SYNOPSIS. January 14, 1988 Staff Congress Meeting.

A contest will be organized on campus to select a new school song. This will be open to alumni, faculty, staff, students or other interested persons. The NKU Foundation will award an honorarium for the winning song.

Don McKenzie as a representative of the Kentucky Higher Education Staff Support Association traveled to Frankfort and signed a resolution in support of Higher Education.

There are three (3) vacancies open in Staff Congress. The categories are At Large, General Administration and Skilled Craft. If anyone is interested or knows of anyone who would be interested, please contact a Staff Congress member for further information or to submit a name. Remember you are not fully represented in Staff Congress if you belong in one of these categories.

The listing of employee salaries which is kept on reserve in the library has been delayed due to a change in the report format.

HEALTH CARE UPDATE: *Hunkley will research for accuracy.*

MAXICARE AND HEALTH AMERICA OF OHIO is now Maxicare and Health America of Kentucky. What this means is all claims should now be processed in a timely manner. If problems still exist with Maxicare participants--please notify our personnel department. They cannot correct problems if they are unaware of them.

HMO-KY has recinded its letter of January 4, 1988. So there will not be a restriction of specialists or pharmacies through the length of our contract. (June 30, 1988)

If anyone is having problems with their health plan--please contact our personnel department. They need to know.

YOUR HELP IS SOLICITED:

Once again Kentucky residents are asked to participate in the Rally for Support of Higher Education in Frankfort. Note the date: Tuesday, February 16, 1988. For details see the Campus Digest.

FOR YOUR INFORMATION:

The Staff Congress Newsletter has a new editor due to Lora Cann's retirement. So, if you have any information you wish to share with your fellow employees, please submit it in writing to Rosanne Rawe, Room 202 Steely Library or call Rosanne at x6395. Remember--if you do not tell us--we can not print it.

Mary Ann Feters wishes to express her gratitude to all those employees who sent food and money in her time of need. These employees, together, paid for a tank of heating oil for her trailer in December. Brighton Street Center ok'd \$600.00 effective in January to be used through Spring of '88 for heating oil through Midwest Gas Company.

Lessons most difficult to learn are those with the greatest rewards.

*****SOUND*OFF*****

Here's a chance to voice your opinion. Please respond to the following question, then detach and return it to Rosanne at 202 Steely Library. We'll let you know next month what others are thinking.

How would you like a family day at NKU? It could begin with an open house so your family could see where you work. The Health Center could be open to all and a picnic lunch could be served free of charge. This could be a Friday evening or Saturday, (or any other day?) There are many possibilities for what this day could include. What is your opinion?
