Tidbits from Congress:

- The Town Hall Meetings were well attended. As a direct result of these meetings the Administration and Finance Departments will be placing suggestion boxes around campus early in 1999, for your use. Please send in your cost saving ideas. Copy/clip the form found on the last page of the newsletter and mail it to Mike Baker at AC727. Or you may download the form from the newsletter online.
- We welcome Martha Malloy, Staff Regent, as the new Acting Director of Human Resources. She asked everyone to be patient with the department during the period of transition and thanked everyone for his or her encouragement. Changes are occurring in the Department of Human Resources: the door will remain open at all times; and they will staff the reception desk as soon as they get the computer networked.
- The Salary & Budget Committee presented to congress for a vote: Budget Priorities Recommendation for the 1999-2000 Fiscal Year. It was passed by unanimous vote.
- If you have NOT filled out a new Health Insurance Form yet...**DO SO NOW!!!**
- The Transportation Subcommittee reported that construction will begin on the Parking Garage in February and open in October of 1999. There will be a 50-cent fee to park, with no restrictions. Campus Planning has a web page with up to date information, check it out.

- The suggestion has been made that the Benefits Committee and the Salary and Budget Committee be combined as they once were. It is under consideration.
- Keep in mind that the Faculty/Staff Follies will be in April 1999. That's only four months away.

The Staff of Steely would like to express our gratitude to those faculty, staff and department representatives who joined us and contributed such creative ornaments to the Steely Library 1st Annual Tree Lighting. We hope everyone enjoyed this event as much as we did. Dr Gaston is shown hanging the first ornament received from the Grant County Center.
