Tidbits from Congress:

- ❖ Staff Regent Chuck Pettit gave a report on the Board of Regents retreat held September 11 and 12. Also, the Board had their regular meeting on September 27. He reported that the President's contract has been extended, the Master Plan was adopted, and the annual fiscal report was given. He noted that the Board meetings are open to the public and encouraged everyone to attend.
- ❖ Vice President Baker reported on the recent announcement regarding the regular audit of the Department of Public Safety. He noted NKU should be very proud of its safety record and commented on the diversified police force. Anyone interested in seeing the DPS crime log can access it from the DPS web site.
