President Boothe is asking for Staff support of the proposed convocation center to be built in Northern Kentucky. You can help by signing the petitions that are being circulated around campus. The petitions are available from all Staff Congress Representatives. You are able to sign the petitions if you live in Kentucky or if you live in Ohio but work in Kentucky. We only have until Friday February 23 to get these in so please don't delay.

An "Amy Casson Memorial Fund" (Account No. 04711868388) has been established and any donations can be sent to Huntington Bank, 2514 Dixie Highway, Ft. Mitchell, KY 41017. The purpose of the fund is to offset medical expenses incurred by the Casson family during their daughter's five-year illness from leukemia. What is not used will be applied to the perpetual Amy Casson Scholarship Fund being established by the student council at Scott High School. The Casson family wishes to extend their appreciation for the many expressions of kindness with the passing of their daughter, Amy Lynn.
