GET WELL WISHES

There were some people out ill over the last few months. As the newsletter had not been done we were unable to wish those well. We do know they have since returned to work. We are happy to know they have recuperated and are doing well.

THANK YOU NOTES

I wish to thank all my friends at NKU who made my 70th Birthday the happiest one ever and there's been plenty of them. It was a complete surprise I apologize for those who were unaware of my daughter's plans, many of whom I consider dear friends. If I was aware of it you would all have been on my list!!!!!!

FROM THE EDITOR: A Note of Apology - for being unable to get the Newsletter out the last two months. As I stated at the Staff Congress meeting, I was admitted to the hospital and recuperating after. Peg Goodrich was going to be editor during my absence but she also took ill and was unable to do it. She passed it on, and all down the line everyone became ill. Doesn't say much for the newsletter does it? No one will want to do it next year!!!! Seriously though, I have tried not to miss anything. Please -- call me if I have left anything out that you requested, if possible I will include it next month.
