar to the one at the University of Louisville and that approval was needed by the Regents in order for fund raising to begin through the various denominations. The recommendation received unanimous approval on motion by Mr. Duncan and second by Dr.Booth. Interfaith Center Lease

B-10 In presenting the recommendation on the policy of the Role of Campus Ministers, the President stated that this policy is to clarify the role and in order to have procedures in place when a minister is recommended. The recommendation received unanimous approval on motion by Mr. Froelicher and second by Dr. Booth.

B-16 The President recommended that the 1978-88 unrestricted current fund operating budget of $38,750,000, including a special budget reduction reserve of $575,000 be approved. Budget documents attached to these documents.

The budget had been shared university-wide, according to the President. The budget was drawn up in such a way that University personnel would not have to be laid off in case of a budget reduction, based on current projections. There are no expansion dollars whatsoever and the University is strapped continually for things that ought to be done. Until the State comes up with more funds, we will remain in the same situation. 1987-88 Operating Budget

Mr. Haas moved that the budget be approved as presented. The motion was seconded by Mr. Duncan and was passed by unanimous vote.

B-17 It was recommended that a proposed new degree of Bachelor of Science in Engineering Technology and a new minor in Applied Technical Sciences (as outlined and attached to these minutes) be approved. President Boothe said the program would provide students new opportunities. The business community has wanted this type of program and have pledged their support to help with the program. The program would become effective with the Fall semester, 1988. The President commended Dr. Thomas Harden and Dr. Gary Scott for their fine work in outlining the program. B.S. Hickman, Rick Howerton, Mary Huening, Diane Hunley, John Johnson, Russ Kerdolff, Jerry Legere, Joyce Maegly, Nancy Martin, Don McKenzie, Becky Myers, Richard Nielson, Nancy Perry, Thomas Rambo, Bill Russell, Mary Ryan, Angela Schaffer, Mary Paula Schuh, Debbie Schweirjohann, Carl Slater, Rose Stauss, Steve Stephens, Dolores Thelen, Helen Wilhelm-Olsen

The minutes of the previous quarterly meeting, January 27, 1988, were approved on motion by Mr. Haas and seconded by Regent Booth.

Presidential Reports:

A-1 President Boothe summarized the third quarter report of Grant and Contract Activity. Highlights included a 42.5 percent increase in funds approved year-to-date, and a 25 percent increase in the number of proposals approved year-to-date. Grants & Contracts

A-2 President Boothe noted in the Campus Planning report that considerable work is underway at the site of the Applied Science and Technology Center, that progress is being made on completion of the roofing projects, and that the safety lighting project is scheduled for completion in mid-September. President Boothe also reported on the successful efforts to obtain construction funding through the General Assembly for the Fine Arts Completion. One-half of the first year's debt service must be raised from private funds. Campus Planning

A-3	The 1988 Spring Enrollment Report included a 3.7 percent increase in enrollment.	Spring Enrollment
A-4	President Boothe reported that Rankin, Rankin and Company had completed the second NCAA mandated audit of intercollegiate athletics. The audit contained statements of revenues and expenditures, and a review of internal accounting controls with recommendations.	NCAA Audit
A-5	The Quarterly Financial Report continued to demonstrate orderly progress on the institution's financial schedules.	Quarterly Financial
A-6	President Boothe reported on the renewal of the University's external auditing contract with Rankin, Rankin and Company. The renewal complies with the terms of the bid award. The external auditors are responsible for audit of the University's records and financial statements and for audit of the University's federal programs through the A-110 compliance audit. This contract will be re-bid next year.	Auditor's Contract
A-7	The President distributed the 1988 Management Information Reports which contain a statistical profile of the University.	MIR

Richard O'Brien, Associate Professor of the Department of Mathematics and Computer Science, effective May 15, 1988
Elinor Welt, Professor of the Department of Literature and Language, effective June 1, 1988

Paid/Unpaid Leaves
Janice Cantrall, Associate Professor of the Department of Nursing, one-half time unpaid leave with benefits effective for the 1988-89 academic year.

Adjunct Appointments
Patricia Murray, Adjunct Professor of the Education Department, beginning July 1, 1988.

Upon a motion by Regent Booth, seconded by Regent Lucas, the motion passed unanimously.

B-2 President Boothe recommended that Emeritus status be granted to Professor Jane Dotson, and Assistant Professor Carolyn Rudorf, upon their retirement. Upon a motion by Regent Lucas, seconded by Regent Wallace, the motion passed unanimously. Emeritus Status

B-3 President Boothe recommended that the non-academic personnel actions for the period January 1, 1988 through March 31, 1988, be approved. Upon a motion by Regent Sebree, seconded by Regent Duncan, the motion passed unanimously. Non-Acad. Personnel Actions

B-4 The following administrative actions were recommended by President Boothe: Admin. Appts.

Appointments
Nancy Pierce, from Internal Auditor to Director of Information Systems Projects, effective March 1, 1988
Russell Kerdolff, from Financial Investment Analyst and Acting Chief Accountant to Director of Accounting and Budgetary Control, effective March 14, 1988
Nancy Perry, Director of Alumni Affairs, effective May 1, 1988

Resignations
William Russell, Director of Admissions, effective May 31, 1988

Leaves
Sheila Trice Bell, University Legal Counsel, two-fifths leave for six months, effective April 18, 1988

Upon a motion by Regent Booth, seconded by Regent Duncan, the motion passed unanimously. President Boothe introduced Ms. Nancy Perry and Mr. Russell Kerdolff.

Regent Haas moved that the Board recess and convene in executive session and that the session include Legal Counsel Sheila Trice Bell and Vice President Cynthia Dickens.

Chairman William Verst reconvened the Board at 5:30 p.m., and called upon Regent Brooking to present the report of the Presidential Review Committee. Regent Brooking reported that the committee had solicited input from members of the Board of Regents, community leaders, administrators, students, faculty, staff, and state officials and had reached the following evaluative conclusion: "Well done Mr. President, you are doing what you were asked to do by the Board of Regents under very difficult circumstances. Listen to your faculty leaders, direct your staff closely, and keep the show on the road." Regent Brooking moved to extend President Boothe's contract for one year with a 3 percent salary increase. Upon a second by Regent Haas, the motion passed unanimously. Presidential Review

B-5 President Boothe recommended that the following academic department name changes be approved: Department of Social Sciences to Department of Sociology, Anthropology, and Philosophy; and Department of Human Services and Social Work to Department of Allied Health, Human Services and Social Work. Upon a motion by Regent Haas, seconded by Regent Wallace, the motion passed unanimously. Academic Dept Name

B-6 President Boothe recommended that student receivables of $4,733.25 and loan fund receivables of $936.50 be written off as bad debts. Upon a motion by Regent Wallace, seconded by Regent Duncan, the motion passed unanimously. Once a debt is written off, it is not collectible unless the student re-enrolls at the University. Bad Debts

B-7 As a result of the recommendations made through the Southern Association Self-Study Process, the need for a formal investment policy was brought forward. President Boothe recommended that the investment policy, which complies with state statutes, regulations and procedures be approved. Upon a motion by Regent Duncan, seconded by Regent Lucas, the motion passed unanimously. Investment Policy

B-8 President Boothe recommended that the 1987-88 operating budget be amended to reflect a tuition revenue increase for the spring semester ($196,500) a reduction in state appropriation ($209,200), increase in investment earnings ($95,000) and expansion in auxiliaries 87-88 Budget

($201,557). Upon a motion by Regent Lucas, seconded by Regent Booth, the motion passed unanimously.

B-9 President Boothe recommended that the 1988-89 current unrestricted fund budget of $39,750,000 be approved. A formal budget document will be forthcoming. The legislative Conference Committee recommended a final budget which received approval by the Governor in the last days of the 1988 General Assembly Session. A 3 percent salary increase is possible in the 1988-89 budget only because of enrollment growth in 1987-88 and a tuition rate increase for 1988-89. Testimony before the House, the Senate, and the Governor indicated that the University could not give a 2 percent salary increase without significant savings in other operational areas. Reductions to fixed cost expenditures coupled with enrollment growth have resulted in the 3 percent increase. Upon a motion by Regent Lucas, seconded by Regent Booth, the motion passed unanimously. 88-89 Budge

B-10 President Boothe recommended that Room 361 of the Albright Health Center be named "The A.E. Howe Clinical Sciences Laboratory" in honor of Dr. Howe, a Campbell County. Dr. Howe's widow has made a financial donation to the University which will be used for the purchase of instructional equipment. Upon a motion by Regent Booth, seconded by Regent Brooking, the motion passed unanimously. Howe Room

Other Business

President Boothe recognized Student Regent John Sebree who was serving at his last meeting of the Board and commended Regent Sebree for his performance during the past year.

President Boothe reported that Dr. Lew Wallace had been re-elected to the Board of Regents to serve as Faculty Regent for the term 1988-1991.

Regent Taliaferro commended President Boothe and Chairman Verst for their efforts in working with the Governor's Office and the General Assembly to secure funding for Northern Kentucky University.

President Boothe reminded the members of the Board of Regents of the Commencement Ceremonies scheduled for Saturday, May 14.

Agenda items for the Regents Retreat will be solicited from the Regents and a time for the summer retreat will be scheduled.

The next quarterly meeting of the Board of Regents was scheduled for Wednesday, July 27, at 4 p.m.

The meeting adjourned on a motion by Regent Haas, seconded by Regent Taliaferro, at 5:45 p.m.

This increased tuition also includes the student incidental fee, which is being increased from $3 per credit hour to $5 per credit hour. Upon a motion by Regent Haas, seconded by Regent Fields, the recommendation passed unanimously. Tuition Schedule

B-11 President Boothe recommended approval of the 1989-90 fee schedule which included parking registration fees effective through the 1990-92 biennium. Upon a motion by Regent Wallace, seconded by Regent Haas, the recommendation passed unanimously. Fee Schedule

B-12 President Boothe recommended amendment of the 1988-89 operating budget to reflect an increase in revenue of $612,936. This revenue increase results from increased tuition receipts. Upon a motion by Regent Haas, seconded by Regent Duncan, the recommendation passed unanimously. 88-89 Budget Revisions

B-13 President Boothe recommended that an endowed professorship in the Department of Allied Health, Human Service and Social Work be established and named the Mark A. Herrmann Professorship. This endowment is available as a result of a future gift to Northern Kentucky University. Upon a motion by Regent Duncan, seconded by Regent Fields, the recommendation passed unanimously. Herrmann Endowment

Board of Regents Special Meeting
Monday, February 27, 1989

The special meeting of the Board of Regents of Northern Kentucky University was called to order at 8:05 a.m. on Monday, February 27, 1989, by Chairman Verst.

Roll Call: Regents Present - Dr. Herbert Booth, Mr. John Brooking, Mr. John Fields, Mr. Elmer Haas, Mr. Scott Kappas, Mr. Ken Lucas, Mr. Phil Taliaferro, Mr. William Verst, Dr. Lew Wallace.

Presidential Recommendations:

President Leon Boothe introduced Mr. Michael Baker, Assistant Vice President for Business Affairs, who summarized the Commonwealth's efforts to refinance Housing and Consolidated Educational Bonds. Rubin & Hayes have been appointed as Bond Counsel. Merritt Financial Corporation of Lexington, Kentucky, and Russell, Rea and Zeppalla, Inc., of Pittsburgh, Pennsylvania have been appointed as Fiscal Agent for the refinance efforts. In response to questions by Regent Haas, Mr. Baker indicated that the bond market is in a changing phase and the Commonwealth has identified a "window of opportunity" which will permit refinancing with a savings to the Commonwealth and to the institutions.

1. President Boothe recommended the adoption of the resolution permitting the refunding of Housing System, Series A Bonds. Upon the motion of Regent Haas, seconded by Regent Brooking, the recommendation passed unanimously.

2. President Boothe recommended the sale of Housing System, Series C Bonds in accordance with the sale guidelines established by Bond Counsel and the Fiscal Agent. These guidelines provide for the establishment of an Executive Committee of the Board for the limited purpose of executing the sale on behalf of the Board. Chairman Verst was empowered to name such an Executive Committee. Upon the suggestion of Regent Haas, it was determined that the Committee would be comprised of the officers of the Board, if available, or other Regents as necessary in order to meet at the appointed time of the sale. Upon a motion by Regent Kappas, seconded by Regent Fields, the recommendation passed unanimously.

3. President Boothe recommended the adoption of the resolution permitting the refunding of Consolidated Educational, Series C Bonds. Upon the motion of Regent Taliaferro, seconded by Regent Lucas, the recommendation passed unanimously.

4. President Boothe recommended the sale of Consolidate Educational, Series E Bonds in accordance with the sale guidelines established by Bond Counsel and the Fiscal Agent. These guidelines provide for the establishment of an Executive Committee of the Board for the limited purpose of executing the sale on behalf of the Board. Chairman Verst was empowered to name such an Executive Committee in accordance with the provisions of recommendation two above. Upon a motion by Regent Brooking, seconded by Regent Haas, the recommendation passed unanimously.

President Boothe reported that the anticipated Bond Sale is to occur on Wednesday, March 15, between 10 a.m. and noon.

The meeting adjourned on a motion by Regent Haas, seconded by Regent Lucas, at 8:20 a.m.

Executive Committee Meeting
Wednesday, March 15, 1989

The Executive Committee of the Board of Regents of Northern Kentucky University, empowered by the Board to execute the sale of Housing System, Series C Bonds and Consolidated Educational, Series E Bonds, met on Wednesday, March 15, 1989 in the Board of Regents Meeting Room. Members of the Committee were Chairman William Verst, Vice Chair Herbert Booth, and Regent Lew Wallace. Chairman William Verst called the meeting to order at 12:05 p.m.

Dr. Gene W. Scholes, Vice President for Administration, introduced the guests who were attending the special meeting as follows: Mr. Paul Ruby, Office of Investment and Debt Management; Mr. Terrell Ross, Merit Financial Corporation; Mr. Carl Fust, Rubin & Hayes; Ms. Helen Billak, Russell, Rea & Zappala, Inc.; and Mr. Richard Tapke, Jr., Huntington Bank of Kenton County, Inc.

Bond Counsel Carl Fust reported that five bids had been received on the Consolidated Educational Series E Bond. Mr. Terrell Ross and Ms. Helen Billak, Fiscal Agents, outlined the true interest costs of the various bids and reported that Merrill Lynch at 7.43 was the apparent low bidder for Series E.

On the advice of the Bond Counsel and Fiscal Agents, Regent Herbert Booth moved to accept Merrill Lynch as the low bidder on Series E. Regent Wallace seconded the motion which passed unanimously.

Bond Counsel Carl Fust reported that three bids had been received on the Housing System Series C Bond. Mr. Terrell Ross and Ms. Helen Billak, Fiscal Agents, outined the true interest costs of the various bids and reported that Bradford at 7.69 was the apparent low bidder for Series C.

On the advice of the Bond Counsel and Fiscal Agents, Regent Lew Wallace moved to accept Bradford as the low bidder on Series C. Regent Booth seconded the motion which passed unanimously.

Bond Counsel Carl Fust reported that the permanent bond file would contain all bids and that the anticipated bond closing date was set for April 4. Further, the actions of the Executive Committee would be ratified by the full Board on May 10, 1989.

Regent Wallace moved for adjournment, seconded by Regent Booth, meeting adjourned at 12:15 p.m.

BOARD OF REGENTS MEETING
Wednesday, May 10, 1989

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, May 10, 1989 by Chairman Verst. The invocation was given by the Reverend Rick Howerton.

Roll Call:

Regents present: Dr. Herbert Booth, Mr. John R.S. Brooking, Mr. David Duncan, Mr. John Fields, Mr. Elmer Haas, Mr. J. Scott Kappas, Mr. Kenneth Lucas, Mr. Philip Taliaferro, Mr. William Verst, Dr. Lew Wallace.

Others present: Dr. David Jorns, Dr. Gene Scholes, Ms. Sheila Bell, Ms. Rose Stauss, Ms. Cynthia Dickens, Mr. Dennis Taulbee, Mr. Robert Knauf, Mr. Michael Baker, Mr. Rick Howerton, Mr. Greg Stewart, Ms. Patty Hayden, Ms. Sonda Cummins, Ms. Paula Bricker, Mr. Russell Kerdolff, Ms. Mary Paula Schuh, Mr. Jerry Legere, Ms. Deborah Ladwig, Ms. Terri Malone, Ms. Becky Myers, Ms. Helen Wilhelm-Olsen, Ms. Mary Ryan, Ms. Diane Hunley, Ms. Mary Rauen, Ms. Janet Krebs, Ms. Susan Nuxoll, Dr. Robert Bussom, Ms. Nancy Martin, Mr. Mike Hickman, Ms. Mary Huening, Ms. Tamara Curry, Dr. Darryl Poole, Mr. Rick Meyers, Ms. Debra Vancy of the Kentucky Post, and Mr. Ray Schaefer of the Kentucky Enquirer.

The minutes of the previous quarterly meeting, January 25, 1989 were approved upon a motion by Regent Haas, seconded by Regent Kappas. The minutes of the special meeting, February 27, 1989 were approved upon a motion by Regent Haas, seconded by Regent Brooking. The minutes of the executive committee meeting March 15, 1989 were approved upon a motion by Regent Lucas, seconded by Regent Fields.

Presidential Reports

A-1	Dr. Jorns summarized the Grant and Contract Activity Report for period of January through March, 1989 and emphasized the 13.5% increase in funding.	Grants/ Contract
A-2	The Campus Planning Report was highlighted by Dr. Jorns, who stated that the Science and Technology Building is scheduled for completion in August, 1989 with full occupancy by January, 1990.Also mentioned was the selection by the State of the architectural firm of KZF, Inc. for the Fine Arts Completion Project. The University has raised approximately $450,000 from private sources to fund one half of the first year's debt service on this project.	Campus Planning
A-3	Dr. Jorns reported a record spring enrollment increase of 7.29% head count and 8.38% FTE.	Spring Enrollment
A-4	The quarterly financial report for the third quarter of the 1988-89 fiscal year depicted Northern's revenue and expenditures on target with budget (revised) figures.	Financial Report
A-5	Dr. Jorns called attention to the A-110 Audit of Federal Programs. The results of the audit are very favorable with no material weaknesses in the internal accounting controls noted.	A-110 Audit

A-6 A report on Health Insurance Renewal was presented by Dr. Jorns explaining the changes made in Pru Care Plus which was necessitated by high utilization of the plan and the frequency of major claims. The renewal is for 8 months through December 31, 1989 at which time there will be discussions of renewal. Health Insurance

Regent Wallace stated that he has serious reservations about the insurance company because of the large increase as well as the way in which they have handled cases, and also questioned whether such an increase was necessary. Regent Lucas stated that an insurance company is required to show the amount of claims as increased costs are discussed. High utilization is the key, and by increasing copayments, it may discourage individuals from using insurance except for necessary health care and tests. Dr. Scholes reported that originally the company wanted a 64% increase but after several meetings of negotiations the University agreed to a 30% increase. Both Regent Booth and Regent Verst mentioned the fact that industry wide increases of 35% are seen around the nation. Regent Booth also stated that good stewardship practices result as individuals share health care costs.

A-7 Dr. Jorns presented the University Strategic Plan explaining the procedures used in preparation of the document. The finished document will be forwarded to the Regents after final review by the University community. The administration will operate in principle until the plan is accepted by the Regents, perhaps at the next quarterly meeting. Strategi Plan

Dr. Jorns recommended an Executive Session to discuss a personnel matter. The meeting recessed at 4:25 p.m. on motion by Regent Haas, seconded by Regent Duncan.

The meeting resumed at 5:15 p.m.

Presidential Recommendations

B-1 Dr. Jorns recommended the following academic affairs actions be approved.

Faculty Appointments - Rudy L. Garns, Department of Anthropology, Sociology, and Philosophy; Donald L. Kazee, Chase College of Law; Danny L. Miller, Department of Literature and Language; Chenliang Sheng, Department of Literature and Language; Steven V. Wilkinson, Department of Mathematics and Computer Science.

Retirement - Compton Allyn, Department of Management and Marketing.

Resignation - Iris Tiedt, Education Department. Academic Affairs

Paid/Unpaid Leaves - Nancy C. Eimers, unpaid leave with benefits, Spring Semester, 1990; Susan Hollis-Nakao, unpaid leave without benefits for the 1989-90 academic year; Lisa Long, unpaid leave without benefits,Nov. 1 through May 15, 1990; Ronald Von Singer, unpaid leave without benefits, January 1, 1989 through May 15, 1989.

Upon a motion by Regent Lucas, seconded by Regent Booth, the motion passed unanimously.

B-2 It was recommended by Dr. Jorns that Emeritus status for Compton Allyn, Professor of Management, received board approval. The motion by Regent Brooking, seconded by Regent Duncan, received unanimous approval. Professor Emeritus

B-3 Non-academic personnel actions (list attached to these minutes) were presented by Dr. Jorns for approval. A motion by Regent Duncan, seconded by Regent Kappas, passed unanimously. Non-acad. Actions

B-4 It was recommended by Dr. Jorns that the following administrative appointments within Student Affairs be approved:

Patty Ferguson Hayden, Director of Residential Life
Gregory Stewart, Director of Admissions

Admin. Appts.

Ms. Cynthia Dickens introduced the two individuals to the Regents and stated the credentials for both. Upon a motion by Regent Kappas, seconded by Regent Duncan, the recommendation passed unanimously.

Chairman Verst called upon Regent Lucas, chairman of the Evaluation Team for President Boothe, for a report. Regent Lucas stated that Regent Haas and Regent Booth were members of the committee. The evaluation was based on written communications sought by the committee from various University constituencies. Except for a few minor criticisms the letters were quite positive and felt President Boothe was doing an excellent job as executive officer of the University. Regent Taliaferro stated that he had talked with students and faculty and overall, most felt that the President was performing quite well. Evaluation Report on Pres. Boothe

Regent Lucas recommended that a 7% increase be given to the President with a one-year extension of the four-year contract. Regent Lucas commented that while Northern is not competitive in the market as far as salaries are concerned, the President requested that he receive the same as the average salary increase for faculty and staff. Regent Duncan seconded the motion. Regent Wallace stated that he would be casting no vote, not because he disapproved the motion, but that as faculty regent, the Kentucky Statutes do not permit him to vote on matters of remuneration for members of the faculty community. The vote was 9 ayes and 1 abstention.

B-5 Dr. Jorns presented a recommendation that the Supplemental Pay Policy (attached to these minutes) be approved for inclusion in the Personnel Policies and procedures Handbook. This policy will set a stardarization of salaries for staff working outside their normal activities. The motion by Regent Duncan, seconded by Regent Booth, was passed unanimously. Supp. Pay Policy

B-6 It was recommended by Dr. Jorns that the Policies on Human Immunodeficiency Virus (HIV) Infection - Students and Employees be approved. The policy is attached to these minutes. Dr. Jorns noted that the policy provides a framework for decision-making, helps establish safety precautions for the University community, condemns harassment and discrimination of those with HIV infection, and demonstrates the commitment of the University to education about HIV infection. The recommendation passed unanimously on motion by Regent Booth and seconded by Regent Kappas. HIV Policy

B-7 Dr. Jorns recommended that a new minor/academic emphasis in middle grades education in Social Studies be approved. The motion by Regent Kappas, seconded by Regent Duncan, was passed unanimously.

Minor in Middle Grade Education

B-8 It was recommended by Dr. Jorns that a new minor in Athletic Training, Health and Physical Education, be approved. This program will give students an option in the education area. Acceptance of the recommendation was passed unanimously on motion by Regent Duncan, seconded by Regent Kappas.

Minor Phys.Ed.

B-9 Dr. Jorns recommended that the Regents authorize the University to proceed with bidding of new residence halls in accordance with the stipulations of KRS 56,816 to 56.820. Dr. Jorns explained that because of the unavailability of state funding for construction of additional residence halls, the privatization approach will be utilized. This allows for built-to-suit lease arrangements between the Commonwealth and a private developer. The building will be in three phases with the first phase accommodating 200 students. Construction is planned for Fall 1989 with full occupancy scheduled for Fall 1990.

Residence Halls

Upon a motion by Regent Lucas, seconded by Regent Fields, the recommendation passed unanimously.

B-10 A - Dr. Jorns recommended that the resolution, prepared by Bond Counsel, Rubin & Hays, be adopted, ratifying the action taken by the Executive Committee on March 15, 1989 in executing the sale of Housing System Refunding Revenue Bonds, Series C dated March 1, 1989. Dr. Jorns stated that the refinancing means a significant savings to the University. Upon a motion by Regent Brooking, seconded by Regent Fields, the recommendation passed unanimously.

Refinancing Bond Resolutions

B - It was recommended by Dr. Jorns that the resolution, as prepared by Bond Counsel, Rubin & Hays, be adopted by the Board of Regents, ratifying the action taken by the Executive Committee on March 15, 1989 in executing the sale of Consolidated Educational Buildings Refunding Revenue Bonds, Series E dated March 1, 1989. This refinancing (like B10A) means significant savings. Upon a motion by Regent Brooking, seconded by Regent Fields, the recommended passed unanimously.

Both resolutions are attached to these minutes.

B-11 Dr. Jorns recommended Board authorization be given to the Assistant Vice President for Business Affairs to write off:

Student Receivables - $4,277.07
Loan Fund Receivables - $2,472.46

Bad Debt Write-Off

The accounts are over one year in age and have been returned by our collection agency as uncollectible.

Upon a motion by Regent Kappas, seconded by Regent Fields, the recommendation passed unanimously.

B-12 It was recommended that the 1988-89 operating budget be amended upward by $275,743 to $41,289,279 to reflect budgeted revenue activity since the prior Board meeting of January 25, 1989. Dr. Jorns explained that this increase was due to record spring enrollment which resulted in additional tuition revenue as well as bookstore revenue. Upon a motion by Regent Booth, seconded by Regent Brooking, the recommendation passed unanimously.

Revised 1988-89 Revenue Budget

B-13 It was recommended that the 1989-90 Annual Operating Budget of $43,350,000 be approved as submitted in the resolution (attached to these minutes). Dr. Jorns stated that the 1989-90 budget is an increase of $3,600,000 over the budget for 1988-89.

Upon a motion by Regent Brooking, seconded by Regent Kappas, the recommendation passed unanimously.

1989-90 Operating Budget

Other Business

The next quarterly meeting to scheduled for July 26, 1989 at which meeting election of officers will be held.

The meeting adjourned at 5:40 p.m. on motion by Regent Lucas, seconded by Regent Fields.

Presidential Reports

A-1 President Boothe introduced Mr. Keith Black, Cincinnati Gas & Electric, who presented an "Excellence in Lighting" Award to Northern Kentucky University for exterior lighting at the Highland Heights campus. Mr. Black emphasized the importance of business, utilities and government working together. This is the first award to an educational institution. This presentation included a slide overview of several evening photographs of the University. — Lighting Award

A-2 President Boothe summarized the fourth quarter fiscal year 1989 report of Grant and Contract Activity and noted that funds approved in 1989 had increased 28 percent over funds approved in 1988. — Grant & Contract

A-3 President Boothe reviewed the Campus Planning Report with particular attention to the progress being made with completion of — Campus Planning

the Applied Science and Technology Center. The Fine Arts Completion Project continues in the design phase with some need for redesign. The University Foundation has provided funding for a phase one of a campus-wide landscape master plan. The Department of Finance is currently reviewing a draft RFP for the new residence hall development

A-4 The quarterly Financial Report for the fourth quarter of the 1988-89 fiscal year depicted the institution's revenue and expenditure schedules. President Boothe noted a 60 percent increase in investment earnings. Quarterly Financial

A-5 President Boothe reported on recent legislation enacted by the State of Indiana which provides tuition assistance to Indiana residents attending Northern Kentucky University. This program will provide tuition-assisted access to 141 students in the 1989-90 academic year. Additionally, President Boothe reported that Regent Duncan had been asked to serve on a special Council on Higher Education committee that would investigate tuition reciprocity with Indiana. Indiana Tuition

A-6 President Boothe reported on progress which is being made at Northern Kentucky University in international education through an agreement with Andhra University. This agreement, when finalized, will provide for faculty exchange between the two institutions with the prospect of student exchange. Dr. Lew Wallace, Professor of History and Faculty Regent, will serve as Coordinator. Andhra Agreement

In concluding the presentation of Presidential Reports, President Boothe expressed congratulations to the newly-elected officers and thanked the Board and Provost Jorns for their efforts in conducting the May 10 Board meeting in the absence of the President.

The minutes of the previous quarterly meeting, July 26, 1989, were approved on a motion by Regent Duncan, seconded by Regent Fields.

Presidential Reports

A-1 President Boothe presented the first quarter report of Grants and Contracts for the 1990 fiscal year. Dr. Boothe emphasized the important efforts being accomplished through grant programs and also discussed the far-reaching nature of the grant proposals. Funds approved for the first quarter, 1990, had increased 18.76 percent over the first quarter, 1989. Grants & Contracts

A-2 President Boothe announced that the Applied Science and Technology Center was near completion and that Spring 1990 classes would be held in the Center. The Fine Arts Completion project continues in the design phase. The Residence Hall RFP had been finalized and submitted to the state officials for completion, printing, and advertising. Bids should be received in early February. Campus Planning

A-3 The quarterly Financial Report for the first quarter of the 1989-90 fiscal year depicted the institution's revenue and expenditure schedules. President Boothe noted that in many categories, the financial picture was parallel to the 1988-89 first quarter. Quarterly Report

A-4 President Boothe presented the 1988-89 President's Annual Report and Annual Financial Report and emphasized the revised reporting format. The examination of the University's financial records was conducted by the firm of Rankin, Rankin and Company. Pres. Annual Report

A-5 President Boothe shared information generated for the Kentucky Council on Higher Education to satisfy reporting requirements on intercollegiate athletics. Dr. Boothe emphasized that Northern has limited dedicated fees to support athletics and that Northern's intercollegiate program has the lowest level of expenditures in the state. Intercoll. Athletics

A-6 Dr. Boothe presented a summary of the biennial budget process which included a description of the formula funding process. The biennial budget request for 1990-92 is based on 100 percent funding of the formula. The Council on Higher Education will discuss the institution's biennial budget requests on November 6. President Boothe indicated that the 1990-92 biennial budget process was complicated by the "Corns" ruling regarding educational reform. Biennial Budget

A-7 The annual audit report of the University's federally funded programs, including financial aid programs for the fiscal year ending June 30, 1989, contained favorable comments with no material weaknesses in the internal accounting controls noted. A-110 Audit

A-8 President Boothe reported on the Fall 1989 enrollment with a headcount increase of 8.8 percent over Fall 1988. President Boothe noted that the University experienced an 8.4 percent increase in first-time freshmen. The current student population is 54.8 percent female and 19.7 percent of the enrollment from out of state. Fall Enrollment

Presidential Recommendations

B-1 President Boothe recommended that the following academic personnel changes be approved: Academic Personnel Actions

Administrative Appointments: Karin R. Fetterman, Acting Director of the ReEmployment Center, effective August 1, 1989; Dale L. The minutes of the previous quarterly meeting, November 1, 1989, were approved on a motion by Regent Duncan, Seconded by Regent Kappas.

Presidential Reports

A-1 President Boothe summarized the second quarter report of Grant and Contract Activity, noting some decline in the the amount of funds requested compared to fiscal year 1989. However, an emphasis has been placed on the vast diversity of projects funded through grant sources. — Grants/ Contracts

A-2 President Boothe reported that the move into the new AS&T Center began on December 15, 1989. The data network installation contract related to this facility should be complete by August 1, 1990. Budget overruns continue to cause delays in the Fine Arts Completion project. The design phase for the building should be complete by April 9, 1990. Mr. Ken Cunningham has been retained to develop a landscape design plan for the area of campus near the Presidential Residence. Mr. Cunningham will also be reviewing landscape plans for the central plaza area. — Campus Planning

A-3 The Quarterly Financial Report for the second quarter of the 1989-90 fiscal year depicted the institution's revenue and expenditure schedules. President Boothe noted the excellent reporting in the financial area. — Quarterly Report

A-4 President Boothe reported that the University's banking services contract would be rebid during the next two months. Regents were — Bank Contract

advised of the necessity of providing notice of any personal officer or stockholder relationship to banks that would enter into the bid process. The proposed bid schedule provides for contract award in mid-March.

A-5 The University's professional liability insurance contract has been renewed as a single source purchase. President Boothe reported on the positive relationship with the current carrier and the importance of remaining with United Educators since the market does not offer viable alternatives and changes in coverage negatively affect the ability to relate claims to coverage periods. Liability Insurance

A-6 President Boothe reported that seventeen faculty had been selected to participate in the 1990 Summer Fellowship Program. Participants are: Summer Fellowship

B-8 President Boothe recommended approval of the Freedom of Press Statement declaring that student media at Northern Kentucky University are free of censorship and advance approval of copy. The primary purpose of student media at NKU are to provide educational experiences. This statement is to be incorporated into the Student Media Handbook. Upon a motion by Regent Kappas, seconded by Regent Verst, the recommendation passed unanimously. Freedom Of Press

B-9 President Boothe recommended approval of the "Contract for Spaces for Certain Indiana Residents to Attend Northern Kentucky University." This program provides access to NKU for Indiana residents of six southeastern Indiana counties with the out-of-state tuition rate offset by the State of Indiana. All spaces in the program are filled with a waiting list of applicants. Upon a motion by Regent Fields, seconded by Regent Duncan, the recommendation passed unanimously. Indiana Tuition Contract

B-10 President Boothe recommended that the Board's Audit Committee be authorized to select and contract with an external audit firm to conduct the University's annual audit. This Committee was established by the Board at the July 1989 meeting. Upon a motion by Regent Brooking, seconded by Regent Verst, the recommendation passed unanimously. Audit Committee

B-11 President Boothe recommended approval of the 1990-91 tuition rates as mandated by the Council on Higher Education. Dr. Boothe indicated that the Council's recommendation represented a significant increase in tuition rates. Upon a motion by Regent Lucas, seconded by Regent Brooking, the recommendation passed unanimously. Tuition Rates

B-12 President Boothe recommended approval of the revised schedule of class fees effective for Fall 1990. Upon a motion by Regent Kappas, seconded by Regent Duncan, the recommendation passed unanimously. Fees Schedule

B-13 President Boothe recommended amendment of the 1989-90 operating budget upward by $277,592. Upon a motion by Regent Verst, seconded by Regent Fields, the motion passed unanimously. 89-90 Budget Revision

B-14 President Boothe recommended transmittal of Northern Kentucky University's biennial budget priorities to the Governor and the Biennial Budget

General Assembly. The priorities include funding for fixed cost increases, compensation increases, benchmark salary adjustments, advising/student retention, and new academic programs. Upon a motion by Regent Kappas, seconded by Regent Verst, the recommendation passed unanimously.

B-15 President Boothe recommended a revision to the Administrative Regulations relocating the free speech area to the northwest end of the University Center facing Parking Lot A. This relocation eliminates interference with classrooms adjacent to the current free speech area and provides a safer location away from the overhead pedestrian walkway. Upon a motion by Regent Kappas, seconded by Regent Fields, the recommendation passed unanimously.

Presidential Reports

A-1	President Boothe reported on the Research, Grants and Contracts quarterly activity noting a 19.12 percent increase in funds approved for the third quarter of fiscal year 1990.	Grants/ Contracts
A-2	President Boothe reported that completion of the Applied Science and Technology Center provided much needed relief for the continuing enrollment crunch. Dedication of the facility is scheduled for Tuesday, May 15, with Governor Wilkinson in attendance. The Fine Arts Completion project continues to experience delays with the restart-up of design work anticipated in mid-May. The mandatory pre-bid meeting for the Residential Village RFP was held on May 8, with a good number of potential bidders in attendance.	Campus Planning
A-3	The Quarterly Financial Report the third quarter of the 1989-90 fiscal year depicted the institution's revenue and expenditure schedules. President Boothe noted the excellent reporting with increased revenues and good expenditure patterns.	Quarterly Report
A-4	President Boothe reported on the Spring Semester 1990 enrollment increase of 13.1 percent in FTE Students. University retention rates have improved by 3 percent with UNV 101 retention rates equalling 90 percent. Enrollment from Boone, Campbell and Kenton counties had increased by 8 percent with a 10 percent increase from rural Kentucky counties.	Spring 1990 Enrollment
A-5	President Boothe presented a report on the deferred tuition program approved by the Board in January 1989. During two semesters, Fall 1989 and Spring 1990, 3,327 students participated in the Tuition Installment Payment Plan. Initial start-up costs have placed the program in a break-even mode. The current default rate does not exceed 3 percent.	TIPP

President Boothe requested that Vice President Hollister give an overview of the Annual Fund Drive. Mr. Hollister emphasized the University's dependence on private gifts. The newly titled "Fund for Northern" is chaired by

Mr. George Berry. Mr. Jim Huff is serving as Vice Chair. Mr. Hollister introduced Mr. Alan Thomas, Director of Annual Giving at Northern.

Upon a motion by Regent Brooking, the Board recessed into executive session at 4:14 p.m. to discuss personnel matters.

The Board reconvened in public session at 4:35 p.m.

The following report was given by Regent Brooking:

Pres. Contract

> The Presidential Review Committee, consisting of John Fields, Ken Lucas, Herb Booth and myself, has corresponded with all elements/groups of the University and also met with faculty, students and staff regarding the evaluation of our President in the performance of his office this past year. Every response we received was positive, running from "outstanding" to "good job". We were particularly impressed with the reports we received from the faculty. This is my second time as Chairman of this Committee, so Mr. President, once again, let me say to you, "Well done; carry on." It is the recommendation of the Committee that your contract be extended for one year with a 9 percent pay increase.

The motion of the Presidential Review Committee was seconded by Regent Fields and passed unanimously.

Regent Taliaferro moved that the Board of Regents formally recognize Mrs. Nancy Boothe for her work for the University for the past seven years with a resolution to be framed and presented. The motion was seconded by Regent Haas and passed unanimously.

Board of Regents Meeting
January 5, 1991

The special meeting of the Board of Regents of Northern Kentucky University was called to order at 10:30 a.m. on Saturday, January 5, 1991, by Chairman Herbert Booth.

Roll Call: Dr. Herbert Booth, Mr. David Duncan, Mr. John Fields, Mr. Ken Lucas, Mr. William Verst, Dr. Lew Wallace

President Boothe introduced the special meeting by referencing the October 31 Board action authorizing entrance into a Residential Village lease agreement with the concurrence of the Board. In earlier action, the Board had gone on record authorizing the use of requests for proposal for a residential village. The original decision deadline was December 31 and a special meeting of the Board had been scheduled prior to the holidays but was subsequently postponed. Both Northern Kentucky University and state officials felt that of the six responses, two were superior. These two vendors were requested to submit final and best proposals by December 28 with a proposal extension through January 11. This is done. This resubmission has saved considerable money on the project. We are now meeting so quickly and on short notice because of the January 11 deadline. The Secretary of Finance is anxious to sign a lease and we need to meet quickly. While three Regents were out of town on this date, the timing of the final decision precluded waiting. President Boothe asked that the Board go into Executive Session in accordance with KRS 61.840, to consider the two proposals because of the confidential nature of the competitive bid process.

Regent Duncan moved that the Board meet in executive session for the purpose of discussing the Residential Village RFP. Upon a second by Regent Verst, the motion passed. President Boothe requested that executive staff remain in the session and the session began at 10:35 a.m.

The Board reconvened in public session at 11:50 a.m. and the following resolution was read into the record.

> Pursuant to recommendations adopted by the Board of Regents on May 10, 1989 and October 31, 1990 authorizing the University to secure the "best and lowest" proposals for residence halls, two proposals emerged as acceptable in terms of meeting the requirements of the RFP. One proposal, referred to as Vendor A, is clearly preferred in terms of design, function and cost. Vendor B is also acceptable. The Board directs the University Administration to convey its preference and the reasons supporting its preference to the Secretary of Finance and Administration.

The Chairman called for a vote on the resolution. The vote supporting the resolution was unanimous.

Upon a motion by Regent Lucas, seconded by Regent Duncan, the meeting adjourned at 11:55 a.m.

Upon a motion by Regent Brooking, seconded by Regent Verst, the recommendation passed unanimously. — Undergrad Reciprocity

B-9-b President Boothe recommended that the Board authorize the renewal of the graduate-level tuition reciprocity agreement between Northern Kentucky University and the University of Cincinnati. This agreement is for the period of July 1, 1991 through June 30, 1996. Upon a motion by Regent Brooking, seconded by Regent Lucas, the recommendation passed unanimously. President Boothe recognized Associate Provost Robert Appleson for his work with the reciprocity agreements. — Grad. Reciprocity

B-10 President Boothe recommended the approval of a new degree program, Bachelor of Arts in Justice Studies. Upon a motion by Regent Duncan, seconded by Regent Deeley, the recommendation passed unanimously. — Bachelor Justice Studies

B-11 President Boothe recommended approval of revisions to the University's academic requirements that would eliminate the transfer of academic credits from institutions that are not regionally accredited. Upon a motion by Regent Verst, seconded by Regent Duncan, the motion passed unanimously. — Transfer Policy

B-12 President Boothe recommended approval of the revised tuition schedule effective for the 1991 fall semester. This tuition adjustment is based upon a study of cost of living increases and tuition is surrounding states. Upon a motion by Regent Haas, seconded by Regent Fields, the recommendation passed unanimously. — Tuition Schedule

B-13 President Boothe recommended approval of the revised fee schedule effective for the 1991 fall semester. Regent Deeley expressed her concern regarding the increased fee for late payment in the Tuition Installment Payment Plan. Upon a motion by Regent Duncan, seconded by Regent Wallace, the recommendation passed unanimously. — Fees Schedule

B-14 President Boothe recommended the upward amendment of the 1990-91 Operating Budget by $129,774. This amendment results from enrollment — 90-91 Budget

growth and auxiliary increases. Upon a motion by Regent Lucas, seconded by Regent Duncan, the recommendation passed unanimously.

The following resolution was read into the Board minutes:

> In recognition of four years of dedicated service as a member of the Northern Kentucky University Board of Regents, this Board expresses sincere appreciation and gratitude to Regent Phil Taliaferro.

Upon a motion by Regent Haas, seconded by Regent Brooking, the resolution was adopted unanimously.

Chairman Herbert Booth indicated that the Governor had asked that the Board review the award of the Residential Village Project. The Board had received nothing in writing from the Governor's Office and it was the intent of the Chair simply to bring this request to the attention of the Board.

Chairman Herbert Booth further stated that there had been a request from a representative of the Pulliam Company to address the Board. The Board had received a written position statement from that organization. The Board does not have a usual practice of receiving oral presentations during its meeting and given the receipt of the written statement, the Chair saw no reason for the Board to deviate from its usual practice of not hearing oral presentations from the floor.

Upon a motion by Regent Haas, seconded by Regent Verst, the Board convened in executive session to discuss the Residential Village Project. This motion for executive session was based upon recent events which raise the possibility of litigation in this matter. The motion passed unanimously.

Mr. Bill Straub, Kentucky Post, requested that his objection of the decision to meet in executive session be noted in the minutes. Sheila Trice Bell, University Legal Counsel, responded to Mr. Straub's objection by pointing out that since the various parties to the Project had obtained legal counsel that this was the basis of her opinion that the matter could be defined as pending litigation, suitable for executive session discussion.

The Board convened in executive session at 4:55 p.m. and reconvened in open session at 5:50 p.m.

The following statement was read into the record:

> Northern Kentucky University Board of Regents has re-reviewed the project as requested, including relevant information made available to the Board since the January 5, 1991, special Board meeting. Based on a review of cost and design information, the Board reaffirms its January 5, 1991 resolution.
>
> The Board, however, is aware of the controversy surrounding the selection process and of the protest filed by Pulliam Investment Company, Inc. The Board must emphasize the University's need for the Residential Village Project and urges that the Secretary make a prompt decision to resolve this matter.
>
> Upon a motion by Regent Duncan, seconded by Regent Brooking, the statement passed unanimously.

Bond Sale Committee
Tuesday, March 19, 1991

The Executive Committee of the Northern Kentucky University Board of Regents, empowered by the Board at its regular quarterly meeting of August 13, 1990, met as the Bond Sale Committee on Tuesday, March 19, 1991 at 12 noon in the Presidential Dining Room to execute the sale of Consolidated Educational Series F Bonds. Committee members present were Dr. Herbert Booth, Mr. John R.S. Brooking, and Mr. Elmer Haas, Jr.

Also present were Dr. Leon E. Boothe, University President; Mr. Lee Mairose, Fiscal Agent with Seasongood and Mayer; Ms. Susan Dubrul, Seasongood and Mayer; Ms. Tanya Gritz, Office of Financial Management and Economic Analysis; Mr. Todd Manuel, Office of Financial Management and Economic Analysis; Mr. Dennis Taulbee, Acting Vice President for Administration; Mr. Michael Baker, Assistant Vice President for Business Affairs, and Ms. Carla S. Chance, Assistant Secretary to the Board of Regents.

Chairman Herbert Booth called the meeting to order at 12:10 p.m.

Mr. Lee Mairose, Seasongood and Mayer, reported that the Consolidated Educational Bonds, Series F, had receive an A rating by Moody's and an A- rating by Standard and Poor's. This A- rating did not negatively affect the sale of the bonds.

Mr. Mairose report that four bids have been received on the Consolidated Educational Series F Bond and recommended that the University accept the low bid of John Nuveen & Company, Inc., at a rate of 6.9602 percent.

Based upon the advice of the Fiscal Agent, Regent Brooking moved to accept Nuveen as the low bidder on Series F. Regent Haas seconded the motion which passed unanimously.

Regent Haas moved for adjournment, seconded by Regent Brooking, meeting adjourned at 12:30 p.m.

Board of Regents Special Meeting
Tuesday, June 11, 1991

The special meeting of the Board of Regents was called to order at 4:32 p.m., Tuesday, June 11, 1991, by Chairman Herbert Booth.

Roll Call: Dr. Herbert Booth, Mr. John Brooking, Ms Michelle Deeley, Mr. David Duncan, Mr. Elmer Haas, Mr. John Fields, Mr. Ken Lucas, Dr. Rosetta Mauldin

Others Present: Sheila Trice Bell, Cynthia S. Dickens, Peter H. Hollister, David Jorns, Dennis L. Taulbee, W. Michael Baker, Charles E. Brock - McDonald & Company, Sonda Cummins, Sandi Cunningham, Russell Kerdolff, Mary Paula Schuh, Jeff Whiting - McDonald & Company,

Agenda Items:

A-1 President Boothe gave a brief overview of the changes in the the cost of bond issuance, bond insurance and market rates. Much of the delay surrounding the issuance of bonds has been the result of the uninsurability of the bonds coupled with the numerous complex legal documents which have required review. Discussion among the Regents focused on the possibility that a further delay might result in better bond market rates. Additionally, concerns were expressed regarding the ability to delay and still complete the complex by August 1992. Mr. Jeff Whiting and Mr. Charles Brock, McDonald & Company Securities, Inc., reviewed handouts (attached) which detailed the increased costs relating to this project. Upon a motion by Regent Brooking, seconded by Regent Fields, the Northern Kentucky University Board of Regents authorized the President to complete the agreement for the construction of the Residential Village Project subject to the conditions and limitations as outlined in the Board recommendation.

A-2 President Boothe presented the revised Residential Village Bond Resolution. This document, originally adopted by the Board at its regular quarterly meeting on May 8, 1991 and subsequently revised in special session on May 13, 1991, required further revision based upon the requirements of Capital Guaranty in providing insurance for the issue. Revised sections include 4 and 6 which provide for the obligation of all legally available revenues and the negotiation of necessary documents which conform with the RFP and its addenda, respectively. Upon a motion by Regent Duncan, seconded by Regent Deeley, the recommendation passed unanimously.

Board of Regents Meeting
October 30, 1991

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4 p.m. on Wednesday, October 30, 1991, by Chairman John R.S. Brooking, Sr. The invocation was given by President Leon E. Boothe.

Roll Call: Mark Arnzen, Herbert Booth, John Brooking, David Duncan, John Fields, Rosetta Mauldin, David Stringer, William Verst. Regents absent: Charles Lester, Robert Zapp

Others Present: President Leon E. Boothe, Sheila Bell, David Jorns, Dennis Taulbee, Michael Baker, Elizabeth Blincoe, Thomas Comte, Sonda Cummins, Sandra Easton, Margo Ferrante, Diane Goetz, Patty Hayden, Barbara Herald, Jeannine Holtz, Mary Huening, Russell Kerdolff, Bill Lamb, Jerry Legere, Mike McPherson, Eileen Miller, Bill Oliver, Darryl Poole, Ken Ramey, Mary Ryan, Paul Reichardt, Rosemary Schlachter, Mary Paula Schuh, Tina Short, Dolores Thelen, Michael Thomson, Marian Winner, John Westlund, Helen Wilhelm-Olsen

Vice Chair, Herbert Booth, recognized the 1991 Regents Distinguished Service Award recipients: Barbara Herald and Jeannine Holtz.

Chairman Brooking recommended the correction of the minutes of the July 31, 1991 regular quarterly meeting to include President Leon E. Boothe among those present at the meeting. Upon a motion by Regent Booth, seconded by Regent Verst, the minutes were approved as corrected.

President Boothe introduced two individuals present in the assembly. Ms. Rosemary Schlachter, Assistant Vice President for Development, has recently joined the institution and will be coordinating the Capital Campaign. Mr. Ken Ramey, Director of Business and Auxiliary Services, was recognized for his leadership as Chair of the United Way Campaign at Northern. Northern Kentucky University exceeded its contribution goal for 1991.

Presidential Reports

A-1 President Boothe reported that the first quarter funds approved had increased by 2.74 percent. The number of projects seeking funding has also increased. Grants & Contracts

A-2 President Boothe reported that the Fine Arts Expansion Project was progressing well and completion is anticipated for July 1992. The Campus Data Network project is completed; this project includes the installation of a fiber optic backbone to serve the campus. Ms. Schuh, Campus Planning, presented the Library Expansion model prepared by Godsey Architects Associates and described the various renovations and expansion proposed for the facility. Campus Planning

A-3 President Boothe reported that, as in previous quarters, the quarterly financial report demonstrated that the University's expenditure and revenue plan was on schedule. President Boothe recognized Mr. Kerdolff and Mr. Baker for their efforts in this area. Quarterly Financial

A-4 President Boothe presented the Annual Financial Report prepared by Rankin, Rankin & Company subject to review by the Board's Audit Committee. President Boothe noted the table on page 3 of the Report and indicated further evidence of Northern's position as a state "assisted" institution. With recent notification of a Annual Report

budgetary reduction, President Boothe noted that Northern Kentucky University's budget contained only 14 percent discretionary dollars with all other financial commitments made to personnel costs, fixed costs, and debt service.

A-5 President Boothe indicated that the Classification of Admissions report was a codification of existing policy requested by the Council on Higher Education. Admissions

A-6 President Boothe presented the final 1991 Summer enrollment summary. Full-time equivalency enrollment for the summer was increased by 3.4 percent for a total of 2,480 full-time equivalent enrollees. Summer Enrollment

A-7 Preliminary 1991 Fall semester enrollment indicates a full-time equivalency increase of 5.5 percent for a total of 7,769 full-time equivalent enrollees. Headcount enrollment has reached a new record high of 11,725. Fall Enrollment

A-8 President Boothe presented a description of the biennial budget request process which contained summary statement related to each step in the process. The University's biennial budget request will be recommended to the Board of Regents as item B-11. Biennial Budget

Presidential Recommendation

B-1 President Boothe introduced Ms. Sandra W. Easton, Associate Provost. Ms. Easton is newly appointed to this position and has served Northern Kentucky University since 1972. Academic Appts.

President Boothe recommended approval of the following academic personnel actions.

Administrative Appointments: Sandra W. Easton, Associate Provost and Assistant Professor of the Accountancy Department, effective July 1, 1991; Thomas F. Hale, Professor and Chairperson of History and Geography Department, effective January 1, 1992.

Faculty Appointments: Deepak Khazanchi, Assistant Professor of the Information Systems Department, effective August 16, 1991; Karen Petty, Lecturer and Director of Developmental Mathematics, beginning August 16, 1991, for a ten-month renewable appointment.

Leaves, Paid/Unpaid: John Metz, Assistant Professor of the History and Geography Department, unpaid leave with benefits for Spring 1992 semester.

Resignations: G. Ronald Hickey, Assistant Professor of the Education Department, effective July 31, 1991; Henry L. Stephens, Jr., from the position of Dean of the Salmon P. Chase College of Law to the position of Professor of Law, effective June 30, 1992.

Upon a motion by Regent Duncan, seconded by Regent Verst, the recommendation passed unanimously.

B-2 President Boothe recommended approval of the following administrative appointments: Delores J. Anderson, Assistant to the President for Affirmative Action and Multicultural Affairs, effective November 15, 1991; Stephanie Baker, Director of Health, Counseling, Testing Services, effective August 1, 1991; Elzie L. Admin. Appts.

Barker, Director of the Budget, effective December 1, 1991; Ophelia Jones, Director of Student Support Services, effective November 4, 1991.

Upon a motion by Regent Verst, seconded by Regent Mauldin, the recommendation passed unanimously.

B-3 President Boothe recommended approval of the non-academic personnel actions occurring during the period of July 1, 1991 and September 30, 1991. President Boothe further reported that in the area of terminations, approximately one-third of those leaving the institution did so for an increase in salary at a similar position. Upon a motion by Regent Fields, seconded by Regent Booth, the recommendation passed unanimously. Non-Acad. Actions

B-4 President Boothe recommended approval of the University's organization chart which had been revised to reflect personnel and organizational changes during the past twelve-month period. Upon a motion by Regent Verst, seconded by Regent Booth, the recommendation passed unanimously. Org. Chart

B-5 President Boothe recommended approval of the residence hall/residential village fee schedule for the 1992-93 academic year. This fee schedule is a 6 percent increase over current residence hall fees. Contact with other institutions indicates that these fees are within an acceptable range as compared to other institutions. Upon a motion by Regent Duncan, seconded by Regent Fields, the recommendation passed unanimously. Residence Fees

B-6 President Boothe recommended the schedule of names for the residence hall and residential village to be composed of names easily associated with the University and the Commonwealth. Upon a motion by Regent Duncan, seconded by Regent Fields, the recommendation passed unanimously. Residence Names

B-7 President Boothe recommended the establishment of a certificate program in piano pedagogy to be initiated for the 1992 Spring semester. This program will be comprised of classes already offered at the institution. Upon a motion by Regent Verst, seconded by Regent Mauldin, the recommendation passed unanimously. Piano Pedagogy

B-8 President Boothe recommended the establishment of two new degree programs: Bachelor of Arts in French, and Bachelor of Arts in Spanish. The University currently offers minors in foreign languages but no full degree programs. Upon a motion by Regent Booth, seconded by Regent Fields, the recommendation passed unanimously. French & Spanish

B-9 President Boothe recommended that the Board declare the house located at 529 Johns Hill Road as surplus to the institution's needs and authorize the demolition of the house. The land is needed for expansion of the adjacent parking lot. Upon a motion by Regent Fields, seconded by Regent Booth, the recommendation passed unanimously. 529 JHR

B-10 President Boothe recommended the downward revision of the 1991-92 operating budget by $69,244. This downward adjustment results from the Commonwealth's decision to hold back debt service associated with new bond issues and is offset by increased tuition 91-92 Budget

and fee revenue. Upon a motion by Regent Duncan, seconded by Regent Booth, the recommendation passed unanimously.

B-11 President Boothe recommended approval of the 1992-94 Biennial Budget Operating Request including a state appropriation request of $36,876,100 in 1992-93 and $48,462,200 in 1993-94. The first priority, after fixed costs are addressed, is a benchmark salary adjustment. This priority is in keeping with the University's Strategic Plan. As part of the biennial budget proposal, the University proposes to develop of implement six new academic programs. Upon a motion by Regent Arnzen, seconded by Regent Duncan, the recommendation passed unanimously. 92-94 Biennial

Regent Booth read the following resolution into the record:

Resolved: On this 30th day of October, 1991, that the Board of Regents of Northern Kentucky University supports and endorses the capital improvement priorities for Northern Kentucky as identified by the Capital Improvement Consensus Committee; further, the Board of Regents urges the adoption and funding of these priority projects by the General Assembly of the Commonwealth of Kentucky during its 1992 legislative session. Concensus Committee

Upon a second by Regent Verst, the resolution was adopted unanimously.

Regent Duncan moved that the Board convene in executive session to discuss real property issues. Upon a second by Regent Arnzen, the motion passed unanimously and the board convened in executive session at 4:45 p.m.

The Board reconvened in open session at 5:20 p.m.

Regent Booth moved that the University administration be authorized to pursue the appraisal and acquisition of parcels identified during executive session. Upon a second by Regent Arnzen, the motion passed unanimously.

Adjournment: Upon a motion by Regent Verst, seconded by Regent Mauldin, the meeting adjourned at 5:25 p.m.

Thieret, from Professor of the Biological Sciences Department and University Editor to University Editor, effective June 30, 1992.

Upon a motion by Regent Verst, seconded by Regent Fields, the recommendation passed unanimously. President Boothe introduced Dean Thomas Isherwood, and Interim Dean Jack Grosse.

B-2 President Boothe recommended continued probation and continued probation with difficulties for the following faculty members: Promotion/ Tenure

Continued Probation: John Alberti, Leon Arriola, Marjorie Artzer, Prince Brown, Jr., Stephen R. Chicurel, Richard Cook, Susan Cortez, Steven Gores, Diane Gronefield, David Hooley, Donald Kazee, Deepak Khazanchi, Sharlene Lassiter, Barbara Merz, Pat Moynahan, Russell Proctor, Carol Richter, Jennifer Ryan, Karlyn A. Schnapp, Matthew D. Shank, Sarah Steinman

Continued Probation with Difficulties: Keith Barton, Brad Sharlott

Upon a motion by Regent Duncan, seconded by Regent Booth, the recommendation passed unanimously.

B-3-a President Boothe recommended that Professor Emeritus status be conferred on three senior retiring faculty members: James W. Kinne, Assistant Professor of the Technology Department, 13 years of service; Joseph E. Price, Professor of the Literature and Language Department, 21 years of service; John W. Thieret, Professor of the Biological Science Department, 19 years of service. Upon a motion by Regent Duncan, seconded by Regent Zapp, the recommendation passed unanimously. Emeritus Status

B-3-b President Boothe recommended that Professor Robert J. Kempton be award the Regents Professorship. Upon a motion by Regent Verst, seconded by Regent Zapp, the recommendation passed unanimously. Regent Professorship

President Boothe introduced Professor Robert J. Kempton to the assembly and commented on his significant accomplishments and research which included a high-level of student interest and undergraduate research.

B-4 President Boothe recommended approval of the non-academic personnel actions. Upon a motion by Regent Fields, seconded by Regent Duncan, the recommendation passed unanimously. Chairman Brooking noted the resignation of "Perk Rudd" former secretary to President Albright, retiring with 18 years of service. Non-Acad. Actions

B-5 President Boothe recommended approval of the revised Temporary Disability Leave Policy for inclusion in the Personnel Policies and Procedures Manual (Redbook). President Boothe noted that this revised policy was not endorsed by Staff Congress and that their specific concerns focused on items 1.6, 1.8 and 1.10. Upon a motion by Regent Duncan, seconded by Regent Verst, the recommendation passed unanimously. Temp. Disability

Regent Duncan commented that the newly revised policy was consistent with industry standards and that he was pleased to see the additional 90-day extension in eligibility for benefits.

B-6 President Boothe recommended reorganization of the College of Business by consolidating the Economics and Finance Department and the Information Systems Department. Upon a motion by Regent Booth, seconded by Regent Verst, the recommendation passed unanimously. College of Business

B-7 President Boothe recommended implementation of the policy on general studies assessment which required student participation in the assessment process. This policy was established in response to the Southern Association of Colleges and Schools' criteria and in response to the Council on Higher Education's assessment program. This policy has received the approval of the Faculty Senate. Regent Stringer spoke on behalf the student body. The policy had been reviewed by the students who are opposed to its adoption. In the face of increased tuition and fees, the students view assessment as a "slap in the face". It was suggested by the student body that the academic catalog reflect the assessment requirement. There was strong student disagreement with the penalties portion of the policy. Upon a motion by Regent Arnzen, seconded by Regent Verst, the recommendation passed seven to one. General Studies

B-8 President Boothe recommended that space in the West Building of the Covington Campus be leased for use by the Northern Kentucky Regional Service Center. This lease was for approximately 2,000 square feet. Upon a motion by Regent Fields, seconded by Regent Arnzen, the recommendation passed unanimously. KERA Lease

B-9 President Boothe recommended that the Board authorize the issuance of $10,875,000 of Northern Kentucky University Consolidated Educational Buildings Revenue Bonds, Series G, to fund (1) the acquisition of various tracts of land as a part of the University's main campus, and (2) the construction of an addition Series G Bonds

to the Library and necessary appurtenances. The resolution further authorized the Executive Committee to execute the sale of bonds. Upon a motion by Regent Booth, seconded by Regent Zapp, the recommendation passed unanimously.

B-10 President Boothe recommended the write-off of bad debts related to student receivables, $45,438.78, and loan receivables $3,040.00. This is a slightly higher bad debt level than in previous years. Upon a motion by Regent Duncan, seconded by Regent Mauldin, the recommendation passed unanimously. Bad Debts

B-11 President Boothe recommended the approval of a housing and dining installment plan designed to defer the payment of on-campus living expenses over the course of the semester. The plan included both an application fee and a late payment fee designed to offset bad debt and administrative costs. Upon a motion by Regent Mauldin, seconded by Regent Zapp, the recommendation passed unanimously. Housing Dining Installment

B-12 President Boothe presented the Land Acquisition Study and requested authorization to proceed with the appraisal and acquisition of Priority 1 parcels. The Board retains authority for final approval on all acquisitions. President Boothe commented that this Study was conducted in response to the saturation of the current University land resources and the need to increase from a 250-acre campus to a 500-acre campus in response to the growing student population. The 1986 Campus Master Plan projected a year 2000 enrollment of 11,000. The Land Acquisition Study anticipates 18,000 students by the year 2010. The Study addresses the acquisition of Towne Properties, the reroute of Johns Hill Road, the siting of the Convocation Center, and possible access to the AA Highway. Upon a motion by Regent Duncan, seconded by Regent Stringer, the recommendation passed unanimously. Land Acquisition Study

B-13 President Boothe recommended the upward adjustment of the 1991-92 operating budget by $138,291 to reflect revenue activity since January 29, 1992. Upon a motion by Regent Verst, seconded by Regent Arnzen, the recommendation passed unanimously. 91-92 Budget

B-14 President Boothe requested approval of the 1992-93 operating budget totaling $58,080,000. This budget was achieved through the reduction of travel and supply costs, an increase in student fees, a reduction in temporary positions, and the foregoing of a 1992-93 pay increase. President Boothe indicated that this budgetary process, including the 10 percent reduction in state appropriations, had been difficult. Upon a motion by Regent Verst, seconded by Regent Fields, the recommendation passed unanimously. 92-93 Budget

B-15 Regent Duncan moved to amend proposed Bylaw amendment III. C. by striking the sentence "and one at-large member who shall be elected by the Board at the same time that the officers are elected." Regent Verst seconded, and the amendment passed. Regent Duncan moved to further amend III. C. by striking the phrase "such minutes" and inserting "the actions of the Executive Committee" and striking "approved" and adding "for said action to have any force and effect, except for prior delegated bond sale authority." Regent Arnzen seconded the motion which passed unanimously. Bylaws Revisions

Regent Duncan moved that the proposed Bylaw amendments, as amended by adopted, Regent Boothe seconded, and the motion passed unanimously.

Regent Committee Recommendations

C-1 Regent Duncan presented the Policy on Naming for facilities, programs and endowments. Regent Duncan reported that this policy serves as a codification of past practice. Procedures have been developed to accompany the policy. Upon a motion by Regent Mauldin, seconded by Regent Duncan, the recommendation passed unanimously. Policy on Naming

Presidential Recommendations

B-16 President Boothe recommended approval of the naming of the Fine Arts Expansion Concert Hall in memory of William H. Greaves and Ruth C. Reif-Greaves. This recommendation is consistent with the recently adopted Policy on Naming. Upon a motion by Regent Fields, seconded by Regent Verst, the recommendation passed unanimously. Greaves Concert Hall

B-17 The Presidential Evaluation Committee consisting of Chair Herbert Booth, Regent David Duncan, and Regent William Verst reported that the evaluation of Dr. Leon Boothe was very positive. President Boothe received excellent comments and his performance was rated as excellent. It was the recommendation of the Evaluation Committee that President Boothe's contract be extended one year. Upon a motion by Regent Stringer, seconded by Regent Duncan, the recommendation passed unanimously. Pres. Evaluation

Executive Committee Meeting
Tuesday, June 2, 1992

The Executive Committee of the Board of Regents of Northern kentucky University, empowered by the Board to execute the sale of Consolidated Educational Buildings Revenue Bonds, Series G, met on Tuesday, June 2, 1992 in the Business Affairs Conference Room. Members of the Committee were Chairman Herbert Booth and Regent John N. Fields, Jr. Chairman Booth called the meeting to order at 12 noon.

Vice President for Administration, Dennis L. Taulbee, introduced the guests who were attending the committee meeting: Michael Baker, Assistant Vice President for Business Affairs and University Treasurer; Carla Chance, Assistant Secretary to the Board; Russell Kerdolff, Director of Accounting; Lee Mairose, Seasongood & Mayer; and Cindy Mossman, Seasongood & Mayer.

Mr. Lee Mairose, Financial Advisor to the University, reported that the bond sale had been conducted at 11 a.m. in accordance with the resolution authorized by the Board on May 6, 1992. The Preliminary Official Statement had been submitted to both Standard & Poor's and Moody's and the University received a reaffirmation of its credit rating. The Preliminary Statement and bid statements were distributed to 150 organizations.

Four bids were received as follows:

J.J.B. Hilliard, W.L. Lyons, Inc.	6.28066%
Merrill Lynch & Company	6.3640%
Clayton Brown & Associates, Inc.	6.3713%
Prudential Securities, Inc.	6.4297%

The advice of the Fiscal Agent was to accept the low bid of J.J.B. Hilliard, W.L. Lyons, Inc., of 6.28066 percent. The Bond closing will occur on June 23. A transcript of the closing will be prepared and it is anticipated that the Executive Committee action will be ratified by the Board at its August 1992 meeting.

Regent Booth confirmed that the interest rate was less than anticipated and that the University had maintained its high credit rating. Upon a motion by Regent Booth, seconded by Regent Fields, the low bid was accepted.

Regent Fields moved for adjournment, seconded by Regent Booth, meeting adjourned at 12:10 p.m.

Presidential Reports

A-1 President Boothe highlighted the increase in funds requested in the first quarter report of Grants and Contracts activity. — Grants & Contracts

A-2 President Boothe reviewed three projects. The Fine Arts Expansion was dedicated on September 30 and it is anticipated that renovation will now occur in the original structure. The Residential Village was dedicated on October 13 and final punch list items are continuing to be addressed. The Library Expansion Project groundbreaking occurred on this date and construction will continue over a twenty-four month period. — Campus Quarterly

A-3 President Boothe presented the first quarterly report for 1992 and referenced page 9 of the report which presents the schedule of current investments for the institution. — Quarterly Financial

A-4 President Boothe presented the Annual Report which summarizes growth, achievements and awards in 1991-92. President Boothe emphasized the addition of new academic programs and the distance learning program. Mr. Richard Rankin, Rankin, Rankin and Company, the University's external auditor was introduced. Mr. Rankin commented on the results of the audit and indicated that the general fund had increased at NKU during a time when several other kentucky institutions had experienced decreases. He attributed this increase to management practices. — Annual Report

A-5 Final summer enrollment figures were presented. Dr. Boothe emphasized the increase in the full-time equivalency enrollment. — Summer Enrollment

A-6 Preliminary fall enrollment figures were presented. President Boothe reported on the growth in African-Americans students to a total of 216. Headcount enrollment increased by 3.5 percent. Prelim. Fall Enrollment

A-7-a President Boothe reported on changes in the Admissions and Academic Policies Committee. This committee is one of the Administrative Standing Committees. Changes included a restructuring of the membership. Admissions Academic Policies

Board of Regents Meeting
January 11, 1993

The special meeting of the Board of Regents of Northern Kentucky University was called to order at 10 a.m. on Monday, January 11, 1993, by Chairman William G. Verst.

Roll Call: Karen Bearden, Robin Crigler, Frank Downing, Michael Franke, Rosetta Mauldin, James Poston, Alice Sparks, Philip Taliaferro, William Verst, Robert Zapp

Others Present: President Leon E. Boothe, Elzie Barker, Sheila Bell, Sandra Easton, Peter Hollister, Bill Lamb, Dennis Taulbee, Elizabeth Blincoe, Mike Bunzel, Mary Huening, Jerry Legere, Joyce Maegly, Claire Newman, Frank Stallings, Rosemary Schlachter, Pamm Taylor, Mary Paula Schuh

Chairman Verst congratulated the Board on the 100 percent response to the special meeting call. Chairman Verst indicated that he had corresponded with President Boothe on December 28 calling for a special Board meeting on either January 11 or 12 and listing those items to be discussed. Subse-quently, on January 7, President Boothe issued that agenda with supporting documentation.

Regent Verst and President Boothe expressed condolences to Regent Mauldin on the recent death of her father.

Presidential Updates

A-1

Regent Crigler presented the report of the Committee on Student Awards and indicated that the committee had solicited information from sister campuses and input from the university community in developing their report. A final report is anticipated during the month of January. Discussion focused on the need to identify and/or establish criteria for each award to insure accountability in the awards process. Regent Crigler indicated that the Committee on Student Awards would have information on criteria available for presentation at the February 3 quarterly meeting. Chairman Verst expressed concern that the Board might need to meet more frequently in order to deal with information in a timely manner. Regent Mauldin expressed concern that it be clear that the Board's interest in the awards process was in insuring that adequate criteria was in place and that the process be understandable, not in influencing the process. Regents were asked to provide any input on the initial committee report directly to Regent Crigler with a copy to Chairman Verst and President Boothe.

Awards Update

Regent Taliaferro moved to authorize the Committee on Student Awards to consider the establishment of a civic gumption award. Suggested criteria would include civic service that reflected devotion to Northern Kentucky University and northern Kentucky and tenacious activity over the years in achieving high goals. Qualities would include honesty, courage and "horse sense". The recipient must be widely recognized and the award would be presented at the 1993 Spring Commencement. The precise name of the award is subject to the determination of the Committee on Student Awards. Regent Poston seconded the motion. Following a lengthy debate, the motion passed.

Regent Poston was asked to serve on the 1993 Regents Professorship Committee.

President Boothe reminded the Board of the upcoming Alumni Awards Banquet on Friday, February 12.

A-2 President Boothe introduced Professor Emeritus Frank Stallings, Executive Director of the Anniversary Planning Committee, who recently published the anniversary celebration document, Groundbreakings. A copy of the book was distributed to the Board. Vice President Peter Hollister presented the timeline of events surrounding the Celebration. The events will include the Governor's Proclamation Signing on March 12 in the Governor's Office. Anniv. Celebration

Regent Taliaferro commented that while the current practice was to streamline the celebration, he would like to expand the celebration. Regent Taliaferro moved to discuss the celebration at the February 3 meeting of the Board and asked that Mr. Rick Griewe be invited to present ideas to enhance and expand the community's involvement in the celebration. Upon a second by Regents Sparks the motion passed.

Regent Downing moved that the current budget for the celebration be presented as part of the February 3 discussion. Upon a second by Regent Zapp the motion passed.

Chairman Verst indicated that at the end of the Board meeting he would request the appointment of a member of the Board to the Celebration Committee.

A-3 Chairman Verst made the following statement:

> Mr. Rick Griewe has generously volunteered his time to make a presentation to the Board of Regents of his ideas for activities which may increase the success of the Embrace Opportunity project. Regent Taliaferro has asked that we allow Mr. Griewe to discuss some of his ideas at this time and we welcome Mr. Griewe. If there is a decision to proceed with some of the ideas which Mr. Griewe discusses today, we ask that the administration determine whether the services necessary to implement such ideas may be performed in-house or whether the University will need to engage the services of a consultant. If the services of a consultant are required, we know that the administration will follow the required statutory procedure. I am also certain that you know that such a decision cannot be made today because of the statutory requirements. Thank you, Mr. Griewe for agreeing to speak with us today. Please proceed.

Capital Campaign

Regent Taliaferro introduced Rick Griewe, Kelly Kolar, and Ken Cunningham of the I. D. Group to provide an illustrative presentation on site identification and design plans for the Embrace Opportunity Campaign.

Regent Taliaferro moved to authorize the administration to develop specifications for a Request For Proposal for assistance to enhance the Embrace Opportunity Campaign for the following purposes: (1) to identify naming opportunities and (2) to develop

marketing materials. Upon a second by Regent Sparks the motion passed with Regent Mauldin voting in the negative.

Regent Mauldin requested that estimated costs be included as part of the development of an RFP.

President Boothe indicated that he would request that the Executive Committees of the Board of Regent and the Foundation meet to discuss funding for outside consultants.

A-4 Referred to executive session.

A-5 President Boothe reported on the University's activities in responding to the Governor's Smoking Policy Implementation Plan. The Governor's Office has delayed the implementation date which was originally set for December 15, 1992. The University committee is anticipated to complete its work in mid-spring. Smoking Policy

Regent Downing moved that the Board convene in executive session to discuss personnel and contract issues. Upon a second by Regent Bearden, the Board recessed into executive session at 12 noon. Exec. Session

The Board reconvened in open session at 2:10 p.m.

Regent Downing moved that for the purpose of strengthening the University and further defining the relationship between the Board and the University administration, the administration is requested to develop a set of policies that outline the responsibilities of the board and the authority delegated to the president. It is anticipated that this series of policies will identify the existing committees and their representation and develop a system of committees and activities to be ongoing which will report back to the board on items of concern to the board. Upon a second by Regent Zapp, the motion passed. Board Policies

Chairman Verst requested that Regent Sparks serve on the Anniversary Celebration Committee.

Executive Committee Meeting
Thursday, January 14, 1993

The Executive Committee of the Board of Regents of Northern Kentucky University, empowered by the Board to execute the sale of Consolidated Educational Buildings Revenue Bonds, Series H, met on Thursday, January 14, 1993. Members of the Committee are Chair William Verst, Vice Chair Philip Taliaferro, and Secretary/Treasurer Robert Zapp. Chairman Verst called the meeting to order at 2:05 p.m.

Dennis L. Taulbee, Vice President for Administration, introduced the guests who were attending the committee meeting: Michael Baker, Assistant Vice President for Business Affairs and University Treasurer; Carla Chance, Assistant Secretary to the Board; and Greg Phillips, J.J.B. Hilliard, W.L. Lyons, Inc.

Mr. Phillips, Financial Advisor to the University, reported that the bond sale had been conducted at 11 a.m. in accordance with the resolution authorized by the Board on October 28, 1992. The Preliminary Official Statement and bid statements were distributed on the market and the following bids were received:

Ross, Sinclaire & Associates	5.4371133%
Clayton Brown & Associates	5.5113%
Prudential Securities, Inc.	5.5398%
Hilliard-Lyons, Inc.	5.59966%

The advice of the Financial Advisor was to accept the low bid of Ross, Sinclaire & Associates of 5.4371133 percent. This bid would result in a savings of $753,000 and a debt service savings of $37,500 for 15 years.

Upon a motion by Regent Zapp, seconded by Regent Taliaferro, the low bid was accepted unanimously.

Upon a motion by Regent Zapp, seconded by Regent Taliaferro, the meeting was adjourned at 2:15 p.m.

The minutes of the executive committee meeting of January 14, 1993, were approved on a motion by Regent Franke, seconded by Regent Downing.

Presidential Reports

A-1 President Boothe reported on the anniversary celebration and capital campaign. While discussions at previous board meetings indicated some interest in the use of external consultants for both projects, a review of the University's financial situation proved that this might not be the best course of action. President Boothe reported that the Northern Kentucky University Foundation, Inc., was considering the funding of some external enhancement of the capital campaign. Anniv. Cele. Capital Cam.

Regent Taliaferro indicated that the concept of the I.D. Group had been approved by the Foundation and that there was a commitment to fund a site analysis and one preliminary design plan for one particular naming opportunity. Regent Taliaferro proposed the investigation of a legacy project for the 25th Anniversary Celebration. This project should raise money for the University and add to the feeling of community at the University. Regent Taliaferro expressed his interest in a brick plaza and indicated that this concept had been used by both the Bicentennial Commission and the Boy Scouts. Regent Franke expressed his interest in members of the student body being able to leave their names behind in a setting where students could gather.

President Boothe suggest that he meet with a Legacy Committee and report back at the March meeting. Regent Verst requested that Regent Taliaferro and Regent Franke serve on the committee.

A-2 President Boothe presented the grants and contracts quarterly report and noted that while the number of requests were declining, the dollar value of the approved grants was increasing. Grants/Con.

A-3 President Boothe presented the campus planning quarterly report and indicated that visitors to the campus would see increased construction activity at the Library Expansion Project which was well underway. Dr. Boothe reported that the University would be undertaking a utility master plan study to address future utility needs. Northern Kentucky University's request for a $1.5 million Ceramics/Sculpture Facility was approved by the Secretary of Finance. This project should be under construction in March 1994. Campus Planning

A-4 President Boothe presented the quarterly financial report and commended the administrative team for the budgetary control practices which keep expenditures on schedule. Quarterly Financial

A-5 The final fall 1992 enrollment report included a 5.6 percent increase in full-time equivalent student enrollment. Fall Enroll.

A-6 Preliminary spring 1993 enrollment figures project a 5.5 percent increase in full-time equivalent student enrollment. President Boothe characterized this as very positive news for spring enrollment. Spring Enroll.

A-7 President Boothe reported on the 1993 summer fellowship recipients. The following faculty have been approved for awards: Summer Fellowship

James R. Gray
Cynthia M. Kukla
J. Robert Lilly
Robert Naczi
Sharlotte Neely
Philip Paradis
David M. Potter

Barbara Houghton
Dennis J. Lye
Janet A. Miller
Robert Naczi
W. Michael Ryan
Janet Johnson

A-9 President Boothe requested that Regent Crigler, member of the Committee on Student Awards, share the Committee's final report. Regent Crigler indicated that the committee had fulfilled their charge to develop a comprehensive list of university awards with their criteria and to recommend a number of new awards to enhance the diversity of the university-wide senior awards. Regent Crigler reported that the final report contained the recommendation for a standing committee on University Awards to be comprised of two regents, two NKU personnel, and one Alumni Council representative. Regent Crigler indicated that this standing committee would review the Regents Award and report back at the next meeting of the Board. Regent Crigler also indicated that the special Board award proposed in January would be reviewed by the standing committee. Chairman Verst asked that the Regents review the award criteria and process and give input to the standing committee. Student Awards

A-10 President Boothe reported on the 25th Anniversary Homecoming Celebration which began on January 26 and would conclude with the Homecoming

Alumni Awards Banquet and Homecoming Coronation on February 12 and 13 respectively.

A-11 President Boothe presented a report on the financial analysis of the Residential Village Complex and Residence Halls. The deteriorating condition of the Residence Halls contributed to a lower than anticipated occupancy rate. This condition will be addressed through schedule renovation projects. The University is conducting a marketing campaign to increase the occupancy of the residential units. This campaign will be more aggressive than the 1992 campaign which was hampered by the delays in construction. Res. Village

Board of Regents Meeting
March 11, 1993

The special meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Thursday, March 11, 1993, by Chairman William G. Verst. The invocation was given by Father John Cahill, Catholic Newman Center.

Roll Call: Karen Bearden, Robin Crigler, Michael Franke, Rosetta Mauldin, James Poston, Alice Sparks, Philip Taliaferro, William Verst, Robert Zapp

Others present: President Leon E. Boothe, Jessica Bailey, Elzie Barker, Sheila Trice Bell, Sandra Easton, Peter Hollister, Dennis Taulbee, Sonda Cummins, Ron Ellis, Rick Meyers, Chuck Pettit, Mary Paula Schuh, Rosemary Schlachter, Nathan Smith, Linda Wright

The minutes of the previous quarterly meeting of February 3, 1993, were approved on a motion by Regent Taliaferro, seconded by Regent Mauldin.

The minutes of the executive committee meeting of February 15, 1993, were approved on a motion by Regent Crigler, seconded by Regent Sparks.

Presidential Reports

A-1 President Boothe shared the initial report of the Legacy Committee which was appointed as a result of the February 3 quarterly meeting discussion. The committee met on March 8 and has an anticipated completion date for their work of May. The Committee has identified three possible sites for the legacy project. Legacy Committee

A-2 President Boothe reported on the progress of the Vice President for Academic Affairs and Provost Search Committee. Three interviews have been completed with two more interviews scheduled on campus. A time for the Board of Regents to meet with the candidates has been identified. Regent Mauldin was congratulated for her role as chair of the committee. Provost Search

A-3 President Boothe updated the Board on the implementation of the University Smoking Policy. Phase one of the policy provides for initial implementation and the designation of acceptable smoking areas. Phase two would be implemented on May 22, 1993. Campus-wide reaction to the policy is being sought and once the policy is ready for full implementation, it will be recommended to the Board. Smoking Policy

President Boothe recognized Vice President for Student Affairs, Jessica L. Bailey, who was attending her first Board meeting following arrival on the campus on February 15, 1993.

Presidential Recommendations

B-1 President Boothe requested that Regent Crigler, member of the Committee on Student Awards, present information on the Regents Award. Regent Crigler emphasized the committee's goals of enhancing the existing awards and improving the diversity of awards. The Regents Award was designed to reward leadership, professionalism and continuing education. Regent Franke expressed difficulty with the 3.5 required grade-point average. Additionally, Regent Franke expressed difficulty with the proof of continued commitment to education; for some degree programs, entering Regents Award

graduate school immediately is not always the recommended path and for some students graduate school is not financially possible. Regent Franke moved that the Regents Award recommendation be amended by establishing a 3.3 grade-point average and indicating that nominees may show evidence of intent to pursue further educational opportunities. Upon a second by Regent Zapp, the amended recommendation passed.

Chairman Verst asked that Regent Crigler and Regent Franke join him in serving on the Regents Award Committee.

B-2 President Boothe presented the criteria and process for the selection of the Perseverance and Accomplishment Award which was requested by the Board at the January 11 special meeting. The award is to be given to recognize extraordinary service to the northern Kentucky community and to Northern Kentucky University. Upon a motion by Regent Taliaferro, seconded by Regent Franke, the recommendation passed unanimously. Persevere Accomplish Award

B-3 President Boothe recommended ratification of the Option Two tuition schedule authorized at the February 3, 1993 quarterly Board meeting. Upon a motion by Regent Zapp, seconded by Regent Franke, the recommendation passed unanimously. Tuition Schedule

B-4 President Boothe recommended approval of the 1992-98 Information Resources Plan. This document encompasses all information resource projects and acquisitions including office automation, data processing, and telecommunications. Upon a motion by Regent Sparks, seconded by Regent Zapp, the recommendation passed unanimously. 92-98 IRP

B-5 President Boothe recommended approval of the Board Governance and Administration document requested by the Board at the January 11 special meeting. Upon a motion by Regent Crigler, seconded by Regent Sparks, the issue was opened to debate. Regent Crigler expressed concern that the committee structure might result in an extra layer of bureaucracy and lead to micro-management. President Boothe suggested that the action item be delayed until the Board Retreat. Regent Crigler withdrew her motion. Upon a motion by Regent Sparks, seconded by Regent Bearden, the recommendation to delay consideration of the Board Governance and Administration document until April 14 passed unanimously. Governance Admin Statement

The Board convened in Executive Session at 5:05 p.m. upon a motion by Regent Franke, seconded by Regent Bearden, to discuss legal matters. The Board reconvened in public session at 5:50 p.m. Exec. Session

Other

Chairman Verst reminded the Board members of the upcoming April 14 Board Retreat.

Upon a motion by Regent Bearden, seconded by Regent Smith, the recommendation passed unanimously.

B-2 President Boothe recommended the appointment of the following temporary faculty: Michael Avey, Julia Yang Bedell, Ellen Benton, Mary Jo Beresford, Jerry Call, Roberta Campbell, Greg Dahlem, Laura Elizabeth Duwel-Eby, Irene Encarnacion, Maria Falbo-Kenkel, Mary Lee Fangman, Richard Hird, Eric Reginald Jackson, Nancy Kersell, Jerry Lancaster, Ken Lowery, Millard Mann, Jr., Kathleen O'Connor, Theresa Paulin, Minda J. Peare, Jane Petrillo, Deborah Pressly, Elinor Rambo, David Schneider, Dianne M. Sod, Gary Walton, James Westheider, Dianne Williams. Upon a motion by Regent Smith, seconded by Regent Sparks, the recommendation passed unanimously. — Temporary Faculty

B-3 President Boothe recommended approval of the non-academic personnel actions. Approximately 15 percent of the people leaving Northern did so for increased salaries. Upon a motion by Regent Downing, seconded by Regent Smith, the recommendation passed unanimously. — Non-Acad. Personnel

B-4 President Boothe recommended approval of the property acquisition guidelines. Following adoption of the memorandum of agreement regarding real property management on February 4, 1993, the guidelines were developed to facilitate the acquisition of property. Upon a motion by Regent Taliaferro, seconded by Regent Mauldin, the recommendation passed unanimously. — Prop. Acq. Guides

B-5 President Boothe recommended approval of the University Smoking Policy. This policy does not provide for indoor smoking facilities. The only indoor smoking area on campus are the designated residential unit apartments. Dr. Boothe indicated that the decision to become a smokefree campus was guided by the EPA study and the low priority for funds to purchase smoke removal equipment. Regent Downing spoke against the recommendation citing the challenges to the EPA study. Regent Downing suggested that indoor areas should be limited but should be available. Upon a motion by Regent Sparks, seconded by Regent Poston, the recommendation passed eight to one. — Smoking Policy

B-6 President Boothe recommended the upward revision of the 1992-93 operating budget to reflect an increase in tuition and fees and an increase in auxiliary enterprises. Upon a motion by Regent Bearden, seconded by Regent Mauldin, the recommendation passed unanimously. — Operating Budget

B-7 President Boothe recommended adoption of the 1993-94 Operating Budget of $63.1 million. The budget includes $488,500 for the 2 percent budget deferral. The University has been advised to anticipate another 2, 4 or 6 percent budget reduction. Tuition dollars continue to carry the institution. The budget also includes a $1.6 million pool for faculty/staff salaries increases. — 93-94 Operating Budget

The University has sustained a $3 million state appropriation reduction since fall 1991. Upon a motion by Regent Taliaferro, seconded by Regent Sparks, the recommendation passed unanimously.

B-8 President Boothe recommended that the Board approve changes to the 1994-96 Capital Budget Request. Since the Board approved the Budget at the June 21, 1993 special meeting, a number of changes were made to the original list. These changes in scope result in a Capital Budget Request of $71.1 million. Upon a motion by Regent Crigler, seconded by Regent Smith, the recommendation passed unanimously. 94-96 Capital Budget

Board of Regents Meeting
September 29, 1993

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:07 p.m. on Wednesday, September 29, 1993, by Chairman William G. Verst. The invocation was given by the Rev. Bob Cain, NKU Wesley Foundation.

Roll Call: Robin Crigler, Rosetta Mauldin, James Poston, Nathaniel Smith, Alice Sparks, Philip Taliaferro, William Verst, Robert Zapp

Others present: President Leon E. Boothe, Jessica Bailey, Elzie Barker, Sheila Trice Bell, Paul Gaston, Peter Hollister, Dennis Taulbee, Delores Anderson, Jennifer Boyd, Ernest Britton, Bob Cain, Thomas Comte, Sonda Cummins, Nancy Firak, Thomas Isherwood, Mark Kaufman, Joyce Maegly, Charles Pettit, Mary Rauen, Mary Ryan, Rosemary Schlachter, Christopher Schnelle, Mary Paula Schuh, J, Kenneth Smith, Amy Stephens, Debra Vance - The Kentucky Post,

President Boothe corrected the August 4 minutes to list Rev. Joe Pennington, Trinity Episcopal Church. The minutes of the regular quarterly meeting of August 4, 1993, were approved as corrected on a motion by Regent Crigler, seconded by Regent Smith.

The minutes of the special meeting of August 31, 1993, were approved on a motion by Regent Crigler, seconded by Regent Mauldin.

President Boothe recognized the President of the Faculty Senate, Nancy Lee Firak who was elected to the 1993-94 term.

Presidential Reports:

A-1 President Boothe introduced Ms. Delores Anderson, Director of Affirmative Action and Multi-Cultural Affairs to present an update on the Kentucky Plan. Ms. Anderson reported that the various organizational units had filed action plans which would be supplemented by quarterly progress reports. These documents are available to the members of the Board upon request. Ms. Anderson reported that the Council on Higher Education is currently preparing the 1992-93 report. On a positive note, the University has met the 1 percent objective for Kentucky African-American students. Headcount enrollment has increased to 131 Kentucky resident African-American students. The University did not reach its retention objective, the degrees awarded objective, and the graduate school enrollment objective. The 1993 first-year class at Chase includes 23 minority students of whom 10 are Kentucky residents. The 1992-93 report will be shared with the Board as soon as it is received from the Council. KY Plan

A-2 President Boothe reported on the campus planning progress report indicating that progress on the Regents Hall Roof Replacement project was slowed. The Ceramics/Sculpture Facility is entering the programming phase. Campus Planning

A-3 President Boothe presented the final summer enrollment statistics which showed a flat summer enrollment. NKU looked good compared to other state institutions. Final Summer

A-4 President Boothe presented the preliminary fall enrollment statistics and indicated that NKU was the only public Kentucky institution with an increase in enrollment. Enrollment had Prelim Fall

increased 1.9 percent (headcount) and 3.2 percent (FTE). Preliminary fall data indicated a 26 percent increase in African-American students. Fall enrollment students represent 88 Kentucky counties and 33 different states.

A-5 President Boothe presented an overview of the 1994-96 biennial budget process. The higher education funding formula is a complex process which takes into consideration enrollment, course numbering, graduate/undergraduate mix, and numerous other factors. NKU is currently funded at 71.7 percent of the formula. 94-96 Biennial Process

A-6 President Boothe reported on higher education's participation in the most recent budget cutback. Governor Jones has implemented the anticipated two percent reduction and has established a commission to review higher education. This Commission is anticipated to complete its work by December 21. Budget Cutback

A-7 President Boothe and Chairman Verst reported on the recent Higher Education Trusteeship Workshop. Chairman Verst noted that in some of the group session, only two people in the audience had more than five years experience as members of a governing board. The NKU Board was well represented at the Workshop. Trustee Workshop

A-8 Regent Zapp reported that the Embrace Opportunity Campaign was entering the foundations and business phase which was anticipated to generate over $1 million in cash contributions. The faculty/staff campaign has generated over $900,000 in cash and deferred gifts. The Regents campaign is still under way. Pavers are beginning to be sold. The three-year campaign is progressing well. Embrace Opportunity

A-3 The Financial Quarterly Report indicated that all financial information is in order. Financial Quarterly

A-4 President Boothe reported that the Governor's Higher Education Review Commission had met for the first time on September 21. The focus of the Commission appears to be narrowing and much emphasis is to be place on efforts to prove that Kentucky tax dollars are well spent in higher education. The Commission anticipates completing its work on December 21. The final report will address an update of university mission statements and a review of duplication of programs. Additional information will be available as the Commission continues meeting. HERC

A-5 Regent Zapp reported that the Embrace Opportunity Campaign has achieved at total of $6.4 million in commitments and pledges with seven major gifts still pending. Additionally, the paver project is now underway with sale of the pavers anticipated in the very near future. Embrace Opportunit

Upon a motion by Regent Bearden, seconded by Regent Zapp, the Board convened in Executive Session at 4:45 p.m to discuss pending litigation. The Board reconvened in public session at 6 p.m. Exec Session

Regent Downing moved that the Board authorized the administration to proceed with the acquisition of three priority one parcels discussed in executive session and that the authorization should include eminent domain authority if necessary in accordance with KRS 164.410 and 164A.575(6). Upon a second by Regent Zapp the motion carried. Prop Acq.

Regent Downing moved that parcels 37, 38, 39, and 40 identified in the Land Acquisition Study, May 1992, be reprioritized as Priority One parcels. Upon a second by Regent Bearden the motion carried. Prop Acq.

Presidential Recommendations:

B-1 President Boothe recommended approval of the following academic personnel actions: Academic Actions

Faculty Appointments: Claude Henschel, Assistant Professor in the Department of Technoloyg, effective August 14, 1993.
Upon a motion by Regent Sparks, seconded by Regent Smith, the recommendation passed unanimously.

Leaves, Paid/Unpaid: Phyllis Sholtys, Assistant Professor in the Technology Department, unpaid leave with benefits effective January 1, 1994 through May 14, 1994.

Upon a motion by Regent Smith, seconded by Regent Mauldin, the recommendation passed unanimously.

B-2 President Boothe recommended approval of the following temporary faculty appointments for the 1993-94 academic year: Tim Stepp, Lecturer in Physics and Geology; Charles Ginn, Lecturer in Management and Marketing, David A. Reisman, Lecturer in Legal Programs. Upon a motion by Regent Mauldin, seconded by Regent Zapp, the recommendation passed unanimously. Temp Faculty

B-4 President Boothe recommended that the revised organizational chart reflecting organizational changes occurring during the past fiscal year be approved. Upon a motion by Regent Bearden, seconded by Regent Poston, the recommendation passed unanimously. Org. Chart

B-5 President Boothe recommended that the Board amend the language to the University's Section 127 Educational Assistance Plan to permit University employees to take graduate-level courses as a tax exempt benefit. Upon a motion by Regent Taliaferro, seconded by Regent Mauldin, the recommendation passed unanimously. Sec. 127 Ed. Plan

B-6 President Boothe recommended the adoption of the resolution ratifying the actions of the Bond Sale Committee and confirming the sale of Consolidated Educational Buildings Refunding Revenue Bonds, Series I. Upon a motion by Regent Zapp, seconded by Regent Poston, the recommendation passed unanimously. Series I

B-7 President Boothe recommended that the 1993-94 operating budget be amended downward to reflect the reduction in state appropriation. This reduction amounts to approximately two percent of the state appropriation. Upon a motion by Regent Zapp, seconded by Regent Downing, the recommendation passed unanimously. 93-94 Operating

B-8 President Boothe recommended that the Board of Regents authorize the University administration to enter into a lease agreement with option to purchase with the Northern Kentucky University Foundation for the acquisition of 5 Clearview Drive. The property would subsequently be subleased to Mr. and Mrs. Greg Uthe. Upon a motion by Regent Bearden, seconded by Regent Taliaferro, the recommendation passed unanimously. 5 Clearview

Regent Recommendations:

C-1 President Boothe addressed the highlights of the President's Annual Report with an emphasis placed on the dedication of the Residential Village. The year's activities included the appointment of Vice Presidents Jessica Bailey and Paul Gaston and the appoint of Dean David Short. In the spring of 1992 the University implemented the On-line Interactive Education System (Ole') which permits more flexible and convenient educational opportunities. International exchange programs and study abroad programs have enhanced the international prospective of the institution. A highlight of the Chase Centennial was the Siebenthaler Lecture delivered by Associate Justice Antonin Scalia. This year of celebration included the kick-off of the Embrace Opportunity Capital Campaign which was anchored by the Greaves gift. Pres Report Annual Rep.

External auditor, Richard Rankin, reported on the October 27 meeting with the Board's Audit Committee and indicated that the external auditors had conducted a full audit and had rendered a clean opinion. The University's financial statements fairly present the University's financial position. The management letter which will be shared with the Board in the future is a

means for the external auditors to provide constructive criticism. Mr. Rankin noted that his experience includes twenty-five years of working with the Board of Regents of Northern Kentucky University and that during that time he had always found the Board and University personnel to be receptive to any suggested improvements. Upon a motion by Regent Zapp, seconded by Regent Smith, the President's Annual Report and the Annual Financial Report were approved unanimously.

C-2 Upon a motion by Regent Taliaferro, seconded by Regent Zapp, the Board voted to rename the Perseverance and Accomplishment the Nancy J. Boothe Award. The motion passed unanimously. The award process was revised to provide that the "award may be presented once . . . ." Board Chairman William Verst asked for volunteers to serve on the 1994 Nancy J. Boothe Award Selection Committee. Regent Phil Taliaferro will chair the committee comprised of Regents Bearden, Poston, and Smith.

Board of Regents Meeting
January 26, 1994

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:10 p.m. on Wednesday, January 26, 1994 by Chairman William G. Verst. The invocation was given by the Rev. Harold Orndorf, Christian Student Fellowship.

Roll Call: Robin Crigler, Frank Downing, Rosetta Mauldin, James Poston, Nathaniel Smith, Alice Sparks, Philip Taliaferro, William Verst, and Robert Zapp.

Others present: President Leon Boothe, Jessica Bailey, Elzie Barker, Sheila Trice Bell, Carla Chance, Paul Gaston, Peter Hollister, Jim Alford, Dave Arnold, Mike Baker, Ernest Britton, Sonda Cummins, Stacey Durbin, Nancy Firak, Diane Goetz, Michael Hawkins, Katie Heywood, Tom Isherwood, Bill Lamb, Jerry Legere, Chuck Pettit, Mary Ryan, Rosemary Schlachter, Kenneth Smith, Amy Stephens of The Northerner, Donald Straub, Deborah Vance of the Kentucky Post, Paul Wingate, and Linda Wright.

Upon a motion by Regent Crigler, seconded by Regent Zapp, the Board convened in Executive Session at 4:20 p.m. to discuss a personnel matter. The Board reconvened in public session at 4:45 p.m.

The minutes of the November 10, 1994 meeting were presented. Regent Sparks requested a correction: B-1, page 2 - Motion was made by Regent Taliaferro instead of Regent Sparks. The corrected minutes were then approved upon a motion by Regent Sparks and second by Regent Smith.

President Boothe reported on the meetings of the Higher Education Review Commission. Chairman Verst and Regent Sparks were part of the Commission membership, Paul Gaston and Elzie Barker served as liasons. Three important areas covered were: Mission Statement, Performance Funding, and Duplication of Programs. A copy of the Refined Mission Statement for Northern Kentucky University was distributed to each Regent. There will be some programs eliminated or consolidated effective Fall 1994. It appears that the status of Kentucky's three law schools remain unchanged. Chairman Verst noted that a lot of work, dedication, and time was expended in these meetings, but felt it was a worthwhile exercise. Regent Sparks said she felt this was a beginning of opening door to much dialog.

Presidential Reports:

A-1 Grants and Contracts quarterly report presented by President Boothe showed a decrease which he attributed to tighter funding. He further noted that applications were very diversified.

A-2 President Boothe reported on campus planning projects noting that bad weather has caused delays on the library expansion. Regent Downing asked about the number of change orders causing an over run of about 1-1/2%. Mary Paula Schuch explained what caused much of the over run problems.

The President also spoke on the closure of the University this past week. In addition to the bad road conditions, the gas company had requested a cut back on power. This was accomplished by switching to oil (alternative back-up system). President Boothe praised the staff who worked throughout the week - grounds crew, public safety, and staff in residential village. Carla Chance also stated that several administrative affairs staff were present to see that payroll was available for the staff and students upon return and that financial aid checks were available for the students on the dates promised.

A-3 The quarterly financial reported indicated that revenue and expenditures are in line with budget projections.

A-4 The final enrollment figures reported to the Council on Higher Education for Fall semester, 1993 were presented. The President noted that full time equivalent enrollment increased 2.6% over the previous year.

A-5 The President reported on the preliminary enrollment figures for Spring, 1994 stated that enrollment increases were somewhat lower than anticipated. He said he felt it was due to economy and bad weather on registration days. One statistic of interest was a 26.8% increase in Afro-American students over last Spring.

A-6 A list of 1994 Faculty Summer Fellowship Awards were presented by the President. These awards are given to encourage faculty to engage scholarly writing, creative and artistic projects, and individual research which are all opportunities for improvement in the faculty member's particular field. The awards are given after being selected by a review committee of peers and presented to the Provost.

A-7 Also presented were a list of Faculty Project Grants for independent research and provides funds for equipment and activities that are not available through program budgets. The selection is made in the same manner as fellowship awards.

A-8 President Boothe called attention to the Alumni Council selection of Alumni Award recipients to be recognized at the Alumni Banquet on February 11. Besides alumni, the awards also include professers who have had strong influence with alumni when they were students. The President invited the Regents to attend.

A-9 The A-133 Audit of the University's federally funded programs was presented. President Boothe noted that were favorable with no major weaknesses noted. The President said he was proud of the work of the University business staff.

A-10 Regent Zapp gave an oral report on Embrace Opportunity stating that the solicitation of the Northern Kentucky business community just kicked off, the Cincinnati business division will kick off in April, and the Faculty/Staff portion is nearly the $1 million mark. The total stands at approximately $7 million.

Presidential Recommendations:

B-1 President Boothe recommended that Stephanie J. Jones be given an unpaid leave, without benefits in order for her to serve as the Principal Representative of the Secretary of Education for a six-state region. It is a great honor for the University to have one of its faculty selected by President Clinton. The recommendation received unanimous approval on motion by Regent Taliaferro and second by Regent Smith. Special Leave

B-2 The President recommended that 22 faculty (list attached to these minutes) receive sabbatical leave for the 1994-95 academic year. He noted that our Faculty Regent was on the list. Sabbaticals are granted by the University to promote the professional growth and effectiveness of the faculty. A review committee of peers did the selection and made recommendations to the Provost. Upon a question, it was stated the individuals on sabbaticals receive full pay for one semester or one-half pay for a full academic year. Upon motion by Regent Crigler, and second by Regent Smith, the recommendation passed unanimously. Sabbatical Leaves

B-3 A list of staff new hires as well as terminations were presented to the Board by the President. (List attached to these minutes.) The recommendation received unanimous approval on motion by Regent Sparks and second by Regent Zapp. Staff Personnel

B-4 President Boothe recommended the following actions to the Board: That Dennis Taulbee be granted paid medical leave effective November 22, 1993, and that Carla Chance be appointed Acting Vice President effective same date. The President presented a further Resolution as follows: D. Taulbee

> It is hereby resolved that the Board of Regents of Northern Kentucky University accept Dennis L. Taulbee's resignation and accept the President's recommendation that Mr. Taulbee become the Special Assistant to the President. Mr. Taulbee's appointment shall be effective February 1, 1994 through August 31, 1994.

Upon a motion by Regent Downing, and second by Regent Sparks, the recommendation was passed with 8 aye votes and 1 abstention by Regent Talaiferro.

B-5 It was recommended by the President that the Board of Regents authorize the University to enter into a lease agreement with option to purchase with the Northern Kentucky University Foundation for the property at 412 Johns Hill Road. Regent Zapp made the motion to accept the recommendation as this acquisition concides with the Master Plan. The motion, seconded by Regent Sparks, was passed by unanimous vote. Lease with Fdn.

B-6 The tuition schedule effective with Fall, 1994 was presented to the Board by the President. It was stated that the rates had been mandated by the Council on Higher Education, but that the Regents did need to ratify. The motion to ratify was made by Regent Downing and seconded by Regent Zapp. The result of the vote was 8 aye votes and 1 nay vote. Regent Smith stated that he could not vote for the increase and said he was happy to learn that the Governor had asked that there not be another increase in tuition during the biennium. Tuition Schedule

B-7 President Boothe, in presenting a comprehensive fee schedule for ratification, stated that increases were kept to a minimum. Before the schedule was presented, the administration had worked very closely with the students to find common ground and reasoning for any of the increases. The fee schedule recommendation received unanimous approval on motion by Regent Smith and a second by Regent Sparks. Fee Schedule

B-8 It was recommended by the President that the 1993-94 Operating Budget be amended upward to reflect revenues from coin-operated machines and other miscellaneous revenue for a total of $77,531. The motion to approve the recommendation was made by Regent Zapp, seconded by Regent Crigler, and passed by unanimous vote. 93-94 Budget

B-9 President Boothe submitted modest changes to the Student Government Constitution and asked them to be approved. The motion for approval was made by Regent Smith and second by Regent Zapp. The motion received unanimous approval. Student Govt. Constitution

President Boothe called attention to several upcoming activites urging the Regents attendance if possible. The listing appears on the agenda. Regent Smith extended an invitation to the Kentucky Board of Student Body Presidents at the Holiday Inn, Capital Plaza, on February 15. Regent Taliaferro announced that a mailing would soon go out to seek nominations for the 1994 Nancy J. Boothe Award. Regent Sparks said that she had attended the Cincinnati Women's Club Meeting today at which Professor Westland and his student performed. There were many compliments on the performance.

On motion by Regent Smith and second by Regent Zapp, the meeting was recessed at 5:30 p.m. to discuss pending litigation and property acquisition.

The meeting reconvened at 6: 30 p.m.

Adjournment:

On motion by Regent Downing and second by Regent Smith, the meeting adjourned at 6:40 p.m.

Approval was given on motion by Regent Smith and second by Regent Mauldin.

B-5 President Boothe presented a modification to the exiting tuition reciprocity agreement for undergraduates (copy attached). Regent Smith made a motion that the modification be approved. The motion, seconded by Regent Bearden, was unmanimously approved. Tuition Reciprocity

B-6 The Board of Regents Audit Committee recommends that the contract for auditing the University's financial records for the fiscal year ending June 30, 1994 be awarded to Deloitte and Touche. The annual contracted cost will be $32,800. The contract will allow for three one-year renewable options. The Audit Committee also recommends a four-year rotational requirement for future audit contracts. Regent Zapp, Chair of the audit committee, stated that the Regents Committee met on March 16 to review the work completed by the administrative audit review committee. The review made recommendation of three firms for future review by the Regents committee. After the review by the Regents Committee, the above recommendation was made. Regent Zapp said that the Regents appreciate all of the help of the previous auditors, Rankin & Rankin, has given the University over the past 26 years. Because of budget cuts and lack of additional state Audit Contract

appropriations he said he felt it was their duty to accept the proposal of the lowest bidder of the three acceptable firms. The chair called for a vote on the recommendation to employ Deloitte and Touche. Result: 8 aye votes and one nay vote registered by Regent Taliferro. The recommendation was passed by majority vote.

The chair called for a vote on the recommendation to establish a four-year rotation for the selection of an external audit firm. The recommendation was passed unanimously.

B-7a It was recommended that individual seats in both the University's Greaves Concert Hall and the Main Stage Theatre be available for naming in honor of donors on receipt of a minimum gift of $1,000 designated to a program or programs within the fine arts area. The recommendation received approval on motion by Regent Mauldin and second by Regent Zapp. **Naming of Facilities**

B-7b A recommendation was made that certain rooms in Nunn Hall which serves students of the Chase College of Law be assigned a name, to be approved by the Dean of the College and the President of the University, and recognize certain attorneys who make a joint gift to the College of $50,000. The recommendation received approval on motion by Regent Crigler and second by Regent Poston.

B-7c It was recommended that the Northern Kentucky University building now known as the Administrative Center, be named the "_____ Administrative Center" in honor of (candidate A). Candidate A will be named at a later date in consistent with the policy. The recommendation received approval on motion by Regent Smith and second by Regent Zapp.

B-8 President Boothe recommended that the 1993-94 Operating Budget be amended upward from $62,657,531 to $63,351,003 to reflect proposed budgeted revenue activity since December 31, 1993. Most of the additional revenue was reflected in tuition and fees, according to the President. The recommendation was approved on motion by Regent Bearden and second by Regent Downing. **Operating Budget Adjust-ment**

The President called attention to special dates listed on the agenda and invited the board members to attend whenever possible.

Vice Chair Sparks announced that while many capital construction projects were cut by the legislature, the $700,000 for land acquisition by NKU still remained in the budget. She thanked President Boothe and Carla Chance for the many hours they have spent in Frankfort on behalf of the Board, students, faculty, and staff of this University. The President thanked Regent Sparks for all of her efforts in Frankfort and throughout the community.

Regent Taliferro thanked Rosemary Schlachter for all of the excellent work on Embrace Opportunity and recommended that a certified copy of the minutes be presented to her. The motion, seconded by all Regents, was unanimously passed.

On motion by Regent Bearden and second by Regent Smith, the meeting was adjourned at 6:50 p.m.

BOARD OF REGENTS MEETING
May 4, 1994

The regular meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, May 4, 1994 by Vice Chair Alice Sparks. The invocation was given by Sister Janet Carr from the Newman Center. Regent Sparks announced that the Chair, Bill Verst, was recuperating at home.

Outgoing Faculty Regent Rosetta Mauldin and Student Regent Nathan Smith were honored for their services on the Board of Regents. Each received a plaque commemorating their participation.

New Faculty Regent, Michael Thomson, was welcomed to the Board and was given the Oath of Office.

Roll Call: Robin Crigler, Frank Downing, James Poston, Nathan Smith, Alice Sparks, Philip Taliferro, and Michael Thomson. Excused - Karen Bearden, William Verst, and Robert Zapp.

Others present: President Leon Boothe, Jessica Bailey, Elzie Barker, Sheila Trice Bell, Ernest Britton, Carla Chance, Sandra Easton, Paul Gaston, Peter Hollister, James Alford, Mike Baker, Lisa Becker, Bernadette Billing, Janet Carr, Sonda Cummins, Stacey Durbin, Nancy Firak, Larry Giesmann, Mary Jennings, Miriam Kannan, Vicki Kier, Bill Lamb, Rosetta Mauldin, Bob Neumann, William Nester, Mary Ryan, Mary Paula Schuh, J.Douglas Smith, Jay Stevens, Debra Vance, Marian Winner, and Fran Zaniello.

The minutes of the March 23, 1994 meeting were presented. The recommendation B-7b was corrected as follows: Fourth sentence - and recognize a joint gift by 5 attorneys at $10,000 each for a total of $50,000. The minutes were approved with the correction.

The President recognized Associate Provost Sandy Easton. She spoke briefly about the University 101 courses and introduced Fran Zaniello from the Learning Assistance Center who directs the program for UNV 101 courses. Ms. Zaniello gave a fine presentation describing the program, who teaches, how it operates, impact of the course on incoming Freshmen, and how it has affected the retention rate for these Freshmen. President Boothe applauded Fran and all who teach the courses and spoke on this positive Freshman experience as being critical in their education.

President Boothe welcomed Michael Thomson to his first meeting as Faculty Regent. He also introduced William Nester who is now heading up the Embrace Opportunity Capital Campaign.

PRESIDENTIAL REPORTS

A-1 In reporting on Grants and Contracts, the President noted that while the dollars of awards decreased, the number of awards had increased. The number of requests being made have increased. Grants and Contract

A-2 The President highlighted the written Campus Planning Report, noting that the library expansion project is coming to a close and is six months behind schedule. The athletic field planning has begun. Campus Planning

A-3 The quarterly financial statement was presented. President Boothe stated that expenses and revenues are on target. He complimented the business office staff for outstanding work. Quarterly Financial Report

A-4 The final enrollment figures for Spring 1994 as reported to the Council on Higher Education were announced. While enrollment statistics are flat, Northern maintained a more positive enrollment level than other Kentucky institutions. Final Spring Enrollment

A-5 President Boothe announced the University-wide Student Awards and introduced the students who were present as follows: Student Awards

Regents Award	Bernadette Billing
President's Award	Mary Jennings
Paul J. Sipes Award	Lisa Becker
Univeristy Service Award	Stacey Durbin
Excelsior Award	Jeffrey Wilson
Faculty Senate Award	Vicki Martin Kier

A-6 The President presented the Vehicle Utilization Policy and Procedure stating that a few revisions were made to incorporate regulatory and statutory changes. Changes were minimal. Vehicle Utilization

A-7 An oral report was given on the Embrace Opportunity Campaign. The President noted that the Cincinnati phase is shaping up because of securing some very strong individual leadership from the Cincinnati area. Embrace Opportunity

Regent Taliaferro questioned the status of the "bricks" that are to be sold. Since there has not been a lot of response, he suggested several areas of marketing in order to make a more active campaign.

Before continuing with recommendations, President Boothe stated that he wanted the Regents to be aware of graduation activities on May 14. The College of Professional Studies has such a large graduating class that tickets were exhausted in a short time. The ballroom and the theatre will be used for the overflow with televisions available to watch. He indicated that this reveals the shortage of space we have for larger activities.

PRESIDENTIAL RECOMMENDATIONS:

B-1 President Boothe announced the following appointments and asked for approval: Academic Personnel

Sandra W. Easton, Assistant Professor of the Accountancy Department and Associate Provost, paid administrative leave, 7/1/94-12/31/94

Mary Ellen Elsbrend, Associate Professor of Steely Library, partial unpaid leave with benefits, 6/1/94-8/5/94

Resignations:

Sandra W. Easton, from Associate Provost to Assistant Professor of the Accountancy Department 6/30/94

Michael Flannery, Assistant Professor of Steely Library 4/20/94

The recommendations were approved on motion by Regent Smith and second by Regent Crigler.

B-2 President Boothe made a recommendation that James A. Ramage be awarded a Regent Professorship. The President praised Dr. Ramage as a fine academician and pointed out the extensive vita. Regent Poston, chair of the selection committee, said he was impressed with the scholarly commitment that our faculty has put into academic endeavors. The recommendation was approved on motion by Regent Poston and second by Regent Taliferro. Regents Professorship

B-3 The President recommended approval of non-academic personnel actions presented with report attached to these minutes. The recommendation was approved on motion by Regent Smith and second by Regent Downing. Non-academic Personnel

B-4 (a) President Boothe recommended the attached policy, Staff Regent Election Rules and Regulations, be appended to the Policy and Procedure Manual, in compliance with House Bill 154 as signed into law by Governor Jones on February 24, 1994. It was noted that a committee developed the policy based on House Bill 154. The recommendation was approved on motion by Regent Crigler and second by Regent Smith. Staff Regent Election

B-4 (b) It was recommended by the President that the Regents approve the attached revised Temporary Disability/Family and Medical Leave Policy for inclusion in the Personnel and Procedures Manual. It was noted that much time and work was put into this policy and it has been reviewed by legal counsel. The recommendation was approved on motion by Regent Thomson and second by Regent Taliferro.

Temporary Disability Family & Medical Leave

B-5 It was recommended that the Board of Regents, in accordance with the Board's approval of the Land Acquisition Study on May 6, 1992, ratify the acquisition of the following parcels:

245 Johns Hill Road - acquired 10/1/93 for $90,000
506 Johns Hill Road - acquired 10/28/93 for $115,800

The motion received approval on motion by Regent Downing and second by Regent Smith.

Land Acquisition

B-6 It was recommended that the Board of Regents authorize the President to enter into a lease agreement with option to purchase with the Northern Kentucky University Foundation for the property at 303 Johns Hill Road. On motion by Regent Smith and second by Regent Downing, the recommendation received approval.

Lease of property from Foundatio

B-7 The President recommended that the Board authorize the Assistant Vice President for Business Affairs/Treasurer to write off bad debts totalling $40,617.84. The President complimented the Business Affairs area, especially the Bursar Operations under the directorship of Bob Neumann, for the fine job of reducing bad debts over 100% from last year - $81,000 in 1993 to $40,000 in 1994. It was explained that when bad debits are written off, any individual involved will have a hold on their records. The motion by Regent Thomson and second by Regent Poston received approval.

Bad debt write-off

B-8 President Boothe recommended that the 1994-95 Operating Budget of the University be approved for a total of $65,500,000 and that the President be authorized to prepare a detailed budget within the general limit established by this recommendation. A detailed budget will be prepared and presented for ratification in July.

94-95 Operating Budget

The President noted that a state budget has not been passed, but an assumption was made that it will be passed with a 2% increase over last year. He stated that this was the tightest budget yet and even though the demands on the University increase. there is a lack of resources available. Only 1% of the budget has been put into reserves in order to stretch resources for other areas.

The motion to approve the budget was made by Regent Smith. It was seconded by Regent Taliferro and was passed.

In further discussion, it was noted that there will be a new formula funding program by the Council on Higher Education based on performance and there does not seem to be a clear picture at this time. It was further noted that Northern received the least per capita funding of any other state institutions with the exception of Community Colleges. A comparison was given that indicated Northern was funded at $2,689 for each full-time student as compared to $7,421 for Kentucky State. The next university was Eastern at $3,381. Formula Funding by CHE

There was discussion held whether there could be any legal recourse for more fund, such as the elementary schools have done. Regent Taliferro moved that the Board authorize University Legal Counsel to conduct a study of the legal avenues that could be pursued to address the issue of more equitable funding in higher education. A preliminary study will be presented at the July 27 meeting of the Board. The motion was seconded by Regent Downing and was passed by the Board.

The meeting recessed at 5:35 p.m. for Executive Session to discuss personnel, legal, and property matters. The motion was made by Regent Downing and seconded by Regent Thomson. Executive Session

The meeting reconvened at 7:35 p.m.

Regent Downing reported that the Board had gone over appraisals of the President's performance which indicated a positive evaluation point increase of 11.4% based on an unweighted format of 37 different traits of the President. Regent Downing moved that because of the positive evaluation the President receive a 3% salary increase for the following year. The motion, seconded by Regent Taliferro, was unanimously passed. Pres. Performance Evaluatio

B-9 It was recommended that Candidate A be named as the 1994 Nancy J. Boothe Award recipient. The motion passed with motion by Regent Thomson and second by Regent Downing. Nancy J. Boothe Award

Before adjourning, President Boothe called attention to various dates:

Council on Higher Education Meeting at Northern, May 15 & 16
Commencement - May 14
Annual Golf Outing - June 22
Foundation Summer Dinner Theatre - June 23 & 29

BOARD OF REGENTS MEETING
July 27, 1994

The regular meeting of the Board of Regents of Northern Kentucky University was called to order at 4 p.m. on Wednesday, July 27, 1994 by Chair William Verst. The invocation was given by the Reverend Bill Ellis.

The following new Regents were welcomed to the Board and received the oath of office from the Chair - Barbara Herald, Staff Regent, and Paul Wingate, Student Regent.

Roll Call: Robin Crigler, Frank Downing, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson, William Verst, Paul Wingate, and Robert Zapp. Karen Bearden was excused.

Others: President Leon Boothe, Sheila Trice Bell, Ernest Britton, Carla Chance, Sandra Easton, Peter Hollister, Michael Baker, Sondra Cummins, Daniel Drake, David Dunevant, Carol Eckstein, Nancy Firak, Regina Ford-Fowler, Jack Geiger, Thomas Isherwood, Henry Keene, Russell Kerdolff, Joyce Maegly, Don McKenzie, Ray McNeil, Jane Meier, William Nester, Charles Pettit, Charles Pinder, Norleen Pomerantz, James Ramage, Rogers Redding, Mary Ryan, Angela Schaffer, David Short, Julia Taylor, Allen Thomas, Steven Weiss, Ray Wingate, Clara Wingate, Diane Goetz of Campbell County Recorder, John Buck, Eric Caldwell, and Thomas Embrey of the Northerner.

Carla Chance, Vice President for Administration, presented an overview as well as a slide presentation showing various areas which constitute the administrative affairs section. It was enlightening to see many improvements being made as well as calling attention to various areas that needs maintenance in spite of dwindling budget dollars.

Chair Verst called upon Regent Crigler to give the report of the Nominating Committee. Regent Crigler reported that the committee recommended the following slate of officers:

Alice Sparks - Chair
James Poston - Vice Chair
Robert Zapp - Secretary/Treasurer

The chair asked for further nominations. No further nominations were made. Regent Downing made a motion that the slate presented be elected by acclamation. The motion, seconded by Regent Crigler, received unanimous approval.

Regent Sparks accepted the responsibility and thanked the Regents for their confidence in her. Ms. Sparks recognized Regent Verst's leadership and loyalty to the Board and the University.

Regent Verst thanked Ms. Sparks for filling in for him during his recent illness and also thanked the Board for their confidence and cooperation while he was chair.

President Boothe recognized several individuals and areas: Congratulated Barbara Herald and Paul Wingate on becoming Regents. Introduced the Regents Professor, James Ramage, a distinguished faculty member. Introduced the Outstanding Professor of the Year, Sharlotte Neely. Recognized the Governor's Scholars program which is here this summer and indicates that the program will return next year. Congratulated Alice Sparks as new Chair of the Board citing her commitment and dedication to this University. Thanked William Verst for his past years of service and knew his commitment to this University would continue.

PRESIDENT REPORTS:

A-1 The President called attention to the Grant and Contract activity noting that while the number of approvals were up, the amount of funds received was down which is indicative of the economy. — Grants & Contracts

A-2 President Boothe highlighted the Campus Planning Report attached to these minutes. — Campus Planning

A-3 An interim financial report was presented. The audited financial report for FY 93-94 will be available later. The President noted that many departments did a fine job of holding down expenses in a very trying year. — Financial Report

A-4 The summer semester enrollment figures showed a decline of students in this semester. President Boothe said that he expected a flat enrollment in the fall. — Enrollment

PRESIDENTIAL RECOMMENDATIONS:

B-1 The President recommended that the Academic Affairs personnel actions listed in B-1 of the attachments be approved. The motion by Regent Sparks and second by Regent Zapp to approve the recommendation was passed. — Academic Personnel Actions

B-2 President Boothe presented a list of temporary appointments (list attached to the minutes) asking for approval. The list was approved on motion by Regent Thomson and second by Regent Downing. — Temporary Faculty

B-3 It was recommended by the President that Helen Annette Chavez, Professor in the School of Education, receive Emeritus status. The recommendation was approved on motion by Regent Taliaferro and second by Regent Poston. — Professor Emeritus

B-4 President Boothe presented a revised Faculty Policies and Procedures Handbook for approval. He stated that the handbook received the endorsement of the Faculty Senate and the Provost. The President outlined a few of the changes that were being made. Regent Poston asked if the law school faculty was addressed in the handbook. It was pointed out that there was a separate handbook for law school faculty which that faculty is in the process of reviewing. Regent Sparks moved the approval of the handbook. The motion, seconded by Regent Thomson, was passed.

Faculty Policies & Procedures Manual

B-5 The President recommended that program terminations and consolidations outlined in B-5 attached to these minutes be approved. This is a result of the work of the Higher Education Review Commission and their request that each university review their programs in order to minimize duplication. The recommendation received approval on motion by Regent Sparks and second by Regent Zapp.

Program Terminations and Consolidations

B-6 It was recommended by the President that authorization be given for the implementation of a Phased Resignation Program and a Retirement Incentive Program for faculty. Outlines of both programs are attached to the minutes. The authorization was given on motion by Regent Crigler and second by Regent Thomson.

Phased Resignation and Retirment Incentive

B-7 The non-academic personnel actions (list attached to these minutes) were presented by the President for the Board's approval. The motion by Regent Poston and second by Regent Downing received approval.

Non-academic Personnel

B-8 Deferred until after Executive Session.

Administrative

B-9 An Athletic Field Master Plan was presented by the President, who explained the plan in detail. Regent Wingate asked if provision could be made for outdoor basketball courts. Regent Thomson said he was concerned about parking areas being taken. Regent Taliaferro asked if there could be some provision made for basketball courts. Vice President Chance said she would look into the situation. The Master Plan received the approval on motion by Regent Sparks and second by Regent Wingate.

Athletic Field Master Plan

B-10 President Boothe recommended that the Administration be authorized to proceed with demolition of the house at 2626 Alexandria Pike as this was part of the agreement with the owner when purchased. The recommendation was approved on motion by Regent Downing and second by Regent Sparks.

BOARD OF REGENTS MEETING
September 28, 1994

The September meeting of the Board of Regents of Northern Kentucky University was called to order at 4 p.m. on Wednesday, September 28, 1994 by Chair Alice Sparks. Invocation was given by the Reverend Bob Cain, Methodist campus minister.

Regent Sparks welcomed all to the meeting.

Roll Call: Karen Bearden, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson, William Verst, Paul Wingate, and Robert Zapp. Excused were: Robin Crigler and Frank Downing.

Others present: President Leon Boothe, Elzie Barker, Sheila Trice Bell, Carla Chance, Paul Gaston, Peter Hollister, Rosetta Mauldin, Norleen Pomerantz, James Alford, Delores Anderson, Mike Baker, Bob Cain, Leo Calderon, Sonda Cummins, Carol Eckstein, Ron Ellis, Nancy Firak, Bill Lamb, Rick Meyers, Becky Myers, William Nester, Mary Ryan, Mary Paul Schuch, Marian Winner, Officers of Staff Congress - Chuck Pettit, Claire Newman, Barb Culp, and Steve Olding of the Campbell County Recorder.

President Boothe introduced special guests: Officers of Staff Congress - Chuck Pettit, President; Claire Newman, President Elect, and Barb Culp, Secretary. Steve Olding, an alumni and a representative of the Campbell County Recorder, was also introduced by the President.

The minutes of the July 27, 1994 meeting were approved on motion by Regent Verst and second by Paul Wingate.

PRESIDENTIAL REPORTS:

A-1 The President called upon Delores Anderson, Director of Affirmative Action, to give a Kentucky Plan Update. It was reported that according to data based on 1992-93 academic year, Northern made progress in five areas and lost ground in three. The overall progress was measured at +102 percent which was the best achievement in the Commonwealth. Data from the 1993-94 academic year showed significant progress in five areas, including an increase in the number of African-American Kentucky resident graduate students. Ms. Anderson further stated that while this indicates progress, Northern still has a distance to go. Ky. Plan Update

A-2 President Boothe reported that Summer enrollment showed the first decline in many years - 7.5% in headcount and 6.3% in full time equivalent. Provost Gaston is studying areas to make our summer program more attractive to students. This decrease is about average of what happened throughout the Final Summer Enrollment

state, according to the President.

A-3 Preliminary statistics for Fall show a flat enrollment figure. This figure is good compared to some universities who are down 4%. Community colleges had a dramatic decrease, according to the President. Preliminary Fall Enrollment

PRESIDENTIAL RECOMMENDATIONS:

B-1 It was recommended by the President that an amendment (attached to these minutes) to the Retirement Incentive Program be approved. Approval was received on motion by Regent Thomson and second by Regent Zapp. Retirement Incentive Program Amendment

B-2 President Boothe recommended the following Academic Affairs personnel actions: Academic Personnel Actions

Appointment of Donna B. Smith as Assistant Professor of Library Sciences effective August 22, 1994.

Unpaid family and medical leave with benefits for Laura A. Sullivan from October 27 to November 30, 1994

Resignation of Donald R. Welti, Associate Professor of Psychology, through the Retirement Incentive Program, effective September 28, 1994.

The recommended was given approval on motion by Regent Wingate and second of Regent Verst.

B-3 The President recommended a list of temporary faculty appointments which is attached to these minutes. The recommendation was approved on motion by Regent Beardon and second by Regent Zapp. Temporary Faculty Appointments

B-4 It was recommended by the President that Donald R. Welti receive Emeritus status which has endorsement of the faculty, the chair, the dean, the provost and the president. The recommendation received approval on motion by Regent Verst and second of Regent Zapp. Emeritus Professor

B-5 President Boothe recommended the following administrative personnel actions: Administrative Actions

Ernest Britton as Executive Director for Student Programs, effective August 8, 1994 through September 30, 1995.

Leo Calderon, Executive Assistant to the President, effective August 15, 1994 through August 31, 1995.

The actions were approved as recommended on motion by Regent Wingate and second by Regent Thomson.

President Boothe introduced Marian Winner, Director of Steely Library. He noted that through all of the library construction a positive attitude of the library staff prevailed in spite of difficult conditions, thanks to the leadership of Ms. Winner. Ms. Winner announced that Friends of the Library had met today and are planning for the dedication of the library addition.

The Board recessed for Executive Session at 4:20 to discuss some legal and property issues. Motion to recess was made by Regent Thomson and second by Regent Taliferro.

The Board reconvened at 5:10 p..m.

It was moved by Regent Thomson that the Board formally endorse the restriction of a commercial curb cut on Nunn Drive. The motion, seconded by Regent Taliferro, was passed by unanimous vote.

Regent Taliferro moved that the University administration be authorized to explore the feasibility of an exchange of land with the Kentucky Baptist Convention. The motion, seconded by Regent Herald, was passed by unanimous vote.

The President called attention to several dates:

Council on Higher Education scheduled for tonight was changed to October 20. All were urged to attend as this is a very important meeting.

Board Retreat on October 14 at Ft.Mitchell Country Club.

Foundation Appreciation Dinner on November 10.

President Boothe recognized Ron Ellis and his work on the Founder's Day activities as it was a very successful evening. The President said he was pleased with the turnout and felt that everyone who attended had enjoyed the activities.

The meeting adjourned at 5:15 p.m.. on motion by Regent Wingate and second by Regent Thomson.

Board of Regents Meeting
November 30, 1994

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, November 30, 1994, by Chair Alice S. Sparks. The invocation was given by Father Frank Schott - Catholic Newman Center.

Chair Sparks reported that applications had been accepted from the University Community and interviews were conducted for the Assistant Secretary vacancy and that she and President Boothe recommend Carol Eckstein to fill the vacancy. Upon a motion by Regent Verst, seconded by Regent Crigler, the recommendation was passed unanimously.

Roll Call: Robin Crigler, Frank Downing, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson, William Verst, Paul Wingate

Others present: President Leon E. Boothe, Elzie Barker, Sheila Trice Bell, Carla Chance, Paul Gaston, Peter Hollister, Norleen Pomerantz, Tom Cate, Vanessa Johnson, Danny Miller, Alice Rini, Linda Olasov, Charles Frank, Nancy Firak, Mark Stavsky, Marty Huelsmann, William Nester, Rosetta Mauldin, Delores Anderson, Leo Calderon, Dan Seibert and Mike Sewell (Deloitte & Touche), Mike Baker, Russ Kerdolff, Steve Olding - Recorder Newspapers, Tom Isherwood, Tom Comte, Rogers Redding, Stephanie Baker, Michael Berry, Chuck Pettit, Meg Winchell, Arden Geers, Roger Black, Carol Crowley, Helen Wilhelm, Dorothy Gammon, Ernest Britton, Ron Ellis, Deanna Calvert, Joyce Maegly, Sonda Cummins, Debra Vance - The Kentucky Post, Marilyn Gosney, Connie Hurst, Marian Winner, Allen Singer, Rhonda Saccone, Bob Sprague, Bill Lamb, and John Bach - The Northerner.

Chair Sparks welcomed everyone to the meeting and thanked Dolores Thelen for her service as Interim Assistant Secretary.

Chair Sparks recognized and extended congratulations to the following: Past Chair William Verst, Northern Kentucky University Foundation Public Service Award Recipient; Regent Frank Downing recently named Owen County RECC Chairman and CEO; and Carla Chance appointed to Kentucky Health Purchasing Alliance Board.

President Boothe recognized the 1994 Regents' Distinguished Service Recipients Dan Spence, Connie Hurst, Vanessa Johnson and Roger Black. Dan Spence, who began his career at Northern Kentucky University in 1986, is Lab Coordinator in the Department of Physics and Geology. Connie Hurst, a fifteen-year employee, is an Administrative Assistant in the Office of the Associate Provost. The Executive Committee of Faculty Senate was recognized by President Boothe: President Nancy Firak, Vice President Tom Cate, Secretary Don Kelm, Parliamentarian Danny Miller, Chair of University Curriculum Committee Linda Olasov, Chair of Faculty Benefits Committee Chuck Frank, Chair of Budget & Commonwealth Affairs Committee Mark Stavsky, Chair of Professional Concerns Committee Alice Rini.

Chair Sparks thanked all of them for attending.

The minutes of the regular quarterly meeting of September 28, 1994 were approved upon a motion by Regent Herald, seconded by Regent Wingate.

Interim Vice President for Student Affairs, Norleen Pomerantz, presented an overview of Student Affairs, including a video presentation showing the various areas that make up the student affairs division. Ms. Pomerantz commented that the Northerner and Student/Faculty/Staff Telephone Directory are both published by students. She also introduced students Rhonda Saccone and Allen Singer and complimented them on their accomplishments in putting together the video. Various members of Student Affairs were recognized and thanked for their role in Student Affairs.

President Boothe thanked Ms. Pomerantz for the fine presentation.

Presidential Reports:

A-1 President Boothe presented the Annual Report, emphasizing that the University is striving to make service better for students with improved systems and programs and commenting on success over the past year with affirmative action with goal to increase minority enrollment. Comments were made regarding space issues, the library expansion, and the Japanese Language School. For the first time in the summer of 1993, NKU hosted the Governor's Scholars Program which brought 350 participants to campus for five weeks. The Embrace Opportunity Campaign completed its first year with $7 million in cash and deferred gifts raised. Dr. Diana McGill, a 1984 alumna and faculty member in the Department of Chemistry, was the recipient of a very significant award of a $10,000 grant from the Camille and Henry Dreyfus Foundation. President Boothe stated that although substantial funding has been lost since 1991, the University has been able to maintain financial stability and effective operations through the strategic allocation of its resources. Pres. Annual Report

At this time President Boothe asked to move to the Audit Committee Report before continuing with the remainder of the Presidential Reports.

Regent Recommendation:

C-1 President Boothe commented on the Audit Committee's Annual Financial Report stating there were no internal control weaknesses. President Boothe introduced Mike Sewell and Dan Seibert from Deloitte and Touche. Annual Financial Report

Mike Sewell, Audit Manager, reported that it had been a smooth transition from the previous auditor. He commented that Deloitte and Touche had received good cooperation from management, there had been no disagreements regarding accounting issues or disclosures, and they had found no weaknesses or areas of concern. He reported that final reports are being wrapped up now; they are substantially complete with only a few small audits to complete. Mr. Sewell commented that he had good cooperation from all of the University's internal audit staff.

At this time Dr. Boothe introduced Mary Rauen, Internal Auditor, and thanked her for her service.

Chair Sparks complimented Deloitte and Touche and University personnel on the smooth transition. Upon a motion by Regent Crigler, seconded by Regent Verst, the President's Annual Report and the Annual Financial Report were approved unanimously.

Presidential Reports:

A-2 President Boothe presented the Grants and Contracts quarterly report and commented that the number of awards received and the totals for dollars approved represent an increase compared to totals for the same period last year. — Grants and Contracts

A-3 The Financial Quarterly Report indicated that all financial information is in order. President Boothe commented that we are exactly where we should be due to good staff that keeps good control on expenditures. — Quarterly Financial Report.

A-4 President Boothe reported on the campus planning progress report indicating that work is still in progress on the Residential Village and the Library Expansion. It is hoped the Library project will be completed by January. Final schematic planning is underway for the Ceramics/Sculpture Facility. A project has been established to evaluate the condition of the lighting control panels in the Theatre and Black Box. The underground steam line replacement should be complete in early December. — Campus Planning

A-5 President Boothe reported that Final Fall enrollment showed a slight decline but he feels NKU came out very well. He stated that most schools had suffered a decline. — Fall Enrollment

A-6 President Boothe reported on the Professional Liability Report stating that our professional liability insurance coverage expires very soon and that he recommends contract be awarded to John J. and Thomas R. Schiff and Company (Cincinnati Insurance). — Prof. Liability Report

Presidential Recommendations:

B-1 President Boothe recommended approval of the following academic personnel actions: — Academic Personnel Actions

Faculty Appointments: Jack O'Gorman, Assistant Professor of Library Science in the W. Frank Steely Library, effective December 5, 1994; and Georgena P. Thomas, Lecturer and Assistant Dean of the College of Business, effective November 21, 1994.

JAN 25 1995

Board of Regents Meeting
January 25, 1995

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, January 25, 1995, by Chair Alice S. Sparks. The invocation was given by the Reverend Harold Orndorff, Christian Student Fellowship.

Roll Call: Robin Crigler, Frank Downing, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson, Paul Wingate and Robert Zapp.

Others present: President Leon E. Boothe, Elzie Barker, Steve Olding - Recorder Newspapers, Marian Winner, Carla Chance, William Nester, Norleen Pomerantz, Mary Paula Schuh, Karla Scoon - Enquirer, Mary Ryan, Rosetta Mauldin, Peter Hollister, Sheila Trice Bell, Paul Gaston, Leo Calderon, Bob Neumann, Mike Baker, Angela Schaffer, Tom Isherwood, Rogers Redding, Linda Wright, Jermane Enoch, Chuck Pettit, Harold Orndorff, Nancy Firak, Delores Anderson, Debra Vance - The Kentucky Post, Bill Lamb, Sonda Cummins, Eric Caldwell and Jim Bach - The Northerner.

Chair Sparks asked if there were any corrections to the minutes of the regular quarterly meeting of November 30, 1994. There being no changes or corrections, the minutes will stand as presented.

Presidential Reports:

A-1 President Boothe presented the Grants and Contracts quarterly report noting that the number of requests and dollar value of the approved grants had increased and that he feels this is quite impressive. Grants and Contracts

A-2 President Boothe presented the Campus Planning Report noting that the bulk of the work on the library expansion project will be complete by January 30 and that work is continuing on the new and existing elevators. The steam line replacement project is complete with the exception of repair of disturbed lawn areas. President Boothe noted that we are trying to improve air quality and quantity with the Fine Arts HVAC upgrade project. The design of the Ceramics/Sculpture Facility is over budget and evaluation of the project and its cost is underway. The Theatre/Black Box lighting control replacement is another area where age is a factor, we are starting to see some maintenance issues catch up. The Network Cabling installation project will bring the campus into the age of technology. Campus Planning

A-3 President Boothe commented that the quarterly financial report had been presented to the Administration and Finance Committee and that the figures are very much where they should be, reflecting good team effort at this University. Quarterly Financial Report

A-4 President Boothe reported on the preliminary enrollment figures for spring stating that the figures were slightly lower than anticipated. He feels the decline reflects the state of the economy but that we will be within the budgetary figures we planned for. Prelim. Spring Enrollment

A-5 President Boothe reported on the 1995 summer fellowship awards, applauding the faculty who received the awards and the very interesting projects on which they are working. The following faculty have been approved for awards: Summer Fellowship

Paige Byam	Rudy L. Garns	Cynthia McDaniel
Jerry H. Carpenter	Jon Hastings	John J. Metz
Steven R. Chicurel	Sally A. Jacobsen	James Niewahner
Sandra Forman	Yushi Li	Andrew Taylor

A-6 President Boothe reported on the 1995-96 faculty project grant recipients commenting that it is a very impressive list. The awards are given after selection by a review committee of peers and presentation to the Provost. Faculty approved for grants follow: Faculty Project Grants

Barry Anderson	Larry A. Giesmann	Rudy L. Garns
Marjorie E. Artzer	Andrew Kipnis	J. Michael Thomson
Jerry H. Carpenter	Yushi Li	Stephen C. Walker
Donald K. Cobb	Terry G. Pence	Connie Carroll Widmer

A-7 President Boothe reported on the 1994 alumni award recipients chosen by the Alumni Council and commented on their very impressive credentials. The awards will be presented at the February 10 annual Alumni Awards Banquet. Alumni Award Recipients

President Boothe reported on the 1994 Accountability Report which was issued in December 1994 by the Council on Higher Education. This was the second annual report based on the institutional indicators specified in Kentucky statute KRS 164.095. Overall, NKU ranked best in alumni satisfaction, and in licensure pass rates, NKU performed best in teacher education. Overall, NKU comes out very well. Account-ability Report

A-8 Regent Zapp gave an oral report on Embrace Opportunity stating we are 80 percent on way to base goal. Northern Kentucky corporate donations, which were lagging, have picked up and have exceeded base goal. Regent Zapp is impressed with the job Bill Nester is doing. $158,000 has been committed, over three years, for Chase by an anonymous donor and $15,000 has been committed by J. C. Penney. Things are looking up and we should exceed what goals were, which is quite an accomplishment. Regent Zapp is very encouraged and feels everyone involved should be applauded. Embrace Oppor.

Presidential Recommendations:

B-1 President Boothe recommended the following academic personnel actions for Board approval and commented that the retirements are the first under the Retirement Incentive Program: Academic Personnel Actions

Upon a motion by Regent Wingate, seconded by Regent Downing, the recommendation passed with eight aye votes and one abstention by Regent Thomson.

B-4 President Boothe recommended approval of the non-academic personnel actions for the period October 1 through December 31, 1994, and commented on the length of service of two of the retirees, namely Roberta Brinkley, Chase Law, 20 years service; and Ralph Martz, Campus Planning, 22 years service. Upon a motion by Regent Thomson, seconded by Regent Zapp, the recommendation passed with eight aye votes and one abstention by Regent Herald. Non-Academic Personnel Actions

B-5 President Boothe recommended the appointment of Linda Kirk Price, Assistant Director - Embrace Opportunity Campaign, effective October 10, 1994 through November 10, 1995. President Boothe commented that Ms. Price has a very strong background and he feels fortunate to have her in the short-term. Upon a motion by Regent Downing, seconded by Regent Wingate, the recommendation passed with eight aye votes and one abstention by Regent Herald. Admin. Personnel Actions

B-6 President Boothe presented the 1995-96 tuition schedule stating that the Council on Higher Education mandates the rates and that individual Boards are required to adopt these. The CHE does a survey as to what other states are doing compared to income level for Kentuckians based upon ability to pay according to Kentucky standards. Regent Poston questioned why increase percentage for the law school is almost twice that of undergraduate. President Boothe replied that law schools pay full cost and that professional schools are always higher. Upon a motion by Regent Zapp, seconded by Regent Herald, the recommendation passed with eight aye votes and one no vote by Regent Wingate. Tuition Schedule

B-7 President Boothe presented the 1995-96 fee schedule stating that it is customary to do so at the January quarterly meeting to provide students with ample planning time. The proposed fees have been shared with constituent groups on campus. There is no change in most fees. The major change or new fees include a technology fee, a support of learning surcharge, an all-card ID system fee, and increases in parking fees. Upon a motion by Regent Taliaferro, seconded by Regent Wingate, the recommendation passed unanimously. Fees Schedule

B-8 President Boothe recommended the upward amendment of the 1994-95 operating budget to provide for the distribution of surplus revenue by the state. Upon a motion by Regent Thomson, seconded by Regent Zapp, the recommendation passed unanimously. Operating Budget Adjustment

B-9 President Boothe recommended that the Board approve the 1994-2000 Capital Plan. Although the Natural Science Building is still the first priority, land acquisition remains a high priority. Upon a motion by Regent Herald, seconded by Regent Wingate, the recommendation passed unanimously. Six-Year Capital Plan

Chair Sparks asked for reports from the three committees:

Regent Thomson reported on the Academic Affairs Committee meeting stating several items had been discussed. The Association of Governing Boards has proposed a Higher Education Accrediting Board with national accrediting standards. Regent Thomson moved that Northern Kentucky University support this proposal. Upon a second by Regent Taliaferro, the motion passed unanimously.

Regent Thomson reported that the Academic Affairs Committee requests the following tuition resolution be taken to the Council on Higher Education:

Whereas:

1) Tuition increases combined with state support decreases has resulted in the shifting of more costs to students in the past decade.
2) Northern Kentucky University is the most tuition reliant public university in the state.
3) The impact of repeated tuition increases has resulted in:
..a dramatic increase in student use of loans to pay for education.
..more students working full-time and going to NKU full-time
..students delaying their graduation time-table until they can afford their education.

Be it resolved by the Regents of Northern Kentucky University on this day, January 25, 1995 that:

1) We support a long-term baseline funding level that will not be eroded through tuition increases.
2) We support continued tuition increases only when they are matched by increases in state support dollars.
3) We urge the Council on Higher Education to advocate both permanent baseline funding and tuition increases matched state support dollars.

Upon a motion by Regent Thomson, seconded by Regent Wingate, the motion passed unanimously.

Regent Taliaferro stated that at the next Board meeting he would like for there to be a notebook-style presentation or overview of recruitment in the interest of diversification. President Boothe agreed we will have a presentation.

Regent Taliaferro also commented on the Paver Program and moved that at the next Board meeting the administration present a written plan that would involve a campaign base/challenge goals timetable. Upon a second by Regent Thomson, the motion passed unanimously.

Regent Poston reported on the Student Affairs/Advancement Committee meeting, stating the Committee tried to focus on issues of student access at NKU. At the next monthly meeting, enduring goals will be discussed with the Committee.

Regent Zapp reported on the Administration and Finance Committee meeting. Items on the agenda included quarterly financial report, the fee schedule and projects in the six-year plan. Future agenda items will include the investment policy of the University, cash management policy, and debt capacity. Regent Zapp stated he will be reporting back as the Committee moves forward.

President Boothe, on behalf of the staff, commented that he is very enthused and pleased about the committee approach and that the Board reports to him it has gone very well. Chair Sparks expressed her pleasure also and thanked everyone for their reports.

President Boothe called attention to dates of upcoming events and urged everyone to attend as many events as possible.

President Boothe announced that Norleen Pomerantz should be congratulated as she has completed work on her Ph.D. and is now Dr. Pomerantz.

Regent Thomson moved that the Board convene in executive session to discuss property matters. On a second by Regent Herald, Board moved into executive session at 5:40 p.m. The Board reconvened in public session at 6:50 p.m. Exec. Session

Regent Poston moved that the Board authorize the administration to work with the Commonwealth to remove certain deed restrictions of a potential real estate transaction discussed in executive session. Upon a second by Regent Taliaferro, the motion carried with eight aye votes and one abstention by Regent Taliaferro.

Adjournment:

Upon a motion by Regent Thomson, seconded by Regent Zapp, the meeting adjourned at 6:55 p.m.

Board of Regents Meeting
March 22, 1995

The special meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, March 22, 1995, by Chair Alice S. Sparks. The invocation was given by the Reverend Bill Ellis, Baptist Campus Minister.

Roll Call: Karen Bearden, Robin Crigler, Frank Downing, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson and Paul Wingate.

Others present: President Leon E. Boothe, Steve Olding - Recorder Newspapers, Linda Wright, Dolores Thelen, Delores Anderson, Joyce Maegly, Becky Meyers, Nancy Firak, Carla Chance, Mary Ryan, Paul Gaston, Norleen Pomerantz, Sheila Trice Bell, Peter Hollister, Leo Calderon, Mike Baker, Tom Isherwood, Tom Comte, Rogers Redding, Chris Comte, Deanna Calvert, Marian Winner, Mary Paula Schuh, Rosetta Mauldin, and Jim W. Bach - The Northerner.

Chair Sparks introduced Athletic Director Jane Meier and thanked her for all her efforts involved with hosting the NCAA tournament. Ken Shields was not present as he was attending the Elite Eight but congratulations have been extended to him. Some of the team's stats Chair Sparks shared included: the team's overall record of 25-4, Ken Shields named Coach of the Year in the GLVC, LaRon Moore named to GLVC All-Conference First Team, Reggie Talbert named to GLVC All-Conference Second Team, Ryan Schrand Honorable Mention on the GLVC All-Conference Team, and Shannon Minor All-Tournament Team recognition during the NCAA Great Lakes Regional Championship.

Chair Sparks recognized Walter Corbean, Assistant Coach, and asked him to introduce and comment on the accomplishments of three of the players who were present: Andre McClendon, Shannon Minor, and Reggie Talbert.

President Boothe commented that Coach Corbean, who is also an Academic Advisor, helps keep priorities in line by emphasizing the importance that players be good students as well as good athletes. He added that of all the teams he has seen, this will be the team he remembers most, a team that played well and at all times represented the University well.

Chair Sparks asked if there were any corrections to the minutes of the regular quarterly meeting of January 25, 1995. There being no changes or corrections, the minutes will stand as presented.

President Boothe announced that Sheila Trice Bell was the recipient of the Thomas S. Biggs, Jr. Award which is presented for dedicated legal service to the University community by the National Conference on Law and Higher Education.

President Boothe also announced that Chair Alice Sparks had just recently been named as one of the Enquirer Women of the Year which is quite an accomplishment.

Chair Sparks congratulated President Boothe on becoming a grandfather for the first time, Katherine was born Saturday, March 18.

Presidential Reports:

A-1 President Boothe presented the A-133 Audit Report noting that the results of the audit were very favorable with no material weaknesses noted. Only one recommendation was made concerning the University maintaining a master list of required reports which need to be filed and respective due dates for all grants. This recommendation has been accepted by the University. At this time President Boothe recognized Mike Baker and thanked him and his team for their hard work. — A-133 Audit Report

A-2 President Boothe commented on the Steely Library Paver Project report prepared by the Vice President for Development to bring the Board up to date on what has happened. Extensive effort has been made to make this project known to everyone. Regent Taliaferro stated that there would be an active campaign from April 7 through May 7. A number of people have already agreed to serve on this month-long campaign, they are: the four Deans, Regents Thomson, Herald and Wingate, Nathan Smith, and Ernest Britton. Peter Hollister will chair this committee. Nancy Firak, Paul Gaston and Leon Boothe have volunteered to do some speaking and we will try to have a base goal of 500 pavers and a challenge goal of 1,000 pavers. — Steely Library Paver Project

A-3 Peter Hollister gave an oral report on Embrace Opportunity stating he was pleased to say we had a $340,000 month since the last report and are almost at the $8.3 million mark now. He feels very good about some things that are happening. There was a major anonymous gift of $200,000. — Embrace Opportunity

President Boothe called attention to dates of upcoming events, noting that Bud Pogue and John Pepper are the recipients of the Lincoln Award which will be presented on April 11. The Steely Library Dedication Social is April 27 and Commencement is May 13.

Chair Sparks asked for reports from the three committees:

Student Affairs/Advancement Committee:

Regent Poston stated there was nothing further to report as everything was covered in the Steely Library Paver Project Report, A-2. Committee Reports

Academic Affairs Committee:

Regent Taliaferro reported that the committee discussed accreditation and requested a notebook be provided. Also discussed re-inventing the University. President Boothe stated re-inventing the University is one of the items that will be discussed at the upcoming President's Staff retreat. A retreat with the Board will be planned later to talk about these issues.

Administration and Finance Committee:

Regent Herald reported that budget and student enrollment were discussed. Ms. Chance stated that information from the Funding Model Work Group concerning performance funding had been distributed and discussed as well as the financial situation of the campus.

Chair Sparks announced the following committee appointments: the 1995 Nancy J. Boothe Award, Regent Taliaferro to chair; Presidential Evaluation, Regent Downing to chair; and the 1995 Regents Student Award, Regent Crigler to chair.

Regent Bearden moved that the Board convene in executive session to discuss property and legal matters. On a second by Regent Crigler, Board moved into executive session at 4:55 p.m. The Board reconvened in public session at 6:08 p.m. Exec. Session

Adjournment:

There being no further business, upon a motion by Regent Bearden, seconded by Regent Thomson, the meeting adjourned at 6:10 p.m.

Board of Regents Meeting
May 3, 1995

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, May 3, 1995, by Chair Alice S. Sparks. The invocation was given by Dr. Paul Gaston, Provost and also Deacon of Trinity Episcopal Church.

Roll Call: Frank Downing, Barbara Herald, James Poston, Alice Sparks, Philip Taliaferro, Michael Thomson, William Verst and Paul Wingate.

Others Present: President Leon E. Boothe, Elzie Barker, John Bach, Shannon Jones, Thomas Roose, Abdeljalil Elayyadi, Julia Taylor, Bruce Hill, Gwendolyn Steffen, Russ Proctor, Mary Lee Chance, Carla Chance, Delores Anderson, Peter Hollister, William Nester, Sheila Trice Bell, Paul Gaston, Leo Calderon, Mike Baker, Tom Comte, Rogers Redding, Tom Isherwood, Linda Sheffield, Nancy Firak, Mary Paula Schuh, Rosetta Mauldin, Dolores Thelen, Chuck Pettit, Debra Ann Vance - The Kentucky Post, Marian Winner, Bill Lamb, Sonda Cummins, Connie Hurst, Lenore Chambers, Ljubomir Nacev, Helen Wilhelm-Olsen, Ron Ellis, Joyce Maegly, Elizabeth Blincoe.

Chair Sparks welcomed everyone to the meeting and commented that it is nice to see so many present. She also thanked Marian Winner for all her efforts in the successful opening of the library addition and congratulated her on a nice event.

President Boothe presented Student Regent Paul Wingate with a resolution of the Board recognizing his year of service to the University Board. The resolution read as follows:

> That the Board of Regents and the entire University community extend sincere appreciation to Paul Wingate, who has served as Student Regent of Northern Kentucky University. Mr. Wingate has given generously of his time, talent, and leadership to further the ultimate goals of the University and has served as an advocate of the institution, its faculty, staff, and alumni.

President Boothe expressed his appreciation and commented on the successful future awaiting Regent Wingate.

President Boothe extended congratulations to NKU's computer team Jason Rust, Robert Chambers and Jeff Pyle, coached by Professor Robert England, and commented that they did so well in the national competition that they were invited to the international competition. All NKU team members were undergraduates while most of the other schools were represented by students in masters and doctoral programs. Our team came in nineteenth in the world.

President Boothe asked Dolores Thelen to come forward and announced that Dolores will be retiring as of June 30. He commented on her exemplary service to the University and stated that she will be enormously missed.

President Boothe announced that Student Government, under the leadership of Paul Wingate, had brought forth earlier in the year a resolution about having a commencement ceremony for the winter, this has also been of interest to some members of the Board. Beginning with winter commencement 1996, NKU will start having a mid-year commencement ceremony. Congratulations to Paul Wingate on his initiative in getting this accomplished.

At this time Chair Sparks requested President Boothe to introduce the 1995 Student Award recipients.

Presidential Reports:

A-5 President Boothe introduced the 1995 University-wide student award recipients and commented on their outstanding accomplishments. They are: Student Awards

Regents Award	Shannon M. Jones
President's Award	Abdeljalil Elayyadi
Paul J. Sipes Award	Thomas A. Roose
University Service Award	Julia A. Taylor
Excelsior Award	Bruce Hill
Faculty Senate Award	Gwendolyn S. Steffen

Chair Sparks congratulated all the recipients and wished them well on behalf of the Board.

The minutes of the March 22, 1995, special meeting were approved on a motion by Regent Verst, seconded by Regent Wingate.

Presidential Reports:

A-1 President Boothe presented the grants and contracts quarterly report stating it was a positive report as funds approved were up over one percent and number of approvals was up 52 percent. Progress is very impressive which reflects positively on the faculty. Grants and Contracts

A-2 President Boothe reported on the campus planning report stating the library expansion project is complete and dedication ceremonies had been held. Contract has been awarded and work will begin shortly on Fine Arts HVAC Upgrade. The Ceramics/Sculpture Facility is under design and an early Fall groundbreaking is anticipated. The initial design on the Network Cabling Installation, which is very critical in terms of technology, is well underway. Campus Planning

A-3 The Quarterly Financial Report was presented by President Boothe who commented that the University is very much in control of expenditures and all financial information is in order. Quarterly Financial

A-4 President Boothe presented final spring enrollment statistics which show a headcount decrease of 0.8 percent and a FTE decrease of 1.3 percent and commented that many other schools had a decline in enrollment this spring. Final Spring Enrollment

A-6 Bill Nester reported that he had met with Regent Zapp and reviewed the success of the Embrace Opportunity Campaign which currently stands at $8.4 million. There are a number of proposals out which should spike this amount in the weeks ahead. By the next Board meeting in late July, hope to have reached base goal of $10 million. Vice President Hollister added that the alumni piece of the campaign is presently being organized, that Emerson Brumback, Chief Executive Officer of Bank One, Cincinnati, has agreed to chair that campaign, and an organizational meeting will be held next week. They are very optimistic about this campaign. Embrace Opportunity

Presidential Recommendations:

B-1 — Academic Personnel Actions

President Boothe recommended the following academic personnel actions for Board approval:

Faculty Appointments: Edward E. Fenlon, Dreyfus Postdoctoral Fellow in the Chemistry Department, effective August 1, 1995; and Kristen Pfabe, Assistant Professor in the Mathematics and Computer Science Department, effective August 16, 1995.

Resignations: Stephen Goacher, Associate Professor in the Music Department, effective May 13, 1995; Cynthia Kukla, Associate Professor in the Art Department, effective May 13, 1995; and Nicholas Melnick, Professor in the Education Department (1970) through the Phased Resignation Program, effective with the 1995-96 academic year.

Upon a motion by Regent Herald, seconded by Regent Wingate, the recommendation passed unanimously.

B-2 — Regents Professorship Award

President Boothe recommended that Linda J. Sheffield be awarded a Regents Professorship and stated this had been a unanimous decision. He also commented on her very impressive resume and asked that she stand and be recognized. Regent Poston stated the Committee was extremely impressed with Dr. Sheffield's accomplishments and feel she is truly an educator. He added that he is amazed at all the things she is involved with. Regent Poston added that it is a joy to serve on this committee, as it is always enlightening to see the kind of work our instructors put into being good instructors at NKU. Upon a motion by Regent Poston, seconded by Regent Thomson, the recommendation passed unanimously.

B-3 — Emeritus Faculty

President Boothe recommended that the following individuals receive Emeritus status: Mildred Bork, Associate Professor of the Associate Degree Program in the Department of Nursing; Patricia A. Dolan, Associate Professor of Social Work in the Department of Allied Health, Human Services, and Social Work; Arthur L. Miller, Professor of Psychology in the Department of Psychology; Ralph D. O'Brien, Professor of Industrial Education and Technology in the Department of Technology; Raman J. Singh, Professor of Geology in the Department of Physics and Geology; and William S. Wagner, Professor of Physics in the Department of Physics and Geology. Upon a motion by Regent Thomson, seconded by Regent Verst, the recommendation passed unanimously.

B-4 — Terminal Reappointment

President Boothe recommended terminal reappointment for 1995-96 for Carol Gaumnitz, Accountancy, College of Business. Upon a motion by Regent Verst, seconded by Regent Poston, the recommendation passed unanimously.

B-5 — Non-Academic Personnel Actions

President Boothe recommended approval of the non-academic personnel actions for the period January 1, 1995 through March 31, 1995, and commented on the 22 years of service of Ruth Brennan, who recently retired as Academic Secretary from the Nursing Department. Upon a motion by Regent Herald, seconded by Regent Verst, the recommendation passed unanimously.

B-6	President Boothe recommended that authorization be given to the Assistant Vice President for Business Affairs/Treasurer to write off bad debts totaling $37,161.44. The bad debt write-off represents less than 1.5 tenths of a percent (.0013) of the total monies collected in tuition and fees. Upon a motion by Regent Taliaferro, seconded by Regent Poston, the recommendation passed unanimously.	Bad Debt Write-off
B-7	President Boothe recommended that the 1994-95 operating budget be amended upward $60,664 to reflect proposed budget increase due to small increases in tuition, auxiliary education services, and basketball gate receipts. Upon a motion by Regent Taliaferro, seconded by Regent Thomson, the recommendation passed unanimously.	1994-95 Oper. Budget Adjustment
B-8	President Boothe recommended approval of the 1995-96 Operating Budget for a total of $68,750,000. The budget continues to reflect the decline in state funding assistance. Student tuition and fees are really the primary source of the revenue growth for this University. Approximately $1.1 million for faculty and staff compensation increases will provide a three percent salary pool. Also, $70,000 is added to support a five percent increase for part-time faculty. Upon a motion by Regent Verst, seconded by Regent Taliaferro, the recommendation passed unanimously.	1995-96 Oper. Budget Recommen-dation
B-9	President Boothe deferred this item to Regent Taliaferro who chaired the 1995 Nancy J. Boothe Award Committee. Regent Taliaferro reported the committee had selected two people for the award this year and offered their names for approval. They are: Judith Gibbons, a member of the NKU Foundation Board and co-chair of the Friends of the Fine Arts; and Ken Shields, NKU men's basketball coach who led his team to its first ever conference title with a 25-4 record and who has given a great deal to the University. Regent Taliaferro moved that Judith Gibbons and Ken Shields be co-recipients of the award this year. Upon a second by Regent Poston, the recommendation passed unanimously.	Nancy J. Boothe Award

Regents Recommendations:

C-1	President Boothe commented on the good job done this past year by Deloitte & Touche and recommended that their contact be renewed for one year. Upon a motion by Regent Verst, seconded by Regent Wingate, the recommendation passed unanimously.	Audit Contract Renewal

Other:

Academic Affairs Committee:

Regent Taliaferro reported that the committee discussed the planning process stating we are a month away from having formal NKU objectives that will be approved by the University Planning Commission. The statewide CHE, General Education Transfer Policy, was also discussed. Regent Thomson reported on the success of the recent Academic Affairs Town Meeting, a gathering of faculty and academic staff. Provost Gaston reported that the Council of Partners in Education will sponsor a K-12 Symposium next fall, September 14-16, on effective instruction with reference to KERA.

Administration and Finance Committee:

Vice President Chance reported that this was the third meeting of this committee, and that the 1995-96 budget development and financial arrangement for land acquisition were discussed. Also discussed the CHE Task Force progress on Capital Construction, Funding Model, and technology issues. Pending items for discussion at future meetings will be investment policy and bank depository contract. Regent Herald added that the FRS System will go live June 20.

Student Affairs/Advancement Committee:

Regent Poston advised there was nothing to report as the last meeting was cancelled due to a conflict in scheduling.

President Boothe announced that the May 22 CHE meeting had been cancelled and reminded everyone about Commencement on May 13. Chair Sparks announced that the President's Golf Outing is June 21.

Peter Hollister reported the Paver Project Committee met shortly after the last Board meeting and virtually everything they wanted to do had been accomplished. Nathan Smith and Michael Franke have each authored a very nice appeal letter which, along with a brochure on the pavers, has been sent to every member of the Class of 1993 and Class of 1994. All parents, as well as all graduates of the 1995 class, have also been sent a letter and a brochure. A total of 5,884 letters and brochures have been mailed. Some returns are starting to come in, though not overwhelming. Bricks we presently have orders for are being engraved now and will be ready within the next week. At present 102-103 bricks have been sold.

Chair Sparks requested that Regents Verst, Herald and Zapp serve on the Nominating Committee and plan to report at the July 26 meeting.

Regent Herald announced that October 5 has been scheduled for Staff Awards Day.

Regent Taliaferro commented on the favorable report he had read about the Kentucky Plan in the Kentucky Post. Delores Anderson added that Northern did lead the State by exceeding goals in four areas and making significant progress in two. However, along with most of the other institutions across the state NKU did not meet goal in terms of retention.

Executive Session:

Upon a motion by Regent Thomson, seconded by Regent Downing, the Board convened in executive session at 5:15 p.m. to discuss legal matters. The Board reconvened in public session at 7:00 p.m. Executive Session

B-10 Regent Thomson moved that the Northern Kentucky University facility now known as Main Stage Theatre be permanently renamed the "NKU ____ Theatre" in honor of Candidate A. Upon a second by Regent Taliaferro, the recommendation passed unanimously.

Adjournment:

Upon a motion by Regent Thomson, seconded by Regent Taliaferro, the meeting adjourned at 7:05 p.m.

Board of Regents Meeting
July 26, 1995

The regular quarterly meeting of the Board of Regents of Northern Kentucky University was called to order at 4:05 p.m. on Wednesday, July 26, 1995, by Chair Alice S. Sparks. The invocation was given by Dr. Paul Gaston, Provost and also Deacon of Trinity Episcopal Church.

Chair Sparks administered the oath of office to Student Regent Jamie M. Ramsey and welcomed him to service on the Board.

Roll Call: Robin Crigler, Frank Downing, Barbara Herald, James Poston, Jamie Ramsey, Alice Sparks, Philip Taliaferro, Michael Thomson, and Robert Zapp.
(Excused - Karen Bearden and William Verst)

Others Present: President Leon Boothe, Phil Tworek, Vivian Llambi, Mary Paula Schuh, Carla Chance, Tom Comte, Rogers Redding, Elzie Barker, Gerald Hunter, Norleen Pomerantz, Mary Ryan, Sheila Trice Bell, Paul Gaston, Peter Hollister, William Nester, Leo Calderon, Delores Anderson, Steve Olding - Recorder Newspaper, Ken Ramey, Russ Kerdolff, Theresa Westlund, Rosetta Mauldin, Larry Terrell, Rosalie Terrell, Garry Casson, Chuck Pettit, Tom Isherwood, Susan Grover, Nancy Firak, Tim Yacks, Jennifer Boyd, Jennifer Kennedy, Brian Ellerman, Bill Lamb, Chris Mayhew and Eric Caldwell - The Northerner, Sonda Cummins, Nancy Perry, Ron Ellis and Rick Meyers.

Chair Sparks asked if there were any corrections to the minutes of the regular quarter meeting of May 3, 1995, and special meeting of May 11, 1995. There being no changes or corrections, the minutes were accepted as presented.

Staff Regent Barbara Herald, member of the nominating committee, gave the report of the nominating committee. The 1995 Nominating Committee was comprised of Barbara Herald, Bill Verst and Robert Zapp. The committee recommended the following slate of officers:

Alice Sparks	Chair
James Poston	Vice Chair
Robert Zapp	Secretary/Treasurer

Chair Sparks asked for further nominations. As no further nominations were made, Regent Downing moved that the slate presented be elected by acclamation. The motion, seconded by Regent Thomson, received unanimous approval.

President Boothe congratulated and welcomed Jamie Ramsey to the Board and commented on his service on the Council on Higher Education Board last year. President Boothe also extended congratulations to Regent Downing on the birth of his grandson this week.

Presidential Reports:

A-1 President Boothe presented the grants and contracts quarterly report stating funds approved and number of approvals were up 2.46 percent and 38 percent respectively. Total funds approved were up about $80,000 over last fiscal year. Grants & Contracts

A-2 President Boothe reported on the campus planning report calling specific attention to the upgrading of the air handling systems in the Fine Arts Center and Print Shop and the lighting control panel replacement in the Main Theatre and Black Box. The importance of Campus Planning

the Network Cabling Installation was stressed, as this project is critical to the evolution of the campus. Vice President Chance reported that the firm of Llambi and Associates had been retained to perform a schematic design for the campus entrance at U.S. 27 and Nunn Drive. This project is possible in part due to the acquisition of the Hoffman property, the anticipated removal of the University's entrance sign as part of the ongoing reconstruction of U.S. 27, and the Norse Club's desire for new electronic signage. Vivian Llambi and Phil Tworek of Vivian Llambi & Associates were introduced by Ms. Schuh, and Ms. Llambi gave a presentation on the design her firm has developed for the campus entrance.

A-3 The Quarterly Financial Report was presented by President Boothe who commented that in terms of revenue and expenditures, the University is finishing the fiscal year out in line with where it has been previously. Quarterly Financial

A-4 President Boothe presented the Transfer Module Report stating the Council on Higher Education had been directed by the General Assembly to develop a general statewide policy. The implementation of this report will bring NKU into compliance with CHE policy making it easier for students to transfer credits. This policy will become effective January 1996. Transfer Module

A-5 President Boothe presented the preliminary summer enrollment report stating enrollment had been down for the past couple of years and it is very encouraging to see an increase. Preliminary Summer Enrollment

A-6 President Boothe reported it is time for the University to rebid the banking contract as the current contract expires on February 28, 1996, and as a standard operating procedure consistent with state prescribed administrative procedure, this contract is rebid every five years. The proposed Bank Bid Committee includes Regent Zapp who is very knowledgeable in this area. Bank Contract

A-7 President Boothe reported the University has entered into a contract with Gardner Merchant (formerly Morrison's) to provide food service to the campus community. Gardner Merchant offered more national branded concepts and a better financial return. Renovation costs are being shared by the University and Gardner Merchant. The University funds are being generated through the student incidental fees earmarked for the University Center, use of these funds was approved by Student Government. Everyone seems very positive about the changes. Food Service Contract

A-8 The Kentucky Plan Update was presented by President Boothe who noted Northern had made progress in six areas and lost ground in two. In the category "Percent Progress Toward Objectives" NKU has the highest rating of any institution in the state, and it is the second year in a row that we have led the state in progress. NKU is in good position as far as this plan is concerned. Ms. Anderson agreed with President Boothe that this was a very good report. She believes that if this institution continues with the activities it is engaged in that it will maintain the goals that have been achieved. KY Plan Update

A-9 Regent Zapp reported that the Embrace Opportunity Campaign is rapidly approaching the base goal of $10 million, with a total of $9,465,528 at end of last month. Everyone who worked on this has done a great job. He added that the Corbett gift went a long way in Embrace Opportunity

helping. Since the last report, over $600,000 has been received. The Regents' and Foundation Campaign is in the final stages with the majority of the money having already been donated. The Northern Kentucky Campaign is ahead of base but below challenge goal. The Alumni Campaign is just kicking off but they look for big things there. The Cincinnati Campaign has done great with a lot of cash coming in, it certainly should exceed challenge goal. Overall, the campaign is in great shape. May not make the challenge, but should be very close.

Presidential Recommendations:

B-1 President Boothe recommended the following academic personnel actions for Board approval: Academic Personnel Actions

Administrative Appointments: Janis Fancher, Lecturer and Assistant Dean in the College of Arts and Sciences effective July 1, 1995; Thomas A. Zaniello, Professor of English in the Literature and Language Department and Director of the Honors Program, effective June 19, 1995.

B-3 President Boothe recommended approval of the non-academic personnel actions for the period April 1, 1995 through June 30, 1995, and called attention to the length of service of four of our recent retirees: Dorothy Gammon, 17 years; John Kuntz, 18 years; Thelma Rigg, 15 years; and Dolores Thelen, 25 years. Upon a motion by Regent Thomson, seconded by Regent Downing, the recommendation passed unanimously. — Non-Academic Personnel Actions

B-4 President Boothe recommended the appointment of the following administrative personnel and asked that each stand and be recognized: Susan B. Grover, Assistant Vice President for Development, effective July 1, 1995; Gerald E. Hunter, Assistant Vice President for Administration, effective July 1, 1995; and Larry L. Terrell, Registrar, effective August 1, 1995. Upon a motion by Regent Downing, seconded by Regent Crigler, the recommendation passed unanimously. — Admin. Personnel Actions

B-5 President Boothe recommended that corporate resolution be adopted authorizing Theresa Westlund, Assistant Treasurer/Payroll Manager, as an authorized signature on the University's checking accounts. Upon a motion by Regent Thomson, seconded by Regent Zapp, the recommendation passed unanimously. — Signature Authority Resolution

B-6 President Boothe recommended approval of amendments to the Faculty Policies and Procedures Handbook 1994. Upon a motion by Regent Thomson, seconded by Regent Zapp, the recommendation passed unanimously. — Faculty Handbook Amendments

B-7 President Boothe recommended approval of amendments to the Faculty Senate Constitution to change time of election of faculty Senators from spring semester to the preceding fall semester and the election of Senate officers from late in the spring semester to the first two weeks of the spring semester to allow better timing in terms of scheduling and reorientation. Upon a motion by Regent Thomson, seconded by Regent Poston, the recommendation passed unanimously. — Faculty Senate Constitution Amendments

B-8 President Boothe recommended authorization for the University to enter into lease agreements for rental of the following houses: 241, 303, 524 and 550 Johns Hill Road. Upon a motion by Regent Crigler, seconded by Regent Herald, the recommendation passed unanimously. — Real Property Lease Agreement

B-9 President Boothe recommended authorization for the University administration to enter into a formal agreement specifying the relationship of the University and the Northern Kentucky University Foundation, Inc., an unaffiliated corporation. Regent Herald moved — Foundation Agreement

that recommendation be approved, Regent Downing seconded. Following discussion concerning length of the agreement and use of an external auditor, the recommendation passed unanimously.

B-10 — Legislative Advocacy

President Boothe recommended the endorsement of the 1995 position paper of the Kentucky Advocates for Higher Education, Inc. The advocates are a group of business people who unselfishly give of their time to try to help universities achieve better funding. They have issued a position paper which calls for a seven percent increase in each year of the biennium, or approximately $52 million in the first year and $54 million in the second year, and seeks to generate considerable grassroots support for higher education during the gubernatorial campaign and in anticipation of the 1996 General Assembly. The Consensus Committee has designated the Natural Science Building as the region's No. 1 priority. On a motion by Regent Herald, seconded by Regent Crigler, the recommendation passed unanimously.

B-11 — 1996-98 Capital Budget & 1994-2000 IRP

President Boothe recommended adoption of the 1994-2000 Information Resources Plan, dated May 10, 1995, and the 1996-98 Biennial Capital Budget Request, dated July 5, 1995. The IRP is a six-year planning document which encompasses all information resource projects and acquisitions including office automation, data processing, telecommunications. Statutes require that all capital projects of $400,000 or more and all equipment projects of $100,000 or more to be initiated in the biennium be approved by the Board of Regents, the CHE (with the exception of equipment) and listed in the Executive Budget. A new Natural Science Building remains the top priority. Land acquisition also remains a high priority. An additional priority is the expansion of the University Center. Motion was made by Regent Taliaferro and seconded by Regent Downing to approve recommendation. There was a lengthy discussion concerning the Campus Network System and where it fits into overall priorities. Dr. Casson gave an explanation of the IRP document process. Following a lengthy discussion, the recommendation was voted on and passed. President Boothe thanked Dr. Garry Casson for his participation.

B-12 — 1994-95 Operating Budget Amendment

President Boothe recommended that the 1994-95 Operating Budget be amended upward from $65,822,114 to $65,900,956 to reflect proposed budget increase since March 30, 1995, due in part to an increase in tuition and fees, increase in athletic and theatre ticket sales, and increased sales in the Bookstore. Upon a motion by Regent Thomson, seconded by Regent Zapp, the recommendation passed unanimously.

B-13 — 1995-96 Operating Budget

President Boothe recommended that the 1995-96 Operating Budget be approved for a total of $68,750,000. Tuition and fees provide the bulk of the additional revenue. Revenue reflects a three percent increase in State general fund base operating appropriation. The State general fund operating appropriation is approximately $400,000 more than the final 1992 appropriation. The total growth in State general fund operating support over the past four years is approximately 1.6 percent. Fixed costs will increase by approximately $540,000. The Support of Learning Surcharge (approved with a 3-Year Sunset provision) provides $161,000 and will directly benefit the library and provide some relief to departments obligated to provide costly instructional materials to students. Upon a motion by Regent Zapp, seconded by Regent Thomson, the recommendation passed unanimously.

At this time President Boothe recognized and thanked Nancy Firak for her service as Chair of Faculty Senate.

Executive Session:

Executive Session

Pursuant to the provisions of the Open Meetings Law, Regent Zapp moved that the Board go into executive session to discuss real property issues pursuant to KRS 61.810(1)(b) and personnel matters pursuant to KRS 61.810(1)(f). Motion was seconded by Regent Thomson. The Board convened in executive session at 5:35 p.m. following a unanimous vote. The Board reconvened in public session at 7:05 p.m.

Regent Thomson made a motion that the Board request that the NKU Foundation continue providing special financial support for the President. Upon a second by Regent Downing, the motion passed unanimously.

Other:

C-1 Regent Poston made a motion that the Northern Kentucky University facility located at the intersection of Rt. 27 and Nunn Drive and now known as the Alumni Reception Center be renamed the "_____ Alumni Reception Center" in honor of (candidate A). Further, on the future receipt of a considerable gift from a relative of Candidate A, the new alumni/faculty/staff center which will result from that gift be named in a way appropriate to honor the family name. Upon a second by Regent Zapp, the motion passed unanimously.

Academic Affairs Committee:

No report. Dr. Gaston advised that a standard date has been established for this committee to meet, 2 p.m. on day of Board meetings.

Student Affairs/Advancement Committee:

Regent Poston asked that Vice President Pomerantz give the report for this committee. Dr. Pomerantz reported that in terms of the annual fund for Northern, the goal was $740,000 and it looks as if that will be exceeded by $10,000 to $20,000. Reported on (1) University Legislative Action Task Force (action plan has been outlined), (2) new series of print media which features faculty and students, and (3) gave extensive report on Fall enrollment. Compared to same time last year undergraduate and graduate applications and transfers are up, there are more women than men enrolled, and there are more Kentucky students this year.

Administration and Finance Committee:

Regent Downing reported the following items were discussed at the June meeting of this committee (1) bank contract, (2) U.S. 27 Entranceway Project, (3) budget proposal, and (4) Information Resources Plan.

President Boothe called attention to dates of upcoming activities, the State of the University Address on August 22, Founders' Day on August 31 (Mrs. Corbett has been invited to be a guest on Founders' Day), Education Awareness Week September 11-16, Conference on Trusteeship on September 17-18, and the September 20 Board Meeting and Library Paver Dedication.

President Boothe also commented that we have just finished a very successful Governor's Scholars Program on campus.

Adjournment:

Upon a motion by Regent Downing, seconded by Regent Poston, the meeting adjourned at 7:20 p.m.
