### President's Notes by Linda Wright

To provide for maximum input on the current leave policy draft, a university-wide committee is being formed to review the draft and make changes if necessary. We have received many comments from staff, and these will be forwarded to the committee. An additional opportunity for input is expected. More specific information will be given as soon as possible.

The titling committee is working on another draft to be completed by the end of September. This draft will be distributed university-wide for feedback.

In the June newsletter, we mentioned an ad-hoc committee which was formed to review the criteria and selection process for the Staff Congress scholarships. The members of this committee are Glen Struasbaugh (chair), Peg Adams, Jan Pierce, Audrey Riffe and Carolyn Walsh. You should have received a survey. The committee would like to have all responses by September 1. Please call Peg Goodrich (x6400) if you need a survey.

In an effort to increase communication with all staff, a constituency list was distributed to Staff Congress members. You should be contacted shortly by your representative. Please feel free to call them (or any other representative) with questions or comments.

## FOURTEENTH ANNUAL STAFF AWARDS LUNCHEON

Northern Kentucky University is sponsoring the 14th Annual Staff Awards Day program on Wednesday, September 28, 1993, to honor those employees with five, ten, fifteen, and twenty years of service with the University. Attendance awards will also be presented to those non-exempt employees who have not used any sick leave for fiscal year 92-93.

Activities begin with a luncheon at 12:00 noon in the University Center Ballroom. Following President Boothe's welcoming remarks, service awards will be presented by the major department heads. Adjournment is anticipated by 2:00 p.m.

The Fourth Annual Regents Distinguished Service Awards will also be presented at the luncheon to the regular non-faculty employees selected for this award.

You are invited to attend the luncheon and join in the appreciation extended to the staff members that have devoted many years to NKU. There is a cost for the luncheon (cost unknown at this time). If you would like to attend, please contact Barbara Herald (x6387) for reservations. A name tag will be sent to you, and must be worn during the lunch.

Following is a list of the staff members to be honored.

## Attendance Awards
